### CELEBS AT HOLOCAUST MEMORIAL

Helen Hayes, Rod Steiger, Lorne Greene, Metropolitan Opera star Sherrill Milnes and the ABC-TV's Ted Koppel top a long list of celebrities who will help memorialize the Holocaust April 29 at ceremonies at Washington's Kennedy Center in the annual "Days of Remembrance" sponsored by the U.S. Holocaust Memorial Council. A spokesman for the council chairman, author Elie Wiesel, said yesterday that the commemorative evening would bring together many survivors of the Holocaust for the ceremonies at which candles will be lit in memory of the 6 million Jews who died in the Holocaust. President Reagan and Vice President Bush will lead the list of speakers. The following day, a national commemorative will be held at noon by House and Senate leaders in the Capitol rotunda for members of Congress, including survivors of the Holocaust such as Sen. Rudy Boschwitz (R-Minn.), and Rep. Sam Jedgeson (D-Conn.) who was born in a concentration camp. From the *Daily News*, New York — 16 March 1984:
