THE HOMOSEXUAL VIEWPOINT

MARCH 1962  
FIFTY CENTS

## EDITORIAL

We are surrounded by heterosexual propaganda. Who is the homophile that can escape it? We get it from newspapers, movies, the pulpit, bus ads, TV. Conform! Think like everybody else! Marry! Breed like rabbits and overpopulate this earth! Even pure sixes on the Kinsey Scale must listen to this shrill apologia for heterosexuality.

The cause of heterosexuality is unknown.

It has always been with us.

It is found in all walks of life.

Heterosexuality is part of our mammalian heritage. And, considering the propaganda barrage, the wonder is that homophiles can survive and live as homophiles in these times. True, some fall by the wayside. Latent heterosexuality is a potential in each of us. We have all seen cases, pitiful attempts at conformity. Those are the ones who cannot withstand the propaganda, who lose their individuality. And when that happens, that tiny core of genius-potential that is unique in each of us dies. Warp the sexuality of the individual, then you maim that genius-potential at birth. The very word "individual" means "non-divisible,"—a person who remains *whole*. It is not for nothing that it is a fact (and a fact which has always puzzled heterosexual scientists, philosophers, and moralists) that homophiles never willingly seek to change their sexuality. And it is not for nothing that it is a fact (and oh! how they try to obscure it) that the great periods in history have been the most homosexual.

ONE is a ten-year-old bulwark against all this propaganda for conformity. Don't look for Mass Appeal in ONE. History is made by individuals, and ONE is for the individual.

# ONLY A NAZI REFORMATION CAN DESTROY THIS FILTHY CANCER

AMERICAN NAZI PARTY  
*official publication*

The ROCKWELL REPORT is a twice-a-month Washington newsletter published at 928 North Randolph Street, Arlington, Virginia, USA. 50¢ per single copy. Ten dollars per year. Eleven Dollars Overseas and Canada. Thirteen dollars, Air Mail. Not responsible for unsolicited manuscripts. Clippings and news items welcomed.

ON THE COVER OF THIS ISSUE OF THE "ROCKWELL REPORT" ...I have reprinted some of the absolutely staggering FILTH being sold on our newsstands to KIDS, --and sent through the mails!

I considered a long time before I decided to allow such moral atrocities in our publication, -but, just as we have used the swastika to SHOCK our people into a realization of the brutal facts about the Communist conspiracy, -so we feel that SHOCK is the only way to awaken America to the moral conspiracy and degeneracy which is getting itself accepted as "normal" by today's "liberalized" society!

Notice the "editorial" in this unspeakable magazine for pansies! "Heterosexual", incidentally, means "interested in the opposite sex". These brazen queers are ACTUALLY complaining about the NORMAL people, and demanding a stop to motherhood and normal relations between the sexes!!!!

The pansies, fairies, lesbians and perverts of all nasty shades have ACTUALLY FORMED A LOBBY and campaign endlessly in our legislatures against normal, wholesome people, and on behalf of QUEER-ism!!! In Illinois, they boast, their efforts have been successful in getting sodomy made LEGAL!

Look at the utter FILTH on these pages and reflect that this disgusting swill is GOING THRU OUR MAILS, --and YOU are SUBSIDIZING IT!!!

In fact, the American Nazi Party, as soon as we can find the time, is going to file taxpayer's suits in the Federal Courts to put a stop to this outrage, -and we recommend that patriotic groups do likewise.

People have endless meetings and discussions about "juvenile delinquency", --and then permit such moral poison as THIS stuff to be available to KIDS! Remember, this is not just "pornography", --this is glorification of SODOMY, --a CRIMINAL and vicious practice damned in the Bible and by every decent civilization with any virility and strength.

This sort of thing is ALWAYS the beginning of the end for civilizations. When societies are young and vigorous, queers are very properly HATED and usually don't survive very long. It is only when the vigor of a civilization begins to diminish to the point where the civilization is ready to collapse that people will tolerate this abomination.

And when this repulsive perversion becomes "fashionable" for "leaders" and "statesmen", as it has in our times, the society so afflicted has reached its ultimate cross-roads. Wither its remaining vigorous elements rise up, as did the Nazis in Germany, and ruthlessly eliminate this disgrace, or disgrace eliminates the civilization and the wretched people who no longer deserve to survive in the brutal world of nature.

Our State Department has been repeatedly exposed as a hot-bed of these miserable perverts, and the foul creatures regularly display their lack of character by selling us out to our deadly enemies and defecting to communism. One has only to listen to the phony "British" accents of the Achesons, the Rusks, the Stevensons and the rest of their rotten pinko-pansy clique to see and FEEL the nature of this disease. Sumner Welles, once our under-secretary of State, was found frozen in a field near Washington, where he had been chasing a little boy for evil purposes, and his conduct was so vile that the U.S. had to have special agents follow him around to prevent PUBLIC disgraces, --but this man was not FIRED as he should have been.

The natural instincts of any decent and wholesome person, when he sees the repulsive antics of these pansies, is to want to kill them, --as nature intended. This is perhaps too strong a remedy, --but the monsters should certainly be instantly removed from normal society as soon as they are discovered. CERTAINLY they should not be allowed to publish QUEER MAGAZINES, --such as we depict photographically here, --and send them through our mails, and sell them to KIDS!! They are DISEASED, and they work tirelessly to SPREAD their evil malady. In the prisons and jails where I have been thrown by Jew terrorists, there are hundreds and thousands of pitiful cases of young boys regularly "punked" by utterly vile creatures, who were once themselves ruined by this plague. In jail, you have to protect yourself with your fists and even your life, sometimes, to save yourself from these monsters. Sometimes the prisons segregate them, but often they don't. And our men are often purposefully thrown in helpless among black homosexuals by the orders of the Jew terrorists. Winchell (Isidore Lipshitz), for instance, regularly calls me "George Stinson Ratwell, Queen of the Nazis", --and writes that my favorite pin-up is Christine Jorgenson. This is how the minds of "God's Chosen People" work. Half of the Jews are blasting me as a satyr, gloating over my seven kids and "many" women, --while the other half is pretending that us Nazis are all queer.

One of the first acts of the American Nazi Party upon winning power will be to put an end to the phony "discussion" and "law-cases" to decide whether "Tropic of Cancer" is "art" or not, and see that such foul-mouthed FILTH is banished from any place where decent people and kids can get hold of it. But even this will have to wait until we have passed stringent laws and arranged to ENFORCE them, to put an END to public pansies. They will either keep their rotten perversion utterly hidden, or they will be thoroughly and completely and permanently hidden from decent society.

Nobody has a "right" to turn us into a nation of queers.

Do the Jews ever protest **THIS**?  
 How **VILE** can they get?  
 This is "ART"?

A lovely picture for the nice men who  
 love nice little boys!!!!

**SHAMM!**

# JEWES DESPERATELY TRY TO STOP FIRES THEY HAVE SET IN ECONOMY

The gyrations of the stock market are inexplicable only to those who refuse to credit the Jew-conspiracy theory of what goes on in our world today. One of our friends in the South just made a killing in the market based on our analysis of the economic situation, which is really very simple, - and which has enabled us to predict the general pattern now for several years.

The Communist Jew master-minds WANT a market crash. But NOT NOW!

When our own Roger Foss, before becoming a Nazi, was hired by the Soviet First Secretary to become a red American spy, Ivanoff, the Secretary, told him not to worry about any atom war. That was "all propaganda" to keep the West scared to death, retreating, and broke. He assured Roger that, when they were ready, they would precipitate an unheard-of crash in the American economy, and their hundreds of thousands of trained agents, -(such as Roger was supposed to be) - would seize all the key points in America (those points not already held by red rats posing as "liberals").

When Roger asked why they didn't go ahead right away, Ivanoff told him that the people would still "fight". They needed to be beaten down and brain-washed some more. The reds don't want any trouble or a heap of rubble. They are planning to let America "fall like a ripe fruit", as Lenin put it.

In the chaos of a super-crash, it would be the work of only a few weeks for the scum to take total command of our Nation and race, and start their program of extermination and terrorism. But they are NOT READY NOW.

In a recent pamphlet on how to get rid of us Nazis, the American Jew Committee emphasized most strongly that they had to "get" us NOW, before economic and racial catastrophe made it impossible.

They learned a hard lesson in Germany, where they precipitated the economic crash and the same red take-over they have planned for the USA. But, out of the German people came an inspired leader. Adolf Hitler rose out of the chaos and prevented the Bolshevik take-over at the very last minute!

In SPITE of the Jews, the SAME THING IS NOW HAPPENING IN AMERICA.

The Jews were advancing rapidly toward their economic chaos and take-over, when suddenly NAZIS appeared in America, and triggered off a "right-wing" explosion of millions of frustrated little people who have heretofore been too scared to so much as notice the Jew and Communist terrorists. Under these circumstances, the Jews know they MUST whip the "right-wing" --and its spear-head, the Nazis, --or their chaos will produce not a Bolshevik America, but a NAZI America, run by the White Christians, with ruthless punishment for the swarms of traitors.

But the forces toward economic chaos which they had already set in motion, the forces of inflation, a crazy mixed-up patch-work of government controls and subsidies, robber-baron labor leaders, --and all the rest of their machinery of treason and subversion, --are too complex to be controlled as one controls a locomotive or a computing machine. All these forces combined this month to produce their inevitable result IN SPITE OF THE JEW MANIPULATORS.

I have been telling our close friends privately, and here it is in writing, that there will be no major and permanent crash for yet a while longer, --not until the Jews feel that they have the Nazis and the right-wing "under control", or until they can no longer stave off the effects of the economic poisons they have injected into America's blood-stream. They don't DARE have a crash now!

The ONLY thing keeping MILLIONS of Americans from being OPEN anti-Semites today is MONEY! The standard answer from a great majority of ordinary working Americans who are approached on the Jewish question is that they "can't afford" to admit it or do anything about it.

"In MY POSITION," --they say, excusing their refusal to support an anti-Jewish fight, "they would run me and my family into the poor-house in a few days!" And they are probably right.

But think what will happen when they don't

HAVE any "position" to protect, when they are starving and evicted from their homes and without their electronic dish-washer, electric can-opener and self-propelled lawn-mowers! They will have nothing to lose by blasting the Jews, and their long-pent emotions will be vented a lot more explosively than those of experienced, professional "hate-men" such as we are supposed to be.

The Jews are anything but stupid in such matters. They know that their very lives depend on keeping the stupid and docile Goyim drooling happily in front of their Marx-ivision sets until the Jews have any possible tough opposition to their take-over (Nazis) --dead or in prisons and insane asylums.

The Jews are convinced that they can beat us to death before the crash (which they initiated) becomes too powerful to hold back any more.

But I am convinced that the Jews will also move heaven and earth to keep the economy going like a drunken sailor, --as it still is, --as long as we are around to turn their "take-over" into a Nazi victory for the White Race and the American Republic. And they have the enormous economic power to MOVE heaven and earth.

So there will be no crash for a while yet.

Nevertheless, it is COMING, --and such a crash it will be as will make 1929 look like a run-away boom.

Those who pooh-pooh this usually point out that it CAN'T happen this time, --because the GOVERNMENT has now insured this and that, the government "stands behind" the currency instead of gold, etc.

This is partly true.

The government IS "holding the bag" for everything, unlike 1929.

In 1929, the economy was relatively independent of government. When the economy crashed, the government itself was not seriously endangered. But THIS TIME, the GOVERNMENT IS THE BIGGEST BETTOR AT THE TABLES, --if the economy crashes, --SO DOES THE GOVERNMENT. In 1929, the BANKS CLOSED. THIS TIME, --THE GOVERNMENT WILL "CLOSE"!

Every one of our publications for three years now has been predicting the crash, of which the recent dive was the first tremor. Without the emergency "transfusion" of the Plutocrat Bankers and Jews, it would have been "IT"!

We continue to predict that it is COMING, --within from six months to two years, now. The Jews can no longer stop it entirely.

And when it comes, we will STILL BE HERE, --the "STANDARD TO WHICH WISE AND HONEST AMERICANS MAY REPAIR". America's hungry, maddened millions will not be looking for any nice John Birch Society or Jew Schwartz to defend them from the Communist Jew terrorists. In a few hours, they will throw off their Jew-enforced hypocrisy (pretending to love Jews to keep jobs they no longer have) and, as happened in Germany, they will flock to the once "unpopular" Nazis by the MILLIONS AND MILLIONS. This is not wishful thinking, paranoia or wind; it is cold calculated scientific and political FACT, as our steady progress for four years now proves.

# MORE HEBREWS IN THE WOODPILE

We have already run two exposes on the strictly Yiddish leadership of the basically good organization, YAF. The first, on the "KOSHER CONSERVATIVES", caused Barry Goldwater to throw away his prepared speech in Madison Square Garden and rave that he "never knew a Jew who wasn't patriotic"! And you can be sure this insane outburst did not go unnoticed among the innocent "conservative" kids (and grown-ups) who have been cozened into follow-

ing these "Kosher Conservatives"! Next we exposed the Jew "ex"-Communist, Marvin Liebman, who has been USING and exploiting the growing anti-Communist sentiment in America for his own profiteering and pinko work, --and the exposure was sufficiently painful so that Marvin hurriedly moved "YAF" out of his 79 Madison Avenue Offices, where he has such outstanding "conservatives" as Paul Douglas, Jacob Javits, Henry Luce, etc, on his letterhead, and a few doors down the street.

Now we have a few more surprizes for these rotten Koshier Conservative "leaders"

The New York Times has been good enough to reveal that not only is the adult leader of YAF a Jew, (Liebman), --BUT SO IS THE HEAD YOUTH HIMSELF!

Robert Schuchman, the FOUNDER and CHAIRMAN of YAF is ALSO A JEW!

So here is the line-up on YAF: Founded by the Jew, Schuchman, led by the Jew, Schuchman, directed by the Jew, Liebman, advised by the Jew, Goldwater, whom they want for president, --and counseled by the Jew Sokolsky, the right-wing oracle.

Are ONLY Jews fit to lead us politically?

Nobody can deny that the Jews swarm in the leadership of such left wing outfits as ADA, etc, --and now the burgeoning right-wing TOO must be led by ONLY Jews too?

Are there no NON-JEWS left capable of leading Gentile America?

And now comes the none-too-surprizing information that Barry Goldwater was, for years, an enthusiastic member of the NAACP, --as a good "conservative" leader ought to be, of course. But I am not so foolish as to imagine that our hordes of "conservatives" will realize what this means. They will still run around like kids with their Goldwater bumper-stickers, and will put into office this obvious PHONY, -just as they put Ike in.

## THE WASHINGTON POST

Tuesday, May 1, 1962

Answer: Thelma Evans, former secretary for the NAACP in Arizona, reports: "Senator Goldwater joined the NAACP at Tucson, Ariz., and was most helpful in the desegregation litigation in Arizona. He assisted in the program of the NAACP by donating \$100 in cash while on the platform of a meeting at East Lake Park in Phoenix on Oct. 21, 1951, and later mailed me a check for the balance of a pledge which was \$200 additional. Senator Goldwater was for years a member in good standing of the NAACP."
