KIKES & CO., INC., LET US  
STAGE MANAGE YOUR  
CRISIS!  
WORLD WIDE SERVICE!**

*Official Publication of the American Nazi Party*

**THE ROCKWELL REPORT** is published fortnightly by the American Nazi Party at 928 N. Randolph St., Arlington, Virginia, U. S. A. Single copy, 50¢. One year, mailed first class in plain, unmarked envelope, \$10, Air Mail, \$11. One month, \$1. Clippings welcomed.

During World War II, I commanded squadrons in air support of combat troops during amphibious invasions. I assure the reader that this is not printed to boast. But to establish my professional qualifications on a specific aspect of the Cuban "crisis", I must mention that my knowledge of camouflage, and particularly of how to penetrate camouflage, was considered good enough by the U.S. Navy so that I was made an instructor in the subject for fleet and Marine pilots. Commander, Air Force, Pacific, gave me a letter of commendation for my camouflage work.

With that established, let me state that ONLY KENNEDY'S AWE-INSPIRING POSITION AS PRESIDENT OF THE UNITED STATES AND THE FACT THAT OUR PEOPLE HAVE BECOME TOO MENTALLY FLACCID TO THINK OR TO RESIST THE JEWISH PUBLIC RELATIONS HOOPLA KEEPS MR. KENNEDY FROM BEING IMPEACHED OR EVEN LYNCHED FOR HIS BRUTALLY GROSS LIES ON THE CUBAN "CRISIS"

Readers will remember that more than a month before the "crisis", we accurately predicted it, (Rockwell Report, No. 23, Sept. 15, 1962) and predicted that it would NOT get Communism out of Cuba--but that it was for the specific purpose of getting Kennedy PINKOES into the Congress in the upcoming elections, and, most important, TO MAKE AN ANTI-COMMUNIST HERO OUT OF KENNEDY TO WRECK THE GROWING RIGHT-WING MOVEMENT.

And not only have THESE predictions been accurate, but our prediction that the reds were "dumping" Castro because of his anti-Jewishness is also coming true, with the papers actually headlining last night (Nov. 12) that he was, quote, "being DUMPED", unquote! Sooner or later Mr. Castro will be gone, and a more acceptable Koshier Communist will be "acclaimed" by the people.

In view of our precise predictions of the Cuban "crisis", how can any sincere American, liberal or conservative, maintain either that we are "hate-crazed lunatics"--or that Kennedy and his vile gang of Harvard-Unitarian-red-Jews are anything but the rotten liars and betrayers of our Nation and our race which they are?

At the beginning of this article, I pointed out that I can speak as a professional expert on the subject of camouflage and the penetration of camouflage.

One look at the "documentary photographs" presented by Mr. Kennedy to back up his absurd claim that he was "shocked" by the "sudden" build-up of missiles in Cuba should convince even an arm-chair general in any American home that our Presi-

dent is a LIAR. (With the unavoidable conclusion that his PURPOSE in lying can be nothing less than TREASON!)

Bases for even intermediate range ballistic missiles take months to build! Everybody in America, EXCEPT our President knew about the missiles for at least three MONTHS! And, if they were intended for a sneak attack, as we are supposed to be frightened into believing, they would certainly be CAMOUFLAGED with all the genius and skill possible.

BUT THE CUBAN MISSILE BASES WERE NOT CAMOUFLAGED AT ALL! IN FACT, ANY PHOTO-INTERPRETER CAN TESTIFY THAT THEY WERE OBVIOUSLY SET UP AS OSTENTATIOUSLY AS POSSIBLE, WITH THE SPECIFIC INTENTION OF PROVIDING "EVIDENCE" OF MISSILE BASES. Since few people are photo-interpreters, the stage managers of this vile and treasonable fraud on the American people made the bases SO OBVIOUS that, if the American people could still THINK, as did the men who founded this Country, Kennedy would have had to flee for his life ten minutes after his broadcast.

Just in case there was any doubt in the mind of the dullest sucker--the stage managers ACTUALLY PUT FLOOD-LIGHTS ON THEIR "EXHIBITS", as the missiles were going up!

Can you imagine the Japs on the way to Pearl Harbor for THEIR genuine sneak attack, putting FLOOD-LIGHTS ON THEIR SHIPS?

How DUMB can our people GET?

Two days before the "sudden" "crisis", Gromyko comes to the White House for super PRIVATE talks with Red Jack in his Harry Golden rocker. We believe that conference was for the specific purpose of SETTING UP the "sudden crisis" to occur with precision only DAYS before the election--and SAFETY FROM AN UNPLANNED "INCIDENT"--WHICH MIGHT HAVE FORCED KENNEDY OR RED JACK TO ACTUALLY FIGHT A BIT!

To sum it all up--here we have a President of the United States suddenly coming before the people of America on TV and telling them what every schoolboy in the Country knew for months--that the Communists were building up a huge base in Cuba, but that he "SUDDENLY"--A FEW DAYS BEFORE THE ELECTION--received information of the missile build-up which had been going on under LIGHTS!

The people are cleverly FRIGHTENED to

death with preparations for thermo-nuclear catastrophe, while Red Jack poses nobly on the ramparts defying the terrible Khrushchev and his big bombs.

But our masterful, "anti-communist" leader, good old Red Jack, successfully calls the "bluff" of the awful Communist boogey man, and, only HOURS before the election, Khrushchev obligingly CRAWLS at the feet of "anti-communist" leader, Kennedy! He turns his ships around, and even lets Red Jack come aboard his returning ships to EMPHASIZE how he is crawling before our own masterful "leader"!

Again, just as we predicted, PRECISELY as we predicted, ALL the John Birch Society candidates in the election are WHIPPED, where all signs before the Cuban "crisis" pointed to their victory! What need of a John Birch Society to fight the reds, when our own President has PROVEN himself as the "fearless fighter" and "leader" who can whip the devil himself, old Mr. K.?

The whole thing STINKS--and should disgust the "conservatives" who have been playing it "cool" on the Jewish problem, and afraid of us because we are too "radical". Only our own COUNTER DRAMATIC METHODS can beat these stage-managed crowd-manipulators of the Jews. We, alone among all the political pundits and analysts were able to call the shots on the Cuban "crisis"--and the ability to predict accurately is never the mark of lunacy or stupidity, but of a CORRECT APPRAISAL of FACTS.

There are three good results of all this idiocy and treason.

First, we are slowly FORCING those who still imagine we are "hate-crazed lunatics" to recognize that we know what we are doing, and are a political factor to be reckoned with. Most of the top journalists and politicians in Washington get the ROCKWELL REPORT, and they cannot help but be impressed with our continuous ability to beat all of them at figuring out what seems to them to be chaos. Bit by bit, the right-wing is also being forced to recognize our steady rightness and our relentless drive to success,

in spite of the manufactured hostility of what appears to be the whole world.

Second, Kennedy and his Harvard-Unitarian-Jew manipulators from the ADA have helped the Nazi Party prove its point about the "nice" right-wing--that they can't stand up or even survive against the utterly unscrupulous, terroristic Jew-left. The Birch Society, already fading slowly away under the naked terrorism of the Jews and their lies, is now left high and dry with the red tide of Communism apparently "swept back" by fearless Jack and his trusty PT-109! Time and again, the timid generalship of these "conservatives" proves unequal to the smashing and brilliant attacks of the Jews! The Cuban "crisis" is one more nail in the coffin of feeble, panty-waist conservatism, and another steel-girder in the solid growth of the American Nazi Party.

Finally, just as with almost everything the Jews are trying these days, the Cuban "crisis" will BACK-FIRE!

If we have won the first "victory" over Mr. K. by standing up to him--as the stage managers have been forced to make it appear--then the liars and manipulators are going to be plagued to death by honest, if gulled, Americans, with the demand for MORE such victories. "If STRENGTH worked in Cuba", will be the chant--"why not in BERLIN?--In South America?--Wherever Communism sticks up its head?"

The liars and swindlers will come up with smooth answers, of course,--but their machinery is already beginning to creak; their magic-threads are beginning to show a little; their hypnotized subjects are beginning to twitch and might soon AWAKEN!

And that's what WE are waiting for.

We shall continue to predict correctly and analyze correctly to win over the few thinkers. And we are continuing to make loud and effective NOISE in public--to awaken our sleeping people and bring them at last up off their backs and their knees--and on to their FEET!

# THE BEATING HEART OF AMERICA

APACHE PASS, NEW MEXICO, NOVEMBER 9, 1962: For the past three weeks I have been "hem-stitching" a zig-zag path around the USA on the Highways of America in a 1953 Cadillac made available to us by two Party Members.

This is being written in the back seat, while Storm Leader Gary Smith roars through New Mexi-

co on the way to our next rendezvous with Party Members or supporters. In the way we have put FIVE THOUSAND MILES ON THE OLD CADDY IN THREE WEEKS, believe it or not!

It has been difficult trying to get to as many cities and towns as I would like to along the route, and we have often been unable to locate our friends in the brief time available in each area. I hope no-

body will feel hurt that I did not see him or her, and that all our people will reflect that it is a lot different driving around as "George Lincoln Rockwell", "U.S. Nazi chief" and "king of the Hate Agitators", as the newspapers along the way have characterized me, -- and being an ordinary citizen driving along the highways visiting friends.

In Houston, where I was visiting some of my oldest friends, the ADL discovered my trail, in spite of every precaution, and pressured the police department to put what is called a "rough shadow" on us. This means that we were followed by a dozen or so detectives and police cars in such an OBVIOUS manner that the victim is unable to do anything in a normal manner, -- especially visit unpublicized friends and supporters. They knew I would not compromise such good people by driving up with a whole cortege of police cars with flashing red lights and detectives in trench-coats, pulled-down fedoras, and cigars, like Dick Tracy. So I chose, this time, to leave town, rather than embarrass the good and brave people who have stood with us. But first I went to the Police Department and offered any information on myself or the Party they might want, and assured them there was no real need for the Keystone cop act all over town.

At the police station, the press, discovering I wanted no publicity, happily accomodated me with maximum coverage. So, in view of the fact that I could do nothing more in Houston THIS trip, I let them "have it" with both barrels, and managed to get a good bit of shocking TRUTH to hundreds of thousands of people in pretty good TV interviews. (I agree with Nixon's recent statement, -- "Thank God for the TV and radio". The TV newsmen do not seem to be as completely taken over as the newspapers, and continue to amaze me, -- and horrify the Jews, I am sure, -- with relatively truthful coverage of our activities, while the Jew press either blacks us out completely or rails at me as "Queen of the Nazis", etc, etc).

In spite of such harrassments, I have really learned some wonderful things about our great Country and the mighty White race which built it, as I met dozens of our members and supporters, -- many of them alone and seemingly isolated in their villages or great cities.

I discovered, in Waco, Texas, for instance, that two of our friends had lived only a BLOCK away from each other for many years and neither knew of the other, while writing regularly to National Headquarters in Arlington! But the most frequent and heartening discovery was that, in spite of the unprecedented-in-all-history smear job being done every day by the Jews against Adolph Hitler and his pioneering RACISM, most of our friends were finding MORE AND MORE people privately whispering "Hitler was RIGHT!" The effort of the Jews is to keep each American thinking that he is ALONE in

this secret and growing conviction that "Hitler was right!" But their lies and terrorism won't work much longer. As we continue to grow and survive the worst the Jews can throw at us, more and more people are whispering this deadly slogan to their neighbors, just as we planned. Eventually that slogan will flood out across this country thru all White Gentile countries, until it becomes such a mighty roar that the Jew liars can't hide it any more.

For those who think this is an exaggeration, reflect on what YOU would have said only FOUR YEARS ago if you had been asked what chance of survival a group of open NAZIS would have, going around the country preaching the naked racism of Adolph Hitler and the gassing of Jew traitors!

Today, in every village and great city, everywhere I go, reporters, policemen, waiters, high-school kids, bus-drivers and every other kind of American have one or two among them brave enough to sidle up to me with a sort of "shining horror" look in their eyes and whisper, "You're RIGHT by God! Stick with it! There's more with you than you know!"

Well they are RIGHT, -- and they are also WRONG!

There ARE millions of Americans, right this minute, who privately agree with us strongly, but DARE not admit this even to YOU, their neighbor, for FEAR OF THE JEWS, as the Bible puts it! They do not want their wife and children to starve. But let our phoney economy "blow", -- as it is doing with our gold pouring out, -- and these millions of secret Nazis will have nothing to lose when they are jobless and broke by coming into the open.

And those who whisper "there are more with you than you know" are WRONG. Because we DO know. I would be a fool to keep fighting with our tiny band of brave men under the banner of the White Race, the SWASTIKA, if I didn't know that someday we will burst suddenly from a persecuted little group into a mighty mass-movement which will shake the earth and smash communism and race-mixing, -- as National Socialism did in Japan, Germany, Italy and Spain.

I have been listening to the beating heart of America. And that heart is not weak. It is NOT infected with REAL love of race-mixing or Communist Jewry, -- but each American imagines that HE ALONE is beginning to feel that "HITLER WAS RIGHT!"

We are getting these isolated Americans together. Only one at a time at first, but there are millions of them, and no other group in America has the courage to PROVE it has the GUTS to pro-

vide the leadership these people are looking for, -- because no other group dares to admit and preach the FINAL, DEADLY truth about the world's foremost racist, Adolph Hitler!

When these millions of isolated, fed-up Americans are together at last it will be a force which nothing, and certainly not Jew liars, can stand!

# APOLOGY TO GERALD L.K. SMITH

LOS ANGELES, 13 NOVEMBER: The last few issues of the Cross and the Flag have been getting more and more outspoken on the subject of the world's foremost racist and anti-communist leader, Adolph Hitler. Gerald L.K. Smith has never attacked me directly, although, for a long time after I began to be effective in the fight, he printed back-hand remarks that "those who fight the Jews without doing so under the Cross of Jesus Christ are working for the devil"

I have been cussing out Gerald for being a profiteer, and putting out disgusting, money-grubbing, tear-jerking pieces which tend to prostitute our holy cause.

He STILL won't get out in public with his God-given gifts as an orator, and still sends out the heart-rending letters.

But I have heard more and more reports that he may be getting ready to stand up in PUBLIC at last, and FIGHT, -- as he used to. (He started out with Huey Long, and was actually one of William Dudley Pelley's Storm Troop Leaders in the Silver Shirts, until that got too "hot").

I am going to hear this master orator speak tonight in Los Angeles, and will soon know for myself whether he is still DOING business or whether he MEANS business.

If he means business, -- I will be the first to apologize to this political genius and offer him any help I can give him.

If he is still DOING business, I shall do what I can to expose him in spite of the groans of other right-wingers that we should all "stick-together."

When our Race and Nation is backed to the wall fighting for its very life, -- NO MAN who calls himself a fighting patriot has the right to confine his "fight" to private meetings with big collections and luxurious living. Can you imagine one of George Washington's best generals confining himself to private meetings in his luxurious home while American Patriots FROZE and STARVED at Valley Forge? NO! That is wicked waste at a time when every last ounce of energy is desperately needed in the battle of SURVIVAL.

If Smith is really "coming out", as appears to be the case, -- WELCOME! Let's stand together and FIGHT the bastards, not each other!

## WUNS FIGHTS ON

LONDON REPORT: The judge pronounced sentence and the guards surrounded the handsome broad shouldered man standing before the bench. The murmur of those in court as spectators grew quiet as the man turned around and faced them. His eyes pierced the room, commanding attention.

The man was Colin Jordan, first Leader of

the World Union Of National Socialists. He began to speak, loud, determined and clear:

"Nothing will stop us!", he said. "As long as I live or as long as my opponents allow me to do so, I shall fight for what I believe to be right for my race and nation. I am guilty of being anti-Jewish because I love my country and hate what the Jews have done to it."

FINAL POSE . . . JORDAN AT HIS HEADQUARTERS YESTERDAY BEFORE HE WENT TO JAIL

Cheers broke out among the crowd. A woman burst into tears and raced forward sobbing, "God Bless him!" "God Bless that man!"

A policeman reluctantly restrained her, and was heard to utter, "That chap has guts."

Outside the courtroom, a BNSM aide announced: "The future of world National Socialism is now in Commander Lincoln Rockwell's hands."

Instantly, youths began to chant: "Long Live Jordan!" "Long Live Rockwell!"

A BNSM man jumped up on a podium and shouted: "Long Live WUNS!" "Long Live WUNS!", the crowd roared back!

With the cheers of his supporters ringing in his ears, Colin Jordan, who also heads the British National Socialist Movement, defiantly marched off to a 9 month prison term. With him, shoulder to shoulder, marched 3 aides, Deputy John Tyndall for 6 months, and Section Leaders, Roland Kerr-Ritchie and Dennis Pirie, each for 3 months.

Conducting their own defense, the British Nazis were acquitted of more serious charges, but were convicted of violating the "Public Order Act" on the grounds that they allegedly led an organization which "aroused reasonable apprehension." (The Communist Party, apparently, is not an organization which arouses reasonable apprehension.)

The charges against the British patriots centered around the formation of Spearhead, the BNSM street force.

The two week long trial, the most sensational in Britain since the war, was frequently highlighted by brilliant oration from Jordan, who until recently was a University professor. Cheers from supporters often followed and lasted until order could be restored.

At one point during cross-examination, the British Nazi Leader gave the Nazi salute and said: "Anyone who takes the fact that we are giving this salute as a sign we are going to attack our opponents wants his head examined."

In a brilliant summation, Jordan told the court: "We are National Socialists and we are anti-Jewish and we are proud of it. Whatever happens the National Socialists will march on!"

British legal minds scored the convictions as a "dangerous precedent" and a "definite impairment of free speech."

The British Nazis are appealing.

After the trial, a "Fight On" rally was held back at BNSM Party Headquarters. Party aide, Martin Webster, declared to a cheering throng: "The Leader has been imprisoned but we will fight on! This has only inspired us further!"

He held up stacks of mail and announced that interest in the case had brought on a flood of membership requests and was swelling Party ranks.

"National Socialism will triumph! We fight on!", he shouted, almost hoarse. Cries of "Fight On", roared back.

Uniformed BNSM men made up placards and marched into the streets to demonstrate on behalf of their Leader. Bands of White youths and workers joined in the parade. Chants of "Hitler Was Right!" and "Long Live WUNS" rang out along London streets.

In America, in Washington, D.C., American Nazi Party Stormtroopers have picketed the British Embassy in protest of the outrageous jailing of Colin Jordan. WUNS units in other countries will do likewise.

The clarion call of IN HOC SIGNO VINCES has been answered and its echo rumbles throughout the world as White men rise united and FIGHT ON!
