ANOTHER TRAGIC KOREA!

The "patriots" who have sown the wind will now reap the whirlwind!

The "anti-communists" who have based their "fight", such as it is, on "conservative anti-communism", thinking it clever to duck the Jewish question, are about to find themselves standing in thin air. The diabolically clever Jews are preparing to wash away the "anti-Communist" sand under the feet of the "conservatives" whose anti-Communism has not been based on the whole truth about the largely JEWISH enemy.

Kennedy, in spite of his billion-dollar public-relations machinery, is in serious trouble.

And so is the economy, as industry is attacked and our gold reserves pour out.

The Jews who use Kennedy as a Shabez-Goy front have, as usual, gone too far to be tolerated by millions of Americans.

In selling out our White Race and Christian, Constitutional Republic, in robbing us by insane taxation and even crazier spending, in allowing the gold-backing of our money to pour into foreign vaults, in attacking decent American enterprise and industry, in packing our Supreme Court with pinko puppets, and in permitting steady and arrogant Communist world successes while we endlessly talk and retreat, the Jews and their Harvard, Unitarian-type toadies have brought millions of easy-going Americans to the BOILING POINT.

And with a CIO, National Lawyer's Guild (Communist) Jew, -Goldberg, -on the way to the Supreme Court, with more openly Marxist Jews and NAACP negroes like Thurgood Marshall marching into the highest posts in "our" government, and with our tortured South being torn wide open by the illegal, Kennedy sponsored provocations by scum like Martin Luther King, America's PEOPLE are close to REVOLT.

In spite of the high-power phoney public opinion polls and billions of dollars spent on brain-washing via TV, etc, Kennedy's almost openly Communist administration has forced huge numbers of easy-going, decent Americans at last into what the Jews call the "extreme, radical right".

Unless Kennedy's Jew and Unitarian master-minds can come up with something close to a miracle, nothing can now stop the American, anti-Communist radical right.

But, as usual, the world's all-time champion Machiavellian manipulators, the Jews, CAN come up with a miracle, ---a DEVIL'S MIRACLE!

FROM A TOP SOURCE IN THE US GOVERNMENT,
A SOURCE IN WHICH WE HAVE THE GREATEST FAITH,
FROM PAST PERFORMANCES AND PREDICTIONS, WE
ARE INFORMED THAT THE JEWS BEHIND KENNEDY
PLAN TO MOVE ON CASTRO AND CUBA WITHIN TWO
WEEKS!

It sounds GREAT, -at first, --but it isn't. The Jews have not become "conservative" and "anti-communist" overnight.

Every time one of our "Democratic" (especially Jew-dominated) Administrations, from Wilson through Roosevelt and Truman and now Kennedy, -every time these Jew-Democrat Administrations have gotten themselves into unbearable domestic hot-water because of their foul Jew programs of tax-robbery, race-mixing and treason, they have always managed, at the last minute, to turn the tables on their pro-American opponents by suddenly PLUNGING US ALL IN A WAR, --and then righteously demanding that we "all pull together!"

This time, there can be no question but that America SHOULD attack Red Cuba, -unlike the first two World Wars, in which our involvement was pure insanity, --and, in the case of World War II, TREASON. Cuba is poised at America's jugular vein and stands athwart our life lines through the Panama canal. Worse, the example of a "successful" Red Cuba arrogantly spitting in Uncle Sam's eye all the time, is DYNAMITE in the rest of South America! The American Nazi Party and all other patriotic groups have rightly been agitating for our Harvard and Unitarian-pansy government to ACT against this terrible and arrogant threat to our Country. The day Castro announced openly that he was a Soviet satellite was the day America should have acted with positive force to throw the bearded skid-row-bum and his gang of smelly Communist revolutionaries into the Carribean.

Were WE in power, we would long ago have sent a platoon of Boy Scouts under command of an old lady from the John Birch Society down there to chase the bearded beats out of their red "pad" -if only as a lesson to any other Latin Americans toying with the idea of stooging for Soviet Russia.

Now it appears that Kennedy is going to do it at last!

But there is one whale of a difference between what we, or the Boy Scouts or the old ladies in the John Birch Society would do to Castro and Cuba, and what Kennedy and the Jews have in mind!

WE, and the rest of the patriots, would be going into Cuba to KICK COMMUNISM OUT.

Kennedy is going in to kick CASTRO out, and put in a new, fresh, more obedient COMMUNIST IN, -a Communist more like the super-Jew-loving Trotsky-ite Communists in our State Department.

Castro is STUPID.

He really BELIEVES all the trash in the Communist manifesto about Communism being for the peasants and "workers"! He is a mongrel boob, soaked in theoretical Marxism like our own College Reds. He truly imagines he has "conquered" Cuba and the "imperialists", --when the job was actually done by the Jew-owned New York Times, (Herbert Matthews working as the front for the owner, Sulzburger), the Zionist Jews of Wall Street and the Communist Jews of Moscow, -and New York City.

When the hairy hobo and his reeking rabble over-ran Havana, these Latin American "hoosiers" actually BELIEVED the "holy" tenets of Marxism. I honestly don't think the poor creep even knew that Communism was Jewish!

In any event Castro "nationalized" Cuban industry and land, according to the best precepts of Marxism.

But he didn't seem to know the "secret" of this "nationalization" business, as practiced in every other land over-run by Communism. In every paper for the Jews only, like the New York Jewish Post and Opinion, every red take-over is followed by happy, comfortable little articles telling the Jews that, according to plan, the "nationalization" (Communist ROBBERY), -did NOT include any of the property of the nice JEWS who promoted and paid for the "revolution".

Here, for example, is the article from the Jew Post and Opinion on one of the most recent Communist seizures:

No respectable business would risk printing our material because of the usual Jewish terrorism, so I had found a nasty little print shop in the heart of the coon section where, in return for my art and photographic work, (under an assumed name), the printer let me print our material after midnight on his presses.

To this shop came a man sneaking around looking for somebody to print phony Cuban money. He met me, liked my work, and I let on I could get his counterfeiting done for him, hoping to get close enough to turn the scoundrels over to the FBI, as we have done in other cases. I was especially interested in why JEWS would hate Castro so much. And, although I never got close to the Jews themselves, the front man told me they were RAGING at Castro for "nationalizing" THEIR Jew businesses!

Nothing ever came of the contact, but it was enough to tip me off to the situation in Cuba.

Castro is one of those rarest of rare birds, a Communist who is not crazy about Jews. There is one more National leader of the same variety, Nasser, -who is not a red, but who doesn't realize the connection between Jews and Communism; he hates only ZIONISTS and religious Jews, apparently ignorant of the fact that ZIONISTS and COMMUNISTS work hand-in-glove, as they did when Moscow worked in the UN to set up Israel, and recognized this criminal, bandit state in one and a half minutes, --beating the U.S.A., which recognized the Hebrew Haven for spies and traitors in three minutes.

Castro was handy to the Jew Communist plans for Cuba, for a while. He made a great figure-head, as the unwashed, noble peasant, rising up out of the people to defend them from "Yankee Imperialism" and providing a tempting example for all the other would-be slayers of the Yankee dragon all over South America.

That's why Ed Sullivan, with a Jew wife and super-red-race-mixing sympathies put his arm around this Cuban killer on TV and told millions of Americans what a "great old guy" he was. That's why the New York Times owner, Jew Sulzberger, had his stooge, Herbert Matthews, work tirelessly to build up Castro as a great Agrarian reformer, just like the noble Chinese red murderers. That's why every Jew paper in America feted and boosted the bearded louse as a "hero".

But, once he was in, Castro ran away from his bosses. He tore off some of the strings which were supposed to move his arms legs and mouth, and began to ACT like the Communists SAY they will act. He "nationalized" JEW PROPERTY!

At first, the Jews hoped to rescue the situation by giving a thirty-year agent of the Comintern, Abraham Zinowicz, a big hand in Cuba. This Jew was supposed to ram his hand into Castro's fatigues and wiggle him around and make the noises for him so that Castro would act more like a good red puppet is supposed to act. This is the way they worked it in Yugoslavia, where the Jew puppeteer was Moishe Pijade, the Jew behind Tito.

But even Zinowicz was unable to hold down the ruanway beatnik of the Caribbean. Castro forgot all about Sulzburger at the Times and Sidney Weinberg from Wall Street. He imagined he was REALLY what Ed Sullivan, the Washington Post, the St. Louis Post and the rest of the super-Jew press had said he was in the "hero" days. He forgot he was only a dirty, bearded bum from the hills of Cuba, boosted into "power" by the International Communist-Zionist-Jew conspiracy.

Jews Unharmred in Congo Katanga Refugee Says

National Jewish Post and Opinion August 19, 1960

BERSHERA (P.O.) — A fifth generation Israel sabra, Mrs. Gordona Ben-Azar, arriving here after escaping from the chaos in Katanga, said not a single Jew had been harmed by the rioters in Congo.

Mrs. Ben-Azar told the Jerusalem Post that the Chief Rabbi of Congo, Rabbi Moshe Levy, told her that Jewish institutions had also remained untouched. Rabbi Levy told her that the fury of the population had been turned mainly against Belgian and Greek shop owners.

THE KATANGA refugee said that her husband, Baruch, had returned to Elisabethville to wind up his business affairs after escorting his family to safety over the Rhodesian border. She has not heard from him since arriving in Israel along with eight other immigrants from Katanga.

Mrs. Ben-Azar said the family would now settle in Israel. She met her husband, a commercial agent, while on a visit to Salisbury seven years ago.

At noon on July 9, Mrs. Ben-Azar said, the Congo radio issued a warning to the white population to leave immediately. The family left their half-eaten meal on the table and the house unlocked and left with several other Jewish families in a convoy of eight cars.

SHE SAID they arrived in Rhodesia without incident, although a convoy of 20 cars that left shortly after the news attacked by Congolese soldiers at the Rhodesian border post, the British authorities helped them to proceed to Salisbury, where the Jewish community aided them in reaching Cape Town. There, the South African Zionist Federation arranged for air transport to Israel for the Katanga refugees.

Stupid Castro, strutting around Havana with his big cigar and dirty troops, forgot WHO PUT HIM THERE. He made the unforgivable mistake of NATIONALIZING, (stealing) the property of the JEWS! --especially Sidney Weinberg, of United Fruit Company, Heir-apparent to Bernard Baruch, Judeaus Rex, Emperor of Wall Street, Sitter on the Royal Park Bench, Protector of Pornography and Picasso, Imperator of Washington and Elder Advisor to God.

United Fruit Company, a Weinberg interest, and other sacred property of Zionist Wall Street in Cuba was seized by Fidel as machinery for exploitation of the Natives by the Imperialists. Poor, simple-minded peasant Castro didn't know that when a factory or plantation is JEWISH owned, it is NOT machinery of Capitalist exploitation, --but a benevolent operation for the health and happiness of the natives organized by the Jews to give the natives, whom they cherish, something nice to do with their hands, --and feet and anything else they can use to make profits for God's Chosen squeezers of the People.

Right after Castro got in and started grabbing up sacred Zionist-Capitalist "business interests", I got a very surprising visit, and a very REVEALING visit, by a man who didn't know I was a Nazi, and who fronted for a gang of Jews here in the Occidental Building in Washington, D. C.

He paraded arrogantly through the streets, raged and ranted on C'ban TV, got too big for his britches in every way, and finally committed the unpardonable sin, -he demanded RANSOM from such "nice people" as ELEANOR ROOSEVELT!

That did it!

Castro had to GO! We predicted it in a general way, months ago in the ROCKWELL REPORTS.

Meanwhile, "back at the ranch", where Herbert Mat - thews and his Jew managers were raging in frustration at their recalcitrant marionette, another Jew marionette, Red Jack Kennedy, was getting in even WORSE hot water for being TOO GOOD as a Jew puppet.

Kennedy has been SO red and SO disgusting in his determined and steady surrender to the reds that he has actually helped BUILD the "extreme right", also exactly as we predicted in "THIS TIME THE WORLD!" and other pamphlets even before we had the "ROCKWELL REPORT".

Kennedy's home town is the best example of this.

Every time I go to Boston, one of my favorite American cities, the good patriotic Boston Irish Catholics, (one of the staunchest bunch of fighting American patriots I have ever found all in one place,) -have let me know in no uncertain terms how sick they are of Massachusetts's "favorite son" in the White House. Even as supposedly a "fellow Catholic", they are wise to Red Jack and his Harvard, Jew, Unitarian gang.

I get my best ear-to-the-ground information on REAL America from Boston Irish cops, most of whom read "Common Sense", fondly remember Father Coughlin and Joe McCarthy, and have seen with their own eyes how the hordes of "hookers" and "sheenies", as they call them up there, are swarming in every Communist treason activity in the "Hub".

You don't have to tell most cops that Communism is Jewish. They tell YOU. But in Boston, they are ready to give SPEECHES about it, -and/or bash a few of the red Jews with a night-stick whenever it is legal, as they did to the ten thousand or so jumping little red Yids who turned out in Boston two years ago to massacre me for picketing Exodus.

These people are REAL America, -and REAL America is sick unto death of treason, retreat, and shame before the advance of Communism.

So here is the situation at the moment.

Castro is anathema to all the Zionist-Wall Street Jews for grabbing their "business interests" in Havana and Cuba. (We have mentioned Weinberg, -but we might also mention the Jew mobster, Meyer Lansky, whose night-clubs, gambling dens and other "interests" were grabbed by Mr. Castro).

Castro is WORSE than anathema to the TROTSKYITE Jews and Trotskyite reds who swarm in our Government and the White House, posing as "Unitarians" and "liberals". He has loused up their "peace-front", and gotten the Zionist Jews so mad at the Communist Jews they are hardly speaking. . . . Jacob Javits, whom we estimate to be 70% Zionist, 30% Communist and 200% Jew is probably not even speaking to himself.

Castro is an asset to all these people as a "shining example" to the rest of Latin America, and they probably hate to lose him. But his draw-backs, with the American people on

the verge of political revolt against any more "sass" from Communism right in our front yard, are too great now.

At the same time, the Shabbez-Goy, Jew-worshipping "president" Kennedy and his coon-worshipping brother Bobby are in serious trouble with the masses of Americans for the opposite reason for Castro's difficulty, --the Kennedy's are too grovelling in their toadying approach to their Jew bosses, -although too few Americans are yet able to see the Jews behind Kennedy's atrocious pro-Communist behaviour.

Most ordinary, decent Americans see only that Kennedy is forcing America into a pattern of race-mixing and surrender to Communism which they hate. And this has produced an almost explosive "radical right" which thrives on Kennedy's red surrenders, which threatens at last, in spite of Goldwater, to put AMERICANS IN, --and thus throw the JEWS OUT! The way things are going the Jews can never keep Red Jack in for another round of treason in 1964.

Simultaneously, our phoney, Jew-pumped-up economy, based on Marxist taxation, Foreign give-aways and whopping Defense budgets is STAGGERING from the utter madness of it all. Our gold is POURING out of America, seriously threatening a run and imperiling our basic economy and our money!

Thus, to keep up their rape of America, the Communist-Zionist Jews must do at least four things:

- (1) Get rid of Castro and replace him with a usable TROTSKYITE red they can manipulate.
- (2) Get rid of the dangerous-to-Jewry and growing American "radical right" extremists, who are, whether they are ready to admit it or not, getting closer and closer to open combat with the JEWS behind Communism and race-mixing.
- (3) Prevent the collapse of our economy which would now be exploited by radical rightists, instead of Communists, -until the threats, such as Welch, Walker and the ANP can be exterminated. The Jews WANT economic chaos and collapse, in which to set up their red take-over, but not while the right wing is ascendant, as it is now.
- (4) Keep their boy Jack IN there, and, if possible, make a "hero" out of him so that he can STAY in there, -thus insuring the uninterrupted Jew administrations which have been our lot since Franklin Roosevelt, the traitor, moved in with Frankfurter, Rosenman and the rest of his Harvard Jews and Unitarians.

All of these rotten objectives would be BEAUTIFULLY fulfilled by an attack on Cuba now. We are aware that this prediction forces us into a position where we can be accused of saying the same thing as the Soviets and Castro, who are also screaming we are going to "invade" Cuba. But then, so do the Soviets and OUR SIDE also come on strong for "Democracy", "Brotherhood" and a lot of other things. We have never been afraid to tell what we believe is the TRUTH, even when it is told by a Black Muslim, for instance. Our reasons for saying the same thing as Castro, in this case, are diametrically opposite.

We see another rotten KOREAN sell out, -and want to go on record as predicting it NOW, so those who still think we are fools or criminals will be forced to admit, later on that we are and have been TELLING THE TRUTH.

We want the right wing to SURVIVE this Jewish-inspired Cuban fiasco, and it can't, if it jumps aboard Kennedy's band-

wagon, as the right did with the vicious fraud, Ike.

We print this prediction for two reasons, then: (1) Because we believe it is TRUE, -we trust our source, and (2), -it all "adds up", --it "fits", --and the picture it leads to is more treason and HORROR for Americans.

We would have been in the same boat if we had been in existence in 1950, when Truman sent troops into Korea. That, too, was what the Communists were howling, and Truman DID it! If we had predicted the troops and the subsequent SELL-OUT then, as we are now, -we could have been denounced for saying the same thing as the reds. But we would have told what we believed to be the truth, anyway. And events would have borne us out. It seemed GREAT at the time when we finally went into ACTION against the reds, and began to SHOOT them, --but who can forget the UNBELIEVABLE SELL OUT of our fighting men which followed?

We repeat, we favor an all-out ATTACK on Cuba, and, were we convinced it were on the level, to RUN COMMUNISM OUT OF CUBA, -every one of us here, including myself, would volunteer personally to bust into Cuba, tear the garbage-laden beards off the red bums down there and feed the remains of these Soviet stooges to the Carribean sharks.

Instead, we are sadly preparing for another round of the unspeakable heartbreak and TREASON we suffered in Korea, when I was recalled to active duty for my second war, and the FIRST war in the history of my country which we lost, -a war we couldn't win because it was AGAINST COMMUNISM!

When I first learned of the Korean "attack", I was almost overcome with gratitude and joyful emotion. "At LAST," I thought to myself, "we will begin to FIGHT Communism!"

Then I learned, as did five great American generals, that we were ORDERED by TRAITORS in our own government, to LOSE that war, -as they testified. We THREW AWAY the lives of thousands of Americans for a game of "pretend", and I believe now, with all my heart, that the bastards are ready to DO IT AGAIN!!

It is my belief, and the belief of the good men I know in high positions in the American government, that we have made a rotten "deal" with Khrushchev. The latter bully will threaten and rant about "thermonuclear" war, but brave Jack will mount his trusty PT 109, and charge forward, shouting "damn the atomic torpedoes, full speed to the rear!"

Russia's "bluff" will be "called" by good old PT-109 Jack and Kennedy will be an UNBEATABLE "war-hero" who "stood up to Khrushchev"!

Castro will be out, and a new, more Jew-loving, TROT-SKYITE RED will be installed.

America will hail the great "victory" over Russia's bluff, and the "victory" over Communism, (like the "victory" in Korea).

The crashing economy and gold drain will get an invaluable "shot-in-the-arm", just as it did for the wars promoted by Wilson, Roosevelt and Truman. The American people will forget everything else in the excitement of the war, and will line up loyally, as they always do, behind Red Jack.

Most important of all, those who have built up an anti-communist fight WITHOUT MENTIONING THE JEW GERM behind it all, will find the hypocritical "anti-communist" sand washed out from under their feet by Red Jack's dashing attack

on the Communist Colossus. What need of a John Birch Society when we have Red Jack marching at the head of the U. S. Army to "destroy" the Communism in the Carribean?

Finally, and most horrifying of all, there is a GOOD chance that the "extremists" will be rounded up as "divisive influences" -or at least grabbed for an interminable "trial", as were the poor patriots in World War II who opposed Roosevelt and HIS gang of Jew traitors and subverters!

It is dangerous to make predictions, particularly when you can be accused of saying the same thing as the reds. (and we are under deadly attack from the panty-waist right for exactly that). But we are not out to say what people want to hear or what we think will make us popular, but to TELL THE TRUTH. . . . And ALL our information and logic tells us that the information we have been given is TRUE.

Perhaps it will help the sincerely ignorant "Kosher Conservatives" to begin to understand why so many of our predictions over the past years have come true--Kennedy's election, for instance--and his actions thereafter.

Everything that happens in the world is HATEFUL and BITTER to us awful "Nazis"--but everything is also REASONABLE and often PREDICTABLE. We are not always dumb-founded by the apparent "chaos" and "confusion" in the world. We have read the Jew script, and everything comes up almost PERFECTLY. Find out what the Jews REALLY want (not what they SAY they want) and that's what HAPPENS!

The Jews and conservatives howl pitifully that there AIN'T NO SUCH THING as a Jew plot. We continue to believe it, understand it, and, like scientists using the theory of atoms they have never seen, we continue to be able to foresee and predict the moves of the Jews and their tools like Kennedy, with EXCELLENT SCIENTIFIC RESULTS.

America is about to go through another heart-breaking KOREA--again, under a "democratic" "statesman" of "peace" --just like Wilson, Roosevelt and Truman plunged us into WARS as soon as they got into domestic hot water. Kennedy is no different.

And the saddest thing of all will be to watch the hen-headed herd of Goy Americans falling at the feet of their "anti-communist" hero, Red Jack Kennedy, once he has mounted his trusty "PT-109" and charged for CUBA!

The only good thing will be to drag this ROCKWELL REPORT out five years from now, and stuff it in the face of some of the blind idiot "Kosher Conservatives" who run chasing after Goldwater, Liebman, Sokolsky, Schwartz and their sell-out, Shabbez-Goyim like Buckley.

We have built the NAZI movement on PURE, UNADULTERATED, UNCOMPROMISING TRUTH, including the fact that Adolf Hitler was the first fighter for RACE and White Western Christian Civilization against Jew-Communism-Zionism and race-mixing. The new "Banana-Korea" won't wash any sand out from under our feet, as it will to the Kosher Conservative "anti-communists".

We stand on solid, hard ROCK, uncomfortable as it often is. We don't want to put "anti-communist" ointment on the running sore of Communism, -we are out to KILL THE VILE GERM WHICH CAUSES THAT FILTHY SORE!

Red Jack will soon be the "anti-communist" HERO to make Barry Hebewater and Bloomers Buckley look like the phonies

and panty-waists they are, respectively. Hargis, Schwartz and Buckley, whose pitch has been that the administration is riddled with Communists (which it is), but who have been too cowardly or too phony to tell the TRUTH--that the communist and race-mixing troubles are caused by JEWS--will have no more "stock-in-trade"--Jack will have "vanquished" the red dragon.

But we will still have OUR targets untouched; Spingarn of

GOD BLESS CONDE MCGINLEY!

I have just read the August issue of Conde McGinley's great paper, COMMON SENSE!

This battle has made me pretty hard-boiled, but I must admit that Conde's paper, this time, almost brought a lump to my throat!

From all sides the American Nazi Party and my person are being unmercifully blasted as everything from mad bombers to communist provocateurs! Dilling says Hitler was working for the Jews, and so am I. Hoggis says I am working for the Communists, Matt Cvetic, the late spy for the FBI, says that I was responsible for murdering a poor anti-communist kid in San Diego who had a coon room-mate, --and the Jews, of course, are calling me everything they called Hitler, and a few new ones cooked up by Izzy Lipshits (Winchell).

In the midst of this typhoon of lies and smears coming from BOTH sides, --it was a deeply moving experience for me to pick up "COMMON SENSE" and not only not find myself pilloried therein, --but even find bits of the most dangerous truth in the world printed in this amazing, courageous paper!

Conde, knowing the full power of the Jews and our own side, (the "conservatives") has the guts to come out with excerpts from the speeches of Adolf Hitler, and to point out that Hitler not only didn't want any war, --but wanted to destroy COMMUNISM above all things!

"COMMON SENSE" points out, alone among all the dozens of right-wing and "anti-Jew" publications, --that the Red Church-burners in Spain were beaten by Christian Franco ONLY, --ONLY --because Adolf Hitler and Mussolini sent in their "vile" "hate" troops to stop these communist criminals! And he goes on to reveal that BERNARD BARUCH, the sacred Hed Jew of the World, FINANCED the RED KILLERS and RAPISTS!

The reason all this affected me so deeply is because I am FORCED, day after day, --to fight MY OWN SIDE!

My mail is FULL of letters from good-souled people who beg me to stop "attacking" the right-wing, --"let each man do it his own way", --they say.

And I am forced to write back, (when I can get time to answer), that I have NEVER ATTACKED ANY PATRIOT WHO IS SINCERELY DOING HIS BEST, --OR WHO DID NOT ATTACK ME FIRST!

Conde McGinley is devoutly CATHOLIC. I am an Agnostic, which means that I believe in an Unknown Power, but I think all modern churches I have been able to find are, one way or the other, preaching things which are harmful to our WHITE RACE!

Conde McGinley certainly doesn't approve of much that I do and say, and he certainly deplores my Agnosticism! But he is also NOT A COWARD, --and he doesn't LIE about me, as do so many of the other would be right-wing "leaders".

NAACP, Rich of CORE, Goldberg of the National Lawyer's Guild, Yarmolinsky, Salinger, Lapowski, Sarnoff, Pallinsky, Goldenson (NBC, CBS, ABC), Sulzburger, etc., etc., etc.

In the long run, it will be these JEWISH gentlemen who will subtly help turn Cuba into another Korea--and thus earn their way to a final solution to the Jew problem.

I do not go along with all of Conde's methods, either. I think he should PUSH his paper more aggressively, out in the streets, as Father Coughlin did, and have often offered to help him do it.

But when the Jews threw me in their "Mental-Health" Lock-up, --CONDE MCGINLEY was the ONLY paper or organization on OUR side even to MENTION the outrage. Nobody else would get "mixed up in it".

Now I am under brutal and extremely painful fire from my OWN ex-pals in the movement, --men like Fields, --who are saying EXACTLY WHAT THE JEWS ARE SAYING, --that Nazis are part of the Communist Conspiracy.

Here is a clipping from the Jew Press, showing the Jew "War" veterans saying those exact words, --and right below it is a clipping from Field's "Thunderbolt" with the same charge! Most "patriots are too timid and easy-going to realize just how AWFUL it is that the NSRP and the Jews would be preaching exactly the SAME "line", --so a lot of poor, good people who used to be my friends and helpers in this awful battle believe the Jew line as printed by Fields and Warner.

J.W.V. Requests Nazi Rockwell Register As Foreign Agent

DETROIT, Mich. (JTA) — The Jewish War Veterans, at its 67th annual convention here, requested this week that the Attorney General of the United States take immediate steps to have American Nazi Party leader George Lincoln Rockwell registered as a foreign agent. In a telegram to Attorney General Robert Kennedy, the organization cited recent international hate-mongering activities in England.

"The announced formation in Britain last month of an international fascist movement makes it imperative that these lice be under perpetual surveillance as an arm of an alien philosophy. Those who remember Hitler and the genocide he created are apprehensive that this may be the opening shot of similar episodes all over the world as witnessed in Argentina, Uruguay and other parts of the world. Our delegates are awaiting a reply," the telegram read.

"Our point of view," the telegram pointed out, "is that exposure of these vermin will awaken Americans to the danger of this new international movement. We believe that, today, organizations such as the American Nazi Party, which incites Americans to hatred and distrust, are part and parcel of the Communist conspiracy and should be exposed as such."

The delegates also urged President Kennedy to demand that Argentina and Uruguay take strong steps to curb outbreaks of anti-Semitism in those countries.

In a telegram, the President was urged "to take immediate action demanding that the governments of Argentina and Uruguay protect the more than 500,000 Jews living within their borders against hard-core fascist extremists. Because of the many unreconstructed Nazis residing in Argentina, the possibility of a Nazi rebirth is not remote."

Under those bitter, heart-breaking circumstances, it meant more to me than is possible to print on a page to find good old, sincere, brave, lovable Conde STANDING UP for the TRUTH, --even if it is about the hero of the WHITE RACE, Adolf Hitler, --and refusing to blast me so he can be more "popular" with the people who still think Hitler was the man the JEWS SAY he was. I'm not formally religious, but I say, with all my heart, "GOD BLESS CONDE MCGINLEY!"
