## WHY We Oppose Barry Goldwater...

Nothing the Party has ever done has cost us as much criticism from our OWN people as our hell-raising against Goldwater, especially the demonstration which made national headlines when the Jew faker arrived at the Washington Airport from the San Francisco convention.

As I wrote in the last Rockwell Report, our kind of people are so FAMISHED, so desperately hungry for a LEADER that even one of the most patriotic and knowledgeable "anti-Semites" I know is now extolling the virtues of this Hebrew prophet of anti-Communism and assuring herself and others that "he isn't REALLY a 'Jew'", etc., etc.

Especially in the State of Virginia, where there are hundreds of thousands of people actually ready to vote for me as Governor, we took a beating. Most of these people truly believe that Goldfink is the George Washington of our times, and that I am some kind of traitor from outer space to dare say a word against St. Goldwater.

Thus, I feel obliged to devote more space in this report to something we have already covered at great length in the Rockwell Report of December 15, 1961, "The Goods on Goldwater".

The signs continue to multiply that Goldfink is a FAKE--and surely even the most rabid Gold-waterite will admit that few things could be more dangerous to our Republic and our White, Christian America than trusting leadership (AT THE LAST MINUTE) than a FRAUD who would betray us just when we are most trusting and most desperate. We must not "blow" our last chance!

The peculiar actions of Eisenhower at the Convention are final and certain confirmation to me that Barry Morris is just what we figured he was FOUR YEARS ago--and, more important, the JEW I PREDICTED WOULD ARISE TO LEAD THE RIGHT WING--long before we ever heard of the Kosher Cowboy from Arizona. (I wrote This Time the World in 1959, predicted the election of Kennedy, and predicted that the Catholic president would be followed by a "conservative" JEW--whom I thought at the time would be Ribicoff--who would then lead us to economic catastrophe and serve as the "Kerensky" of our American Bolshevik revolution. With the exception that they substituted Goldfink for Ribicoff, events have happened PRECISELY as I wrote way back then, and I have no reason to believe the Jews have abandoned their plan to put a Jew at the head of the right-wing reaction they knew would be caused by their left-wing attack.)

Ike's RECORD would convince any jury in America, could we have the chance to present it in a court of law, that there can be no moral doubt that he has consciously worked for the ends of the world Communist conspiracy, just as Robert Welch so masterfully proves in The Politician. Ike is anything but a right-winger.

We must also take into account the FACT that, with the enormous build-up given to this chameleon-like "elder statesman", Ike COULD HAVE shifted things enough to deny Goldwater the nomination, had he gone all out to help Rockefeller or Scranton in the early stages of the campaign. Anyone who doubts that, has no conception of the real machinery of our national political life. Dirksen would never have dared nominate Barry (and Dirksen himself never would have done it, as his record proves), had not Ike and the TOP levels of the conspiracy decided that a Goldwater nomination was what they WANTED, hard as that may be to understand at the moment. They do NOT want a Goldfink victory in the elections, because of the good men who would get in with Goldfink--but they did want their boy leading the growing rebellion in America against what they are doing to its White, Christian people. If one of our boys were to be leading it, it would be at least prison and very probably execution for such as Ike and his gang. So they want to be sure it is a "nice" chap like Barry, instead of a dirty "hate-monger" like George Wallace.

Wallace came to seizing the right-wing leadership, and how much he had to do with the "victory" at San Francisco. I am convinced that the Jews would start an open revolution before they would permit the election of George Wallace. And, the way the country now feels, is there any doubt that, had it not been for the "fortunate" build-up for Barry Morris Goldfink, George Wallace could have and WOULD have seized leadership of the American people at this desperate moment in our history?

And does anyone fail to realize WHY George Wallace suddenly 'backed out'?--and turned leader-ship over to the Kosher cowboy, Goldfink?

Nothing moves, in politics, business or anything else in America, without money. And the money behind Wallace deserted, because the Jews made it look so much easier and more successful to back Barry. Hunt and the millionaires switched to the JEW and dumped the CHRISTIAN--as usual.

Finally, I continue to note the "wrist-slapping" being doled out to Barry by such Jew rags as the Washington Post. I shall never, never forget the sort of slime, garbage and unspeakable filth they poured over Joe McCarthy, Forrestal and such fighters. Any man who stands up and really hurts the Red rats, Zionist snakes and race-mixing degenerates ALWAYS gets called a "queer". That's one of the very first attacks of the brotherhood. They called Forrestal a coward who deserted his wife, McCarthy "pink card Joe", etc. --there is no limit to what the Jews will call a REAL enemy.

Goldfink, MOST SIGNIFICANTLY, NEVER is called a "queer" or a coward, or any kind of immoral person, etc. Do not protest that Barry is too "pure" for this sort of thing. His own authorized biography from Wood and Smith is FULL of stuff like bicycle-stealing, play-boying, etc., for a beautiful smear job. BUT IT IS NEVER, NEVER USED!--not by Drew Pearson, not by "Izzy" Winchell, not by Walter Lipmann--not even by Confidential, IN FACT, JEW CONFIDENTIAL MAGAZINE COMES OUT IN ITS LATEST ISSUE (JULY) WITH A BIG ARTICLE ATTACKING ME FOR ATTACKING GOLDWATER!!!!!

And, surprisingly, the precise same lies as will be found in Jew Confidential (attacking me and defending Barry), will be found in the pamphlet of a one-time sincere patriot named Joe Kamp--also championing the Hebrew savior of America! Kamp, with typical powerful reasoning, points out that I planned to run in New Hampshire as a "Democrat"--thus PROVING, as he claims, that I am a dirty "socialist"--like Democrat Harry Byrd, or George Wallace, for instance, those sterling "socialists"?

The whole reaction of the right wing to Barry Goldfink is utterly IRRATIONAL Many on our side are simply old, tired, exhausted and, like a man dying of thirst in the desert--they are seeing MI-RAGES. They WANT a fighting, masculine leader so bad that they can begin to SEE one, EVEN IN A JEW!!!!

The pitiful, heartbreaking thing is that this is PRECISELY what the scheming Hebrews PLANNED.

Every Jew-wise patriot who tells me, "Barry isn't REALLY a Jew, you know. He's a 'good' one"--knows better, but can't stand to wait any more for a "victory". So they accept San Francisco as a "victory" and a Yiddischer smoothie as the "fascist gun in the West", as the liberals put it!

There is no reasoning with these desperate, delusioned, good people, any more than you can reason with a drowning man who is pinning you down so you can't save him, in his panic.

These folks will have to get a good DOSE of their Kosher hero, before they will be ready to stick with George Wallace--and eventually a hard-core NAZI who will not compromise with the JEW FILTH one inch.

Barry Goldfink is STILL, at this moment, a member of the Urban League. That, alone, ought to be enough to convince any sincere patriot that he is a FAKE--to say nothing of his AWFUL record. But girls in love won't listen--and neither will right-wingers with a "victory" and a "leader", even if he is IS a Jew. The quicker the Goldfink lovers "marry" their hero and move in with him for house-keeping, the quicker they will get disgusted and want a RACIST, JEW-FIGHTER for a leader!

I truly believe that many of those who now curse me for "hurting" Barry will one day ask to stuff him in the chamber PERSONALLY, as a favor (after we have had a chance to bring him before a court and PROVE what he is up to).

Until then, the proper symbol for the 'Republican Party' is the Star of David, guarded by Jackasses rampant on a field of matzoh balls and gefiltefish.

### MORE PROOF REDS BEHIND NIGGERS

Herewith we print a reproduction of a photograph in the Saturday Evening Post, boosting the coons, as usual.

We also print an enlargement of the marked section so you can see the fine, patriotic, American nature of the coon demonstration.

In case you can't read the enlargement clearly enough, we will tell you that the colored "sister"
carrying the sign "Save rent control" is ALSO
peddling copys of the COMMUNIST "MIDWEEK
WORKER" !!!!!

It is pleasant to reflect that the Jews, once in a while, cut their own throats for us. You may have noticed the increasing REDNESS of the Saturday Evening Post, a once respected and pro-American magazine founded by Ben Franklin.

What too few Americans know is that, like most of our national publications, including News-week, for instance, Saturday Evening Post has

been taken over by the JEWS. The new owner is Efram Zimbalist, the Kosher concertist.

With his picture of the lovable niggers picketting for "justice" in the Post, Hebrew Zimbalist has presented us with the evidence to prove what they claim is a hate-lie, --that communism and race mixing are connected!

### THE OLD SHELL GAME IN VIET NAM

As has unfortunately become too usual, lately, we are almost a week behind with the ROCKWELL REPORT and months behind with the STORMTROOPER, -because of the constant financial agony here. There have not been enough STAMPS recently, to mail out the STORMTROOPER, which has been ready more than three weeks.

Consequently, this is being written on the morning of August 4, -after the President has just announced the orders to bomb the Vietnam bases. Which, in turn, gives me the opportunity to comment on said orders.

I was preparing to predict, in the next issue, that ol' foxy Johnson would launch another "Korea" or "cuban invasion", -just like Jack did before the last elections, to insure his victory. But, before I could write it, Lyndon struck. (I should point out to new readers that this is no bluff. I predicted the "cuban missile crisis" SIX WEEKS before it happened, and the result. Now I am predicting precisely the same thing.)

If Americans did one BIT of thinking, Lyndon and the whole gang of international strolling players would be lynched.

I am convinced that the Vietnam PT boats struck because the Jews lost control of the niggers in the USA.

Martin Luther Coon and all the rest of the "great" coon "leaders" have proved utterly ineffective in stopping the rioting, looting and murdering by the dressed-up monkeys which have been turned loose in our streets by the Jew preachers of "brotherhood" and "equality".

Every sign points to the fact that unless something DRASTIC happened, Goldwater, mistakenly believed to be the "WHITE" candidate by millions of Americans, would have won by a landslide. People have had niggers up to "here", and would elect Al Capone, if necessary, to stop the nigger hell-raising.

The ONLY thing which could stop the nigger hell-raising AND the White reaction is a "war", the tradtional tool of such as FDR, Truman and Johnson for staying in the White House.

So, 'surprizingly' Vietnam has obliged. With a ''Navy' of ten torpedo boats, they have 'attacked' the whole United States Navy. Can ANYBODY tell us any POSSIBLE intelligent goal they could gain by this act?

No! NO, a thousand times NO!

In my opinion, just as Mixing Jack did just before the (lighted b last elections so that he became the international "anti-Com-RIFLES! munist" "hero" (altho we lost), Lyndon Benedict ASKED FOR the "attack", and got it, just as Jack got the phony It is missiles when he needed them, --with LIGHTS!

The "attack" makes SENSE if it is seen as the way to keep the Communist attack going and successful in spite of the stupid niggers --in the USA. If it is supposed to be on the level, it is worse than insane!

The only pleasant thing to think about, in all of this, is the awful FLOP of the colored "gooks" who tried to pull it off. Obviously, it was supposed to be a "Pearl Harbor" and kill some Americans and sink a ship or two so we would be so mad we wouldn't notice a bit of nigger raping and looting here and there. But, after three HOURS the little yellow bastards STILL couldn't even scratch the men of the U. S. NAvy! I suspect that now it will be set up even more juicy and easy for the gooks.

If anybody wants to know if I dare call this "treason"
--the answer is yes. I do. It is NOT "blundering", etc.
It is dirty, rotten, old-fashioned TREASON to the greatest nation and greatest people ever to appear on the face of this earth. And I intend to do MY share to see that the perpetrators are GASSED for it when they have faced a jury and been convicted, by LAW.

### TICKLING THE MULE'S HIND LEG

One of our jobs when I was Commanding Officer of a Navy Squadron in Iceland was maintaining civil order in Iceland in case of Communistriots. For this reason, I made a study of riot-control tactics as published by the U.S. Armed Forces.

In EVERY manual put out on riot control, one of the most important points emphasized over and over again is NEVER TRY TO BLUFF A MOB.

A mob is super-primitive in its actions and reactions. It will run in panic from overwhelmingly superior force, and it will stampede in rage all over anything which defies or irritates it, IF IT DETECTS SIGNS OF WEAKNESS.

Surely every National Guard Commander today knows at least as much riot tactics as I do. If they don't they are derelict in their duties. I am sure they DO know the facts.

Yet last week, In Rochester, the National Guard troops, mostly White young men, were sent into the riot-torn nigger district, where the coons were actually throwing Molotov cocktails (lighted bottles of gasoline), --with EMPTY RIFLES!

It is bad enough they had to do this, but then the fact that the rifles were empty was PUBLISH- ED! This is the strongest kind of invitation for the niggers to MASSACRE the young kids in uniform who were sent in there defenseless.

I predict that because of the nigger-coddling tactics of our nigger-loving politicians in dealing

with these filthy black mobs, some group of young kids in uniform WILL be massacred, -because their guns will be EMPTY.

The NIGGER's guns are not empty.

MUHAMMAD SPEAKS

AUGUST 14, 1964

"Muhammad Speaks" Newspaper, the publication of the Black Muslims, has recently gotten so red and hateful that I have declined to read it.

This week, however, they sent a coon correspondant for the paper to interview me, and he insisted I take one of his free papers. The tone is still a lot different from the old days, when it was as anti-Jewish and honest as Der Sturmer, even if it was put out by black men. But I must admit it is veering away again from the Castro-rag it was becoming.

They have a cartoonist who used to be called Eugene 3X, but has since been honored with the name "Majied". This guy is SOMETHING, even if he IS a coon! In the old days, his cartoons were

delightful, -and his depictions of JEWS were as juicy and long-nosed as any I ever drew.

In the issue delivered by Lonnie 2X, who interviewed me, Eugene 3X, -or 'Majied', -has produced a masterpiece which accurately depicts the uselessness of nigger efforts to mix and become 'equal'. No matter how much the niggers beg to become first class citizens and no matter how much they talk of 'rights', etc., the white people DO NOT want to mix. The black people will only become first class citizens in a land of their own.

The only error "Majied" made in his drawing was labelling it "Mississippi". The White man EVERYWHERE is beginning to feel just like the folks in the cartoon.
