# COMMANDER

Cowardice is clever. It has an ability to disguise itself. Any man who has been in combat will tell you that he was amazed at the number of "reasons" that presented themselves, for RUNNING when the bullets began to fly.

Not only does a man's mind begin to find a LOT of reasons for getting the hell out of there when death begins to pick his victims, but it is truly amazing how GOOD those reasons all seem to be. Nobody wants to admit to himself that he is a coward, so the subconscious mind comes to the rescue with "reasons" which are simply BRILLIANT!

Often, the struggle to do one's duty in combat is not only one of will, where one resolutely faces the danger in spite of cold fear, but a struggle of REASON, in which one has to argue down the very "convincing" reasons for not being there which are advanced by the subconscious.

Today there are millions of Americans who are miserably aware that our Nation and Race are under a deadly attack by International Communism, with its deadly weapon, race mixing.

They are also aware that Communism and race-mixing are movements masterminded and pushed all over the world by JEWS.

But to criticize the Jews, let alone attack them, means that one will certainly be blasted as a "bigot" and a "hate-monger" at the very least.

More likely, he who dares mention the Jewishness of Communism and race-mixing will find himself out of his job. Even if his boss is not a Jew, Jewish economic power is such that the boss will himself lose his job if he does not show his "disgust" for the "evil" of "anti-semitism" by firing the "viper" in the nest.

If it is a wealthy person who is "guilty" of public anti-semitism, the victim finds himself unmercifully attacked in every medium of public information as a spreader of "hate".

If he persists in pointing out the Jewishness of Communism and race-mixing, he will find himself expelled from the Country Club, his credit all cut off, his friends denouncing him and his whole life ruined.

All this and more happened to Henry Ford, with all his millions and he was forced to apologize after being brought to the brink of ruin by the Jews for exposing them.

As a result, Americans who discover the filthy Jew-Communist, race-mixing conspiracy which began open revolution with Franklin D. Roosevelt's New Deal, have reacted in most cases just like a soldier on

NAZIS mourn White victims of nigger crime in front of White House. Across the street Reds were staging a propaganda show for chimps who died in Birmingham bombing, which was more than likely a Jew-rigged bombing to gain sympathy for coons. Shown here (L to R) T/L Patler, Cmdr. Rockwell, S/T Pullis, S/T Joyner, and S/T Meyer. Lt. Ferris is hidden from view.

West Coast Nazi Leader, Capt. Ralph P. Forbes, rips into Jew-communism and Race-mixing in marathon speech before cheering thousands in Los Angeles,

"Don't let her hit me"!--screams comme agitator, Frank Wilkinson (L) as our Eva Hoff lunges at his throat on stage of Red Rally at American U. in D.C. 13 other Nazis were jailed for acting similarly toward Reds. Rally was wrecked.

Never allowing their spirit to be dampened, Nazi Troopers here display rigid determination as they picket ADL Anniversary in heavy rain,

Swastika Wearer Lashes Negroes

### Rights March Here Disrupted

Wearing Swastika, Owen Reiersen Harangues Rights Marchers

#### Crowd Charged With Destroying Country, Whites

By WILLIAM E. HAUDA  
(State Journal Staff Writer)

The appearance of a Madison man, wearing a swastika armband and shouting "nigger lover," triggered a moment of tension Sunday at a civil rights march around Capitol Square.

As more than 700 persons massed at the State st. corner of the square to hear concluding speeches, at the sympathy march for the Birmingham bomb victims, Owen H. Reiersen, 24, of 50 Koster st., suddenly pushed through the crowd and rushed up the steps.

Confronting the speakers with shouts of "nigger lover," Reiersen demanded, "What are you doing here, you filthy nigger lovers?"

#### Screams at Group

"Why do you want to destroy your country, your race?" he screamed at the group, calling the Negroes present "a bunch of pigs, a bunch of swine."

The marchers, momentarily stunned by his sudden appearance, stood motionless and silent. One of the speakers, the Rev. Oliver Gibson, head of the Beloit Christian Leadership Conference, told marchers to "leave him alone."

Reiersen, clad in street clothes and wearing a red swastika armband, continued to shout at the crowd until a policeman appeared and arrested him for disorderly conduct. Reiersen went quietly to a police squad car where he was detained until the marchers dispersed.

## WUNS TO PUBLISH WORLD QUARTERLY

Beginning in January, the World Union of National Socialists will begin publication of a high-quality political quarterly--the NATIONAL SOCIALIST WORLD. The new review will feature articles on contemporary affairs, history, philosophy, race, politics, culture, social and economic organization by leading National Socialist writers and thinkers.

Not only is NATIONAL SOCIALIST WORLD the first periodical to be issued by WUNS, but its appearance will be an important step forward for our Cause throughout the world. For the first time in the history of National Socialism there will exist a vehicle for the transmission of ideas among National Socialists on a world-wide basis.

Editor of the new publication is ANP Captain, Matt Koehl, who majored in journalism and political science at the University of Wisconsin in Milwaukee. Capt. Koehl has written numerous articles on the racial question and appeared on various North American college platforms to discuss comparative political philosophy. He is currently Corresponding Secretary of the International Nazi organization.

NATIONAL SOCIALIST WORLD will be issued from WUNS Interna-

tional Headquarters, 928 N. Randolph Street, Arlington 3, Virginia. The subscription rate is \$10 per year, payable to International Secretary, Maj. Karl Allen. This publication will be sent free to all members-at-large of WUNS. □ □ □

World Union of National Socialists

AN ASTOUNDING development on unification of Right-Wing under Cmdr. Rockwell, so amazing that it staggered this writer, will be announced soon. Two military men and several political figures are involved.

STRAIGHT SCOOPS: Henry Solomon, an L.A. Jew, was found guilty of beating his son cause the younger Mike found a buck on the street and then returned it to the little girl who lost it . . . Nigger integrationist "demonstrators" gave each other V.D. through homosexual activity while jailed in Savannah, Ga. (that's really taking BROTHER-hood literally) . . . The Soviet Union plans to open a capitalistic department store in downtown Washington. They anticipate much business from State Dept. employees . . .

WHOEVER HAS BEEN SCRAWLING the words, "Jews To The Ovens" on the wall of NYC's 8th Ave IND station on 34th St. had better beware of a certain midnight-to-eight attendant who vows to nab 'em.

QUESTIONS & ANSWERS: Yes, some of the White youths wearing Swastika armbands at the scene of recent Chicago Race riots were ANP members . . . No, Oswald Mosley doesn't have any connection with us or WUNS . . . Yes, Cmdr. Rockwell plans to run for Gov. of Va. in 1966 . . . No, our Maj. Allan Welch is not related to Birch Society's Robert Welch . . . Yes, The Cmdr. is distantly related to Norman Rockwell, the other artist. . . No, we don't write the "Rockwell Reports" you see in Newsweek mag . . . Yes, we are considering a Women's Service Division due to the influx of girls around here . . . No, the gals aren't looking for Nazi-guy-friends. (We've already taken care of that!)

CMDR. ROCKWELL has ordered one of our young troopers to cease sticking pins into the throat of an Edward R. Murrow doll after hearing the announcement that the left-wing U.S.I.S. head is losing his voice.

DO YOU HAVE A HATELET? Then send it or any interesting fact, or newspaper clipping concerning humorous or vile things about or happening to Jews, niggers, and Commies to: Hatelets, The Stormtrooper, Box 1381, Arlington, Va. (include date and source).

# FULLY INTEGRATED

# FOR MURDER

Richard Rastorfer appeared to be a clean-cut White youth. At 17, young Richard could pass as the "All American Boy", walking down Main Street, U.S.A.

While in school Richard had come very much under the influence of modern progressive education. He had been taught in school that all races were equal; that Negroes were just as good as Whites.

There was something about school that didn't set well with Richard. He left it and headed for New York City--land of opportunity--and, unknown to him at the time, cess-pool of our nation. Living in the dog-eat-dog, cut-throat Jewish society of New York was difficult for young, naive Richard. Richard was hungry and alone in the naked jungle, starved both for food and companionship.

And then he met Melvin Williams. The New York rat-race was not so strange to Melvin. He was part of it, Melvin was a Nigger criminal, a stick-up artist by trade.

Nigger Williams introduced White Richard to an entirely new kind of life: how to make fast money by mugging, robbing, and every conceivable cut-throat-type of thievery.

Richard's introduction to racial integration was also his first journey into crime, a journey that was heading for the electric chair.

The fully integrated team of Melvin, the nigger, and Richard, the White boy, went on a wild spree of holding-up New York hotels. One night they tempted fate too far. A policeman was on duty at a hotel they began to rob. A fight ensued. Shots rang out and the cop fell to the floor. The integrated team had added another accomplishment to their long list. They had murdered a policeman.

An all-out dragnet went out for them. They weren't hard to track down. The "integrated" team was known wherever it went. But now they have one last date together. A date that will burn their flesh and bones until death ends their last sizzling moments of suffering in Sing Sing's electric chair.

Integrated in crime, now they will be integrated in death. □ □ □

# Conde McGinley

His Dream...

Our Inspiration

**T**he greater a man is in life, the more insignificant do words about him become after his death. But that is not the only reason why it would be inadequate to eulogize Conde McGinley upon his death. It is more because the real greatness that was Conde McGinley lives on. Mr. Mac was the most unselfish and humble man who ever rose to become a leader in this fight, and as he rose he brought with him a dream. He would never hesitate to tell of this whenever anyone asked of his goal in the movement. He always explained that he wanted nothing for himself and that he wanted only to educate the people to the problem so that they might recognize and follow the right leader when he appeared.

And so all us, who were first educated and brought into this fight through the tireless work of Conde McGinley, can fight on, knowing that his dream is our inspiration--an inspiration to victory!

## From the desk of the Commander (continued)

Commander Rockwell urging cheering Whites to unite.

the battlefield who discovers a message of great urgency for the General at the rear, --when the shooting starts.

If every single American who understands what the Jews are doing to America with their communism-zionism, their race-mixing and their commercialization of degeneracy would stand up at this very moment and simply state the FACTS, the Jew power would vanish like the evil fog it is. They can keep terrorizing us all only so long as we LET them do it.

The Jews can hurt us ONLY because we not only do not stand together, as they do, but we allow ourselves to be used to hurt each other!

Whenever the Jews set up the howl that so-and-so is an "anti-semitite", most Americans are so terrified that they themselves will be called an "anti-semitite" that they JOIN in the attack by the terrorist Jews!

But to admit this to themselves would hurt.

So they have invented the most

ingenious rationalizations to excuse what is actually miserable cowardice,

Among these is the truly astonishing theory developed by the pantywaist "right-wing" to explain, mostly to themselves, how they have nothing whatever in common with us vile Nazis.

"In fact," explain these right-wing ballet dancers, "Communism is actually the same thing as Nazism!"

"Both Communism and Nazism are STREET movements. Both have squads of toughs for fighting. Both have authoritarian discipline. Both use radical methods. Both are often involved in RIOTS. Both are often in street-fights and bloodshed. Both advocate and practice the use of force. Both are movements of FANATICS. Both kill their enemies. Instead of being OPPOSITES, as many people believe, they are actually the SAME EXACT THING, -COLLECTIVISM!

"We Conservatives", explain the pantywaists, "are for FREEDOM and INDIVIDUAL LIBERTY.

"Those dirty Nazis are just the opposite from us! They are out for POWER, and use dirty means to win it. Not us! We are for decentralization, less power for the government!

All of this argument can be exposed for just what it is by a comparison, -between "cops and robbers".

Al Capone's gang was tough. So were the cops and G-men. The gang used machine guns. So did the cops! The gang was not run democratically, but by a single, tough BOSS. So are the cops run by a "Chief". The gang was out for POWER to run Chicago! So were the cops. The gang was full of deadly killers. So were the cops, thank God! The gangsters were collectivists, -no individual liberties! No "individual liberties" in the pol-

ice force, either. The gangsters used force and bloodshed. So did the cops.

Right-wingers who cuss us and try to "get away" from us by claiming that we are the same thing as the reds are exactly like a citizen who sees a mob of gangsters robbing a bank but refuses to help a policeman stop the gangsters because the cop pulls out his pistol.

"You're the same thing as the gangsters", explains the citizen as he races out of the scene, "because you're BOTH using GUNS! Shame!"

The Communists are actually a brand new kind of political GANGSTER in this world. They simply cannot be stopped by any of the old methods of society to protect itself. Nation after nation has been beaten into communist slavery because it could not discover how to fight these modern political gangsters and the old defenses of society completely FAILED under the hammer blows of the reds!

The ONLY times the reds have EVER been really WHIPPED, it took the new political "police force" of the White Man, --NAZIS, --to do it!

Nazi troops charge Communist position in war against Soviets.

Never once in the history of the world have the communist gangsters been stopped by conventional methods or "conservatism". The ONLY times they have ever been WHIPPED, they

were whipped by the White Man's new political DEFENSE FORCE which the enemy fears, and calls "Fascism"!

In Spain, Communism was whipped by the fascist "Falange", aided by the GUNS of Adolf Hitler.

Side by side in fight against Communism, Hitler and Franco.

In Italy, the same kind of new political "police force" got its name of "fascism" as it drove the reds out of action and into prisons where they belong.

In Germany, it was "Nazism".

This new force is the diametrical opposite of the Jew Marx and his whole filthy mess of race-mixing and degeneracy. The Marxists use every trick in the book, from poetry to the bloodiest terror. As long as the White Man is too cowardly to pick up the effective weapon of "fascism" and pretends he is "fighting" communism by SAFE, "conservative" methods, he is doomed to the kind of failure we have suffered now for forty years!

When our people are finally ready to FIGHT, and they have seen the results of being led by the Jew Kosher Conservative, Goldwater- we will be READY! □ □ □

### BEST PHOTO AWARD

Beginning in the next issue, THE STORMTROOPER will run a regular BEST PHOTO AWARD, to be presented to whoever takes the best photo, depicting the White Man's fight against Jew-Communism and Race-mixing. The Best Photo can be of anything portraying this fight from an Anti-Communist picket line to a snapshot of a vile Jew or nigger in an unusually repulsive expression or act. Emphasis of the judges will be

on action photos, however. Combat, conflict, tension, humor or some mighty unusual aspect of our struggle are all good subjects.

We'll feature the winning photo along with a note about the photographer, in each issue--beginning in the Nov.-Dec. STORMTROOPER.

So camera bugs, get busy! Everyone is eligible!

## Deputy Leader of World Union of National Socialists Weds Beautiful French Countess!

The National Socialist Wedding of Colin Jordan and Françoise Dior took place on Sunday October 6th at 7 p. m. at NSM Headquarters in London in the presence of a private gathering of members.

The couple took their places behind a table draped with a Swastika and on which stood two red lighted candles.

Each in turn made to the other a declaration of Aryan descent and racial fitness, and a pledge of loyalty as man and wife.

Each then made a small incision in the upper part of the ring finger and the two fingers were held together for a moment to symbolize the union of the blood. A drop of the blood so-mixed was then allowed to fall on to the blank fore page of a copy of "Mein Kampf" belonging to the couple.

Then each in turn placed a ring engraved with a Swastika on the finger of the other.

The couple joined hands and the marriage was declared enacted.

The gathering gave the National Socialist salute, and the Horst Wessel anthem was played.

The wedded couple were toasted in Mead, the ancient drink of the Nordic peoples.

In a brief speech in response, Colin Jordan spoke of the NSM's meeting in Trafalgar Square in July of last year as bringing him on one hand a month's imprisonment for his speech opposing the Jewish control and Colored invasion of Britain, and on the other hand a partner in his struggle against these evils and for the establishment of a National Socialist Britain for the British.

Colin Jordan places Swastika ring on bride.

WUNS Deputy Leader addresses assembly after toast.

The cut ring fingers are held together, uniting blood.

Here, pretty young Nazi supporters salute the wedded couple.

It was as a result of the reports of this meeting in the French press that Francois Dior, a devoted National Socialist, came to know of the Movement and came to meet Colin Jordan. He went on to disclose that they had become engaged at a height of 14,000 feet over mid-Channel, and thus between their respective countries, during a flight to Paris on the

night of September 11th. The manner of their engagement symbolized the spirit and purpose of the World Union of National Socialists, of which the NSM is the British Section, fighting to create the National Socialist World Order of the White Man, the only alternative to national decline, racial ruination and Communism.
