THE PRICE THEY PAID

WE CAN PLEDGE NOTHING LESS!

Have you ever wondered
what happened to those men who signed the
Declaration of Independence?

Five signers were captured by the British as traitors. Twelve had their homes ransacked and burned. Two lost their sons in the Continental Army. Another had two sons captured. Nine of the fifty-six signers fought and died from wounds or the hardships of the American Revolution.

What kind of men were they? Twenty-five were lawyers or jurists. Eleven were merchants. Nine were farmers or large plantation owners. These were men of means and education. Yet they signed the Declaration of Independence, knowing full well that the penalty could be death if they were captured.

When these courageous men signed, they pledged their lives, their fortunes and their sacred honor to the cause of freedom and independence.

Carter Braxton was a wealthy planter and trader. One by one his ships were captured by the British navy. He was forced to sell his plantations and mortgage his properties to pay his mounting debts. His remaining estate was finally seized by his creditors.

Thomas McKean was so hounded by the British that he had to move his family almost constantly. He served in the Continental Congress without pay and kept his family in hiding.

Vandals or soldiers or both looted the properties of Ellery, Clymer, Hall, Walton, Gwinnett, Heyward, Rutledge and Middleton.

At the Battle of Yorktown, Thomas Nelson, Jr noted that the British General Cornwallis had taken over the family home for his headquarters. Nelson urged General George Washington to open fire on his own home. This was done and the home was destroyed. Nelson later died bankrupt.

Francis Lewis also had his home and properties destroyed. The enemy jailed his wife and she died within a few months.

“Honest John” Hart was driven from his wife’s bedside when she was near death. Their thirteen children fled for their lives. Hart’s fields and his grist mill were laid waste. While eluding capture, he never knew where his bed would be the next night. He often slept in forests and caves. When he returned home in December of 1777, he found that his wife had died and his children had vanished.

Such are the stories and sacrifices typical of those who risked everything to sign The Declaration of Independence. These men were not wild-eyed, rabble-rousing ruffians. They were soft-spoken men of means and education. They had security, but they valued liberty more. Standing tall, straight and unwavering, they pledged: “For the support of this declaration, with a firm reliance on the protection of the Divine Providence, we mutually pledge to each other, our lives, our fortunes and our sacred honor.”

**WE CAN PLEDGE NOTHING LESS
FOR THE SURVIVAL OF OUR RACE.**

1776 — WHITE POWER — 1976

The founders of America were brilliant men who, in their time, contrived a truly remarkable document—The United States Constitution—which allowed the best White men to rise to the leadership of their race. That these admirably just laws of our land were intended only for a White nation, there is no doubt, for The Constitution goes so far as to state in Article I, Section 2, that Blacks were counted as 3/5ths of a man numerically because they were considered to be property and not United States citizens.

See Appendix A

It seemed so obvious to the architects of our basic legal document that they did not even bother to stipulate that these rules were intended for Whites only. It was as obvious as night and day and it remained so, right up to the time of President Lincoln's assassination. The same recognition was made of the Jews—that they were not White men—by none other than Benjamin Franklin. He tried to warn Americans that the Jews came not to become Americans, but to conquer America and to enslave its White people. As 'panics', depressions and two world wars have so grimly illustrated, we admitted the Jews to our cost.

See Appendix B

We White people conduct ourselves as individuals. While we do join clubs, churches and even so-called 'political' parties, such organizations have nothing to do with the advancement of our interests as White people, nor do they provide effective power with which to combat the power held by the alien usurpers of our Federal Government. Thus, Whites act as individuals, while the Jews, Blacks and other rapidly-growing non-White groups are acting as closely-knit teams, bound together by their racial awareness and their fierce will to power. There is no doubt that the alien invaders are winning in their silent conquest of White civilization in America.

Very foolishly, certain profit-seeking White men thought that an influx of non-Whites would provide them with a 'pool of cheap labor'. Thus, they encouraged a flood of non-White immigration, both willing and unwilling, legal and illegal. They even thought they could get cheap labor out of the Jews! Such shortsighted, greedy White men never paused to think that these humble races would one day rob them of their cherished wealth and their birthright. Other foolish White men who welcomed these dusky hordes to our shores saw in them nothing more than votes which would carry them to political office. Never could they imagine that one day, they would be taking orders from these aliens.

Thus we see the ironic fate of fools who have brought tragedy, not only upon themselves, but upon us. Through their greed for money, Whites put themselves and all of us forever in debt to Jew bankers. Through their greed for political patronage, Whites must do the bidding of the alien usurpers and we must obey these political prostitutes. Now, when we seek Justice under our Constitution, we find only injustice.

Suddenly, we discover that all our efforts, even born of our best intentions, produce only evil results! Our industry produces poverty. Our worship of the sacred inflicts upon us the profane. Our morality becomes rampant corruption. Our strivings for peace yield unending war. Our outreach for friendship is met with enmity. We sow our strength and reap only weakness. Our honesty abets the most monstrous of crimes. Are we White people so perverse, so wrong-headed and clumsy that we are foredoomed to suffer evil when we so mightily strive to attain good?

NO! Our good is repaid by evil because WE WORK FOR ALIEN MASTERS!

History provides many examples in our long, valiant and creative existence as a race in which our White civilization flourished. Many were the times when we accomplished the great things we had set out to do, because, in those times **WE WERE OUR OWN MASTERS!** The bright light

of Our Race long illuminated the path of progress in Sumeria, Egypt, India, Greece, Rome, Europe and America. But each time it was drowned out by floods of non-Whites who prospered and multiplied under our beneficent Aryan rule. The pattern has never varied: Aliens intermingle with us, use the advantages we give them against ourselves and finally overwhelm us. Then, darkness descends upon all!

A VICTIM OF 'EQUAL OPPORTUNITY': A White carpenter is overcome by grief as Blacks line up to take his job in Cleveland. The seniority he once thought he had proved worthless. This personal tragedy is repeated thousands of times daily in hundreds of cities across the Nation, as a tyrannical minority regime continues to dream up ever-more vicious and grotesque ways of downgrading White people.

Right now, here in America, the Blacks are using our racial qualities of providence and conscientious citizenship against us, by breeding at our expense. Because we are White and want decent lives for our children and they are Black and simply do not care one way or the other, they exploit our moral principles so as to decrease our numbers and increase their own. The Jews are past masters at such parasitism, for we see how they have succeeded in using Christianity against White Christians and communism against White communists.

Taxpayers Pay For Illegitimate Breeding

For 6 months New York Welfare Board housed Loretta Blake and her 9 children in a \$840 a month hotel suite. She is expecting her 10th illegitimate baby.

History's lesson is plain: White racial qualities work **FOR** us in a White society, but they work **AGAINST** us whenever we allow non-Whites in our midst. Only if we exclude non-Whites from our living-space can we achieve the kind of society we all want—a society run in accordance with White morality, for the benefit of Whites.

Joan Chavers and her 6 children were kept in a \$2,000 a month hotel suite by New York Welfare Board.

How many of us are at this very moment working to profit some Jew, sacrificing our lives and our children's future by paying taxes which will buy more trouble for us, not only in America, but around the globe? We work and pay to keep corrupt politicians in office, to pollute our environment and to populate the world with negroidal savages.

The sickness which we see throughout our White society is caused by non-Whites and those they infect with their alien values and behavior patterns. The cure for that which ails us is as simple as saying, "Get out!" and just as difficult of achievement. To say "Get out!" and to mean it, White people must organize as White people. Such a **WHITE POWER MOVEMENT** will enable us to take back our land which is now, so obviously, **OCCUPIED TERRITORY**.

What would a White Government accomplish, here in America? First of all, under a government of the White people, by the White people and for the White

people—OUR OWN GOVERNMENT—we would enjoy freedom FROM: Depressions, inflation, foreign aid giveaways, rampant crime and corruption, dope, pornography, rape, busing, welfare vampires and high taxes. Such ‘freedoms’ as these, which our founding-fathers intended us to enjoy and which we used to take so much for granted, would be returned to us. The quality of our lives would improve immensely and we would become more serene and certainly more secure.

But those are merely NEGATIVE freedoms. What sort of POSITIVE freedoms would we enjoy if White genius, labor and money went to improve our White society, instead of destroying it? For the first time since the American Revolution, we would be free to create the honest, clean and decent environment we want for ourselves and for our children; to work with Nature, not against Her, so as to combine our human art with Nature’s in a masterwork of beauty which will please the eye, improve the health and nourish the soul.

Once again, we would be free to walk wherever we wished in OUR parks, cities and countryside; to camp in the woods or by the roadside and to be able to wake up next morning, alive and unharmed. We would be free to enjoy the companionship of our children who would be educated for responsible adulthood and who would look forward to creative, productive lives in a White Nation which they could be proud of. We would be free to produce for ourselves and not for alien profiteers and alien powers. We would be free to retire, if we wished, to a secure old age.

We are White Racists, as was Adolf Hitler. In the context of his time, there were no aliens in Europe except the Jews. Thus, White men squabbled among themselves amid the artificial geopolitical barriers erected by the princely heirs of the Dark Ages. White men still thought of themselves as Germans, Englishmen, Italians, Frenchmen and so on, while the Jews changed their names and ‘nationalities’ at will and fooled them all. So smug were

the White contemporaries of Hitler that they did not realize the unpleasant surprises which the Jews were preparing for them, among other things, the Second World War. The White people of the 1920's never doubted that their race would continue to rule the world. The only question at that time was which branch of the White family tree would wind up with the lion's share of the world's wealth and territory.

In the consideration of the concepts being brought out in this manifesto, it is important to grasp this mental picture held by so many White men during the first four decades of this century. Things were not always as they are, nor must they continue as they have been. We can make the difference. There is no dead hand of history, only the living spirit of Our Race! Therefore, we must guard against petty rivalries, regional chauvinism, shortsighted greed and selfishness. Such unworthy stumbling blocks should be kicked from the path of White Unity with the swiftness and ruthlessness demanded by the present emergency.

To return our thoughts to Germany of the 1920's, we read in "MEIN KAMPF" that Hitler saw the inescapable necessity of using the material at hand, regardless of its inherent limitations. He wanted to save the White Race, but he knew as well as did Mussolini, that only small segments of Our Race could be mobilized in the great struggle for White Survival.

World War I had revealed the utter impracticability of international socialism, whether of the Second International (social democracy), the Third (bolshevism) or later, the Fourth International (Trotskyism). The international "brotherhood of man" had bled to death upon the barbed wire of no-man's-land and had been blown sky-high in the nationalist explosions which followed upon the collapse of the German, Austrian, Russian and Turkish empires. Nationalism in its most restricted, shortsighted and divisive sense was still a powerful factor among the White Europeans of the 1920's.

So too, was the idea of socialism, which was nothing more nor less than a form of secularized Christianity. The concept of being "one's brother's keeper" was deeply embedded in European tradition, as was also the concept of a 'just' distribution of goods and services which would insure a 'decent' standard of living for all.

These two concepts, Nationalism and Socialism, were the catchwords of the time because they held so much hope for the White people of betrayed and battered postwar Germany. Hitler moved with his times when he changed the name of his German Workers' Party to the National Socialist German Workers' Party, thus incorporating his party program in its name. It is a tribute to his genius that he did not choose to call this vanguard of White Survival and White Supremacy 'The Knights of the Holy Roman Empire' or 'The Bavarian State's Rights Party' or 'The German Council for Positive Christianity'. Certainly, the 'Nazi' Party was all these things, but it was also much more. By choosing the name that he did, Hitler moved with his times and with his people. There is much in a name. For this reason, we must choose ours wisely and thereby keep up with the times.

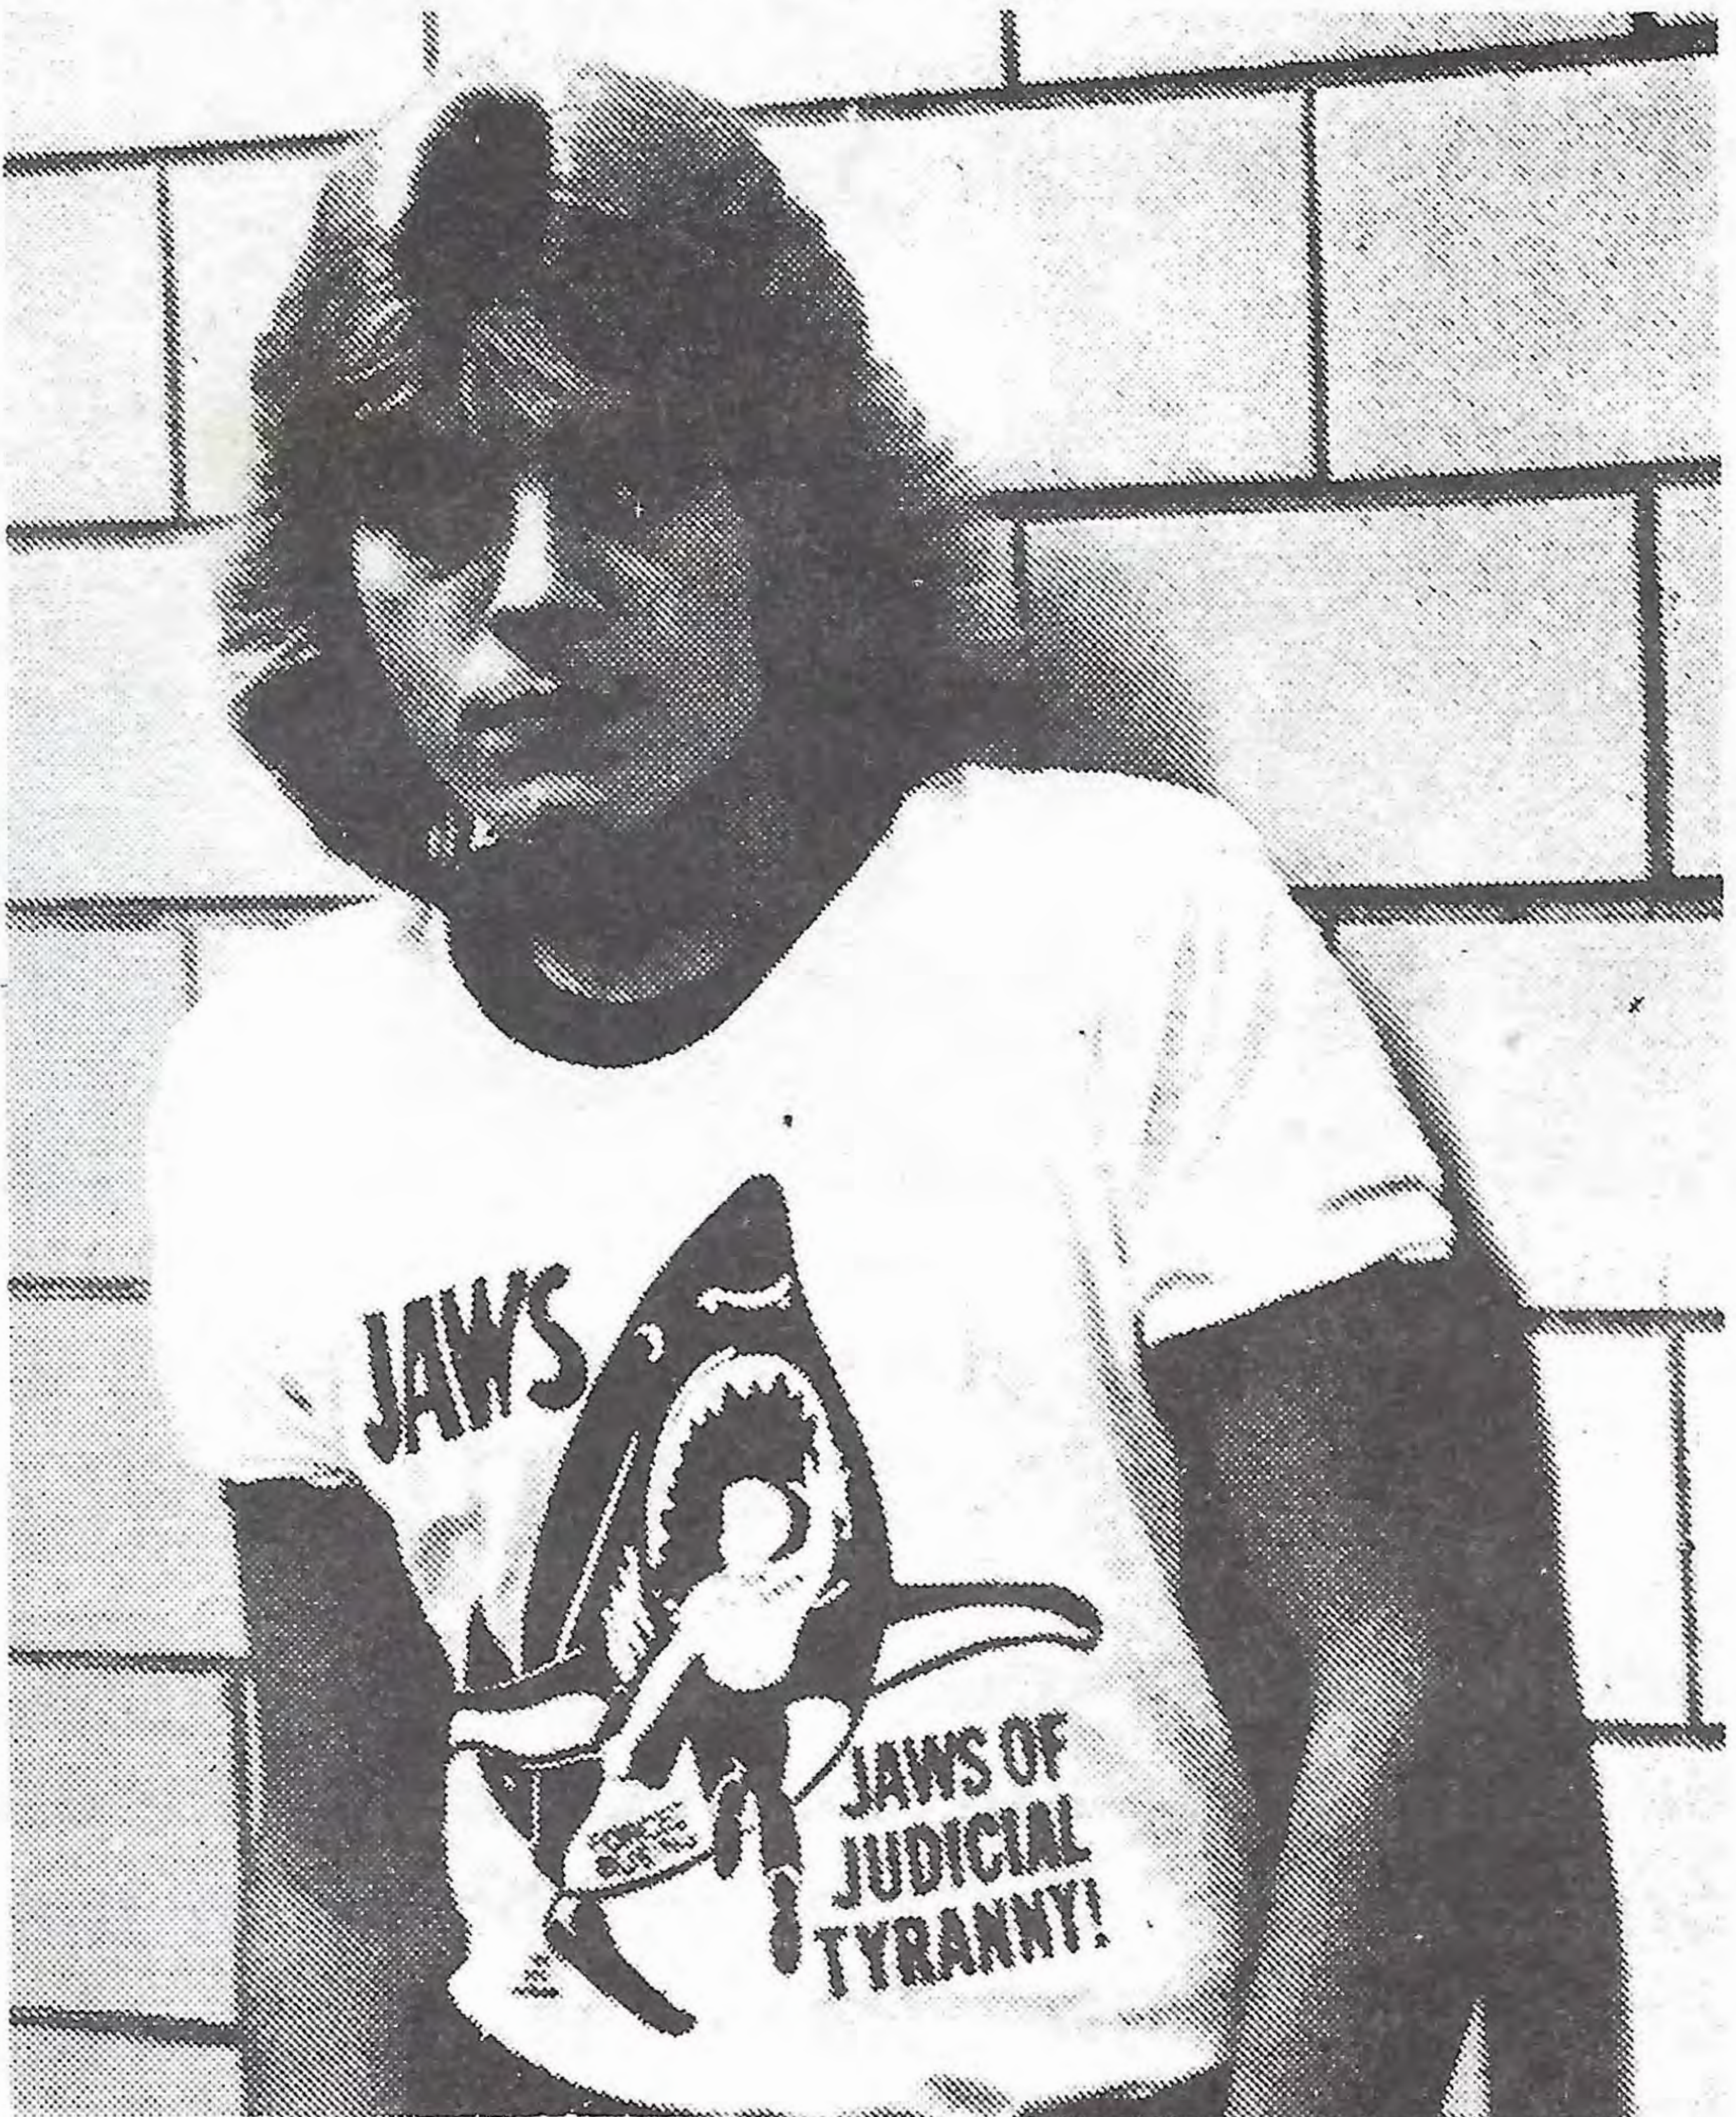

A White man may have long or short hair; he may wear trousers, Bermuda shorts or a kilt, but he is still a White man. We must not lose his allegiance to his cause and ours by insisting that he dress like a 1930 Storm Trooper. This rigidity which is all too frequent in our ranks, shows a total ignorance of the most fundamental National Socialist principles by confusing tactics, which are temporary devices, with strategy, which is permanent and based

upon the eternal verities of Nature. National Socialism in its essence is the application of Nature's laws to man. All other creeds and ideologies place man against Nature and thus, defeat man himself. We see the outcome of these false philosophies in the pollution of our physical and spiritual living-space and in the degeneracy of Our Race through unselective and mixed breeding.

Thus, we come to understand that Hitler and his disciples, the German people, stood at the threshold of a new vision of life, new to us, but as old as Nature Herself. It was the vision of White racial regeneration, White dynamism, White law and White global order. Above all was the vision of the future of the White Race itself, as a race of virile and beautiful people. These were the goals and this was the challenge! Hitler and his people were martyred by the great enemy of Our Race, the Jew, but the White Race was stirring from its deadly slumber. The Idea, travelling on the wings of thought, had spread beyond Germany, to the farthest settlements of the White people. Out of the ashes of defeat rose the phoenix of victory: The White Awakening.

Out of this awakening of racial consciousness has come a movement which can only be called **THE WHITE POWER MOVEMENT**. We of this movement represent the highest

evolution of White racial consciousness and, like the Storm Troopers of old, we grasp the essence and the urgency of the White Man's struggle for survival. In so doing, we have become the vanguard of Our Race.

With the increased scope and rapidity of communications and the burgeoning of non-White, race-based nationalism throughout the world, no less in America, White people are drawing closer together. In fact, we are

All they need is WHITE POWER LEADERSHIP!**

being driven together by the forces of the silent invaders and alien exploiters. White people are coming to recognize one another and out of the alien hammer blows, inflicted on the White Race as a whole, a sense of White Nationhood is forged.

The realization of White Nationhood is demolishing the old geopolitical barriers of regional chauvinism. Now that we are losing, not as Danes, Italians, Poles, Germans or

Americans, but as White people, our artificial divisions melt away. Nationalism based falsely upon real estate is at last yielding to true Nationalism rooted in race. This welcome achievement we owe largely to the work of our non-White enemies. By laying siege to us on every quarter, they have roused us from our fatal slumber and have spurred us into action, for their message is plain: There is no place you can run to, White Man!

This time, the White Race will act in unity to fight for its existence on this planet. We have cast out the encumbering myth of the Nordic superman, the blue-eyed, blond warriors and Valkyries, those brave and bold Vikings who were oftentimes inflexible and humorless when the situation might have been otherwise saved. To hew strictly to the myth of Nordic Aryan supremacy would be to ignore the many crimes of race-mixing and other treasons inflicted upon us by the Northern members of Our Race and we would also ignore to our cost the valiant and steady efforts made on our behalf by our Southern and Eastern brothers. The cost of ignoring such realities would be life itself. Thus, THE WHITE POWER MOVEMENT gives supreme importance to the individual's sense of identification, his feeling of belonging to the White Race as a whole. The fact that he comes from one point of the compass and not another, speaks a different language or goes to a different church makes not one iota of difference in his being a White man. If he is a White man, first and foremost, he is one of us!

Thus, we stand cleansed of the Jew-fostered stereotypes of 'dirty' Slavs, 'vain' Italians, 'arrogant' Germans, 'foppish' Frenchmen and 'snobbish' Britishers. Driven together by necessity, we discover the diverse and useful talents of our many tribes. As more and more of us meet in adversity, we encounter not only refugees, but comrades-in-arms. A militant brotherhood of White warriors rallies to the banner of White Destiny, determined to fight and to win!

Despite the Jews' domination of the educational and

informational media, despite their tireless efforts to isolate and to divide one White man against another, the reality is clear to growing numbers of Our Race: We are not alone. This realization has brought with it new vigor. We see the opportunity of turning back the muddy tide, of seizing the initiative. Not only can we stop Our Race's headlong flight toward the yawning gates of enslavement and extinction, but we can beat back our racial enemy, the Jew, with mighty hammerblows until victory is won.

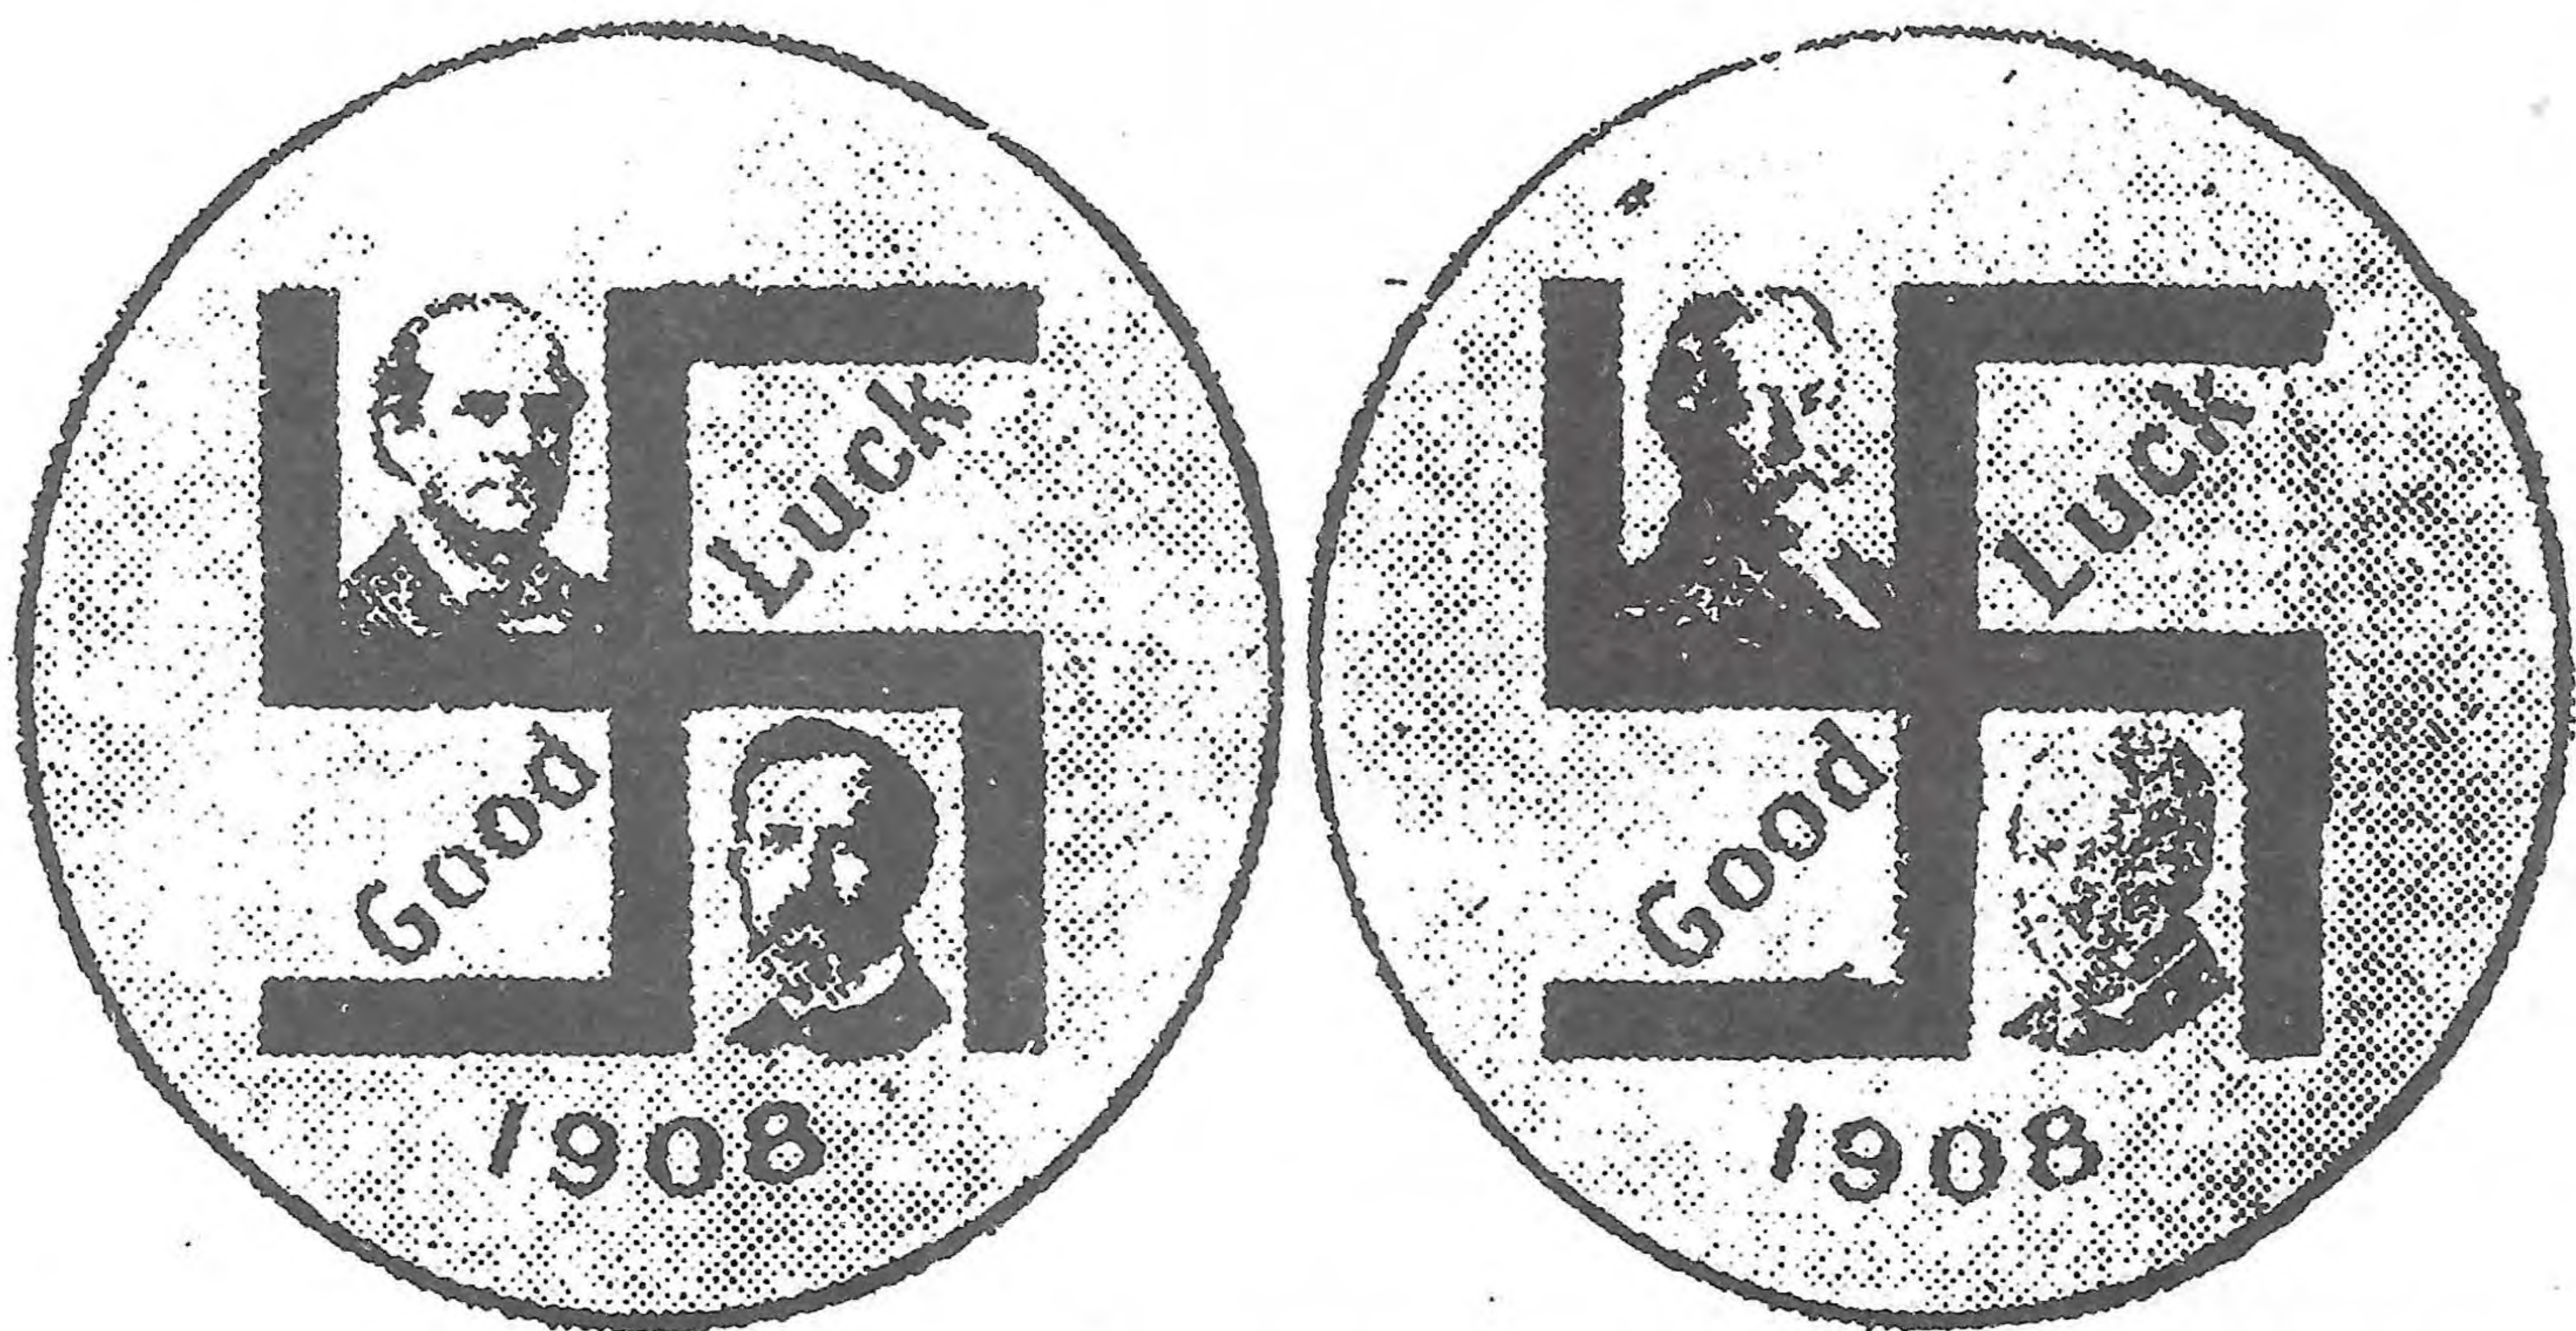

Let it be understood by our present comrades and by our imminent supporters that we are not Hollywood Nazis. We are White Nationalists. Therefore, we wear with honor our ancient symbol, the Holy Cross of our Aryan Race: The Swastika. This symbol is neither recent, nor German, but has signified Our Race wherever we have ventured, from pre-Semitic Sumeria to the United States of America.

Today, as in ancient times, the Swastika Banner serves as the rallying point for the forces of White Survival in

such farflung places as Sydney, Buenos Aires, Santiago, Johannesburg, Berlin, Warsaw, Kiev, Baltimore, Toronto and Madrid. The fighters speak different languages, but their symbol of racial victory is the same. As White patriots, we are aware that, wherever it may be, whatever language it may speak, OUR RACE IS OUR NATION! The realization of worldwide White Nationhood is of foremost importance in this phase of our national struggle. The possibilities which await our future generations once this objective has been achieved are breath-taking to contemplate. Let us imagine for an instant what sort of life the White Race would have today if White Rome had not decayed and succumbed to the influx of alien races and ideas and if White, National Socialist Germany had not been trampled beneath the feet of misguided, brainwashed fellow White men acting as Jew puppets. We would not be struggling out of the Dark Ages as we are today; by no means!

White people must bear in mind that Adolf Hitler was a revolutionary in his employment of the means to save White Germans from death by starvation and from the despotism of gold. He was not a revolutionary in the sense

AMERICANA

Swastikas symbolized good luck in 1908 presidential election between William Howard Taft and William Jennings Bryan.

that he adhered to a fixed set of tactics, otherwise the Jews would have defeated him at the outset. Every conceivable variation in achieving power was tried in the broad spectrum of left and right political parties, but only one party succeeded and that was Hitler's. "Thus, our tactics must always be flexible, but our principles steel-hard," to quote the Great German Leader. So must we be truly revolutionary in our choice of weapons. The initiative is ours for the taking once we have profited from our examination of past and present failures.

The time of our seizure of power is coming sooner than most of our comrades expect and, right now, most of us are unprepared to make use of the opportunities which destiny is soon to throw our way. Who among us is prepared to take up the reins of government—of the entire United States of America? This is what we must ready ourselves to do and nothing less! History has ways of showing us that we should always prepare for more responsibility, rather than less.

The task which lies before us is a big one, indeed: We are called upon to create a state within a state, a White Nation within the present Jewish, multinational entity which is called the United States of America. For this accomplishment we shall require men and women who have received practical training in the day-to-day operation of government at all levels. We shall need White experts with knowledge of transportation, communication, production flow systems, data retrieval and records-keeping. We shall need competent military personnel and so on, nothing less than a co-ordinated effort drawing upon the entire spectrum of White technical and organizational skills.

The task is difficult, but not impossible, for once again, our enemies are playing into our hands in their reckless thrust to displace us from our jobs, positions of influence and living-space. The day is already dawning when a White man's skin is his uniform. More and more of our responsible and capable brothers and sisters are fast

coming to realize this jarring truth. At first, they are not racists, but when they see their non-White competitors reap the benefits of THEIR racism at OUR expense, our White brethren begin to think. When our fellow Whites seek justice as individuals and are defeated by their organized, non-White racist opponents, they begin to see the wisdom and effectiveness of racism. In self-defense, even our most brainwashed White brethren are becoming and must become racists. It is our job to enlist these responsible, capable and productive White people into our cause and theirs. We must ally ourselves with and not alienate the best members of Our Race in government and industry, to assist them in preparing for The Day of the White reconquest of America.

Much will be demanded of our 'fifth column' which is, at this very moment working deep inside enemy territory, absorbing the knowledge and receiving training within the system. Our 'insiders' face many dangers and temptations which only the strictest self-discipline can overcome. Firstly, they must remain silent about their most heartfelt beliefs which they would far more prefer to shout in the streets and from the rooftops. Secondly, they must rise to positions of competence, strategic decision-making positions, not always identified by the high-sounding title on the door. And while advancing within the system, they must avoid incurring its threats and resist its blandishments. They must maintain their loyalty to the White Race, come what may.

Our comrades outside the system, through their understanding of production and distribution methods can, with a few strategic blows, immobilize the economic infrastructure at its weakest points. The resulting economic dislocations would accelerate the racial polarization and at the same time, weaken the chief source of Jewish power—money—by depriving it of its value. Welfare checks would become meaningless, for example, were cities denied food and energy supplies.

Thus will THE WHITE POWER MOVEMENT bring

about the restoration of the United States Constitution, the only way it can be restored: By putting our supreme law back into its original context—that of a healthy, White society. Our deficiencies are not material, but spiritual. We have no lack of means. We need only the will!

WHITE POWER—NOW!

APPENDIX B

"Representatives and direct taxes shall be apportioned among the several States which may be concluded within this Union, according to their respective numbers, which shall be determined by adding to the whole number of free persons, including those bound to service for a term of years, and excluding Indians not taxed, three-fifths of all other persons."

(The Fourteenth Amendment changed this to "the whole number of persons in each State." All Indians are now subject to federal taxation. The "other persons" referred to were slaves; slavery and involuntary servitude were abolished by the Thirteenth Amendment.)

APPENDIX A

The Franklin Prophecy

"I fully agree with General Washington, that we must protect this young nation from an insidious influence and impenetration. That menace, gentlemen, is the Jews.

"In whatever country Jews have settled in any great number, they have lowered its moral tone; depreciated its commercial integrity; have segregated themselves and have not been assimilated; have sneered at and tried to undermine the Christian religion upon which that nation is founded by objecting to its restrictions; have built up a state within a state; and when opposed have tried to strangle that country to death financially, as in the case of Spain and Portugal.

"For over 1,700 years, the Jews have been bewailing their sad fate in that they have been exiled from their homeland, as they call Palestine. But, gentlemen, did the world give it to them in fee simple, they would at once find some reason for not returning. Why? Because they are vampires, and vampires do not live on vampires. They cannot live only among themselves. They must subsist on Christians and other peoples not of their race.

"If you do not exclude them from these United States in this Constitution, in less than 200 years they will have swarmed here in such great numbers that they will dominate and devour the land, and change our form of government, for which we Americans have shed our blood, given our lives, our substance and jeopardized our liberty.

"If you do not exclude them, in less than 200 years our descendants will be working in the fields to furnish them substance while they will be in the counting houses rubbing their hands. I warn you, gentlemen, if you do not exclude the Jews for all time, your children will curse you in your graves.

"Jews, gentlemen, are Asiatics, let them be born where they will or how many generations they are away from Asia, they will never be otherwise. Their ideas do not conform to an American's, and will not even though they live among us ten generations. A leopard cannot change its spots. Jews are Asiatics, are a menace to this country if permitted entrance, and should be excluded by this Constitution Convention."
