

David Duke for President

Dear Fellow American:

In 1988 there's only going to be one candidate for President who is saying out loud what the "silent majority" of the American people are thinking. And that's the Populist Party's candidate, David Duke.

Last year David announced his candidacy for the Democratic Party's presidential nomination. But David's supporters soon learned one stark reality about the modern-day Democratic Party: it has abandoned its populist heritage. The Democratic Party is now controlled, lock-stock-and-barrel, by the organized minorities and the powerful private special interest groups.

In short, the party of Thomas Jefferson and Andrew Jackson has become the party of Jesse Jackson and Michael Dukakis.

SO DAVID DUKE HAS DECIDED TO TAKE HIS CAMPAIGN TO THE PEOPLE: HE'S SIGNED ON WITH THE POPULIST PARTY AND ACCEPTED OUR 1988 PRESIDENTIAL NOMINATION.

To David I say: "Welcome Aboard. We're With You."

With an outspoken and articulate candidate like David Duke, the Populist Party has a golden opportunity to change the face of American politics during the 1988 presidential campaign. You see, David is going to be talking about the real issues.

DAVID DUKE IS GOING TO BRING THE POPULIST MESSAGE TO THE AMERICAN PEOPLE IN A WAY THAT THEY HAVE NEVER EVER HEARD IT BEFORE.

Now we can't rely on the media--which is controlled by the special interests--to give David Duke the kind of news coverage he deserves.

That's why we need your help.

WE NEED YOUR CONTRIBUTIONS SO THAT WE CAN PURCHASE NATIONAL TELEVISION ADVERTISING--DURING PRIME TIME--TO BRING DAVID DUKE AND HIS POPULIST MESSAGE TO THE AMERICAN PEOPLE.

I simply can't think of any better way to get our message to the voters.

Appearing on national television, David Duke will reach millions of Americans who have never before had the opportunity to hear the Populist message. And you can be sure that David will be speaking out on the big issues:

- * Affirmative action and racial quotas; immigration; crime in the streets and the welfare problem.
- * Endless taxpayer-financed foreign aid giveaways, and the export of American jobs to the Third World.
- * The control of our foreign policy and of the Establishment media by the Zionists, the international bankers and the other big money interests.

These are the big issues that the major party candidates are afraid to discuss, and among the many issues that David Duke will discuss.

David has already proven himself as one of America's most effective communicators using the medium of television. In fact, during his campaign for the Democratic nomination, David actually drew more votes than a number of the "major" Democratic contenders in key states where his own paid television campaign advertising reached the voters. This despite a severely-limited campaign budget.

CAN YOU IMAGINE THE IMPACT OF POPULIST CANDIDATE DAVID DUKE APPEARING ON NATIONAL TELEVISION DURING PRIME TIME AND SPEAKING OUT ON THE BIG ISSUES?

There's just never been anything like it in the entire history of this nation.

THAT'S WHY IF WE ARE ABLE TO GET DAVID DUKE ON NATIONAL TELEVISION--WITH YOUR HELP--THE POPULIST PARTY IS GOING TO WIN THE VOTES OF MILLIONS OF AMERICANS WHO ARE FED UP WITH "POLITICS-AS-USUAL."

Maybe now you can see why I'm so enthusiastic about all of the possibilities that we have before us during this presidential election campaign.

As a consequence, I honestly can't see any other alternative for patriotic Americans but to support David Duke and the Populist Party in this election. Americans need to hear the Populist message. Now more than ever.

DON'T KID YOURSELF: NEITHER THE REPUBLICANS NOR THE DEMOCRATS ARE GOING TO NOMINATE A CANDIDATE WHO PLACES AMERICA'S INTERESTS FIRST.

You know what's become of the Democratic Party. So take a look at the Republicans. The GOP nominee, Vice President George Bush, is a captive of the Rockefeller family's international corporate empire. In fact, Bush was among the founding members of the Rockefeller-financed Trilateral Commission.

That's why it's so critical that you help David Duke on the ballot--and on national prime-time television--this year. The American people must have a real choice in this election. And David Duke is that choice.

THE POPULIST PARTY'S PRESIDENTIAL CANDIDATE IS THE ONLY REAL ALTERNATIVE IN THIS ELECTION CAMPAIGN.

In 1984 many Americans opted to vote for Ronald Reagan. He was, they said, "the lesser of two evils." Many Reagan voters argued that to support a "third party" alternative would only help elect a liberal internationalist Democrat.

But what did the election of "the lesser of two evils" bring America? Spiraling budget deficits, a skyrocketing national debt, continued and increased foreign aid giveaways, more and more affirmative action and racial quotas, and, perhaps worst of all, a nuclear arms sell-out with the communist dictator of a totalitarian regime that Ronald Reagan himself used to call "the evil empire."

I'M TIRED OF HAVING TO CHOOSE BETWEEN THE LESSER OF TWO EVILS, AREN'T YOU? I WANT TO BE ABLE TO VOTE FOR THE VERY BEST. THAT'S WHY I'M SUPPORTING DAVID DUKE.

And that's why I'm hoping you'll do the same. So please, support us in our efforts to bring the Populist Party's message before the American people. Please contribute to the David Duke for President campaign. This could be the most important political contribution that you'll ever make.

THE POPULIST PARTY NEEDS TO RAISE A MINIMUM OF \$200,000 IMMEDIATELY IF WE ARE GOING TO BE ABLE TO WAGE AN EFFECTIVE NATIONAL CAMPAIGN. WE CAN DO IT WITH YOUR HELP.

Time is of the essence. There can be no delay. We need to get the David Duke for President campaign rolling.

DON'T YOU WANT TO BE ABLE TO VOTE FOR A CANDIDATE WHO PLACES AMERICA'S INTERESTS FIRST? IF SO, YOUR ONLY REAL ALTERNATIVE IS DAVID DUKE.

Please. Make your contribution today.

For America First,

Tom McIntyre
