

Sam Dickson Faces the Issue of Race Relations

Race is a legitimate issue. It is raised every day by blacks and other minority groups demanding some special favor, some new benefit. We whites cannot sit back and allow them to win by default. We owe it to our children to demand what is rightfully ours. I refuse to be intimidated into dodging this issue by the liberals and sellout artists. *I am not anti-black, I am pro-white.*

SAM DICKSON NEEDS YOUR HELP!

Zell Miller believes that you should be discriminated against if you are white. Zell Miller called for higher property taxes in 1975. Zell Miller endorsed the Panama Canal giveaway. Zell Miller marched with Coretta King. He is now trying to sneak back into office by dodging the issues and ignoring his disgusting record. The news media is working frantically to help him by ignoring Sam Dickson and refusing to cover this campaign. Are you going to let Zell Miller and his liberal news media cronies get away with this? Sam Dickson needs and deserves your help to protect you and your children's future from the Miller menace.
