WHAT IS WHITE POWER?

WHITE POWER IS AN ABSOLUTE VALUE

WHITE POWER

AS THE MANIFESTATION OF GOD ON EARTH

WHY WHITE POWER IS INEVITABLE

THE ETERNAL IMPERATIVE OF WHITE POWER

WHITE POWER AS OUR DRIVING FORCE

WHITE POWER AS OUR GOAL

There will be regular classes and speeches on and about WHITE POWER. There will be plenty of time for fellowship and great times. There will be singing of traditional songs such as " FINKELSTEIN." We will appreciate hearing from anyone who has copies of or remembers songs from previous years. We will show beautiful color slides of our activities. Orders may be taken for copies of these slide sets. A tape of one of the Commander's first Mall speeches, and a full color film of early activities on the Mall are added attractions. Nationally known speakers of numerous "Right Wing" organizations will appear in behalf of an important project that concerns you.

SORRY, BUT OUR CONVENTION IS NOT OPEN TO ALL

Only Party members in good standing at the time of the convention, and those loyal supporters who have actually helped us financially, or otherwise, in the past year may attend. If you have not done your share, but feel that this convention may inspire you to help, write us about it and we will consider your case.

YOU MUST REGISTER

To attend our Convention you must register. The Registration Center for the Convention will be at Party Headquarters, 4375 N. Peck Rd., El Monte. The Registration donation is \$5.00. National Socialist Youth Members, Party Members and Supporters who are on active duty in the US Armed Forces, or who are disabled war veterans are exempted from the Registration donation. We plan to rent outside halls for this convention to avoid overcrowding like we had last year, so please REGISTER NOW, or as soon as possible. However, the Duty Officer will accept Registrants during the Convention.

As an encouragement to you to register early, if you send in or bring in your Registration before April 15th, the minimum donation will be \$4.50.

To attend the Testimonial Dinner April 20th you must let us know how many will be in your party by April 17th.

SUPPRESSED FILMS CLUB

Because we are sick of communist propoganda we intend to start a SUPPRESSED FILMS CLUB to present the White Christian American view point. All registered delegates to our Convention have the opportunity of joining this club in advance. During the Convention, Members of the Suppressed Films Club will have the opportunity to see the two greatest Film Classics of all time: TRIUMPH OF THE WILL, and BIRTH OF A NATION.

Minimum donation for club membership is only \$5.00.

If you are embarrassed financially, but are a 'movie addict', we suggest you stop contributing to the Red Jews of Hollywood for a movie or two, give your eyes and brain-washed mind a rest, & come and see these two great DIFFERENT kind of movies.

L. A. Area Transportation

Local transportation will be provided for all out of towners and registrants who need it.

PARTY CONVENTION

TRUTH ABOUT HORST WESSEL

Everyone who registers, and those who can't attend but wish to contribute, will receive a beautiful, two color, picture packed, specially prepared booklet on the LIFE AND DEATH OF HORST WESSEL. This was especially translated for us, and is a true story never before told in America.

Early in the year 1930 a young National Socialist fell, whose death has come to have a special significance for the Party and the Movement. The shooting of Horst Wessel is one of the landmarks in this story.

This young man, the son of a clergyman, and who wrote a marching song for the Party, which has since gone by his name, was a law student. He embodied in himself the ideal of manly uprightness and modesty, high endeavour, dutifulness and simple living which Hitler desired to impress upon the whole of his following. He had drawn upon himself the enmity of the Communists by having converted a large number of them to his own political creed. One day young Wessel was at work in his room in a lodging house in Berlin when four Communists invaded it and shot him. So bitter indeed was their feeling against him that at the funeral his coffin had to be protected by the police. Even his grave called for protection, and young members of his own Troop still mount special guard, in honour, over it.
