

Statement Of
COMMANDER GEORGE LINCOLN ROCKWELL

United States Naval Reserve

(1315 -- 106684)

Presented at a Hearing Before a Board of Officers of the Navy Department, 1 Feb. 1960
at the Pentagon, Washington, D.C.

Gentlemen:

Before I present my defense against the charges which have caused the Navy Department to institute proceedings against my commission as a Commander in the Naval Reserve, I should like to express my deep appreciation for this fair opportunity to defend myself, and to assure the Board that I shall not abuse the privilege nor take any longer than may be absolutely necessary.

It may seem odd that an officer should express gratitude at the opportunity to defend himself against charges, but I am unhappily aware of other Reserve Officers in other services who have held far less radical political opinions than myself but who have nevertheless been summarily dismissed with no opportunity to present their defense at all, as I shall demonstrate later.

Newspapermen and members of the group I have opposed have assumed and in some cases even boasted that this hearing is an empty and meaningless formality, and the decision has been made before I received my first word of the proceedings in the newspapers and on the radio and TV. But, on the other hand, the highest officials in the Navy Department have personally assured me that this hearing is NOT an empty formality, that it is NOT rigged, and I believe them, Gentlemen. I have loved the Navy and served it, and my Country loyally whenever called upon for almost twenty years, and I have never seen or known anything so dishonorable as would be such a procedure. I believe and trust in the assurance I have been given that, should the facts and evidence I give here so indicate, the Board will find that my private political activities have not and do not militate against my mobilization potential, and that the Board will recommend that I NOT be dismissed or discharged, in spite of the fearful pressure which all hands have told me has been brought to bear. And, should the Board recommend my retention, I have further been assured by the officials concerned that the Board's recommendations will be respected and considered as they properly should.

With the deepest gratitude for a fair hearing, therefore, I have done my utmost to prepare a statement and gather evidence which, in the short time which is reasonable, will, I hope, convince the members of this Board that it would not only NOT be in the best interest of the Navy and the Country to dismiss me from the Service, but that my retention in the face of the organized pressure on the Navy Department will be a great and historic service to our American Republic and our beleaguered people.

Now it is improbable that any of you gentlemen know me personally. Most of you have had no opportunity to form any judgement of me or my ideas and activities except through extreme, partial and distorted reports in a press which depends for its economic existence on the very group which I have opposed. I can imagine the thoughts which must have bounced around in your head as you prepared for this meeting, --as you tried to picture the "lunatic" --the "odd-ball" --or the villain, --you could not help but imagine this guy Rockwell to be. I am not hurt by such epithets. I am used to them. Every day hundreds of people come to see this "nutty monkey" in his "mad-house", which is as I would have it, because I thus am enabled to TALK to these people and win many of them. But I am concerned here lest this pre-conceived notion of my "madness" --or this PREJUDICE, might so color and influence the Board, quite understandably, that it would not be able to accept the hard facts and the evidence I have to present to it, except as the frenetic frothings of a "lunatic"

To help establish what I hope is the fact that I am a sane, reasonably intelligent and competent American, and that my facts and evidence is worthy of the most careful consideration, I should like to respectfully show the members a few copies of a magazine with which you may be familiar, U. S. LADY. This is a magazine for the wives of officers and men of the armed forces, and perhaps your wives read and enjoy it. It was I who started and organized and drove that magazine into business in spite of the statements of the best informed professional opinion that it was "insane" to try to launch an international magazine on less than a million or so. My total capital was three hundred dollars, and, without meaning to boast, Gentlemen, I was able to succeed with the "insane" project, where even such luminaries as Mrs. George Catlett Marshall and dozens of others with more funds and influence had failed. U. S. LADY is published all over the world and reprinted often in Reader's Digest. Again, this is not to boast, but to demonstrate that a man able to accomplish this specific task is not a "lunatic"

I should also like to submit to the Board a few copies of the American Mercury, for which I wrote articles, including the two here on the Marine Corps, defending it against the disloyal and vicious attacks which were then being made on this great arm of the Navy. In the process, incidentally, I learned another fact in the chain of evidence which drives me to my present political battle, of which more later.

I earnestly hope these two examples of my sanity and ability will assist the Board in examining my facts and evidence in the light of their probity or their cogency alone, and without regard to the supposed "hate-crazed" "lunatic" who presents them.

The official letter from the Navy Department which instituted these proceedings charges me with the following:

1. That I have been an active participant and leader of various organizations styled along Nazi lines.
2. That I have publicly and openly espoused race and religious hatred.
3. That I have used, or permitted to be used, my rank and status in the Naval Reserve in printed matter distributed to the public fostering racial and religious hatred.
4. That I have departed the U. S. without the Navy Department's permission.
5. That my status as an officer commanding men made up, at least in part, of members of the races and religions at which my propaganda is aimed.

First, let me say that I am guilty by oversight of the charge of leaving the U. S. without Naval permission. I was forced to send my family to Iceland where my wife's family lives, to avoid the persecution of ignorant or vicious persons who insulted, attacked, bombed and threatened my wife and little children. I went to visit them for only six days, and in the emotional stress of the occasion, forgot the rule about getting permission of the Navy. It would seem, however, unduly harsh to dismiss or discharge an officer from the Naval Service after almost twenty years and two wars for such an oversight, and I can assure the Board that it will not happen again.

The other four charges boil down to three things: (1) I have advocated racial and religious HATE, (2) I have used my rank and status in the Naval Reserve in an improper manner, and, (3) my ability to serve the Navy and my Country again in positions of Command is so reduced by my private political ideas and activities as a civilian that I would be no use to the Navy in the event of mobilization.

I shall accordingly confine my defense before this Board to proving that:

1. I have never promoted or advocated hate except of traitors or subverters and others deserving of the hate of all decent, moral people, WITHOUT regard to their race or religion.
2. I have not used my rank or position in the Navy in any other manner or with any more impropriety than have all the other men such as Senators and Congressmen who have conducted a political campaign for election to office, as I am doing.

3. My mobilization potential is no lower than that of any other officer who commands men where there is a hostile racial situation, such as exists right now in thousands of cases.

Finally, I will do my best to show the board that it is not just sitting in judgement of one "odd-ball" officer, but that it is standing at a cross-roads in American history, as many a military tribunal before it has done, and that it has the hard but glorious decision before it of bowing to the pressure on the Navy Department, and continuing America on the downward path of confusion, weakness and eventually slavery, -or of standing tall and straight like their fathers and grandfathers, and putting the steel back in the American back-bone which once made us so proud of "iron men in wooden ships".

*** **

All of you gentlemen are Naval Officers with experience, I presume, at sea. I feel sure that some of that experience has been in wartime. Let me ask you how YOU would handle a very special situation.

Suppose you are a very junior officer aboard a cruiser, let us say. You are on screen duty with a Fast Carrier Task Force. You are cruising blacked out on a zig-zag course in the inky darkness. You can't sleep in the heat below, so you go up into the warm dark wind on deck. You are lounging up against a barbette while your eyes get used to the blackness of the night. You begin to make out the looming guns above you and the dark hulks of the carriers, destroyers and the other cruisers in the formation. Then you see what appears to be a tiny blinking light to seaward of the formation, --but ON YOUR OWN SHIP! For a moment you are stunned, but you are sure it is blinking a code. You rush over to where it seems to be coming from, --and find the Exec lounging there! You tell him about it, flustered, and he scoffs at the very idea. Within two hours, all hands are piped to GQ, and there is a vicious submarine attack and a cruiser is blown in two. You turn over and over in your mind what you saw, but it is all too mixed up and incredible. But you begin to watch the exec in a new way. Two nights later, you find him again on deck, and blinking a tiny light. This time you study it, and read it. It is the zig-zag plan for the watch. --And the GUNNERY OFFICER is with him! You are too appalled to think. But you are sure now. You must stop the treacherous officers before it is too late. So you go to the Captain. He is reading a detective story in his bunk, and scolds you severely for even suggesting such a wild and ridiculous idea, and disturbing him at such an inconsiderate time. A short time later there is another attack, and more ships go down. You get desperate, and go back to the Captain. He is furious, but calls in the Exec and the Gunnery Officer. They too are furious, and the whole thing is exploded as preposterous. But from then on, things are different. The Exec and the Gunnery officer see to it that your life is MISERABLE. You are discredited and given every menial or unpleasant task. The other officers, utterly unable to believe such treachery, make your life a very hell. No matter how hard you try to alert them or the Captain, the result is only more confirmation of your madness and vicious imagination.

I am sure it is unnecessary to continue the analogy, Gentlemen. Perhaps we are indeed wrong and mistaken in our beliefs as to the treason and treachery and subversion going on in our precious American ship of state, but if we are, then why is it utterly IMPOSSIBLE to get any hearing whatsoever for our charges of treason going on, and why are we damned and silenced eternally with nasty names, but with no investigation whatsoever of the FACTS we charge?

Let me ask you, -would you not HATE the brother officer you caught betraying your ship and shipmates to the enemy? Of course you would, -if you were not queer! Is there anything WRONG with hatred of treason, treachery, cowardice and bullying? Can a man claim to be a good and moral man and NOT hate treason and treachery? Does the color of the traitor's eyes or hair or skin have anything whatever to do with the matter? Does it mean you hate a man's RELIGION because you discover him committing treason? Certainly not.

Over and over again, in all my publications and speeches I have repeated, "We hate or oppose NO man solely because of his color or his race, which he can't control, and we do not oppose any religion or creed which does not first attack US!" Let me quote from several of the pamphlets we have issued. (Quote from front of "Who's a Hate Monger?", "We Challenge The Jews!", "White Man, etc etc"). Those passages

which we mean with every fiber of our being, should certainly dispel and disprove the charge that I or my associates have advocated hatred of ANY person solely because of his race or color, and that we have positively pressed for understanding and genuine help for the oppressed and innocent Negro people.

And we are positively NOT against any religion, insofar as it does not ATTACK us our the people or institutions we treasure. We are not concerned with any man's way of worshipping God, unless it involves making human sacrifices of us, for instance, or is otherwise inimicable to our welfare. I let me read again briefly from this little pamphlet, "Who's a Hate-Monger". . . .(first paragraphs on Creed). . .

At the risk of overdoing this argument, please allow me to make this business of "hate" crystal clear; we do not advocate and have not promoted hate of ANY INNOCENT INDIVIDUAL or GROUP, but have only exposed and opposed traitors or creeds which are working for the destruction of America, our people and our ideals.

If you will check over our official printed program, you will note that it is scrupulously careful, again and again to set up safeguards to see that NO HUMAN BEING is persecuted or injured regardless of his race, color or creed, providing he has not tried to hurt US or commit treason. As a final example, let me submit the application form to join our Party, and point out the words of the oath signed by every member; (read oath regarding expulsion from Party for persecution or harming of innocent people, regardless of race, color or religion, etc).

Now, if exposing treason, even when it is committed wholesale by a small minority race of people, is "hate", then every district attorney in the Country is a hate-monger for prosecuting the excessively large number of Sicilian Italians who are found to be gangsters. Fifteen Americans have been exposed and convicted of selling out our atomic secrets to the soviets, and of these fifteen, fourteen have been RACIAI I Y, --not religiously, --Jews. Seventeen out of twenty-one of the TOP U. S. Communists who were caught by the FBI, tried, convicted, imprisoned and then released by the U. S. Supreme Court, --were all Jews again. --Not religious Jews, notice, because they are Communists, and Communists are atheists, --but you have only to look at their faces to see that they are "Jewish-looking", however distasteful that idea may be to tolerant Americans, and most of them make no secret of their RACE. The editor of Pravda at this moment is a racial Jew, as are the heads of the Worker here, and the new U. S. Communist Party, Avro Mike Halberg, --alias "Gus Hall". This is neither the right time nor place, gentlemen, to present the pounds and pounds of unimpeachable documents we have to prove to any normally intelligent person that Communism has been Jewish from its codification by the Jew Karl Marx to Lenin, (real name Tsederbaum, see British Encyclopedia, 1920, Russian Revolution), Trotsky, (real name Bronstien, --see Trotsky's book "Stalin") Litvinoff (real name Finklestien), etc etc etc, --almost to infinity, --clear up to Kruschev, who was brought up in a Yiddish household, speaks Yiddish, and who boasted to Eleanor Roosevelt that even the wives of half the members of the Presidium of the Supreme Soviet were Jewish right NOW (Washington Evening Star), --but that is the FACT. Communism is simply Jewish, and there is no escaping that FACT. Any member of this board who believes that that statement is a fabrication is invited to inspect the files of documents we have to satisfy himself that we are NOT crazy or preaching "hate" because we recognize a vital fact in the defense of our Country and People.

It is getting more and more difficult for the filthy manipulators of public opinion to pretend that those of us who have discovered this GROUP treason by MOST of a small minority group are "hate-mongers". Remember, we do not say that ALL Communists are Jews, nor that all Jews are Communists, ---we simply state the bald fact that the leadership and driving force of Communism all over the world comes from racial Jews, and that far too high a proportion of racial Jews are the promoters of Communism, and that instead of deploring this fact and admitting it, ALL Jewish organizations, without exception, deny it hysterically and resort to the most fiendish means of pressure to drive to distraction any American who tries to expose the problem and deal with it decently and intelligently. But more and more Americans of unimpeachable records and honesty are beginning to see the problem every day, and to stand up to the barrage of smear and filth and oppression they meet for publicly exposing the situation. Admiral John Crommelin, General Stratemeyer, General Del Valle of the Marine Corps, and many many other military leaders are inevitably getting educated to the deadly problem and combatting it with all their strength, in spite of the smear bund.

And it is not only the top leaders, gentlemen, who are discovering what is really going on. I have already briefly showed you the copies of American Mercury with my articles appearing therein. In order to gather first hand material for these, the Marine Corps was

kind enough to give me every assistance at Farris Island to study the "brutality" situation at the beleaguered training base.

The forces bent on weakening and softening America for alien domination hate the Navy and Marine Corps especially for maintaining their aristocratic and authoritarian traditions, which are the foundation of high morale and discipline in a military organization, as any experienced commander knows. The outbreak of "brutality" charges, like the recent rash of "swastika" publicity, were precisely planned by the termites eating at our foundations, and the episodes leading to the charges of Marine "brutality" had one amazing, --and suppressed, --aspect, which woke up a lot of Marines to what is going on. Most of the spoiled brats who complained so bitterly of the beatings and "brutality" of the D. I.'s were from the New York area, and I will give you only one guess as to what they were. I talked to suffering D. I.'s in battalion after battalion, and got the same sorry story about the wise-guy little Yids from New York who infiltrated the training base apparently with the specific purpose of provoking the incidents so they could be exploited by their brother termites in the Nation's press and information media. The D. I.'s knew it, the officers knew it, and I knew it, --but I couldn't WRITE it, gentlemen, because of what is called in the Bible calls "The fear of the Jews".

Most of you here today could, I am sure, tell harrowing tales of what you probably believe is simply "SNAFU", --situation normal, all fouled up. But what you may not know, unfortunately, is that many of these "SNAFU" situations should be called by the more unpronounceable name of "SNPFU", --situation normal, PURPOSELY fouled up! There are civilians in top places over the military, gentlemen, who are PURPOSELY, I am sorry to say, doing all they can to create confusion, injustice, exhaustion and despair in our officers and men.

Again, gentlemen, I am aware that that seems too incredible to believe, so I have brought evidence and a witness of unimpeachable veracity to PROVE to you just one case, at the HIGHEST POSSIBLE LEVEL.

First, let me show you two photographs or photostats of a magazine, which I took myself at three o'clock yesterday afternoon in the Library of Congress. Here is the front cover of "New Masses" magazine, which I am sure you all know is the official Communist magazine. The date is December 8, 1942. Remember, this is not a "front" or a semi-Communist rag, --this is IT, the REAL THING! On the front cover, listed as the contributor of an article, is Anna M. Rosenberg, --and please note the middle initial, gentlemen. In this other photograph I have shown two inside pages of this filthy sheet of treason, and here is the drawing of Anna M. Rosenberg. Notice also that the Anna M. Rosenberg who wrote this Communist article is listed as the N. Y. State Regional Director of the War Manpower Commission.

Now this evidence is EASY to get, even for me, all alone in the Library of Congress. For the FBI it is less than a cinch.

Can there be any doubt in YOUR minds as to the identify of this Anna M. Rosenberg, or that she wrote a Communist Article for the official Communist magazine, "New Masses"?

Nevertheless, my brother officers and fellow Americans, this Hungarian Jewish woman, who was identified under oath twice as a Communist, and who wrote for a Communist magazine, WAS RECOMMENDED BY DWIGHT D. EISENHOWER AND GEORGE MARSHALL AND INSTALLED RIGHT HERE IN THE PENTAGON AS ASSISTANT SECRETARY OF DEFENSE FOR MANPOWER, where she was master of all the hiring and manpower in our fighting forces!!!!

Perhaps this all sounds entirely TOO much to believe, so I have done my best to provide evidence you CANNOT discredit. I have asked one of America's greatest patriots to come down here and tell you how this Jewish Communist woman from Budapest was passed by your U. S. Senate to be master of our manpower, in spite of this horrible evidence of her disloyalty to this Country. Mr. Benjamin Freedman of New York, who is of the same race as Mrs. Anna M. Rosenberg, --the race called "Jewish", --and thus cannot be accused of race or religious prejudice, is one of the men who has sacrificed almost everything good and pleasant in life, as I have, to try to save a Country and people to whom he is LOYAL.

Although the terms are somewhat confusing because of semantic meddling, Mr. Freedman is what the man in the street would call a "Jew", --and we are proud to say we will gladly protect Mr. Freedman and loyal Jews like him with our very lives. He has, like us, given up

reputation, money, social position, and almost everything else pleasant in life to expose and oppose TREASON in our land. He has been willing to come down here from New York at his own expense to try to explain to you, his fellow Americans, just ONE example of the kind of TREASON which is taking place in this blessed Country. I am mighty proud, gentlemen, to present to you Mr. Benjamin Freedman, of New York City, who will tell you of his experiences during the hearings by the Senate into the fitness of Anna M. Rosenberg to be Assistant Secretary of Defense.

Thank you, Mr. Freedman.

And that, gentlemen, concludes the first part of my defense, to show that we are not advocates of "hate", but only of TREASON, --and with the most pressing reason in the world, ---

And that, gentlemen, I hope, will serve to refute the first charge against me, that I have been promoting or advocating racial or religious hatred. I have tried to show you, and I fervently hope you believe me, that I have preached ONLY HATRED OF TREASON AND SUBVERSION, particularly by Communism, and that I have given you a practical demonstration that I am NOT wholesale against "all Jews" by showing you what is unfortunately a rare animal, a GENUINE I anti-Communist Jew.

I am next accused of using my position in the Naval Reserve improperly by mentioning it in our propaganda. I respectfully submit to the board that I have mentioned the subject in only two pieces of literature, and only in an incidental fashion. In spite of some urging by associates, and though I believed it would not be improper, I have never printed pictures of me in uniform or with combat aircraft, etc. Here are the two pieces of literature; (Read quotes). Now the propriety or impropriety of mentioning my service record and connections depends, it would seem, on the propriety, in turn of the literature on which the mentions appear. I am an honorable American who seeks a political career by being elected to office like any other American, in spite of the unorthodoxy of my views, and I believe I have the right to point with pride, as the saying goes, to my military record and honors the same as any other American seeking political office. Unless it can be shown that my literature is somehow immoral or wicked, --which it CANNOT on the basis of facts, not nasty names, --then I respectfully submit that the Navy has no more cause to dismiss me for mentioning my Naval record and position to further my political career than it has to dismiss the many other reserve officers who are senators or representatives and use this kind of material.

I further submit to this board that I have mentioned my service record and connection primarily because of the scurrilous and smearing attacks on my loyalty to this Country, which I submit is beyond reproach. It seems only fair that a man who is unceasingly attacked in the press and by loose talk as "disloyal" should be allowed to mention his willingness to fight for his Country, his record of having done so with honor, and his present position in his service.

The third charge, and the one easiest for me to understand, is that it might be difficult or impossible for me to command Jewish or Negro troops or officers in view of my ideas and activities, and that my mobilization potential might therefore be reduced beyond the point of any value to the Navy Department.

For two reasons, I do not believe that charge will "hold water".

First, on the RECORD, I have held and worked for the same ideas I now espouse a bit more dramatically, --for over ten years. While I was a salaried worker for the Campaign for The Forty Eight States in Memphis, Tennessee, I was C.O. of Fasron 661 over at Anacostia, in the reserve Navy. I had Jewish and Negro officers and men, and never once allowed my private beliefs or opinions to violate my duty to Naval Regulations or policies. In fact, I discovered that two black mechanics in my squadron refused to try for advancement in rating, and that the reason was their fear of persecution and harassment by officers and non-coms who used sneaky methods to oppose Naval regulations and policies and keep the Negroes "down" by invisible but very real pressure. I rose, as my officers can testify, at a meeting of Commanding Officers in the Ward-room, and adjured all hands to abide by the policy and rules and give the Negroes every chance they had coming to them, and to work to smooth the policy as much as possible. That is the TRUTH, and a check with my Jewish officer, for instance, I t. Roth, will, I am sure, bear me out.

The second reason I am sure my mobilization potential has not been totally destroyed is that there are so many "hard-shell" southern White Men NOW serving in inferior capacities under Negro officers and non-coms, and there is no movement afoot to divest the Negroes of their commissions or positions, or to dismiss or discharge them as worthless. It would seem reasonable that if a young man from the back-woods of Mississippi can successfully serve under the orders and command of Colored Men, then the Colored Men and/or Jews can also be asked, within reason, to serve under an all-out White Supremacist (in private opinion). In short, I respectfully submit that all my fitness reports will show that I commanded by the BOOK, and my last Commanding Officer in Iceland especially noted, if I remember, that I was a fanatic on the subject of obeying regulations and policy, and can be counted on to do so if mobilized, regardless of the color or race of my men.

*** **

I believe I have shown this board so far that:

1. I have not promoted unfounded "hate" against ANY innocent person or group.
2. I have not used my Naval rank with any impropriety.
3. My value to the Navy and my Country in time of emergency is not reduced by my devotion to the fight to preserve my Country and my people in a private political organization.

Finally, gentlemen, I want to bring out an aspect of this presentation which is especially difficult, because it is hard to mention it without seeming impudent, or even arrogant. And I surely do not want to give this board any impression of arrogance or conceit. None is felt or meant. But I do feel, with all my heart, that this is much more than a simple hearing concerning the fate of one officer and his commission which he treasures. I believe that if I try hard enough and do well enough in my plea to you as brother Naval officers and as fellow Americans, you might see with me that this is one of those rare historic opportunities when men of decision stand at a cross-roads. How many officers have wondered what THEY would have done at the court-martial of Billy Mitchell, for instance? Would they have rolled along with the crowd and the "right" opinion, or would they have had the vision and above all the COURAGE to stand against the colossal pressures of "right-thinking" people to vindicate the truth? History shows that usually they do not. From the days when all the "decent" "right-thinking" people nibbled grapes in the Colosseum and wondered at the "lunatics" and "fanatics" who were fed to the lions as "Christians" --followers of the most HATED man of his time and for years thereafter, --right up until today when a golf-playing Nero sits helplessly and unconcernedly in the White House while his people grow daily weaker and more confused before the subversion and treason of International Communism and Zionism, the human race has steadfastly persisted in lionizing its boobs and crucifying its saviors.

Here is where I tread the dangerous ground of apparent conceit, Gentlemen, but I assure you I speak humbly and only out of the DEEPEST concern for our Nation and our people. I have given up my family, my income, my earning capacity, my social status, my comfort, my safety and often my liberty, and I may be called upon to give up my life, --for something I believe in more strongly than the urge to preserve my own existence. It is only in THAT light that I say to you, my judges here, you stand at a great cross-road in American History, as did Washington at Valley Forge.

I BEG this Board to see ourselves as we are TODAY, and to ask themselves if John Paul Jones would have begged the Captain of the Serapis if he would please not shoot but sail along beside the Bon Homme Richard because Captain Jones was afraid his crew might be decimated by the British big guns, -or if Stefan Decatur would have invited the Barbary pirates to luncheon in his cabin and begged his crew not to stir up the brutes for fear they might be offended and want to fight !!!

Five of our top Generals and Admirals in the Korean War testified before Congress that they could have WON the Korean war, the first lost war in our history, but that they were ORDERED not to win by enigmatical forces in Washingtons beurocracy. General Clark, I believe it was, even testified that he got FORGED ORDERS demanding withdrawals, and that he was unable to get any investigation of this monstrous TREASON. In view of the evidence presented here against Anna M. Rosenberg, do you gentlemen have any doubt as to WHO ordered us to lose that war, --and all our courageous men, --or WHY?

At this VERY MOMENT, the Chief of Staff of the U. S. Army is a man named Lemnitzer, --and he is the man who testified before the Congress that it was HE who prevented the arming of South Korea as provided by Congress, and thus precipitated the tragic Korean War. Our honest military planners realized that defenseless South Korea would inevitably attract a Communist invasion, --as it DID, and appropriated millions of dollars to arm and train South Korea. Lemnitzer was the man put in charge, and he nonchalantly testified that he prevented delivery of ALL arms and ammunition, and delivered ONLY exactly \$27.00 worth of barbed wire!!

There are only a very few officers here, gentlemen. But so were there few at Thermop-
olae, or Horatio's Bridge, -or Valley Forge. But they realized their task and stood up to it
manfully, and successfully. I realize the pressure that has already been brought on the whole
Department to oust me for over a year. -Here is one clipping which flagrantly shows not only
who is bringing the pressure, but how they lie and misrepresent. The Anti-Defamation League
of B'nai B'rith headlines in THEIR paper, (while suppressing all word of our activities in
other papers) that we are "threatening American Jews with the gas-chamber", --when the
truth is, as we have pointed out over and over again, that we threaten ONLY traitors, Jews
or Non-Jews alike. They also admit that they have pressured the Navy Department to oust
me, and I am aware of the pressures that may be exerted on the members of this board
should they conclude that it would be utterly wrong and cowardly to oust me in the face of
this dishonest pressure.

But But that will be small sacrifice if we can at last show the manipulators and subverters,
the traitors and the liars that the blood of our fighting forefathers still flows in our veins,
and we will NO LONGER BOW BEFORE THREATS AND PRESSURE.

It is impossible for me to change twenty, thirty or forty years of opinion-forming based
on information WHOI I Y on one side, --in a matter of minutes here today. The most I can
hope to have done is demonstrate beyond question in only one or two of the thousands of
cases available, that you are being cheated, lied to, and wrecked as military forces by a
criminal gang of traitors such as Anna M. Rosenberg, -that the million and one vexations
which you lay up to Pentagon "red-tape" are often as not the result of PIANNED and SPREAD
confusion and disruption, as demonstrated at Parris Island, --that your blessed Nation and
its long-suffering, tolerant, easy-going people are in deadly danger from RIGHT HERE IN
THIS PENTAGON and HERE IN AMERICA, --far more than from overseas.

On my honor as an officer, by all that I hold dear and sacred, my brother officers,
I swear to you that there are TRAITORS crouched in the darkness at the life-lines of
America, signalling their treachery and treason to their cohorts abroad and leading you
in tolerance and "brotherhood" to your destruction! And I hate them, gentlemen! They boast
they will "bury" you, and they are DOING it, by stealth and by guile. They deserve our hate.

Our flag-ship of state is utterly surrounded by wolf-packs of submarines, and I and
my suffering, persecuted brother patriots have CAUGHT THEM RED-HANDED signalling
to the enemy. We have tried to alert our "ship-mates" -and are hounded and driven and
damned for our pains. The turn-coats have won the favor of the Captain, they control the
writing of the ship's log, they control the stores and the quartermaster at the wheel so that
we are running in circles.

I am all alone in my warning, and, as has happened a thousand times in history, nobody
wants to hear or believe my ugly news about men who appear to be loyal shipmates. Nobody
will investigate my FACTS, and there are almost none to stand before the howling mobs who
have been trained to shout "hate-monger" at anyone discovering these facts.

I humbly and most earnestly BEG you, gentlemen, to come on deck with me and SEE
for yourself the treacherous signaling going on in the dark. Before you dismiss a loyal officer
from an organization he has served for twenty years at the behest of a pressure group, look
for YOURSELF at the traitors blinking to the enemy fleets out there in the night. Stand with
me, if only for a moment, at the life-lines of America, and you will understand WHY, after
THREE bloody wars in which millions and millions of Christian White Men have been killing
each other, -we are in worse shape than EVER BEFORE.

I am not ashamed, Gentlemen, to IMPIORE you, -show the traitors and subverters that
there are still MEN in the United States Navy who will NOT bow before the promoted pressure
of hysterical public opinion nor before the direct pressure of a gang of professional manipulators
and secret terrorists. The question here is not one officer and his fate, but, can mature and
alerted American military men continue to be stampeded by an organized minority bent on
treason and subversion of our Nation and people?

They are up there at the life-lines NOW, flashing their treachery to the enemy, poised and
ready! Come top-side and, for the sake of your Country and your God, SEE what they are doing!

Then square your jaw as your forefathers did, steel your will, and tell these sneaks
that America has TURNE AT IAST! Tell them that there are STII I iron men in the
United States Navy who can not be bullied and frightened into dismissing a loyal and hard
pressed brother officer for standing up to traitors!

In the best traditions of the Naval Service, gentlemen, tell the bastards to go to hell!
