rocket aimed precisely at that future position in outer space.

Both as an enlisted man and as an officer who commanded three Navy squadrons in two wars, I learned something about airplanes, rockets and radar.

In Iceland I helped set up some of the fantastically sensitive radar equipment which can detect the tin foil on a package of cigarettes fifty miles away. I also knew something about the electronic computers which calculate, in millionths of a second, the future position of a rocket-missile hurtling toward us thru outer-space at thousands of miles an hour, and can then fire and guide automatically a homing

But you don't have to be a military expert to figure out for yourself that there is something very, very fishy in the story that we have been flying U-2 airplanes all over Russia UNDETECTED for four long years!

Sometimes it helps see things better in perspective when we reverse the roles of hero and villain.

Can you imagine a Soviet airplane, -not a missile or rocket-

plane, but an especially slow photo-plane, with old-fashioned, glider-like wings, flying in over the coast of Maine undetected, and then cruising majestically, at air-liner speed (500 mph), over Maine, New Hampshire, Vermont, New York, Pennsylvania, Ohio, Indiana, Illinois, Missouri, Kansas, Oklahoma, New-Mexico, Arizona and finally California, -and for six or seven long hours taking nice clear pictures of our most secret defense bases and atomic bomb installations?

Even if you think a Soviet Airplane, by a lucky fluke might get away with this once, -which is impossible, -do you think they could keep doing it all the time for FOUR YEARS?

If it IS possible, then how do you know the Soviets don't have airplanes all over the U. S. right NOW, loaded with H-bombs?

Do you know what would happen if the Russians tried to send a "U-2" or anything else across the USA, -especially over our top-secret bases which are prohibited and closely guarded air-spaces even to our OWN planes?

No matter what counter radar measures the Reds employed or what altitude they used, infra-red (heat) sensitive equipment would pick them up miles at sea and result in a national civil defense air alert. If they ever got to the coast, much less our secret bases, they would be instantly blasted to dust by swarms of automatically launched heat-seeking rocket missiles pointing skyward at this very moment.

Any schoolboy knows that we have the ability to detect and destroy approaching missiles hurtling at us from outer space at thousands of miles per hour. Do you believe for a moment that we would be unable to discover and destroy an old-fashioned slow AIRPLANE trying to sneak over the whole USA in the lower atmosphere, at any altitude measured in FEET?

And with the Soviets manoeuvring rockets and satellites weighing many tons far out in outer space, photographing the other side of the moon, and often beating us in electronic marvels, are we now supposed to believe that the poor stupid Soviets have been helplessly sitting on the ground while our super-sleuths in the CIA fly around over their heads for four years in old-fashioned airplanes with "glider-like wings"???????

If the Russians are indeed that helpless and lacking in the elementary weapons of radar and rockets, then we ought to send over a troop of Boy Scouts to run the poor, defenseless Russians out of the Kremlin!

This silly story that we have been slowly flying all over Russia for hours at a time taking pictures of their defense bases for four years without being even detected, -would have been laughed to scorn if our people had not been mentally softened and emasculated by long years of brainwashing in every medium of public information until they have lost the ability to THINK. So far, not even the trained-seal press has remarked the amazing "fact" that the CIA has been "getting away" with these sneaky flights for "four years", -and managed not to get "caught" until exactly the right moment to produce the great Communist victory we have just witnessed.

The Fiasco at the Summit was one of the direct results of America's refusal to heed the urgent warnings of the martyred Joe McCarthy, who tried his best to tell you that there is TREA-

SON in the TOP places in our government. He not only warned us that Communist secret agents were sabotaging our State Department policies, as they did in giving China to the Communists, but that they were honeycombed in the Defense Department, and even worse, in the CIA. He died trying to alert America to the truth; that we are being MANIPULATED FROM WITHIN, by the most subtle kind of brain-washing, threats of war, moral and mental subversion, luxury and greed into WEAKNESS, so that, in Lenin's words, we will fall into the Communist's hands like a "ripe fruit".

WE TELL YOU THAT IT WAS COMMUNIST MANIPULATORS IN THE VERY HIGHEST PLACES WHO SENT THAT U-2 INTO RUSSIA TO BE "CAPTURED" BY THEIR SOVIET COMRADES AT EXACTLY THE RIGHT TIME TO WRECK THE SUMMIT MEETING, AND SEND OUR PRESIDENT PACKING AT THE TOE OF KHRUSHCHEV'S BOOT!!!

That is why good-natured old smiling-Ike got caught short like the rest of our figure-head government. These filthy agents in our midst once again made fools of our leaders and us before the whole world. And all the time we are told that it is "witch-hunting" or "hate" to point out these traitors, or defend ourselves from them!

It is precisely because one of our leaders once got one of these Red Untouchables in our government, -Alger Hiss, -that the whole U-2 incident was staged.

THE REAL PURPOSE OF THE U-2 INCIDENT WAS TO STOP NIXON FROM BECOMING PRESIDENT OF THE U. S. A.

Alger Hiss was almost sacred to the Communists. He was the protege of Supreme Court Justice Felix Frankfurter, like John Abt, Lee Pressman and other Communist intellectuals and government officials. Hiss advised Roosevelt at Yalta, and was the first Presiding officer and guiding genius of the United Nations in San Francisco. It was Hiss who master-minded the naked give-away of China to the Communists by our State Department, and Hiss was the close friend of Acheson, Mrs. Roosevelt and the rest of the amateur agents of Soviet Russia.

While in Congress, Dick Nixon master-minded the exposure of this repulsive "American", and skillfully saw to it that he was prosecuted in spite of enormous pressure, and convicted in spite of assistance for Hiss from Frankfurter, Acheson, Mrs. Roosevelt, etc.

Until the U-2 incident, historical experience with vice-presidents and all the polls showed that Nixon was a cinch to be our next President. But, even though Nixon has taken out a life membership in the NAACP, had a typically Jewish manager (Murray Chotiner), and mouths all the appropriate pass-words to Jewish glory; "brotherhood", "equality", etc, -the manipulators and traitors don't trust him entirely. They know that if an honest and fearless President ever gets hold of the records of treason in the last three administrations, many a head currently sleeping on silken pillows and wearing hundred-dollar hats will roll.

But the filthy manipulators had to "get" Nixon for another reason. Even under golf-playing, bridge-playing gad-about Ika, the boys in the back room have not been able to suppress free-speech entirely. True, they have tried. Our pickets in Atlanta, peacefully carrying signs alerting the public to the fact that the Arabs are our friends and only buy weapons from Moscow to defend themselves from the aggressive Israeli Jews who have invaded the Arabs, -were arrested in THREE MINUTES and given ninety days on the rock pile for "disturbing the peace". When they appealed they were told, in the trial transcript that they would be "tied in with any bombing". A little later, a paid agent of the Jewish Anti-Defamation League, L. E. Rogers, together with two Negroes, bombed the Atlanta Synagogue. They tried to electrocute our men for it, and, when they were acquitted by the jury in five minutes, the case was DROPPED, and nothing is done about the real culprits who bombed their own synagogue to shut us up and get sympathy. Nevertheless, we have managed to grow stronger every week, and have alerted millions of Americans to this kind of filthy treason and criminal conspiracy.

Worst of all, hundreds of officials are learning by direct experience WHO the traitors and manipulators and pressure groups are, and what kind of "Americans" they are. They cannot yet join us or come out into the open, but they do what they can for us tacitly. The Jews are finding it harder and harder to shut up those who expose the simple truth by railroading them to jail under their promoted hue-and-cry in their press and in a wretched framed-up "legal" case. Too many Americans have had "equality" and "brotherhood" up to "here" as more and more of the "equals" move in next door, rape their wives and daughters, rob their property and mug them on the streets. Too many good Americans, who want no part of "hate" or prejudice are discovering the Jewish Communistic leadership of such vicious outfits as the NAACP and CORE (the organization staging the "sit-downs" and the "wade-ins" ) Too many Americans can already see for themselves that over 80% of the Communist spies have been Greenglasses, Rosenbergs, Golds, Weinbergs, Moskowitzes, etc, and the old howls about "persecution" and "prejudice" aren't going to save the guilty sinners much longer from the wrath of an outraged and tolerant people.

Even the weak Eisenhower has refused to bow completely to these villains, and permits us our rights of free-speech every Sunday right in the middle of the Nation's Capital. The crowds come to hoot and jeer, as they have been taught, but become silent and thoughtful as we pound the truths home, and they leave with the scales torn from their eyes at last. The Jews cannot survive this exposure, but they also cannot stop it without revealing the full measure of their terrorism. They need a much more "friendly" administration to save themselves from an awakened and outraged American public.

So they started on the project a long time ago. First they had to build up their man. As usual, they did it with consummate genius, by knocking down a man they didn't like: Hoffa.

James Hoffa may be a sort of glorified hoodlum, and has probably cheated millions of American workingmen, which cannot be tolerated. But he has also done a lot of good for his men, AND IS STRONGLY ANTI-COMMUNIST. Of this we are sure on the basis of personal acquaintance.

On the other hand, we have in our possession a photo-stat of a letter written by Walter Reuther from Moscow, where he

was a University student, stating baldly that he is "for a Soviet America"!!!!!! Mr. Reuther is, of course, head of the largest, richest and most powerful labor organization in the world, and his record is certainly no more perfumed than Mr. Hoffa's. But Mr. Reuther's brand of anti-Communism is confined mostly to ringing phrases, while Mr. Hoffa ruthlessly throws Communists AND "pinkos" out the back door.

So, just as the U-2 affair was carefully planned and staged to get rid of the opposition, the "Great Labor-racketeering Investigation" was staged to advance their boy. Crusading Mr. Kennedy has done a commendable job exposing and eliminating racketeering in the Anti-Communist Teamsters, --but how about the Pinko Mr. Reuther and HIS labor racketeering? Well, it seems that everything is sweet and pure with Mr. Reuther. He didn't get investigated or exposed, and, in fact, got PRAISED by Mr. Kennedy. Now, of course, we may expect Mr. Reuther, after proper modest protestations, to support Mr. Kennedy with some of his multi-million "war-chest" extracted from America's laboring force, -eagerly contributed, we are sure.

Once Kennedy was "on the way up", Nixon had to be torpedoed, and the boys went to work once more. With the masterminding coming from Communist headquarters in New York and Moscow, it was easy. At the right time, the U-2 went over all unbeknownst to the victims of the play, but well advertised to the Comrades waiting below. A neat "engine-failure", and the trick is done. Khrushchev has his nice live pilot to exhibit, complete with dramatic poison needle, timed perfectly to enable him to boot our President unceremoniously in the tail as he comes, hat-in-hand, begging for "Peace". The villains even have the gaul to announce they will treat with us in six or seven months, -when their boy will be safely in. Ike, his administration, and, most important of all, NIXON, --is out of business. Once again, these filthy, unspeakable traitors have swindled YOU as easily as if you were little blind children.

But you have not yet savored the full rottenness of this stew of treason and manipulation. Even Mr. Kennedy is being USED!

Mr. Kennedy is a Catholic, --and there is nothing wrong in that. We believe a Catholic can make as good a President as anybody, if he is loyal to America and the White Race.

But Mr. Kennedy represents a MINORITY, -and that is the key to the last piece in the ugly jig-saw puzzle they figure you will never put together.

Now it would be impossible today to elect a Jewish President. The reaction of most Americans to a President Finklestien or President Moskowitz is usually a laugh. But with Americans getting more and more aware and fidgetty under growing Jewish tyranny, even Mr. Kennedy would eventually rebel under the measures of suppression necessary to keep our great White Christian majority from rising against the intolerable provocations of the Negroes, led and pushed and agitated by Communist Jews. Just as they can't trust anybody but a Jew to be head of the NAACP or CORE, even though it exposes their hand a bit, they are getting to the point where they are going to HAVE to have a Jew President to survive. And the first step is to get in a MINORITY president and get the people so used to the idea that they can next succeed with a DIFFERENT "minority", -a Jew.

They are already grooming their boy right now, in Con-

necticut, and the Jewish press is already preparing the Jews for the big push to get their Rubicoff in after their Kennedy is in.

And when Rubicoff is inaugurated as your President, you will have followed France with its Blum and Mendes-France and all other nations which have sunk so low as to permit Jews to become their open masters. You will bury your American Constitutional Republic with its blessed system of political moderation, and you will sign the death warrant of the White Race.

In the next few months, informed Americans will watch with infinite sadness as millions of our White Christian fellows are swindled in the great musical comedy of elections, in which the Jews have you divided neatly into two silly "teams" with no genuine issues between them at all, but which beautifully cancel each other's votes out, and make the ten million Jews and their ten million Negro tools and victims the masters of America.

The Jews CANNOT lose. Both the Republicans and the Democrats are fighting with each other to see who will be the "champion of the Negro People", (and the hell with the White Man), both are passionately for Israel and everything Jewish, both are for throwing American money away as fast as possible, as Lenin confidently predicted, and both are "tolerant" of treason in the form of Communism.

Your officials and Senators and Representatives know all this, but they are HELPLESS as long as you keep yourselves divided into meaningless political "parties" which are nothing more than "teams" struggling for political prizes, --with the Jews and the Negroes the only ones who have the guts to fight for their RACE, --as YOU should be doing.

The filthy manipulators who set up Kennedy and the U-2 will have their way unless we can put some back-bone into enough Americans to stand up like WHITE MEN, as the Jews fight as Jews, and the Negroes fight as Negroes. That is why we use the name and the symbol of Nazi-ism, to SHOCK our people into action before it is too late. Although we have been operating openly in the Capital of the free world for over a year as NA ZIS, the regular press over America has blanketed us with almost total silence, as directed by the Jews. But you have only to read the hysterical articles in the JEW papers from California to Israel to know that we are the major concern of these manipulators. They can see us survive one after another of their filthy efforts to frame us or railroad us to the insane asylum, and they can see us winning thousands as we speak every Sunday. Month after month they tell each other we are finished and out of business, but we continue to grow, and we are not shooting up weakly, but growing STRONG. Our very extremism scares away all except the fighters, and we shall soon show these traitors and sneaks how we are "out of business". Come down to the Mall in D. C. between the Capitol and the Washington Monument (9th and Constitution) any Sunday at 2 PM, and see for yourself how we WIN the hearts and minds of America as we speak the TRUTH. They come to jeer and hoot, many of them, but they leave cheering.

If you can do nothing else, White Man, fight for Dick Nixon. He isn't the best, and joined the NAACP, but he HAD to, to survive. DON'T LET THE JEWS MANIPULATE YOU AND RUN YOU OFF IN A PANIC. Work, fight and vote for NIXON, and you will preserve your American Republic and the White Race. Because we'll do the rest, given only our Constitutional rights to speak and organize the WHITE MAN'S PARTY, the American NAZI Party, -928 N. Randolph St, Arlington, Virginia. JA 4-5831.
