No. 20

White Power Message

On 5 June special telephone apparatus was installed at Party Headquarters which automatically plays a *White Power Message* to anyone who calls—day or night. The message service has a separate number: (Area code 703) 527-9291.

The first two messages have been delivered by Dr. William L. Pierce, editor of *National Socialist World*. The messages will be changed frequently to give the National Socialist viewpoint of news and developments of current interest.

Handbills and announcements are now being handed out all over the Northern Virginia, Washington, and suburban Maryland areas informing residents and tourists of this extraordinary service. A small sample card is enclosed.

The *White Power Message* represents an important step forward for the National Socialist White People's Party. For the first time in the Party's existence we have a convenient, economical medium for regularly making our views known to the general public. Anyone can call the message service at any time from the privacy of his own home or office.

We eventually hope to expand the *White Power Message* service into other areas of the country.

Literature Distributions Continue in Nation's Capital

Area National Socialists have hit Washington with literally tens of thousands of the “Special Rights for Blacks?” leaflets. A favorable response has been reported from a notably high percentage of people who received the leaflet. Blue-collar workers, white-collar workers and even a large number of federal government employees have called the Headquarters expressing their support after receiving a leaflet.

Supervised Literature Distributions in Capital

Starting 23 June literature distributions in Washington will be organized and supervised each Sunday by an experienced Member of the Headquarters Staff for members and supporters who would like to participate. Everyone is urged to take advantage of this opportunity to gain experience in this important form of public activity.

Participants should call National Headquarters, (703) 524-2175, on or before 10:00 a.m. of the morning he would like to distribute.

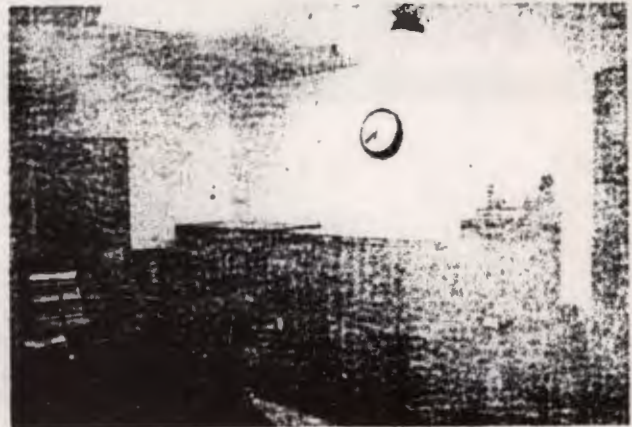

Anyone distributing literature must dress appropriately: Dark trousers, clean dress shirt with a “White Power” button over the left pocket. Necktie is optional.

Members and Supporters Visit National Headquarters

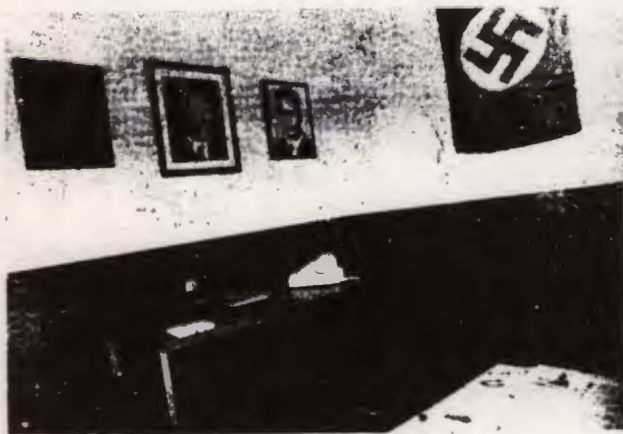

Since its opening on 30 May, the National Headquarters has welcomed a steady stream of members and supporters from all parts of the country. We hope that all members and supporters will be able to visit Arlington at the earliest possible opportunity, especially during the summer months.

The wall poster is an amazing blow-up of a rare, striking photographic portrait of Adolf Hitler. The prodigious size of this picture makes it an inspiration to anyone who views it. On Sunday, 14 July an outing is being planned for Headquarters Staff members, their families and all Party members or supporters who would like to attend. The outing will be in an appropriate Northern Virginia location. Food and refreshments will be served.

Anyone who would like to attend should notify Headquarters by July 10 and remit \$1 for each person to defray the costs of food and beverages.

We are sure that each person participating will have an enjoyable day.
