BULLETIN

OFFICIAL INTERNAL ORGAN OF THE
National Socialist White Peoples Party AND THE **National Socialist Youth Movement**

No. 22

15 July 1968 YF-79

"Hence it is the highest task of the organization to make sure that no inner disunities within the membership of the movement lead to a split and hence a weakening of the movement's work; further, that the spirit of determined attack does not die out, but is continuously renewed and reinforced."

(MEIN KAMPF, Vol. Two, Chap. XI)

"Guess Who Turned Out the Lights?"

Moviegoers who recently went to see Hollywood's latest race-mixing special *Guess Who's Coming to Dinner* at a leading Arlington theater were the victims of a "cruel racist prank." The movie had not played ten minutes before someone unscrewed and made off with *all* of the theater's electrical fuses and brought the anti-White movie to an abrupt halt.

The entire audience was kept waiting more than half an hour in an uneasy, dark silence while the theater manager and all the ushers rushed from one all-night drugstore to another looking for the correct replacement fuses.

A theater's fuse box is not usually too difficult to find, and *no* movie can be shown without fuses to run the electricity.

New Salary System for Headquarters Staff Members

For the first time in the Party's existence, full-time Headquarters Staff personnel are receiving a regular weekly salary. In spite of the fact that this salary is minimal, it represents another step in the direction of professionalizing the National Socialist White People's Party.

In the past, a person could last on the Headquarters Staff only as long as his savings would last, or as long as he could stand to live at a mere subsistence level of existence, which was all the Party could afford. Now the Party is in a position to hire qualified, competent National Socialists who will make a full-time career of working for the Party.

As the Official Supporters Program develops and additional funds are available, the Party will be able to expand its staff of capable individuals and thus improve and increase its publishing and organizing activities.

CHECKS FOR ALL ORDERS AND SUBSCRIPTIONS (INCLUDING THOSE OF NATIONAL SOCIALIST WORLD) SHOULD NOW BE MADE PAYABLE TO NS PUBLICATIONS.

MAKE CHECKS FOR CONTRIBUTIONS AND DUES PAYABLE TO THE NATIONAL SOCIALIST WHITE PEOPLE'S PARTY.

Drew Pearson Attacks White Power Message

Jew stooge Drew Pearson published the following blast at the Party's *White Power Message* service in his syndicated column "The Washington Merry-Go-Round" on 9 July:

The Washington Merry-Go-Round
By Drew Pearson

3 Senators Absent, Gun Control Bill Lost

the ally, tragically interested in gun control. Teddy wanted to be told a few minutes before the Judiciary Committee vote so he could get there at the last minute. But he never arrived.

The gun control bill, which it was hoped would discourage more assassinations such as those of President Kennedy, Sen. Robert Kennedy and Dr. Martin Luther King Jr. was symbolized in committee by a 7 to 3 vote. If the three Senators who favored the legislation had taken the trouble to be present, the vote would have been the other way around.

Another vote is due in the Judiciary Committee this week. It will be interesting to see whether the three Senators this time are present.

This column may have been too optimistic when we reported on July 4 that the old

Washington. The Nixon technique used against Voth was

Telephone Hate Tactics

The same technique, coupled with anti-Semitism, was used this time against Abe Fortas, President Johnson's choice for Chief Justice. A telephone message from the National Socialist White People's Party poured out a stream of anti-Semitic hate against Fortas. After a long tirade, the message concluded:

"There is too much in the Fortas record to list here. If you are a white American concerned about the growing anti-white trend in this country, contact the National Socialist White People's Party."

Nineteen Republican Senators, led by Robert Griffin of Michigan, are organizing a filibuster to block Fortas's confir-

Another article in the 5 July edition of the *New York Times* gave the Party's message service a million dollars worth of publicity:

NAZIS SCORE FORTAS AS 'DESPICABLE JEW'

Special to The New York Times
WASHINGTON, July 3—A bitterly anti-Semitic and anti-Negro recorded telephone message is being used here by the former American Nazi Party to oppose the nomination of Abe Fortas as Chief Justice.

The Nazi group, which now calls itself the National Socialist White People's Party, is using the recording on its regular telephone number. It is listed at the group's "national headquarters," a small frame house in nearby Arlington, Va.

The recording consists of a three-minute statement by Matthias Koehl, the "commander" of the military-style organization.

In the recorded statement Mr. Koehl refers to Justice Fortas as a "despicable Jew" whose past record "smells to high heaven." The statement impugns Mr. Fortas's loyalty and accuses him of voting as a Justice to bus millions of white school children to Negro "blackboard jungles."

A spokesman for the Chesapeake and Potomac Telephone Company of Virginia said that the company did not screen such messages and did not attempt to prohibit them, so long as the speaker gave his name and address and stated that the message was recorded.

This makes the speaker and not the company legally responsible for what is said in the message, the spokesman said.

If the speaker should slander anyone, he can be sued.

The Jew Fortas has taken no steps to sue the NSWPP

Apparently the new message service is just more than the Jews can stand! Ordinarily the Jews' tactics are to ignore the Party's existence and deny us the publicity needed to bring our activities to the attention of the public. The *White Power Message*, however, has enjoyed such success and has brought so many new people into the Party that the Jews have been buffaloed into blasting it.

It is obvious that a terrific fight is shaping up over our right to this telephone service. Steps are now being taken by Party leaders to prevent the Jews from stopping the *White Power Message* when they resort to high-handed tactics in the courts to try to have the messages banned.

Jews reveal their true feelings about "free speech" whenever something like the *White Power Message* comes along: free speech for Jews, Black savages, communists, and homosexuals, but *none for White men!*

You Can Sponsor a *White Power Message*

Members and supporters who would like to augment the success of the *White Power Message* service in Arlington can provide an additional message line for only \$30 per month. Each additional line will permit another 5,000 people to hear the message *each week*. In spite of the additional service installed recently, we are still able to reach only 30% of the callers because the lines are always filled up with callers.

The message service can also be set up in your own community. Several National Socialists in other major cities have already taken steps to have this service installed. For details on setting up the *White Power Message* in your locality, contact the National Headquarters.

Lapel Pins Available

Members and supporters may obtain a striking Swastika lapel pin to wear on their suits and uniforms. They are available for \$2 each from: NS Publications—Box 5505—Arlington, Virginia 22205.

Anti-Party Elements

Anti-Party elements, comprised of dissidents and rejects, are circulating a printed form letter attacking the Party leadership and are planning cheap harassment of the NSWPP. This clique has set up camp in what was the NSWPP print shop before consolidation in Arlington. Already they are advertising old issues of Party publications and other materials which were stolen from the Party by several rejects who were dismissed earlier this year after gross financial irregularities were uncovered. These items are being advertised under the name of "Lt. Al Gray."

The leader of this group is Commander Rockwell's arch enemy, Karl R. Allen, who caused major disruption in the Party in 1964. It is reported that he is planning the publication of a pirate edition of *White Power* to cause confusion among Party supporters.

Rumors that Allen's de facto deputy, Mrs. Mary Surrey, is taking over the leadership of the Stormtroops are utterly false and ridiculous. It is also untrue that National Headquarters is being moved to the Spotsylvania wilderness.

Members and supporters who have poured cold water on such lies are commended for their alertness and loyalty to the Party. Faithful National Socialists are urged to boycott these stolen items which are being advertised in a cheap, Jewish manner by this anti-Party group.

Progress of Distribution Campaign

Numerous successful literature distributions have been reported by National Socialist activists from all parts of the nation. The popularity of the new leaflet "Special Rights for Black Savages??" has passed all expectations. A flood of new people have contacted the Party since getting a leaflet.

Please let us know how the literature distributions in your area are progressing. Also write us if you can think of any new ways of passing out literature.

Those persons who have not yet purchased a supply of this new leaflet are urged to do so. We are anxious to cover as many communities in America as possible before the summer is over. Even if you do not pass your leaflets out right away, you should have them on hand to pass out as soon as Blacks start agitating in your area.

A new supply of this leaflet is now available at \$5 for 500 from: NS Publications—Box 5505—Arlington, Virginia 22205.

National Socialists Must be Activists

The political climate in the United States is becoming more explosive every day. As the old government crumbles, it is essential that National Socialists recognize the role which our Movement will play in the revolutionary developments of the next few years.

National Socialists will not cause the coming race war, but they *will* be the only militant force which will organize White self-defense, and lead a White Man's revolution.

The National Socialist revolutionary must be an irrepressible agitator and a perpetual activist. On all occasions, National Socialists must be ready to spread the truth and agitate against all Jewish, anti-White manifestations. National Socialism is the torch which will ignite the slumbering White masses!

National Socialist *must* take an activist point of view and never let any opportunity pass to spread the good word of National Socialism.

Heil Hitler!
