University Audience Hears National Leader

On 12 November National Leader Matt Koehl addressed an overflow crowd at the Stevens Point campus of Wisconsin State University on the subject "The National Socialist Liberation Struggle." Following the speech, the National Leader answered questions from the audience.

In his speech the National Leader described the workings of the Jewish System through its control of the propaganda media. He called special attention to its method of reducing the Aryan population through a subtle policy of genocide, consisting of deliberate birth-control programs for Whites and a large-scale plan for miscegenation. He further explained that the entire Jewish System must be overturned and replaced by a new order dedicated to the protection and advancement of Aryan man.

The address was carried live on radio station WUCS, Stevens Point, Wisconsin. Prior to the speech the National Leader was interviewed by Green Bay, Wausau and Stevens Point television stations.

National Leader Tours Midwest

From 8 to 14 November the National Leader met groups of NSWPP Members and supporters in Minneapolis, St. Paul, Milwaukee, Racine, Chicago and Detroit. The National Leader utilized the opportunity of meeting National Socialists in small groups to better familiarize them with the objectives of Phase Two.

Midwest Co-ordinator Appointed

On 9 November the National Leader appointed Party Member Frank Collin Midwestern Co-ordinator of the NSWPP. In this capacity Mr. Collin has been directed by the National Leader to: (1) Arrange for the installation of White Power Message service in as many localities as possible; (2) Promote activities on college and university campuses for the purpose of securing speaking engagements for National Headquarters officers; (3) Generally encourage and co-ordinate activities in unorganized and partially organized midwestern localities.

Party Members and supporters are directed to give their wholehearted assistance to Mr. Collin for any projects or activities for which they may be called upon.

Mr. Collin is currently a student at Southern Illinois University at Carbondale, where he arranged the National Leader's speech last spring.

San Francisco State Flooded with NS Leaflets

San Francisco State University is a model of unchecked Jewish influence. Strip-ins, "pot parties", LSD and general anarchy are as common at SF State as the homecoming football game. Thus, it wasn't too surprising when the school's Black militants, after weeks of violent agitation by Black Panther faculty member George Murray, were given a free hand to pillage the campus and even dynamite some of the buildings.

In spite of this terrorism by the Blacks, a small group of National Socialist students distributed thousands of NSWPP leaflets in broad daylight on the campus of this university last week. Even before they arrived with the "Had enough, Whitey?" leaflets (sample enclosed) the campus was in near chaos. Within hours, most students and faculty members had seen the flyer.

When they had run out of literature, the National Socialists paid a visit to the student strike center where they turned over tables displaying communist and Viet Cong literature and destroyed a good deal of the reds' material. In the confusion that followed, they escaped without arrest or injury.

Surprisingly enough, there are some students at San Francisco State who have not been corrupted by the school's evil Jewish atmosphere, judging from the number of favorable inquiries at National Headquarters after the distribution.

The lesson to be learned from the National Socialist activists is the extent to which revolutionary operations can be carried by acting quickly and decisively. By taking advantage of the confusion that already existed on the campus, these youths were able to inflame the situation to the point that the University had to be closed down before the day was over. Their self-assurance and arrogance in attacking the student strike center left the crowds of filthy student demonstrators puzzled and confused. This, again, makes it evident that a small group of resolute, disciplined National Socialists are more effective than a thousand listless, dope-eaten reds.

Student activists interested in promoting anti-communist action are encouraged to order bulk quantities of this leaflet for distribution. Any person living near a college or university, by working energetically, can distribute a thousand leaflets in just a few hours.

Order "Had enough, Whitey?" leaflets from NS Publications, Box 5505, Arlington, Virginia 22205 at 500 for \$5. Write for special discounts on quantities above 2,000.

Cards to Rudolf Hess

Do not forget our imprisoned comrade Rudolf Hess during this year's Yuletide Season.

For more than twenty-five years Rudolf Hess has withstood imprisonment and separation from his family because of his steadfast dedication to Adolf Hitler and the National Socialist creed. For one word of denunciation of the Fuehrer, Hess could undoubtedly bargain for his release. But to this day, every device of the Jews has failed to effect even the slightest waning in *Stellvertreter* Hess' faith.

Rudolf Hess is a living memorial to the spirit of Adolf Hitler and the undying Cause of National Socialism.

Honor our martyred comrade with a card and a word of encouragement. Send cards to Herr Rudolf Hess, c/o Frau Ilse Hess, Bergherberg, Gailenberg ü Hindelang (4), Allgäu/Oberbayern, West Germany. Cards may also be sent to Hess directly at the following address: Herr Rudolf Hess, 1 Berlin 20, Festung Spandau, Germany. His democratic captors will probably deny him possession of your card if an NS greeting is in evidence.

Locations Needed for White Power Message Units

Any Party Members and official supporters who can have *White Power Message* units installed in their homes are requested to advise National Headquarters. Even those persons who can not bear the full financial responsibility of a message unit should let us know if the sets can be placed in their homes. We will then arrange for other Party supporters in that area to contribute to the support of the unit.

Special Notice to Students

Enclosed with this issue of the *NS Bulletin* is a brief questionnaire for all students, which should be returned to National Headquarters before the middle of December.

Students are urged to visit National Headquarters during the Winter holiday, particularly those who have not yet seen the Party Headquarters or had an interview with a Party officer.

Personnel Wanted

There are presently full and part time openings on the National Headquarters Staff for dedicated National Socialists who are qualified in clerical and graphic arts skills. There are additional positions available for persons with general skills. Arrange for an interview with the Party's Executive Officer if you can fill one of these openings. Don't Let the Jews Rob You This Christmas

Jewish merchants have turned one of our oldest traditional celebrations into a disgusting orgy of spending and commercialism. Any person who realizes the true nature of this occasion can only be sickened by the sight of swarms of gullible, hard-working people packed into metropolitan department stores to bloat the Jews' pocketbooks.

Unfortunately, many NSWPP supporters fall into this trap. Each Christmas as the Jews' take goes up, Party income goes down. Otherwise loyal supporters tend to forget that the Party must function regardless of the holiday, and their contributions are depended on at Christmas just like any other time of the year.

Don't let the Jews bleed you dry this year! Remember instead the National Socialist fight, and put the NSWPP at the head of your gift list.

Heil Hitler!
