*"The deepest and ultimate reason for the decline of the old Reich lay in its failure to recognize the racial problem and its importance for the historical development of peoples. For events in the lives of peoples are not expressions of chance, but processes related to the self-preservation and propagation of the species and the race and subject to the laws of Nature, even if people are not conscious of the inner reason for their actions."*

## NATIONAL LEADER ADDRESSES MINNESOTA STUDENTS

On 10 February National Leader Matt Koehl addressed students at the University of Minnesota, a school of 40,000, on the subject, "National Socialism and a White America."

The National Leader's speech exposed the liberal-democratic System as an organized attack on the White race. He showed how economic-materialism and the supposition of racial equality have resulted in a sick society.

The National Leader asserted that the old politics was finished, that the fraud of liberalism and conservatism, of left and right had no more to say in the coming order of things. He showed that only National Socialism relates to the needs and interests of our race, and that only racial idealism offers a revolutionary alternative to the System which is based solely on economic materialist principles.

National Leader Koehl also appeared on several radio and television programs in the Minneapolis area.

## NATIONAL LEADER IN WISCONSIN

Following his appearance at the University of Minnesota, the National Leader visited Party Members and Supporters in Milwaukee and Racine, Wisconsin.

In Racine, plans were laid for the installation of a White Power Message unit. Preliminary arrangements have already been made with the telephone company, and the only thing holding up immediate installation is a lack of funds. Racine National Socialists have already raised a sizable amount, but they need the help of other Wisconsin National Socialists to raise enough money to make the initial installation.

If you live in Wisconsin, you are urged to do your part in getting the White Power Message started in your state. Contributions and pledges can be made c/o National Headquarters or directly to: Mr. John P. Reading, 615 7th, Racine, Wisconsin, 53403, phone: 634-0617.

## UNIVERSITY OF WISCONSIN CAMPUS HIT WITH PARTY LITERATURE

On 16 February the University of Wisconsin campus at Madison was deluged with thousands of "Had enough, Whitey?" leaflets following the recent Black riots which required the National Guard to restore order. Nine National Socialists, led by Mr. John Reading of Racine, "raided" the major buildings on campus. The strongly pro-White flavor of the Party literature was welcomed by most students, who were fed up with riotous demonstrations and insane demands of the tiny minority of Black students.

Within hours after the Party's distribution, the National Guard had to be returned to the campus to control the rampaging Blacks.

## WANTED: SUPPORT FOR FLORIDA WHITE POWER MESSAGE

Members and Supporters in Florida are urged to back the White Power Message in their state. A location for the first White Power Message service in Florida has been arranged in the Tampa area and a substantial portion of the funds have been raised by the Party's representative there. Please support this vital project with your pledges and contributions which can be sent to National Headquarters or directly to: Mr. Omar C. Miller, Box 1682, RR No. 3, Lutz, Florida, 33549, phone: 932-5216. As soon as the necessary funds have been raised, the installation will proceed immediately.

## DELAY IN ISSUANCE OF PARTY CARDS

A delay in the issuance of Party Cards for 1969 has been encountered. Party Membership cards have been re-designed this year, and as soon as they have been printed, they will be promptly mailed out to all Members in good standing. This should be about one week.

## WARNING—PROVOCATEUR

The following clipping reveals the danger of conspiring in illegal activities with the Jews' finks.

# 9 Bible Group Members Held In Bombings

MENLO PARK, Calif. (UPI) —Nine members of a right-wing Bible study group were arrested as suspects in 31 bombings and acts of terrorism on the San Francisco peninsula, Menlo Park police said yesterday.

The suspects, identified as members of "Society of Man," were rounded up in simultaneous raids by 40 officers from five communities.

They were charged with conspiring in sabotage or other acts of force as a means of accomplishing or effecting political change, conspiracy to tear-gas and bomb a class on Mao Tse-tung at a Palo Alto church, and violation of gun and bomb manufacturing ordinances.

Officers seized 75 pounds of black powder, bomb making paraphernalia, 30 guns and large amounts of "extreme right wing literature, some indicating a possible link with the American Nazi Party," said Police Chief

Victor Cizanckas of Menlo Park.

He said several Nazi flags, Nazi armbands, photos of Adolf Hitler and pictures of George Lincoln Rockwell, of Arlington, Va., slain American Nazi party chief, pasted on American flags were confiscated.

Targets of bombings on the peninsula since October have been liberal and left wing organizations and individuals, including Palo Alto City Councilman Kirke Comstock; the Mid-Peninsula Free University, Kennedy Action Corps and Kepler's bookstores.

Sizanckas said additional charges were pending against the suspects and that other arrests were expected.

The raids followed a three-week investigation in which Officer Armand Lareau, 25, gained the confidence of the suspects by posing as a right wing, unhappy policeman, the chief said.

Lareau attended several meetings at the home of Mr. and Mrs. James McGhee in Menlo Park until sufficient evidence

was developed for issuance of warrants, Cizanckas said. Other officers had members of the study group under surveillance for three weeks.

The chief said Lareau took bogus documents on left-wing groups—supposedly stolen from police files—and a spurious letter of reprimand to the suspects to gain their confidence.

"He also let them dry-fire guns at his head," Cizanckas said. "They would put blanks in the gun, put it to his head and fire to see his reaction. Then they would laugh."

Those arrested included McGhee, 34, a dental technician, Menlo Park; his 32-year-old wife; Walter Lamar Petty, 24, painter, Redwood City; Robert Lake, 24, clerk, Redwood City; J. D. Cooney, 50, chemical engineer, Menlo Park; Donald K. Smith, 22, clerk, Palo Alto; Don Mirto, 24, technician, Palo Alto; Douglas Maher, 18, service station attendant, and Steven Brent McClean.

Bail for the suspects was set at \$12,500 each and arraignment scheduled for tomorrow.

Remember that the Jews have plenty of *Goim* to do their dirty work for them. Don't fall into a Jew trap by committing or conspiring to commit acts of retaliation against our enemies with anyone who could possibly be a provocateur or informer for the Jews.

### COMMORATION OF 10th PARTY ANNIVERSARY

On March 8 the 10th anniversary of the founding of the Party will be celebrated. Those Members and Supporters who would like to participate in the recognition of this important date at National Headquarters are welcome to attend.

### DISTRIBUTIONS IN D.C.

Literature distributions have again been started each Saturday for Washington, D.C. Leaflets of a highly topical nature, like the sample enclosed, pointing to the evils and injustices of a society dominated by minority tyranny have met with extreme reaction from Washingtonians, both pro and con. During the most recent distribution, a crowd of Blacks threatened to attack the National Socialists, and a furious Jew was arrested.

Supervised distributions will be held each Saturday, weather permitting. Party Member James Kane, local organizer for the Washington metropolitan area, will be in charge of the distributing teams. If you live on the east seaboard, don't pass up this opportunity to gain valuable experience in distributing Party propaganda; plan to come to Arlington for a distribution any Saturday.
