

# N.S.R.P. JOINS MARCH - ON TRENTON

The MEN of The THUNDERBOLT will JOIN the CHRISTIAN MARCH on TRENTON

WEDNESDAY

## JULY 30 10:30 A.M.

For the Purpose of Saving the Life of SHELTON COLLEGE from the hands of the Jew-Controlled State Board of Education! Shelton is a private Christian College. Shelton has never received nor asked for State or Federal money! Thus the Jews have no control over the Christian teachings of the school. Now the State Board of Education has taken away the College's Accreditation unless Shelton accepts State money! SHELTON HAS REFUSED! State money brings Jew Control! The State Hearing resumes Wednesday, July 30, at 10:00 A.M.

POINT OF CLARIFICATION: The President of SHELTON COLLEGE is Dr. Carl McIntire. Dr. McIntire and his related organizations (I.C.C.C., N.J.-C.C.C., etc.) have called for and are leading this MARCH. The New Jersey NATIONAL STATES RIGHTS PARTY, Captive Nations groups, Church Delegations, State Delegations, and the various Patriotic organizations are all just participating in this massive Show of Strength. The N.J. N.S.R.P. shares NO organizational connections whatsoever with any of Dr. McIntire's organizations. Religiously, Dr. McIntire is a sound Christian preacher; Nationally, he is a Great American Patriot; but Politically, McIntire has never been 'Jew-Wise'. Dr. McIntire mistakenly, ignorantly, and from our point of view stupidly thinks that if he publicly says nothing about the Jews, that they will leave him alone! The Jews haven't done so! McIntire is afraid to attack the Jews for fear of losing his radio stations. Privately McIntire admits that our national trouble is the Jews, but unfortunately like most leaders of his generation, Dr. McIntire publicly "walks in fear of the Jews" as the New Testament explains.

REASON FOR PARTICIPATION: The New Jersey NATIONAL STATES RIGHTS PARTY units have chosen to participate in this CHRISTIAN MARCH on TRENTON for Our own advantage. This is a religious issue with political overtones and power — just right for N.S.R.P. involvement. We shall use the occasion to UNFURL OUR COLORS for the First Time in a public gathering in the State of New Jersey. We will in effect be serving notice to our enemies that whenever they attack ANY CHRISTIAN individual, denomination, institution or organization, that they will ultimately have to answer to the MEN of The THUNDERBOLT, The NATIONAL STATES RIGHTS PARTY. The N.S.R.P. is the largest Christian Political Party in America today, and is dedicated to Fight in the Streets if need be for the Honor of OUR LORD JESUS CHRIST, the Preservation of the WHITE RACE, and the Protection of OUR WOMANFOLK. 'Religious' and 'Educational' organizations are fine in their respective realms, but only their use in Political Action will bring the Power to cleanse Our Nation. In the N.S.R.P., Politics is Religion in Action! When we gain local, State, and National Power, Our Righteous Indignation will not allow us "to bear the Sword in Vain"! Our very presence and the sight of our THUNDERBOLT BANNERS shall strike Terror in the hearts of the Jews! We shall be there in Trenton, July 30th, as our First move within the State of New Jersey to SMASH JEW CONTROL!
