WHITEMEN UNITED for CHRIST, RACE and NATION

March 1, 1970

Dear Members & Friends,

AT LAST, on April 4th, in WASHINGTON, D.C., there will be a massive MARCH FOR "TOTAL VICTORY" in Viet Nam! 100,000 Christian Americans will combine in this American Crusade to offset the sickly moratoriums perpetrated by the Bolshheviks and jewish vermin. The Theme of this National Rally is taken from Psalm 20, verse 5, "...IN THE NAME OF OUR GOD WE WILL SET UP OUR BANNERS."

As you probably know by now the NSRP has recently become the largest Right Wing organization in America. Hundreds of Patriotic organizations have now begun to Unite under the THUNDERBOLT Banner. Our Day has arrived and the hunt for America's enemies is about to begin. The NSRP has the Strongest program and the Bravest men of any organization in America!

The call has gone out for all Thunderbolt Units from Virginia, Maryland, Delaware, Pennsylvania, New Jersey and Connecticut to be present and accounted for at this Great Rally. Each will come with their Colors streaming and will March in formation. The N.J.-NSRP has been spending most of its war chest in distributing over 10,000 pieces of Party literature throughout the State. We are therefore requesting and expecting each of you fellow New Jerserians to send at least \$1 to the above regional headquarters. This will enable the N.J.-NSRP to complete the payment for their new Party Standards to be carried in Washington, D.C. and henceforth. Our Banners bear the prayer -- GOD BLESS AMERICA -- emblazened with the Party emblem. They are truly magnificent indeed. It is the aim of all Thunderbolt Units to make the NSRP the Proudest for we are the Best of all the rest.

Let Our Boys in Viet Nam know that the Banners and Battle Flags of the NATIONAL STATES RIGHTS PARTY fly for their Glory and Honor! Send your dollar at once --- Join with us on April 4th --- and May VICTORY FOLLOW OUR BANNERS!

Respectfully yours for TOTAL VICTORY,
