

Statement
of the
NATIONAL STATES RIGHTS PARTY
Before the Joint Legislature
of the
State of New Jersey
Regarding 'sex-education' in
the public school system.

SEPTEMBER 15, 1969

Almighty God, deliver us from our enemies, and let the words of our mouth and the meditation of our hearts be acceptable unto thee and thy Son, Our Lord Jesus Christ.

Amen.

Workers and Farmers; Governor; distinguished men of the Senate; distinguished men of the Assembly; members of the Board of Education; fellow Citizens of New Jersey; and members and friends of the National States Rights Party — we thank you for this opportunity to express our position.

Gentlemen, we of the National States Rights Party absolutely oppose the so-called 'sex-education' courses suggested for the public school system of New Jersey. We view this whole thrust of 'sex' upon Our Nation as a satanic attack upon the morals of the White Christian Youth of America. Every pagan society throughout history has idolized sex, from the Ancient Babylonian worship of sex procreation to the Talmudic phallicism of the modern day Chazars.

America was founded by Christian men, two-thirds of whom were of the Calvinist persuasion.¹ Our Forefathers held a personal conviction of God's favoring and protecting sovereignty. A man who has this Faith feels he is compassed about with everlasting love, guided with everlasting strength; his will is the tempered steel that no fire can melt, no force can break. Such Faith is Freedom; and this Spiritual Freedom is the source and strength of all other Freedom. America was founded by the exercise of duty, by the practice of justice, by obstinate toil, by vindication of right, by resistance to oppression, by the conquest of liberty, and by the repression of evil.²

At the present time we are engaged in a warfare between two diametrically opposed forces. Spiritually, pagan Talmudism is waging war on Biblical Christianity. Politically, cabalistic Talmudism is attempting to replace Christian Constitutional Law. Socially, phallic Talmudism wishes to destroy Christian morality. Our Nation's Law and Order can only exist within the context of a single commonly accepted moral code. 'Every Kingdom divided against itself is brought to desolation, and every city or house divided against itself shall not stand' (Mt.12:25). America's moral code has been and must continue to be Christian! Only Righteousness exalteth a nation, for sin is a reproach to any people. (Prov.14:34).

The Babylonian Talmud incorporates all the paganism of the Ancient world. This paganism was incorporated into it during the Babylonian Captivity of the Ancient Hebrew people and later adopted by the Mongolian Chazars who now masquerade as self-styled 'jews'.³ The theosophists, astrologists, numerologists, soothsayers, Arcane Illuminists, homophiles, and all the other occult vermin of one kind or another trace their wickedness to Ancient Babylon by way of the Babylonian Talmud. Throughout the pages of the Talmud the self-styled 'jews' are considered to be the only gods;⁴ all other persons are considered goyim, which means animals;⁵ Our Lord Jesus Christ is called a bastard;⁶ Our Blessed Virgin Mary is called a prostitute;⁷ our young children are likened to beasts.⁸ A young Christian girl may be sexually violated after she is three years and one day old.⁹

On page 371 of the Soncino Edition, Sanhedrin, vol. 1, sec. 54b- 55a, we give just one example; Sodomy with children under thirteen years of age is permitted, for in the footnotes we find that:

(2) I.e., Rab makes nine years the minimum; but if one committed sodomy with a child of lesser age, no guilt is incurred. Samuel makes three the minimum. (3) At nine years a male attains sexual matureness. (4) Lev. XVIII, 22. Thus the point of comparison¹⁰ is the sexual matureness of woman, which is reached at the age of three.

The Babylonian Talmud is full of such pagan abominations! Is it merely coincidence then, that Dr. Mary Calderone (executive director of Sex Information and Education Council of the United States) is quoted, according to the SATURDAY EVENING POST, as saying, "sex education should start in the nursery. Around the age of three the child should assimilate such knowledge...?" Or is it still stranger that Dr. Lester Kirkendall (another S.I.E.C.U.S. Board of Directors member) should say, according to the ANAHEIM BULLETIN of December 19, 1968, that SEXOLOGY (a notoriously pornographic magazine edited by S.I.E.C.U.S. treasurer Isadore Rubin and dealing in the worst sort of sexual perversion) would soon be revised with a different cover and titles so that it can be used in the schools from the kindergarten up?

Pagan Talmudism began to replace Christian Constitutional Law with the appointment of Zionist Louis D. Brandeis to the Supreme Court. But not until the appointment of Earl Warren did the result have its effect. THE NEW YORK TIMES, Saturday, September 14, 1957, told of former Chief Justice Warren studying Talmudic law at the Jewish Theological Seminary in New York. Is it a coincidence then that the Warren Court violated the will of the American people and removed Christian prayer and Bible reading from our schools? And could his Talmudic knowledge, combined with that of Abe Fortas and company, be the reason why so many Local, State and Federal convictions regarding hard core pornography were reversed in 1967 and the smut peddlers turned free?

On the newsstands, at the theatricals, in the movies, from the radio, and across the television screen we see nothing but sexual promiscuity perpetrated upon us. Edward Miskin grossed over \$1,500,000 a year from smut according to the Kefauver Committee. Abraham Rubin was called 'the kingpin of the pornographic industry in this country' by New York District Attorney Frank S. Hogan. Ralph Ginzberg flooded American homes with filth like FACT, EROS, LIAISON, and something called HOUSEWIFE'S HANDBOOK ON SELECTIVE PROMISCUITY.

Great American Literary heroes like Emerson, Longfellow, Hawthorne, Cooper, Mark Twain, etc., are now being replaced in our public schools by such ersatz writers as Murray Schisgal, Norman Mailer, Roth, Saul Bellow, ad nauseam; and these latter all write inevitably and obsessively about sex in the context of Yiddish family life. In lieu of real talent, these neurotics expose their genital parts and bubonic states of mind in print for the so-called 'edification of humanity'. And where does all this 'sexuality' and 'phallicism' have its roots? — IN THE BABYLONIAN TALMUD!

Judaizers inside the Christian Church for years have been trying to swindle the Christian people from their Faith in the Living Triune God. The International Bankers in 1913 swindled the American worker and farmer out of his personal income

by establishing White Slavery under the Federal Reserve Act. The Federal Reserve Swindle has all but stripped America of her National Pride. In education, at first we let Charles Darwin teach our youth that man evolved from the apes; then we allowed Zionist Sigmund Freud to teach them that man had no soul, just animal instincts; and now S.I.E.C.U.S. combines the worst of the former to teach dehumanization to the level of a common dog! We of the National States Rights Party will not permit the American Home to be swindled of her children by any of these so-called 'sex-education' programs. Our Cause is Just, and in God We Trust — we shall NEVER SURRENDER!

We charge you magistrates to use your prescribed power as set forth in Romans, Chapter 13, and be 'not a terror to good works, but to evil' (verse 3). Let America have ONE moral code and let that code be **CHRISTIAN!** It is your duty to protect the Sanctity of the American Home so that the Father may assert his Manhood, the Mother her Purity, and the Children their Obedience. The Noble Honor of the Father is Industry, Patriotism, and Love. The Virtue of the American Woman is Purity. In the hand of the American Mother is the Power to mould the lives and characters of the individuals given to her care. As Napoleon Bonapart once said, 'The hand that rocks the cradle rules the world!' The Integrity of the Children is their Obedience, for they are 'an heritage of the Lord' (Psl27:3); a SYMBOL of the love between the husband and his wife. In short, children are a gift from Almighty God.

But whoso shall offend one of these little ones which believe in me, it were better for him that a millstone were hanged around his neck, and that he were drowned in the depth of the sea...woe to that man by whom the offence cometh! (Mt.18:6,7).¹¹

Almighty God ordained that man is not complete without a woman; and without man, a woman cannot fulfill the great purpose for which God created woman. The woman was not made to be a servant to the man; neither was she made to be advertised, photographed, looked at, or promiscuously played with. She was made to live with one man in a relationship ordained by her Creator in order to complete the man the Lord God had made. She was made to be Virtuous, Holy, and Pure in all things so her children would arise up and call her Blessed.¹²

Therefore on behalf of the Christian People of this Sovereign State, we charge you to protect Our Children from this pagan sexuality. We cannot afford longer to play with violence. Crush 'sex-education' in the schools! Smash the smut peddler wherever he appears! Allow our young to enjoy their youth so that they may become the True SONS of AMERICA. Return to the sanity of the Founders of this Republic. Allow the teaching of sex to remain in the Homes and Churches where it belongs so our young will know the proper HOLY meaning of LOVE between the husband and his wife. To do less means the loss of manhood!

If you Men of State do not heed the will of the People who grant you your power; if you do not protect the Integrity of Our Children, then your Blood will be upon your hands and upon your children for you will ultimately have to answer to us, the MEN of the THUNDERBOLT, The NATIONAL STATES RIGHTS PARTY. SO HELP US GOD.
