CUYAHOGA FALLS — The third generation of Adolf Hitler's master race movement has come to Ohio.

Here base is at 2630 Front st. here, where the anti-Jew, anti-Negro National Socialist White People's Party has opened a bookstore and recruiting station.

The party is the offspring of the late George Lincoln Rockwell's American Nazi Party, which itself evolved from Hitler's Third Reich.

The White People's Party office in Cuyahoga Falls will concentrate on activities in Cleveland, Akron "and anywhere else we think we are needed," Lawrence says.

Lawrence is most bashful about expounding the racist attitudes of his party's white poster beliefs.

also such volumes as Hitler's "Mein Kampf," Rockwell's "White Power," the party's "White Power" newspaper and "Stormtrooper" magazine, and books that depict the inferiority of Jews and blacks. An American flag graces the window.

We believe in racial identity through racial separation," Lawrence says. "We don't believe Jew and Negroes should be eliminated, but we think they should be separated from the white people."

LAWRENCE says the Jews are responsible for Negro uprisings through control of the media, the age of Africa, and the "Jew-controlled

Hebrew journal and the Jew-controlled and Jew-owned Cleveland Plain Dealer."

Lawrence, who wears a Nazi Swastika armband and pin during bookstore hours, says he has been active in the white-power movement since 1961, two years after the founding of the American Nazi Party.

"I suddenly came to the realization that the white man was getting kicked under the boot of the Jew and Negro," he explains.

Lawrence was graduated from Revere at Richland High School and served a hitch in the Navy.

He has since last June in forming local support for the White People's Party at the Church of Jesus Christ Christian, 333 E. Waterloo rd. The church has been the scene of much racial right activity in the area over the last several years.

THE White People's Party, based in Arlington Va. has plans to open more bookstores and recruiting stations in Ohio — says an official there.

William Pierce, the party's information officer, said Cuyahoga Falls was chosen for the first outlet because of the city's "predominantly lower middle class white" character.

acute awareness of the racial problem," Pierce said.

He said the recruiting station will be used to make an effort to influence people to join the party. People who come into the bookstore usually have some interest in the party to begin with.

PIERCE said the number and names of party members are "kept to ourselves."

Lawrence has signed a two-year lease for use of the Front st. office. The building's owner, General and awareness of Lawrence's intent who credits was made in 1968. The bookstore is open only two hours three days a week and an hour and a half on

Sunday nights. Other times, Lawrence is a second-shift worker at General Metals Manufacturing Co., 120 E. Main st. He has been employed at the last 10 years.

Cuyahoga Falls police are monitoring the bookstore. Under the law they are entitled to the same right to privacy and protection as any other. Capt. Gene Farley said, "But we are glad they are out in the open, for it makes it easier to keep an eye on them. They are a potentially dangerous group."

The NS Bookstore will serve as a focal point for Party activities in the Akron-Cleveland area. More important, the White Power Message for the Akron-Cuyahoga Falls area will be installed in the bookstore as soon as enough funds have been saved from selling books to purchase the WPM unit.

National Socialists in the Akron area should visit the NS Bookstore right away. It is located at 2030 Front St., Cuyahoga Falls, Ohio. (Cuyahoga Falls is a separate municipality adjacent to Akron.) The phone number is (216) 929-4518.

Recent Developments of the Fall Building Campaign

The returns from the Fall Building Campaign indicate that this drive will turn out to be an encouraging success. Only a small percentage of Members and Supporters are remiss in getting their pledge cards in. Anyone who was a Member or Supporter of the Party prior to October 1, 1969 is requested to take part in this campaign and to return his numbered card without further delay. Supporters who joined *after October 1*, are invited to take part in this great stride forward, but it is not mandatory.

Many who have returned their pledge cards have indicated as their preference in this campaign the signing of new supporters. They are requested to have the new supporters applications in no later than December 31 to assure the total success of the campaign. Remember, *get your new supporters signed up no later than December 31!*

Campaigns of this type are certainly not as exciting or emotionally satisfying as campaigns involving public demonstrations or conflicts with our enemies. But remember that they are every bit as essential to the growth of the Movement, especially at this crucial time in the Party's development. Campaigns involving internal expansion are, in fact, prerequisite for the more dramatic campaigns to be waged in the future. Therefore, every National Socialist, regardless of his age, sex or station in life is called upon to give his utmost to this drive for doubling the size of the Party.
