RACIAL POLICY

1. We believe in the creation of a wholesome White Folk Community, with a deep spiritual consciousness of a common past and a determination to share a common future.
2. We favor complete separation of all non-Whites and dissatisfied racial minorities from our White Folk Community.
3. We demand that intermarriage between Whites and non-Whites be outlawed, in all states not already having such restrictions.
4. We demand that total segregation be maintained in the nation's schools, and that only members of the White Folk Community be allowed to engage in the educational and cultural activities of our White society.
5. We believe that segregation should be restored in the nation's armed forces, to rebuild morale and fighting efficiency.
6. We believe it better that only members of our White Folk Community be allowed to take part in the affairs of government or serve in the courts.
7. We demand a policy of non-interference in the cultural affairs of other races.
8. We favor creation of a National Repatriation Commission, to encourage the voluntary resettlement of Negroes in their African homeland, with fullest financial and economic assistance toward that end.
9. We approve the removal of all alien minorities, dissatisfied with our American way of life and the republic for which we stand.

- 10 We favor the preservation of Indian national life in America, and the unlimited development of reservation facilities.
- 11 We believe that immigration should be restricted to select White individuals.
- 12 We demand the impeachment or removal from office otherwise of any public official who advocates race-mixing or mongrelization.

ECONOMIC POLICY

1. We believe that the workers, farmers, businessmen and professional people of our nation should work together as a team, placing the greater good of our White Folk Community above any individual or group interest.
2. We approve of labor unions, run by honest White men and free of subversive influence.
3. We believe that the farmer should get a fair price for his product in a free market.
4. We believe that the government should refrain from competing with private enterprise, and from interfering in the hiring policies of private business.
5. We demand that Congress alone exercise its constitutional right to issue debt- and interest-free currency, based on the production of goods and rendition of services in America.
6. We favor protection of the White American producer by limiting foreign trade to the direct exchange of surplus products.
7. We believe that the purchasing power of the consumer should be raised proportionately, as science increases the power to produce.
8. We demand that the confiscatory taxation policies of the federal government be ended immediately.

SOCIAL POLICY

1. We favor combined civic effort in every individual state to eliminate slum, flood and dust-bowl conditions.
2. We favor creation of proper outlets for the White youth of our nation, to encourage the development of mind and muscle, and provide for instruction in the highest racial ideals.
3. We demand the complete reorganization of our educational system, so that every individual White citizen is afforded full opportunity to realize his vocational ambitions.
4. We demand the elimination of all ideology and influences from the movies, television, radio, newspapers and all other phases of our national life, which tend to cause the degeneration and disintegration of our White Folk Community.
5. We demand the creation of a clean and honest White government, which will provide the basis for a sound economy, with full employment and improved living conditions for White citizens of every age.

STATES' RIGHTS POLICY

1. We demand that the federal government cease interfering with the sovereign rights of the states, as guaranteed by the Constitution.
2. We demand that the federal government stop issuing judicial decrees which violate state sovereignty.
3. We demand that the federal government stop fostering thought-control, and refrain from violating the traditional social customs of the individual states.

4. We demand the removal of all federal control over the national guard units and law enforcement agencies of the states.
5. We demand that all states exercise their authority to stop the secret-police tactics employed against them by the federal government.
6. We demand that the states uphold their right to investigate, prosecute, and obtain conviction of subversives within their borders.

FOREIGN POLICY

1. We approve the strengthening of cultural and moral ties among all White nations, in view of the world-wide survival crisis which the White Man faces.
 2. We demand that White Christian boys never again be sent to fight and die on foreign soil to appease the interests of an alien minority.
 3. We demand that all financial and moral support to the State of Israel cease, as a basis for the rebuilding of Arab-American friendship.
 4. We demand an end to the policy of foreign give-aways.
 5. We oppose any international entanglement whereby this republic would tend to lose its sovereignty and freedom.
