"The destruction of personality and race removes the prime obstacle to domination by the inferior man — the Jew."

MEIN KAMPF, I:2

Commander Interviewed by WOUB

On 23 November Commander Koehl was interviewed by Bob Pondillo on WOUB, the radio outlet of Ohio State University, Athens, Ohio.

In discussing the subject "alternatives to racial violence," the Commander pointed out that the only effective solution to Black violence and the ever-skyrocketing Black crime rate would be the repatriation of Negroes to their native homeland in Africa. "Furthermore," he said, "the White working man cannot continue to support such multibillion-dollar extortion programs as Black welfare, Black capitalism, urban renewal, etc."

The interview, recorded on tape, will be heard sometime early next year.

Stormtroopers Expose Soviet 'Anti-Semitism' Fraud

On 12 December, two teams of Stormtroopers from the Washington-Baltimore area led by TL Richard Biederman held a counter-demonstration in Lafayette Park as a few hundred motly Hebrews awaited a "Freedom for Soviet Jewry" bus that had come across the country from Seattle. The purpose of the Jewish rally was to protest alleged Soviet anti-Semitism.

As the Jews' bus pulled up across from the White House, it received a sorry welcome. Many of the Jews ignored it, preferring to heckle our men instead who were carrying signs reading "Gas Jew Communists!" "No More Jewish Wars" and "40 Million Christians Killed by Red Jews".

As the demonstration continued, a number of JDL hebes tried to push a group of younger Jews into our men to provoke a fight. They were quickly subdued by police who made sure that no Jewish skulls would be broken. There were no incidents despite the Jewish threats and the Troopers left the scene after about an hour.

The Jews apparently knew better than to pick a fight with our men as they had seen what happened at the launching of the Jew bus in Seattle some months ago and did not wish to repeat it.

Student Suspended for Distributing 'Hate'

It's sickening enough when System leaders refuse to do anything about forced busing and other crimes against our race. But when these same creeps harass young idealists who try to do something about it, it is even more disgusting.

One young comrade who has honorably earned the hatred of this rotten "respectable" Establishment is Scott Mosby, a student at Whitefish Bay High in Milwaukee. Mr. Mosby reports:

"As I stated in my last report, my principal threatened to suspend me if I continued distributing literature. Doubting his authority to take action, I contacted the ACLU who told me that if I were suspended, it would be a violation of my civil liberties. So I continued . . . and was suspended.

"Several days later, the ACLU said they wouldn't back me in court! I later found out, after returning to school, that one of the parents demanding my expulsion was a lawyer with the ACLU!

"I'm now pressuring the principal to clearly define 'hate.' In the meantime, I fully intend to exercise all my rights under the first amendment to the Constitution."

Here are some suggestions for high school activists:

1. For open distributions, secure permission from an instructor. Usually a non-Jewish liberal who claims to be for free speech is your best bet. Otherwise, leaflets can "get lost" in lockers and school library books.

2. Always insist on the same rights leftist students get. Be courteous, but firm.
3. If you have any further questions, contact National Headquarters.

Party on the March in Connecticut

Six months ago Mr. Fred Sherwood and a number of other comrades opened an NS Bookstore in Bridgeport Conn., the first in New England. Since then, the Movement in that area has become a force to be reckoned with. Below is an example of the public attention these comrades have been getting.

Danbury racial tension fueled by Nazi mailings

Editor's Note: This is the first of two stories examining the connection between recent racial troubles in Danbury and budding state and local units of the American Nazi Party (National Socialist White People's Party).

DANBURY — Racial tensions here that sparked violence at Danbury High School a week ago were fueled through a mail campaign conducted by a fledgling group of American Nazi Party supporters, it has been learned.

The group, unofficially headed by 21-year-old Bill Bingel of Danbury, who says he's a member of the Nazi Party, two weeks ago sent virulent anti-black anti-Jewish leaflets through the mail to a yet undetermined number of area residents.

One such leaflet, titled "Boating — Not Busing," asks readers to abandon the two-party political system in the U.S., and join in the Nazi effort to return blacks to Africa, or at least to a black enclave to be established in this country.

The leaflet is peppered with implied threats of violence such as: "... should we do some killing? Should we cut off, root and branch, the satanic Jews and all their lackies who are stirring up the niggers against us?" and

"There might be school buses going up in smoke all over the country. There might be shotgun blasts into the guts of 'mixmaster' (integrationist) principals and superintendents. There might even be hand grenades lobbed into the smelly chambers of the Supreme Court as the nine old swine go through their obscene legal hocus-pocus."

Some white citizens who received the leaflets — like Mrs. Lianne Migiano of Danbury — were shocked and disheartened by them and turned them over to police and postal authorities here. Several of the leaflets were duplicated by shocked recipients and have been circulating in Danbury's black community.

The Rev. W. D. Cleveland, the black candidate for mayor in last Tuesday's elections, called the leaflets "a substantial contributing factor to the racial tension in our community."

The leaflets were picked up by Bingel at the NS (National Socialist) Bookstore in Bridgeport. The store is claimed by Nazi Party headquarters in Arlington, Va., as "our official outlet in Connecticut," according to a duty officer at the headquarters.

Antibusing campaigner

Connecticut Nazi leader Fred Sherwood, a 21-year-old electrical technician, holds literature of the type mailed to Danbury area residents. It is on the American Nazi Party's current antibusing campaign.

National Socialist comrades in the Connecticut, New York and New Jersey areas are urged to contact the NS Bookstore in Bridgeport at 77 Plaza Avenue.

Reds Show Concern as Party Grows

As the Party continues its march on the road to inevitable victory, the Reds show increasing signs of concern and worry. The article below from the University of Washington "Daily" describes their growing anxiety.

Fascism in the '70s To Be Panel Topic

Out of concern over the recent cross burnings and the appearance of uniformed Nazis in the U.S., Youth Against War and Fascism is presenting a panel discussion concerning the dangers of fascism in the decade of the '70s.

The meeting will be held today, 7 p.m. at the Peter Claver Interracial Center, 1608 E. Jefferson, Seattle.

Judy Warner, representative from Youth Against War and Fascism, said that the purpose of the panel is to form an Anti-Fascist United Front.

"The how to do it will hopefully come out of today's meeting," she said.

The panel discussion will include speakers such as Julius Pinchback (United Construction Workers), Aaron Dixon (Black Panther Party) and representatives from Radical Women, Tlingit American Indians, Revolutionary Union, Hospital Workers Organizing Committee, Freedom Socialist Party, Northend Welfare Rights, U.W. History Graduates, Peace, Bread and Land Movement Band and the Socialist Workers Party.

For further information, call Warner, LA 4-4047.

TUESDAY, NOVEMBER 30, 1971

What these creeps will never understand is that there is nothing they can do to stop a National Socialist victory or to halt our inevitable dealing with their filthy treason. Their lack of will and strong principles will throw them into the ashcan of history!

A Note on the ST

With the ever-increasing number of Party victories under Commander Koehl's leadership, more and more two-fisted young idealists have been asking about the requirements for joining the fighting Stormtroops of the National Socialist White People's Party. Below are a few guidelines.

1. Any Aryan male at least 18 years of age who is dedicated to the aims and goals of the Party may become a Probationary Trooper (PT).
2. The PT must undergo a probationary period of not less than three months, during which he must be fully active and participate in all local NS activities. A PT has active status if he is able to participate regularly in Party activities sponsored by an organized unit of the Party in his area. Any PT who is not able to participate regularly in Party activities or who lives far from an organized unit holds reserve status and is expected to participate whenever possible.
3. The PT must have a complete and proper ST uniform. Details on the uniform are available from National Headquarters on request.
4. Upon completion of the probationary period (provided the PT has successfully fulfilled all the requirements), the active status PT may be sworn into the ranks of the Stormtroops (ST). Further promotions in the ST depend chiefly on the following:
 - a) Loyalty
 - b) Time in grade
 - c) Ability

All who qualify and think they can measure up to the standards required of an ST man should contact Capt. Kirstein for an ST application form and further details. Send all inquiries to National Headquarters.

Who's Going to Win That Free Trip to Europe?

Very few have taken advantage of the contest extension (you now have till January 15 to get your entry in) to get their subscriptions in and win a chance for the two free round-trip tickets to Europe. Remember, with each new subscription to *White Power* you send in, you play an important role in building up circulation and in increasing its effectiveness as a vehicle for the Movement. At the same time, you stand a good chance of winning an opportunity of a lifetime to personally see the sacred NS shrines in Germany and Austria. Just think! The winner will be able to:

1. Walk through Braunau am Inn, the town in which the Fuehrer was born!
2. Retrace the steps of the 16 Munich martyrs who marched on 9 November 1923.
3. Witness the site of the Fuehrer's mountain retreat at Berchtesgaden.
4. Visit the Nuremberg rally grounds and see the incompleted Congress Hall.
5. Tour Berlin, where early National Socialists fought the Alamo of the White race.

Remember, you can get your subscriptions in several ways:

1. Sell them door-to-door or by street solicitation.
2. Send us three names of friends, relatives or classmates, or simply choose names at random from the phone book.
3. Include your own subscription if it has run out or if you don't yet have one.

But be sure to send us \$3 for each subscription you submit.

You can help the Party by building circulation and win a trip to Europe to boot! Right now, a very few still have all the odds in their favor. Don't let your chance slip by. Send in your entry today!

Activity of the Month

This month, visit your local school or public library and ask for any of the titles listed in NS Publications. (Please note that *White Power* and *This Time the World*, both by Lincoln Rockwell are no longer in print.) Usually three to five requests will suffice for a library to place an order. With some persistence, this could be a very good way to get our message to an even greater number of people.

100th Issue of NS Bulletin Recalls Purpose

With this 100th issue of the NS Bulletin, we feel it important that the purpose of this semi-monthly newsletter be recalled.

Founded in January of 1967 by Matt Koehl, the purpose of the NS Bulletin is to maintain regular communication between National Headquarters and members and supporters of the Party, as well as to keep them abreast of the Movement's activities and ever-growing success. Those who have been in the Party a while can see, through the NS Bulletin, the tremendous strides forward the Party has made under the leadership of Commander Koehl.

From the Membership Secretary

Only those supporters who are up-to-date on their pledges will receive official supporter cards in 1972. If you are behind on your contributions and wish to remain an official supporter, send us your back pledges by 31 December. If there is any question about your status, contact Capt.
