Stormtroopers Smash JDL at Party Rally

On 19 June the Party held a public rally in Lafayette Park across from the White House. Commander Koehl led a group of Party speakers who addressed a large crowd on the subject of alleged "anti-Semitism in the Soviet Union."

In his speech, Commander Koehl contrasted the favorable treatment accorded Russian Jews with the oppression suffered by other Soviet minorities--showing how the Jews are not discriminated against in Russia, but actually given preference. He then went on to describe Jewish involvement in the Soviet power structure, noting the large number of Soviet leaders who were either Jewish or married to Jews.

As the Commander was reading off a long list of top Communists with Jewish connections in this supposedly "anti-Semitic" state, including the propaganda chief Boris Feldman, secret police chief Yuri Andropov, Deputy Premier Venyamin Dymshits, and Communist Party Secretary Leonid Brezhnev (married to a Jewess), a large contingent of troublemakers from the Jewish Defense League came trooping up waving an Israeli rag. When the kosher mob made the mistake of waving its alien symbol in front of the Commander, it was immediately torn down and the rag bearer sent sprawling to the pavement with a bloody face.

ROUGHHOUSE AT RALLY — A scuffle over a flag erupts at a rally in Lafayette Park held by the National Socialist White People's Party, at which one speaker said that "the Jews rule Russia." About 20 persons who called themselves a "coalition of Jews" taunted and shouted at the speakers during the two-hour rally. Three unidentified persons were arrested during the fight, charged with disorderly conduct and released on \$10 bond each. About 20 National Socialists were at the rally.

3 Are Arrested As Nazis, Jews Fight at Rally

Three people were arrested on disorderly conduct charges as about 50 members of the National Socialist White Peoples Party and the Jewish Defense League tangled during a Nazi rally yesterday in Lafayette Park.

Minor scuffling broke out as members of the Jewish Defense League attempted to storm the platform of the Nazis, who had taken out a permit to demonstrate in the park in favor of "Soviet persecution of Jews."

Police arrested a Baltimore man, Wolfgang Schrodt, 32, and two College Park men, George Schannel, 28, and Rapbael Perl, 25, on disorderly conduct charges.

Immediately, the rest of the hebes tried to storm the platform. But they never made it! While half of the ST guarded one side of the platform, two other teams fighting against 3-to-1 odds did a beautiful job of completely demolishing the JDL punks.

Throughout all the fighting swirling around him, Commander Koehl went right on speaking without interruption--never missing so much as a single syllable!

Other speakers at the rally included Richard Biederman, Robert Lyons and Dan Dexter, who chaired the event. Richard Biederman spoke on the background of the so-called Russian revolution, using a number of declassified documents from the U.S. Archives to prove that the leadership of this upheaval was overwhelmingly Jewish. Robert Lyons then showed the role of the Jew today in the Communist and New Left movements in North America.

In concluding the rally, Dan Dexter compared the Jewish power structure in the Soviet Union with the Jewish power structure in the United States, pointing out among other things that over half of the U. S. dailies with circulation of over 100,000 were owned or controlled outright by Jews and that virtually all the other newspapers were dependent upon Jewish advertising for their existence. He then showed how Jewish power had to be broken in order for White Power to be achieved.

Stormtroopers Battle Red Mob in Georgetown

On 17 June four ST men--TL Richard Biederman, A/TL Richard Saunders, ST Jerry Lee and PT James Clendennen--were in the Georgetown section of Washington distributing leaflets announcing the forthcoming Party rally in Lafayette Park on the 19th. The purpose of the distribution was to reach as many leftist-oriented young people as possible, urging them to attend the rally and listen to our race-saving message.

Response was quite good, although a small group of hardcore Reds was trying to agitate passersby, urging them to tear up the NS leaflets. Later, in compliance with police orders, the troopers moved on up the street, passing out handbills as they went.

As they came down the other side of the street, however, TL Biederman was confronted by a big, fat nigger with hands on hips who muttered, "What ya doin', man? Get the ---- out of here!" Thereupon, he shoved Biederman, grabbing his leaflets and tossing them into the street. The fight was on!

The coon was joined by a White buddy and 30 other Marxist creeps. At one point one of the original troublemakers pulled out an iron pipe, and struck A/TL Saunders and PT Clendennen in the head from behind. But in ferocious fighting the four troopers drove off ALL their assailants, landing some well-placed punches and inflicting many a bloody nose and black eye.

Then...

... and NOW!

In 1931, as today in 1971, National Socialists Stormtroops fought and bled for our sacred Cause. As in those days past, ST men today pledge their complete loyalty to the Party and to the Commander.

Finally, the White with the coon drew a gun and revealed that he was a plainclothes detective and ordered our men against the wall. At this time the men face felonious assault charges!

For outstanding valor in the face of overwhelming odds, Commander Koehl has announced that he is awarding each of these men the Medal of Merit (the second highest award in the ST). For sustaining severe wounds in the combat, A/TL Saunders and PT Clendennen are in addition being awarded the ST Wound Medal.

ST Application Now Ready

After some unforeseen delay, ST application forms are now available. All those interested in joining the ST, including those who have previously contacted us, should write to us at this time for an application. (All non-Jewish, White males 18 years or over and in good physical condition are eligible to apply for ST membership.)

There are two categories of ST membership: (I) Active; and (II) Reserve. Persons applying for the Active ST must be able to participate regularly in ST functions with an active unit (such as those in Arlington, Los Angeles, etc.). Those unable to participate regularly with an active unit but still wanting to take part in major Party demonstrations from time to time may join the ST Reserve.

Whichever category you wish to join, we would suggest that you begin now to get your uniform and standing all squared away, so you can join scores of other ST men in a massive march through Red-infested Georgetown over this coming Labor Day weekend. **THIS WILL BE THE LARGEST STORMTROOP DEMONSTRATION HELD ANYWHERE SINCE 1945!**

Party Congress Registration

So far very few members and supporters have returned their Congress registration cards (sent out with the last Bulletin). We know from earlier indication that there should be substantially more persons attending the Party Congress this Labor Day weekend (4-6 September) than any previous congresses. However, we must have a more precise estimate of the number expected to attend in renting meeting facilities and in arranging accommodations.

Early return of registration cards is also important in setting up a carpool, which in turn will assure an even larger attendance at the Congress. As a matter of fact, those who would like to attend but can't because of lack of transportation should notify us right away, so we can arrange a ride with some comrade.

So get those registration cards in immediately, along with your \$2 registration fee. (If you're a little bit short at this time, send your card in anyway and take care of the fee later.) The important thing is that we know as soon as possible who is coming.

A very interesting program is being planned for this Congress. In this connection it might be mentioned that we hope to have a very famous surprise speaker as our special guest this year. Don't miss a chance to meet this person--as well as all the other great National Socialist comrades from across the continent!

Appeal Hovers Near Top

With just a few more days left in our appeal drive, we have reached a near-standstill at 97.1% of our quota. Of our original goal of \$2,500 we have raised \$2,427 --which means we are short of our mark by \$73.

It should be mentioned that during the past two weeks, one serviceman over in Vietnam helped us out tremendously with a gift of \$210. This was almost as much as all other contributions combined for the same period, which have tapered off drastically from earlier response.

We now need just \$73 to make our campaign a success. (And of course it doesn't hurt if we go over the top, because that only means that our capabilities for the coming months will be that much greater.) **SO LET'S DO IT!**

With your help, we hope to be able to announce some favorable results for this campaign in the next issue of the Bulletin.

"White Power" Subscriptions Needed!

The July issue (No. 18) of White Power will be off the press and in the mails in just a few days.

With our newspaper now coming out regularly each month, our next step is to expand it in size and scope--something we can only do with your help. We must expand circulation and increase the number of subscriptions--and the only way to do this is by getting White Power into as many Aryan hands as possible.

There are several ways to do this: by selling copies on street corners or passing them out. And perhaps the best way is by having a gift subscription to White Power sent to a friend or racial comrade.

Do your part and help us GROW!

A Young Stormtrooper Testifies His Faith!

In major areas of activity all over the country, more young idealists are flocking to the NS banner. The report below tells what it means to a young idealist to be a part of something GREATER than today's foppish, degenerate coca-cola culture!

"I am now in my 80th day as a Probationary Stormtrooper, and Lt. Tommasi has indicated to me that I will definitely enter the ranks next week. I have participated in many past demonstrations. I've been going to Headquarters in El Monte as many as three times a week. I stand guard duty, help clean up, etc. You know, I have more pleasure in three hours of work around H.Q. than 30 hours sitting in front of the 'Jew tube' at home!"

Notes From NS Publications

1. At this time, we are out of the following items: White Power and NSLF buttons; and the last issue of the Stormtrooper magazine.
2. "Guidelines For the Development of the National Socialist Movement," by Commander Koehl is in stock. This booklet is a must for everyone who wants to understand the fundamental doctrine of our Movement. Price 50¢.
3. A new sticker, "Smash Capitalism With National Socialism," is now available. This slogan is particularly effective in areas where a lot of misguided left-oriented White youth can be found.

WHERE THE ACTION IS!

Two major Party rallies are scheduled for the Fourth of July weekend in Washington, D.C. The rallies will be held in Lafayette Park (across from the White House) starting at 2 p. m. on Saturday, 3 July, and Sunday, 4 July.

Stormtroops should report to National Headquarters no later than 11 a.m. on both days for a march to the rally site. (Some overnight accommodations are available for those with sleeping bags.)

We urge as many NS comrades as possible to be on hand for these important and exciting events.
