OFFICIAL INTERNAL ORGAN OF THE
National Socialist White Peoples Party AND THE National Socialist Youth Movement

1 August 1972 YF-83

"... The epoch is stifling in the pettiest utilitarianism or better expressed in the service of money. And we have no call for surprise if under such a petty little sense of heroism remains. The present time is only harvesting what the immediate past has sown.

"All these symptoms of decay are in the last analysis only the consequences of the absence of a definite, uniformly acknowledged philosophy and the general uncertainty in the judgement and attitude toward the various great problems of the time."

North American Congress Approaches

The date of the fourth annual Congress of the World Union of National Socialists is but a month away. This Congress will be of special importance to every National Socialist. Aside from the opportunity of meeting National Socialists from other areas, attending the informative sessions, and participating in the Congress rally held annually in Washington, D.C., this Congress will mark the 10th anniversary of the founding of WUNS, as well as the fifth anniversary of the martyrdom of Lincoln Rockwell.

Several special events are being planned for the Congress this year. All Party comrades are urged to send in their registration cards accompanied by the \$3 registration fee as soon as possible. This is a special occasion which no National Socialist will want to miss!

New Staffers Welcomed to National Headquarters

National Headquarters welcomes the following people to their new positions on the HQ staff:

Robert Homan. Mr. Homan has returned to the National Headquarters staff after a 21-month absence during which he served with the Army in Vietnam. Commander Koehl has appointed Mr. Homan National Secretary for the NSWPP and also General Secretary to the World Union of National Socialists.

Martin Kerr. Stormtrooper Martin Kerr is well-known to comrades and enemy alike as the gutsy student who flew the Aryan Cross banner at super-kosher Hofstra University in Long Island, N.Y. More recently, Kerr led an ST picket against the "Salute to Israel" parade in New York City. Kerr will be working on HQ staff during the summer, performing organizational work and co-operating with the editorial staff.

Lt. Tommasi Battles City Hall-JDL Coalition in Los Angeles

As reported in *NS Bulletin* No. 102 (15 January 1972) El Monte City officials and the Los Angeles chapter of the Jewish Defense League have joined forces to close the NSWPP headquarters in their fair city. So far this coalition has resulted in several incidents and much publicity for the Party in the Los Angeles and Southern California area.

The latest episode is taking place in the courts, where city officials are attempting to get Lt. Tommasi on trumped up charges of an occupancy violation. Lt. Tommasi uses the El Monte headquarters for his residence as well as his place of work. The accompanying news clipping of 13 July details these latest bureaucratic maneuvers.

In Arlington, Commander Koehl has stated that Lt. Tommasi has been given the go ahead to fight this unholy alliance of city officials and JDLers in any way possible. All area supporters and members are urged to continue giving Lt. Tommasi their complete and dedicated assistance. More details later.

EM Nazi Leader Ordered To Enter A Plea Today

Judge Roy L. Norman overruled a demurrer, July 6, filed in defense of Nazi leader, Joseph C. Tommasi, and ordered him to appear in court today (July 13) and plead.

Tommasi, head of the Los Angeles and Orange counties factions of the National Socialist White People's (Nazi) Party,

is charged with violating a city law that requires all businesses to obtain a certificate of occupancy.

In overruling the demurrer Judge Roy L. Norman said it was not specific in its challenges to the amended complaint filed against Tommasi charging him with the misdemeanor offense.

The judge previously threw out two complaints against Tommasi because they were not specific.

Defense lawyer James White repeated his arguments that the Nazi headquarters at 4375 N. Peck Road is not a business and that the law being used to charge Tommasi applies only to industrial

or commercial uses.

The City Council voted to seek ouster of the Nazi party after the militant Jewish Defense League (JDL) appeared at a meeting last Jan. 11 and pressured the council to oust the Nazis. A melee occurred during a demonstration last Jan. 30 in front of the Nazi headquarters.

Mugging by Blacks Leads to New Recruits in Cincinnati

A comrade in Cincinnati reports that his activism and vocal support of the National Socialist White Power stance is bearing fruit. According to his latest activity report, several high school-age youths who had been inquiring about the Party came to his house. One had been beaten by a gang of Blacks when he thrashed one of their members who had harassed some younger White kids. The Cincinnati National Socialist immediately armed himself and returned to the scene of the beating, searching for the Black attackers. Finding that they had fled, he returned home. Later on that evening, a group of White youths knocked on his door. Here is the story in his own words:

"... I heard a knock on the front door and found myself confronting a group of White youths hollering 'White Power,' etc. I invited them in and gave a little speech of what White Power was all about. They were all greatly excited and I came to find out that they were a smaller group of a greater one of about 40 youths who had rallied to protect the two that had come to my house earlier. I gave them all White Power literature, and was begged out of White Power buttons. I was told that they were getting their money together to purchase White Power T-shirts which I'll order from the Cleveland unit. I met with this larger group and gave out another bunch of literature and discussed practical racial unity and participation against our racial enemies. It was truly amazing how quickly they rallied around the White Power Aryan Cross. I gained a number of new names for our building ST unit who are fighters in every sense of the word. This was an inspiring moment for me, and an outstanding demonstration of what our future holds once our movement reaches the massive proportions needed to win.

"We have a victory here and I'm proud of those who participated. Heil Hitler!"

Activists Hard at Work in Metropolitan St. Louis Area

Comrade Richard Patton of Granite City, Illinois, reports the signing up of several new Party Supporters and the saturation distribution of the Alton, Illinois area with Party literature. Party Supporters and Members in the Greater St. Louis-southern Illinois area who wish to work with Mr. Patton may contact him by writing: Box 55, Granite City, Illinois, 62040.

NY State Education Report Cites NS Literature as Cause of White 'Backlash' in Schools

A fifteen page report of the NY State Department of Education was printed in full in the July 21 edition of *The Geneva Times*. The report, filling two pages of the paper, credited NS activists and NSWPP literature as "the factor which precipitated" Whites standing up and fighting back against the Black atrocities occurring in the Geneva high schools.

The Party leaflet "UPTIGHT ABOUT SCHOOL . . . or just about the Niggers?" was cited by the report as accurately reflecting the White kids' attitude about conditions in the school and about their Black classmates. School administrators, shocked at the findings of the investigation, feel that the institution of a Black studies program open to all students would help alleviate the "hurt" feelings of Negro students.

And, of course, the report itself recommended "mandatory training in race relations" for all teachers, the hiring of more Black teachers and administrators, and a curriculum which "should provide for all children an understanding of the contributions of the Negro, Puerto Rican, and other minority groups."

National Headquarters recommends that activists counter this "education" with the mass distribution of White Power literature. When the lies inherent in these liberal programs are exposed, the youth and their teachers will know where to turn for the truth and the answer to their problem.

JDL Tries to Sue Party for \$10 Million

Chagrined at the ignominious thrashing they received at the hands of hundreds of Party supporters in the Philadelphia suburb of Kensington several weeks ago, the JDL has decided to try an indirect and less painful attack on the Party.

In keeping with their typical sheenie mentality, the gefilte-fish goons of the JDL have tried to hurt the Party in the pocketbook since their physical assaults upon National Socialists have resulted in nothing but bad bruises and big hospital bills for them.

The Jews have found that in making the NSWPP their adversary they are dealing with more than unarmed Arabs! The article, from the *Philadelphia Inquirer*, is reproduced in full.

Notes From NS Publications

The Nameless War by Captain Archibald Ramsey, is now available at \$1.50 per copy.

Ramsey's book deals with international Jewry's machinations during the '30s against National Socialist Germany and how it resulted in Britain's declaration of war in 1939.

Mr. Ramsey, a Member of Parliament, was arrested in 1940 for supporting an honorable peace with Germany and was imprisoned for three years along with many other Englishmen who recognized the insanity of Churchill's war policy of "setting Europe ablaze" in order to destroy National Socialism.

SUPER STICKERS are in stock once again. These giant White Power poster stickers are just like the signs used in the famous Chicago march in 1966. Brilliant red, white and black on peel-off back paper, these 8 1/2 x 13 inch monsters are big enough to see from the nearest sheenygogue. And they really stick, so they won't come off. These super-stickers sell out fast, so put in your order today!

They're only 35 cents each or three for a \$1 from NS Publications.

ACLU Declines Role in Lawsuit Against 'Nazis'

By KATHY BEGLEY

Of The Inquirer Staff

The American Civil Liberties Union (ACLU) on Thursday turned down a request by the Jewish Defense League (JDL) to handle a \$10 million libel suit against the Nationalist Socialist White Peoples Party.

In a 90-minute discussion at the ACLU office at 260 S. 15th st., four JDL leaders tried to persuade ACLU executive director Spencer B. Coxe that they deserved representation as much as Kensington neo-Nazi leader Charles Kress.

The ACLU had recently defended Kress against charges filed with the Human Relations Commission. Witnesses testified that Kress, of E. Cumberland st., conducted a campaign of anti-Semitism and racial hatred.

"I UNDERSTAND your position and I entirely sympathize with the way you feel," Coxe told the group. "But you must understand that the Civil Liberties Union never becomes involved in libel suits and this matter is out of our scope."

Some Guidelines for the Congress

There have been numerous inquiries regarding matters connected with attending this year's Congress. Below is information which will be of help to many delegates. Please take careful note of the standards and requirements. They reflect the National Socialist life-style and will be enforced to insure that this year's Congress is a truly inspiring tribute to the memory and spirit of Lincoln Rockwell!

Registration: All delegates must be registered to attend the Congress. Registration will take place up to 2300 hours Friday, 1 September. A limited number of registrations will be handled Saturday morning, the 2nd, between 0700 and 0900. Those arriving late will have to wait until the noon recess to register. Late arrivals cannot be admitted to the Congress sessions until they are registered.

Registration cards were enclosed in the previous NS Bulletin. If you plan to attend return them with your \$3 registration fee right away. To be eligible to attend, a person must have been a Party Member or Official Supporter as of 31 July 1972. Except in certain special instances, persons who have become Official Supporters since 1 July 1972 are required to have their OS dues paid up three months in advance (August - October) in order to be eligible for the Congress.

Good Standing: This means that all dues and pledges are paid up to date. No one who is not in good standing will be admitted to the Congress. Contact National Headquarters if there are any questions concerning this matter.

Transportation: We consistently have more drivers and vehicles than people who are willing to take advantage of them. If you need transportation, please notify National Headquarters immediately.

Interviews: There will be no membership interviews during the period from 1-4 September. Persons interested in an interview at some time before or after the Congress must submit their requests no later than 10 August.

Appearance: All delegates are expected to look and act like worthy representatives of the National Socialist movement, so that they may be active participants in all events of the Congress.

Hair – For male delegates, this means they must have proper haircuts. (No excessive length, no ducktails, no mutton-chop sideburns. Hair should taper off neatly to a shadow at the sides, back and sideburns. Sideburns should not extend below the midpoint of the ear.) Persons with long and/or shaggy hair will not be admitted to the Congress. (If there is any question as to what constitutes acceptable hair length, simply refer to a photograph of Adolf Hitler, Lincoln Rockwell, or Commander Koehl.)

Mustaches – Mustaches must be neatly trimmed and groomed. Beards, properly groomed, will be allowed for elderly delegates only.

Dress – Party Members should wear Party uniform during the Congress. (This consists of khaki shirt, black cloth tie, black oxfords and belt, and black [or dark] trousers. Suit coat is optional.)

Male delegates other than full Party Members, including Probationary Members, should wear suit and tie, except for ST uniforms during the Sunday rally. NO levis, bellbottoms, leather jackets, sandals or other “mod” or garish attire will be allowed. Similarly, no German military paraphernalia will be permitted to be worn.

Women delegates should wear a dress or skirt and blouse in good taste. Miniskirts, “hot-pants” or slacks will not be allowed.

ST Demonstration: Stormtroopers participating in this year’s Congress rally must have a complete uniform (including the regulation helmet available only through National Headquarters for \$12.95; it is suggested that ST should send in orders with full payment and request that the helmets be held for them at National Headquarters, since they may not arrive by return mail in time for the Congress.)

CORRECTION: In the accommodations leaflet sent out with the 15 July Bulletin a mistake was made in reference to Direction No. 2, “From the South.” After following Route 27 to Wilson Blvd., be sure to turn right, and then turn left at N. Franklin Rd. Corrections were made before the accommodations flyer was sent out, but check your copy and make sure.
