"We believe that Adolf Hitler was the gift of an inscrutable Providence to a world on the brink of Jewish-Bolshevik catastrophe, and that only the blazing spirit of this heroic man can give us the strength and inspiration to rise, like the early Christians, from the depths of persecution and hatred, to bring the world a new birth of radiant idealism, realistic peace, international order, and social justice for all men."

Adolf Hitler's 84th Birthday Celebrated

On Saturday, 21 April, National Socialists on the East Coast from as far north as Rhode Island and as far South as Florida gathered in Arlington to celebrate the 84th birthday of Adolf Hitler, the Founder of the National Socialist movement. The Leader was born in Braunau-am-Inn on 20 April 1889.

Among the day's activities were a White Power rally in Lafayette Park, which is located just across the street in front of the White House on Pennsylvania Avenue. At approximately 1:15 pm, an advance party of seven Stormtroopers commanded by GL Floyd Juillard arrived in the park to set up the speaker's platform and the podium. About 100 Jews, approximately half of whom belonged to the JDL, were awaiting the arrival of the National Socialists.

Despite their greater numbers and barrage of brazen insults, only 35 of the Jews scraped up the nerve to attack the seven ST. The JDL had been threatening to disrupt the planned public meeting for weeks, and even imported kosher dregs from Philadelphia and New York to beef up the local contingents based at American University and George Washington University.

The three dozen or so bagel boys who attacked the ST contingent outnumbered the National Socialists by more than four to one. The Stormtroopers formed a circle around the stand and beat off two clumsy charges by the gefilte fish goons. ST Bob Bukowy shattered one hebe's glasses right off his rubbery nose. Surprised by the ferocity of their Aryan opponents, the JDLers backed off sporting many prominent bruises and contusions. Despite their numerical superiority, the JDL did not

attack again, and waited for a large police detachment to form a cordon around the speaker's stand before creeping nearer and shouting obscenities and spitting at the Stormtroopers. Soon the main Stormtroop column arrived, bringing up the Brownshirt strength to 35, and the rally began.

During the speeches by National Secretary Robert Homan, New England Organizer Fred Sherwood, Comrade Robert Lyons and others, the Jews attempted to drown out the speakers by shrieking the most filthy obscenities in the English, Yiddish and Hebrew languages. Terrified and enraged by the open display of National Socialism and the American and Swastika flags flying side by side but a stone's throw away from the Executive Mansion, the Jews were afraid to let the hundreds of White by-standers in the audience hear what the NSWPP had to say.

Lt Robert Homan assails the JDL

After the rally, the police complimented the National Socialists on the discipline and forbearance they displayed in the face of the obscenities, spitting, and other provocations by the Jews. Two JDL kikes were arrested by the police for throwing eggs at the speakers. The police looked the other way when a National Socialist in mufti forcibly wrested two bags of eggs from a couple of Jewish "heroes" and smashed them on the ground.

That evening, after an excellent birthday banquet in which over 60 National Socialists participated, a special ceremony was held in memory of the great Titan of History: Adolf Hitler. Robert Homan spoke on the profound significance of Adolf Hitler to the White racial struggle of today, pointing out that Hitler was the only man in history to found a revolutionary ideology, direct the revolutionary movement emanating from it, and also to create and preside over the revolution itself and become its leading statesman.

The comrades were reminded that all across the country other National Socialists were also holding similar gatherings in honor of the Leader. In Los Angeles, Commander Koehl was observing the occasion with comrades at El Monte headquarters. In Cincinnati, Cleveland, Chicago, Jacksonville, Phoenix, Seattle and elsewhere, National Socialists were paying tribute to the birth of the great liberator of our race. Lt. Homan reminded the assembled of Comrade Cedric Syrdahl, who was at the very moment lying in a Chicago hospital bed in critical condition as the result of a brutal beating received from an anti-National Socialist cop. Wherever National Socialists may be, across the country or across the planet, they were all as one in spiritual communion with the greatest mind ever produced by our race.

As the lights were dimmed and the crucible was lit, the flames climbing high and challenging the darkness, Lt. Homan read the dedication written to Adolf Hitler by Lincoln Rockwell in his book, *This Time the World*:

*Like spiritual giants before you -- you were
cursed and driven to death by spiritual pygmies
for daring to stand up for a new and vital truth. . .*

*The Weltfeind cringes like the Devil at the sign of
the cross. Your mighty spirit has inspired millions
with the Holy Truth.*

*From all over the earth, faintly at first, comes
the sound of marching boots -- louder and louder
they grow! Listen! They are singing! "Die Fahne
Hoch! Die Reihen fest geschlossen!"*

*Out of the mud and slime of lies, your holy, red,
white and black Swastika has been flung back
into the skies. . . and we pledge you our lives,
Adolf Hitler, that we shall not flag or fail until
we shall have utterly destroyed the forces of
Marxism and darkness.*

HEIL HITLER!!

Chicago Unit celebrates Leader's birthday

The assembled returned the National Socialist greeting, giving the Aryan salute and shouting "Heil Hitler!" The Party Battle Song was then played.

Hitler birthday brawl

**Jewish Defense League confronts
American Nazi Party in Washington**

by Anne Farrington

About 20 members of the campus Jewish Defense League clashed in a Saturday afternoon confrontation preceding a rally commemorating Adolf Hitler's 54th birthday.

The rally, held at Lafayette Square, was sponsored by members of the National Socialist White People's Party, formerly the American Nazi Party.

According to league member and University student Sol Perl, "We went there (Lafayette Square) solely for the purpose of heckling."

The scuffle began when one of about eight Nazis setting up the speaking platform called a JDL member "kike," according to Perl.

"One (league member) took a swing at a Nazi, and then they attacked us," Perl continued.

Defense league members also ripped the swastika armband off of a storm trooper, Perl added.

The kicking, pushing, shoving and hitting ended in less than 10 minutes, Perl said.

The party members backed off when one league member was knocked down by three storm troopers, according to Perl.

According to Robert Homan, national secretary for the National Socialist White People's Party, "The Jews attacked our men."

"They (storm troopers) were beginning to set up the speaking platform, and were attacked from behind," Homan claimed.

"No one knows which Jew started it," he added.

added.

Following the incident, "We just sat around, trading insult for insult," Perl said, until about 15 more Nazis arrived and the ceremony began.

Homan said one party member spoke about Adolf Hitler, another discussed the problems while police were having with crime in the United States, and he said he spoke about Jewish power in America.

Perl said the campus defense league members were joined by additional members from American University and the George Washington University.

During the 45-minute commemoration, defense league members shouted down, heckled and threw eggs at the white-helmeted storm troopers.

Perl said the speaker on the platform was surrounded by a circle of storm troopers, who were surrounded by a circle of D.C. policemen.

"There were probably 80 cops there," he added.

Richard A. Freeman, 21, and Steven Garman, 19, both from American University, were arrested by police and charged with throwing eggs at the party members.

Perl said he was taken into custody by police, but later released with a warning he would be arrested if he continued his actions.

University student and Jewish defense league member Robert Roeth said he attended the rally because, "I have a strong dislike for the Nazis."

"I'm just not gonna let anyone sit there with swastikas on, saying 'Gas the Jews,'" he added.

Members of local branches of the Jewish Defense League clash with a group from the National Socialist White People's Party (helmeted) at Lafayette Square Saturday afternoon.

"The Jews were their own worst enemies," he said, and added, "the police later commended us for our demeanor."

"We were out there with a purpose," Homan continued, "and we conducted ourselves decently. Our men retained their composure and discipline."

Explaining his reason for participating in the heckling, Perl said, "It's an emotional issue."

"I'm just not gonna let anyone sit there with swastikas on, saying 'Gas the Jews,'" he added.

"I feel that in this country it's wrong to

threaten someone's life."

"The Nazi ideology threatens Jews and blacks," he added.

In another incident prior to the rally, Perl claimed a National Socialist White People's Party member kicked a cane out from "an old guy who walked by and said something to the Nazi."

A defense league member grabbed the cane and began striking the storm trooper, Perl continued.

But Homan claimed, "Our men do not attack old men, whether they are Jews or other people."

The Nazis made "no attempt to physically attack" anyone, unless provoked, Homan said.

"Once they attack us, they must expect

proper retaliation," he added.

Perl said there was not much advance notice of Saturday's rally, and added the National Socialist Party's recorded telephone "white power" message carried information about the rally.

The recorded message yesterday called the pre-rally confrontation "a typical example of the 'bugei boys' recklessness and cowardice."

The heckling during the rally "clearly demonstrated just what a cesspool the Jewish mind is," the recording continued.

Accusing the defense league of causing two flat tires on a party member's station wagon, the recording blamed the incident on "the incredible cowardice of these despicable human rodents."

After the ceremonies, color movies were shown of the grand rally on the Ellipse during the fourth annual Party Congress last September, and of the 4 March confrontation in Los Angeles at El Monte HQ. To conclude the memorable evening, there was a showing of "Triumph of the Will," Leni Riefenstahl's immortal documentary of the 1934 National Socialist Congress in Nuremberg.

Bomb Attempt Against Philadelphia HQ!

Late Sunday evening, on 29 April, a homemade pipe bomb was hurled against the Party building in Kensington. Fortunately, the bomb did not go off.

When local Party organizer Charles Kress reported the bomb attempt to the police, the Civil Disobedience Squad went through the building, breaking up furniture, smashing the recorded-message machines, and generally vandalizing the premises! These reactionary swine have harassed and intimidated National Socialists in Philadelphia before. They are separate from the regular police, among whom we have many sympathizers, and act as an NKVD for the local political machine.

It's suspected that the Civil Disobedience Squad's actions are the result of Comrade Kress' recent effort to get elected as Chairman of the Kensington Citizens Committee. He received over 1/3 of the vote and promised to do better next year!

Comrade Syrdahl's Condition Improves

We wish to thank all those comrades who have sent cards, letters and donations to GL Cedric Syrdahl following his brutal beating in Chicago some weeks back (see 15 April Bulletin).

The following letter was received from Comrade Syrdahl:

Racial Comrades:

It is only through continuous testing that we will at last succeed. It takes less work to succeed than to fail. When you go for something, don't come back until you get it. Decisions without actions are worthless. Thinking will not overcome fear but action will.

We must desire Matt Koehl's victory more than anything in this world. He is the key because a good man will attract others.

At this moment I'm still in the hospital. My lungs are full of blood clots from the pounding of the policeman's club on my back and head; but I still feel the most important thing I can do with my life that remains is to fight for my people.

Your cards, calls and support have brought much encouragement to me and my family.

Heil Hitler!

Nazi Chief Is Target of Dud Bomb

A home-made bomb was hurled through the door transom into the first-floor apartment of neo-Nazi Charles Kress, 37, at 2182 E. Cumberland st. early Monday, but it failed to explode.

Kress, local head of the American Nazi Party and president of the National Socialist White People's Party, told police he was alone in the apartment when the bomb, attached to a brick, landed on the floor.

Kress said he ran outside and saw two automobiles speeding away. Police were searching for two men and a woman in connection with the incident.

The bomb was sent to the Police Academy for examination. It was described as a 7½-inch length of galvanized pipe, 1½-inch diameter, capped on both ends and filled with black powder.

A partially burned fuse was attached but it could not be determined immediately whether the fuse had been burned previously or had been extinguished when it was hurled through the transom.

It was the second bomb attempt directed at Kress' apartment in the past year.

Commander Promotes Comrade Tommasi

On 22 April, the Commander promoted Lt. Joseph Tommasi to the rank of Captain in the Stormtroops. Capt. Tommasi has headed the Los Angeles unit for several years and has been instrumental in building the Party in Los Angeles and southern California.

Capt. Tommasi is to be congratulated on his promotion. We extend our best wishes for the continued success and expansion of the Los Angeles unit under his command.

From the Membership Secretary

The adoption of a quarterly billing system should not affect the monthly payment of dues and pledges. The quarterly billing system was introduced to relieve National Headquarters of an unnecessary amount of bookwork which monthly dues notices entail. Comrades may pay their dues by the month or by the quarter, whichever they prefer. Notification of an individual's dues status will be sent out on 1 January, 1 April, 1 July, and 1 October.

We are still receiving dues payments with no indication of who the sender is. Please be sure that you enclose your name and address so that we can properly credit you.
