"The young movement, from the first day, espoused the standpoint that its idea must be put forward spiritually, but that the defense of this spiritual platform must if necessary be secured by strong-arm means."

## 5 NORTH AMERICAN 5 — CONGRESS —

### Plans Announced For Largest ST Demonstration In Party's History

Commander Koehl has just announced that one of the main events of this Congress will be a public march and rally in Cleveland's downtown public square.

All ST personnel will be expected to attend, as this will be the largest ST demonstration in the history of the Party.

All male Party comrades are urged to bring along a uniform and be ready to participate in this history-making event.

In order to make this the most spectacular event in the Party's history not only ST personnel but **ALL MALE PARTY COMRADES** are urged to make definite plans to participate.

This rally will be held in the very heart of downtown Cleveland at around 12 noon, 1 September, the first day of the Congress. All comrades should be settled in their hotels or motels and prepared well in advance of the opening event at 10 a.m. sharp!

Due to the tight scheduling of the march and rally, all comrades should come prepared to follow the time schedule exactly as stated. If possible, delegates should take Friday off from work to allow one extra day for travel.

At this time any comrade needing a ride or any comrade who can supply a ride should contact National Headquarters immediately. No comrade can afford to miss the Congress due to lack of transportation. In the past we have always had more delegates offering rides than requesting them.

Further details concerning the exact time schedule, registering, accommodations or all other information will be forthcoming in future Bulletins.

Now is the time to start getting your uniform squared away!

**DON'T FORGET THE CONGRESS OVER LABOR DAY!**

## Commander Visits Cleveland And Chicago

On 2 June, Commander Koehl spoke to a local gathering of Party comrades in Chicago.

The Commander spoke on the unique role of Adolf Hitler in not only halting the forces of decadence and death—if only temporarily—at the eleventh hour, but also in giving Aryan Man a revolutionary, live-saving Idea as well as the mighty Movement for the fulfillment of that Idea.

After the meeting Commander Koehl discussed with local comrades some of the particular problems involved in advancing the Cause in the Windy City and helped plan a program of stepped-up activity for the Chicago unit.

On 3 June, the Commander accompanied by a local Stormtroop contingent appeared on radio station WGLD in Chicago. The program called Tom Cassidy's "Access Show" was taped and lasted one hour. It was played on the air on 10 June.

On 8 June, the Commander appeared in Cleveland on the George Forbes call-in program on station WERE. Forbes, the Black city-council president tried in vain to discredit the National Socialist ideology. The Commander did an excellent job in handling Forbes and answering questions from interested callers.

The program lasted for three and a half hours and reached thousands of White listeners.

On 9 June, the Commander reviewed the local ST contingent in Cleveland and swore in a number of new troopers.

Also while he was in Cleveland, the Commander at the request of Casey Kalemba restored him to active duty as Group Leader and Cleveland Unit Leader. At the same time GL Richard Biederman who has headed the Cleveland unit was transferred back to National Headquarters.

## JDL Put To Rout By L.A. Stormtroopers

On 14 June, Captain Joseph Tommasi and four Stormtroopers battled with and put to rout approximately 15 members of the Jewish Defense League outside of a Los Angeles television station.

The JDL earlier swore that Captain Tommasi would not speak on KTLA TV's George Putnam "Talk Back" show to which he had been invited, and the JDL "displayed" their three-to-one odds in their favor to prove it.

However the ineffectiveness of the JDL was soon to become apparent as Captain Tommasi and the four troopers began giving out black eyes and swollen Hebe noses left and right.

## Court Victory For Chicago National Socialist

On 1 June, Lt. Cedric Syrdahl made his court appearance on disorderly conduct charges stemming from an earlier ST demonstration in Chicago when a horde of Jews gathered to celebrate the so-called Warsaw ghetto victims. In the demonstration, the Lieutenant was brutally beaten by a pro-Zionist policeman. (See Bulletin No. 132)

As Lt. Syrdahl stepped into the courtroom he was amazed to find the courtroom packed with wall-to-wall Jews and niggers.

The prosecutor seeing that he had no case to go on, immediately dropped all charges against Lt. Syrdahl. At this point the Jew judge, who was confident of a guilty verdict, leaped from his bench and screamed insults at the Lieutenant.

Lt. Syrdahl elated at the outcome of his trial, is still recovering from injuries sustained at the earlier ST demonstration.

## St. Louis Activists Attend Chicago Meeting; Lay Wreath

On 2 June, comrades from the St. Louis area attended a meeting with Party activists in Chicago. There they met with Commander Koehl and discussed with him plans for future activities in their area.

The Chicago meeting filled them with inspiration and left them with valuable advice.

On 9 June, the first public uniformed ST demonstration took place in St. Louis. The ST laid a wreath in front of the plaque

Capt. Joseph Tommasi addressing a public Party rally.

for fallen policemen located inside the St. Louis Police Department headquarters. The wreath was dedicated to all White policemen who had fallen in the line of duty.

The St. Louis unit has been distributing a tremendous amount of literature and White Power newspapers in addition to holding regular Party meetings.

Comrades in the greater St. Louis area are urged to get in touch with the St. Louis unit at P.O. Box 1962, Fairview Heights, Illinois 62208.

### Tracy And San Francisco Combine Efforts

Recently Tracy and San Francisco units combined to hold a demonstration in front of the Federal Building in downtown San Francisco. The demonstration for Rudolf Hess was reported a success.

Due to their close proximity, Tracy and San Francisco have been working jointly in demonstrations and meetings. All people in the Bay area interested in furthering the Cause of the Party should contact: NSWPP, P.O. Box 1981, San Francisco, Calif. 94101.

Those interested in contacting the Tracy unit should write to: P.O. Box E-C, Tracy, Calif. 95376.

### New Number For WPM In Fresno

Due to unforeseen circumstances, the number of the White Power Message in Fresno, Calif. has been changed. The new number is (209) 485-1612.

### Ideas On How To Spread The Word

One idea which comrades in many areas around the country have had is attending regularly their city council meetings in uniform.

Attending such local meetings are comrades from areas including Cleveland, Milwaukee, Green Bay, Bridgeport and other cities.

This tactic is good for (1) Keeping an eye on local government, (2) gaining a better understanding of local government for the purpose of eventually running candidates for office, and (3) publicity and general public display of our concern for local issues.

The landmark court decision in Cleveland has shown what dividends can be reaped from this sort of activity. In that case local comrades took the Cleveland city council to court over their ban on swastikas at public meetings.

This resulted in a Party court victory setting a precedent for the whole country, plus garnering publicity for the Party. (On the landmark court decision, see Bulletin No. 126)

One other important activity to make more White people aware of the Party is to increase the circulation of White Power newspaper. The newspapers can be handed out or sold on the streets for profit. The important thing is that more newspapers get out to the public.

Certain individuals and Party units have not been doing their share in promoting this extremely important mouthpiece for the Party. The Chicago unit is doing more than their share by distributing 2,000 copies of the paper every month, in addition to their very large distributions of Party leaflets.

A good example of individual initiative is shown by a young LADY,

Bridgeport National Socialists attending a local common council meeting.

Miss S. of San Mateo, California, who recently sold 100 newspapers on a busy street corner in less than two hours.

### Photographs Needed For Editorial Department

Comrades are reminded that if their activities are to be reported in the Bulletin and the Movement page of White Power newspaper they must submit a full report of all such activities and if possible, together with any photographs.

The photographs should be in black and white.

On the back of all photographs should be the nature of the event, the date, and the names of all those in the pictures.

The success of the Bulletin depends on the quality and supply of pictures available. We must insist that ALL COMRADES in the pictures have met regulations as far as neatness and appearance is concerned. This applies especially to the hair, sideburns, mustaches and uniforms of male delegates. The standard for hair length is as follows: hair is to be no more than three inches on top, evenly tapered off to a shadow on the sides and back, with sideburns not extending below the lower opening of the ear. Under no circumstances is the hair to touch the ear or the collar. Mustaches are to be neatly trimmed, and are not to extend below the corner of the mouth. All male delegates are otherwise to be clean-shaven, although an exception may be made in the case of elderly delegates with well-groomed beards.

### Note On Registration
