No. 138

15 July 1973 YF-84

"The only reason the White men of America cannot now *feel* their strength, even though they are the overwhelming majority with unheard of strength, is that the Jews, through their control of our entire system of communications, have been able to keep them apart."

Lincoln Rockwell, *White Power*, Chap. XVI

## NORTH AMERICAN CONGRESS

### Party Gets Permit To March In Downtown Cleveland!

The Party has just concluded final arrangements for the historic ST march through the center of Cleveland Saturday, 1 September. The police department there has just issued the Party a permit to march in the street from in front of Cleveland State University, down Euclid Avenue to—downtown Cleveland's main street—Public Square, where we will then hold our rally!

This is the first time in the history of the Party that we have had such a permit and enough troops to march on the main downtown street of a major U.S. city!

Though the actual location of where the ST will assemble cannot be announced at this time, all male delegates should arrive in Cleveland no later than 8 a.m., and should be in uniform ready to assemble at 10 a.m. sharp!

It is our goal to make this ST march by far THE LARGEST AND GREATEST demonstration in the history of the Party. The largest previous demonstration was 114 Stormtroops at the 1971 Congress rally. Response at this point indicates that there is no reason why we cannot top this figure and have at least half again as many troopers.

The number of registration cards received at National Headquarters so far has been very encouraging. However, many individuals with organized Party units have not as yet sent in their cards, though they have indicated through their unit leaders that they will be in attendance. At this time those people, plus any others planning to attend, who have not sent in their card should do so as soon as possible. All comrades should endeavor to get their cards in to National Headquarters no later than Monday, 27 August.

For those who need one, there is another registration card enclosed with this Bulletin.

### L.A. ST Demonstrates At Inauguration Of Black Mayor

On 1 July, three ST groups demonstrated against the inauguration of Tom Bradley, the new Black mayor of Los Angeles. The Stormtroop contingent, which showed up in front of the L.A. city hall, continuously interrupted the proceedings with shouts of "White Power" and "Back To Africa."

Bradley himself later admitted that he heard the National Socialist chants, which caused him a high degree of irritation.

A small group of JDL members made a few weak catcalls, but was afraid to try anything physical—apparently recalling earlier encounters with the ST.

The demonstration netted the Party major local and national news coverage, and it showed the White people of Southern California just who is FIGHTING FOR THE WHITE MAN.

## Bradley sworn in as mayor of LA

As Bradley, a retired police lieutenant who served 10 years as a city councilman, began to speak, 40 American Nazi Party members carrying signs abusing Negroes marched in protest across the street. Members of the Jewish Community Center changed insults with the police. On 7 June, an ST contingent led by TL Richard Saunders picketed the anti-White movie, "Shaft Goes To Africa."

To the complete surprise of the Black patrons, the ST began picketing with signs that read, "White Power," "Shaft Shows The Way," and "Blacks Back To Africa." From the beginning, the Black mob surrounded the picket line and unsuccessfully attempted to force the ST men to leave.

After an hour of constant harassment, the crowd had grown to greatly outnumber our men. Only then did the Blacks get up enough courage to attack. The ST fought off repeated waves of niggers. When the police showed up and separated the two groups the ST, having accomplished its purpose, marched away in exemplary fashion.

There were many requests for Party literature from both police and White bystanders after the demonstration had concluded.

On 9 July, Southern Ohio comrades demonstrated against a Cincinnati school board plan to racially mix local schools.

While two comrades handed out leaflets to those going into the meeting, others picketed with signs reading, "Race-Mixing Stinks" and "Schools—Not Jungles." Hundreds of interested White people were reached despite the agitation and heckling of a large group of Blacks.

As a result of the event, one comrade was interviewed by a local radio station and coverage was given by two area television stations

## White Power Message In Chicago

A White Power Message went on the air in the Windy City on 5 July. The actual installation of the WPM is the culmination of months of preparation by the Chicago Unit. Although the message has been in operation only a few weeks, it is already operating at almost 100 percent of capacity. This is an important step in the Chicago Unit's drive to reach more White people with the message of National Socialism. The number of the new WPM is: (312) 784-3960.

On 14 July, a contingent of Chicago-area National Socialists attended a local German Day celebration. Near the entrance they erected a large tripod with a huge photograph of Rudolf Hess, which attracted considerable attention. Later the National Socialists mingled with the crowd and talked to people concerning the Party and its goals, and handed out a large number of Party newspapers and leaflets.

The local German newspaper reported the event, complete with a picture of our comrades.

## Party Appointments

GL Clifford Ward has been named Headquarters Manager of the Party National Headquarters. He formerly served as Senior Duty Officer in Arlington.

GL Richard Biederman, who transferred to Arlington from Cleveland on 9 July, has been appointed Organizational Secretary of the Party. In this new post, he will be responsible for all matters relating to organized units. Mr. Biederman is also in charge of NS Publications.

Joseph Bishop, who formerly managed NS Publications, has been appointed Party Membership Secretary. In this new position, he will handle all matters dealing with individual membership and supportership. Mr. Bishop is also acting as Corresponding Secretary for the World Union of National Socialists.

Dave Kerr, of the Los Angeles headquarters, has been named District Organizer for Southern California. He replaces outgoing Philip Fogarty, who recently resigned the post due to personal relocation.

## National Socialist Wedding In Arlington

On July 14, Party Comrade Harold Covington was wedded to Miss Lucille Wesson in a National Socialist ceremony at National Headquarters. A number of comrades from the Arlington-Washington area attended.

GL Clifford Ward officiated at the ceremony.

## Further Information About The Congress

### ACCOMMODATIONS:

Enclosed with this Bulletin is a separate sheet giving the location of some local motels in the Cleveland area including their rates. Also on that sheet are some specifics concerning public transportation in Cleveland, along with a map showing the location of the different motels. At this time, all delegates should make reservations directly with one of the motels to ensure that they have adequate lodging. Unfortunately, the National Headquarters will not be able to arrange any lodging for anyone other than full-time Staff personnel.

### REGISTRATION:

This will take place in the Party bus which will be located in front of the Cleveland Book Store at 10012 Lorain Avenue. Registration will be from 12 noon, Friday, 31 August, continuously until 10 a.m. sharp, Saturday, 1 September. Upon your arrival in Cleveland, please be sure to register promptly. All Official Supporters should make sure that their pledges are up to date and all Party Members should have their tithes paid up. Any comrade who cannot arrive and be registered by 10 a.m., Saturday, 1 September, should notify National Headquarters so he can be registered at some other time. You will only be allowed at the actual Congress site after you have been properly registered.

### TRANSPORTATION:

At present we are trying to arrange rides for all those who have already requested them. Unlike past Congresses, however, we have received more requests than offers for transportation. If anybody feels that he can give a comrade a ride to the Congress please contact National Headquarters immediately. We are especially in need of rides from points south and east of Cleveland.

### FILM:

As stated in a previous Bulletin, "Triumph Of The Will" will not be shown as part of the regular Congress. Instead, it will be shown Friday evening, 31 August, at 8:30 p.m. For details, see Bulletin No. 137.

### ST MARCH:

All male comrades attending the Congress will be expected to participate in the ST march. Any male delegate not marching will have to personally be excused. Those who cannot march will be given other duties such as transportation, camera work, etc. All those marching will be expected to be super-squared away concerning their uniform and general appearance. Boots should be spit-shined, shirts neatly tailored and in general each trooper should have a very National Socialist appearance.

### TELEPHONE:

After 29 August and during the Congress, a special number will be in operation for all comrades to call upon their arrival in Cleveland to discuss Congress-related matters. The number is 631-5492. Also, any questions concerning the Congress may be directed to National Headquarters: (703) 524-2175.

### Notes From NS Publications

The booklet, "In Hoc Signo Vincens," is again in stock. It is 50¢ each or 5 for \$2.

The book, *Myth of the Six Million*, is again in stock at \$2 per copy. We still have a good supply of the book, *Nazi Seizure of Power*. Although the book contains some anti-National Socialist feeling in the second half, the first half should be read by every person who desires a better understanding of National Socialist tactics. The book sells for \$2.95.

Effective until the end of the Congress, armbands will be on sale at the special price of 3 for \$5.

NS Publications is now carrying the record, "Col. Charles A. Lindbergh Addresses The Nation." This is an excellent quality recording of some of Col. Lindbergh's most famous speeches made in an attempt to keep the U.S. out of World War II. Included are his speeches at Madison Square Garden in New York and Soldier Field in Chicago. This record sells for \$5.

## EXPOSING THE HATERS

By DAVID BORAC

### Hess

An old and unstable one-time Nazi leader is emerging as the new rallying point of the neo-Nazis. Rudolf Hess, former number 2 Nazi to Adolf Hitler, the man who parachuted into England on a mysterious "peace" mission and who was sentenced at Nuremberg to life imprisonment now sits in a Berlin cell and does not even know that he has become a "martyr."

The American Nazis, in the form of the National Socialist White Peoples Party (NSWPP), has for a number of years demonstrated on behalf of Hess and demanded his release. Recently, a bizarre plot to hijack a plane and take it to Moscow (sic!) in order to dramatize Hess' "plight" was reported. But the most dramatic event of all was the message sent by a pro-Nazi group to the Paris offices of the Reuter wire service, to the effect that it was responsible for the blowing up of the Soviet super-sonic passenger plane, the TU-144 at the Paris air show.

The plane, which blew up in mid-air as 300,000 spectators watched, was the pride of the Soviet civilian plane fleet. It had been hoped that it would beat out the Anglo-French Concord in the competition for air passengers. Its destruction was a severe blow to Soviet prestige and economy.

### Meanwhile, back in America...

The attack on Israel, begun and being intensified on the Left, finds parallel action on the Right. Indeed, one of the remarkable things about the Haters at opposite sides of the poles is the fact that — while they may differ on almost every other issue — and violently so — on the issue of Israel they are amazingly in agreement: It must go!

Thus, the opposition of Senator William Fulbright, to the tax-exempt status of the UJA is well known (his hearings several years ago, aimed at abolishing the status of Israel-oriented institutions is just one example). Now, the NSWPP comes along and in a front-page story in its White Power rag, says:

"Every big money power has its own gimmick... But one of the biggest tax swindles of all is reserved for the Chosen People. It is a little known fact that all donations to the United Jewish Appeal, United Israel Appeal, Israel Bond purchases and other Zionist money schemes are tax exempt! Every year rich Jews pour millions of dollars of their ill-gotten wealth into these 'charities'."

The headlines over the story reads:

"Rich Jews evade paying taxes

through phony Zionist 'Charities'."

In addition, one is struck by the incredible similarity of the Right and Left Haters' response to the downing of the Libyan plane. While the Communist Progressive Labor Party showed a cartoon with Golda Meir and Moshe Dayan, surveying the wreckage and saying: "Ach, that's 100 less for the cremation..." the Nazis show a photo of the plane, Golda Meir, Dayan, and Yigal Allon with the caption:

"So what's a few goyim already?"

It is also interesting to know that while one might expect the Haters who want to get rid of Jews from Aryan societies not to object to a Jewish state where the Jews would not "bother" anybody, the fact remains that the hatred for the Jew is so intense that only the elimination of Jews everywhere will suffice.

The above article appeared in the July 6, "Jewish Press" newspaper published in New York.

The article shows the reader that the Jews recognize the threat that National Socialism poses to them.
