

AMERICAN NAZI NEWS SERVICE

Bulletin - Special!

Arlington, Virginia: (NTA -Nazi Telegraph Agency) The American NAZI Party announced today that it had captured Isidore I ipshitz, the famous Jew who is alleged to have been responsible for the murder of two hundred and forty billion white Christians, and is holding the famous Jew incommunicado in the basement of its Nazi Headquarters at 928 Randolph Street in Arlington, Virginia.

The Nazis announced that I ipshitz voluntarily kidnapped himself from Israel, where he was living comfortably with his wife and children, and managed to force himself into a secret Nazi airlift which happened to be in Israel at the time. Now Isadore is voluntarily sitting in the Nazi dungeon (incommunicado), torturing himself and conditioning himself so that he will be able, later, to stand in open court and moan about his guilt in murdering the two hundred and forty billion Christians. He demands to be hung, (voluntarily), but is willing to accept a life of fiendish torture in the Nazi terror chambers in return for the privilege of writing a book about the sex life of the vile Jews.

I ipshitz sits in his air-conditioned, cool cell, (often getting down to 20 or 30 degrees, --and sometimes to 120 in the shade of the water-closet), flooded with the soft, soothing glow of two-million candle power arc-lights which gently illumine his classic Jewish features, comfortably attired in a pair of light, airy thumb-screws, writing his little heart out about the filthy sex-practices of Israeli leaders he has known intimately. Quite intimately, apparently.

It is fortunate for the Nazis that I ipshitz has voluntarily kidnapped himself and is voluntarily sitting in the Nazi dungeon voluntarily writing this amazing revelation of filthy Jew sex-practices, -especially at this time, as quite a few people were beginning to doubt the loudly proclaimed Nazi story about the two hundred and forty billion poor Christians murdered by I ipshitz and the Jews. Now, of course, with Isay himself writing the horrible truth, -voluntarily, -and being groomed for the Soviet style performance in open court, there can never again be any doubt of the grim tale of Jewish slaughter of the 240 billion innocent Christians.
