

EMERGENCY APPEAL FOR FUNDS!

FELLOW WHITE AMERICAN,

On May 28th 5,000 Zionist Jew traitors gathered at the Los Angeles Shrine Auditorium to celebrate the 15th anniversary of the rape of Palestine. Storm Leader William Krauss led a squad of American Nazi Party Storm Troop pickets into the very heart of this nest of Jewish vipers. For ten minutes the screaming mob of vicious kikes watched in horror as the five lone White American boys exercised their Constitutional Rights by carrying signs that said, "ZIONISM IS TREASON" and "85% OF ATOM TRAITORS COME FROM JEWISH RACE"! Guilty consciences drove the cowardly zionist traitors insane with fear. They worked up their so-called courage and attacked the tiny group of brave Nazis. After five minutes it became obvious that the police would have to rescue the attackers from the Nazis. In good faith, the young Nazis attempted to cooperate with the brutes disguised in the blue uniforms of the Los Angeles Police. Little did the lads know that THESE "police" were from the notorious UNIVERSITY DIVISION! Without warning these University Division "beasts in blue" clubbed the defenseless Nazis from behind. Instead of arresting any of the attacking criminal Jews, these beasts in blue beat and kicked the young Nazi Patriots as they lie handcuffed and helpless in the street. Mrs. Bonnie Holstein, mother of a 3 month old baby boy, fainted as she watched a monstrous sadistic animalistic nigger cop stomp his heavy boot into her husband's face again-and-again-and-again!

These American heroes are the same brave lads who stood up to 3,000 Jew Communist "Peace Creeps" in McArthur Park a few weeks ago. Every week they have gone out to legally defend the Right of Whites against the Jew led CORE integration agitators.

These young Patriots face maximum charges of 22 years each! They did nothing but defend themselves when attacked by hordes of vicious terrorists. There is an unlimited number of hysterical Jews—complete with phoney tattoos and onion peelings, violins, etc. ready to testify that five boys attacked a mob of thousands. They are held under bonds of \$5,250 each. Jewish police have attempted to murder them in the blood-stained headquarters of University Division. They are kept isolated from each other. They are crowded into tiny unheated cells filled with dangerous razor wielding criminals. They are forced to sleep on cockroach infested floors. They are not even allowed to see their wives and children.

FELLOW WHITE MAN!

FELLOW AMERICAN!

You can't afford to lose these brave young Patriots. In this dark hour of our Race and Nation, one young man with the courage and burning idealism to stand up and be counted is worth 10,000,000 ordinary apathetic "beat-nicks". You can't afford to let Jew terrorism and police brutality trample on the Rights of one more single White Christian American. Our best Patriots are being picked off and destroyed one by one. This must stop! If America and the White Race is to live, if you and all you hold dear are to survive, WE MUST WIN THIS

LEGAL BATTLE! We need \$20,000 for legal funds! How long can we expect the cream of our Youth to risk their lives, when the very people who have the most to lose, won't stand behind them? If we don't get \$20,000 NOW- If these heroes are railroaded away for 20 years of their young lives- because White Americans won't stand behind them when they need help so desperately- If they are let down- THEN WHERE, WHERE WILL WE FIND THE ARMIES OF BRAVE YOUNG MEN THAT WHITE AMERICA WILL ABSOLUTELY NEED WHEN RED MOBS ARE RIOTING AND LOOTING IN OUR STREETS AND CHURCHES???

Stand behind these heroes today, and we win the confidence of those hundreds of thousands of brave young idealists we will need so desperately tomorrow if our Race and Nation is to survive. When maddened Red and black mobs are burning, raping, murdering, and looting- When the only force that can and will save White Christian America are divisions of White American Storm Troops- then you will get down on your knees and thank God that you helped today.

We have won over many officials in the Post Office,--and we can tell you WE GET OUR MAIL. If every American who gets this appeal will put what he can afford into an envelope NOW,--and mail it immediately (Anonymously if you wish), we can not only get our lads out of that vile Jew-run black prison, we can PUNISH the Jews who have stolen Los Angeles from our kind of people and are using the Police to persecute the White Christian Americans who BUILT this wonderful Country they are now abusing.

You can show these filthy scum that the days when nobody dared stand up to them are OVER. Our young men are trained, disciplined and eager to protect our rights to SPEAK TO AMERICA! WE have the Jews running scared now; with your help we will drive them back into the sewers where they belong!

No matter what you are doing, won't you please stop long enough NOW to put some cash into an envelope and send it to Box 42545, L.A. 42, Calif.? It will mean the difference between life and death to your Country, your Race, your Christian Republics,--and five brave Americans who are now at the mercy of the enemy.

I personally pledge every contributor that we will deliver more FIGHT per dollar, and more progress toward a free White America,--than can be gotten any place else on earth. We are winning at last,--we are done talking and hoping, we are bashing them when they come to kill us, and teaching them that THE WHITE MAN IS STILL MASTER!

In Dedication to White Christian America,
