

LAST MINUTE FLASH!

Enclosed are two reprints. One is from the front page of the Communist "WORKER". The other is from the front page of a Chicago paper - a statement by the so-called Jew War veterans.

From these you can see better than anything we could say or write, that we have the enemy in a spot - we have our finger "on the button"! Never before have the White people of this country had such an opportunity!

It's still not too late for you to have a share in this historic event in Chicago!

We DESPERATELY need all the help we can get. Unless you already have something on the way, will you do what you can?

The Commander is already in Chicago, and I am getting this out at the last minute before the march on the niggers.

If you have not already sent a donation, PLEASE DO SO NOW!

They need CASH up there in Chicago. Put all you can in the enclosed envelope and mail it as fast as you can - airmail, if necessary - directly to Chicago! They will need help even AFTER the march for legal expenses.

FOR WHITE POWER...
