

AMERICAN NAZI PARTY

DIVISION OF NATIONAL SOCIALISTS

P.O. BOX 5066, SAN FRANCISCO, CALIFORNIA

YF-77

Dear Member or Associate

A reorganization and enlargement of the San Francisco Bay Area Unit of the American Nazi Party has recently been in process, with greater interest, participation by more people, and more equipment, capabilities and materials available than ever before. New leadership and recognition also have elevated the status of the local unit to that of a professional, business-like organization, producing results far in excess of those expected for this period.

Our established loyalty to time-honored policy remains unchanged. Our authority is conferred directly by National Headquarters at Arlington, Virginia, of which we are a subordinate unit.

Your name has come to our attention as an interested party. Would you please advise us of the extent of your current interest, by contacting us at the above address or calling the official Party telephone number in San Francisco, (415) 647-5981. Then, with your permission, we will enter your name on our regular mailing list, sending literature in unmarked envelopes if you so request. We must hear from you in order to retain your name in our files. Thank you.

Membership requests should be directed to National Headquarters. Contact: American Nazi Party, Post Office Box 5505, Arlington, Virginia, 22205, Attn: Major Matt Koehl.

Many people have found that their principles correspond almost identically with those of the American Nazi Party, but as a result of unnecessary fear, they fail to contact us; they must either admit that they have been Nazis all the time without knowing it or that they have been forced to lie to themselves concerning their real principles. For explanations of the Party platform, please read the enclosed literature. Fear of association should not be a deterrent to participation, as all activities are reported to law-enforcement agencies before they occur.

A donation of one dollar or more sent to this unit will bring approximately fifty different pieces of Party literature.

Thank you very much, and please let us hear from you, giving your present mailing address if it is not as appears on the cover.

Heil Hitler!

AMERICAN NAZI PARTY
