WORLD UNION OF NATIONAL SOCIALISTS
P.O. BOX 5066, SAN FRANCISCO, CALIFORNIA

YF-77

Dear Member or Associate

Enclosed is a copy of a flyer being distributed by the thousands in this area, announcing the forthcoming rally to be held by the San Francisco Bay Area Unit of the American Nazi Party. We would like to make this special personal invitation for you to attend. Addresses will be delivered by spokesmen of the organization, including Captain Ralph O. Forbes, West Coast Division Leader from Los Angeles, Lt. Allen Lee Vincent, local Unit Leader, and guest speakers from other organizations, including the Ku Klux Klan. Huge flags, and a background of martial music, plus a special surprise event, will be featured. This is an occurrence you can't afford to miss. Come and protest with us, or help if you wish. Bring your swastika armband, or just come and observe like a casual bystander. We have literature - both identified and unidentified as being sponsored by the party. Perhaps you'd consider helping us distribute either variety to spectators on the spot or anonymously in the crowds. In any case come, no obligation, or contact us in advance, to see if there's anything you'd like to help with.

In addition to the above, we have a very special event coming up, which can be attended only by those whose association is very close. If you are interested in further information concerning this event, be sure to inquire; this will be another occasion you can't afford to miss.

Did you watch our recent local (as well as national) appearances on Television - discussions, debates, even news broadcasts?

For those few who are not responding to our correspondence, drop us a note, if you will, informing us, at least, that you receive our mailings and are or are not interested in continuing to receive notification of party affairs and activities.

(Also, if you wish, please write to the National Headquarters, Post Office Box 5505, Arlington, Virginia, for printed matter, for information, or just to advise them that you are interested.) Our mailing list is increasing so rapidly that the expense of keeping everyone informed is becoming a subject of extreme concern, especially if some are not interested. Soon we will have no alternative but to drop the names of persons who are uninterested because of the size of our list and the increase in our workload. Therefore please notify us that we should keep your name on file, or, if you prefer, drop us a dollar or so to help maintain our mailing information program, and to keep you as an individual up to date. Association with the party is neither illegal nor dangerous - so call, or write, using an unmarked envelope if you wish. If your own activities have been lawful, you have nothing to fear because of such association - since law enforcement agencies are fully aware of party activities; we are not engaged in any unlawful involvements.

You may contact us by calling the official telephone number of the local unit, (415)-647-5981, in San Francisco. If there is no answer, or the line is busy, be persistent - try again.

We have now reached that current peak where the mail volume of our advertising program requires added costs for electronic stencils, machinery, stamps, envelopes, paper, ink, etc. There are also, of course, many concealed costs. For a full report, please attend our meetings. We would be pleased to discuss the matter with any member or associate so requesting. This is that big opportunity we informed you of earlier! Send your donation to this unit and a written report will explain how it and general funds are appropriated. We are in urgent need of your contributions at this time. Thank you!

Additional volunteer uniformed personnel are needed once again for duty at demonstrations. Special recognition is accorded to these leaders of the organization. Answer the call - no obligation - just inquire! Uniforms and accessories provided if required.

Recently our National Headquarters purchased for the Commander, for use on his speaking tours, a Camper-mobile which provides him with convenient working and planning facilities enroute as well as the transportation required, and, additionally, includes accommodations permitting him to deliver speeches, with (or without) his public address system, from the roof of the vehicle. This purchase was made with trading stamps contributed intermittently by our supporters, and handled through the Dallas Headquarters. Many other incidental items that the Party requires are purchased similarly. We would like to request any kind of trading stamps, or as one of our supporters once said, "Blue Chip - S and H Green. Gold. Purple. Polka-Dot, or Integrated". Any kind of stamp.....Send to our local Party Headquarters, and we will forward them. Best of all, bring the stamps when you come to a meeting.

We are earnestly trying to expand our local organization by as many methods as possible. We feel you can be of assistance in this effort also, if you will - it's quite easy. Just send us the Names, complete Mailing Addresses and Telephone Numbers of persons whom you know to be of corresponding opinions. Actually, sit down a second and think - whom do you know who might be motivated by similar ideals? Take time to think of some. We will - without revealing your name unless you request - send that person Party information or any particular literature you consider advisable for their special inclinations.

Please remember - be sure to call us at the new, official telephone number for the San Francisco Bay Area Unit - (415)-647-5981.

Heil Hitler!
