

NEW PROGRAM  
of the AMERICAN NAZI PARTY

Preamble

The ability to create, love and maintain real free government is almost solely the product of the inner nature of White Europeans. Other peoples, with few exceptions, are born without any real understanding of the responsibilities of a citizen in a so-called "free democracy". Even when outside forces give non-White, non-European peoples their political "freedom", their natures promptly put in motion the forces which produce the kind of despotic government suited to their inborn qualities of spirit.

It is important to note that no Negroes and no Jews signed the Declaration of Independence or the Constitution, nor did these people of fundamentally alien natures think the thoughts which created this greatest of all man's political inventions, the American Constitutional Republic.

The United States was created by White, Christian, European people, who not only demand freedom, BUT KNOW HOW TO ACCEPT ITS RESPONSIBILITIES.  
As long as no significant number of non-Christian, non-White people got involved in American policies, most citizens enjoyed their privileges as free citizens, obeyed the laws and accepted their responsibilities regardless of whether their political party was in power or in opposition.

But we first made the mistake of bringing over here from Africa, black savages who, for hundreds of thousands of years, never built a stone city, never invented a wheel, never made a sail, never explored, never set up a "free" government, worked their women in the fields, sold their children into slavery, and often ate their own brothers. We then compounded this mistake by turning this child race of savages loose in our "free" government, although the vast majority of blacks had no understanding of nor love for our kind of Constitutional government with all the responsibilities it puts upon each citizen. In the middle of the 1800's, fanatic "abolitionists" in the North forced through new laws, utterly overturning the Constitution set up by the Founding Fathers, in order to make the simple, animalistic Africans the "equal" of the White European--although Nature had been unable to do this since the beginning of time. These fanatics even tried to set the Blacks over the Whites in the South, and only the courage and naked terrorism of the Ku Klux Klan put an end to this Black horror.

Then, about the end of the 1800's, as America became fabulously prosperous, we welcomed to our shores millions and millions of Jews, who, while often brilliant and clever, have totally different natures from European Whites. While the White European is, by nature, a worker, inventor and producer--the Jews is, by nature, a parasite who lives off his wits, by trade, usury, schemes and often outright criminal economic activity. It is not because of persecution that there were almost no Jewish pioneers, no Jewish cowboys, no Jewish colonies in the early West. The simple fact is that Jews do not like to till the soil nor sweat for their living, preferring to exploit others who do the sweating and producing for them.

By about 1910, the presence among the relatively homogeneous White Europeans in America of these two groups, the Jews and the Negroes, began to force an ugly change in our once free, White, European government. The Jews flocked to the doctrines of their fellow Jew, Karl Marx; many of them became fanatical Zionists, favoring Israel above America, and almost all of them discovered the Negro as the ideal material for social chaos and eventual Red revolution.

A large group of Jews and a few Octoroons formed the NAACP, led by a Jew president ever since, and heavily financed by more Jews. Other Jews moved into labor and got Marxist class warfare going dividing our people into the upper, ownership class and the lower working class both hating each other. They commercialized everything, including pornography and vice and they began the systematic debasement of our art, literature, press, etc., filling these up with Jewish propaganda for race-mixing and the deadly doctrines of Marxism. They promoted the idea that our free government meant a government of libertinism and anarchy with the government responsible to maintain and help breed "citizens" who would not or could not carry their own share of the load, particularly Negroes. By the 1950's, these revolutionary, Marxist, Zionist Jews had managed to use the mountains of gold they had won in Wall Street speculations and manipulations to buy effective control of our newspapers, television, radio, magazines, movies and other media for influencing the minds of our White, Christian European people. These Jews have used this power over the Gentile mind relentlessly to drive into the minds of our people, especially our youth, that salvation from the very Marxist and race-mixing disease they have spread lies in ever more and more "freedom" for those who are causing the horror to promote still more Marxism, race-mixing, moral degeneracy and finally anarchy and revolution in the streets.

The American Nazi Party declares that it is time to call a halt to this murderous process and to name the names of our destroyers before our White European and Christian country is finally and openly seized by radical Jews, using the Negroes as their army of Red revolution.

We insist that the basic problem is not economic; not capital versus labor; not liberal versus conservative; not religious; not protestant versus catholic, nor religious versus atheism; not sectionalism, with the North versus the South; not rich versus poor; and especially not "democrat" versus "republican". All these things serve to divide the already collapsing White European majority against itself so that it cancels itself out at the voting booth and turns all political power over to the Jews who have systematically voted pro-Jewish and to the Negroes who have voted almost solidly pro-Negro.

The American Nazi Party declares that there is only ONE issue on which all White European Americans can UNITE at last to enforce the will of the majority over these arrogant pushing minorities, and that one issue is RACE. As long as the Negroes vote black, and the Jews vote Jewish, while the Whites divide themselves equally against each other and cancel each other out, the Jewish and Negro minorities will contain the White Christian majority. The only answer to this crazy division and impotency of the White Race is WHITE POWER--the organized systematic movement to unite the White Race into a political party capable of recapturing and controlling our own nation.

We do not believe that it is possible or desirable to win power by force and unlawful means, both because it is impractical and because power based only on force cannot long survive. Therefore, we shall use only legal and persuasive means to win elective power, after which we shall enact the following program by lawful means.

#### Constitutional Convention

To restore order to our fragmented and anarchistic society, to insure that the White Europeans who created America remain masters in their own homeland, with persecution for no minority, but an absolute end to the "right" of a minority to tyrannize, terrorize and live off the genius and sweat of the majority, and to insure that we act with the consent and approval of a majority of the American people, we shall call a Constitutional Convention to amend the Constitution as the people and their delegates may see fit, immediately upon being elected to office.

### No Negroes in American Society

Through no fault of their own, most Negroes are biologically unable to compete with the White Man in modern urban civilization. No amount of subsidy or pretense that "equality" can hide the fact that growing millions of these unfortunate African blacks, frustrated by their own inadequacy and ceaselessly agitated by Jews and Marxists, are reverting to their savage heritage in the middle of our great cities and turning them into uninhabitable jungles. While there are a few Negroes able to succeed in White society (mostly mixed-bloods), the vast majority of Blacks constitute a problem which must be solved immediately and radically if America is to survive. Therefore, we shall propose a Constitutional amendment withdrawing citizenship for Negroes, providing aid to help all Blacks who wish to do so to return to Africa and get established there with homes and jobs, and further providing for the remainder of U. S. Negroes to be placed on U. S. reservations, so that there will be no Negroes living among our general population.

### An End to Treason; Marxist and Zionist

We have massive evidence that hundreds of thousands of "Americans", mostly Jews, but including many non-Jews, have been engaged in open treason against the United States and its people ever since 1913. This evidence has been systematically and consistently suppressed by officers and agents of the executive department of our government, particularly in the Justice Department. We shall place this evidence before Federal Grand Juries. Wherever there are indictments, as provided by present laws, we shall place the defendants before Federal Juries for trial. All suspects who are found guilty of treason by these juries shall be punished by death, as provided by the U. S. Constitution.

All those convicted of aiding and abetting Communist or Zionist or any other conspiracies of treason against the United States and its people either as accessories before or after the fact, or of actively and knowingly preventing the exposure and prevention of treason, shall be punished appropriately and vigorously.

### Crime Prevention and Reform

We shall abolish the subtle but deadly brutality and senselessness of penitentiaries, which rehabilitate almost noone, breed homosexuality and degeneracy, and serve as schools for professional criminals. We shall reinstitute public and speedy corporal punishment, close enough to the time of the crime to serve as a real deterrent. Those

who persist in a professional life of crime, will be permanently removed to colonies for development of natural resources or, if still intractable, executed. We shall use whatever force may be necessary to insure that rioters, looters, etc., are shot on sight, and that every single street and park in America is perfectly safe at any time for any woman or law abiding citizen.

To remove the weight of money from the scales of criminal justice, we shall make all defense attorneys, as all prosecutors, paid officers of the court, with assignment of defense attorneys to defendants by lot. And to insure speedy justice, we shall pass laws requiring all criminal cases to be finally disposed of within 90 days from time of arrest, including all appeals. We shall take whatever measures may be necessary to see that this is done with justice and without fail by the judiciary.

There will be no such thing as "bail", and all accused, except in capital cases, will be freed pending trial, with very severe penalties for failure to appear at trial.

#### Religious Freedom

We shall insist on absolute religious freedom for all, including freedom to subscribe to no religion. However, as long as America is overwhelmingly populated by Christians, who founded the nation, we believe the majority has the right to practice their religion and pray as they may wish without interference by "minority groups". We shall insist on the right of any population group to vote to sing Christmas carols or follow any other traditional ceremonies where and when they please, so long only as they force no one else to go along with them. At the same time, we will not tolerate the current practice of Communists and subversives of turning their collars around and demanding "religious freedom" to destroy our people and our government in the name of "religion".

#### Press Responsibility

We shall make it a criminal offense for any owner of any medium of public information or entertainment, such as newspapers, TV or movies, to CONSCIOUSLY lie to the public about any major national issue. There will be no censorship of advocacy, XE but a jury can and will decide if the owner of a public information or entertainment medium has consciously and purposefully misrepresented or withheld facts from the people by lies, omissions, deletions or any other methods whatsoever, when he knew differently than he published.

### Economic Sanity

We shall put an immediate end to the **biggest** financial fraud in the history of the world by abolishing the Marxist progressive income tax and stopping the financial bleeding to death of our economy by greedy bureaucrats who dole out billions to our enemies abroad and other billions to armies of idlers at home.

We shall restore the nation to sound finance by stopping the issuance of money on the basis of debt, as is currently done, and issuing money solely on the national credit as provided originally in the Constitution.

We shall remove all unnecessary controls from labor, business and the farmer, allowing free enterprise to establish natural and workable relationships. The government will keep hands off all honest enterprisers so long as they do not coerce one another, take unfair advantage or threaten the whole people, in which event compulsory arbitration will take place.

No one man or group will be permitted to profit from ownership of any public necessity which constitutes a monopoly. Whenever competition would be impractical or impossible, and the goods or service in question constitute a public necessity so that the public become captive consumers, ownership of such public necessity shall be vested only in the whole people, and maximum economic efficiency assured in the operation thereof by competitive management on an individual basis.

### World Order

We shall immediately cease all support of and participation in the Marxist and Negro United Nations, and expel from the United States all United Nations personnel.

At the same time, we recognize the tragic impossibility of a continued state of anarchy among nations, with consequent regular wars and slaughters of our best people.

We believe that if the White Race on the planet stands together, outnumbered though it is 7 to 1 by the colored races, its superior genius and technology will enable the White Race to establish the peace of the White Man all over the earth, as the Romans once did and the British did more recently.

We therefore pledge all efforts to create a working confederacy of all nations of White European stock to help maintain world order, to bring the blessings of real peace, international responsibility and political sanity to the peoples of the earth.

### Social Justice

We shall enact laws to protect every honest working citizen from unforeseeable and ruinous catastrophes of all kinds; to assure him of education and training to the top level of his capacity (but ONLY to that level); to assure him of vital medical and hospital facilities by providing medical coupons usable with any physician and redeemed by the government; to insure that every working man can earn enough to live decently without mortgaging his future through easy-payment debt and through guaranteeing all workmen, after a certain period, a guaranteed annual wage; to make easily available to all citizens major recreation facilities, such as vacation cruises, which give life zest and color, but which are presently dependent on wealth; and to do all that may be necessary to protect the people from political and economic exploitation by any individual or group.

### Respect For Home and Family

We shall take vigorous measures to restore to women the dignity and status they deserve as the creators of our citizens, and to eliminate the terribly disruptive idea that being the mother of a family is a job for any ignorant female, that she is just a drudging "housewife", that a woman must do something MORE, something masculine, to prove she is "equal".

We assert that a cultured, professional, thoroughly capable MOTHER is the equal of any man on earth, and will see to it that society recognizes that fact.

On the other hand, we shall eliminate from our civilization the disruptive doctrines of a false "equality" --meaning sameness with men--which is masculinizing and frustrating millions of our good women, breaking up our marriages, and wrecking our sacred family life. We shall encourage the restoration of the father as master of the home, grant subsidies where necessary to give the home and children a full-time mother, and promote in every way the rebuilding of the home and family as the very fountainhead of goodness in our people.

We shall put an end to the foolishness of "progressive education", and give our youth a disciplined ability to think and understand, rather than "social values" which they should get in the home.

## Control of Liquor and Gambling

Since we recognize that it is utterly impossible to suppress entirely drinking and gambling in human society, we shall remove these two sources of much crime from the criminals, and establish a generous national lottery, and place the sale of alcoholic beverages under a control board. At the same time, we shall ruthlessly suppress all forms of vice, such as prostitution, dope addiction, homosexuality, etc., which are NOT universal and necessary, and which cannot be tolerated in any form without breeding disintegration and disease.
