It's all FREE! Christian "People's" Drug stores doesn't want to let you enjoy this show, and threw the performers OUT, but good old Mr. Elsberg, president of Drug Fair, offers you this unforgettable experience of race-mixing, pinko-ism, and humiliation of white men!

The American NAZI Party is grateful to the Jews for providing all of us with this wonderful circus. Now you can SEE with your own eyes what we have been telling you, --that Communism and race mixing are JEWISH, --and that they are WINNING because they have managed to convince so many Americans that it is "hate" to discover and admit that FACT.

I was in New York yesterday, June 9, 1960, --and saw the crew in the office of C.O.R.E., at 38 Park Row, --which masterminds these sit-in lunch-counter demonstrations, and has "wade-in" demonstrations planned for all your beaches later on. Marvin Rich, a New York Jew, is the "White Man" who has organized and coached the ignorant Negroes in this disgraceful effort to push out the White Christian American from the civilization he has built.

Everything you see in the demonstration is PHONEY, including the Bible-reading bit, which the Jews advise the Negroes to do to keep the White People intimidated. It is strictly Madison-avenue, and is designed to CONDITION you to DEFEAT at the hands of militant minorities. You are supposed to be ashamed to be a White Christian American, while the Jew and the Negroes are taught to be PROUD of their race, as YOU SHOULD BE!

The circus made a token visit yesterday to the People's Drug Store, --and they were promptly heaved out by the CHRISTIAN President of the chain, Mr. Burrus. Then they went to the JEWISH chain, Drug Fair, where Mr. Elsberg, the president, makes a show of resistance, but keeps his circus going when he could ask the Negroes to leave his private property and have the police arrest them if they refused.

That is always the pattern. The Jews pushing YOU with the innocent and ignorant Negroes, and most White Men are too superficial to SEE it. They hate the blacks who seem to be pushing, and the blacks hate the whites who seem to be keeping them down and mistreating them. Actually, it is the JEWS who are running the sweat-shops for Negroes, selling them trash on time payments and then garnisheeing their miserable "wages", and renting them roach overrun hovels. It is the Jews who organize and USE the Negroes politically, and the Jews who keep our people defenseless and ignorant with their "tolerance" propaganda and their ruthless suppression of simple TRUTHS about them which they call "hate".

The same Kikes who howl for our heads as "un-American" are also the voices of "moderation" who howl about "rights" when there is any effort to discover and oppose COMMUNISM. They demand that Ike suppress the NAZI party, --but they are silent about suppressing the COMMUNIST Party. They howl for NEGRO and JEW rights, --but when the Whites want THEIR rights, --this is called "hate" and "un-american racism".

WHITE MAN, WAKE UP!

We use the swastika and the name Nazi to JOI N you awake, in spite of the Jew press black-out on us, --and it WORKS! Our tactic scares away the timid talkers, the sneaks and the phoneyes, --and attracts the bold, brave men which The American Republic and the White Race MUST have if they are to survive. The Jews are finding it impossible to HIDE us!

If you are tired of COONS, COMMUNISM and KIKES, --come on over and talk to us.

We are all veterans who fought for and love the United States of America. We are all prepared to die or go to jail, if necessary to see that America and the White Man are NOT ALLOWED TO BECOME COMMUNISTIC, JEW or NEGRO DOMINATED. We hate NOBODY except people who try to destroy our race or our nation, --and these traitors we will kill, as the U. S. Constitution prescribes.

When you are sick of whispering and being pushed around, White Man, come over to 928 N. Randolph Street, Arlington, or call JA 4-5831. Only INTELLIGENCE, ORGANIZATION, AND FORCE can save our people and Country, --and only the American NAZI party has that combination. Hear our message every Sunday at Constitution and Ninth in D. C.!
