

the

ARITHMETIC

of

patriotism

With enough money, -with billions of dollars, -almost any well-informed patriot could save White Christian America from the Jew-Communists, Zionists and race mixers.

If you could buy, for instance, a whole TV network, four or five huge newspapers, a motion picture studio, and maintain a national network of paid operators, -like the ADL, it would be easy to shock our people awake by the deadly facts of the Jew-Communist-race-mixing conspiracy.

But no one dedicated patriot has that kind of money. Even Russell Maguire, with his eighty million dollars, ran away when the Jews really blasted him, and he sold out Mercury. H. L. Hunt, with his hundreds of millions, is too timid even to mention "International bankers" like Maguire. The men with the real money, who could laugh at the economic terrorism of the Jews, the starvation and agony which has ruined so many poor patriots, -these men simply are not yet sufficiently aware of the deadly danger and the lateness of the hour to pour out their money the way the Jews do. They continue to "fight" "safely", -as "conservatives", while the Jews march over our necks.

The problem of saving America in TIME, therefore, reduces to the problem; how can POOR men reach the great masses of American with the truth about the Jew-Communist and race-mixing conspiracy to SHOCK them into DOING SOMETHING EFFECTIVE to STOP TREASON?

Even Gerald Smith, with his reported quarter of a million dollars a year income, has been bottled up safely by the Jewish "silent treatment" so that these villains now boast that he has been reduced to "impotency" (Jewish Chronicle, London, 2/24/61).

We are at the bottom of the financial pile in this struggle to stir up and wake up America to treason. People are too SCARED to contribute to us, even though thousands wish to do so.

Three years ago I realized all this, and, after five years of apprenticeship working with men like Robert Snowden, Russell Maguire, Harold Arrowsmith, and even Congressmen like Ralph Gwinn and Wint Smith, I also realized that anything less than TOTAL warfare on Jewish treason and subversion only plays into the hands of the Jews by bleeding the "right-wing" to death and keeping it "hoping" --with no real chance of ever winning POWER.

Our side simply can't begin to COMPETE in a "waking up" battle with the Jews, when they can spend literally billions every week on lulling our people to sleep with their TV, press and movies, etc. All we reach is the same old circle of patriots, year after year. The problem is, -how can we BREAK OUT OF THAT "Patriotic circle" and drive our ideas into the masses with hammer blows, --on a budget of pennies?

I remembered something I learned in Psychology at Brown University. In studying the phenomena of human memory, it was proved that the more EMOTIONAL involvement at the time of any observation, the more the mind would retain the impression. While you wouldn't remember the face of a passing stranger in the street even for a moment, you will probably never forget his face if he is suddenly stabbed to death before your eyes, and you see his face in the death agonies!

At the same time, I realized that we had to find some way of USING the Jew-dominated media of information like the press and TV to spread OUR ideas, willy-nilly. Forty years of "patriotic" literature had not stopped the production of a whole generation of "beatniks" and super-liberal, Jew-and-Negro-loving youth, devoid of patriotism or even any abiding faith and belief in anything except their own pleasure.

We had, somehow to FORCE the TV, newspapers and other mass media to put out material which would DRIVE a dramatic EMOTIONAL impression of the real nature of most of the Jews into the empty, brain-washed minds of our trained-seal Jew-loving public. Where our "conservative" and "nice" anti-Jewish material was simply dismissed and thrown in the trash by the unthinking public as "hate" literature, like the forgotten face of the passing stranger in the street, we had to figuratively produce a stabbing in the streets they COULD NOT miss or forget.

I found the answer by offering ourselves as sacrificial victims of the Jewish terror which these lovers of free speech apply to anybody who tries to exercise his constitutional rights in a way the Jews don't like. I surprised the Jews, as did our revolutionary forebears when they adopted the British "hate" term "Yankees", and adopted the name American NAZI Party.

This letter supplies the concrete, arithmetical proof of the miraculous success of this painful but powerful method.

You and I know that most Jews only PRETEND to love "free speech", tolerance, brotherhood and "democracy". All of this sickeningly sweet malarky is to insure the free-speech of Communist traitors and conspirators, tolerance for treason, brotherhood for bandits, and democracy for the sons of the devil. They believe in none of these things for anybody who tries to get a simple, public discussion of Jewish involvement in Communism, treason, race-mixing and moral subversion, etc.

But how can we get good-hearted, Jew-loving Joe Smith who believes all this Jewish malarky and won't THINK about it, to understand how the Jews are conning and laughing at him, even while they are destroying him and his people and his free Republic? How do we get millions of Joe Smiths to understand it, --so they can have NO DOUBTS, and so they can never forget it?

I chose Union Square, New York City, as the ideal place for the psychological stroke. In this human garbage dump in the

middle of our largest city, every kind of scum has been preaching treason and the overthrow of our American Republic by force and violence on behalf of International Communism and of a foreign government, --for YEARS. As you read this, Jew Communists are probably ranting in Union Square right now, on behalf of TREASON! But NO JEW HAS EVER PROTESTED this Communist activity! Even as I write this, the Communists are advertising in the Worker about a monster rally in CARNEGIE HALL, and there is not a peep of protest from the Kikes anywhere. There never has been.

I wrote on Nazi stationery and asked the Park Commissioner of New York City for permission to hold a NAZI rally in Union Square on the Fourth of July, when I would speak in defense of White Christian America and its Constitutional Republic. Then I sat back and waited confidently.

I had spent four cents for a stamp and a few more cents for paper and typewriter ribbon.

The Jews are PATHOLOGICAL haters. Whenever they do not receive the grovelling homage they have come to expect

from all non-Jews; they get hysterical and start screaming "anti-Semitism", "HATE!" etc. But when a NAZI openly declares his intention of GASSING hordes of traitors, the Jews, guilty as they are, go out of their minds with fear of the just punishment many of them know they deserve.

Most people know what followed. Without spending a cent of our almost invisible funds, we soon had both the open Jewish organizations and the Communist Party howling and screaming almost identical, recognizable arguments and threats!!

Half of New York now tried to calm the other half, with the Mayor going on TV. But the super-kikes, frothing-at-the-mouth, exactly as we calculated, rushed into the Jew courts and getting Jew judges to issue injunctions to silence our "free speech", and, finally even warrants against me personally. I went alone into the New York Supreme Court to defend myself as best I could, and when the TV and newsreels were making an interview in the rotunda of the Court, the super-haters lost their minds with rage and attacked insanely, shouting their cure for any argument they can't answer, "Kill him! Kill him!!"

Millions and millions of Americans now saw these scenes of Jewish "brotherhood" and "tolerance" in the sanctity of the Court, as they hit network TV and the front pages all over the Nation. No "literature" we could ever produce, even in the millions, could have had the effect of this ONE demonstration of the REAL nature of the Jews. Even the densest and most brain-washed Goy boob cannot forget the tumultuous riot as the apostles of love and brotherhood tried to tear one lone man to pieces while he was giving a TV interview.

It was exactly like the man being stabbed to death before their eyes; this DRAMATIC demonstration taught a lesson in Jewish terrorism and partiality to Communism, and set it out before millions and millions of Americans in every state in the United States, and all over the world.

The dumb masses would never draw the conclusions instantly, but the seed had been planted in their minds; "These Jews SAY they think everybody, even Communist traitors, should have the right of free speech, and they call every attempt to stop Communist activity 'witch-hunting'. Now why do they try to KILL this one lone man whom they say is just a crack-pot for trying to speak in Communist Union Square? And why does the mayor obey the Communist Party and the Jews, who both put out the same arguments for denying this Rockwell his rights of free speech?"

Thousands of letters like the above have flooded the New York papers, although only the Daily News has courageously printed any of them.

The Civil Liberties Union for years has fanatically defended Communists of the worst stripe, and maintains they do this because of a passionate love of "free speech". So, still at no cost at all, we demanded legal help in the battle to get our permit to speak in Union Square. With the glare of the publicity we forced full on them, they had no choice, and they will win that right, probably in the U. S. Supreme Court. When we finally DO march into Union Square, it will be like the Eichmann trial in reverse. It will be in international cause celebre, and even if I, or several of us are killed, it will be well worth it because it will finally SHOCK our brain-washed people into FIGHTING to win back their heritage, instead of just whispering and passing pamphlets to each other.

So far, the cost of the whole New York affair has been a round trip ticket to New York, some stamps, and a few phone calls, -less than \$200, -for which we have reaped over a billion dollars worth of glaring publicity on Jew terror and suppression of free speech.

NAZI GETS BUM'S RUSH FROM CITY

STORY ON PAGE 1

People are beginning to WONDER why the Jews are now screaming about NAZI atrocities twenty-four hours a day, but hardly mention the tens of millions of White Christians who have been murdered in two wars and by Soviet Russia, both of which were tragic losses to ALL Christian Nations and great gains only for the Russians who gained in WWI, and the Jews who got Israel out of WWII.

All of this uproar, which needed so badly to be brought to a head, has been produced by our tiny group on PENNIES.

The first trip to Boston, for instance, cost \$120 for rental of a truck, \$20 for a hotel, and less than thirty for all other expenses! Ten thousand screaming Jews turned out to "tear me to shreds" as they boasted, and only the courage and determination of the Boston (Irish) police department saved me from these "brotherhood" bandits, when I march-

ed right into the middle of them, -the only Nazi in uniform.

Nobody now has to "wake up" or educate the Boston cops or the people of Boston. We made almost fifteen minutes of TV, with a long interview about the Jewish conspiracy in all its horror, and then they SAW how the Jews ACT, -no matter what they keep SAYING.

The story has been the same everywhere. Philadelphia! New York! Chicago! Detroit! Washington! Everywhere we have gone trying to exercise our simple American Constitutional rights to SPEAK and DEMONSTRATE PEACEFULLY, the peace-loving Jews, who never protest the most flagrant Communist treason in their cities, turn out in huge mobs to murder me, if possible, and make no secret of this foul aim.

I don't even have to carry signs or wear a uniform, anymore. These pitiful, insane creatures fly at me like mad dogs wherever a mob of them recognizes me, --thereby banishing their illusions of "tolerance" and "brotherhood" and "free-speech" in an instant. They don't even want me to LIVE!

Remembering this fantastic success in DEMONSTRATING the nature of Jews to our fellow Americans, all over the nation, on TV and in headlines, -consider that our WHOLE BUDGET FOR ALL OF 1960 ---was exactly \$6,370!!!!!!!!!!!!!!

I am going to add a thousand dollars to that, and turn it in for our official income tax figure. (The extra thousand is to make sure we cannot be framed on tax charges by Internal Revenue's Mr. Kaplin, in case I forgot to record some two dollar contribution from some Kike agent).

Out of that tiny \$6,370, -which is not much more than an average family spends in a year, -we have paid \$165 a month rent, telephone bills as large as \$200 per month, all the food and expenses for the troopers here, my own room and board and expenses, bail, fines, legal costs, paper costs, and all the other expenses to drive the American Nazi Party to the very TOP!

Please THINK about that, fellow White Christian American!

On less than seven thousand dollars for a whole year, we have driven the Jewish traitors so far from their heart-breaking pose as pitiful, peace-loving, persecuted and lovable "religious" men that they have tried to murder us in city after city where millions could see them in action, they have kidnapped Eichmann and are putting on an international extravaganza of illegal, unjust, outrageous "legal proceedings" and demonstrating their control of the press, TV, etc with the incredible flood of anti-Nazi, violently pro-Jewish TV, movies, etc. We have FORCED them to publish OUR story, time and again, through all this. The May issue of Police Gazette and Pageant, and the June issue of Cavalier, for instance, are the most recent instances of the Communist Jew story being told for us by the Jews themselves. Get these national magazines read the feature articles about the American Nazi Party, and see for yourself how they print OUR propaganda, in the process of blasting and cursing us. Pageant goes so far as to list me personally in a picture story as one of the twelve monsters of History, along with Nero, Robespierre, Mussolini and Hitler!

Now we have our official charter from the State of Virginia, in spite of all the Jews have been able to do to terrorize and intimidate Virginia officials to violate the Constitution.

Even with our tiny present funds, we will continue to do miracles. We have dozens of clean-cut, tough, incredibly courageous YOUNG MEN here, and more coming every week. By risking our lives and our liberty and living like animals, we are showing the right wing what CAN be done, instead of talking about it.

We ask you to consider what we have done on "starvation" budgets, and then imagine what we will be able to do with even a very little bit more. We have won so much support in Virginia for instance, that if we can afford only to travel around just by automobile for a while in the next few months, we can get on the ballot in the elections for Governor! Can you IMAGINE the effect of the swastika up there on the ballot, -and, even more tremendous, can you imagine the effect of half an hour's dramatic presentation of the Jewish race-mixing conspiracy on TV, --before a SWASTIKA!

Still more amazing, we can WIN the Governorship by 1964 or 1966! I know that seems wild, but so would it have seemed wild when I predicted three years ago that the swastika would drive us to the TOP, as it has, and that we would SURVIVE, as we have.

Apply the multiplication tables to the situation.

... Civil Liberties Union ...
 ... says, "but they have a terrific ...

 ... afford to protect the rights of Communists and ...
 ... Jews and look the other way while my rights are ...

 ... As for a speech at some future date in Amer- ...
 ... ica's biggest city, he says this:
 ... "We don't intend violence, of course. We never ...
 ... do. However, if we are attacked we intend to ...
 ... reply in kind, as we have the right to do. I've ...
 ... trained my boys not to be afraid of the Jews ...
 ... and we've whipped them every time. Communism ...

 ... daily in front of FBI headquarters. The ...
 ... sh grounds in the nation ...

In Police Gazette for May, which reaches millions and millions of people, they print OUR message that Communism is Jewish and that the Jews are brainwashing our people on TV, etc, because of our NAZI technique. This paragraph alone reached more ignorant Americans than all the "right wing literature put out since the war!! --The cost? --nothing!!

For less than two hundred dollars, we reached more people on TV and on front pages with demonstrations of the real nature of the Jews than has the entire right wing in all boolets and pamphlets and talks since the war. We have done

it time after time. It costs us dearly, but my young men and I are EAGER for the chance to GO! Only lack of funds keeps us inactive. We earnestly ask our friends to consider our appeal carefully. Invest in FIGHTING YOUNG MEN instead of dead paper and ink and private meetings where everybody

Deputy Comdr. Morgan gives haircut to Troop Leader Roy James as other Party Members wait their turn. Roy cooks for the troops, -we do everything ourselves to save \$\$\$\$.

groans about the situation. Three dollars provides dinner for everybody in the headquarters. Twenty dollars would provide beds for some of the men sleeping on the floor. a Hundred dollars would finance a "propaganda raid" to alert a whole new city to the real nature of the Jews!

As you know, we refuse to beg or drip salty tears over our mother, etc, but we badly need money to FIGHT!!

We are the ONI Y group in America which is systematically gathering up the fighting YOUNG MEN and training them for the deadly battle to save our White Christian American people and the blessed REPUBLIC which they alone could set up and treasure.

You MUST support these young men so they can support YOU in the desperate hours which are approaching.

Put five or ten dollars, at least, into an envelope, RIGHT NOW, please, and send it to Box 1381, Arlington, Virginia.

We pledge our lives and our honor to use every penny to clean treason out of America and cram the swine in the Gas Chambers where they belong. Support the American Nazi Party and see America once again WHITE and CHRISTIAN!!

Yours for total VICTORY!
