

# TOP SECRET

CONFIDENTIAL: To all White, Christian Leaders . . .

On November 18, 19 and 20, 1963, the House District Committee will be holding hearings on "Home Rule", (NIGGER-rule), in the Nation's Capital.

Surely I don't have to remind fellow White Leaders what will happen. The kikes, coons, communists, cannibals and queers will fill up the hearing room, boo the White Men who still run the Committee, (thank God!), applaud the scum like Martin Luther Coon and his black ilk when they come on with their filthy pitches for red race-mixing and treason, --and generally carry on like the rotten rabble they are.

What will OUR side do, the White side?

Past experience indicates we will do NOTHING. Some of us will, perhaps, testify and insert statements into the record. But, by and large, OUR side will lose the PUBLIC RELATIONS battle by default. All NEWS will be made by the hell-raising niggers, commies, queers, etc. Our side is too "nice" to DO anything.

I am sick of this constant RETREAT by our side, while the other side is aggressive. Enclosed is a sample of what we have DONE about it.

We cannot act in any such a manner in Congress, of course, and never will, unless Congress goes red. But we CAN fill up that hearing room with people who will CHEER our Congressmen, we CAN show our displeasure with reds, queers and race-mixing Jews who preach treason and unconstitutional forced mixing, etc. --and we CAN make major, national NEWS.

Let's MOVE THOSE NIGGERS AND RACE-MIXING JEWS OUT!

We don't need to break any laws to do it, and it will cost almost nothing.

All we have to do is resolve to DO IT. I am sending this letter to a few of the TOP leaders on our side. It is STRICTLY CONFIDENTIAL. I know most of the right wing leaders are always on the "horrors" that I am trying to give them the "kiss of death" by association, so I will BEND OVER BACKWARDS to avoid any indication that I even KNOW any of you. I want nothing out of this except a VICTORY for our discouraged and retreating WHITE RACE. I want to FILL UP THAT HEARING ROOM WITH OUR KIND OF PEOPLE FOR A CHANGE. If I had the money, I could bring our people in from all over to do it, but I don't. Neither do most of the rest of you. Alone, we can't do much.

Therefore I ask you to do three things: (1) Write to Chairman McMillan YOURSELF and ask to testify on behalf of YOUR organization. (2) Alert as many people as you can to BE THERE on those three days, Nov. 18, 19 and 20. (3) Send letters to all the other possible leaders you know to ask them to testify and to bring as many White Men as possible to the Hearings.

Chairman McMillan and a lot of other White, Christian Congressmen have been fighting a long, hard "rear-guard" action against the most arrogant, aggressive, well-heeled Communist-nigger attacks you can imagine. They have just about given up hope of ever having the kind of "cheer-leading" the OTHER side always gets, --and the kind of "Bronx" cheers the other side always gives our Congressmen.

It will be a BIG, NATIONAL SCENE, when these hearings go on. Everybody is always whispering that I "get" publicity by some kind of sneaky, dirty tricks working with the enemy, etc. That's a lot of garbage. I "get" publicity by FIGHTING for it, by going AFTER it, to put some SPUNK in our drooping Cause. YOU CAN DO IT TOO, --here's your chance. And you NEED to do it! Let no other leader groan that I am "hogging up" all the publicity and headlines on this deal. I am BEGGING my fellow leaders to SHARE IT, right now. And this is no trick. Almost all of you preach a lot about "faith", -and you are right. Well here's a chance for all of us to SHOW some faith.

IF THE RIGHT-WING CAN "TAKE-OVER" AND COMPLETELY LOUSE-UP THESE HEARINGS (IN PUBLIC RELATIONS TERMS, ONLY) FOR THE RED AND BLACK AGITATORS, IT WILL SET THEM BACK FOR YEARS AND CHEER UP OUR SIDE MORE THAN ANYTHING IN MANY DECADES.

Now let's cut out the squabbling, the bickering, the fighting amongst ourselves and ATTACK! Let's give the enemy the surprise of his life, --and the smashing DEFEAT of his life! You don't have to "join" me to do it, or even know me. In fact, you don't have to LIKE me and can go on hating or pretending to hate me. I don't care. I just want WHITE CHRISTIAN AMERICA TO START WINNING, for a change. If it will make other leaders feel better to damn me and call me the same kind of names I get from the Jews, GO AHEAD.

But please BE THERE TO BACK UP OUR GOOD WHITE CONGRESSMEN on November 18, 19 and 20.

DAMN the Jew-communist "torpedoes"! FULL SPEED AHEAD FOR ALL WHITE, CHRISTIAN FIGHTERS!!!
