

TROOPER'S      MANUAL  
of the  
Facts, Doctrines and the Ideas,  
of the  
AMERICAN NAZI PARTY...

1. What is our position on the JEWS? Are we against all Jews?

We are "against" the Jews ONLY because so many of them are Committing TREASON against our Nation and Race, and because they continue to conspire against Christianity and Christians, -but we are NOT against any Jew simply because he is a Jew. Both our Program and the Trooper's Oath call for the protection of INNOCENT Jews, who are not Communists, Zionists or other kinds of traitors. We openly plan to put hundreds of thousands of Jews who are committing the capital offense of TREASON in the Gas Chambers, exactly as the Rosenbergs were executed, not because they were JEWS, -but because they were traitors! This is all that Hitler did, as the suppressed Gestapo records show.

2. Are we "against" the Negro?

**ABSOLUTELY NOT!** We do not tolerate blind hatred of Negroes in the Nazi Party. We recognize that the Negroes were dragged here in chains, and have been mistreated and cheated here ever since. Above all, they are VICTIMS of the Jewish power machine, just like us. The Jews prey on ignorant Negroes, and gouge huge rents out of them for hovels, sell them junk on "time payments" and then garnishee their pitiful wages, and organize them into gigantic, captive voting "blocs" in the large cities. With the Jew-Communist-led NAACP they delude the Negroes into a suicidal fight for "rights" which will lead only to horrible mass violence and the end of all genuine gains for the Negro.

On the other hand, we recognize and are proud of the superiority of the White Man to the Negro, and will not tolerate forced association with them, nor will we ever permit this inferior human material to usurp the benefits won for us by the blood and genius of our White Forefathers. But again, this does NOT mean we HATE them, any more than we hate our children or servants or dogs because they are our inferiors mentally.

We have proved, by the fact that four MILLION Negroes have already petitioned the U. S. Congress to return to Africa, under the suppressed Langer Bill, that the Negroes, too, recognize the impossibility of the present explosive White-Negro situation in America, and want to go where they are WANTED and NEEDED, and can be REALLY FREE and HAPPY. We propose to be really FAIR to them, and make their African homeland so attractive and decent for them that only a damned fool would rather stay here and try to force his way to acceptance rather than lead his own "dark" continent with his American know-how and our sincere and generous help.

Die-hard, "uppity" Negroes who insist on remaining where they are not wanted, will not be mistreated or cheated or injured, but we propose to repeal the amendment to the Constitution which makes these Africans into "Americans", -an impossibility as absurd as to pass a law to make "Chinamen" out of Negroes, just because they live in China.

3. How can we WIN, with such an extreme program? Aren't the Jews too powerful?

The Jews do indeed have ALMOST absolute power throughout the world. Everywhere, it is impossible to oppose them openly without losing one's job, family, reputation and almost everything else of comfort and pleasure. But this Jewish power is ONE HUNDRED PERCENT based on SECRECY, because the rest of humanity will rise up in a moment and strike them down unmercifully when it sees how it is being cheated, enslaved and destroyed by this filthy conspiracy! In other words, the Jews, to survive, must maintain the FICTION of "legality" and "democratic process", in which they are only a "persecuted minority". And these pretenses of "free speech", etc, leave LOOPHOLES which they cannot plug up except by assassinating their opponents, which would give the game away. It is by the precise and scientific exploitation of these LOOPHOLES that we have risen, and by which we will eventually gain constitutional political power in the USA. In other words, if they demand free speech for their Communist and moral subverters to preach treason and filth, they can't squirm away from allowing us OUR right to preach the opposite, which we do. And, given a FREE choice, the people will eagerly chose our program of decency, morality, racial sanity and efficient, just government, -in preference to their mongrel, greedy, corrupt and insane program which is presently driving the world to desperation.

Our tactics for accomplishing this free choice for the people, aside from the exploitation of the "loop-holes" of free speech which they must allow because they are secret, instead of open conquerors, involve scientific, psychological PROVOCATION of the traitors. Up until now, they have proceeded about their business of subversion and destruction by their OWN time-table of "liberal" (communistic) education, integration, "brotherhood", etc, and they have precisely predicted the opposition in ADVANCE, and they have had no trouble crushing all such predictable opposition. With US, they are desperate, because WE have seized the initiative, have predicted THEIR reactions, and are crushing THEM for the first time. We are calculatingly ARROGANT, fiendishly LEGAL, and utterly SURE of ourselves. The result is that, in their usual hysteria, the Jews OVER-react to us, and attack us in such a way as to EXPOSE THEMSELVES to the public for what they ARE, --ruthless terrorists. They discover that every attack on us back-fires, --for we planned it that way. --It is WE who plan their attacks, --and the results.

Finally, the White Man has HAD ENOUGH! We could not survive, much less succeed, except for the fact that we get secret, growing help from more and more beleaguered public officials, who are literally at the end of their patience with the arrogant Jewish and Negro pressure groups which are making shambles of our courts, schools, ideals and institutions. We are providing the "standard to which the wise and honest may repair", ---and they ARE REPAIRING! They come privately now in tens and dozens, but, as we demonstrate that you can openly oppose the Jew and survive, the rush to our banner will become a flood of thousands and millions, and once again, two thousand years of history will repeat itself, and the White Man will rise up and throw off the hordes of Jew parasites which are eating him alive and telling him he must LIKE it.

### 3. Why do we use the SWASTIKA? Why not something less "hated"?

As NAZIS, we believe, above all, in the TRUTH, --as it IS, -not as somebody thinks it should be. And the swastika IS the symbol of the growing, world-wide anti-Jewish revolution, as the recent outbreak of smearing proves. As the cross was the symbol of the Christians and they stuck by it even facing the lions in the colloseum, as the hammer-and-sickle is the symbol of the Communist Jews, and they stick by it, as the Rosenbergs did, even in the electric chair, so it is OUR business to stick with our own symbol, the swastika, and we WILL.

But, in addition, the swastika is the KEY to success against the Jews. It alone has the dramatic power which great world-movements must have to succeed. It is "hated" now only in the sense that it is FEARED, because it results in persecutions of its users. But that has been invariably the history of EVERY great and powerful movement. The Cross was FAR more hated and deadly, in it's early days, than the swastika is now, -and for the same reason, --"Fear of the Jews", as the Bible calls it.

We have been in business for a year and a half since raising the swastika, and we are getting stronger and surer every day under it. The other, weaker movememnts will come and go, but we will remain and succeed because of the very "terribleness" and fanaticism of our ideas. The Jews are so terrified of us that they never MENTION us, although it is easy to demonstrate our moral responsibility for the world-wide recent out-break of swastikas, --even when they have head-lined every little swastika smeared on a wall from Paris to Podunk. But at the same time we are "played down", as they call it, they have taken the unprecedented step of demanding that we be OUTLAWED by special law of Congress, --the ONLY way they can find of dealing with us. But this, too will back-fire, for this is the same bunch which fanatically opposes outlawing the Communist Party!

The Jew himself has provided the best answer to the question, "why use the swastika"? The answer is that it is the ONLY thing which ever beat the h--- out of him, and can and WILL do it again, --and HE KNOWS IT. Only OUR people still don't know it.

### 4. Are we supposed to be some kind of "Germans", -is this a German movement?

Most emphatically, we are NOT Germans, we are not working particularly for German aims, we have no special loyalty to the German nation, and we are not a German movement. We have simply taken up the battle for ideals and ideas which were originally propounded and fought for by a German, Adolf Hitler, but this does not make us Germans, any more than it make one a Hebrew because he believes in and fights for the Hebrew, Jesus Christ, or a Lutheran a German because he believes in the German, Martin Luther. Our symbol, the swastika, is no longer the symbol of any nation, but has become an INTERNATIONAL symbol of the White Man in his fight for survival. To signify that fact, we have modified the swastika by placing an Israeli-UN-blue-colored globe INSIDE the maw of our swastika, where it will be devoured and digested and eliminated.

## 5. Are we for DICTATORSHIP?

No. We do not believe that any single man can replace God successfully. The Party Leaders, including Commander Rockwell, would not want to live permanently under any dictator, and do not propose to force such conditions on their fellow White Men.

On the other hand, we recognize the fact that a successful society must be based on ORGANIC principles and LEADERSHIP sufficient to maintain order and prevent the selfish squabbling for spoils now going on in the "democracies". We remember that America was set up as a REPUBLIC, not a "democracy", (democracy is not even mentioned once in the Declaration of Independence or the Constitution, but REPUBLIC is GUARANTEED), and we propose to re-establish an authoritarian CONSTITUTIONAL REPUBLIC as established by the Founding Fathers, who kept slaves, allowed only responsible property-holders to vote, etc.

## 6. How about violence?

The party believes that modern technology has made it impossible to succeed ever again with an old-fashioned pitch-fork and peasants, storm-the-barricades style revolution. You cannot fight tanks and helicopters and IBM machines with raw courage and bare knuckles. Thus, violence is suicide for any organization opposing the conspiracy which has usurped our government.

But, in addition, violence is UNNECESSARY, except in defense, in our movement, because we have what the people WANT, and all we need to do is fight to OFFER it, to win. The only reason people think they hate us now and love the Jews is because they are UNinformed, and MIS-informed by these same devilish Jews; and, as soon as we inform them of the simple, provable truths, we WIN them. That is why the Jews go to such extreme lengths to keep us from speaking or disseminating our facts, and are trying to "ignore" the world-shaking movement which is rising like a Phoenix in Arlington, Virginia to terrify them from Seattle to Berlin by EXPOSING THEM DRAMATICALLY.

The Jews desire, above all things, to provoke or drive US to illconsidered acts and to violence so that they can put us out of the way in a "criminal's" grave, or a dungeon, and we expect that they will go to the lengths of "framing" us, as they have the men in Atlanta and so many others, if they can figure out how to do it.

Therefore, our very lives depend on SUPER-legality and careful compliance even with ILLEGAL laws, until we can legally change them or get justice through public opinion or the courts. John Kasper was confronted with an ILLEGAL injunction. He violated it, and is STILL in jail. We would have complied, and then used exposure and legal action to get justice, or at least to survive outside prison walls while organizing public opinion.

Any trooper who forgets these things and commits an illegal act or unprovoked violence will be committing TREASON to this Party, and will be summarily dismissed and turned over to the authorities for punishment.

This does not mean, however, that we will not FIGHT. On the streets when distributing Nazi literature or speaking, etc, if a trooper is attacked by violence, he will retreat as much as possible and call for police protection in exercising his legal rights. He will not strike back unless that is the ONLY way to save himself from injury or death. If such action is flagrantly justified, and he DOES have to fight, he will fight with such ferocity as to discourage other such attacks, and will beat his attacker with maximum brutality.

Should the police ever attack us illegally, or should even the pretense of free speech be denied us, and we are simply attacked with no excuse, as might happen if the present weak government is supplanted by open quasi-reds such as Hubert Humphrey, we will have to defend ourselves by any methods available, and will do so.

## 7. What is our stand on religion?

This is not a RELIGIOUS but a POLITICAL reformation movement. Most of us are Christians, but it is not necessary to have any particular religious belief to be a Nazi, and we will not get involved in religious disputes which do not concern our activities. We are interested in straightening out affairs in THIS world, and will leave affairs in the next to those who make a study of such things, and make our own judgements when we get "up" or "down" there, as the case may be, -when there will be better evidence at hand. We will not tolerate religious prejudice in the Party, and stand four-square for absolute religious freedom for all decent and genuine religions.

8. How should an American Nazi trooper conduct himself?

Every trooper should remember at all times that he is trying to "sell" the idea of moral decency, manliness, honesty, chivalry, courtesy, straight-forwardness and idealism to a world immersed in Jewish-inspired greed, materialism, selfishness and cowardice. The masses of people have been convinced, through the Jewish press, TV, etc, that we (and all Nazis) are bullies, brutes, "haters", etc. We must not only sell our own ideas and value, but we have to start from far behind the starting line in the struggle, before we can prove that we are the **OPPOSITE** of the monsters we are depicted as by the Jews, and that it is the Jews who are the villains in the tragedy.

Therefore every trooper should do his very utmost to demonstrate to the public that a Nazi is courteous, manly, just, courageous, honest, etc, -but above all that he is **DISCIPLINED** and organized to **PROTECT** society, not destroy it. A good example to follow is the conduct of most State Police Troopers. At the same time, a Nazi Trooper must be utterly fearless and ruthless in prosecuting his enemies and carrying out his duties, by all legal means.

9. How about the Authorities; FBI, Police, etc?

In most cases, police and FBI personel have been found to be thorough, honest, courteous and respectful of our rights. Most of the lower echlons and some of the top officials are privately and understandably with us 100%. Only the very highest level personel have been sometimes found to be wrongfully hostile, and then usually only because of intolerable Jewish pressure on them. We deplore the current "fad" in the South of baiting the FBI because it carries out its lawful orders in tracking down lynchers, etc. Most of the agents are all too familiar with the Jewish nature of the Communists and subverters they have so doggedly and loyally tracked down time after time, only to have the traitors turned loose and praised by the White House and other Jewish strongholds. We can expect persecutions from these agents, by order of Mr. Rogers and others who owe their jobs to the Jews, but there is **ABSOLUTELY NO SENSE IN TAKING THIS OUT ON THE HARD-WORKING AGENTS WHO MUST OBEY ORDERS**. Some of them have even broken down and told us how much they admire our fight. They know, as well as we do, **WHO** the traitors are, and will some day, when we have made it safe by our courage and tenacity, become members of the Nazi Party.

In any case, all Nazi troopers will cooperate fully and courteously at all times with the Police and FBI, tell the truth, and hide nothing except personal correspondence. Even when confronted with orders or actions which are clearly illegal, we will **COMPLY** first and argue afterwards.

10. What are the requirements, and how can one join the American NAZI Party?

You must be eighteen years of age or older, white, male, of good character, absolutely loyal to the United States of America, willing to work and contribute a major portion of your time, energy and money to the cause, and **FANATICALLY DEDICATED TO THE WHITE RACE AND ITS HIGHEST IDEALS**. We place loyalty and devotion to duty above all other virtues in a Party Member, more important even than intelligence and education. You must also have great personal courage to succeed as a Nazi Trooper.

The application fee is \$10.00, and the dues are \$5.00 per month. Members are expected to work at least one day a week for the Party, and to be ready to work or fight at any time in an emergency for the Party or the Country.

Until we have had more time to grow and organize, you cannot be a member of an organized and independant local party unit, except within the Washington, D. C. area, where the parent organization must first grow strong enough to master the great mass organization which will grow around it. Until then, if you live too far away to work with the Headquarters Unit in Arlington, you can be an Associate Party Member, and form an Associate Nazi Group locally. You can do an immense amount of good in this capacity, distributing literature, gathering intelligence on subversive or treasonable and race-mixing activities, recruiting and planning. When your local group has grown strong enough to send at least its proposed leader to Arlington for interviews, approval, organization and authorization by the National Headquarters, you may be authorized to set up a State Command, and begin, in your turn, setting up local units under you.
