

WHO ARE THE AMERICAN NAZIS ?

NAZIS DISPLAY RED FLAGS CAPTURED IN "PEACE" MARCH

Many good Americans have been deluded or brainwashed into the belief that American Nazis are enemies of our Nation. Some even go so far as to state that Nazis must somehow be Communists.

We have had this view instilled into us by the constant propaganda art of the TV, movies, and newspapers. We have been conditioned to hate both the word "Nazi" and the Swastika symbol.

However, the word "Nazi" is an abbreviation of the German word "Nazional" (National). If you have strong feelings of loyalty and love for our American Nation, then you are, in fact, an American Nazi; that is, an American National.

The Swastika does not belong to one nation alone, but to the whole White Race. It has symbolized the White Race for thousands of years! When Red agitators and black savages invaded white neighborhoods in Chicago and Milwaukee thousands of white people found fighting inspiration in this age-old symbol!

Others believe that because America once fought a war against the German Nazis, we must continue to hate Nazis. It must be remembered that the United States, misled by dupes and stooges of the Reds, Zionists, and other anti-Americans, was an ally of World Communism at that time. The outcome of the war obviously benefitted Communism as it was meant to do. Since that time, as is apparent to all, America has been put "on the skids", and has been going steadily downhill.

Who, then, are these Americans who boldly call themselves Nazis and proudly wear the Swastika?

In April, 1967, a giant "peace march" was held in San Francisco. Among the various traitors and scum exhibiting themselves on that day, was an especially vicious group that waved Viet Cong flags and screamed at the top of their lungs such slogans as "Death to American Capitalist Soldiers!"

The American Nazi Party could not stand for this vile exhibition to continue. After the traitors had marched several miles, eighteen young Nazi Stormtroopers tore into this group, severely trounced them for their treasonable activities, and captured the Viet Cong flags. Later, at a similar "peace march" in Los Angeles, thirty Nazis tore apart the traitors, after they had attacked one of our members. Three Nazis were arrested in this affair. More recently, in Washington, D.C., Stormtroopers attacked Red speakers at the Pentagon rally. Again, several were arrested.

THESE ARE THE AMERICAN NAZIS!!!

The Black Panther Party is an organization intent upon leading thousands of blacks on a wild spree of murder, rape, arson, and looting. They will be after the lives and property of all white people, be they 'liberal' or 'conservative', rich or poor, Democratic or Republican.

Early this summer six hand-picked young American Nazis showed up at the Oakland Headquarters of the "Black Panthers". They were heavily armed and carried a banner reading: "If you are planning a riot, remember, White People have guns too!" Every one of these young White Heroes was prepared to lay down his life in defence of our White Race; and the 'tough' black hoodlums, these "Black Panthers", backed down! And contrary to all expectations, there were no riots in Oakland this last summer.

THESE ARE THE AMERICAN NAZIS!!!

Such events take place almost every month across the country. It must be pointed out that these idealistic Nazi Stormtroopers are not obligated to risk life and limb for our Race and Nation. No one has drafted them, and they are not paid. All of them could be earning a good living and have a nice, safe home in the suburbs. Or they could become "hippies", crawling around the streets of our cities, oblivious to everything but dope. They could close their eyes to the menace that is upon our Nation, and who could blame them? But they have chosen instead to use their own bodies as the first line of defence of our Western Civilization! While others talk, talk, and talk some more, the American Nazi Party stands and fights!

With black riots and Red subversion all around us, the American Nazi Party stands forth as the single political group in this country which has the will, dedication, and spiritual strength to turn the tide!

But we will need the moral, financial, and physical support of many patriots. While Communists spend millions of dollars for demonstrations and marches and financing riots, and are able to appeal even minor convictions to the Supreme Court, we are frequently unable to even bail out one of our fighting members should he be arrested for standing against the Red Terror.

We think this is deplorable. Do you? If so we are asking for you help. We feel that we have earned the right to do so. Even if you wish to contribute anonymously we shall be grateful. We are desperately in need of money for a bail fund, legal fees, second hand vehicles to patrol white areas in event of riot, printing costs, cameras, etc. Donations of equipment of all types is also welcome!

We can promise you, in return, that there will be one group of young Americans who will not be afraid to give their lives in the service of their Race and Nation.
