
ARMY GENERAL EXPOSES JEWS

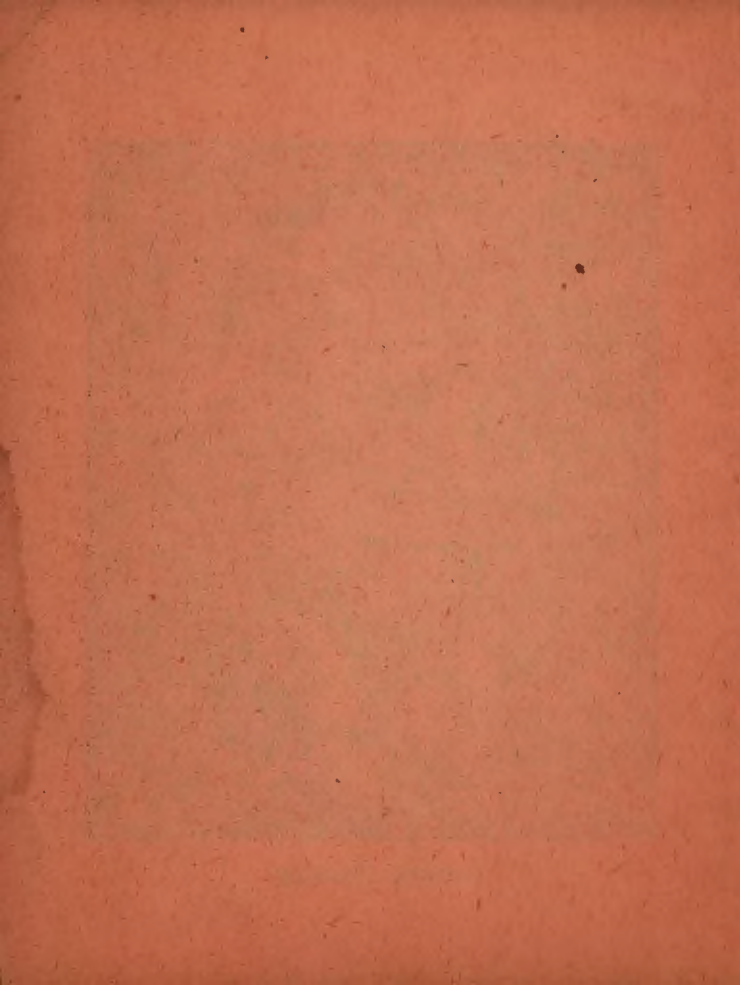

General George Van Horn Moseley, one of the three top Generals in the first World War and close adviser to General Pershing, lifts the lid on Jewish conspiracy and the Communist plot.

General Moseley

Publisher's Note: *During World War I General George Van Horn Moseley was virtually the righthand man of General Pershing. Following the war he returned to be made head of the entire Southern division of the United States Army with headquarters in Atlanta, Georgia. (General Moseley still lives in Atlanta, Georgia, in retirement.) He began to be a student of world affairs. He studied the why, the how and the wherefore of World War I. He made one big mistake from the standpoint of those who would play it safe. He went too deep. He learned too much. Then he committed the unforgivable sin of telling some of the things he had found out.*

In 1939 the Communists and Jewish extremists let out a terrific scream. They beat the drums. They blew the whistles. They sounded all the alarms at their command. It was the hey-day of Roosevelt power. Martin Dies was chairman of the Congressional Committee for the Investigation of Un-American Activities. He was green and uninformed. Under pressure from the Jews and the Communists he called General Moseley to appear before the Committee on Un-American Activities. The date was June 1, 1939. General

Moseley gladly appeared without subpoena, but the most sensational thing happened ever to happen in the presence of a Congressional Committee. General Moseley made a statement. The statement was so tough, so true, so terrific, that when he had finished, the Committee voted, like cowards that were there, that the statement should not even be recorded with the records of the hearing. Nothing in the statement was quoted in the press. It was smothered, suppressed, ridiculed and attacked. General Moseley became the victim of the most venomous, merciless campaign of smear publicity ever to be turned on a man, even worse than that which was given Charles A. Lindbergh.

We reprint, in full, the statement of General Moseley made at that time which reads like a chapter out of a book of prophecy.

Mr. Chairman, in compliance with your instructions, I have verified all references in the statement I am about to read. Also, to save the time of the Committee, I found I could cut out a number of pages referring to matters already fully covered in

my answers to the questions put to me by the Committee yesterday.

I gladly accepted your instructions to appear here without subpoena. It was impossible for me to reach Washington on the date originally set. It was necessary for me to stop over in Atlanta to rest up a little after traveling two weeks, and especially, to visit a hospital in connection with a bruised ankle—something which had occurred on the trip. I read with much interest the report that this Committee has concluded to adjourn until August. It made me realize that there was nothing in my action which seemed to demand immediate investigation, from the point of view of the Committee. Apparently, the Committee felt that the Republic was safe until August, at least, from being overturned or blown up by me.

From my point of view, the two great problems which confront our Republic today are: first, the battle for honorable peace and the elimination of the campaign of international hate; and, second, the battle within our gates at home to overcome those subversive influences which are definitely attempting, I believe, to destroy us or to change our form of government fundamentally. We are the oldest re-

public existing today in the world. We have made the world's record in the length of our existence. Has our time come now to go? I hope not. But, the handwriting on the wall is as clear as a bell for those who are willing to read the evidence.

An accurate portrayal of what would happen to the world in connection with Communism was written by the Netherland's Minister at Petrograd, who was then handling certain affairs for the British. This communication was received by Mr. Balfour, September 18, 1918. I quote the following from his letter :

"The danger is now so great that I feel it my duty to call the attention of the British and all other Governments to the fact that if an end is not put to Bolshevism in Russia at once the civilization of the whole world will be threatened. This is not an exaggeration, but a sober matter of fact; and the most unusual action of the German and Austrian consuls-general before referred to in joining in protest of neutral legations appears to indicate that the danger is also being realized in German and Austrian quarters. I consider that the immediate suppression of Bolshevism is the greatest issue now before the world, not even excluding the war which is still raging, and unless, as above stated, Bolshevism is nipped in the bud immediately, it is bound to spread in one form or another

over Europe and the whole world, as it is organized and worked by Jews who have no nationality, and whose object is to destroy for their own ends the existing order of things. The only manner in which this danger could be averted would be collective action on the part of all Powers."

As illustrating the tremendous power of organized Jewry, it must be noted that the British White Paper referred to was followed by a revised White Paper omitting entirely the reference to the role of Jews in Bolshevism.

The statement in the original British White Paper accords with what United States Ambassador to Russia, David R. Francis, wrote in January, 1918:

"The Bolshevik leaders here, most of whom are Jews and ninety per cent of whom are returned exiles, care little for Russia or any other country but are internationalists and they are trying to start a worldwide social revolution."

The Jewish *Chronicle* (London), of April 4, 1919, also carried an article in accord with both the Netherlands' Minister and Ambassador Francis:

"There is much in the fact that Bolshevism itself, in the fact that so many Jews are Bolsheviks, in the fact

that the ideals of Bolshevism at many points are consonant with the finest ideals of Judaism."

In September 10, 1920, issue of "American *Hebrew* and Jewish *Messenger*," the following appears:

"What Jewish idealism and Jewish discontent have so powerfully contributed to accomplish in Russia, the same historic qualities of the Jewish mind and heart are tending to promote in other countries." (Vol. 107 "American Hebrew," page 507.)

The three quotations just given to you are found in the Congressional Library.

(Note—At this point the General was stopped by the Committee.)

The experience of Russia, where millions of Christians were killed, stands before us. Trotsky, the Minister of War, who, himself, ordered the killing of some three million Christians is now our neighbor in the so-called democracy of Mexico. Then, we have before our eyes, the case of Hungary, where Bela Kun led the murder squads. Fortunately, we see that the tide has completely turned in Hungary, where steps have been taken to prevent a recurrence. Then, we have, for our benefit, the terrible experiences of

Germany, under the internationalists after the Armistice. Do you realize that Russia expected Germany to be the next State in Europe to go Communist? But, fortunately, the character of the German people was aroused, and they have thrown off the Communist yoke.

Those who stupidly accept Communism as 20th Century Americanism should read the Manifesto of the 8th Convention of the Communist Party of the United States, in April 1934, declaring:

"The revolutionary way out of the crisis begins with the fight for unemployment insurance, against wage-cuts, for wage increases, for relief to the farmers—through administrations, strikes, general strikes, leading up to the seizure of power, to the destruction of capitalism by a revolutionary workers' government."

If this does not awaken the American people, they would do well to read what Earl Browder declared in his book "What is Communism" published in 1936:

The revolution does not simply happen; it must be made." (page 163)

"There must be what we Communists call 'a revolutionary situation'." (page 163)

"Thus some form of violence is unavoidable. There is no possible choice between violence and non-violence. The only choice is between the two sides of class struggle." (Page 169)

If they are still unconvinced, they might turn to the September 8, 1928, issue of *Pravda* (Moscow official Communist organ), declaring:

"The world-wide nature of our program is not mere talk but an all-embracing and blood-soaked reality. It cannot be otherwise. Our ultimate aim is world Communism; our fighting preparations are for world revolution, for the conquest of power on a worldwide scale, and the establishment of a world proletarian dictatorship."

At this point, I want to state most emphatically that I do not by any means endorse the proposition, that all Jews are Communists, or that all Communists are Jews. In the very nature of things, no loyal Jewish American can possibly be a Communist. That outstanding Jewish American, Samuel Gompers, who was head of the American Federation of Labor, was

so resolutely opposed to Communism, that he declared:

"I can think of nothing that would constitute a more needless and base betrayal of civilization than American recognition of Soviet Russia."

Individual Jews can be as good American citizens as anyone else. But, unfortunately, serious embarrassments are placed in their way by organized Jewry proclaiming that all Jews "are a distinct nationality." In his book "*The Jewish Problem—How to Solve It,*" by the great Jewish leader Louis D. Brandeis, it is asserted:

"Let us all recognize that we Jews are a distinct nationality of which every Jew, whatever his country, his station or shade of belief is necessarily a member." (Page 25).

That is followed by the further assertion:

"Organize, Organize. Organize,—until every Jew in America must stand up and be counted—counted with us—or prove himself wittingly or unwittingly, of the few who are against their own people." (Page 26)

Such a condition of affairs manifestly creates divided or dual allegiance, wholly inconsistent with whole-

hearted loyalty to any Nation, by those affiliating with such organized Jewry. Brandeis' said proclamation cannot be lightly brushed aside, when it is borne in mind that, he was elected (along with red Litvinov) to the Jewish Hall of Fame, as among the 120 Greatest Living Jews (1938 World Almanac, page 413).

Moreover, the existence of an organized World Jewry is also declared in Fireside Discussion Group Leaflet No. VII of the Anti-Defamation League of the Jewish B'nai B'rith:

"Approximately a race, definitely a type, and consciously a unity, we are a historic people—a world community." (Page 3)

The same proposition is reaffirmed by Rabbi Louis T. Leob, of Washington, D. C. who proclaimed his creed in favor of

"Jerusalem as head capitol of a United States of the World." (Who's Who in the Nation's Capital 1929-1930, pp. 447-48).

All subversive activities are largely dependent upon false propaganda. The latest case of such propa-

ganda is in connection with the war just closed in Spain, where, our sympathies were worked upon in the interest of the so-called Loyalist government, one of the vilest governments in all history, now that the curtain has been raised and we see the complete picture. During the progress of that war, the press would not accept anything to the contrary. From coast to coast our people were fed with the most unfortunate kind of propaganda. With the war over, what are the facts? I quote the following from one of our National dailies:

"It took the last days of the Spanish war to strip the mask of democracy off the face of Communism in the so-called 'Loyalist' Government.

"The cleverly named 'Loyalists' had a lot of people deceived for a long time, particularly in the United States.

"But when the last vestige of ideological camouflage and subterfuge has been removed, the fact that Communists had been running the Loyalist government of Spain stands out clearly and incontrovertibly.

"The deluded and misguided Americans who have been giving their money and lending their names and

THE PLOT

OF

THE JEWS

THE PROTOCOLS
of the Learned Elders of Zion

It is unknown to most people that an organized plot has been designed for the purpose of destroying Christian civilization and removing the name of Jesus Christ from the face of the earth.

In order to do this Europe and Asia must fall to Communism and the U. S. A. must be swallowed up by bloodthirsty revolutionists.

Do you know that this program was outlined in a secret plot in 1896? The plot was so deadly and so vicious that millions of dollars have been spent to hide the secret minutes that were discovered in the early part of this century. Most printers are afraid to print this record. The result is that this outline for world destruction, commonly referred to as The Protocols of the Learned Elders of Zion, has been kept from the American people. They were published once by Henry Ford and at another time by Father Charles E. Coughlin, but millions of dollars have been spent by certain Jews to buy up these copies and burn them, thus keeping the truth hidden from the people.

A limited number of copies are now available at \$1.00 per copy. If you want one of these scarce copies, fill out the attached coupon and rush it through the mail, enclosing the proper amount of money, according to how many copies you desire.

Following are the rates for extra copies:

reputations to the cause of 'Loyalist' Spain thinking they were aiding democracy, must now realize that they were misled into supporting a Communist enterprise.

"American educators and scientists and clergymen who thought they were upholding the cause of democracy must now at last understand that they have been stooges for Communism.

"These Americans have been the victims of a brazen sham and a most deliberate fraud.

"They have been in the company of the desecrators of churches and religious institutions, and the despoilers of the sacred emblems and symbols of a people's faith, the mutilators and murderers of priests and nuns.

"They have given moral support and financial aid to revolution and anarchy conceived in Red Russia.

"They have abetted and spread atheism and godlessness, by which Communism has striven to undermine and to turn people from their faith in God."
(Atlanta Georgian, March 13, 1939)

I ask you, wouldn't it have been better and fairer to our people to have given them the facts in reference to the Spanish situation from day to day? With these examples before us, wouldn't it be better for us to enlighten the American people fully and frankly in reference to the serious problems confronting us today?

When I stated yesterday that the Army is not permitted to investigate Communist activities, I was not merely surmising. The Congressional Record of Sept. 19, 1935, Vol. 79, pages 15270-1, published a NAVAL INTELLIGENCE MEMORANDUM of April 1, 1935, which described itself as "a comprehensive survey of Communist activities in the United States at the present time," including "fringe revolutionists, too lacking in intestinal fortitude to go all the way with Communism, but who stand by and urge the Communist to do his worst and provide him with protection, sympathy and defense while he commits the overt act they have not the courage to commit themselves." In less than three months thereafter, the *New York Times* of Dec. 7, 1935 carried an article regarding this subject, stating:

"Following a conference with representatives of religious organizations, President Roosevelt has in-

structed the Army and Navy to make no comments on any civilian organization or its policies without his specific consent, it was declared today by the National Conferent of Jews and Christians."

There has never been any denial of the matter set forth in this article nor is there any evidence of any investigation of Communist activities by either the Army or the Navy since then.

Now, let us come to my letter involving Mr. Louis L. Strauss, member of KUHNS, LOEB & COMPANY, New York bankers. Let us expose that correspondence fully and completely to the light of day. I shall be glad to leave decision in the hands of the American people. Given the facts, their reactions, I find, are fair and just. The trouble today is that too often the facts are withheld from them and tainted propaganda is given out instead. The following letter is self-explanatory. I shall read it in full:

April 17, 1939

General George V. H. Moseley
Atlanta, Georgia.

Dear General Moseley:

"Writing to you recalls to mind our service in France you at G.H.Q. and I as G1, 79th Division and it seems good to get in touch with you again.

"General I thought that I would drop you a line to find out if you planned in the near future to be in New York or in the vicinity I would like to arrange if you would be so gracious, to Meet Mr. Lewis L. Strauss who is a Member of the firm of Kuhn, Loeb and Co., New York Bankers.

"I have known Mr. Strauss for some years and know many of his friends he is a most charming gentleman, of attractive personality and a real loyal American was I think closely associated with President Hoover, holds a Naval Reserve Commission. Mr. Strauss stands high in the community, is President of one of the largest and most influential churches in New York, has a host of friends, General Harbord knows him well and I think you would spend a most profitable and enjoyable time with him.

"Mr. Strauss is most anxious to have a chat with you as he has been greatly distressed as quoted state-

ments of yours in the press regarding his firm and which of course are not true as he can prove, and both he and I know that you will be most favorably convinced of the loyalty and true American spirit and actions of his firm and members thereof both in the past as well as now, and a chat of that kind would be not only fair, but I feel certain to your mutual interest. Knowing you as I do to be so fair, just, and honest I said that I bet that you would gladly meet him.

"Thanking you in advance for this courtesy and if you will let me know where and when we can meet it will be very much appreciated.

"With kindest personal regards and all good wishes, I remain,

Sincerely,

(Signed),

Walter A. DeLamater

Brigadier General, N.Y.N.G."

And here is my answer :

"My Dear General:

**"Receipt is acknowledged of your letter of the seven-
teenth instant, in reference to a meeting with Mr.
Lewis L. Strauss, member of the firm, KUHN, LOEB
AND COMPANY, New York Bankers. The matter to
which he refers is only a very small incident in a
world-wide problem.**

**"In the work I am trying to do, I am only interested
in one thing, and that is the future of my country.
That involves material questions which should be sec-
ondary, and American manpower and breeding which
are, after all, primary and all important.**

**"The condition of American manpower at any given
moment is the barometer of our ability to go on as a
Republic.**

"Initially I never mentioned the word, 'Jew,' in any statement, except once in New York City. (Indianapolis, Indiana) when I made an appeal to the Jews to help us lick Communism. From that moment they have attacked me at every turn in the road. In their publications they call me a Fascist, something I am not; and as far as I know, I have never seen a Fascist. I belong to no organization. The Jews have forced me to discuss the problem of the Jew in self-defense.

"They are doing everything in their power in an effort to intimidate me and to force me into a camp of their enemies. The feeling against the Jews is growing rapidly from coast to coast. History is repeating itself, and the Jews are making the same mistake that they have always made in actually compelling history to repeat itself.

"Whether it is right or wrong, the Jews must bring themselves to the realization that the one hundred twenty millions of people composing this nation are not going to be run by Jews, in whole nor in part.

"In a few days, I am speaking in the Middle West. A letter comes this morning telling me that the Jews are moving heaven and earth to prevent it. They have done that several times before. They have gone so far as to threaten me with bodily harm. Do the Jews think that that makes for friendship towards them?

In all they are doing, they are simply promoting anti-Semitism. It all goes to make us realize that many a Jew in our midst is an actual menace, a fomenter of Communism and anarchy.

"I go to New York quite often, but I do not care to meet Mr. Strauss nor any other Jew or Jews, until they put a definite stop to the action of the Jews who are attempting to curtail my freedom of action and my freedom of speech.

"My mother was an Englishwoman, but I often have occasion to criticize the British and British policy as far as America is concerned. There is no difficulty when one criticizes the British, Irish, the Germans or the Italians; but let him mention the word, 'Jew,' and immediately he is attacked. But, the fact is that the most serious problem confronting America today is just this problem of the Jew and how to get rid of his influence definitely—locally—nationally and internationally.

"The Jews may feel that they are in the ascendancy now; that they can beat the game this time. No, the American people are slow to act; it is difficult for them to sense the insincerity and dishonesty of propaganda, whether that propaganda comes from their government or from the outside. Slowly, however, they are becoming aroused to the dangers of the

present situation, and when they act, they will act in no uncertain terms.

"If I were the best friend the Jews have in the world, my advice to them would be to change their plans before it is too late!

"I am enclosing a carbon of this letter so that Mr. Strauss may have it in full.

Very sincerely yours,

(Signed) GEORGE VAN HORN MOSELEY."

That closed the incident so far as I was concerned. It struck me that my letter was rather a complete answer, easily understood.

My letter to General DeLamater was dated April 21, 1939, and mailed on that day, I believe. How greatly was I surprised, then, in reading in one of those highly confidential reports furnished by J. E. Campbell, and dated April 26, 1939, the following statement:

"This Gentlemen, is the Meramus Plan. It might interest you to know that we have tried to find Moseley's price. We even tried to arrange a meeting in Sir Bill's office, but were unsuccessful. Other means will

be used to render him harmless, as we cannot tolerate his actions. He is becoming a menace to us."

The same report continued :

"In closing, he also said Carp's plans for taking over or wrecking arsenals, depots or arms factories had been so well advanced that any Franco type of Nationalist up-rising in U. S. could be crushed at start, due to lack of munitions. (Carp is Litvinoff's of Russia, brother-in-law.)"

I have no objection to that statement, nor to the plan indicated to liquidate me, but the incident checks up so accurately with my letter of April 21, 1939, that I read the remainder of the report very carefully.

The following was included in the same report :

"Example: Our enemy, Gen. Craig, will soon retire. If after he does, he should suddenly, due to acquiring heart trouble, or because of acute indigestion of some sort, change his address to — Arlington! We would be rid of him. We cannot afford any more Moseleys!"

I reported this matter, confidentially, to General Craig, giving him a copy of General DeLamater's letter to me and my reply in reference to the proposed meeting with Mr. Strauss. I have since had an acknowledgement from General Craig.

From another secret report dated April 20, 1939, I take the following which will be of interest to this Committee:

" . . . I would like to announce right now, that in the face of the attack of the Dies Committee, the League for Peace and Democracy now has a membership of 4,025,920 members. The largest in its history. 2,814 372 of them are young men of military age who will join the Peoples Army under No. 2 plan; or under No. 3, when the time is right, will make possible a Soviet America. In either case, they can be counted to purge the country of the Moseleys, the Coughlins, the Red Baiters, and all other anti-Semites . . . "

As already stated, this Committee has heretofore found to what high places in the Government, Communism has penetrated. It is interesting to note how many of these individuals, also, are members of, or connected with, organized Jewry. If this Committee is interested in determining definitely the power of the Communists, in connection with the campaign for economic planning and regimentation, locally, nationally and internationally, it should study the organizations of the various planning boards, noting down the names of the directors of each and seeing how these directorates interlock, so that the final con-

trol remains in the hands of a very few. Such a study will give quite a clear view of the problem and the difficulties involved. Also, it will indicate in what organized group the power lies.

It is not generally realized how complete is the Jewish State, as it is organized and operating within the United States—a nation complete within a nation. Your inquiry should include an investigation of the controlling organizations of that State.

The big four are:

THE AMERICAN JEWISH COMMITTEE;

THE AMERICAN JEWISH CONGRESS;

THE B'NAI B'RITH;

THE JEWISH LABOR COMMITTEE.

There are other powerful organizations of Jews which you will come to as you proceed. Bear in mind, their Nation is complete in every respect, including their own courts so prominently displayed recently in the press.

This question of Communism and national and international control will not be settled until it is

thoroughly investigated at the top. We are not interested in the poor, down-trodden Communist running down the alley, but we are interested in the great power at the top, and the names of those individuals who control that power. I have had the temerity to challenge the great octopus and to expose it in an effort to protect our Republic. I wish to see control revert to an honest government and to millions of truly loyal Christian American people.

Every loyal American citizen will support all efforts of your Committee to save and preserve our great Republic by such a frank and thorough exposure of the truth about existing conditions that the people will be on the alert against both revolution and counter-revolution, either of which would jeopardize our Republic's future. Our Republic must not be permitted to be taken over by either Semitism or anti-Semitism. Discrimination or persecution against either Jews or non-Jews is contrary to fundamental Americanism, and this notwithstanding the undeniable fact that our Republic is founded upon the Christian philosophy, of life, and has been, on that account, properly called a Christian Nation.

Yet it is obviously absurd, and courting national disaster for us to sanction or permit dual or divided loyalties on the part of any group. Consequently, it is self-evident that those Jews who affiliate with organized world Jewry and thereby accept the status of being its nationals, as proclaimed by Brandeis, should be denied office-holding, suffrage and all other citizenship rights in the American Republic, just the same as we would deny such rights to nationals of Nazi Germany or any other Nation or Nationality. If American patriots are to be further harassed and persecuted as un-American, merely because of their efforts to make known to the public the real truth about the nature and character of organized World Jewry, we should hang a sign on the Statue of Liberty saying:

“Un-American Activities Welcomed. American Activities Tabooed”
