THE THUNDERBOLT
of the
National States Rights Party

Our usual edition will be resumed next month, but it is vitally important for us to bring the enclosed material to you. It is professionally prepared and fully documented by the renown artist and patriot, Mr. Lincoln Rockwell. This material cannot be denied, and can do more to give the public the true picture of our enemy, than anything published to date. We must get this into the hands of Congressman, Senators, State, City and County officials, teachers, business and professional men, as well as civic and club leaders. Make up your own list and mail out as much of this as you can possibly afford. Will you help in this gigantic task? We can accomplish miracles if all of you will fully cooperate. In order to make this effort a success, we must have orders of 50 to 100 copies from many of you, while others must order 100 to 500. If you have a club or group, get them to all pitch in and help.

In order to justify future publication of similar literature we must have, large orders now.

Mrs. Peter Cowan
Vice-Chairman, N.S.R.P.

P.S. If any of you subscribers, failed to get last months issue of The Thunderbolt, headlined, "ADL and LIFE MAGAZINE JOIN IN GIANT SMEAR AGAINST NSRP." Please write us at once, it was mailed Oct. 21, some did not receive it for over two weeks. O.K. friends, lets get this literature out, and really make it hot for them, now is the time for an all out, re-doubled effort.
