

Fellow White American:

I am good and mad !

Last night, in Roanoke, Virginia, we pulled a miracle out of the hat!

Under "impossible" conditions, we showed what the WHITE MAN can do when he gets FIGHTING LEADERSHIP !

Three weeks ago in Emporia, Virginia, a town dominated by the jewish Bloom family, I was arrested and charged with starting a "war" against the niggers. If convicted, I can be thrown into the penitentiary for a minimum of five years. They put me under a "peace bond," so that if I am arrested again — for ANYTHING — I cannot get bailed out.

In spite of all this, Captain Alan Welch went down to Roanoke to arrange a speech there, to keep going on our campaign to smash the nigger revolution August 28, in Washington, DC.

After struggling for three days with officials, he managed to get a half-hearted OK for me to speak on the SIDEWALK. But we were warned that at the slightest violation of the law — even if the crowd "obstructed" the sidewalk — I would be arrested ! We were forbidden to use loud-speakers. We were told that we could distribute literature announcing the speech only after knocking on each door and ASKING each person if he wanted it ! (And it was precisely the same literature for which we are charged with starting the "war" against the niggers in Emporia!)

Ex-Marine Corps hero, Lt. Schuyler Ferris, led a task force of our men in distributing 2000 of these supposedly "criminal" leaflets all over Roanoke — first having to knock and ask permission to leave one.

In spite of threats of arrest, and with the felony charges in Emporia hanging over my head, I went down there to speak.

The vary name "Nazi" and our dramatic tactics, which so many people deplore, brought out a HUGE crowd! The mass of people filled an entire park and crowded around me on the sidewalk, in spite of the usual publicity black-out by the jews.

Groups of hysterical jews, and one gang of ugly niggers tried to break up the speech but they quit and crawled away like rats when they saw that the crowd would have torn them limb from limb. With our loud-speaker banned, I had to shout and scream for almost an hour to reach the eager White Men on the edges of the crowd. I wound up voiceless, with my throat raw and shredded.

When I finished, the crowd descended upon us, PLEADING for literature. They even kept trying to grab my speaking notes, which they thought were literature! We passed out the little bit we had and there were wild, unbelievable scenes there under the streetlights as man, women and children literally FOUGHT for copies of the expose' of Martin Luther Coon, and everything else we had.

Most of them BEGGED for extra copies for friends and relatives. We could have used THOUSANDS of copies of the documents showing the connection between nigger "rights" and Communism!

BUT WE DIDN'T HAVE EVEN ONE THOUSAND TO GIVE OUT !

We have no paper to print more!

We did the WHOLE JOB in Roanoke, taking enormous risks, driving two cars and ten men 210 miles down and 210 miles back— for \$32,00 !

That is ALL THE MONEY WE HAD !

In the past week, we have had to turn down more than a dozen opportunities to speak, because we are BROKE! — The jews are reporting we are too COWARDLY to speak!

Not one other Right-Wing outfit, so far, has dared to do a thing to oppose the nigger "march" and occupation of our Nation's Capital — except US. And I have to watch the brave men and women who dare to stand up for White Christian America go hungry, leave on dangerous missions without a dime in their pockets — and then see their courage and sacrifices wasted because we haven't got money for PAPER to print literature people are BEGGING for!

The desperate FIGHT we have put up so far, which I can assure you has the enemy "on the horrors," with officials pleading with me not to try it, and threatening me with imprisonment and even death — has all been done on less money than most Right-Wing outfits take up in a private "rally" — something we can't do because we are out reaching the PEOPLE, in the STREET — not Right-Wingers who already know the score.

All that we have been able to do has been financed, mostly, by only about TWENTY Americans, who have sacrificed and scraped to send between \$50 and \$500 each! The niggers have raised over a MILLION DOLLARS to assault Washington and drive us off the streets of our own Capital!

Do you WONDER that I am angry to think that our side will let our boys take terrible risks, go to jail, and face hell itself on August 28th to make a stand for the White Race — and the whole financial burden falls on about TWENTY GENEROUS AMERICANS!

We desperately need financial help. But I cannot, and WILL NOT ask these twenty people to do more. They are little people, widows, veterans, small businessmen — and they have done ALL THEY CAN.

This letter is going to a very special list of 1000 Americans who are the most dedicated patriots we know.

IF EVERYONE WHO RECEIVES THIS LETTER WILL SEND AT LEAST \$1.00, WE WILL HAVE MORE FUNDS THAN WE HAVE EVER HAD IN THE FIVE YEARS WE HAVE BEEN FIGHTING TREASON AND RACE-MIXING!

We can SPEAK, we can bail men out of jail, we can win thousands more fighters to make a legal stand against the nigger terror on August 28! And we can get the paper to print thousands more of the enclosed documented expose' of Martin Luther King's shocking record of implication with our Communist ENEMIES!

I have faith in our people. For five long years you have kept up climbing toward the point where we can win MASSES of people and get ELECTED to power — where we can sweep treason and race-mixing into the garbage can of history with an iron broom!

I have enough faith so that we have borrowed the money to send you this mailing, and a STAMPED return envelope — because I know you won't let us down.

If you do nothing else, I beg you, in the name of our great White Race, to gather every penny you can squeeze, right NOW, and MAIL IT!

Surely SOMEBODY can "break the record" and back the fight we are putting up with one thousand dollars! I cannot tell you in words what such a sacrifice would mean to us here! There must be some who can supply our White "troops" with five hundred dollars worth of "ammunition" — or a hundred — or fifty!

But NOBODY can tell me he can't find at LEAST ONE DOLLAR to put in the envelope, and mail NOW.

And if ALL of you — our BEST people — will do only that much, we will have enough to keep the FIGHT going and produce a miracle for the White Race on August 28th!

DEATH TO COMMUNIST TRAITORS AND RACE-MIXERS!

Lincoln Rockwell, Commander
