

THE LETTER FROM CHILE!

Santiago, Chile, 6 April, 1964

Dear Mr. Koehl:

We were able to defeat momentarily the jews in my trial, when the court agreed to postpone it for six months. Thus I have the time to get more strength before the elections. A jew communist leader manifested (proclaimed) in Valparaiso that I was to be shot should the reds come to power on September 4 (Presidential elections).

The Communist Party signed a petition to the government (signed by 14 lawyers) to declare the PNS (National Socialist Party of Chile) illegal. There has been no declaration as yet, but the authorities denied us the permit to stick posters in Santiago.

Last week, four nazis were attacked by a huge crowd of jews in Valparaiso. Storm Trooper ARAYA was severely wounded. Major Cordero (of the Chilean Nazi Party) was able to send 15 more troopers to rescue them. Anyway they had to get away, as it was impossible to stand against a crowd of more than 2,000 reds, all armed with chains, knives and even some guns! It is impossible for you to imagine it all. All Nazis in full uniform were unarmed. The policemen ran away. In the last moment, a very brave Storm trooper who was passing by in a taxi, drew a knife and obliged the driver to run into the crowd and they all ran on it. All windows were smashed. Anyway, Major Soto, from Santiago, was able to hit bloodily a jew with his belt. The jew had to be carried to the hospital.

In Santiago, my SS men saved me from a terrible attack in a bus, when I was going home, during the recent strike and riots here.

All this has brought us such a lot of propoganda that we are in a very peculiar situation. The Catholic Church seems to want to support us. (That's how Spain, Germany and Italy were saved: GLR). I was half an hour on TV Channel No. 13 (owned by the Church) and I have been very fairly reported by "ERCILLA", (big magazine) "LA VOZ", "LA UNION" and papers all over Chile. We have taken contact with people in 52 towns! I have been very busy writing and speaking, but we are unable to supply the necessary literature to the headquarters in so many places. Last week we were able to find an honest printer who will work for us without payment. But his printing machine is only for plates (cliches) like your own and the only place where you can order them here is owned by a jew. Could you supply us with some plates? We need very urgently pictures of the Fuhrer, eagles, etc.

Our financial situation is desperate. We are already owing a lot of money for the rent of HQ. Personally, I don't know what I am going to do myself. It has been impossible to get wealthy people to help. They are all fleeing the Country because they are scared of the elections. In Sept. this Country is going to be Communist or Nazi. It is not a pessimistic or optimistic way of looking at it. It will be like it. The PNS (Chilean Nazi Party) is now a big Party with many members, growing rapidly, but we have so little time!

Please inform Commander Rockwell about all this. We wonder what the State Department is doing in Chile. They are actually helping the Communists!

... If there is a God in heaven, I pray that our pantywaist "conservatives" could read THIS letter and dozens like it from everywhere and UNDERSTAND that our ONLY defense against Jew Communism is EXTREME "extremism", --which is NAZISM! Christian Chile is facing the END, --and the ONLY group FIGHTING it is our Nazis! The "wealthy" "conservatives" are "fleeing the Country". And where will AMERICAN "conservatives" flee TO, when the praying and rallies and literature and endless "committees" have not been enough to stop the bloody Jew-Communist TERRORISTS?

Seldom has there been such smashing proof of the success of our "Nazi" techniques as in the case of the civil rights "vigil" we are lousing up AS YOU READ THIS, here in D.C.

Since I wrote the newsletter itself, the papers have come out with pictures of the pinko, race-mixing creeps vigilling for the coons at the Lincoln Memorial. As usual, there are NO counterdemonstrators there for the White, Christian majority except us, EXCEPT the American Nazi Party.

I am reprinting the photograph sent out of the civil-rights "vigil" to show OUR people the DEADLY effectiveness of the Nazi technique, GRAPHICALLY.

Notice how the superior DRAMA and INTEREST of the "Nazis" have completely "UP-STAGED" the pinko, race-mixing creeps. While the rest of the right wing is cussing us, we are out there now, as you read this, pulling the teeth of these "tigers" and forcing them to share the "limelight" with their most hated enemies.

Our young men are out there 24 hours a day, (I am one of them) --and it is cold and raining now, and has been all night. It is my hope that this performance instead of the usual endless flow of right-wing WORDS will, sooner or later, help our kind of people to see not only the value of the "Nazi" approach, but the need to work WITH it by ALL groups.

VIGIL

Constant 'Watch' Kept At Lincoln Memorial

Last night, however, a rival camp was set up barely 20 feet away.

George Lincoln Rockwell, head of the American Nazi party, led half a dozen of his followers in to distribute leaflets against the civil rights bill.

Briefly the two sides mingled, exchanging their literature, before police shooed off the Nazis, who lacked a permit.

But to present a rival vigil, the Rockwell group left behind one of their party—a stiffly erect 19-year-old in a tan stormtrooper cap decorated with a swastika.

"We'll be here as long as those people are," said Robert Lloyd of Arlington, Va., a follower of Rockwell.

It was a wet, dark night and the students stood in the mud watching as buses unloaded hundreds of tourists at the monument.

Some of the tourists—most of whom were out-of-town high
