## SUPREME COURT PLOTS TO ORDER OPEN HOUSING

*Stacked Court Will By-Pass Will Of White Majority*

*And Order Whites To Sell & Rent To Negroes*

For a number of years the pro-communist liberals in Washington have met with total failure in their attempts to pass a federal open housing law. Everytime the American people have had the opportunity to vote on this question it has been defeated by margins of more than 2 to 1. It is obvious now that Congress will never voluntarily adopt an Open Housing Law.

This has not deterred the fanatical race-mixers from seeking to by-pass the will of the White Christian majority in America. Over and over again the Supreme Court has issued edicts which never would be endorsed by the American voter. Now a new threat lurks around the corner. The American people have a big surprise in store, one that has been

conveniently concealed by our kept daily press.

The extremist gang in the Justice Department has engineered a case all of the way to the U. S. Supreme Court on this very subject. Its object is to have the Supreme Court adopt an effectual Open Housing Law and overrule the U.S. Congress.

Back in the summer of 1965 negro Joseph Jones and his White wife Barbara picked out a lot in a St. Louis subdivision called Paddock Woods. The neighborhood is all-White. They offered to pay the advertised \$28,195 price. Naturally, the developer turned down the mixed couple.

Negro Jones then hired a lawyer who filed suit against the developer in federal court on the basis of an 1866 Reconstruction

law which declared, "All citizens of the United States shall have the same right, in every state and territory, as is enjoyed by White citizens thereof, to inherit purchase, lease, sell, hold and convey real and personal property."

Needless to say the law was passed when the federally occupied South was represented in Congress by negroes and carpetbaggers. Regardless, subsequent court decisions nullified the above law by ruling that the 14th Amendment only applied to states and not to private individuals. Because of this, negro Joseph Jones lost his case before his local Federal District Court and in the Court of Appeals for the Eighth Circuit. NOW JUSTICE DEPT. ENTERS

Since LBJ has met with devastating failure in his attempts to force this legislation through the Congress, this new avenue to subvert the will of the American people was immediately jumped upon. The Justice Department has filed a brief with the U.S. Supreme Court requesting that they hear Jones' case, AND GIVE HIM A FAVORABLE DECISION.

The Justice Dept. made this plea under the direction of Ramsey Clark, LBJ's Attorney General. The request is not based on any rule of law or precedent. The only motive is to cram down the throats of the American people new federal edicts which are AGAINST THE EXPRESSED WISHES OF THE VAST MAJORITY OF THE AMERICAN PEOPLE.

The federal government is supposed to represent the wishes of the people. The people are strongly against forced open housing. Actually, the U.S. Constitution grants us the right to own property and to dispose of it any way we deem fit. The evil anti-White tyrants in Washington would deny us the basic rights which our founding fathers fought and died for. There can be no doubt that the real enemy of the American people is not behind the Iron Curtain, but right in Washington. Daily they conspire to

trample under the rights of the White Christian people. The law means nothing to these dictators. The only question in their minds is under what subterfuge can they force the mongrelization of the White Race. They have openly proclaimed that the goal of their program for the final solution of the race problem is the inter-breeding of the two races into one mulatto race. Is this to be the fate of God's people, the Race that has brought civilization, culture, science and Christianity to the entire world?

It is up to you and me to work day and night to bring about LBJ's downfall and the re-establishment of White Christian Constitutional government. Order extra copies of this paper and give copies to friends. Let them know the truth which is being suppressed by the daily press.

NEW YORK TIMES  
CELEBRATES

Fred P. Graham, writing for the largest Jewish Daily paper in the world, "The New York Times," states "Since the Supreme Court has acquired its first Negro Justice, Thurgood Marshall, his presence should strengthen sentiment on the Court in favor of taking the plunge on housing discrimination, as the Court did on the school segregation issue of 1954."

There is no doubt as to how the stacked Supreme Court is going to rule -- AGAINST THE WHITE PEOPLE AS USUAL. They will obtain blanket injunctions against vast sections of the nation ordering housing sold to any negro who applies. Those who seek to sell to someone else would then be cited for contempt, arrested by the FBI and held in jail while the federal court seizes their property and sells it to the negro for you.

IF THIS IS NOT A COMMUNIST CONSPIRACY, we would like to hear otherwise. One of the most dastardly features of this entire plot is that every single daily newspaper in America knows of the Jones case now before the Supreme Court and how the Justice Dept. is go-

ing to use it to railroad an Open Housing edict upon the American people. YET, THEY REMAIN SILENT SO THAT YOU WILL HAVE NO TIME TO PROTEST AND FIGHT BACK.

You will simple awaken one day and read the shocking headline, "Supreme Court Orders All Americans To Sell And Rent To Negroes." ARE YOU GOING TO ACCEPT THIS LYING DOWN! Our answer is NO! Let's one and all redouble our efforts to awaken the sleeping people of this great land to the conspiracy being plotted day and night in Washington to force mixed housing throughout this land and to in every other way bring about the mixing of the two races in order to melt both down into one mongrel mess of nothingness.

We hereby charge Lyndon Johnson, Abe Fortas, Katzebach, Arthur Goldberg, Dean Rusk and all the rest with the crime of "GENOCIDE." That is, the MURDER of the White Race in America. If you will help build this movement we will see to it that the guilty are STOPPED and properly punished.

### FBI INVESTIGATES PENNA. POLICE

On Nov. 17, negro students in Philadelphia marched on the local Board of Education. About 1,000 of them shouted Black Power slogans protesting what they called, "White oriented school policies." They want the city's schools run by an all black school board.

The negro youths ran through the building terrorizing school board employees. The police rushed in and drove them out with billy clubs. The mob then ran through the streets smashing store and auto windows, shouting insults to all Whites in sight. During the riot, 58 negroes were arrested and 21 were injured by police billy clubs while they sought to bring the disorder under control.

According to a UPI report of that date, quoting Spencer Cox,

Pictured here is Joseph Lee Jones, age 35, and his White Wife, Barbara Jo. The Justice Dept., has filed a brief with the Supreme Court urging them to

# Liberals Whitewash Negro Teacher Accused Of Molesting White Girls

For a long time "The Thunderbolt" has been warning the people that teacher integration was placing young White girls at the mercy of negro teachers. Negro men cannot be trusted with White girls. This is especially true when they have the power to keep a child after class, and of either passing or flunking her.

Baldwin, N. Y. is a city of 35,000 suburbanites who work in New York City. There are only 10 negroes living in the town. Recently the community was shocked when a pretty 16 year old blonde student, Miss Susan Schaffner charged that 36 year old negro biology instructor, Maurice McNeill, had molested her. Susan's father decided to press the charge and have the negro disciplined and dismissed.

The press asked Susan's father why they decided to make the matter public. He replied: "We are a Christian family and we attend church, the Methodist Church. Before this started, my daughter

expressed a wish to see her minister. I took her to see him. The pastor talked to both of us, then to her alone. When he was finished with Susan, he said, "You go and testify and tell the truth and

applaud testimony in favor of the negro. The local press issued editorials that the "reputation" of the community would be made to look Anti-Negro if the girl's charges were upheld. The lib-

home for a tutoring lesson. She said he asked her, "Where did you get those secondary sex characteristics?" McNeill himself took the stand to deny the two girls' charges, but admitted that

those parents say: 'Just keep my name out of it.' So what are we going to do?"

That question was soon answered when the school board found negro Maurice McNeill innocent after six hours of deliberation. He was immediately reinstated on the school faculty with full pay from the date of his suspension. A crowd of 300 members of the local Human Rights Commission surrounded McNeill, according to an AP report, and kissed him, hugged him and shook his hand.

NOT THE END

The liberals had succeeded in saving their negro and dragged the name of the young White girl through the mud. But the end is not in sight. It will be only a matter of time before this negro is again accused of the same thing - next time it may be a much more serious offense. Perhaps it will be the daughter of a White liberal.

EVERY SINGLE WHITE GIRL UNDER ANY NEGRO TEACHER IS IN DANGER OF BEING MOLESTED. THE NSRP VIGOROUSLY OPPOSES ALLOWING NEGRO TEACHERS BEING PLACED OVER WHITE CHILDREN. This is but one more of the federal government's plots to debase and destroy the White race. We must continue our opposition to federal race mixing and the "fuzzy brained" liberals who have sunk to the level of sacrificing their own kind to prove their fanatical beliefs in the false doctrine of equality.

Let us redouble our efforts to awaken our people to the dangers to the very existence of the White race which are inherent in race-mixing. The two races must be kept separate if we are going to save our nation from reverting back to the darkest jungle. The negro himself has proven he is a savage who can never be made a part of civilized White society.

## Was Negro Or White Girl On Trial?

Pupil Susan Schaffner was denounced by liberals for exposing Black teachers immoral advances.

Maurice McNeill discovered his skin color gave him special privilege holding him above criticism.

## INVESTIGATES —

(Continued from Page 1)

director of the Philadelphia ACLU, the Justice Dept. rushed FBI agents to the scene to question the injured negro rioters to determine whether the police "used too much force in quelling the rioting." Over and over again Ramsey Clark and his Jewish predecessor Katzenbach have used the FBI on the side of the Black revolution in the streets. The FBI has investigated Alabama state police who stopped black marches in Selma, Ala., also New Jersey police in the Newark rioting and the police in Detroit. Their orders are to see that the rioters' so-called "Civil Rights" are protected from being violated by local police.

This is but one more way in which the FBI and Federal Government is promoting and protecting THE BLACK REVOLUTION IN OUR CITIES. This is not a new development. Back in the Summer of 1964 your editor was in Bessemer, Alabama with two friends getting the story on a race riot which occurred the day before. We went to the area where the negroes gathered just before marching. We were wearing suits and sun glasses. One of the negroes came over and asked us if we were the FBI agents who were going to guard them during their march. We answered "NO!" A few moments later two cars loaded with FBI agents pulled up. They walked ahead and on the sides of the march. Therefore, we have personal knowledge of the FBI being used throughout the nation as babysitters and protectors for negro agitators.

It is only natural that Black Revolutionists in this country will be more and more encouraged to foment future rebellions when they know the FBI will take seriously their charges of police brutality and run all over the country questioning local police and National Guardsmen.

A change in Washington is desperately needed if we are going to remain a free country. There would be no Black Revolution in America today if there were no LBJ in Washington.

take a lie detector test if you have to. God will be on your side." So, that's what we're doing.

### LIBERALS REALLY BEHIND NEGRO

The school board decided to hold open hearings on the charges. Immediately a Civil Rights lawyer named Denison Ray rushed to negro Maurice McNeill's defense. He filed a libel suit for \$50,000 against Susan and her mother. Obviously on action of harassment.

The "Chicago Sun Times" of Sept. 10th, reported that the town's Human Rights Commission packed the auditorium where the hearings were being held. These liberals would actually

also collected \$1,000 and gave it to the negro teacher. FACTS PRESENTED

In the packed auditorium little Susan Schaffner testified that the negro father of two kept her after class to discuss her grades. He had only recently given her a 'C.' While talking to her about school work, he placed one hand upon her knee and with the other "squeezed" her breasts and kissed her. This lasted about 10 minutes. Susan said, "I was too shocked by such a behavior from a teacher to yell out."

Next a junior student named Stephanie Smith charged that McNeill molested her by fondling her breasts when he came to her

he once offered to take a girl honor student out to dinner for receiving a good grade he gave her.

### THE VERDICT AND THE DANGER

Newsweek Magazine commented on the case by saying, "The fact that McNeill is a negro will help rather than hinder him now." The word was out that Baldwin, N. Y., must not be branded as "bigoted." A lawyer for the school explained the board's dilemma this way:

"You know, everybody has decided to be on his side because he's our only negro teacher. The liberals are now passing stories around town about the girl that will mark her for the rest of her life."

"At the same time, we have had 15 cases of people coming to us and saying that their daughters have told them the guy has tried the same thing on them. But

## Mrs. Hicks' Moral Victory

Mrs. Louise Hicks of Boston was defeated in the Nov. 7 run off. Every single newspaper and politicians was against Mrs. Hicks. The Kennedy gang, the McCormack's, the governor and everyone else fought Mrs. Hicks. When the final vote was counted, Mrs. Hicks had polled half of the total White vote. Her highest totals were in the White working middle class precincts.

The negroes, though small in number voted to the man, this once again proved to be the balance of power. To many wealthy White neighborhoods voted against their own race. Yet, still there was a victory here for the White race. Mrs. Hicks has stood against the busing of negro children into White neighborhoods. In this cradle of New England liberalism, half the Whites proved they were against race-mixing.

The liberal "New Republic" magazine commented in their Nov. 25th issue: "The elections on Nov. 7 showed a depressingly large White backlash in Boston, Ohio and Indiana." In all three states the negroes voted at least 95% for their candidate. The White percentage was less, but it is called a 'backlash'. Why is it that when negroes vote in a bloc it is regarded as desirable and

statesmanlike. When Whites tend to vote as a bloc it is called 'backlash' and is criticized?

### RHODESIA AND ISRAEL

Rhodesia is a peaceful country which has never attacked any of its neighbors. Its negro population has the second highest standard of living of any other nation in Africa. Yet, the U.N. has enacted cruel economic sanctions in order to crush Rhodesian Independence and place her back under the British crown.

Compare this with Israel's treatment in the U.N. She has invaded and plundered territory belonging to Syria, Jordan and Egypt. She has attacked Iraq by air. Yet, there are no U.N. sanctions against her naked aggression. Arthur Goldberg on the one hand voted for sanctions against Rhodesia, but blocks any punishment against Israel. The Jewish control of our federal government cries out to the American people for justice.

## What Happens After A White Girl Marries A Negro

Lagos, Saturday.

FOR EVERY parent with a daughter one question for ever thrusts itself forward, for ever demanding an answer. "What would my attitude be if my daughter wanted to marry a coloured man?"

I have always believed that if the man be generous, kind and considerate it doesn't matter whether he is black, white, yellow or purple.

Yet here in Nigeria I have met a Welsh girl whose fate really hurts me. She married a coloured man.

She went with him to Nigeria.

Her life today is one of despair and disillusion.

Hilary Ojuri, of Itapeju Street, Apapa, used to be Hilary Jones, of Denton Road, Cardiff. She worked in an estate agent's office in Cardiff.

She is 26 years old. When she first met Abel Ojuri, a Nigerian student, she was only 19.

Her mother, who is widowed and on a pension, told her: "I don't think this will do you any good at all. Why don't you forget him and get yourself a nice Welsh boy?"

Hilary was stubborn. Like many modern girls, she objected to her mother telling her what to do. She married her Nigerian.

Abel left Cardiff without taking his degree, and he and Hilary — plus their first child — went to Nigeria.

### Polio

Abel said he was going to be the managing director of an import-export firm. And he was.

But his inexperience in the world of business soon became obvious and his job ended.

Then, soon after they arrived in Nigeria, the terrible blow struck. Hilary contracted polio. By this time she had three children.

There is no free medical aid in Nigeria. Hilary was in hospital for more than a year. The bills are still not paid.

Then she returned to England for treatment on the advice of one of the doctors at the hospital.

She had been in hospital in London for two months when she had some disquieting news from Nigeria. The children were not being looked after very well.

Hilary started to worry so much she decided to leave the rest of the treatment she desperately needed to return to Nigeria.

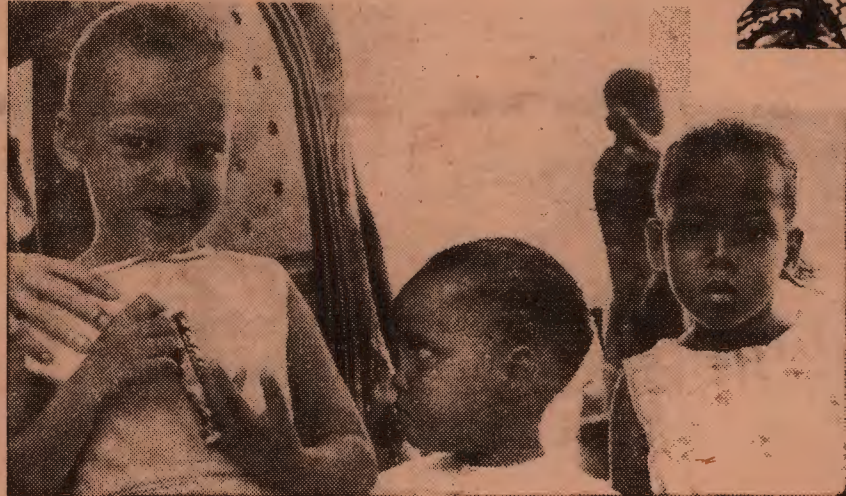

Today she is back in her tumbledown, shabby house in Apapa. The furniture is falling to pieces. Her husband is out of work — and there is no dole.

### Yams

Hilary is so crippled she is hardly able to move without an arm to help her, or in her wheelchair.

"We have been very badly off," she told me. "We have been able to afford only

## LIFE WITH HER NIGERIAN HUSBAND HAS TURNED INTO A NIGHTMARE—AND THERE ARE MANY MORE LIKE HER

Life is tough in Nigeria for Cardiff-born Hilary Ojuri. She's crippled by polio, her Nigerian husband is out of work and her three young children (left) need plenty of attention.

yams, rice and fish for ages, now."

She tried to get a job. "Not easy when you can't walk," she said. "I had to try to feed the children somehow."

"It took me a year. But finally I got myself a job with a shipping company. My husband..." she shrugged. "No good expecting anything from him."

But Hilary's £12—and honestly she tries harder than many people who are fit and able—goes nowhere.

The only job her husband can get pays a mere £15 a month.

"He won't take it," said

Hilary. "He would rather go without."

Hilary told me of the day they brought the ju-ju man—a kind of witch doctor—to see her. She said:

"Once, when I was just out of hospital, Abel's relatives brought the ju-ju man round. He wanted to make little cuts all over my withered legs. He said it would let the spirits out."

"I was terrified, because I knew it would only make me worse."

"I made him wait until Abel came home and he sent them away."

"Another time they brought a goat round. It had to be taken upstairs with sil-

ver on its head. Then they killed it. This was supposed to have cured me."

Hilary's case is not an isolated one. The Catholic sisters in Lagos say many English and Irish girls come to them and ask to be repatriated. Many of them complain they have been beaten up.

On top of the problems of different food, living habits and customs, British girls who come out here to live are faced with a complicated political situation.

Nigeria is slowly seizing up, because of a long-standing tribal war between the north and the east which has flared up again.

# BUY GENTILE

PATRONIZE ONLY CHRISTIAN MERCHANTS

HOW MANY STORES IN YOUR LOCALITY ARE JEW OWNED?

IN RECENT YEARS THE MAIN STREET OF VIRTUALLY EVERY MAJOR CITY IN THE U.S. HAS BEEN TAKEN OVER BY HORDES OF EASTERN-EUROPEAN JEWS, WHO ARE SLOWLY BUT SURELY DRIVING GENTILE BUSINESS MEN INTO BANKRUPTCY. UNLESS IMMEDIATE ACTION IS TAKEN—CHRISTIAN MERCHANTS WILL BE DRIVEN OUT OF BUSINESS AND COMMERCE ALTOGETHER.

## BOYCOTT JEW STORES

DO THE JEWS REALLY DOMINATE AMERICAN BUSINESS?

YOU BET THEY DO. CHRISTIANS HAVE BEEN DRIVEN OUT OF MANY LINES OF BUSINESS ENTIRELY

EASTERN EUROPEAN JEWS HAVE ALREADY BOUGHT UP THE MAIN BUSINESS SECTIONS OF THE LARGE CITIES. NOW THEY'RE MOVING INTO THE SMALLER TOWNS

JEWS OWN MOST OF OUR THEATRES, CLOTHING, JEWELRY AND DEPARTMENT STORES. THEY WORK TOGETHER TO SQUEEZE OUT GENTILE MERCHANTS.

SOMETHING CAN BE DONE! LEARN WHICH STORES IN YOUR LOCALITY ARE JEW-OWNED. THEN BOYCOTT THEM. BUY ONLY FROM CHRISTIAN MERCHANTS.

# Negroes Senselessly Murdering Whites

## Did They Die In Vain?

### AN EDITORIAL

On this page we printed two shocking true stories. One of the death of a beautiful young girl, Sareta Gail Bryson and that of a good family provider, Sidney Raycraft. There is no logical reason why they were murdered. Neither was robbed of any money. Their only crime was that they were White.

Both did live in mixed neighborhoods. LBJ and the Supreme Court are now working out fiendish new plans to move these animals into every White neighborhood in America. They want every American to live at the mercy of uncivilized savages. The time has come for we Americans to demand halt to this integration program. It is insane to mix the races and place the lives of our families in such danger. LBJ knows it is not safe for his daughters to walk out of the White House. Yet he is willing to sacrifice the rest of us.

There is but one sensible solution, and that is to adopt a Constitutional Amendment to revoke the negro's citizenship and to then deport them ALL back to the jungles of Africa

from whence they came. This is the number one plank of the National States Rights Party. More and more people are daily waking up to the fact that this is the only sensible solution.

Our cities are all on the verge of being burned and sacked by the Black revolution. It does not make sense for us to tolerate this threat any longer. The negro must be removed from our midst. Criminal and treasonous politicians want to keep them here for the sole purpose of using the Black bloc vote as a means of maintaining political power. They are willing to tax White working people to death, so that the negro can live high on poverty aid, without ever having to work.

Are you willing to continue to pay the bill to support those seeking to kill you, burn down your home and rape your wife and daughter? If not, support the National States Rights Party and help us drive these negro loving, scummy, degenerate politicians out of office. May God give us the time and the men to do the job.

## Fiendish Raycraft Case

Sidney T. Raycraft was a self-made man. He came from a poor family in Harbors, Minn. He worked himself up to an \$18,000 a year salesman's job. At 48 he gave that up to become an investor in the stock market -- and had done remarkably well. He drove a 1965 M.G. sports car and had nine children.

He had been brought up in a liberal atmosphere and now resided in Los Angeles. He made one fatal mistake. He knew a lot about stocks, but nothing about race. He lived in a racially mixed neighborhood!

One morning this past summer he awoke and got dressed to go to church. He took his oldest daughter, 23 to 6 a.m. mass and communion. On returning he ate his usual low calorie breakfast. He kept himself in good physical condition and exercised regularly to hold his weight at 175 for his 5'11" frame. Shortly before noon he drove his car home for lunch. He had good news for his wife Loretta, he had made a reasonable profit in the commodity markets that day.

WITH TERRIFYING HORROR IT STUCK.

## The Animalistic Murderer, The Beautiful Innocent Victim

GEORGE GOINS confessed. Did not know why he had reverted back to jungle savagery.

BRIDESMAID STABBED TO DEATH—Sareta Gail Bryson, a 20-year-old vivacious blonde who was to be a bridesmaid at her best friend's wedding, was stabbed to death on a Philadelphia street while returning home from a store. Police said the girl, whose mother had begged her not to go out, had gone out to buy hair spray in preparation for the wedding.

PHILADELPHIA — A 27-year-old father of three who said he was "sorry" has been charged with the brutal, knife slaying of a vivacious young blonde.

awful moaning.

"I looked out the window and saw Mr. Raycraft in a fetal position on the lawn. The man who had been following him was stabbing him repeatedly with an enormous knife.

"Mr. Raycraft rolled over, got up on his knees and rolled over again. The other man stabbed him all the time.

"Then Mr. Raycraft did a strange thing. He pulled his sweater over his head as if he thought that would protect him or shut out reality. That crazy man just went on stabbing."

The neighbor screamed out her window: "Stop! Stop stabbing him. Stop stabbing that man!" Although the neighbor doubts that he heard her, the man, a Negro, did stop. He walked across the lawn as if in a stupor, both hands in the air. In his right hand was a butcher knife, its blade covered with blood.

Still carrying the knife, he joined two other men in a nearby car, and drove away.

Sid Raycraft lay face down with 30 knife wounds in the head, neck, arm, hands, shoulder, back and buttocks. He was dead.

Thanks to an alert motorist and a neighbor, both of whom followed the getaway car, deputy sheriffs later arrested one of the vehicle's occupants, who is in jail charged with murder.

But the man suspected of committing the slaying is still at large. He has a record of arrests for burglary, robbery, carrying a concealed weapon, grand theft, petty theft, possession of marijuana, forgery and drunkenness.

The neighbor who followed the getaway car described its occupants as "laughing, talking and slapping each other on the back."

"I couldn't believe what I was seeing," he said.

### MOTIVE UNKNOWN

Neither police nor Raycraft's family and friends can supply a motive for the murder.

They are virtually certain the dead man did not know his assailant. A robbery motive is ex-

"I'm sorry—I don't know why I did it," George B. Goins, a city Streets Department worker, was quoted by police after being charged with killing Sareta Bryson, 20.

Goins, a neighbor of Miss Bryson, a petite, green-eyed blonde, was arrested Saturday after he surrendered to his minister. The girl was stabbed to death on the street Friday night, the evening before she was to have attended the wedding of her lifelong friend as a bridesmaid.

Miss Bryson's friend, Nancy Nasella, 20, apologized again and again for going through with the wedding.

Nancy said she and Sareta, who preferred to be called Gail, had been friends since kindergarten. "She was my best friend. No, she was more like one of the family."

Police said they found an 8-inch butcher knife, believed to have been the murder weapon, a short distance from where the girl was stabbed. The victim, bleeding badly, staggered five doors to her home and collapsed into the arms of her mother, Mrs. Walter G. Bryson, a 61-year-old widow.

Mrs. Bryson, who had earlier asked her daughter to wait until morning to go out for a can of hair spray, said she heard her daughter crying outside for help. When she opened the door, the girl took three faltering steps and fell into her arms, shouting, "Mother, mother, I've been stabbed. I'm stabbed."

"She had so much energy," said her twin brother, Walter. "She never went to school that she didn't hold some sort of office. She liked everybody and everybody liked her. She didn't have an enemy in the world."

Her funeral will be sometime this week.

tremely doubtful, since Raycraft had more than \$100 in his wallet, which the murderer could have taken.

The viciousness of the crime leads Loretta Raycraft to believe her husband may have fallen prey to an insanely bitter Negro who simply wanted to kill a Caucasian.

In any case, Sid Raycraft's life ended in an awful street crime committed in a middle class Los Angeles neighborhood.

The victim could have been anyone.

## MRS. RAYCRAFT AND CHILDREN

LEFT BEHIND—When Sidney Raycraft died in senseless murder he left wife, Loretta, left, and nine children. Eight seen here are Susan, 23,

James, 21, Gerald, 19, Don, 18, John, 14, Philip, 13, Cathy, 12, and Mary, 10. Tom, 24, is a pilot in Vietnam. The murderer is still at large.

## Black Power Takes Over Gary & Cleveland

When negroes rioted and burned down parts of several major cities under the banner of BLACK POWER this past summer, few believed that negroes would actually take power in the cities of Gary, Indiana and Cleveland, Ohio. How did they do it?

At first glance it is clear that White solidarity would and should have defeated both Carl Stokes and Richard Hatcher. In

Gary negroes outnumber Whites and are 55 per cent of the population. But the number of Whites registered to vote is slightly higher than negroes. This was offset by a greater turnout of negro voters.

Closer analysis of voting patterns revealed that Hatcher picked up 17% of the White vote in the wealthy neighborhoods and

A few seconds later, a neighbor glanced out her window and saw Raycraft strolling across a lawn on the other side of the street from his home.

About two paces behind him walked another man. The neighbor thought nothing of it. She looked away.

"But then," the neighbor said, "I heard a quiet kind of frantic voice. It said, 'Wait a minute. Hold it. Oh no!' And I heard an

# GHASTLY MURDER DEFEATS JEWISH CANDIDATE FOR MAYOR OF PHILADELPHIA

Jew Stephen Weinstein, age 29, has been charged with one of the most lurid and macabre murders in the history of Philadelphia. He was captured Nov. 4 in New York City after purchasing a ticket to a Broadway play.

As police unfolded the weird story, Philadelphia newspapers referred to Weinstein as a "Fagin" (a Shakesperian figure who was a habitual criminal Jew who lured young Christian children into a life of crime). It seems that Weinstein operated two pipe and tobacco shops. One was near the University of Pennsylvania campus. He owned a rare and valuable collection of antique pipes. Students would visit his shop to see the collection.

Once inside the shop, 'Fagin' Weinstein would give them something to eat--a hot dog or sandwich containing knock-out drops, or other drugs which leave the victim helpless. Once under their influence, Weinstein would perform homosexual practices upon the young students. He would also beat and torture them with instruments that would leave no tell-tale marks later.

Weinstein had three young neighborhood teenagers whom he would call upon to remove the drugged youths back to the College campus before they would awaken.

## JEWISH MAYOR CANDIDATE CRUSHED

This horrible murder case led to the defeat of well laid Jewish plans to capture the city government of Philadelphia. There had been much unrest among voters in Philadelphia over the way in which Democratic Mayor H. J. Tate was running the city. There had been race riots, financial problems, and governmental problems.

The local District Attorney was also a Democrat, and a Jew named Arlen Specter. The Jewish community picked Specter as their best chance in years of electing a Jew to the Mayorship. Here is how they planned a sure-win campaign for Specter.

1) Specter resigned from the Democratic Party and joined the Republicans.

2) This move assured him the support of conservatives.

3) He lined up the vote of negroes opposed to Mayor Tate.

4) The cities huge Jew population of nearly 150,000 was lined up as a solid block vote.

5) Many labor leaders had left Tate for Specter.

With this combination - Specter could not miss becoming the first Jewish Republican mayor of "The City of Brotherly Love." But, there was one big wrench tossed into this well oiled political bandwagon - THE WEINSTEIN MURDER CASE!

## DEATH OF A CAMPAIGN

It seemed that District Attorney Arlen Specter was well aware of Stephen Weinstein's vicious practices being perpetrated upon young Christian children at his "Ye Olde Tobacconist Shop." Specter admitted he knew of another student who filed a complaint against Weinstein before the murder.

Mayor Tate charged: "The District Attorney has been aware of strange activities at the Weinstein tobacco shop since last July (some five months earlier).

It is absolutely outrageous and reprehensible that the District Attorney failed to build a case against Weinstein and make an arrest."

Without calling a Jew a Jew,

the facts were immediately recognizable to the public. Weinstein was active in the Jewish Community Center and attended the Synagogue. It was a simple case of the Jew District Attorney

looking the other way to protect a fellow Jew. The White Christian voters of Philadelphia understood now that a White Christian had been murdered by a Jew simply because the local Jew

prosecutor had refused to arrest a fellow Jew.

Jewish blood being thicker than water, had brought about the defeat of a well schemed plan to capture the mayorship of America's sixth largest city. For once CHRISTIANS UNITED, be they Democrats, Republicans, Labor or Business to vote for Mayor Tate. Specter's well laid plans were shattered as he received only the bloc of Jew and negro votes.

## BACK TO THE MURDER

What had happened to the young Christian, John W. Green, III? He was only 18 and the son of a Des Moines, Iowa physician. He was attending college at the University of Pennsylvania. Like others before him, he wanted to see Weinstein's rare pipe collection at the tobacco shop.

The story of young Green's end came from a 14 year old "protege" of Weinstein. He told authorities that Weinstein had called him to dispose of another unconscious body. Weinstein ordered him to kick young Green, "to see just how much he can take." Weinstein then said, "I've been trying, but can't seem to bring him around." The protege held smelling salts under the student's nose. When this failed to work, Weinstein poured the spirits of ammonia into young Green's mouth.

Young Green went into convulsions and, the statement went on, Weinstein told his protege, "You better kill him," but the boy answered, "Not now, maybe later." The next night Weinstein called his three teenage proteges back and showed them Green's dead body. They were startled to see a beaten and bruised body - WITH PARTS OF IT EATEN AWAY BY THE FIEND WEINSTEIN!

He gave them \$50 each to dispose of the body. The young teenagers said Weinstein told them to beat Green with a board while he lay helpless under the influence of drugs. "Then I finished him off by strangulation." Green then zipped the body up in a sleeping bag and locked it in a trunk. He then told them to dispose of the body -- they later threw it in the river, where it was found and turned over to the police.

The teenage proteges of Weinstein said he once before offered them \$100 to kill a drugged student. Four other times he had begged them to murder students while he watched. The pervert Weinstein received a sexual climax from torturing young Christian children. There are a high percentage of Jews who are homosexuals and also a very high percentage of them are in the insane asylums.

## SUMMATION AND OUTLOOK

Court appointed psychiatrists have declared Weinstein to be sane. Where did his warped Anti-Christian hatred come from -- could it be from the Talmud as taught to him by the Rabbi? Regardless, his series of crimes had been protected by the Jewish candidate for Mayor. Specter is now ruined politically. Yet, many communities will continue to be in danger of having their children attacked by the Weinsteins among us everywhere. Indeed, the evil spirit of 'Fagin' is a corrupting factor inherent within the Jewish race.

## Charge Jewish D. A. Protected Weinstein

Weinstein (left) tried to conceal Christian youth's corpse in trunk (right). Case defeated Arlen Specter who first gained national attention as lawyer appointed by LBJ to write Warren Commission report of JFK's assassination. Weinstein fled to New York to have a forged passport completed by a Jew who specialized in fake documents. Weinstein intended to flee to Israel as a fugitive.

## Jews Resign In Mass From Anti-Zionist Group

For some time there has been a very small Jewish group called "American Council for Judaism, Inc." While going directly against the views of every other Jewish organization in America, the Council did boast some very influential names.

The head of the group was Richard Korn, president and its executive vice president is Elmer Berger. The idea of the Council was to try and promote loyalty to America, and treat Israel just as any other foreign nation. This viewpoint has been viciously attacked and the members of the "Council for Judaism" have been called, "Arab-Lovers," "anti-Semitic Jews," "traitors" and worse.

## ELMER BERGER EXPLAINS COUNCIL'S PROGRAM THE RESIGNATIONS POUR INTO COUNCIL

As soon as the above statement was issued, the Jewish press through the Jewish Telegraph Agency (JTA) denounced the American Council for Judaism as a renegade group totally out of line with U.S. Jewry.

Six wealthy and powerful Jews on the Council's Board of Directors immediately resigned and denounced Berger. First came Donald S. Klopfer, Vice-Chairman of Random House Publishers, he said: "The Council had completely misrepresented my views on Israel, I am resigning immediately."

Next, Joseph Louchheim, in charge of the State Welfare Department of New York City resigned and assailed the position of the Council. Mr. John Mosler, Chairman of the Mosler Safe Co., said: "I do not want to be associated in any way with this movement anymore than I would

Elmer Berger issued anti-Zionist statement.

want to belong to the National States Rights Party."

Walter N. Rothschild, Jr., president of Abraham and Strauss Bankers, was in Europe at the time of Mr. Berger's release of Council views and said "I completely repudiate the Council's stand and have contributed generously to the Israel Emergency Fund. Also Stanley Marcus, president of the Neiman-Marcus Department Store in Dallas, Texas, said he was resigning from the Council and was also contributing heavily to Israel. Mr. Henry A. Loeb, of Loeb Rhodes Co. also resigned from the Council's Board of Directors and announced from a business trip to Mexico: "I definitely disapprove of the Council's stand and I have given quite generously to the Israel Emergency Fund." He also said he was planning other steps to express his disagreement.

COUNCIL PRESIDENT RESIGNS  
Last, but most important of all,

Richard Korn, president of Council, resigned, ending organization's activity.

the President of the American Council for Judaism joined the mass resignations. He is Richard Korn who stated to the Jewish press: "Mr. Berger has used my name in the Council statement without my permission, in a highly improper manner, and I advise him not to make that mistake again."

## THE END OF THE COUNCIL

The American Council For Judaism was the only tiny group which could say they were Jews who did not go along with International Zionism. Now this organization has all but been destroyed and the Zionists have all their people back in line. The Jews are so powerful, that even if some individual Jews do not go along with Zionist power politics, they can quickly be destroyed by the vicious secret Jewish businessman's society, The

most of the vote in Jewish neighborhoods. This is what defeated the overwhelming 85% of the total White vote who did not want negro Hatcher for Mayor.

Gary is now in a most dangerous situation because Hatcher supports radical negro groups and has refused to denounce H. Rap Brown, Stokely Carmichael or the other Black Power advocates. Hatcher won by only 1,300 votes.

### CLEVELAND STORY

In Cleveland negroes are only 35% of that city's population. This was boosted by the best organized voter registration drive ever seen. Some 2,000 block supervisors were given 30 people to take to the polls. They were able to roll up a sweeping 86,669 Black vote for Carl Stokes.

The White people failed to turn out in such percentages and the richest White neighborhoods gave Stokes 21 per cent of the vote. Once again the White Race was betrayed by a small hard core of the rich liberal snob element which would rather see negroes take over than help the White working middle class.

Also, Stokes was backed by both Cleveland newspapers and all of the powerful Democratic politicians. Both negro candidates had unlimited sources of funds provided by the National Democratic Party -- which is still worshiped by many of our Southern sell-out politicians. The key to victory lies in White people organizing themselves into tight-knit block organizations. See to it that every White person on your block is registered to vote. Then have a committee see to it that he has a ride to the polls. Take off from your job election day to get out and vote.

THIS IS WHAT THE BLACK ENEMY IS DOING.

Negroes have flocked to our big cities. The big city vote controls the election of the President of the United States. The negro is still a small minority, but they are strategically located in the major cities. It is up to us to organize more thoroughly than the negro and vote loyal Whites into office. A good lesson can be learned from the tragedies of Gary and Cleveland.

One last encouraging note. In three White working class precincts in Cleveland, Carl Stokes received only 11 votes. Both the Communist Party and local Labor Leaders had promised to deliver the White working vote to Stokes -- that was the biggest flop of the entire campaign. This shows us the way and where our true friends and potential members are. We will not receive help from the rich snob element, despite the fact they will have the most to lose if America goes Communist.

Dear Sir:  
The Thunderbolt is a most effective newspaper. It states the truth, and nothing hurts the enemy more than truth. Like a thunderbolt from the sky it carries a terrific jolt. I would say more power to you and your newspaper.

And it appears the only way the enemy can get away from this thunderbolt is to straighten up and fly right, which they have never done.

B'nai B'rith.

The final epitaph for the Council came from Rabbi Israel Miller, Chairman of the American Zionist Council, who said: "THE MASS RESIGNATIONS AND CRITICISM OF THE COUNCIL IS PROOF THAT AMERICAN JEWRY IS 100 PER CENT BEHIND THE PRESENT POSITION OF ISRAEL." HE SAID ALSO THAT "THE DISAVOWALS BY THE JEWISH LEADERS INDICATED

THAT THE ANTI-ZIONIST GROUP WAS IRRESPONSIBLE AND MORALLY BANKRUPT."

Thus, We Christian Americans have all the more reason to stand by our Arab friends for the Holy Crusade which must come to liberate the Holy Land from the hands of the satanic Jewish thieves and desecrators. Let one and all awaken his fellow citizen to the real truth behind Jewish aggression and atrocities in Palestine.

### Louise Hicks Worker Says Whites Must Unite

Editor,  
"The Thunderbolt"

Dear Sir:  
I would like to renew my subscription to "Thunderbolt" as it is very informative.

I am a worker for Louise Day Hicks, who stood up to those damn animals, who have come here from the South. . . and who have 10 and 15 illegitimate kids; and who do nothing but rape, murder, loot, riot, and disgrace our communities and live Free on welfare.

I KNOW ALL THIS. . . and I'd like to NOT know it.

I havewritten to our Congressman and our Senators but as you know they are all kissing Lyndon's ass; and giving the animals everything they want just to "COOL IT."

What chance do we have? The negroes and Jews have taken over this country and at this point, at my age (66) I just don't give a damn any more. . . and I honestly don't want to read your paper, because it just UPSETS ME and makes my blood boil; AND THERE'S NOTHING I CAN DO ABOUT IT.

You know as well as I, that the

JEW'S OWN this COUNTRY right now. . . and what they don't own; Lyndon will give to them on the nigs.

They took prayer out of our schools; if a nig rapes you. . . they can't print it in the paper, that he IS A NIG. . . We have to rent to anyone they send over or let your apartment go vacant for three years.

Nigs kill our people up here (they never lived here, never paid taxes; they are just animals who moved up here for the FREE WELFARE; which I have to pay.

As it is I get so upset living here in Boston, seeing them rob, rape and kill our decent, law abiding citizens, AND YOU NEVER HEAR ABOUT THEM BEING SENTENCED.

They have everyone running scared. . . you know it and I know it. If they don't get a free living they will RIOT. So Lyndon, the ass-wiper will give these drug addicts, more and more money to "COOL IT".

May God give to Johnson and his damn Lady birds, exactly what they deserve.

### Names Jew Behind Romney

Editor,  
"The Thunderbolt"

Dear Sir:  
That permanent hold over public figures which Jewry seems to possess has been demonstrated again in the case of Governor George Romney. His campaign funds and political advise are supplied by an astute man who wishes to keep his influence behind heavy curtains -- The Zionist fund raiser and financier Max Fisher. Born of Russian Jewish parents, Max Fisher followed his father into the oil-refining business. Taking advantage of newly-found oil de-

posits in Michigan, Max Fisher and his Jewish associates founded the largest oil refining company in the Midwest -- now called Marathon oil -- a division of Standard Oil Company. In addition to being an advisor to Israel Max had headed the Zionist "United Jewish Appeal" the last three years. He is also on the board of directors of many major corporations. Like an insect caught in a spider web, George Romney like so many others became caught in the web of influence of a wealth Jew. We need not be surprised to learn that during the recent Israel-Arab

# Israel Aggression Is World Swindle

Editor,  
"The Thunderbolt"

Dear Sir:

It looks like the Arab nations have been "mousetrapped" in the greatest sucker play in world history. An international and interlocking "Mafia" of the Zionist-Communist conspiracy with headquarters in Moscow, Tel Aviv, and Washington has tricked the Arab nations into a disastrous war which they did not want, and could not win. The Zionists scored a fantastic victory with their "Pearl Harbor" attack. It is not fair to call what happened a "war" as it was more like sheer murder. Only the Thunderbolt correctly informed the American people that the Zionists of Russia and Israel had a secret pact not to help the Arabs.

We must give credit to the Tel Aviv Zionists for the tremendous propaganda victory. Many poor dumb Americans reading their daily papers actually believed that Israel would be "wiped out" or "pushed into the sea" by the Arabs. As only one example consider the fraudulent "blockade" of the Gulf of Aquaba. When the Zionists troops took this area they found that not one mine could be found by their mine-sweepers. They also found the same spiked guns they had left in 1956. The Egyptians had not even emplaced any field artillery, and had withdrawn most of their troops to Sinai, leaving only a token force at Sharm-El-Sheikh. Most embarrassing to the Zionists was that when they opened their so-called "blockaded" lifeline they discovered that there was not one ship ready to enter the Gulf. Fortunately the Zionist were up to this slipup in their scenario. They went out and bought a small ship and flew a crew to man it in Africa. This was all on national TV.

The full enormity of the fantastic defeat by the Western world and America in the recent Mid East crisis is now beginning to sink into the consciousness of most patriotic Americans. With the Zionists communists of Moscow now openly advocating a Communist takeover in the defeated Arab countries something approaching panic is taking place in Washington. It is possible in a few more years for the Zionist Communists of Moscow to have air and naval bases in the entire Mediterranean and Red Sea areas. Most interesting is the collaboration of American Jews and Zionists in this incredible fiasco. The very reliable "Washington Observer Newsletter" in its July 1 edition states "Walt Rostow, Arthur Goldberg, and Abe Fortas constituted the Chosen Trio who advised LBJ during the Mid East crisis. All three are sons of Jewish immigrants from (Continued On Page 7)

War, Gov. Romney sent LBJ a telegram urging that the robber state Isreal "be preserved at all costs" he did not say a word on behalf of the Arabs. Romney is currently wooing the black vote and calling for an open-occupancy law.

Max Fisher, of course has greater plans for Romney. (Or should we say for Max Fisher). If George Romney should ever succeed in becoming President, Max Fisher would follow in the footsteps of his racial comrade Bernard Barush -- a former "unofficial advisor" to the President.

Cordially yours,

### Negroes Kept Out Of Jew Areas

Editor  
"The Thunderbolt"  
Dear Sir:  
Negroes who voted for the "Liberal" leftists who support Urban Renewal, are now screaming their heads off in Roslyn Heights, Long Island. This is a Jewish town with all modern ranch type homes. Thousands of them. Negroes live on one section here in the old houses near the railroad.

Jews don't want negroes living in this Jew town, therefore, to get rid of them, the Jews are pulling their favorite urban renewal act.

They want to tear down the negro homes to get them out under the pretense of building apartments.

Most likely, nothing will be built in the area. But if apartments are built there, they will make sure that the prices are such that no negro will get in. At the same time, the Jews are coddling the negro in every other possible way, even firing all White Christian factory employees and replacing them with negroes.

This is to win the negro over to their side, so that when the Jewish Communist revolution takes place to overthrow our form of government and to kill White Christians, the negroes will be the front line shock troops for the Jews who want to be world dictators and slave masters.

The negroes who are being evicted and left homeless in all these urban renewal areas have no idea that this urban renewal is just another Jewish racket. The government confiscates all Christian property and pays the original owner only one fourth of what the property is worth. Then the government gives this property to rich Jews for less than half the price that the government paid for it when it was confiscated.

This shows that the Jew is the power behind the government for the past 20 years, when our homes are being confiscated and handed over to rich Jews. This is what was going on in Germany until the Jews owned everything and the Christians were being evicted by the Jews from Germany. Finally, Hitler came to power and forced the crooks to return the loot to the original owners, the Christians, and sent the Jews to Palestine and the U.S.A.

Signed,  
A. G.

### Israel Aggression Is World Swindle

(Continued From Page 6)

Russia, Rostow handled the hot line to the Kremlin, communicating in Yiddish--Rumors of a Soviet-U.S. deal made by the Chosen Trio are rampant in Washington. Barry Goldwater believes that in return for the Soviet Union's doublecrossing Nasser, we have agreed not to bomb North Viet Nam anymore." It is now clear that the CIA is feeding secret information to the American press in a desperate effort to regain some prestige with the Arab countries. The fact that the Soviet Communists had deliberately fed false information to Egypt that the Israelis had moved 14 brigades to the Syrian border is now made public. Nasser honored his defense pact with Syria by moving some troops into the Sinai on the basis of the false Russian intelligence reports.

# How Jewish Is America's U.N. Delegation?

Four New Deputies to Goldberg Are Sworn In at U.S. Mission to U.N.

From left to right: Wm. Buffum (Jew), Richard F. Pedersen (non-Jew), Seymour Finger (Jew) and Arthur Goldschmidt (Jew).

While everyone is acquainted with Arthur Goldberg's position of representing America in the U. N., few are aware of just how deep Jewish penetration actually is. Few know that the Atlanta Jew, Morris Abram represents us on the U. N. Commission on Human Rights. Both he and Goldberg are members of the Anti-Christian "Jewish Anti-Defamation League."

How about the lower echelons under Goldberg? A close check proves they also are almost totally in Jewish hands. On this page we reproduce a picture of those serving directly under Goldberg. From the left in the picture we first have Arthur Goldberg's senior deputy, William B. Buffum. When Goldberg is away, this Jew is in charge and takes his seat in the general assembly. Buffum was formerly an Assistant Secretary of State.

Next we have Richard F. Pedersen, Goldberg's deputy in the Security Council. Pederson is not a Jew, but well known as an extreme liberal. To his right is Seymour M. Finger, Goldberg's senior advisor and a Jew. Finger has been in America's U. N. mission since 1956 as an advisor on economic and social affairs. Last in the picture is Jew Arthur Goldschmidt who represents the U. S. on the U. N. Economic and Social Council. He has been with the U. N. staff for 17 years.

Out of the six main representatives America has in the U. N., only one is a non-Jew? Why is it that Lyndon Johnson is unable to find any Christians for these jobs? Since Jews constitute only about 4 per cent of our population, why is their number so great on our U. N. staff?

**CHRISTIANS DISCRIMINATED AGAINST**  
No wonder the Arabs believe that we Americans are puppets of Israel. When they go before the U. N. they see nothing but a sea of hook nosed Jews claiming to represent this nation. Lyndon Johnson is totally responsible for selling out U. S. interests to

the Jews. We of the NSRP denounce his stripping of the White Christian majority in this land of ARY voice in the United Nations.

We taxpayers are paying high salaries to these Jews to sell out our national interests.

Throughout the federal government we find Jews in control and dominating all departments of our government.

When a tiny percentage of a highly organized racial minority, loyal to a foreign state, seizes control of our government - WE ARE IN DIRE DANGER OF BEING DESTROYED AS A NATION. Our worst enemies are not in Vietnam, but right in Washington. They are the communistic Jews who are "building bridges to Russia" with one hand and telling us we are against the Arab people on the other.

The Jews are internationally famous for rewriting history to conform with their own best interests. Never have the Arabs been anything but friends to the American people, but now the Jews say they are our enemies. Thus, American power has been used against our real friends and has prevented the U. N. Security Council from forcing Israel to pull back from the conquered lands of the Arabs.

LET'S TAKE BACK OUR COUNTRY

Jewish influence and power in our federal government has outstripped their percentage of the population a hundred times over. It is not fair to Christians for President Johnson to turn the affairs of state over to an alien Jewish minority. We demand that the Jews be removed from the many posts LBJ has appointed them to. If you want action to help save America from enslavement by the Jews, then join the National States Rights Party.

Our Party is "America's Foremost Organization Naming The Real Enemy." If you are tired of menacing words and want to get down to the real heart of the problem, then join with us today for action tomorrow.

## Jew Heads Russia's Secret Police

Yori V. Andropov, the evil-eyed Jew Kosygin admits is now head of the dreaded Soviet Secret Police (The K.G.B.).

The greatest murder and terror machine the world has ever seen has been the secret police system of Russia. Since 1918, millions of people have lived in fear of being taken away in the middle of the night, never to be heard of again by friends or family.

Because of the terrible reputation of this secret police, its name has been changed from time to time to portend a change or reform. Under Lenin it was called the Cheka, later the OGPU, then the NKVD, next the MVD and today the KGB. All stand for a form of State Security Police. Of all the past heads of the Soviet secret police, we can find only one who was a non-Jew.

**KOSYGIN ADMITS TRUTH**  
When Soviet Premier Kosygin visited Lyndon Johnson last Spring in New Jersey, he denounced as false, charges that anti-Semitism was condoned in Russia. As proof he said "The head of our Security Police, Yori V. Andropov, is a Jew." THE CAT WAS OUT OF THE BAG. Having a Jew head of Russia's terror machine certainly does prove to the world that the Jews have not lost their power over international Communism.

Kosygin did not let the matter rest on that, he added: Andropov is the first Police head to be named a Vice-Premier of Russia since Beria died." This means double power to the Jew Andropov. He is not only head of the dreaded Secret Police, but a Vice-Premier. His predecessor Beria, a mass murderer, was ALSO A JEW!

Your editors have been fortunate enough to obtain a rare picture of Andropov. It is easy to see that Kosygin is telling the truth after viewing this sinister looking face. He has the typical Jewish nose, lips and ear features. The slanted Asiatic eyes and sneering look on his face are all the more proof that COMMUNISM IS STILL JEWISH -- IT HAS BEEN JEWISH SINCE KARL MARX!

"...The Polish masses... gave vent to the (anti-Semitic) feelings which had been pent-up during the Stalinist dictatorship, and openly started assaulting Jews."--The Gates of Zion\* (London: Central Synagogue Council of the Zionist Federation of Great Britain and Ireland\*), October 1957, p. 8.

The First head of the Communist Secret Police under Lenin was the Jew Uritzky.

Was the first Jewish President of Russia after the revolution. Lenin was Chairman.

Beria Is Shown Wearing Ukrainian Blouse

Greatest mass murderer of all time. The Jew Beria headed the Secret Police under Stalin longer than any other person.

JOHN F. KENNEDY--SAINT OR SINNER?

# All Kennedy History Books Have Suppressed Story

Back in 1963 your editors were handed the most explosive story on President John F. Kennedy to ever appear in print. We published the documented facts presented us by Mrs. Leonard Kater and two issues containing this information completely sold out.

In November 1963 President Kennedy was assassinated. We then dropped the story (we were the only American publication to print it.) Now exactly four years later to the very month, we again repeat this news - WHY?

Since that time the far left has built up myths of perfection and of even saint hood about the late President. Book after book is being written by ex-Kennedy associates, such as the Jew Arthur Schlesinger, the half Jew Ted Sorenson, the Jew Piere Salinger and many other extremist liberals. Of course the reason for this is to build up Bobby Kennedy for the presidency as the heir who will carry out Kennedy policy. Actually Kennedy was a very mediocre president who accomplished almost nothing.

The documented story below should rip away the mask of the Kennedy clan and strip them of Catholic backing, without which they have no hope of once again taking power in America.

Feb. 26th 1958; Miss Pamela H. Turnure signed a lease with Mrs. Leonard Kater for the rent of an upstairs Apartment at 2731 Dumbarton Ave. N. W. in the Georgetown section of Washington, D. C. (Photostat of which is in our possession.) Miss Turnure was the then Sen. Kennedy's secretary, some 20 years younger than he.

On Friday, June 27, 1958, at 1:15 a.m. John F. Kennedy arrived at the above address and was admitted by Miss Turnure. Mrs. Kater's kitchen was located directly below the bedroom upstairs. The unmistakable sounds of love making could be heard. Mrs. Kater identified the visitor as Sen. John F. Kennedy when he left.

Numerous times very late at night Sen. Kennedy would visit Miss Turnure. On July 1, 1958, Sen. Kennedy again arrived at 1:15 a.m. This time Mr. and Mrs. Leonard Kater decided to hook up two tape recorders to the sealing to try and capture the conversation above. With air-conditioners roaring, they were remarkably successful and a copy of the tape is in the possession of your editor. There is no doubt that it is Sen. Kennedy's voice. Also, the sounds of love making are clearly evident.

## THE FAMOUS PICTURE

A week later Sen. Kennedy moved his Mistress, Miss Turnure to 1523 - 34th St., N.W., just three blocks from where he lived with his wife Jackie. On July 11, 1958, at 1 a.m. Mr. and Mrs. Kater were outside this address and when Kennedy emerged they shouted, "Senator," he quickly looked the other way and hid his face. They had snapped his picture. As a Washington Star photographer said, "looks as much like himself from the back as from the front." In the daylight, the tree, lamp post, fence, house with shutters can to this day be seen at 1523-34th St., N.W. in Washington. On that

date Miss Turnure lived at this address. The press was notified of this story and given the picture. But not one reporter would ask Jack Kennedy, "If nothing improper was going on senator, why did you attempt to hide your face?"

Doar down to personally press for these indictments. That same month Kennedy was assassinated and soon thereafter Bobby fell from power and was removed by Lyndon Johnson. The charges against Dr. Fields and the others were then quietly dropped.

ingroom conversation transcript that toward the very end you hear Miss Turnure call Mr. Kennedy "Jack" in the part where she says "Oh, will you? Jack, I'll go see it again."

"It is enormously difficult with our most casually arranged

trailing you -- it's getting hotter."

Kennedy -- "I didn't realize you've got a new approach. You threw that out. I just threw it back."

Turnure -- "I'll talk with you about that later tonight."

Turnure -- "Do you like that? I like it fine. Oh, I'm really doing fine."

Kennedy -- "Do you want it?"

Turnure -- "When you're ready."

Kennedy -- "Hear the air conditioners?" (Editor's Note: Apparently asking Turnure if she could tell whether ours were on; they're great noise mufflers and I had previously told her so).

Turnure -- "No I don't."

Turnure -- "As Ginny started to tell you today, we planned on going over (to the house she was renting). She just wanted to show me everything (Editor's Note: meaning, probably, the lade of the house, Mrs. Cord Meyer -- a personal friend of Mr. Kennedy.)

Kennedy -- "Oh, you went over and met them?"

Turnure -- "Yea'll."

Kennedy -- "She's attractive, isn't she?"

Turnure -- "Quite attractive. She's divorced."

Kennedy -- "I knew she was divorced."

Turnure -- "I'm excited about the house."

Kennedy -- "Well, what are you going to do about it?"

Kennedy -- "It's quite a house."

Turnure -- "Yes, it's vast, with many closets and rooms. I don't care, but I thought it was hot."

Kennedy -- "Is it air conditioned? Well, what?"

Turnure -- "Mary Martin's stopping by to work." (Editor's Note: This probably refers to a cleaning girl).

Kennedy -- "Well, okay, that's Emma." (Editor's Note: Some sort of private slang).

Turnure -- "That's Emma - looking; that's another good description if you want one."

Kennedy -- "The hell with them! They all like you, don't they? I mean they don't . . ."

Turnure -- "They can really ask 'how' at work!"

Kennedy -- "Yea'll."

Kennedy -- "What ever gave you the idea she didn't?"

Turnure -- "Why shouldn't she? Why should she argue with an old guy and the whole Pentagon?"

Kennedy -- "I'll be damned!"

Kennedy -- "Now, the great deal of it is that I never thought of that; that the house was too big."

Turnure -- "It's true."

Kennedy -- "No. I'd forgotten you met Miss --- where you met Mrs. Schlossberg. I'm sorry I forgot. Where did you ---"

Turnure -- "How did you think I knew her?"

"Kennedy -- Well, I didn't know I knew it. I thought ---"

Turnure -- "I swear ---"

Kennedy -- "I thought you'd hear a discussion in the office, speaking on the phone or something."

Turnure -- "Didn't I discuss it with somebody?"

Kennedy -- "No, but then you had a chance to answer the phone. I forgot you were at the scene

THIS IS THE NOW famous photograph taken by Mr. and Mrs. Leonard Kater on July 11, 1958 outside Miss Turnure's apartment at 1 A.M. at 1523-34 St., N.W., Washington, D. C. Wearing bobby sox, Kennedy sought to hide his face. Later he threatened to destroy the Kater's if they published the story. To date, only The Thunderbolt has revealed the inside truth. One day -- long from now historical researchers will give Mrs. Kater and The Thunderbolt credit for bringing the detailed proof of this story before the public.

## ATTEMPTS AT INTIMIDATION

On July 14, 1958, at 9:30 p.m. the then Sen. John F. Kennedy accompanied by Mass. Congressman William H. Bates (Rep.) approached Mr. and Mrs. Leonard Kater on the street and warned them to keep quiet about the episode or Mr. Kater would lose his sensitive job.

After this JFK sent his family's lawyer and trouble shooter James M. McInerney to Mrs. Kater's home six or more times in an attempt to force them to keep quiet on this story. McInerney was formerly head of the FBI's criminal division and at one time was Assistant U. S. Attorney General.

Later Mr. McInerney became friendly with the Kater's and give them a written statement detailing his visits to their home. That he had threatened (in behalf of the Kennedy's) prosecution for blackmail if they circulated this information on Jack Kennedy. Later Bobby Kennedy accused Mr. McInerney of "going over to the side of the enemy."

## DR. FIELDS AND OTHERS INDICTED

Not more than one month after Dr. Edward R. Fields, editor of The Thunderbolt published the above story (plus reproduction of photostates mentioned) he and other leaders in the NSRP were indicted by the federal government for "interfering with federal court orders to integrate schools."

Bobby Kennedy had sent John

## Kennedy-Turnure Tapes Bared

(Editor's note: A copy of Mrs. Kater's tape recording of the Kennedy - Miss Pamela Turnure affair is in the possession of this editor. There can be no doubt as to the voice of Kennedy. Miss Turnure's voice comes in clear, but some of the endings of their sentences are blurred by other noises both inside and outside the apartment. The most amazing part of all of this is that Mrs. Kater was able to pick up anything at all with the spur of the moment improvised recording. But, this is cold hard proof Mrs. Kater's charges).

(Following is Mrs. Kater's explanation to the first side of the recording):

"On the one side you will hear Mr. Kennedy's voice quite clearly in the livingroom as he talks with Miss Turnure. I am attaching a transcript which will help you follow the very ordinary matter-of-fact conversation that took place. We do not have the beginning of the conversation when Mr. Kennedy first arrived, because we had not set up any microphones at that time.

"(Our only system of getting down the activity upstairs on tape was a spur-of-the-moment arrangement; the livingroom conversation was picked up from a microphone placed next to a heating duct in the basement; as soon as this was done we placed another microphone against the kitchen ceiling (their bedroom floor). We had a 10-year-old recorder and a brand new one; 'You will notice in the liv-

equipment to pick up their voices. It was summertime and the air conditioners were on. They were enough to form an almost complete blanketing of sound."

## KENNEDY-TURNURE TAPE

Kennedy--"Why didn't you just say it was impossible for you to reach me and I could have said yes."

Turnure--"I said who do you think I am?"

Kennedy--Well why didn't you say well did you want to call me and I would have said yes."

Kennedy--"Should I call you in 15 minutes and I would have said yes."

Turnure--"It might rain. You know the way . . . nothing I can do about it."

Kennedy--"It sounds like a closet."

Kennedy--"The moon is shining."

Kennedy--"In case you were the last survivor could you say that you were ---"

Turnure--"Well, oh they say that people who are working together have different ---"

Kennedy--"You can go by the house and quit worrying. Do not go by that ---"

Turnure--"I think that all men are cheaters---"

Kennedy -- "It seems to me ---"

Turnure--"Well, I know she left then and that ---"

Kennedy -- "Apparently she was thinking of leaving."

Turnure -- "I know that she said sometimes she was nervous and couldn't get going."

Turnure -- "This is my third time home."

Kennedy--"That's one way of

# Of His Mistress, Pamela Turnure

of the crime."

Kennedy -- "Geel!"

Turnure -- "Ever have a reunion? (Laughter) Or a re-creation of that night?"

Kennedy -- "I must confess if we should ever get together again --"

Turnure -- "I'll read about it for five minutes a night every time you're there."

Kennedy -- "The stinkers up there would just as soon telephone."

Turnure -- "I'd be delighted to write; that's how I feel."

Kennedy -- "I'll get a little action from you on that one."

Kennedy -- "Well, I'll be on my way back before . . ."

Kennedy -- "Did you see 'Show Boat'?"

Turnure -- "Yea'll -- a long time ago."

Kennedy -- "I'll take you to see it."

Turnure -- "Oh, will you? JACK, I'll go see it again."

Kennedy -- "Right."

Turnure -- "Can I?"

The following is Mrs. Kater's explanation of the tape made under Miss Turnure's bed:

"Now, when you turn over the tape you come to the bedroom scene. Quite obviously Mr. Kennedy is not a loquacious lover. It seems that when he went into the bedroom (twini beds) he must have gone to sleep at first and she must have slipped out and fooled around in the bathroom because you hear water running in their bath.

"When you first start playing the bedroom tape time it to 49 minutes and you will hear their act of love making. All the other voices you hear up to that point will be ours or our small cat's. Most of the noises you hear will be our adjusting the microphone or the stepladder; walking around a little bit, our refrigerators kicking on and off; their air conditioners and ours, etc.

"NOW THIS IS VERY IMPORTANT -- AT APPROXIMATELY 75 MINUTES FROM THE START OF THE RECORD (ABOUT 24 MINUTES FROM THE CONCLUSION of intercourse) YOU WILL HEAR KENNEDY'S VOICE ON SEVERAL OCCASIONS. THE WORDS ARE NOT CLEAR EXCEPT FOR THE EXPRESSION 'TIME TO GO' BUT THE TIMBRE OF HIS VOICE IS UNMISTAKABLE AS MR. McINERNEY SAID. YOU WILL HEAR HIS VOICE FOR ABOUT TWO MINUTES."

## STOLEN ARAB OIL

The New York Times, largest Jewish owned daily in the world announced on Nov. 16 that Egypt's Sinai oil fields have proved to be their richest asset resulting from the recent Zionist aggression. The Times reported that the Jews were working the wells on a 24 hour schedule and were expanding its pipeline facilities to the Gulf of Aquaba.

The oil is enough to completely fill more than Israel's annual requirements. This results in saving Israel millions of dollars which otherwise would be paid for oil imports. Israel has no intention of giving up these stolen lands. It is beyond the reasoning of your editor the way many ministers can support and justify this wholesale robbery of the Arab people.

MISS PAMELA TURNURE, the late President's mistress, was his secretary as a U.S. Senator. Later he moved her into the White House as his wife's secretary. Jackie Kennedy knew the entire story but later a strong personal friendship developed between the two and she remained Jackie's secretary for three years after JFK's assassination. Pamela Turnure is now married to Mr. Robert Timmins of Montreal, Canada. He is very wealthy from gold mining interests. When Jackie Kennedy visited Expo '67 in Montreal on Oct. 6 to the 8, 1967, she stayed with her old friend, now Mrs. Pamela Turnure Timmins.

## F.B.I.'s Secret And Shocking Campaign To Legalize Wire Tapping

Several years ago the courts ruled that information gained from wire tapping was inadmissible evidence. Ever since that time a very quiet, but powerful campaign has been waged by the FBI and Justice Department to have Congress pass a law making wire tapping legal. At the moment, wire tapping is practically out-lawed.

These days, everyone realizes that the federal judiciary is not an independent branch of the federal government. Federal judges are controlled by the Justice Dept.; this can be partly evidenced by the fact that federal judges can be moved to different districts by the Justice dept. Also the confirmation of this has been found in specific cases. Example, a trial of Ku Klux Klansmen in Jacksonville, Fla. found the federal prosecutor sending a transcript of the first trial of these men to ultra-leftist federal Judge Clarence Allgood in Birmingham - for his study and recommendation of procedure for a second prosecution which might bring about a guilty verdict. Despite all this the Klansmen were found innocent.

On Sept. 26; "The Judicial

Conference" of federal judges headed by Earl Warren instructed Sen. John L. McClellan of Arkansas that they supported a new bill which would make legal FBI wire taps and the use of this information in federal court.

### THE FBI CAMPAIGN

Local agents in charge of FBI offices in every state are constantly seeking invitations to speak before local Chamber of Commerce groups, Rotary Clubs and 'J.C.'s,' etc. On Nov. 6th, the head of FBI operations in South Carolina spoke before the Rotary Club of North Charleston. FBI agent Charles H. DeFord stated:

"There can be no doubt that the prohibition of wiretapping has hampered the FBI in some cases. The use of telephone taps is highly valuable. But again it's not up to us to say what we can use. If the country thinks this is an area we shouldn't be messing in, then we'll get out."

Our answer to this statement is "BALONY!" Mr. DeFord's talk was cleverly aimed at making the Rotary Club members feel that they can help the FBI fight crime by pressuring Congressmen into voting for the bill to legalize wire tapping. This is

part of the subtle campaign being carried out by FBI speakers all across this land in favor of this bill.

### NSRP OPPOSES WIRE TAP BILL

The National States Rights Party is strongly against the legal wire tap bill. The reason is that many new laws are being proposed to force more and more individuals to hire negroes, serve negroes, sell homes to negroes, not to intimidate negroes, etc., etc. The FBI says hundreds of new agents will have to be hired to spy on citizens and investigate anyone who does not obey laws and federal court rulings forcing the mixing of the races. Since the FBI admits that Civil Rights is one of its chief fields, it would greatly simplify matters for them if they could tap the phones of any White people they suspect of discriminating against negroes - in hiring, home selling, school mixing, etc., etc.

We of the NSRP want to urge all of our "PATRIOTIC LETTER WRITERS" to write their congressmen to vote against any and all bills to legalize snooping via wire taps. This is but one more step to set up a communist type secret police in America. We are against anything that makes it easier for the FBI to intimidate and harass White people to accept forced race-mixing. In fact we urge open defiance and refusal to obey ANY LAW or edict that forces race-mixing. The reason is that such is a crime against the White race and is un-Constitutional - regardless of how the Supreme Court feels on the subject. They are in direct opposition to the feelings of the American people on almost every subject anyway.

### THE FBI AND LIFE MAGAZINE CONSPIRACY

During the last weeks of September there appeared a series of articles on alleged crime syndicate activities in Louisiana and other states. Along with the article were photographs of alleged criminal activities that could only have been taken by FBI undercover agents working with said alleged gangsters. The article in Life was unsigned - neither were any credits given for the photographs.

Needless to say, the pictures were taken by the FBI and the articles were ghost written by Justice Department people under Ramsey Clark. Of course, we of the NSRP are against crime, vice, gambling and Cosa Nostra, etc., as are all other responsible organizations. But the big hitch to the Life Magazine campaign article appeared at the end of the series.

The article ended with a big plug TO LEGALIZE WIRE TAPPING BY PASSING SEN. McCLELLAN'S BILL! The entire series was a lead up to this important plug. This would all be fine except for the fact that real criminals would not be the main ones to suffer under such a bill. White Christian citizens who have never committed any crime would then find their phones tapped if the FBI suspected they were in some way discriminating against negroes. This bill is the opening wedge to setting up a police state in America.

### CIA KICKBACK PAYOFFS

Remember when Jimmy Hoffa was about to go on trial in Chicago. That very week Sen. Bobby Kennedy "leaked" a story to Life Magazine. It was to the effect that Hoffa had once suggested to FBI paid pimp Edward Partin of New Orleans that Bobby Kennedy should be assassinated by hired

killers. Hoffa vehemently denied the story, but it was too late.

The magazine article was published the very week he was standing trial. No doubt all the jurors read it as it was the talk of the town. This made Jimmy Hoffa look bad before the jurors. Even if they believed he was innocent of mis-handling union funds (the actual charge), they could justify a guilty verdict because

RAMSEY CLARK

he was such a "dangerous man." Justice Department strategy won out and they found him guilty. Since then a higher court has reversed that verdict as improperly obtained and sent the case back for retrial.

For a long time the FBI and Justice Dept. have been able to use Life and Look magazines to influence legislation. Three years ago, "The Thunderbolt" published a story from a New York newspaper which charged that the Shah of Iran had paid Henry Luce several hundred thousand dollars for "services rendered." A close check could reveal nothing done by Henry Luce of his Life or Time magazines for either the country of Iran or the Shah? Then it was noted that this money was paid Luce shortly after Iran had received its huge foreign aid check from this country. Was this the kick-back method of the Justice Dept. and the FBI to pay off Life magazine for hatchet jobs against political enemies and indirect lobbying for the Justice Department's pet bills in Congress?

### CONGRESSIONAL

INVESTIGATION WARRANTED Both the FBI and Justice Department are forbidden by law from using tax money to lobby for or against legislation pending before Congress. The NSRP hereby requests a congressional investigation of:

- 1) Speeches by FBI agents designed to use reverse psychology thereby effecting the passage of the wire tap bill.
- 2) Investigate to determine if foreign powers are using U. S. foreign aid as kickback payoffs to slick magazine publishers for propaganda articles designed to pass legislation or bring about convictions of persons facing federal trial.
- 3) Activities of the FBI and Justice Department in clandestine planting of articles and photographs taken by their agents for the production of propaganda articles lobbying for the wire tap bill.

The vast majority of all Americans, both liberal and conservative, are against the invasion of privacy that the Legalized Wire Tap bill would authorize. We feel it a major threat to American Freedom and the vehicle upon which a federal secret police

## "Guess Who's Coming For Dinner" Designed To Debauch White Women

KATHERINE HOUGHTON (right) brings her fiance, a doctor (Sidney Poitier) home for dinner. Katharine Hepburn (left) thinks they make a charming couple.

### Star Studded Film Glamorizes Interracial Marriages.

Polls have proven that by far the largest number of people attending movies are between the ages of 16 and 26. These are the marrying years, of course. A new movie which comes up glamorizing inter-racial marriages is "Guess Who's Coming to Dinner." You have already guessed that a Jew wrote it.

His name is William Rose, who authored the pro-communist movie, "The Russians are Coming." To make sure this movie is a real box office success, the producer Stanley Kramer (a Jew, what else) has picked out three Academy Award winners, the late Spencer Tracy, 67, Katharine Hepburn, 58 and Sidney Poitier. The question asked by the movie is "Would you want your daughter to marry a Negro?" Then the story sets out to prove what a wonderful idea this can actually be.

The movie begins in beautiful and romantic Honolulu. Sidney Poitier plays a well-educated, internationally renowned physician, a specialist on tropical

diseases, and an eligible bachelor, age 35. (Have any of our readers ever heard of a nigger with these qualifications?) He meets Katharine Houghton, in real life the niece of Katharine Hepburn.

After she dates Poitier for only 10 days in Hawaii, she is swept off her feet and wants to marry the nigger. They fly back to San Francisco to announce their engagement. After some days of thought, Spencer Tracy and Katharine Hepburn think this is just a marvelous idea.

Miss Hepburn, who has been a member of a number of Red fronts says, "I would not have made this picture if I thought there was anything wrong with interracial marriages." Stanley Kramer said, "I believe that in a free society people are entitled to marry whomever they like. Otherwise I wouldn't be making this film." Kramer is also a member of numerous Red fronts, and produced the Anti-German film, "Judgment at Nuremberg."

Their aim is at the youth of this nation. Interracial marriage is greatly increasing. It is mostly young, impressionable white girls who are marrying negro men. The number of White men marrying Black women is all but nil. The offspring of such unions are Black children, due to the fact that the negroes genes are dominant over a White person's genes, at a 4 to 1 ratio. The Jew propagandists are out to make your and my descendants into Black African savages. The destruction of the White race means the end to Civilization and Christianity. The Jew believes a weakening of the White race with negro blood would make his hold on this nation stronger. Actually the Jew is a parasite who must have the White Christian worker as the host for him to feed upon. If the equality crazed Jews succeeded in mongrelizing us, they would in turn destroy the producer of all the wealth they now own.

should come to power as did Beria and his communist NKVD in Russia.

Don't put this matter aside. Write your congressman and two senators today to vote against any bill which would make it legal for the FBI to tap citizens' telephones. This is a stand for LIBERTY of the INDIVIDUAL against a state police spy and thought machine. Let's make our voice heard on this matter, loud and clear! It's your birth right that these tyrants want to destroy. Expose this situation to one and all. Ask everyone you know to DEMAND - CONGRESS MUST VOTE DOWN THE BILL TO LEGALIZE WIRE TAPS.

Write Congress To Vote Against The Legalized Wire Tap Bill.

## "The Incident" Reverses Race Of Muggers

Hollywood is still truly the land of fantasy. Here black can be made White and history and facts reversed. The entire story of "The Incident" takes place on a subway car in New York City. A number of passengers board a subway train. There is a meek Jewish couple, a well dressed negro couple and others.

Next enter two brutal White youths. They are knife wielding punks who bait and rob their victims one by one. The passengers are all to terrified to jump up at the same time and subdue their tormentors. They pummel and curse the passengers. When

the train rolls up to a stop, they refuse to let anyone off, or cry for help.

The humble negro tries to make friends with them but is rebuffed and finally collapses in empty sobs. The movie was written by the Jew Nicholas Baehr and is now directed by Larry Peerce. Has any reader of The Thunderbolt ever read of White youths behaving in this manner on any subway? YOUR EDITORS KNOW OF HUNDREDS OF REAL LIFE INCIDENTS IN WHICH THE VILLAINS WERE NEGROES EVERY TIME.

But in Jewish Hollywood there

is a code which says that the negro may never be shown in a bad light. They must be made into heroes (note roles given Sidney Poitier). Only White Christians may ever be the 'bad guys.' Thus the crimes of the negro is laid upon the Whiteman. When the daily press censor the racial identity of such criminals, those who recently visited their neighborhood theatre are led to believe that most criminals are Whites. The time has come for us to remove the Jews from control over our TV and movie media if we want truth to reach the people.

### Freibaum Wants Negroes Bussed

Montgomery County, Maryland is just outside Washington, D.C. Most of the residents are high salaried government employees of the Great Society. The PTA president there is Jerome Freibaum. He has requested that negro pupils in Washington be bussed into Montgomery County to give them the 'benefit' of going to school with Whites.

Freibaum also stated that the cost would be about \$800 per pupil for the bussing and the additional tuition costs of about \$675 per pupil. He suggested the local White taxpayers pay this in order to help raise the educational level of the negro to that of the White.

This same plan has been tried only in Hartford, Conn. The negroes there were still not satisfied and rioted this past summer.

### Is President De Silva A Jew?

Brazil has been the victim in the past of a strong infusion of marrano Jews. The new president's name is De Silva, a name frequently used by Jews.

The Jewish Telegraph Agency reports that the editor of Brazil's only Anti-Jewish newspaper (The Tribunas da Imprensa) has been exiled to the local "Devil's Island." The editor, Helio Fernandes, was the only writer in the country to protest the Israeli kidnapping of Adolf Eichmann, and the deportation of Franz Stangl to West Germany. When Israel attacked her

## "Cool Hand Luke"—An Anti-Christian Affront

In the movie "Cool Hand Luke", Paul Newman plays Luke, an habitual prison escape artist. This is the first movie by former TV Director Stuart Rosenberg - and his vicious hatred for Christianity is most shocking.

In the movie Luke ridicules Christianity and attacks Jesus Christ. He sings atheist songs, with such lines as "I don't care if it rains or freezes/ long as I got my plastic Jesus /sitting on the dashboard of my car."

Rosenberg portrays the prison guards as being unmercifully brutal. He even has them hanging Luke up in crucified positions. Even Time magazine believed Rosenberg went to far and commented in their Nov. 10 issue, "Luke -- has some unconvincing monologues with the God he doesn't believe in -- it is

not only labored but out of style with the rest of the film."

The story is taken from the old (1932) Anti-South book, "I Am A Fugitive From A Georgia Chain Gang." Even in that book, there are no Anti-Christian remarks, they have all been added by Stuart Rosenberg. The Jews cannot suppress their hatred for Jesus Christ and it oozes up from the sewer whenever they feel they can brainwash the minds of our movie going youth. These attacks against Christianity will continue until Patriots are elected to high office who are not afraid to name the Jew as being responsible for ALL of Hollywoods filth and corruption. Only until such action is begun to free Hollywood from the tenacious grip of these people will we have a chance of clean up this communist propaganda in our theatres.

peaceful neighbors recently, Fernandes wrote an article entitled, "Jews -- Don't Be Joyful Over Your Victory." The Brazilian community has long been after his scalp. The De Silva regime ostensibly exiled him over an "insulting article" against the late Pres. Blanca. Even the Jewish press loudly hints this is only an excuse.
