

Ford-Levy Ask Supreme Court To Order Negroes Into Private Schools

U.S. Says Russia Can Annex All Of Eastern Europe!

FORD BRAINTRUST WOULD GIVE EASTERN EUROPE TO RUSSIA

Americans were shocked when President Ford and Secretary of State Kissinger signed the Helsinki agreement that recognized the Russian absorption of the Baltic States into Russia proper. Kissinger explained that we gave away the rights of the people of Latvia, Estonia and Lithuania in order to preserve "Detente."

Early this month columnists Evans-Novak broke the startling news that Kissinger's top aide, Helmut Sonnenfeldt, told a London meeting of U.S. ambassadors that the greatest threat to world peace is the possibility that Eastern European countries behind the Iron Curtain might try and break away from Soviet enslavement. He said such an occurrence could draw America into the conflict. Therefore Sonnenfeldt declared that the present "inorganic, unnatural relationship between Moscow and Eastern Europe could provoke a serious clash between the East and West. Therefore it must be our policy to strive for an evolution that makes the relationship between the Eastern Europeans and the Soviet Union an organic one."

What Sonnenfeldt is calling for is the scrapping of borders and integrating Poland, East Germany, Czechoslovakia, Bulgaria, Hungary and Rumania within Russia proper.

Sonnenfeldt and Kissinger are both Jews who left Germany as refugees before WWII. Actions and words of these two powerful Jews

represent the official policy of the Ford administration.

White House sources refuse to comment on the Sonnenfeldt blockbuster but do not deny his faithfulness to Kissinger's personal views. It is expected that after the November elections we will see a far greater "Helsinki Summit" in which we will sign away the future of the Eastern European countries to Moscow enslavement. During the past year alone Kissinger's foreign policy has allowed five more countries to fall to communist forces.

The Rockefeller Connection

It should be recalled that

Helmut Sonnenfeldt, top Jewish aid to Kissinger, says Soviets should keep all of Eastern Europe.

Kissinger was initially chosen for his post in the Nixon Administration by Nelson Rockefeller. He had been a key Rockefeller aide and his support of Nixon at that time was dependent upon the Kissinger appointment.

EDWARD LEVY, first Jewish Attorney General in history, demands private Christian schools accept negroes.

Kissinger later became the first Jewish Secretary of State in American History. It has been revealed that Rockefeller also picked the unknown left-wing Chicago law professor Edward Levy to be the first Jew Attorney General in American History.

Rockefeller's family history shows that they are descendants from Sephardic Jews who migrated from Spain to France during the inquisition. Rockefeller's power is so great that Nixon believed that by making him Vice President, he could use Rockefeller's influence in Congress to save himself from impeachment.

Today Kissinger controls the foreign policy of the United States Government. The unelected Gerald Ford dares not contradict any Kissinger pronouncement. Kissinger is the power behind the throne in the White House.

Thunderbolt readers recall our exposure of Sonnenfeldt in 1973 when Kissinger had Nixon nominate him to be

Atty. Gen. Levy Asks Integration of Private Schools

It is expected that the U.S. Supreme Court will rule this summer on a case which could force private White schools to accept negroes. It is important to note that in every racial case to ever go before the Supreme Court they have ruled against the White defendants. It is expected that once again they will follow true to form and order private White schools integrated. President Ford authorized his Jew Attorney General Levy to order his Justice Department to send two lawyers to argue against private schools before the high court in spite of the fact that the private schools do not receive any financial support from the federal government. Ford's lawyers argued that a Reconstructionist Act passed in 1866, (when Southern states were disfranchised and could not legally approve the law), would prevent any White attempt to establish any institution for Whites only. Of course this law has never been enforced in the past and since it was adopted during a period when the South was not legally represented in the Congress it should be declared null and void by the courts. Unfortunately we have had a succession of pro-race mixing Jew-puppet presidents who have loaded down the Supreme Court with fuzzy brained intellectuals who believe in the suppression of White people's right to live in a society exclusively with their own kind.

Louisville, Ky., has witnessed the creation of 40 private White schools since forced busing began. This development of the private school movement has sprung up throughout the nation as parents have desperately sought to insure the safety of their children from the violence prone negro schools.

Attorney General Edward Levi, the first Jew in U.S. history to hold such a sensitive post, has given his legal opinion that Whites do not have a right to set up private schools for members of their own race. Levi stated in Washington that he would examine all private schools set up to avoid forced busing. He said that under the 1866 civil rights law it is illegal "for such exclusion to be based on racial grounds, if the black applicant is denied a contract right which would have been granted to him if he had been White."

Jew Jack Greenberg, head of the NAACP Legal Defense Fund, has also argued that Whites should not be allowed to "hide from racial integration" by sending their children to private schools. The two Virginia schools upon which the case was first brought have responded that their children have the "constitutional rights of freedom of choice, association and privacy to exclude any racial, religious, or other group."

Once again the Supreme Court will no doubt rule against the rights of White people because they are only interested in forcing the minority upon us whether we like it or not. They are literally hounding the White people in seeking to deny us any escape from racial integration. The time is nearing when the White people of America are going to have to take a stand and defy the Jews, negroes, and their gentile stooges who have taken control of our government away from the White majority. That day is near at hand because the White people now have their backs up against the wall and there is no where else to turn but against all who seek to force racial mongrelization on the White Race. The struggle for the nation and civilization itself is dependent upon our ability to insure THE PRESERVATION OF THE WHITE RACE! No personal sacrifice we can make toward that end is too great because we have but one life in this world to give for our Race and Nation.

Anti-Busing Protestors Manhandled

POLICE & JUDGES "TOUGHER" ON WHITE KIDS

Last year HEW reported that 87% of those suspended for school violence throughout America were non-Whites — mostly negroes. At the same time it is publicly admitted that authorities crack down harder on Whites than they do blacks when trouble breaks out. Louisville Juvenile Court Judge David J. Thompson, Jr., verified this in a recent press interview in which he said: "I know that I'm often rougher with White kids than I am with black kids."

Further evidence that Thompson is a victim of a guilt complex known as "White Self-Hate," is his statement: "I've never been black. Maybe a black kid from a poverty area has not had the advantages of White children. It's a hangup with me!"

The facts are that negro youths are equally hostile, arrogant and dangerous, whether they come from a poor neighborhood or a middle class area.

This problem extends right into the police departments. White officers are more harsh on White students and especially anti-busing demonstrators. The Thunderbolt has reported numerous accounts of unprovoked attacks on peaceful White demonstrators in Louisville and Boston. Outright beatings of detained and even handcuffed Whites have taken place. Nothing like this ever happens to negro students. If such did Atty. Gen. Levi would rush in the FBI to see if the non-

POLICE AT BOSTON'S Hyde Park School use unnecessary force on young anti-busing demonstrator.

White's "civil rights" had been violated!

Some representative cases proving this point are photographically documented on this page. One is from Chicago where a cop has a White youth by the neck in front of Kelly High School. The children had just participated in a demonstration protesting a redistricting plan that would bring a large black neighborhood into the Kelly School district. THIS WOULD MEAN THE DEATH OF ANOTHER ALL-WHITE SCHOOL!

Another photo is from Boston's Hyde Park High where police are obviously manhandling a White youth after blacks had attacked a group of White kids. They decided to stand their

ground and fight for their rights — so the police — under the usual orders that minority rights come first used violence to disperse the White children.

In Tampa, Fla., at Wilson Junior High, a White boy, 15, was on his way to school when he was assaulted by a large black tough who said he didn't like the White boy's looks. The White youth returned home and got his father's gun. He wanted to make his way back to school and was once again blocked by the negro. He pulled out the gun and fired one shot. The black fired, but police arrested the young White boy and charged him with "assault with intent to commit murder!" Nothing was done to the black who would not let the White child go to school. This is the kind of hell our White children are being subjected to in the integrated schools of America. Jack Nix who has for many years been an authority on Georgia school conditions states that "discipline is the No. 1 problem" in this state's schools.

Negro School Violence Is National Problem

A recent Harris Poll revealed that 75% of the American people are against forced busing to bring about "racial balance."

The daily press hailed the so-called peaceful Detroit busing plan that hauled that city's 14% White minority into the ghetto. The truth is that there were not enough Whites left in Detroit to mount a massive resistance movement as we have proudly witnessed in Louisville and Boston. Detroit busing began on Jan. 26 and the school board announced that as of March 31, some 750 Whites had either left the city or enrolled in private schools. Another 178 pupils were being kept home by their parents.

Jimmy Carter, who is running for president, says that he is for the kind of busing that exists in Atlanta, Ga. This allows blacks to be bused where ever they please. The effect has been to cause a massive White flight from the city. Atlanta has gone

News Flashes

NEWS NOTES

England Fails To Recruit Black Police

Scotland Yard studies have consistently revealed that negroes commit crimes of violence in London far in excess of their proportion of the population. Negro community leaders complained that there were not enough blacks on the metropolitan police force. Out of 21,200 officers only 39 are negroes from the West Indies.

Therefore Scotland Yard began a \$50,000 advertising campaign to recruit blacks. In a startling announcement 6 months later they had to admit that not one new black had been added to the force. In fact very few even bothered to apply. Negro R.S. Webb who runs a home for abandoned black youths in London gave his answer to the problem in a very true statement that "It's impossible to be English and black at the same time."

South Vietnamese Still Fighting

Anti-communist remnants of the old South Vietnamese armed forces continue to hold out in the jungles. Reuters News Agency reports out of Saigon that in another clash with communist troops one "rebel" was killed and four others taken prisoner in fighting in My Tho, 44 miles south of Saigon. The report said that they were members of the anti-communist **Black Dragon Seventh Company**.

Kissinger and Sonnenfeldt say that no military aid can be given to the anti-Red forces because it would interfere with "Detente." Also we are getting ready to recognize the Communist Vietnam government right after the election. Why is it that the Reds can send aid to guerrillas fighting against White people in Rhodesia but we cannot send aid to guerrillas fighting against the communists in South Vietnam?

Negro Jurors Wrecking Jury System

The officers of the Brunswick Record Company in Chicago were charged with "payola" which is giving disc jockies money to play their records. They were also charged with concealing \$350,000 in sales so as to avoid taxes. The case is especially interesting because the White president of the company and three other White executives were found guilty and face up to 10 years in prison and fines of up to \$10,000. Two black officers in the company, Carl Davis, vice president, and Melvin Moore, promotion director, were found "not guilty!" Court observers say that if any were guilty ALL would have to be guilty. The only trouble was that the mostly black jury simply would not convict their own kind. Is it any wonder that President Abraham Lincoln once stated that he was not in favor of making jurors out of negroes.

Crime Inside The FBI

The House Intelligence Committee has charged that there have been "irregularities" in the granting of purchasing contracts by the FBI. Martin Kaiser, a Jew, and owner of a Maryland electronics company that specialized in making bugging devices states that he added up to 30% to the price of equipment he delivered to the FBI. The committee focused its investigation on John P. Mohr, assistant to the director of the FBI, as the man who most likely received millions in kickbacks from Kaiser. Clarence Kelley asked Mohr to resign, which he did, while the investigation continues. The case has the makings of a "disaster" for the reputation of the FBI according to Time Magazine.

Stop Suspending Negro Students Says Black Leader

The Broward School Board which takes in Hallandale and Hollywood, Florida schools has revealed that negroes comprise 22% of the students but account for 45% of all students suspended from school. This despite the fact that school officials are much more tolerant of negro rowdiness in schools and admit they will only suspend them as a last resort. Reasons for such suspensions are damaging school property, thefts, assaults upon teachers, being drunk and carrying weapons.

Negro school board member John Tripp said "White Racism" was the reason the blacks were being "picked upon." He added: "These kids are frustrated with the system, so they lash out at it. And I really can't blame them!"

If negroes hate America so, why are more and more of them immigrating here from Africa and the West Indies? If this nation is so prejudiced and biased, then why don't they simply pack up and go back to Africa?

from 65% White schools to 86% black in 15 years. In other words, Jimmy Carter favors a black takeover of our major cities!

Over 8,000 White students have left the Boston school system since the start of forced busing. Boston has lost 17,600 White children who have moved or entered private schools.

San Francisco has seen 10,880 Whites leave its school system during the past five years of busing. The city schools are now only 26% White!

Dallas, Texas school officials state that at the present rate of White flight its school system will be 57% black by 1980.

Decatur, Georgia public schools have just tipped the scale and are now 54% black. This will step up the already accelerating White flight from not only the city of Decatur but out of its surrounding DeKalb County. In fact, statisticians charting the rapid black takeover of South DeKalb state, that within 10 years there will be a black majority controlling that important Georgia county.

U. S. Says Russia—

(Continued from Page 1)

Under Secretary of the Treasury. We produced sworn statements by high State Department officials and one federal agent which proved that during his initial years with Kissinger he (Sonnenfeldt) had worked as an agent for Israeli Intelligence. The Jew Sonnenfeldt would go directly to the Israeli Embassy in Washington and divulge our most confidential plans to Jewish officials. Three different witnesses testified to this fact and Sonnenfeldt was turned down for the post in the Treasury Department. One would think that such a revelation would result in his being dismissed from government. This was not the case because Sonnenfeldt was a Jew and under the protection of Jew Henry Kissinger. He simply moved back to his job as the number 2 man in the State Department under

Kissinger.

An even more interesting note is the close collaboration between Jews in America and the Soviet Government. The news media in America makes people believe that there is friction between Russia and Israel so that we will give more foreign aid to that parasitic state. The fact that the two most powerful Jews in our government would want to permanently give away all of Eastern Europe to the communists for all time to come is certainly proof that Jews are indeed NOT being persecuted in Russia and there is no real break between the Soviets and Israel. The fact that Russia has cut off all military aid to Egypt is all the more proof that Marxists, be they in power in Israel or Russia, are working hard to seal the future of those unfortunates who have fallen under their control.

Homosexuals Entice Young Boys

Already Has Cut Down White Birth Rate

HOMOSEXUALITY VERSUS SURVIVAL OF THE WHITE RACE

Why are homosexuals becoming more numerous in America? Some say that they are coming out into the light because of our more permissive society. Investigative authorities on the subject charge that more and more youths are being lured into homosexuality by older confirmed homosexuals. That is another method that the Jews are using to destroy our Christian White Race.

A startling article appeared in the "San Francisco Chronicle" on March 22, 1976 which was not carried by the news wire services to any other daily paper. It studies the growth of the new practice of enticing very young boys into homosexuality. It states that up to 300,000 young White males under the age of 16 — some as young as six years old — are performing acts of sodomy and submitting to anal rape for financial reward.

Author Robin Lloyd is coming out with a new book entitled "For Money Or Love." It is a study of 300 young boy prostitutes who sell their bodies for \$10 to \$20. Many of these children go on to live with their benefactors and enter into a life long pursuit of homosexuality. Lloyd says that most of these children are runaways from home. Others are found wandering the streets and come from poverty areas or have been neglected by parents who do not care what becomes of them.

Warren Cain of the San Francisco Youth Guidance Center tries to seek out these children for rehabilitation and either send them home or find foster homes for the children. He states "most of them aren't homosexually bent when they come to San Francisco but are driven to it by the people they meet on the street. Even though they are used like children prostitutes, those we are able to reach often eventually marry and have children, but some drift into the full homosexual life."

Exploiting this situation is the Jew-owned pornographic industry which has turned out some 263 different "young boy" magazines which sell for as much as \$10 each. Porno films called "chicken movies" can be purchased and show young White boys in perverse relationships with older men. The term "chicken" or "White chicken meat" refers to the young children. Those seeking them are called "chickenhawks," the term for the older queers seeking such relationships. Despite the

fact that it is a felony (even in California) for an adult to have such a relationship with a child, there are almost no arrests on such charges.

Homosexual magazines carry ads for catalogs at \$5 each instructing the older men how to buy such material. Homosexual pimps will recruit young boys into a "stable" of "slaves" to be rented to those who want to pay for their use. On this page we reproduce just a brief sampling of such ads as they appear in California homosexual magazines.

This is a trend that is rapidly growing and is a direct threat to the preservation of the White Race. The vast majority of homosexuals are White. Most of the new young people being introduced into the so-called "Gay" life are White boys. In many cases homosexuality is a habit that is acquired at an early age when a child does not have the opportunity to develop a normal relationship with the opposite sex. This habit can develop to the point where by the time the child reaches adulthood it is no longer possible for him to lead a normal life with a female partner.

The courts and police continue to ignore this problem. Many churches have placed their stamp of approval on homosexuality and say it is "normal."

The White race population suffers because we have fewer and fewer men to mate with our women! There can be no doubt that many women especially in our larger cities have grown despondent over not being able to find eligible young men to marry. Frequently we have heard girls complain that "most of the men in this town are queer."

After a time of experiencing such frustrating disappointments they become "love starved" and ripe pluckings for the Jews, the Mexicans, Puerto Ricans, Asians and negroes out looking for White women.

This is not a minor problem but one of major proportions. With our White birth rate already under population zero we are no longer reproducing our own kind. We can hardly afford to lose 300,000 White youths to homosexuality because this means an equal number of White girls will be unable to find White mates to reproduce the White race!

The major complaint against homosexuals is not what they do in private with other confirmed adult perverts, but the aggressive activities that take place within their organized community to entice young, innocent, White youths away

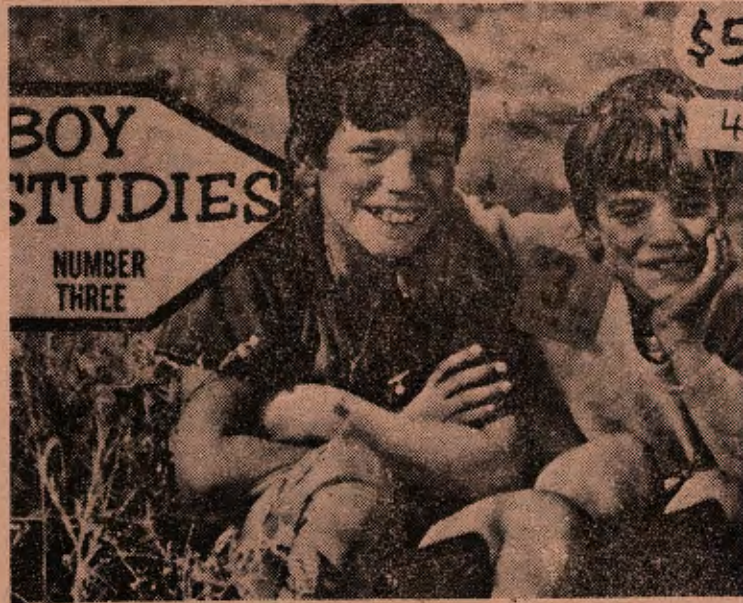

from the normal life of what should be a family oriented society. White Christian civilization cannot continue on this earth with such a Jew cancer eating away at our already limited numbers. We need more fathers, more families, and more children born to carry on the task of procreation of the race that has given civilization to the

world.

We will not survive as a people if this nation becomes the Sodom and Gomorrah of the future. We must work as an organized group to offset this problem and insist that the police and other governmental agencies take all the steps necessary, using laws already on the books, to

outlaw recruiting and use of young boys as "homosexual slaves". This vile practice should be cracked down on hard and the responsible civic minded leadership of every community alerted to this threat which is growing so rapidly that it could well undermine the future existence of our White Christian civilization.

Girls Age 3 to 14 Allegedly Used For Obscene Photos

MINEOLA, N.Y. (AP) — Arrests of two Long Island couples and the executive editor of Screw magazine have broken an alleged \$250,000-a-year pornographic photo business that officials said used girls between the age of 3 and 14 as models.

The arrests were made yesterday after a raid on the North Bellmore home of Eugene Abrams, 37, a consulting engineer and the photographer who allegedly ran the operation and used his own 3-year-old daughter as a model.

Nassau County Dist. Atty. William Cahn said photographs seized at the home showed "the most depraved acts of sodomy and rape."

A 75-count indictment charged Abrams with one count of rape, five counts of sexual abuse, four counts of sodomy, one count of incest and nine counts of endangering the morals of minors.

The indictment said Abrams advertised for girl models in Screw magazine and paid \$200 a sitting. Abrams' wife, Joyce, 28, and the magazine's executive editor, Alvin Goldstein, 35; the publisher, Milky Way Productions; and an unnamed staff member were named in the indictment.

Louis D. Kahn, 29, and his wife Christina, 30, who allegedly allowed their 7-year-old daughter to participate in a session knowing she would be sexually abused, faced charges of endangering the morals of minors.

NATIONAL SCHOOL VIOLENCE

3) Louisville's Durrett High School is typical of the violence wrecked schools brought on by forced busing. Durrett has had to be closed and frequent incidences of fighting have been reported. White students charge that "bumping" is common. Especially in the rest rooms the black girls will gang up and

"bump" the Whites. White boys say they are often kicked by blacks passing them in the halls. Up to 100 White youths have attacked the blacks at one time when their patience would no longer tolerate such treatment. Sports Violence 2) Annapolis, Maryland was the scene of a vicious attack by 8 black students upon Joel Breth, 14, which left him unconscious

Many people believe that school violence between the races is taking place only in their own home town. The reason for this is that the news wire services do not carry such news when it is actually breaking out all over the nation. The general public does not realize that this is a coast to coast menace that is breaking down the educational system in this country. If it is allowed to continue hundreds of thousands of White students will be illiterate when they graduate and unable to continue civilization.

Non-White Immigrants Flood America

AMERICA INVADED Mexico is invading the United States as surely as the King of Morocco sent civilians over the border into the Spanish Sahara, except most of them stay here.

Mexicans stream across our border at the rate of 20,000 a month, and today illegal Mexican aliens total 8,000,000. They live as they please in Texas, New Mexico, Arizona, and California: the lost territories of the 19th century Mexican Empire, the lost territories many of them have come to reoccupy. Two million live in California, one million in Los Angeles: outside of Mexico City, Los Angeles has the largest concentration of Mexicans in this hemisphere, and the overwhelming majority of them are illegal aliens.

This is not an example of an international free labor market, this is an invading army protected from the highest political levels in Washington, Sacramento and Austin.

Cooperative surrender to the invasion of American sovereignty has become fashionable since the surrender of American armies overseas has become a diplomatic global necessity. Senators Tunney and Cranston of California want to give citizenship to all aliens, overnight, now presumably as they cross the bridge at Tijuana.

Mexicans vote 95 per cent in the Democratic Party. It would be interesting to know what per cent of illegal aliens vote now. No matter, when

postcard registration passes state legislatures in the infected areas, and when new federal laws requiring foreign language ballots are implemented, those two facts combined with unrestrained illegal migration of Mexicans should bring the Democratic Party the largest single windfall of votes in American electoral history.

But the windfall will be, ultimately, at the expense of the American people and their institutions. Mexican nationalists disdain this country, despise Anglo customs, refuse to learn English, agitate for unreasonable and inflationary favors, clamor for a restoration of the lost Mexican territories (i.e., conspire to dismember the United States), absorb critically short poor peoples' housing, drive up prices and rents, take jobs from citizens, clutter the roads with smoking, dangerous automobiles, sponsor an entirely new, unpublicized and vicious Mafia of their own, fill the prisons, mock the border laws, and assume as a people that the U.S. exists to solve their national problems.

In Mexico, 800,000 people reach the age of 15 annually, and there are jobs for only 300,000. It is widely assumed by Mexicans that the other 500,000 have a right to invade the United States. It is widely assumed by American leftists and liberals, the media "gatekeepers of truth," the ACLU, the major parties, and the Communist propaganda machine in this country that the invasion is absolutely normal and desirable, and should be legitimized. Not one politician of national stature—

—nor even any politicians of any authority in any of the four states radically affected, has dared to raise his voice to demand a sealing of the border. We are being bullied out of our own place!

All rents in the four states have been driven up to ridiculous heights by the Mexican absorption of all poor peoples' housing. The Mexican ghettos flourish through illegal commerce, drug trafficking, welfare, Federal aid, and the organized pressure of a whole new system of rotten boroughs based on alien bloc voting. The victims of this invading horde are not the Beverly Hills liberals who whine for "unconditional total amnesty for all undocumented people in the United States,"

The rapidly changing face of America's largest cities. Already the Whites are in the minority!

IMMIGRATION SERVICE SHORT OF MEN

While the Congress has been quick to vote more money and more men for the "Alcohol, Tobacco and Firearms Dept." (ATF) they have refused to increase the budget of the immigration service. Today there are only 900 agents working nationwide trying to track down and deport the 12 million illegal immigrants in America. Recently a leftist federal judge in Texas ruled that the Dallas police department could no longer arrest illegal immigrants they happen to run across.

Los Angeles Police Chief Ed Davis says that America is waging a "no win policy" in the failure to make serious efforts to stem the flood of illegal aliens entering the country and taking jobs away from Americans.

The immigration service wants to increase its employees by 2,500 men. This should be done immediately! Another problem is that many in Congress support Sen. Ted Kennedy's amendment that would grant "amnesty" to all who are illegally in the country today. This would add at least 10 million non-Whites to our legal population overnight. The time has come to seal our borders and stop this flood-tide of non-White immigrants who are literally taking over the country.

Remember that all of the non-White immigrants support socialism. All surveys on the subject show that they feel the government should "take from the haves and give to the have nots." In other words they do not support the American free enterprise system. They actually harbor a hatred for America as the Chicano and West Indies negro groups have shown. They want to destroy American freedom and force us under the total welfare state. The rapidly dwindling White majority would soon find itself working around the clock to support the parasitic element in our midst who will become the new ruling class. The days of White Race Survival in America are indeed numbered and we must act swiftly if we are going to save our race and nation. Two ways you can activate those around you is to get a friend to subscribe to The Thunderbolt and pass your own copy on to new people to read.

the daily lives of the rich are not impinged by the aliens.

By permitting this crazy violation of our sovereignty we are not doing Mexico any favors, we are merely perpetuating incompetence and brutality down there. Mexico should solve her own problems, including taking back millions of her people shipped here illegally to take the heat off down there.

Of course life in Mexico is unendurable. It's also unendurable in the rest of Latin America, and most of the rest of the world. Does pity for those peoples' lives require us to open our southern frontier to unrestrained migration? If so, the destruction of the concept of sovereignty, the dilution of our people with tens of millions of primitive malcontents from Latin America has become the current program of this nation's enemies. By hook or by crook, they will to abolish the world's strongest example of a free way of life. If the whole world has a right to swarm at will over national frontiers, this American Bicentennial will be celebrating the death of the United States.

Where are the patriots? Where are the people who want us to fight for American interests 15,000 miles away in the Sinai desert but won't fight an invasion of their own continental borders? Where are the politicians who pretend to speak for the conservative majority, the media commentators who pretend to interpret for that majority? Are they all keeping quiet for the sake of their cheap Mexican maids and lawnboys?

White Birth Rate Dropping

Birth Control News: The new contraceptive "Depo Provera" is an injection into the hip which makes women sterile for up to 5 months. It has been discovered that prolonged use of the drug can prevent a woman from ever having a child once she stops using it . . . In England and Wales the birth rate has dropped to its lowest figure since the 1930's. Only 602,000 babies were born last year. That is down 6% from 1974. This total counts the huge number of negro and Asian births in England which means the White birth rate is much lower than the official figure. The British people are no longer replacing their own kind and have dropped below population zero which is the goal of the Socialist government . . . the recent march on Washington demanding a Constitutional Amendment to ban abortions was reported by the TV networks as containing 10,000 people. A small item in the New York Times stated that it was one of the largest protest marches in the history of the capital with 65,000 demonstrators parading down Pennsylvania Ave.

Cuba Set To Invade Rhodesia

U. S. Officials Say We Cannot Help "White Racist" South Africa

Soviet-Cuban Attack Aimed At Rhodesia

The civil war in Angola has resulted in a communist Cuban takeover of the largest country in Southern Africa. Fidel Castro with Soviet backing is continuing to pour men and arms into both Angola and Mozambique. White ruled Rhodesia is now trapped between these two Red held countries.

The civil war for control of Angola began 10 years ago and ended with the withdrawal of the remaining Portuguese forces only three months ago. Thomas B. Ross of the "Chicago Sun-Times" reported Secretary of State Kissinger released a private memo in 1969 stating the U. S. national interest "did not justify consideration of U.S. military aid to Angola or any other country in southern Africa."

The Jew Nathaniel Davis, now ambassador to Switzerland, was assistant secretary for African affairs under Kissinger until last summer. He has advised U.S. leaders in Washington that any aid to pro-Western forces or to Rhodesia or White South Africa would "alienate American standing with black nations." He warned that we could not align ourselves with any "White supremacist government."

This stand opened the way for the bold Soviet invasion of Angola with the use of highly trained Cuban troops. over 15,000 Castro soldiers backed by 1,000 Russian specialists led the attack. Using sophisticated weapons, including SAM missiles, rocketry, artillery, tanks and automatic weapons, they quickly overwhelmed pro-Western forces who received practically no aid at all from our side. Kissinger and Ford made a pretense of wanting to help by asking Congress for \$30 million in aid. That tongue in cheek gesture would only purchase two jet fighters and is laughable when compared to our \$2.2 billion in aid to Israel every year. The Kissinger memo of 1969 writing off Angola to the communists sealed the doom of that country in advance.

America & Britain Ready To Betray South Africa

Sens. John Tunney, Ted Kennedy and Birch Bayh have already stated that America should not give aid to the "racist South Africans." Already our cop-out in Angola has given the communists their launching pad for war against Rhodesia, South West Africa and South Africa. The excuse that we cannot send aid to our White kinsmen in Southern Africa because they are "racists" is senseless when one considers that the White hating negro guerrillas which surround these countries are "racist" in their bloodthirsty hatred for all White people!

America did not flinch when it came to aligning herself with the most brutal dictatorship in all

history, Stalin's Russia, in fighting anti-communist Germany. It is our policy of "Detente" which continues U. S. aid pouring into Russia. We are building the Russians the world's largest truck factory (Kama River Project) along with fertilizer plants, giving them computers, and modernizing Soviet industry plus pouring millions of bushels of grain into Russia to keep that country going. Without all this economic aid, Russia would not have the money to concentrate on building the most powerful military machine in the world. All of our aid is on credit with interest subsidized loans. This leaves Russia free to use available hard currency to continue to finance communist conquests all over the world.

Situation In Southern Africa

There are 274,000 Whites in Rhodesia and 5.8 million blacks. The more intelligent Whites have had no trouble controlling the large negro majority. When the White people first settled Rhodesia and South Africa, there were almost no negroes living in those regions. They later came down from the areas of the Congo when they learned work was available under the Whiteman. The Whites gave them a higher standard of living than they had ever experienced before. By immigration and an astounding birth rate, the blacks quickly became a majority in Southern Africa. They are now threatening to do the same thing in America!

Rhodesia has 12,000 troops guarding its 800 mile border with Mozambique. Across that border negro Bishop Abel Muzorewa has Cuban troops training his invasion army of 20,000 guerrillas. Still they will be no match for the courageous White fighters of Rhodesia unless they have combat experienced Cuban forces leading the way. Russia has been given the "green light" to use these forces by the British government's latest demand that Ian Smith turn over the Rhodesian government and White civilization to "black majority rule."

The Socialist (Labour) government in England has just given

the Marxist Mozambique regime \$30,000 in "emergency aid" to help their economy survive the loss of rail revenue since the closing of its borders with Rhodesia. Mozambique Gen. Machel has declared a "state of war" and is threatening to invade Rhodesia. Britain is actually siding with the communist enemy of her own racial brothers in Rhodesia. Since 1972 White Rhodesian troops have killed 786 black terrorists and lost 89 of their own men. The guerrillas maim, murder, and torture both Whites and blacks (who work for Whites) in their forays across the borders.

The British Socialist government's solution to the problem is nothing but a total sell-out of the rights of the White people who developed the advanced civilization which exists ONLY in that part of Africa. British Prime Minister James Callaghan says that the only way for the White people to "avoid a blood bath" in Rhodesia is to accept the following British plan.

1) If the White would accept negro rule as the Portuguese did in Angola, Britain would provide troops to protect Whites while the transition takes place.

2) Britain would finance the cost of emergency flights in resettling White Rhodesians in England and other Western countries.

At the moment the Whites in Rhodesia have alternative plans. They still have the only effective air force in the area. With their Hunters and Vampire jet fighters they can launch a preemptive strike against guerrilla bases in both Angola and Mozambique. The White settlers are demanding that Ian Smith not bow to surrender. If the White people in America could give them the moral backing and supplies they need, this battle for White Race Survival could still be won.

America Holds The Key

One Congressional leader said that the problem of opposing the Soviet-Cuban take over of all Southern Africa is the fact that; *There is no Congressional, press, or public support for aid to Rhodesia and South Africa.*

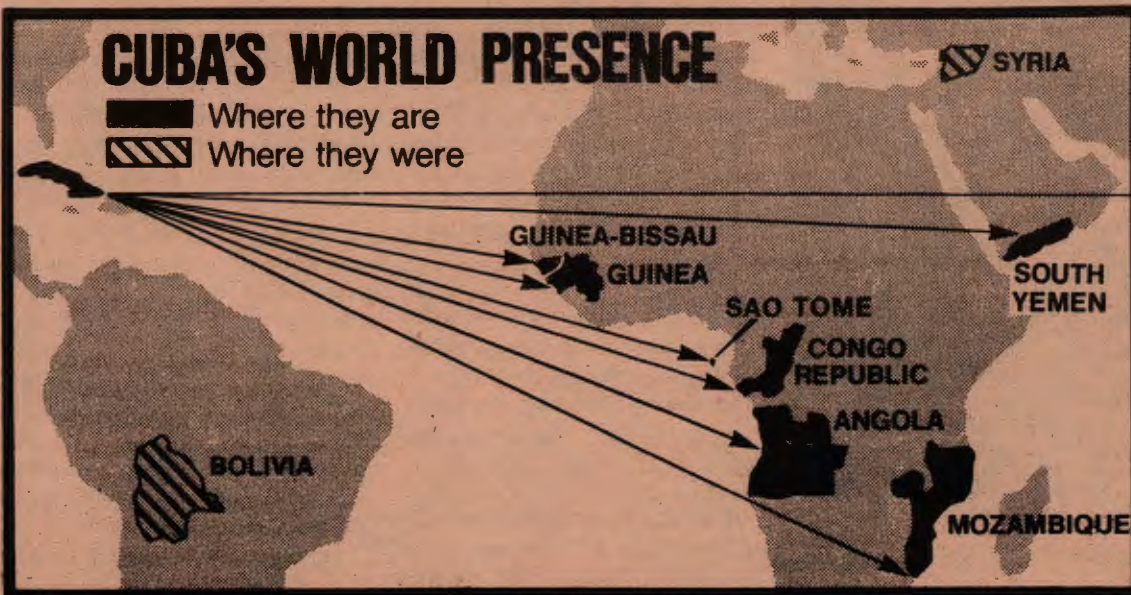

We ask the question — THEN WHY IS THERE SO MUCH SUPPORT FOR BILLIONS IN MILITARY AID FOR ISRAEL? ANDY WHY SO MUCH AID TO

COMMUNIST RUSSIA? The answer is that the Jewish organizations in America have built the most powerful lobby that this nation has ever seen. They are able to get anything they want and in quick order! The White people are not organized. We have three TV networks that are anti-White and condemn any suggestion that Whites help Whites as being something "evil" and "racist." Yet the blacks are praised for their "black pride" racism and the Jews are praised for their racist stand for Jewish domination over other peoples in the Middle east and even here in America!

Jews head all three TV networks (NBC headed by Sarnoff, CBS by Paley and ABC by Goldenson). For this reason they are able to sway our people against aiding our brothers in Southern Africa who desperately need our help. The TV networks now tell us that all is lost for the White people and is only a matter of time before the communists take over that last holdout of the White race and civilization on the Southern tip of the African continent.

The United States is now on the path of surrender to communism all over the free world. In the name of "Detente," Jew Kissinger and Ford are doing nothing to help our allies defend themselves from the communist advance. We are instead giving valuable economic aid to Russia while at the same time the sale of arms to Southern Africa has been banned. We have sent out the message to the Soviets that we will not raise a hand to halt their final assault upon our White kinsmen in Rhodesia. Soviet expansion is now moving on many fronts toward world control. The cry by our representatives in Congress of "nom ore Vietnams" means that America is jelly and will do nothing as nation after nation falls under the heel of Soviet Communism.

The tide against communism can still be turned even during these last desperate hours for the free world. It will take a superman effort. The Thunderbolt carries the message of the White Race unity and survival all over the world. You can help by getting the truth out to friends and neighbors and encouraging new people to subscribe to The Thunderbolt. We have got to continue the mass meetings, marches, demonstrations and free literature distributions going nation wide until Congress will listen to us instead of the Jewish lobby. You can help start the tide turning for our side today by getting a friend to subscribe or ordering extra copies to give to all you know. NOW IS THE TIME FOR EVERYONE TO STAND UP AND SHOUT THE ALERT TO ALL AMERICA. TIME IS RUNNING OUT SO LET US UNITE FOR ACTION NOW."

Inferiors Vs. Superiors

BLACKS ATTACK I.Q. TESTS Revolt Of The Sub-Humans

All across this land there exists a concentrated campaign to have all I.Q. tests abolished in the schools and as job requirements. The reason is that negroes consistently score 15 to 20 I.Q. points lower than Whites. They argue that this is prejudice and should not be as part of any individual negro's record.

Dr. Arthur R. Jensen, a psychologist at the University of California, says that there is an inherited "g" factor in every person's makeup that allows that person to solve complex problems. This "g" factor is not very strong among blacks. This, says Dr. Jensen, is the reason negroes score lower than Whites consistently on all types of I.Q. tests.

He says that this 15 to 20 I.Q. point difference is extremely critical in tests for conceptual thinking. That is the ability to see relationships and to solve problems as well as to develop creative new ideas.

Prof. William Shockley says that the "least effective elements of our population" are breeding the fastest at the expense of the taxpayers. Prof. Shockley cites negro murder statistics and says his studies show that the black race has a "genetic predilection to violence." Shockley further states that in his judgment it would be a disaster if America became a predominantly black nation.

the theories of Prof. Arthur Jensen. Crittenden says that he does not necessarily endorse all of Jensen's ideas but does believe that non-Whites living in slums do have an "inferior reasoning ability."

Before he was to give his lecture the auditorium was taken over by three members of the Students For A Democratic Society (SDS). They said that it was their intention to prevent any "racist" ideas from being presented to the student body.

It is interesting to make note of the racial background of the three SDS activists who were eventually arrested by the police. Head of the group was a Jew, Howard L. Weiner, 24, of 2304 N. Albany St., a Mexican, Rafael Perez, 26, of 2301 N. Albany, and Negro Roy Brown, 59, of 6104

I fall in this last category. On page 5 of this issue, next to the last sentence you state part of your program must be to bring together men and women that are race conscious. If I could find a woman of the same national descent and that is cultured, intelligent, industrious, and race conscious, we wouldn't waste any time. I doubt if we would want 24 (as did the lady on p. 5) but half that many would be a good start.

This represents a breakdown in our society and educational system when we have radicals and mental inferiors seizing the lectern of our colleges in order to prevent a discussion of racial differences.

America — Russia's Best Ally

Editor, The Thunderbolt:

When we sent troops to Vietnam the Russians replied by arming adequately our opponents. When the Russians invaded Angola the liberal members of Congress replied by stopping all aid to Angola. They evidently did not realize that they thus encouraged the Russians to continue their schemes and increased the danger of a nuclear war.

The Russians have made clear beyond the shadow of a doubt that they intend while lulling us to continued sleep with "detente" to gain control of the world by isolating us from the raw materials that any modern industrial nation needs to exist. Russia and Rhodesia contain the major known deposits of chrome. Per square mile South Africa contains far the richest deposits of minerals of any nation on earth. The time to stop the Communists from isolating us from these minerals is now! Standing up to them now may dissuade them from further attempts in other areas.

Retaining access to the raw materials of Black Africa is made more difficult by the fact that most Black Africans are Moslems who resent our shipments of weapons to Israel to kill their fellow Moslems.

In the Middle East our shipments of weapons solely to Israel was arousing increasing resentment among the world's 600 million Moslems and indeed among most of the people of the world. Also, our leaders finally realized that we were doing exactly what the Russians wanted us to do. Hence the effort to be "evenhanded".

Relying on our word Sadat went out on a limb when he signed the Sinai Treaty. If we now saw the limb from under him by refusing to sell him weapons many years will have passed before any Moslem trusts or respects the United States again.

The Zionist lobby is harming both the United States and the future of Israel by supporting the intransigence of Israel. Only an Israel living in peace and friendship with its neighbors can exist in a sea of Arabs. Any commitment to Israel on our part implies some regard for us on their part.

We must diminish the power and "gifts" of lobbies.

I know the value of being prepared against attack since I was slashed by three black teenagers about two years ago while waiting for a subway car a block from my home at three in the afternoon. The small pocket spray which I used on them then saved me from further harm and enabled me to get away. With our streets crawling with these sadistic animals we need all the help we can give ourselves.

NSRP INTRODUCES NEW PARTY UNIFORM

A new series of NSRP meetings are now being conducted around the nation. In order to give the Party a bolder appearance in this deepening racial crisis, it is proper for members to wear a standard uniform. At recent meetings in Rocky Mount, N.C. and Wilmington, N.C. the new party uniform was introduced for the first time!

Henceforth members who wish to be part of the Party Guard will wear a uniform which consists of the Thunderbolt patch sewn over the heart, black collar tabs and red shoulder epaulets with a gold button. A black "Sam Brown Belt" will also be worn along with a black tie and black trousers.

All members have been quite pleased with the new uniform and it is now available from headquarters for members in good standing only.

The North Carolina meetings brought together many of our friends who have now rededicated themselves to building the new uniformed units in their area. The uniform will be worn at all Party functions as well as public marches and demonstrations.

Earlier we held another big dinner and meeting in Ft. Lauderdale, Florida. There the movie on the Dicksmuide, Belgium, rightist rally, which brings patriots together from all over Europe, was viewed. The film, *Triumph of White Race Unity*, was greatly enjoyed by all members and will soon be shown in your area soon. Joy and Lyle Ennis were wonderful hosts, as usual, and the NSRP continues to gain new converts in South Florida.

Soviet Jews "Disillusioned" With America!

Perfect Description Of Negro

THE WORDS OF THOMAS DIXON

Thomas Dixon is the author whose books stirred the nation after the end of the Civil War. Dixon was an ordained minister who held pastorates in Boston and New York City. His books were best sellers during his lifetime and today have been reprinted to awaken and activate our people to struggle against the new Reconstruction which seeks to down breed the White race into mongrelized, uncivilized, inferior negroids.

First and foremost, Thomas Dixon believed in the preservation of the White Race, and toward that goal he carried a message which can once again unite our people. We must return to the teachings of Racial Separation which constitute the traditions handed down to us by our forefathers. The following are words of Thomas Dixon and they represent his masterful grasp of the menace which race mixing poses to the very survival of White Society!

Darkest Africa And The Negro

"Since the dawn of history, the negro owned the continent of Africa — rich beyond the poet's fancy! Crunching acres of diamonds beneath his bare feet, yet he never picked one up from the dust until a Whiteman showed him its glittering light. His land swarmed with powerful and docile animals, yet he never dreamed of a harness, cart or sled.

"A hunter by necessity, he never made an axe, spear or arrowhead worth preserving beyond the moment of its use. He lived as an ox, content to graze for an hour. In a land of stone and timber he never sawed a foot of lumber, carved a block, or built a house save of broken sticks and mud.

"With league on league of ocean strand and miles of inland seas, for 4,000 years he watched their surface ripple under the wind, heard the thunder of the surf on his beach, the howl of the storm over his head, gazed on the dim blue horizons calling him to worlds that lie beyond, yet he never dreamed a sail! He lived as his fathers lived — stole his food, worked his wife, sold his children, ate his brothers, content to drink, sing, dance and sport as the ape.

And this creature, half child, half animal, the sport of impulse, whim, and conceit, pleased with a rattle, tickled with a straw, a being who, left to his will, roams at night and sleeps in the day, whose speech knows no words of love, whose passions once aroused are as the fury of the tiger — they have set this thing to rule over the Southern people . . . Merciful God — it surpasses human belief!"

Thomas Dixon was writing of Reconstruction yesterday but his words apply to today's Reconstruction. The leftists have instituted job quotas, affirmative hiring, etc. to place every Whiteman, our wives, sons and daughters, under the heel of the haughty, insolent negro before whom we are supposed to bow and scrape. Is that to be the fate of the White Race or are we going to rise up in our wrath and strike down these debased enemies of the White Race? The choice is ours to make. Read the works of Thomas Dixon and then let us know what your personal decision is to be.

Jews Seek To Destroy C.I.A.

WHO KILLED CIA AGENT RICHARD WELCH

On Dec. 23, Richard Welch, 46, a career CIA employee specializing in blunting communist subversion of countries allied with America was shot to death outside his suburban home near Athens, Greece. He was buried with full military honors in Arlington National Cemetery.

Mr. Welch had twice been named in a radical magazine called "Counter-Spy." The chief editor of the anti-American publication is the Jew Harvey Kahn. He said the magazine would publish the names of 23 more CIA agents in their next issue. (They have already listed 225 agents to help Red assassins.)

WHO IS BEHIND "COUNTER-SPY"

Almost every man on the magazine's board is a Jew. They include such well known Marxists as David Dellinger, Mark Lane, and Marcus Raskin. The man who is the main financial angel for the publication is Jewish porno author Norman Mailer. They arrogantly state they will continue to place the lives of American agents in

HARVEY KAHN — A far-left Jew put finger on CIA agent Richard Welch.

jeopardy until "the CIA abandons its covert actions."

They admit that some of the information they publish for use by anti-American revolutionaries around the world comes directly from the Soviet KGB. How long can the nation survive when such subversive termites are tolerated by our government! Russia would love to see our CIA destroyed so

MAX KONNY is a recent Russian Jewish immigrant to America. He says we need more Marxism here!

SOVIETS STILL EXECUTE PATRIOTS

Hardly a month goes by that we do not note a small item in the New York Times where the communists in Russia have sentenced more captive peoples for "collaboration" with Germany during World War II. Last month a Reuters dispatch reported that three Ukrainians have been sentenced for anti-Jewish crimes during the war. (This could mean just about anything.)

Anti-Jewism is a crime in Russia which can be punished by death. "PravdaUkrainy" stated that the three accused "confessed" their guilt to the court in Vladimirets. One poor victim, F. Kapitula, was sentenced to die by firing squad. The other two, S. Gusei and Z. Karpach, were sentenced to 10 and 15 years at hard labor, respectively.

Has anyone heard that phony story going around lately that the Jews are being persecuted in Russia?

SLAIN CIA AGENT RICHARD WELCH

that the KGB could continue to undermine and overthrow the rest of the free nations of the world. They want to turn Spain, Portugal and Italy into "communist" dominated states like Angola and Vietnam. If America does not fight against the communist conspiracy world wide we will wind up surrounded by communist countries and then we will perish.

Russian Jews Flooding Into America

Many Americans thought that the campaign by Sen. Henry Jackson, Henry Kissinger and other pro-Zionists to aid Jews in emigrating out of Russia would mean their resettlement in Israel. The fact is that this year it-expected that as many as 50 percent of all Jews leaving Russia will NOT go to Israel. Not only that, but more Jews are emigrating out of Israel than are immigrating into that country. This certainly refutes the claim of many ministers that all Jews want to move to Israel in fulfillment of biblical prophesy. Of course, Christian Identity Ministers teach that the "chosen People" of the Holy Bible are those who accept and follow Jesus Christ — and this is certainly not the Jews!

A report in "U.S. News and World Report" on Soviet Jews have moved to America found them disappointed with life in America. Most of them have a strong adherence to Marxism and believe in the socialist state. Israel with its Kibbutz and Histadraut Labor Union which owns many of the companies in that country is a Marxist Country. U.S. News reported that many Russian Jews are "critical" and not "humble" in their attitude toward America. Some show deep frustration when they are not given what ever they want in America. A San Francisco Jewish Family Service said that one Russian Jew wanted \$150 a month for her baby sitter. Another family said they could not eat on \$40 per week. Another typical complaint is that: "I do not understand why I can not just pick up the telephone and call the principal or school official to find a job. In the Soviet Union everybody is appointed to a job and given economic security."

Max Konny is a Russian Jew who gives regular interviews to the Communist "Daily World" in New York City. In the Dec. 2 issue he is quoted as saying he was fired from his job for his pro-Soviet attitude. He wants to make America into a communist "paradise." Konny says:

"In the Soviet Union medicine is free. Here, when they took me to the hospital, they asked me for money. What if you don't have money, what happens then?"

He said that many Russian Jews are sorry they moved here but will stay to work toward changing America. Max Konny intends to continue to work with the U.S. Communist Party along with another Russian Jew, Joseph Roizman. They pledge to work to awaken others to the "disillusionment found after we were lured from the USSR to the US by propaganda."

Karl Marx was the descendent of a long line of Rabbis. Marx got much of his communist ideology from the Jewish Talmud. This is why so many Jews have been leaders in the communist parties of many

countries of the world. (Read "Behind Communism" for photo story, \$1, order from Thunderbolt). These Jews do not love America or Christian Americans. They want desperately to change the course of our country. They want to turn us away from freedom and liberty and make us a Marxist socialist state like those they helped build in Russia and Israel. The time has come for the White Christian American people to demand a stop to this alien invasion. Russian Jews represent a hostile people who hate our way of life and are determined to destroy this democratic Republic.

Race-Mixing Summer Camps

JEW'S OPEN MIXED SUMMER CAMP

Herman Popkin and his wife Rosalie own a Jewish summer camp in Hendersonville, N.C. This Russian Jew, along with the aid of Jews in New York City, has launched a new program called "Camping Unlimited." The idea calls for the intermingling of White and black children ages 7 to 14 for what Popkins calls "an aggressive recruiting to assure a varied mix of races so that the children can learn brotherhood by living together and playing together."

Popkin's camp is the first of its kind in the South and will hold 900 children this summer. He will charge White families \$200 each and "scholarships" will be given to negroes who cannot afford the fee. The staff is mostly Jewish and they will "emphasize Jewish culture, history, and religion."

Conclusion: Christian children who attend this camp will have a definite inferiority complex instilled within them. With White racial pride torn out of their hearts, they will be easy prey for the race mixers to encourage them to date negroes, socialize with negroes, and destroy their White racial family tree through intermarriage with blacks!

NEWS NOTES

A Suit To Remove The Confederate Flag from flying atop the Alabama state capitol has been turned down by Federal Judge Robert Varner. The suit was brought by negro state Rep. Alvin Holmes of Montgomery who charged that the flag reminds negroes of slavery. He also demanded that other Confederate mementos be tossed out of the capitol building museum including one that praised a former governor for "restoring White Supremacy" after the reconstruction. Judge Varner ruled that the Confederate flag may offend "sensitive descendants of former slaves," but was not illegal. Rep. Holmes angrily retorted, "How can we forget slavery when they keep that flag flying? This is no longer the capitol of the confederacy!"

"Race Hate" Killing Spread

Negro Hate Killings Against Whites Spread Alarmingly

Nationwide studies show that more and more murders are being committed against Whites simply because negro hatred has exploded into street violence. Regardless of how much we do for them, welfare increases, more poverty aid, public housing, etc., the blacks become more bitter and hostile toward White people with each passing day.

Now, more than ever before, White people risk the chance of being shot down for no reason at all by violent prone blacks. Take the White police officer who was jogging down the street in Savannah recently. A negro stranger drove up behind him and got out of the car and shot him to death. Remember the bizarre slasher killings of 11 White men in Los Angeles? For weeks the daily press told the people they were looking for a demented White killer. When the suspect was finally arrested he was a negro named Vaughn Greenwood. He killed helpless derelicts by slitting their throats from ear to ear. White people were misled by the press because they were looking for a White killer!

In Jacksonville, Fla., a negro broke into a home for the handicapped and killed two people and seriously injured three others. Dead were Thelma Lehman, partially blind, and Delta Bemis a missionary worker there. Injured were Joseph Bemis, 62, a cerebral palsy victim, Denise Castlen, 22, a blind girl and Gary Reach, also a cerebral palsy victim. The killer was a negro in his mid-30's who calmly tied up his victims before stabbing them to death.

HENRY KERSEY and his wife. He was murdered trying to defend his home.

He ramsacked the building for anything of value.

Why was not this shocking story carried nationwide by the news services?

Rev. J. W. Wynn who is director of the institution said that "I'm just beside myself with grief. The Bemises gave their lives to this center trying to help others."

The nation's press has deliberately suppressed the racial character of the "ski masked marauders" who have been terrorizing central Florida. When Henry Kersey, 20, and his wife Leslie, 23, returned to their home from a sporting event they found two of the masked marauders waiting for them in their home. They demanded money and Mrs. Kersey gave them all they had, \$4.50. The blacks laughed and said this was not enough. They then shot Henry in the back with a

THE KARATE KILLER AND GUN CONTROL

Those who advocate gun controls tell us that the streets would be much safer if guns were taken away from all civilians. New York City has the toughest gun control law in America. Still they have one of the highest rates of violent crime.

Negroes are committing over 90% of all crimes of violence in the large cities. While guns are still used by robbers, and killers, knives and other weapons are also prevalent.

The karate craze has taken hold in the black communities and there may well be more negroes practicing this deadly fighting technique than Whites.

Norwood is a section of the Bronx which still has a large Irish and Italian population. It is an oasis in the jungle which surrounds it. For five weeks terror swept the neighborhood. At a rate of two or three attacks a week elderly White women were being robbed on the street, in the hallways of their buildings, and in the elevators leading to their apartments. The attacker was described as a negro, 5 feet 9, and with a massive muscular build weighing around 200 lbs. His fierce appearance quickly made his victims hand over their pocketbooks. What made this case such a dastardly one was that he was never satisfied with simply taking small

shotgun killing him instantly. Then they abducted his wife and threw her off a bridge into the dark waters of Lake Monroe 45 feet below. She did not drown as was intended but was rescued by a fisherman.

In Bartow, Fla., the same gang struck again. Sharon Smith was lucky, she was not raped like 8 earlier victims. They beat and tortured her husband because he used the term Jesus Christ in prayer. They told the couple they were doing this "because of what your people did to mine." This was the same "hate Whitey" theme used throughout all of the attacks. Thus far six negroes have been arrested including two negroes who stood by and held guns on the White females while their black men raped them. Lattie Mae Thomas, 25, confessed that she helped her husband Daniel, 27, rape two White women in order to punish them because of their race.

Whites in Orange, Lake, Polk and Highlands counties were also attacked by the same gang. All the women were raped. One, Mrs. Kenneth Stevenson,

amounts of money from the elderly women, but as soon as he did this he would rain a swift series of karate blows that knocked his victims senseless or unconscious.

Then one day he followed Mrs. Teresa Byrne, 76, to her elevator and attacked her after the door closed. He got only \$11 from her and then delivered such vicious karate chops that her skull was fractured. Leaving the building he ran into Mrs. Mildred Fallon, 75. He took \$17 from her and sent a swift chop straight down atop her head which crushed her skull killing the poor innocent White lady immediately.

By now the area was swarming with police when the "Karate Killer" struck again at a 68 year old lady who had only \$2 with her. Again he smashed this woman with karate blows fiercely beating her about the head and body. Police trapped him as he fled down an alley.

The karate killer turned out to be negro William Pierce, 25, of 1460 Washington Ave., Bronx, N.Y. Police said he must have gotten a perverse thrill out of these senseless beatings of White women. His criminal record dated back to 1964 when he began mugging defenseless women. In 1970 he went to prison for attacking a 73 year old lady. He served only 4 years out of a 10 year sentence. He had been on parole only five weeks when he murdered

was also thrown from a bridge but clung to the pilings and survived. In yet another case the negroes poured liquid drain cleaner in the eyes and mouth of a victim and then two of them raped her. She has been in the hospital three months recuperating. She said from her bed in the Orlando hospital, "Yes, I still suffer from the painful burns of the Liquid Plumber cleaner, it was extremely painful and burned my eyes like fire."

The murder and rape campaign continued across Florida. The daily press of the nation did not mention one word about it. If Whites had done the same thing to blacks the president would go on national T.V. to denounce the crime and send in the FBI and call out the National Guard to find the guilty parties. But because the killers are negroes the wire services do not carry news of these atrocious crimes outside the state of Florida. This is the same type of terror carried out by the Zebra killers in San Francisco, the Black Revolutionary Army in Jacksonville, or the Black Panther murders in Chicago.

Mrs. Fallon with his karate blow.

District Attorney Merola said: "Pierce's sentence to 25 years to life for first degree manslaughter removes from the streets one of the most vicious persons I have ever dealt with. He actually worked out daily to keep in shape for his karate attacks. This man cannot be rehabilitated. If he had been acquitted there's no doubt in my mind he would continue attacking the elderly."

Thus ends this individual story. But karate is a sport which negroes are allowed to practice under black belt instructors in prisons today. We have reproduced pictures of them going through karate moves in special courses allowed in the penitentiary. THIS SHOULD NOT BE ALLOWED!

Negroes are turning more and more to such criminal means of attacking Whites. Despite Pierce's strength and karate expertise he still did not attack any men or younger White girls who just might be able to defend themselves. This craven black animal only stalked the defenseless and then sought to beat them to death with his hands. Only an inhuman beast would use such a "sport" on defenseless elderly White ladies.

All this brings us down to yet another argument against gun controls. Senior citizens need guns, especially cheap "Saturday Night Specials" which they can afford, so that White people can defend themselves.

Some alert communities have had their local police departments hold classes for women to learn how to use firearms. Safety is an important part of the use of a gun and how to shoot straight is necessary so that our women can stop such negro beasts as William Pierce who still roam the streets of all of our major cities. The masses of our White people need guns to protect themselves just as the White people of Rhodesia and South Africa are arming themselves to protect their homes and families from black guerrilla attacks out of the jungles. We are faced with this very same menace from the jungleized central cities!

Accurate Gun Poll Exposes News Media Lies

Summary Of DMI National Poll

- 82% of the American people believe that they, as citizens, have a right to own firearms.
- By a margin of 76% against 24%, Americans decisively reject a ban on private ownership of handguns.
- Fully half the public thinks a national gun registration program would lead eventually to confiscation of guns by the government.
- 78% believe that the U.S. Constitution gives them "the right to keep and bear arms," and 73% reject the notion that this right pertains only to the national guard.
- Americans overwhelmingly reject (71%) any law which would give police authority to decide who may or may not own a gun.
- Of those surveyed, 46% had at least one firearm in the home. In 62% of the firearms-owning households, the firearm was owned by the person actually interviewed; thus, the overall percentage of firearms owners in the adult population was about 29%.
- 78% of the public feel that neither of the two recent attempts to assassinate President Ford could have been prevented by a national handgun registration law, and 71% reject the idea that assassination attempts on public officials could be avoided by banning altogether the private ownership of handguns.
- 55% of those in firearms-owning households cited self-defense as one of the reasons they owned a gun.
- 73% of the public does not believe that a federal law requiring all guns to be turned in would be effective in reducing crime.
- When asked to indicate what it felt was the most important national problem, and the most important community problem, the public gave gun control practically no attention—less than ½ % mentioned it.
- When asked to suggest ways to reduce crime, only 11% volunteered gun control as a solution. In contrast, by far the most popular suggestion was more severe punishment of criminals (33%). Only 1% mentioned registration of firearms, and less than ½ % suggested a ban on so-called "Saturday Night Specials."
- The public foresees immense difficulties in enforcing on a national scale either a gun registration or a confiscation law, if such were to be passed. Only 23% of the public believe most gun owners would register their guns; only 9% of the public believe that more than half of the gun owners would turn in their guns.
- 50% of firearms-owning households contain at least one handgun. Among blacks, the percentage rises to 62%.
- 84% believe that gun registration will not prevent criminals from acquiring or using handguns for illegal purposes.
- Only 36% agree that firearms registration would help solve crimes through tracing; the remaining 64% think crimes will not be solved by registration because criminals would not register their guns.
- Only 30% believe that firearms registration would make it more difficult for the potential criminal to get a gun; fully 70% think that potential criminals determined to get guns would get them anyway.

BLACK TROOPS CAUSE TROUBLE IN GERMANY

Today the U.S. occupation forces in West Germany still number 200,000 men. Thousands are negroes, Puerto Ricans and Mexicans. The German people strongly resent the brazen advances these non-Whites constantly make toward German girls. Many restaurants and bars either forbid or discourage non-Whites from entering their premises.

Commander of the U.S. base in Fulda, Germany states that the problem is definitely racial. He said: "The reason they are reluctant to let all these red-blooded G.I.'s in is that many

are young black soldiers. They have a tough row to hoe here. So you get friction, and sometimes fist fights."

Some bar and restaurant owners tell them the place is filled, others will say there will be a long wait or simply tell them, "No G.I.'s allowed!"

German taxi drivers will not pick up black fares due to all the robberies they are responsible for.

The only reason the occupation troops continue to stay in West Germany is to keep that country disarmed. This is part of our agreement with Russia to keep Germany divided and weak militarily because that is the only country in Europe right now that the communists fear.

Germany once almost beat Russia and they want to keep American forces there to hold them down for all time to come. The Jews Kissinger and Sonnenfeldt know that a permanent way to weaken the German people for all time to come is to infuse negro blood into their veins and pollute their race. The genes of the mentally inferior African can turn any racial group into an indolent zombie-like serf in need of a master to instruct him what to do.

Fake Gun Polls Mislead People

The daily press has carried the results of several polls which indicate that the majority of the American people are in favor of some kind of gun control. An example is the figures of the recent Gallup Poll which claims that nation-wide 77% of the population, favor gun control. But upon closer examination the question they asked those polled was do you favor the licensing of persons who carry concealed guns on their persons outside their homes or places of work. Most people might say yes to this question, but the headline of this news report which appeared in the "Marietta Journal" read: "AMERICANS FAVOR STRICTER GUN LAWS!" This was misleading and did not apply to the laws leftists in Congress are trying to pass

which would register and eventually take all our guns away from us.

On this page we reproduce a poll taken by "Decision Makers Information." They asked specific questions about actual application of anti-gun laws and their effect upon America. The results of this nation wide poll prove that the vast majority are against further gun control laws. In fact if the will of the people polled on this question were carried out many laws already on the books in many states would have to be repealed and that is exactly what should be done.

You can help inform your fellow citizens of the truth about gun controls by distributing extra copies of this newspaper to your friends so that they too will know the truth about the threat against private gun ownership.

Dangerous Gun Bill Before House

DAVIS CRITICIZES
ALIEN POLICY

San Diego — Los Angeles Police Chief Ed Davis said the United States has a "no-win policy" in efforts to stem a flood of illegal aliens entering the country and taking jobs from Americans. Davis, in an address to the National Border Patrol Council, accused the federal government of refusing to face the fact that illegal aliens are not "free and cheap labor."

JEWISH WAR VETERANS CALL FOR MORE GUN CONTROLS

The Jew Burt Herman, Calif. Dept. Commander of the Jewish War Veterans, said that his organization does not believe that the Gun Control Act of 1968 is strong enough. Herman stated that the federal government and not the states should enact laws requiring the registration of both guns and gun owners. He said that this is the way it is handled in Israel!

Herman also said that the interstate traffic in firearms should be more tightly controlled. We do not know what he means by this since the 1968 law states that only federally licensed gun dealers can ship guns across state lines.

"Saturday Night Special" Bill Would Ban 71% of All Handguns

The House Judiciary Committee has voted to present to the full House the so-called bill to ban "Saturday Night Specials." What the daily press has failed to tell the American people is that 71% of all handguns in use today will not meet the standards established by this bill.

Chairman of the committee, Rep. Peter Rodino of New Jersey, makes it clear that it is his intention that eventually all handguns will be confiscated by the government.

Under the new bill the strength of a gun must be 55,000 pounds per square inch. The gun must have a strong safety latch that would withstand a drop of 36 inches. No gun manufactured before 1968 meets this test! Any handgun shorter than 8 1/2 inches would be banned. Even if it is long enough, the barrel must be 4 inches long and the frame 5 3/4 inches. This would make it impossible to carry such a large gun in your pocket or most purses. The cost of such a gun would run well over \$200. By one rule or another, under this bill, most guns would be prohibited!

The time has come for the American people to immediately write as many Congressmen as possible against this evil bill. Let them know that if they support such a measure they will most certainly not receive your vote in November. You might remind them that both Ex-Sen. Joseph Tydings and Ex-Sen. Joseph Clark were defeated on the single issue of their support of gun control. The time has come for us to let the politicians in Washington know exactly where we stand on this vital issue. Write your letter today; they are read and are counted before your representative decides how he will vote on such issues.

5th Big "Kosher" Printing

KOSHER FOOD FOUND "DIRTY"

Issue #190 of "The Thunderbolt" has just gone into its 5th big printing. This makes our special edition devoted completely to the Kosher food fraud our biggest press run ever. The Kosher food tax is tacked on to most foods. Any product which has a (U) or a (K) stamped on it has paid a tax to rabbinical groups for permission to use their emblems.

Most companies have written us that their products are checked from time to time by a rabbi to insure their cleanliness. Note the played down UPI article reproduced on this page which was carried by only a few newspapers. One of the nation's largest candy companies, which is owned by Jews, Barton's Candy Corp., has been found guilty of having unsanitary conditions in its factory. No doubt the rabbi who checks out this Jewish owned company did not really look very close. Barton's only makes Kosher approved candy and the tax is added on to the price you

pay for the product. If you want to help us spread the word about this concealed Jewish tax upon our food products, then rush your order for extra copies back today. Let's fight inflation by cutting out this unnecessary tax by the Jewish rabbis.

Dirty Candy Plant

New York, N. Y. -UPI- Barton's Candy Corp. and its founder pleaded guilty Thursday to charges of running an unsanitary candy factory in Brooklyn. The firm makes most of the kosher candy in the US.

The corporation and its founder, Stephen Klein, entered the guilty pleas in Federal Court.

TEAR GAS POPULAR ITEM

A new tear gas called CS GAS has been developed that is far more effective than CN GAS (mace). In fact it is replacing mace in all government depts. It is absolutely guaranteed to drop the toughest criminal in his tracks. It will spray a stream up to 12 feet and makes the attacker feel like he has had a skillet of hot grease thrown in his face. This is something that all Patriots and their families should have in their homes or auto glove compartment. Chemical Shield sells for \$5.00. (Pocket Unit) sprays up to 10 feet. Larger police unit is \$10. Sprays up to 12 feet. Or you can have both units for \$12.

Hargis Continues Asiatic Adoption Scheme

PHONY "PATRIOT" TRIES TO KEEP ASIAN ADOPTIONS GOING

Dr. David Noebel, President of American Christian College in Tulsa, Okla., has met with an investigator, from the local District Attorney's office to determine whether Billy James Hargis should be charged with the crime of sodomy. One of the young boys seduced by Hargis at the school was questioned by the state investigator.

In the meantime Hargis has surprised many by sending out a mass mailing urging funds to keep his so-called "Christian Crusade" going. The letter is very tricky and carefully worded. He states that he is not guilty of "all" the allegations made in Time Magazine. When pinned down on the subject he has stated that the American Christian College did not pay him the \$2,000 monthly pension for life that he previously demanded. He does not deny the homosexual charges and has admitted them to witnesses at the college and three news reporters.

Hargis has for years been importing Asiatic babies for adoption by White Christian families. Last year he placed 350 Asiatics in conservative Patriot's homes charging them

HARGIS holding one of the 350 Asian children he placed in White homes last year.

\$750 per child. Most right-wing groups have found Hargis' money oriented race mixing business revolting and a betrayal of all the principles of the Patriotic movement in America.

The following are the latest developments in the Hargis case:

DR. DAVID NOEBEL, left, now heads "American Christian College." Julian Williams, right, and Dr. Gerald S. Pope, resigned from the Hargis organization after they learned of Hargis' homosexual activity with the children. They both are now back at the college with Dr. Noebel.

college officials confronted Hargis with the charges that he had seduced four young male students at the school. He admitted the charge, blamed the problem on his "chromosomes and genes" and resigned from the school.

2) On Jan. 29, 1976 Hargis at long last gave title to the college campus and its buildings valued at \$3.5 million to Dr. Noebel and the school trustees.

3) Julian Williams, author of "Intelligence Digest", the anti-communist column in Hargis' "Christian Crusade Weekly"

resigned from the Hargis group and joined Dr. David Noebel to help save the college.

4) The scandal caused the school to lose 70 students which brought the enrollment down to the present 160. Some of the children were seduced by Hargis during his nation wide singing tours featuring "Hargis & His All-American Kids" show.

5) Dr. Gerald S. Pope also resigned from Hargis' "Christian Crusade" and joined Dr. David Noebel in order to try and save the college. Dr. Pope is the former editor of Hargis' "Christian Crusade Weekly" paper.

6) Hargis then chose a strange combination to rejuvenate his organization. Fr. Daniel Lyons, 56, is the former Jesuit Priest who ran away from the Catholic Church last year to marry the young Irish singer, Mary Cooney, 24. Both now work for the Hargis paper much to the chagrin of Catholic readers. As former editor of the Catholic "Twin Circle" publication in Minneapolis, Minn., Fr. Lyons had often condemned other priests for leaving the Church to get married.

Ironically Hargis founded his college to "save" young people

from the modernist, sexual oriented, universities of today. Hargis then proceeded with vile sexual acts even worse than what he pretended to oppose! One young 15 year old child was seduced into a life of homosexuality lasting over a three year period with Hargis. He kept quiet because Hargis had threatened to "blacklist him for life" should he talk.

SUMMATION: Billy James Hargis' sins and hypocrisy have now caught up with him and he is desperately trying to "cover up" the entire episode with begging letters proclaiming that his wife, "Betty would be penniless," unless his dwindling number of supporters give money. Hargis says it will take a "miracle" to save the new six story office building he has leased to try and keep this disgusting organization going.
