Right-Wing Vote Gives Reagan Victory In Texas, Georgia, Alabama And Indiana Reagan Letter Asks Patriots For Help — Answers Criticisms Of The Past

Is Carter Illegitimate Brother Of Kennedys?

Jimmy Carter

John F. Kennedy

"The Dallas Times Herald" of April 11, 1976, stated: "people tell Carter he looked like a skinny, countrified Jack Kennedy." Note physical similarities between the two men. They have the same nose, smile, teeth, heavy bags under the eyes and hair style!

Ronald Reagan, string of victories places him ahead of Ford in delegate count.

You Decide If Reagan Is A New Man

There has been a lot of literature circulating against Ronald Reagan to the effect that he is not a reliable Patriot. There can be no doubt that during his youth he was a member of the liberal left. Today Mr. Reagan is now 68 and if elected president he would be the oldest man in history to ever hold that office.

A small organization called the "United Republicans of California" UROC issued the most serious charges against Reagan and they have been distributed widely within Patriotic circles. Mr. Reagan has issued an open letter in response to these charges. Since he has just won startling upset victories in Texas and Indiana and carried Georgia and Florida to lead Ford in delegate strength, we believe that he deserves the opportunity to be heard and below we publish his letter. We note that this letter was issued not from his campaign headquarters but came from his personal residence and was dated Feb. 6, 1976.

* * *

Dear Fellow American:

Thank you for writing as you did about the UROC resolution. I'll give your letter to our campaign people to see if they have put something together on this but, in the meantime, let me assure you that the resolution is based on distortion and outright falsehood. Incidentally, it was engineered by a small group who had opposed me in the 1966 primary.

The meeting at which this was adopted had only about 65 people in attendance. I have received letters from literally hundreds of UROC members, disavowing the resolution and telling me they were resigning because of it. Also, UROC is not a major Republican organization in California. It numbers, at best, a very few thousand members, probably less than 5000.

I won't take your time by trying to respond to each point but will touch on some to support my charge as to the falseness of their statement.

In my own autobiography I tell that I was a Democrat until 1962 and my nationwide speaking tours for G.E. didn't begin until late 1954. However, my war with the communists began in 1947 during the great labor dispute when communists attempted to take over control of the motion picture industry. To suggest that my part in that has been falsified is to blatantly rewrite history. A call to the Screen Actors Guild or to John Wayne or even to the F.B.I. should settle that one. Due to my activities as President of the Guild, I was under police protection and carried a gun because of communist threats to throw acid in my face.

Yes, I joined the United World Federalists right after the war. I think all of us who served were looking for a way to prevent any more wars. But when their aims became more evident, I not only quit but had to threaten legal action to get my name removed from their letterhead.

All of the people they list as Rockefeller supporters par-

The hottest story in Washington right now is about the apparent close relationship between Jimmy Carter and Teddy Kennedy. Many people have speculated about the fact that they look very much alike. There indeed may be much more to their similar flashing smile than is commonly known.

Everyone knows what a libertine President John F. Kennedy was, as well as his late brother Bobby and also Teddy Kennedy. It is well known in the journalistic world that their father, Joseph P. Kennedy, was the biggest womanizer of them all. During the early 1920s

Joe Kennedy invested some of the millions he made in the stock market in the Hollywood film industry. Joe fell head over heels for Gloria Swanson and set her up with her own film company. Their relationship was well known and flaunted publicly. Miss Swanson was called Joe's "West Coast wife." In 1922 she gave birth to an illegitimate son she named Joseph after her lover.

Later the two broke up and Joe Kennedy moved back to his New York based investment company. In 1923, Lillian Gord, (Jimmy Carter's mother) went to work as a secretary to Joseph P.

Kennedy. Sometime later she moved back to Georgia and on October 1, 1924 gave birth to a son — Jimmy Carter. Every time he flashes that toothy grin people remark how much he looks like a Kennedy.

It is interesting that Teddy Kennedy has recently met with Jimmy Carter and pledged to support him should he win the nomination. Now there are additional indications that Jimmy Carter may well name Teddy Kennedy as his Vice Presidential running mate! After all Carter will have to

participating in my 1966 campaign were campaigners for my opponent in the primary. Due to our 11th commandment, we took them all aboard in the general campaign as part of our new party unity.

I realize this letter is getting too long so let me skip around. I'm charged with appointing Dr. McCall (former Chicago Bear football player) as a trustee so he could run against a conservative Congressman. I made him resign from the board when he said he was entering the race.

I betrayed Max Rafferty? Ask Max. We took over his campaign when it was floundering and brought him to within an ace of winning. State Senator Bill Richardson has personally written letters repudiating the UROC charge and endorsing my conservatism.

Now as to my record as Governor, of course we raised taxes. We inherited a government that was almost in the same condition as New York City. They were spending \$1½ million a day more than they were taking in and had already spent a \$194 million reserve which the Attorney General ruled had to be replaced before the end of the fiscal year.

When we raised the taxes, I promised that, as soon as we could effect savings, we'd return the money to the people. When I left office, we had cancelled the income tax for all families with incomes up to and including \$8000 a year. Over a billion dollars of the budget was subsidizing a reduction of the home owners' property tax and we had returned — in tax cuts and tax rebates of surpluses — \$5.761 billion to the taxpayers of California.

Finally (although I can answer all the rest) I am an avowed opponent of gun control laws and have published articles on that subject.

I hope this will help.

Sincerely,

Ronald Reagan

Reagan's Headquarters Response

The following data was submitted on official Reagan Headquarters stationary explaining Reagan's stand and quoting his view on important national issues. Most of this has never been published in the daily press.

"The UROC charged that as Governor Ronald Reagan appointed Donald Wright to the California Supreme Court. When Wright reversed his position on such key issues as the death penalty Mr. Reagan regretted this appointment.

"The UROC charge that Reagan supports U.N. membership for Red China is not true and he has not endorsed withdrawal of U. S. troops from Taiwan (Formosa).

"Reagan is opposed to regional government.

"Reagan supports the right of states to adopt right to work laws and is against the Equal Rights Amendment. He believes that abortions should only be permitted in order to save a mother's life.

"Reagan is opposed to confiscation or licensing of guns.

"He believes in limited government, the free market, individual liberty, state sovereignty and a strong national defense.

Statements by Ronald Reagan:

"Public Housing is a history of failure and waste!"

"Welfare is a costly bureaucratic nightmare threatening to

drag down the producers."

"The Food Stamp Program is out of control with one fourth of the population technically eligible."

"Deficit Spending is leading the nation down the road to bankruptcy. The more government goes into debt, the more it must borrow."

"Forced Busing by herding and carting children all over town is a vast dehumanizing manipulation. Reagan supports a constitutional amendment to outlaw forced busing."

"Monopoly, liberals are great on being against big business monopoly but not labor monopoly. I think all monopoly is wrong!"

"No-Win Wars; never again should we ask our young men to fight and die for their country unless our goal is VICTORY!"

(Note: the above ends the Reagan Headquarters study of Mr. Reagan's quotes on important subjects.)

Since that time Ronald Reagan has attacked Kissinger's Jewish assistant Helmut Sonnenfeldt for wanting to make all of the captive countries behind the Iron Curtain an integral part of the Soviet Union. Reagan has called him "Kissinger's Kissinger who would consign as slaves all the people of Eastern Europe as part of the Soviet Union."

Reagan also exposed and attacked Kissinger's statement that America would have to accept a "second best role in world affairs." Reagan charged that this dangerous policy could lead to the nuclear destruction of America!

On the National Debt Ronald Reagan recently stated that "it took this nation 166 years, until the middle of World War II, to finally accumulate a debt of \$95 billion. It took the Ford Administration just the last 12 months to add \$95 billion more to the debt."

Mr. Reagan has stated that he would halt all negotiations on the Panama Canal and stated: "I'd say to that dictator down there, that pal of Castro's, 'We built it, we paid for it, it's ours, and Buster, we're going to keep it.'"

He says he would call off all disarmament talks with Russia until we have a chance to catch up with their present military superiority. Reagan also said that he would put a stop to Ford-Kissinger's plans to soften our position toward Castro in preparation for recognition and trade.

On Rhodesia Reagan would stop all of Kissinger's plans to aid the Red guerrillas and would support the anti-communist government of South Africa. He had high praise for Ian Smith, Prime Minister of Rhodesia.

(Editor's Note: Ronald Reagan's past has indeed left much room for doubt and even today he does not take the all out stand for preservation of the White Race as does the NSRP. Still, the main question is does the older and wiser Ronald Reagan offer the Christian people of America the breathing time needed, to stop the Marxist internal take over of America? Does his candidacy give Patriots the opportunity to forge a much stronger, bolder, and dynamic movement which ultimately will save America and the White Race from its planned destruction through mongrelization? That question is up to you. We have given you the facts above as we have found them and would like to receive letters from all of our good friends on how they feel on Ronald Reagan.)

Goldwater Supports Rockefeller — Attacks Ronald Reagan

GOLDWATER SHOWS TRUE COLORS

Sen. Barry Goldwater led the Right-Wing to a terrible defeat when he ran for president. Many feel it was deliberate — to wreck the Patriotic cause forever. Barry Goldwater is the son of a Russian Jew who migrated to Arizona and opened a department store.

Recently on the Chuck Ashman show over station KTTV in Los Angeles Goldwater again revealed where he really stands when he stated:

"I happen to believe that Nelson Rockefeller would be a good president. I wouldn't differ with him much and I would agree with him much and I would agree with him completely on foreign policy which, after all, is the most important thing we do in this country."

Sen. Barry Goldwater
He has always sought to mislead the Right-Wing.

Goldwater has already attacked Ronald Reagan, charging that he would be too "radical," and "could not win." The truth is that Goldwater knows that Gerald Ford might be forced to give up his campaign if he should suffer any more humiliating primary defeats. Rockefeller is waiting in the wings to announce for president himself and the Jew Goldwater thinks that he can deliver the conservative vote to Nelson Rockefeller.

Should Rockefeller jump into the race The Thunderbolt will once again publish the photostatic report from a Jewish book which says that the Rockefellers are Spanish Sephardic Jews who migrated to France before they came to America. So this is just another case of a Jew supporting another Jew! Blood runs thicker than water! Let us not forget that Rockefeller spending brought both New York City and New York State to the brink of default. Also the Rockefeller clan is working closely with the Russian Jew Armand Hammer to finance and develop Russia's vast Siberian gasfields. Here is another example of millionaire Jews working hand in glove with Marxists in Russia to build Soviet economic power!

Carter, Kennedy Boys All Brothers—

"balance" his ticket with someone from the North and blood is still thicker than water! After all John F. Kennedy was not embarrassed about naming his own brother Attorney General in the most brazen case of nepotism in American history.

Jimmy Carter would like all the influence and wealth that the Kennedy name would add to his ticket. Not only that but how better could one ease Teddy into the White House. Since he would not be leading the ticket Chappaquiddick would not be an issue. Thus Teddy would be in an excellent position to later assume the presidency

himself and thus avoid a battle royal over his philandering which resulted in the death of Mary Jo Kopechne.

Distribution of many thousands of extra copies of this issue of The Thunderbolt can help America avoid the agonizing results of a Carter-Kennedy Democratic ticket which would only do more harm to the nation and jeopardize the future of this Republic.

Leading Jews Endorse Jimmy Carter

JEWISH LEADERSHIP SWITCHES TO CARTER

It all began with what looked like a landslide for Sen. Henry

Jew Max Palevsky pledges huge sums to the California Carter campaign.

Jackson for President. His campaign had gathered about him the top Jewish personalities in the country. But, all of a sudden up came Jimmy Carter! He was able to hold on to his large negro

Jew Robert Lipshutz is the National Treasurer of the Carter campaign.

bloc vote and fool Christian conservatives into voting for him also. Carter already had the support of the Montgomery, Ala., Jewish fund raiser Morris Dees. This is the same man who raised millions for George McGovern's campaign for President.

Carter got the ethnic urban vote, being a farmer he got the farm vote, and he swept the negro communities. In Florida Carter received 70% of the negro vote, in North Carolina it was 90%. The Black vote gave Carter the victory edge in both states. This gave him his present momentum and many people like to vote for a "winner!"

Sen. Jackson was dropped by the Jewish community like a hot potato. Jimmy Carter has welcomed them with open arms. He has long been the Jews' favorite in Georgia and at the very beginning of the campaign while on a tour of Japan stated that if he were President "I would never exercise leverage against Israel by freezing their foreign aid."

With Morris Dees now bring-

ing the money in Jimmy Carter quickly named the Atlanta Jewish lawyer Robert Lipshutz as his national campaign treasurer. As governor Carter had appointed Lipshutz to the state Board of Human Resources. Lipshutz is past president of the Jewish Reform Temple in Atlanta and an influential Jewish leader in national Zionist circles.

JUST THE BEGINNING

In the New York campaign Carter named Mike Abrams his campaign manager. In both Florida and Massachusetts it was Jew Phil Wise who is just 26 years old. He is now Carter's "advance" man.

Now came the "Jewish advisors" to tell Carter how to run the nation if elected. According to Time Magazine, of April 26, he named Prof. Lawrence Klein of the U. of Penna as economic advisor. Klein commented that Carter "picks up my complicated ideas very fast." Martin Feldstein of Harvard is another "economic advisor." Lester Thurow of M.I.T., the liberal who was a major "brain" in formulating McGovern's welfare proposals is now a Carter advisor. Campaign strategy expert is the Jew Marc Schenker of Atlanta.

One of the nation's wealthiest Jews, Max Palevsky, has just announced that he will head a California fund raising campaign to deliver that state into Carter's corner in the June 8th primary. It was the 51 year old

Palevsky, a Jew of Russian parentage, who made \$50 million in a stock deal with Xerox Corp. in 1969. In 1972 he personally gave \$325,000 to the George McGovern campaign.

GUN CONFISCATION UNDER CARTER?

It should also be noted that the Jew Morris Dees, who launched the fund raising drive for Carter in the very beginning, is the founder of the "National Gun Control Center" in Montgomery. He states that while Jimmy Carter publicly advocates prohibition of "Saturday Night Specials" (71% of all hand guns existing today) Dees wants a broader gun control law which will eventually ban not only the sale of handguns but their ownership by private individuals.

Dees also runs the "Southern Poverty Law Center" with his co-racialist Joe Levin. Together they raised \$300,000 to defend prostitute, killer, negress Joanne Little. This is just a sampling of the ilk standing in the wings behind Jimmy Carter ready to take power should the news media be able to dominate both political conventions and give us the choice of either Jimmy Carter or Gerald Ford. An informed America can stop this travesty. The fact that Jimmy Carter can fool the people in the South and North and take the minority bloc vote makes him the ideal "Shabazz Goy" which means "Gentile Stooze," to the Jews, their flunky for president.

Negro Vote Put Carter In Lead

BLACK BLOC VOTE PUT CARTER ON TOP

Jimmy Carter may go down in history as the slickest double-talking politician on record. He got the White suburban vote in Philadelphia by declaring his belief in "Ethnic Purity," but the blacks knew him better. The Atlanta Journal quoted him in a talk before local negro leaders, telling them; "I get votes from conservatives and young people but the most solid support I've gotten is from the black voters all over this country. I would not be able to run for president today if it were not for people like Martin Luther King, Jesse Hill, and Andrew Young who fought to liberate blacks . . . We've had analysis done after all the primaries and it has been the black voters who have carried me to victory in Illinois and even in Florida. Though I didn't win in Massachusetts, I solidly carried Roxbury which is predominantly black."

Negroes know where Jimmy Carter stands but Whites do not because he has been on both sides of every major issue, including busing, abortion, right to work laws, blockbusting, detente and you name it.

His campaign tactic is to build up momentum and let people think that he feels like you do — he also wants folks to think he is the "common average man — a farmer — a Southerner."

The truth is that Jimmy Carter is a member of the far left and has the wholehearted support of organized Jewry, the negroes, and the Kennedy family.

Martin Luther King, Sr. (Daddy King) hugs Carter in one of their many public displays in front of black audiences.

Jimmy Carter embraces Jesse Hill, head of Atlanta's black political machine. No politician has ever gone to such extremes in courting the negro bloc vote.

Carter Finally Pinned Down!

WHERE DOES JIMMY CARTER REALLY STAND?

Jimmy Carter seems to be all things to all people and it depends upon his audience as to what impression he hopes to leave with them. He does everything possible to keep from being pinned down on specific issues but the record brings out the REAL Jimmy Carter.

As a young man in South Georgia Jimmy Carter refused to join the local Citizens Council when it was still "respectable" to belong to a segregationist organization. His business was boycotted when his family were the only ones to vote to admit negroes to membership in the local Baptist Church. Jimmy Carter has supported with vigor all of the anti-White Civil Rights laws. The following are his official stands on specific issues which you most often do not hear from this candidate's mouth:

- 1) **Defense:** would kill the B1 bomber program and reduce the number of expensive weapons and cut back of the number of defense workers.
- 2) **Foreign Policy:** would continue aid to Israel and Detente with Russia.
- 3) **Forced Busing:** is against a constitutional amendment to outlaw busing.
- 4) **Equal Rights Amendment:** supports it.
- 5) **Abortion:** is against any state or federal laws to control its use.
- 6) **Civil Rights Laws:** strongly supports all of them including integrated housing.
- 7) **Gun Control:** endorses national registration of all hand guns in America.
- 8) **Marijuana:** would decriminalize (legalize) its usage.
- 9) **Taxes:** favors a progressive tax system which would raise taxes higher than they are today on those earning over \$6,000 per year.
- 10) **Economics:** favors a WPA style job system that would give every one a public job who is unemployed (something like they have in Russia!)

The above Carter Stand was compiled by the "Dallas Times Herald Washington Bureau" and is the first explicit study of just exactly where Jimmy Carter actually does stand on the issues. Many voters have been fooled into voting for this man because they think he is a "conservative" or a "moderate" when the truth is that he is an extreme leftist. Awaken your neighbors and help spread the truth about Jimmy Carter and his dangerous Marxist views.

Florida's Sen. Stone's Shocking Record

Communists Perverting U.S. Bicentennial

BICENTENNIAL TWISTED TO HONOR MINORITIES

In Atlanta, Ga., WSB-TV carries a regular program sponsored by the "C & S Bank" honoring a different negro bicentennial hero each day. They have yet to honor any White heroes and the blacks they name are total unknowns. The one they speak of who died at Bunker Hill was merely an ammunition carrier for the Whites. No doubt they had to force him into battle at the point of a bayonet. Still the entire Bicentennial celebration is being so fabricated as to make one wonder if any White Christians had anything to do with the founding of the nation at all!

LOOK AT YOUR \$2 BILL

Do you have one of the new two dollar bills just put in circulation? They are supposed to honor the bicentennial. On this page we have reprinted an article and photo from Negro "Jet Magazine." It is supposed to be a copy of John Trumbull's famous portrait entitled "The Signing of the Declaration of Independence."

On the bill turned out by the U.S. Bureau of Engraving and Printing one of the signers has been deliberately "shaded" black. "Jet Magazine" tells its black readers that this is more newly discovered "Black History." They say the original "engraver who made the bill is long since dead . . . (the unknown negro signer) is a mystery."

It is no "mystery" at all because Trumbull's famous portrait has been duplicated many times and hangs in many museums throughout America. It is to be found in many of the older history books. The man who has "subliminally altered" to appear like a negro is Robert Morris who was definitely a member of the White Race. He no doubt would turn over in his grave if he knew that today the radical, pro-negro, U.S. government was portraying him as a negro. The time has come for the American people to demand that those in charge of the bicentennial celebration cease their vicious counterfeiting of history. The ALL-WHITE founding of America should

be made known to all. Leftists want our youngsters to believe that they should honor blacks who actually had nothing to do with the creation of this great White Christian Republic — outside some sweat they shed as slaves forced to do brute manual labor! Let's demand Congress make the government correct this terrible injustice they have done to the memory of that great White Patriot Robert Morris — a signer of the Declaration of Independence!

COMMUNISTS INFILTRATE BICENTENNIAL

The People's Bicentennial Commission has been able to obtain free newspaper and TV coverage because their name sounds like an official part of the celebration. Actually the organization is headed by the radical Marxist Jew Jeremy Rifkin. He is a "self-proclaimed socialist revolutionary". Rifkin states that the New Left in America must "turn the Bicentennial

RICHARD STONE

First Jewish Senator in the history of the South dis-appoints Christian voters.

Celebration into a campaign designed to create a mass revolutionary consciousness."

He claims that the American Revolution is the same as that of Lenin's, Mao's, and Castro's rebellions. Rifkin fails to point out that our forefathers gave us freedom and liberty while the communist revolutionaries gave their people only slavery and misery.

The Jew Herbert Aptheker, long time theoretician of the U.S. Communist Party, and outright owner of their paper, "The Daily World" has written a "Guide

DOES SEN. STONE REPRESENT FLORIDA OR ISRAEL?

Sen. Richard Stone was the first Jew in history to be elected to the U.S. Senate from a Southern state. He was elected with only 43% of the vote because conservatives were split between two other candidates on the ballot. Actually very few people knew that Democrat Stone was even Jewish until the day before the election when Jack Eckerd ran ads in the daily press stating his and Stones' qualifications.

Among other considerations Stone listed himself as a "Christian" and Stone as a "Jew." This sent the Miami Jews into a frenzy stating that this was vicious anti-Semitism! They demanded that Eckerd apologize, and he did. Worried that the Jews might cut off supplies to his large drug store chain Eckerd was forced to run ads saying he was "sorry" in all the papers which carried the original ad.

Sen. Richard Stone took office pledging to represent ALL the people of Florida in the U.S. Senate. He has now been in office for two years and has established enough of a record for us to determine whether or not he has been true to his word. Consider the following news items which were published in the Jewish press but not in most daily newspapers in Florida.

1) Sen. Stone co-sponsored resolution (S.R. 100) aimed at "breaking the back" of American firms which choose to do business with Arab nations to the exclusion of Israel. Sen. Stone called on the U.S. Government to cut off all "support, subsidies or assistance" to such firms.

2) Sen. Stone has introduced a resolution requiring foreign nations that refuse to do business with Israel will have all "foreign aid and arms sales cancelled."

3) Sen. Stone has introduced yet another measure which would deny visas to any one wishing to visit America if they come from a country which "discriminates" against Israel. How does this help America win friends in other countries — particularly the Arab nations?

4) When Sen. Charles Percy stated that the time had come for the Jews to recognize the legitimate rights of the Palestinian people Stone hit back. In addressing 1,500 Jews attending the Miami Beach meeting of the Mistadrut Foundation he said "there will be no erosion in Congress of U.S. support of Israel nor any grumbling over our economic aid" to the Jewish state. (Note: Histadrut is the Marxist Socialist union that controls the Israeli government, and is organized in America, unknown to most people.)

5) When the United Nations adopted the resolution stating the simple truthful fact that "Zionism is a form of racism" Sen. Stone called for the Senate to consider "curtailing financial support of the United Nations." He was joined in this plea by two other Jewish senators, Jacob Javits and Abraham Ribicoff.

The three were at the Mizrahi Jewish Women's meeting at the Statler-Hilton Hotel in Washington, D.C. Believe it or not the three were given "bicentennial awards" by their fellow Jews. Jews love to give each other such "awards" and self-ingratiating plaque swapping dinners are perpetual Jewish affairs.

6) Addressing some 4,500 Jews massed in the Miami Beach city auditorium at a B'nai B'rith meeting, Sen. Stone recently said that, "The United States must stand by its loyal ally Israel." He failed to mention that we have no defense treaty with the Jewish state and our blind allegiance to that country has cost us the friendship of the Arab countries who have always been anti-communist.

We leave it to our Florida readers to decide whether or not Sen. Richard Stone is representing the viewpoint of the vast White Christian majority or that of a highly organized and influential minority centered in Miami Beach! His record certainly does not seem to place the best interest of America first!

Believe it or not the article below appeared in the negro "Jet Magazine." The "shaded" man made to look like a negro by the US Bureau of Engraving is Robert Morris, a great White leader, and signer of the Declaration of Independence.

★★★ TWO-DOLLAR QUESTION. Was one of the signers of the Declaration of Independence a Black man? History says there wasn't, but if you look closely at the new \$2 bill, there might have been. Since the engraver who made the bill is long since dead, it will remain a mystery why one man was shaded and appears to be Black.

To The American Revolution." He claims that our ancestors really wanted to establish a Marxist revolution in America and such goals were lost.

These people are aiming such propaganda at the children and students in America. They hope to confuse them and mislead them away from the true meaning

of the American revolution. Freedom and Liberty with Justice for All were the true guidelines of our founding fathers and the Marxists and others who would rewrite history must be countered and exposed for their subversive teachings which are opposite to every thought, word, and deed of our ancestors.

Ford To Aid Black War On Southern Africa

"Interdependence" Is Treason!

THE BICENTENNIAL AND INTERDEPENDENCE
Former Attorney General under President Kennedy is Nicholas Katzenbach who is believed to be Jewish. Katzenbach is a leader in the World Affairs Council. They seek to say the Bicentennial should be turned into a declaration for a new "interdependence" of America within the world community.

Actually it is a ploy to promote the idea of world government. Katzenbach says that America should be responsible through "interdependence" for the feeding of the backward and underdeveloped nations of the world! In other words our American "independence" should be scrapped and "interdependence" substituted for our present system of freedom. But it would be a one way street whereby we would accept the obligation for taking care of the rest of the world. This would mean a suicidal dissolution of our resources.

In the end "interdependence" would mean the surrender of American sovereignty. The traitorous maggots of the Marxist left are using every opportunity to undermine and eat away the foundations of this great American society. It is the duty of every loyal citizen to stand up for their nation and for the survival of the White Race which gave the world the greatest nation in the history of this globe.

Is America To Be Next?

LIFE IN PRISON FOR GUN OWNERSHIP

Just how far gun control can be carried is exemplified by the extreme measures instituted on the island of Jamaica. Negro Prime Minister Michael Manley is determined to disarm his political opposition. Gun ownership is already a crime on the island. Manley has asked that his kept Parliament adopt new anti-gun laws which would provide life imprisonment for anyone caught owning a gun.

Manly has begun house to house searches for guns and set up roadblocks to check for concealed weapons in cars. It is estimated that there are some 8,000 "illegal firearms" on the island. To those who say "it can't happen here" we want to reply that every despot who takes power wants to disarm his opposition. Therefore, in order to preserve our American freedom we must be ever vigilant to oppose any and ALL laws which would infringe upon our Constitutionally guaranteed right to "Keep and Bear Arms!"

Kissinger visiting Kenya leader Jomo Kenyatta. He promised the former witch doctor black rule over all of Southern Africa. Kenyatta has expelled all Whites and Asians out of his country. Note his primitive body guards at right.

New "Detente" Plan For Africa

KISSINGER SAYS RUSSIA & U.S. SHOULD AID AFRICA

The individual who formulated the policy of Detente is Henry Kissinger. The two major powers which rule the world today are that of Russia and America. They work together despite the fact that the overwhelming majority of the American people disapprove.

Kissinger has come up with a plan for Communist Russia and America to jointly finance a \$6 billion plan to rebuild the famine stricken nations of Africa. His scheme calls for vast irrigation projects and modern farming methods to be taught to the bush negroes. Of course this boon-doggle scheme will go down the drain because the heroes in Africa are not interested in modern farming methods and do not have a single efficient modern farm (as is typical in America) anywhere in all of Black ruled Africa!

The cause of the famine is the fact that the White settlers who fed and clothed the native savage for so long a time have been expelled and their modern facilities have gone to waste. Not only will Kissinger's plan throw more of the taxpayers money down the drain but it will bind us ever more closely to the Soviet Union. In the end it will be Russia's influence which will grow more powerful in Africa and we will be locked outside the door. Once Rhodesia and South Africa fall we will not have one single friendly ally left in all of Africa! This is the policy of the Jew Kissinger — it is designed to destroy White Christian civilization and in

its place establish anti-Christian communist enslavement.

Another example of Kissinger's Detente policy which has no regard to the self determination of anti-communist countries is the new agreement our government has made with Russia. The Middle-East is to be divided into two spheres of influence. The communists are to be given control over Syria, Lebanon and Jordan. This is why we see the civil war being fought in the streets of Lebanon today. America and Israel agreed not to give aid to the Christian side so that the Marxists can take over the country. We have refused aid to Jordan and thus forced that anti-communist nation of long standing to turn to the Soviet camp for help.

The new Detente agreement calls for Israel, Egypt, and Saudi Arabia to fall into the U. S. sphere of influence. Of course both the USSR and the USA agreed to insure the borders of Israel which lessens the possibility of the Palestinian people ever regaining their freedom.

This is how Detente works and the American-Soviet Axis under Kissinger, Rockefeller and Ford today rules the world TO THE CONTINUING ENSLAVEMENT OF MILLIONS OF PEOPLES. JUST THINK OF IT — THE COMMUNISTS TOOK FIVE MORE COUNTRIES DURING THE PAST 14 MONTHS. THE FREE WORLD IS DOOMED SO LONG AS THE FORD DETENTE POLICY IS ALLOWED TO CONTINUE!

FORD-KISSINGER VOTE TO BRING DOWN RHODESIA

Henry Kissinger has just returned from his African tour where he visited black ruled countries only. It was an overt attempt to win the negro bloc vote in America away from Jimmy Carter. Kissinger shocked political observers by declaring that the days for White-ruled Rhodesia are at an end. Kissinger, the first Jew Secretary of State in U.S. history, promised that the Ford administration would take the following steps to hasten the fall of White Rhodesia.

1) Kissinger promised that the U.S. would give communist dominated Mozambique \$12.5 million yearly to reimburse the money they will lose from cutting off Rhodesia's rail and port outlets through that nation. The American taxpayer is going to help tighten the noose around the neck of landlocked White Rhodesia by making up the loss in fees Mozambique formerly received.

2) Kissinger promised Black leaders that the Ford administration would move to have Congress stop the importation of chrome ore from Rhodesia. This is the only item we now can buy from this struggling bastion of White civilization. Communist Russia is the world's only other source for chrome.

3) Kissinger promised what he called "unrelenting opposition" against Rhodesia. He promised financial aid to the 20,000 black guerrillas inside Zambia's borders who are now being trained by Cuban communist troops to hunt down and kill White women and children in Rhodesia.

4) Kissinger said that "colonialism is a thing of the past" but did not condemn the Cuban-Soviet colonial occupation of Angola. In fact he said that the U.S. was ready to recognize communist ruled Angola and send them aid! Kissinger warned the Ian Smith government in Salisbury that he can expect "no material help at any stage in your conflict with African liberation movements." In fact according to one A.P. dispatch, later denied, Kissinger was reported to have been overheard promising military arms to the black terrorist guerrillas!

5) Kissinger's chief aid, William Schaufele, told the Senate Foreign Relations

Committee that the United States supports black rule over Rhodesia, South-West Africa, and the Republic of South Africa.

IAN SMITH AND RONALD REAGAN HIT BACK

ing with the internal affairs of their country. Presidential candidate Ronald Reagan braved the attack of the liberal news media by stating that "the Kissinger African policy would result in a bloodbath in Southern Africa."

Kissinger and Ford reacted with shock and rage that any politician in America would dare to criticize their aid to Red guerrillas program. Ford charged that Reagan was just injecting the racial issue to win votes in the South. This is a brazen affront to the White people of America because the Jew Kissinger and Ford are going all out to win the black bloc vote in America. What's wrong with someone going after the White vote for a change?

The most important issue in South Africa is that our White racial kinsmen are fighting for their very survival. They are under attack by brutal primitive tribesmen armed by communist Russias and trained by communist Cuba. For the United States to place the force of this nation along side that of communist dominated forces is the ultimate outrage which no red-blooded American should tolerate. President Ford and Henry Kissinger must go!

Jews Deserting Rhodesia — Take Their Money Out First

Last Germans Leave Red Ruled East

Eastern Germans Get Chance to flee East Prussia, Silesia and Pomerania. When communist Russia annexed more than one third of Poland, they placed much of Eastern Germany in the captive zone they called Poland. Over nine million Germans fled this area giving up their homes, businesses and farms. All of this property was then taken over by the communist state; it did not go to the Polish people, who also

Red regime will allow an additional 125,000 Germans to leave their homes behind the Iron Curtain.

For many this is an agonizing decision in deciding to leave the land of their forefathers. Some East Prussian towns such as Allenstein and Rosenau are still about half-German. Because those Germans who are employed in highly skilled trades are badly needed to keep the country going they will be

lost their freedom. There was no paying of reparations to the expelled Germans. In this same light there should be no "reparations" paid to the Jews who fled Germany especially since they were instrumental in bringing about World War II. (This is documented in the book "Jewish War of Survival," \$1 per copy, available from The Thunderbolt.)

Since the end of W.W.II some 473,000 Germans have managed to leave communist Poland and 307,000 still remain. Under a new agreement just signed by the Bonn government \$900 million will be paid in pensions and loans to bolster the faltering communist economy. That enslaved nation no longer has the incentive to produce. This new blackmail payment to the

the last to leave in this final German exodus from the East. This great tragedy is all part of the Stalin-Churchill-Roosevelt pact to prevent the duly elected Polish government in exile in London from leading a free nation within the borders of the former Polish state. They also dismembered Germany into three sections so that she would never again be a threat to communist domination of Europe. Though this is the plan to control Europe even such powerful Jews as Helmut Sonnenfeldt, fear that the peoples of Eastern Europe one day will rise up and break away from Soviet enslavement. The Jews have used their old trick to divide and conquer so as to destroy the freedom of both Poland and Germany and all of Eastern Europe.

Gun Confiscation Is Next

MASSACHUSETTS GUN LAW UPHELD

A gun owners group challenged the Massachusetts gun law which makes it mandatory for the courts to give anyone carrying a gun one year in prison. This is required even if the accused has never had a previous arrest record. The gun owners argued that this constituted "cruel and unusual punishment and denied due process." The court ruled unanimously, 6 to 0, against the gun owners.

The citizens group maintained that criminals using guns would receive more than one year in prison for their crime and any additional mandatory sentence for using a gun would merely run concurrently with prison time given them on other counts. The one year jail term can only apply to innocent persons caught carrying guns while trying to protect themselves from

criminals. Trying to disarm the nation's law abiding citizens is not the way to bring about law and order. The time has come to stop trying to punish the gun owners and give stiff penalties to robbers and reinstate the death penalty for cold blooded murderers! We don't have a gun problem. We have a nigger problem!

The Massachusetts Gun Control law — the stiffest in the nation, has already proven itself ineffective. All handguns in Massachusetts are supposed to be licensed and no one can carry a gun concealed. Last year's crime statistics show that of the 70 persons murdered in Boston not one was with a licensed gun. What more proof do the gun control advocates need to prove to them that licensing guns has no deterring effect against crime whatsoever!

Rabbi Prophecies Doom For Rhodesia

Herald Correspondent
TEL AVIV.

THE FORMER Rabbi of the Bulawayo Orthodox Community, Rabbi Isaac Zwebner, who has recently immigrated to Israel, has become a prophet of doom, predicting a sad end to the Jewish communities in Southern Africa.

In a series of interviews on Israel television and in several newspapers, Rabbi Zwebner said: "The 4000 Jews of Rhodesia may soon find themselves caught in a tightening vice—between anti-Semitic

whites, who blame them for the communist danger, and the blacks who will plunder the property of the rich."

The Rabbi, who has now left the pulpit and turned to public relations in the Jerusalem College of Technology, rejects the notion that he "ran away" leaving his flock to their fate.

He emphasises that "for years we have been living with packed suitcases. Our four children are in Israel and we always planned to join them".

Asked to elaborate on his statement about anti-Semitic conditions in Rhodesia, Rabbi Zwebner told of his parting warning to the Jews of Rhodesia: "I showed them a letter I had received from the White People's Party.

"This letter was addressed to the entire Jewish community in Rhodesia and the text warned the Jews that their fate will be no different from the fate of European Jewry."

LUXURIES

All this stems, he says, from their enslavement in the luxuries of life and their fear of losing their earthly possessions.

Congressman John J. Dent has just returned from a visit to Rhodesia. He says he was shocked to discover that Americans are not allowed to buy even a souvenir gift to mail back to America. There is a total embargo against anything outside a letter entering the U. S. from Rhodesia. Chrome is the only product our government allows into this country by special act of Congress. At the same time free trade is allowed with all the communist countries behind the Iron Curtain. Still they wage violent war against the West in their drive to take over all of Africa. Rep. FBI To Stop Aid To Rhodesia

FBI Harasses

Mercenary Recruiters

The "Christian Science Monitor" has reported that the FBI has begun a crackdown on the recruiting of Americans who want to fight along side their racial brothers in Rhodesia. Some have already left for Africa but the crackdown has brought an abrupt halt to further recruiting. This is in line with FBI activity in the Miami area which prevents any US Cuban groups from attacking Fidel Castro. Many feel that such activity would force Castro to withdraw some of his troops which are now scattered all over the globe furthering the advance of communism.

the travel restrictions which make it so difficult for Americans to visit Rhodesia. Rhodesia is no threat to any of its neighbors, yet, our fellow Whites are punished because they are White people wanting to rule themselves.

Blacks Don't Know How To Use Civil Rights according to Rev. Jesse Jackson head of the PUSH organization in Chicago. Jackson said: "We can't take advantage of many of our newly gained civil rights because too many of our young are drunk. Many of our young girls become pregnant prematurely. Our crime rate is so high business can't survive in our communities. Dope is flowing through our schools and our young people influenced by movies glorifying hustling and nonwork."

JEWVS VERSUS CHRISTIANS IN RHODESIA

The 275,000 White people who pioneered and built the great White civilization out of the jungle that existed in Rhodesia have vowed to stay in their country and fight for their freedom. On this page we reproduce an article from a Rhodesian newspaper, "The Bulawayo Chronicle" of March 12, 1976. It tells the story of the rabbi who headed the Jewish community in Rhodesia. Note the contrast in the attitude of the Jews to that of White Christians in Rhodesia. The Jews are not about to stay and fight for their host country! They have their "bags packed" and are only worried about losing their wealth.

Our Rhodesian correspondent who sent us this article stated: "This kike was permitted to take out several thousand dollars of precious foreign exchange apart from what he sneaked out illegally. Other Jews still here, leaching off the Rhodesian White people are ready to flee the country in panic, but not until after they are able to fiddle all the cash possible out of the country."

In this one article we can see the entire history of the eternal wandering Jew! His loyalty is to gold and the state of Israel. They are quick to pack their bags when the going gets tough in any Christian country to which they owe no allegiance.

NO MORE "HUMAN KINDNESS DAY" CELEBRATIONS

The Thunderbolt detailed the mass attack upon over 600 Whites last year during the "Human Kindness Day" celebration in Washington, D.C. This featured a rock concert starring negro singer Stevie Wonder. Over 100,000 negroes attended and had a field day beating, mugging, robbing ALL of the Whites who attended. One Senate aide lost an eye in the fighting.

The Thunderbolt was one of the few newspapers to carry the story outside of Washington.

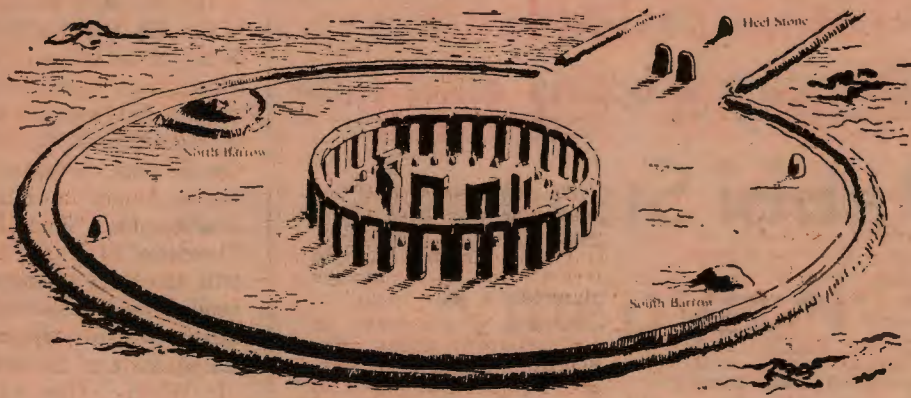

George Berklacey, spokesman for the National Park Service, said that Human Kindness Day will no longer be held because "of what happened last year. Such events have proven to be unmanageable, unsuitable, and unacceptable for that setting."

Of course the real reason is that blacks revolted against the theme of the day long celebration which was to demonstrate "Human Kindness" toward other people.

Why Were Jewish Mercenaries Allowed To Fight For Israel?

The White Race Began Civilization

Stonehenge was built before the first pyramid.

RECONSTRUCTION OF STONEHENGE

STONEHENGE as it looked over 4800 years ago when our White ancestors used it as an observatory to study the stars and develop a calendar.

STONEHENGE was thought to be the product of Mediterranean influences, but Carbon 14 has shown it to be older than its supposed prototype. The massive stones as they appear today on the plains of Western England. A monument to White civilization.

CIVILIZATION BEGAN IN NORTHERN EUROPE

Historians have long believed that the dawn of civilization began in Egypt and from there crept into Northern Europe centuries later. We already know that the Egyptians who built the greatest pyramids were members of the White race. This has been proven by archeologists who have studied the mummified remains of those early builders of civilization.

Recently discovered Carbon 14 radioactive tests have pushed back the dating system on which ancient tombs and buildings were thought to have been constructed. The new tests prove that the tombs at Los Millares in Spain, which were formerly believed to have been constructed in 2350 BC, are now known to have been built around 2900 BC. Megalithic pyramid chamber tombs found in France now predate 4000 BC. The White Vinca culture in the Balkans has been pushed back in history to 4500 BC.

The first beginning of the great White Egyptian civilization did not exist until 2500 BC. Dr. Colin Renfrew states that the former view that prehistoric Europe was not a land of barbarians but was that of a highly advanced people. Dr. Renfrew states that it was about this same time that the great effort to build the complex calendar, the astronomical observatory of Stonehenge began. The same architecture found on the tombs of Brittany, which are 1,500 years older than the first pyramid, have the same architecture and hieroglyphics that are found inscribed on the

pyramids. All this means that civilization began in Northern Europe more than a millennium before the Egyptian civilization. The White Race started civilization in England and France. Then it moved down to Spain and later to the Mediterranean where it made its greatest strides. Astronomy, written language, the sciences of medicine, and surgery developed in Egypt. The White race did not then know that the lower I.Q. savages from central Africa could downbreed the great White race of Egypt. Thousands of slaves were brought to Egypt to do the brute work involved in erecting the pyramids. As slaves were acquired by most families, the slow but deadly mongrelization of the White race began to set in.

Today the ruddy complexioned fair haired people who constructed the original pyramids are nowhere to be found. The typical Egyptian today is a negroidal individual who does not reflect the ancient White race which constructed the pyramids! In fact they could not build one today. They could not hold back the advance of the much smaller Israeli army. They had to bring in the White Russians to build the Aswan Dam!

The Lesson Learned here is that civilization is a product of the White Race. Arnold Toynbee, the greatest historian of our time, stated that the White Races were responsible for the creation of 18 of the world's greatest civilizations, the Asiatics for 5, and he stated that as of today "the negro has not contributed to the development of a single civilization."

THE LOST SECRET OF CIVILIZATION

The Thunderbolt is now selling the late Laurence Austine Waddell's great book *The Makers of Civilization*. This book is for serious scholars. But Waddell is so important that Thunderbolt readers should know the significance of the life work of this greatest historian who ever lived.

Waddell was truly a Renaissance Man. He was a linguistic, medical, scientific, legal, and archaeological expert. His efforts opened the forbidden secrets of Tibet and the "Abominable Snowmen" to the Western world. Everything he touched was animated by his genius.

The Jews burn Waddell's books and try to silence his discoveries because Waddell rediscovered and documented the lost but greatest secret of civilization: The fact that all world civilization is a unitary whole, created and spread solely by a WHITE ARYAN SUMERIAN MASTER RACE!

CRIMINALS STEAL GUNS FROM ARMORIES

Gun control laws do not seem to be impeding the ability of criminals to steal guns or buy stolen guns on the black market. The Defense Department admits that since 1971, at least 7,000 small arms, numerous larger weapons and well over a million rounds of ammunition have been stolen from military installations and National Guard armories. WHAT WE NEED IS TO REGISTER ARMORIES — NOT GUNS!

Jews Urged To Breed More Jews

Busing And Integration Cause School Violence

Suppressed Busing News

We read about the problems busing is causing in Louisville and Boston because these two cities have fought back the hardest. Busing and race mixing are causing equally severe problems all over the nation! The radical integrationists in the NAACP, HEW, and federal courts are now waiting until after the elections next November to give the nation its biggest dose of forced busing to date. Scheduled for next year for the torturous busing route are Philadelphia, Wilmington, Del., Dayton, Chicago, Cleveland and other cities.

Chicago will be a major testing ground for busing. Oak park is a pleasant neighborhood which is 90% White. The local school board has worked up a school "pairing" scheme that

discovered that Chicago lost 800,000 Whites to the suburbs and lost 211,000 downtown jobs. Hundreds of thousands of negroes, Puerto Ricans, and Mexicans have moved in to take their place and 90,000 of them were added to the welfare rolls. Chicago is now one third black. Neighborhoods can change rapidly but resistance to black encroachment is growing stronger. The Chicago neighborhood of South Shore is a perfect example. Around 20 years ago it was all White and a mecca for the country club elite. By 1970 it became 69% black and today it is 80% black. Crime, dope, and slum conditions are rapidly decaying this once outstanding community. It can be called the Africanization of Chicago! Where ever the creeping jungle ghetto takes hold the streets become a haven for wild black beasts stalking their prey!

PANAMA CITY, Fla. — A White basketball player, Dennis Geoghan, lies unconscious after being knocked out by Robert King #45. Negroes often attack White athletes during interracial sporting events.

will require the busing of 1,400 children. Two schools have been converted into junior highs and will be located on racial border areas. Parents are up in arms and have held meetings declaring that they will not allow their children to be bused. The school board stated that this limited plan will cost the taxpayers \$165,000!

Chicago is a city whose neighborhoods can turn black quickly and even race mixers like columnist Mike Royko state that White Chicagoans simply refuse to live next door to negroes. Perhaps they do not like the fact that blacks commit OVER 90% of all crimes in our major cities. Also they do not like the idea that dope crazed negroes have a habit of raping White women who live near them!

Race Mixing Effect On Chicago

During the 1970 census it was

5) Panama City, Fla., is a good example of the senseless attacks that are taking place against White children at basketball and football games.

During a recent game negro basketball "star" Robert King of Gulf Coast Junior College knocked his White rival player Dennis Geoghan unconscious. Geoghan represented Chipola Junior College and was seriously hurt along with other players. The game finally had to be stopped before the official end. This is now a common occurrence throughout the nation today. It did not exist when we had White schools for Whites and black schools for negroes.

6) Culver City, Calif., Westchester High has been struck with a continuous series of black attacks upon White children. One 15 year old White was seriously injured when hit over the head with a baseball bat. A black girl tried to cut a

To Overcome Dropping Birth Rate

Rabbi Suggests Polygamy

A Texas rabbi (who must remain anonymous) has come out with the suggestion that Rabbi Gershom's ban on polygamy be revoked — properly by competent rabbinical authorities of course — in order to rebuild the dwindling numbers of world Jewry.

He pointed out that with intermarriage rife and the toll of the Arab-Israeli wars, not to mention zero population growth devotees in the Jewish community, the prospects look bleak indeed for growth or increase of world Jewry.

HE RELATED that the ancient prohibition of Rabbi Gershom (960-1028) was originally scheduled to be in effect for 200 years only until 1240.

"THERE MIGHT BE the feelings of the several wives all living under the same roof together as well as some other possible difficulties that might arise. Yet the Arabs don't seem to have suffered too much because of it and it is certain that the Jews, imbued as they are with the sense of Torah life, would be able to turn apparent disadvantages to whole-some benefit for all concerned."

"After all," he asked, "are we any less Jewish than our Patriarchs were?"

The rabbi stated that monogamy was and always had been the tendency in Jewish life even though the Bible enumerates some instances of polygamy in earlier times. Abraham, Jacob, Samuel's father, Elkanah, the entire tribe of Issachar, Caleb, King David, King Solomon as well as the later monarchs of Judea and Israel (of course, it could be argued that they were probably the only ones who could afford them) all had more than one wife at any given time.

blonde girls hair off because she didn't want "to look at it!"

Another problem is "jamming" when negroes block school passageways and kick and strike Whites who try to get by on their way to class. Many attacks take place in bathrooms. One young White boy commented: "Get rid of the niggers and you get rid of the problem. Why do they want to go to a White school if they hate Whites."

Out of the mouths of babes come words of wisdom! In 1970 Westchester High had 29 black students and today this number has grown to more than 600 out of a student body of 2,600. Education at this institution has become paralyzed.

7) Gary, Indiana still has a few White neighborhoods left and that includes Lew Wallace High. Negro Mayor Richard Hatcher brought heavyweight boxer Muhammad Ali to a school assembly. The White students booed and many walked out. This caused racial tension among the 200 blacks in the school which has 1,600 Whites.

Ardmore, Oklahoma was the scene of attacks by dozens of blacks during a basketball game. The teams were Ardmore and Duncan High and one Terry Dixon, a White, almost lost the sight in his right eye after being kicked in the face while lying prostrate on the basketball court. One White cheerleader was attacked when she went to sit in the section reserved for her. She is Lee Ann Harris who suffered a deep gash above the eye.

These are not unusual cases but typical of the racial violence permeating our schools today. The time has come for the American people to

JEW'S URGE POLYGAMY TO RAISE BIRTH RATE

Recent studies have revealed that as many as 50% of Jewish college graduates are marrying Christian girls. Also the Jewish birth rate is down sharply because of their involvement in leading the "Zero Population Movement."

It is readily noticeable upon reading any Jewish publication that many Jewesses are advertising for men in the personal classified columns. Singles organizations, resorts, and ship cruises in New York are packed with Jewish women but eligible Jew men are far and few between. For this reason many Jewish women have entered the "Women's Lib" partially because they are embittered against men.

"The Jewish Post" has published an article about a potential solution to the problem. It quotes a Texas rabbi who now believes that polygamy is the answer to the problem of the excess of Jewish women who cannot find Jewish men to marry. Polygamous families have been known to produce large numbers of children and Jews place the survival of the Jewish race above all else.

The White Race Is Becoming An Extinct Species

Is Sterilization And Abortion For White Christians Only?

FEDERAL LAWS PREVENT STERILIZATION OF NEGROES

Believe it or not there are federal laws which were put into effect during the reign of Caspar Weinberger, the Jew who headed HEW under Nixon preventing sterilization of negroes. The law strictly limits the right of low income negro women from voluntarily being sterilized. It does not matter how many illegitimate children they have on welfare. They cannot be sterilized in a public hospital if they are under 21, are mentally incompetent, or should make such a request while in the hospital for childbirth.

They are part of Weinberger's rules preventing Medicaid funds from being used to sterilize minorities. Weinberger argued

unite together — not only to stop forced busing — but to put an end to all interracial schools. We owe this to our children because they should not have to submit to such inhuman conditions. Common sense calls upon us to take action to protect our offspring — which after all is part of our natural instinct of self-preservation and that is the first law of God and nature!

that they may not know what they are really doing. This completely insane law is being challenged in a suit filed on Jan. 9, 1975 in New York City by Dr. Gordon Douglas, Dr. James Nelson and others. They argue that it is negro women who need sterilizing the most and that the law is preventing them from doing their work of protecting unwed black mothers who are overburdened with unwanted children they have no way of taking care of.

If there ever were a people for whom the law should bend overbackward in providing free sterilization, it is the unwed, welfare, negro mother. Instead, our government passes laws making it easy as possible for White women (who are truly deceived) to be sterilized and abortionized, but makes other rules that make it almost impossible for negro women on the public welfare rolls to have such an operation. Is all this by accident, or is there one racial group which hopes to so weaken the White Christian Majority that the minority political machine will be able to take full control of this nation away from the descendants of its' founding fathers? We leave it up to our readers to answer this question.

Gerald L.K. Smith Is Dead

Final Inspiring Letter

LAST LETTER
FROM MR. SMITH

For many years Dr. E. R. Fields has corresponded with Gerald L. K. Smith. Below is the last letter we received from him shortly before his death. It is prophetic that he mentions that "retirement" to him would mean death! His letter to me was in reply to my letter to him about Billy James Hargis who had been revealed to be a homosexual who preyed upon the children in his own school! Hargis was forced out of his church and out of the American Christian College by his board of directors. All of Hargis' top officials left him, including Dr. David Noebel, Gerald S. Pope and Julian Williams.

In his youth Hargis wanted to work for Mr. Smith's Christian Nationalist Crusade. Having a keen insight into human character Mr. Smith turned him down. Thus Hargis took the name of Gerald L. K. Smith's organization and later denounced Smith on radio and T.V. as "anti-Semite."

The one and only time Dr. Fields ever met Hargis, years ago, after a meeting he held in Birmingham, Ala., Hargis admitted to me, in front of a witness, that he knew that "Jews are behind most Marxist movements but it is not wise to discuss this openly."

The following are Mr. Smith's last words on Billy James Hargis and his final words to Dr. Fields.

CHRISTIAN NATIONALIST CRUSADE

Marietta, Georgia 30061

February 18, 1976

Dear Dr. Fields:

I was not shocked to read the article in Time Magazine because I have known for years that this man was a fraud and a hypocrite.

I have known him since he was 24. He launched a movement, stole the name of my organization, but as a veteran in this fight I have learned that when one exposes a scoundrel, he encourages our enemies to come to his defense.

He didn't really begin to thrive until he announced his anti-pathology for those of us who were known as anti-Semites. In one place he would tell one of my good friends I was the greatest man on earth and in another place he would tell one of my enemies that he wouldn't have anything to do with such a hatemonger.

I think that you are correct in answering when he made an attack on you and some years ago I made a mild attack on him when he came here and broadcast on radio and television, and in an interview deplored the existence of such men as myself, etc., etc.

I am not only grieved and heartbroken over the conduct of such men, but the corruption of the clergy and the religious racketeers and the collection thieves and patriotic racketeers is so widespread that saturation is the word.

Time tells. Chickens come home to roost and we have no choice but to carry on in the spirit of the Scripture which says, "Ye shall know the truth and the truth shall make you free."

You are doing a great work and time and history and God will reward you.

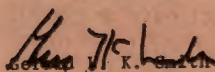

As you well know, down through the years you and I have disagreed on some things, but I have had such an admiration for your courage and your sincerity that I have preferred that time correct any minor wounds that such disagreement might effect.

Your influence is spreading consistently and constantly and I can truthfully say that we have never put out as much material as we are putting out at this time.

Although it does not relate directly to the Crusade, you will be pleased to know that our attendance at the Great Passion Play last summer gave us the championship. We are now the most largely attended outdoor drama in the United States of America and we have made no compromises, and we have yielded to no pressures brought upon us by the Jews who delight to persecute and abuse and mistreat anyone who tells the true story of Christ's last week on earth.

God bless and watch over you.

Sincerely,

GLKS/w

P.S. I enclose herewith a picture of how Mrs. Smith and I look now, taken in front of our home in Eureka Springs. We are both 78, although we do not advertise it too widely, and we have been married 54 years and the word "retirement" is to me a synonym for suicide. I have never worked as hard and done as much as I have done the last few years.

PASSING OF A
PATRIOTIC CRUSADER

By Dr. Edward R. Fields

Gerald L. K. Smith passed away after a short illness on Thursday, April 15th. He died at 78 of complications from pneumonia. Mr. Smith had continued working on his many patriotic projects right up to the day he entered the hospital in Glendale, Calif.

Mr. Smith's political activities date back to the early 1930's. Born in Pardeville, Wisconsin, he was the descendent of four generations of fundamentalist ministers. Gerald Smith attended two Indiana universities, Valparaiso and Butler. In 1922 he married his boyhood sweetheart, Elna Marion Sorenson. Mr. Smith was the minister at the Seventh Christian Church in Indianapolis and in 1928 he pastored the fashionable King's Highway Church in Shreveport, La.

It was during this period that he met Huey P. Long. Smith became Long's top lieutenant and organized his "Every Man A King" movement. Gerald Smith was walking beside Gov. Huey Long on Sept. 8, 1935 when a Jew, Dr. Carl Weiss, stepped from behind a stone pillar in the Baton Rouge capitol, and shot Huey Long dead. A bodyguard pulled Mr. Smith out of the range of fire as 61 submachine gun bullets were pumped into Weiss's body. It has long been held that the Jews wanted Huey Long dead because he could have beaten Franklyn D. Roosevelt for the democratic nomination and kept America from going to war against Germany.

It was after this experience that Gerald L. K. Smith moved to Detroit. He worked with Henry Ford, founder of the Ford Motor Co., Father Charles E. Coughlin and Dr. Francis E. Townsend, to keep America from getting into World War II on the side of communist Russia. Smith founded the "Committee of One Million" to keep us out of the war. He ran for the U. S. Senate in Michigan and received over 100,000 votes. He warned America that the Jews were the moving force behind Marxist movements. He hammered away at the fact that Karl Marx, a Jew, founded communism, and the Jew Leon Trotsky and half-Jew Lenin established it in Russia by slaughtering millions of Christians.

It was in 1942 that Gerald L. K. Smith founded "The Cross and the Flag" magazine to "preserve White Christian America." In 1944 he formed the American First Party and ran for President. In 1947 the Party became the Christian Nationalist Crusade. H. L. Mencken called Gerald Smith one of the greatest public orators in the nation's history. In his later years he devoted himself to

Mr. & Mrs. Gerald L. K. Smith. One of his last photos taken in front of their home in Eureka Springs, Ark. He mailed it to Dr. Fields and it is now a treasured memento.

writing and circulating millions of pieces of anti-communist literature. Mr. Smith also founded the world famous Passion Plan in Eureka Springs, Ark. There he also erected the largest statue of Christ in this hemisphere. He made Eureka Springs the most important religious attraction in America.

Through his past deeds and spirit, Gerald L. K. Smith will live on and we must continue to expose and fight the enemies of White Christian America just as Mr. Smith spent his entire life doing. May his fight, which spanned so many long years, inspire us to keep on until victory, regardless of how young or old we are because the RIGHT must win in the end.

G.L.K. SMITH —
SMEARED EVEN
IN DEATH

The April 17, issue of The New York Times devoted a quarter of a page to Mr. Smith's death, but they charged that he was "anti-Catholic." Time Magazine, in its obituary column of April 26th, did the same thing! It is the old story of keeping Christians divided. Gerald L. K. Smith was never anti-Catholic and had many Catholic supporters including Father Charles Coughlin and Father Edward F. Brophy of

the Christian Front during the 1930's.

The author, John Roy Carlson, wrote a book which was an all out attack against Mr. Smith but even it admitted that he was not against Catholics! The book was entitled, "The Plotters," and on page 58 Carlson stated that Smith was "a defender of Catholicism against anti-Catholics." He quotes Father Brophy as saying that "The Catholic Church knows that Gerald L. K. Smith is the enemy of their greatest enemy, the Christ-hating enemies of Christ."

The Jews and far left are constantly trying to divide Catholics and Protestants just as they do White nationality groups. They pit the Irish against the English, the Poles against the Germans, and vice versa. They have been tremendously successful down through the years, especially with their control of Hollywood and T.V. Roles are made to appear stupid, Germans brutal, Italians criminals, and the Irish drinking brawlers! But, the Jews are always the perfect ideal for all to imitate! They have no fault and can do no wrong — they are the eternal self-chosen people!

Both Time Magazine and the New York Times were contacted about their error in regard to their false charge against Mr. Smith. Now we shall see if they will run a correction — it is highly unlikely!

Black Rape Wave Sweeps Nation

RAPE IS A RACIAL PROBLEM

Negroes are committing over 80% of all forcible rapes in our major cities. These vicious crimes are often not reported in the local press and absolutely never sent out over the news wire services no matter how serious they are. Over 55,000 women are raped in the U.S. each year. Officials state that the true figure is three times this number because many women fail to notify the police.

Racial hate for White people is often the motive. In *Natchitoches, La.* a negro entered the Northwestern Louisiana University and broke into one room. He found black girls there and said: "I don't want to bother my black sisters, give me the number of the White girls' rooms." They did and he raped and beat two before the police arrived and arrested negro Roy Jackson, 23.

In Los Angeles, there has been a continuing wave of rapes of elderly White women by a number of savage negromen. An 85 year old woman, Hazel Nichols, of 3645 Victoria was found raped and strangled to death by her landlord. Mrs. Lillian Kramer of 346 S. Van Ness Ave. was also found raped and choked to death. Another was Mrs. Annette Weingarten, 70, who was likewise raped and strangled. During the past 18 months at least 30 White women have been raped and murdered in West Los Angeles. WHY HAS THIS NOT BEEN FRONT PAGE NEWS NATIONWIDE ???

Lavelle McNutt, 18, is a West Point cadet and has just been arrested on campus for two rapes. One was a 19 year old girl who refused to dance with him at a Saturday night academy dance. The rape took place behind the West Point campus chapel. The other victim was a 30 year old housewife who was raped and robbed of \$30. As a minor McNutt only faces a maximum sentence of four years in prison!

In Chicago police have arrested a city bus driver, Charles McKinley, 30, for raping a 15 year old child on his bus. She was the only rider at the time. He pulled into a turn around point and cut out the bus lights. He ripped the girls clothing off and raped her on the floor of the bus. He was a driver for the past 9 years and was arrested when he brought his bus into the terminal.

In Baltimore, Md. a Forest Park High School White teacher was raped by a 14 year old black student, Ralph Quarles, of the 4200 block of Bonner Rd. He pretended to stay after class looking for his books when he attacked the teacher. He warned her not to talk of the attack, because he once murdered a 12 year old boy by injecting battery acid into his veins, pretending it was heroin.

In Chicago a 41 year old White teacher was attacked by a rapist at the Guggenheim Elementary School right in front of her 30 first grade pupils. As they looked on in shock he grappled with the poor woman on the floor. She fought him off and he ran out taking \$16 from her purse. He was later arrested. Police hold Carl Roy Thurmond, 21, of 7322 S. Aberdeen, Chicago.

Macon, Georgia police are still looking for a vicious rapist

Proof Gun Control Does Not Work

BARBADOS — GUNS
OUTLAWED BUT
CRIME HIGH

Barbados is a small island nation in the West Indies which is 95% negro and 5% White. To control crime the ownership of both handguns, rifles, and shotguns was outlawed and the people asked to turn their guns in. Despite this the crime rate has not fallen!

Barbado's chief source of revenue is tourism. Visitors stream there from all over the world during the Winter to enjoy the pleasant weather and beautiful beaches. All of this is marred by the high crime rate. On this island of 280,000 people many robberies take place every night and even in the most

who has raped five women while a sixth escaped. He is described as a negro, 19 to 22 years old, 5'10" and 160 lbs. He only rapes young White girls who are blonde and blue eyed. The rapes have taken place all over town. They were all 19 to 23 years old. The Macon Mall has been the scene of many abductions of rape victims forced into cars.

Atlanta, Ga. has been the scene of the bizarre case of the "elevator rapist." On this page is a composite police picture of what he looks like. The rapist has attacked White women in the elevators of some of the cities most prestigious downtown office buildings. They include the Trust Company Bank building near famed Five Points. One woman was forced to commit sodomy upon the negro while riding the elevator. Some have been taken at gun point to the basement where they were raped in the garage. Others were quickly raped while the elevator was actually moving between floors. He then leaps from the elevator and runs down the stairwell while the distraught woman tries to seek help. This animalistic terrorist is still at large!

These are not unusual cases but have been taken from the hundreds of rape cases sent into us by Thunderbolt readers. If it were not for our subscriber-correspondents even this editor would be unaware of the nationwide extent of these horrendous crimes being committed against our White women. The time has come for us to realize that most all of these rapes are being committed by hate crazed blacks.

Many are motivated by natural instincts inherited from their African genetic background where any savage can rape any female who falls into his clutches. Rape is not even considered a crime in most Black African states. *They think nothing of it!*

The time has come for White Christian Americans to look to our forefathers and follow in their footsteps when it comes to protecting the purity of White womanhood, and that is not any worn out reactionary phrase! By this we mean it is our duty to save our White women from being violated by the savage beast out of the jungles of Africa. If you agree with us then the time has come for united White action. Subscribe to this newspaper and become a Paul Revere yourself sounding the alarm far and wide so that the people of this nation will awake from their lethargy and put an end to this savage attack upon our women. Remember that the HONOR of all White men is at stake!

We must arise to the protection of our own White women who are the most precious possession God has given to us. Remember they are the holy bearers of our offspring and sacred to the continuance of God's White Race!

Open Letter From The Barbados Daily Press

MY wife and I have just returned to Germany after our second visit to Barbados. on both our visits we came across another breed of Bajans — burglars!

We were robbed the first time (1973) overnight in our apartment by four masked men carrying knives and behaving very professionally. The second time someone tried to steal some of our belongings through the window in the early morning. We have also heard of many robberies in the neighbourhood and even in some big hotels, having security guards on duty.

After reporting to the police who were very helpful in the "formalities" of the case (it

took us half a day to fill out written statements and so on), we still did not receive any of our money or other, stolen property.

We know, of course, that robberies do happen especially in crowded holiday resorts, but what we wonder about is the inordinate number of robberies in Barbados, and the relatively helpless attitude of the police towards them.

We read quite often in your paper that in the future West Germany may become one of the most important European tourist sources for Barbados. That is very true, and Barbados has everything — German tourists will appreciate — except a lack of security of their possessions.

HANS G. GULDENBERG,
Hamburg, W. Germany

modern hotels with security guards. Most crimes involve several men brandishing long knives at their White tourist victims who quickly turn over their jewelry and cash to the robbers.

Barbados does impose the death penalty for many crimes including harming tourists so

not many are physically abused. But you still stand a chance of being robbed even though you are not allowed to own a gun to protect yourself. (Note: All black ruled nations have the death penalty. They admit this is the only way they stand any chance of maintaining any semblance of control over their own people.)

**TEAR GAS
 POPULAR ITEM**

A new tear gas called CS GAS has been developed that is far more effective than CN GAS (mace). In fact it is replacing mace in all government depts. It is absolutely guaranteed to drop the toughest criminal in his tracks. It will spray a stream up to 12 feet and makes the attacker feel like he has had a skillet of hot grease thrown in his face. This is something that all Patriots and their families should have in their homes or auto glove compartment. Chemical Shield sells for \$5.00. (Pocket Unit) sprays up to 10 feet. Larger police unit is \$10. Sprays up to 12 feet. Or you can have both units for \$12.

The Below Super-Sensational Article appeared in the "Jewish Post & Opinion" of June 28, 1968.

This explains to a great extent their powerful backing of the negro civil rights movement.)

Jews Are Not White, Prof. Tells Rabbis

BOSTON — A political scientist at the Massachusetts Institute of Technology, who has been speaking to Jewish convention over the past few months, told the Reform Rabbis meeting here that Jews are not white.

Speaking on the Jewish academician, Prof. Leonard J. Fein, explained that "we are not white symbolically, and we are not white literally." He then added that we should "not permit ourselves to be lumped together with white America, for that is not where we belong."

CONTINUING he explained that "We are too much an oppressed people, still, and too much a rejected people, even in this country, to accept the designation 'white.' And to count ourselves as white, moreover, is to deny our brotherhood with the Yemenites and the Kurdistanis in Israel, with the B'nei Yisrael from India and the Black Jews of New York."

Employing a theme which he used in addressing other Jewish convention, Dr. Fein asserted that Jews are not black. "We are Jews," he went on, "and because we are Jews, and not white, and not black, we must see to it, as a community, that we do not come to act as whites, whether by choice or because others so identify us. Not only because it is forbidden us, not only because we of all people ought to know better, but because we shall cut ourselves off from our own future if we do." He then went on to relate this view to the Negro. And because we are Jews, it seems to me that we are entitled to insist that there be a special relationship between us and Negroes, a relationship based not upon a common enemy, not upon a common history, but instead upon a common purpose, the purpose of teaching America at long last what pluralism is all about.
