Black Doctors Unqualified

MEDICAL AUTHORITY
SAYS MANY

BLACK DOCTORS UNFIT

Harvard Prof. Bernard Davis, writing in the nation's leading medical journal, *"The New England Journal of Medicine,"* charged that many of the country's 115 medical schools are giving diplomas to unqualified negroes. He charged that some have "dangerously lowered admission and academic standards."

Negro Howard University graduates most of the nation's negro doctors. They fail licensing exams at a rate 3½ times greater than Whites. In June 1974, 18 out of 36 failed the Maryland state exam. Last December all blacks who took it failed! While negroes are but 13 percent of the population they make up only one doctor out of 50.

Dr. Kenneth Endicott of HEW states that some educators are fearful that some minority members are being licensed as doctors who are not at all qualified. He said that there is also proof that some do poorly during their residency period in public hospitals.

Famed Bacteriologist, Bernard Davis, an editor of the *New England Journal* also agrees that some non-Whites are being passed just because of their race. Dr. Davis said that "we have a responsibility not to give a medical diploma to a person who might leave a raft of unnecessary deaths."

Davis charged that even Harvard gave a diploma to a negro who failed his national medical exams five times. Another danger is that bitter blacks blame "racism" for their problems. They are likely to take this out on White patients at a later date. Many negroes do poorly in general practice because even blacks are afraid to go to them. Negroes sense that the Whiteman is smarter and will do a better job in treating them.

Negroes have consistently scored 15 to 20 I.Q. points lower on the average than Whites in testing at every level of society. This is an inherited trait which they cannot overcome and very few negroes become successful doctors. (Those who do

Dr. Bernard Davis' investigation found negroes given diplomas who did not properly pass their tests.

usually are mulattoes and White genes have been proven to raise the negro I.Q. level somewhat.) Therefore many negro doctors end up practicing in the huge public hospitals at lower wages. They resent this fact and their care is therefore even of a more inferior quality than it could be.

Other facts from this study show that 14% of all negroes and Mexicans fail their freshman year compared to only 1½ percent of Whites. Six percent of minorities fail their sophomore, junior and senior years compared to 1% of Whites. Negroes usually try to avoid White medical colleges and cram into black schools like Howard. Those most seriously affected by this problem are poor patients who go to public hospitals where this inferior care is found to be prevalent. This problem holds true for many Asian doctors who have swarmed into medical institutions. America's health standards are rapidly falling as we place the false cause of "equality" ahead of common sense. Do not allow a non-White doctor to treat you or your loved ones.

Burned 15 Whites alive in nursing home.

Denise Watson, a 21-year-old nurse's aide at the Wincrest Nursing Home tragedy, was indicted Tuesday on 47 counts of murder and arson.

This brutal mass murder stunned Chicago. All the victims were aged 65 to 95. Miss Watson admitted setting the blaze because she "detested" the White patients she was supposed to be caring for. Miss Watson is also being investigated for fires in her downstate home town of Shawneetown, Ill., where more elderly Whites were burned alive under mysterious circumstances.

Negro Hospital Orderly A Mass Murderer

This case was serious and had such national implications that it was suppressed by most newspapers. A negro hospital orderly named Lee Roy Hargrave was charged with the killings of innumerable patients at the public General Hospital in Petersburg, Va. Doctors had noted that between five or six coronary patients died every month who should have survived.

Most of the deaths took place between 11 p.m. and 7 a.m. A negro orderly was usually on duty during those hours. His name was Lee Roy Hargrave.

One night Mrs. Josephine Thomas, 73, had a seizure and was rushed to the emergency room. Dr. Joseph Whittle worked all night trying to revive her. He concluded that something brought on the wracking and thrashing which gripped this poor victim. He summoned Dr. David Wiecking, Virginia's chief medical examiner. His office handled some 2,600 autopsies annually. Wiecking came to the conclusion that criminal action had been involved.

The death was caused by an injection of the deadly drug lidocaine. One nurse

testified that she once saw Lee Roy Hargrave carrying a hypodermic needle one night when such a death occurred. Another patient interviewed in the same ward for heart patients said that she had to fight Hargrave off one night when he tried to give her an injection because she knew that this was not his job.

Hargrave was indicted for six murders and held under \$100,000 bond. More circumstantial evidence came to light. Hargrave sometimes would shout at patients and even hid their medication at times. He would pretend to be "kidding" the patients. He told other co-workers that he did not believe that death should upset people and believed it was "beautiful." All of the victims were elderly White people and the drug was never found in regular tests made of coronary deaths.

In April of 1975 he was convicted and sentenced to life imprisonment. Still no one knows exactly how many people he actually murdered! It is believed that the number is very high. Despite Hargrave's strange behavior on the job, he was not fired because that would look as if he was discriminated against because of his race. Thusly, the grizzly killings continued to mount. Daily newspapers suppressed this story because Whites would no longer trust any non-White hospital workers.

Today our hospitals are filled with members of minority groups who are in many cases the majority of the personnel in a hospital. Many are members of radical groups which preach hatred for all White people. How many other patients have died or been mistreated by non-White hospital aids? This is a serious problem and one that will not be answered until there is a change in our present government. Coddling members of minority groups and implanting in their minds that they are "discriminated against" heightens the problem. As long as this incitement of non-Whites continues, their violent hatred for our people will grow.

Philippino Murder Case

Philippines Nurses Charged

America has been inundated with women from the Philippines who have gone to nursing school there. They get special preference by immigration authorities despite the fact that there is an abundance of White trained nurses in America. Two have now been charged with the cold blooded murder of five patients at the V. A. Hospital in Ann Arbor, Mich. Charged are Filipina Narcisco, 30, and Leonora Perez, 31. They simply injected lethal drugs into patients they disliked. This strange Asiatic behavior should be a warning to those considering non-Whites as nurses.

Billy Graham For Interracial Marriage!

BILLY GRAHAM'S "DECISION" FOR THE WHITE RACE

Billy Graham is the world's best known evangelist. He is considered to be a conservative by many Christians. When one looks a bit deeper into the background of Dr. Graham, the true objective of his ministry stands out quite starkly.

Billy Graham says that after the Supreme Court ruling against separation of the races in 1954 he decided never again to hold a segregated service. Graham went much further than that and began enrolling negroes as leaders in his crusade. Then a series of strange statements were made by Billy Graham. He declared that Jesus Christ was not a Whiteman but a colored person similar to present day Egyptians. Billy did not check anthropological data which proves that even the ancient Egyptians who built the world's great ancient civilization were White people when the gigantic Pyramids were erected.

Billy Graham then declared that Christians should not try and convert Jews away from Judaism because "Jews have a special place close to God!" If this is true and Judaism is the true religion, then it follows that all Christians should renounce their faith and convert to Judaism. The only trouble with this is that Jewry is the only race-religion in the world with no missionaries and an aversion to converts.

SHOCKING TEACHINGS IN "DECISION" MAGAZINE

Billy Graham publishes a magazine entitled "Decision." This publication is filled with interracial views and advice. The Feb. 1976 issue gives the entire back page to an interview with one of Billy Graham's "Associate Evangelists." He is Howard O. Jones. On this page we reproduce part of his advice. Jones says that we should tell our children to socialize with negroes and "even emulate" them. We see too much of this decadent African "soul music," foul language, drug use, and immoral behavior being copied from the negroes already.

The biggest lie of all is Jones' advice never to think that Whites are superior, despite the fact that all I.Q. tests prove this to be the case.

Even after that advice which would mean self destruction for White children, Jones says blacks should have "race pride . . . dignity . . . racial solidarity and unity in the race."

But, over and over again Billy Graham has condemned White race pride, White solidarity and White unity as sinful and evil! We are supposed to humble ourselves before militant blacks while their unity and power takes over America. Whites are

REV. BILLY GRAHAM

disunited and weakening under such constant barrages of interracial propaganda on T.V. and in the press. Why does not Billy Graham speak up for the preservation of the White Race and against interracial marriage as the Holy Bible advocates?

INTERRACIAL COUPLES ON GRAHAM STAFF

Another full page article on page 6 of the April, 1976 edition of "Decision" tells the story of a Billy Graham missionary in Belgium. He is William Thomas, Jr. — A NEGRO! You would think that Africa would be the proper place for Thomas to spread Billy Graham's religious line — but no, he is sent to all-White Belgium.

The story details his early life of poverty (naturally). Born in Union, S.C., Aug. 18, 1936, one of 7 children, Thomas finds religion after hearing Graham preach at Madison Square Garden. He then goes to the American Baptist Seminary in Covina, Calif. Then Thomas goes off to "spread the word of God" in Europe.

Thomas then meets a White girl in Liverpool, England and marries her. Later he is transferred to Brussels, Belgium where he is made minister of the all White (French) "Eglise Evangelique Bibliques Church." He also travels to West Germany with his White wife preaching to the Germans. This is the representative your church contributions sends around Europe in the name of Billy Graham, missionary evangelism. Thomas says "racial prejudice" exists everywhere and with Billy Graham's interpretation of the bible it can be wiped out. He might as well add it can wipe out the White Race at the same time.

Read And Pass On

"THE HIDING PLACE" MOVIE

Billy Graham pleaded with his followers to contribute money to produce the greatest Christian film ever made. Most of his followers thought it would have to do with the life of Christ. The big surprise came when "The Hiding Place" was released. It is a vicious anti-German piece of fiction. It repeats the now discarded story of the "Six Million Dead Jews" who in reality never died during WWII. It is an effective bleeding hearts film which has you crying over the "poor persecuted Jews" before it ends.

The Billy Graham organization went all out promoting this movie with free passes for children and discounts for church groups. Graham made a lot of money out of his investment but instilled the same old guilt complex that the Jews want imbedded in the hearts of Germans and all White Christians. We are supposed to allow the Zionist Jews every demand they make because in some way we all share in some far out "guilt complex" according to the Jews.

The time has come for us to reject the false teachings of Billy Graham and his entire "team" of professional con men who have done more to warp true Christianity than any similar money-making "crusade" to ever come along. These shysters cater to the Jews for favors (crumbs off their tables). They care not what really happens to true

Christians or our race or religion. The fact that the Billy Graham half hour radio program "Hour of Decision" is always immediately followed by the Jewish Anti-Defamation League program is all the more proof of how closely Billy Graham works with the Jews. The "ADL Show" gives Jewish

"REV." BILL THOMAS and his White wife represent Billy Graham in all-White Belgium.

stories praising Jews as an example for Christians to follow. They hope Graham followers will stay tuned in. Therefore it is easy to see that this phony-balony "Judeo-Christian" philosophy of Billy Graham is nothing more than a part of the continuing attack by the Jews and their Christian stooges to destroy all pride, heritage and dignity within Whites. The time has come to reject such false prophets.

ACTIONS AGAINST WHITE RIGHTS

"Huck Finn," the Mark Twain classic, has been banned in Winnetka, Ill., schools. Black parents say the word "nigger" in the book is offensive to them. Then what about all of the anti-White books our children are required to read? When are they going to be banned?

Confederate Flag Attacked

Negro Councilman Everett Lattimore of Plainfield, N. J. has attacked the practice of buying six dozen Confederate flags annually to decorate the graves of Southern soldiers buried in the local veterans cemetery. Lattimore charged that "the Confederate flag is as offensive as the swastika. It is offensive and abhorrent." Mr. Walter Ulrich said this was a routine honoring of the dead and would be continued despite the unreasonable protest.

"BIRTH OF A NATION" BANNED

The famous W. D. Griffith classic movie "Birth of A Nation" was banned from St. Louis University City High School by principal Earl C. Beeks. He said that Black parents had complained. This great movie tells the story of the black rape and political terror which took control of a prostate South after the Civil War. It tells how the White people came together and freed themselves from the evils of the Reconstruction era. Race mixers do not want our young to know these facts because we are still under the pale of forced reconstruction today.

BELOW reproduced as evidence from Billy Graham's "Decision Magazine" of Feb, 1976. This is his black "associate evangelist" advice to parents on "race relations."

BY REV. HOWARD JONES of the Billy Graham team.

How can white Christians with small children best prepare them for living in an integrating society?

This may be done by instruction and example. Let me make a few suggestions.

(1) It is imperative that you begin early by teaching your children that God created every man in his own image and that all races and their skin colors are precious in his sight. John 3:16 can be explained to your children as being God's redemptive plan for a lost humanity.

(2) Train your children to admire, respect, and even emulate the best qualities in people from all races.

(3) Instruct your children to judge all people on the basis of their character and accomplishments rather than on race or color.

(4) Never instill race prejudice in the hearts of your children against blacks or other non-Caucasians.

(5) Never teach your children to believe that the white race is superior to non-whites.

(6) Buy some good books on black

history and read them with your children. Become acquainted with outstanding Negroes and the contributions they have made and are making for the welfare, development and progress of America.

(7) Encourage your children to make friends with children of other races at school, in church, and other places. White and non-Caucasian children play and communicate well together when left alone. Their friendships are destroyed as soon as parents interfere and plant seeds of prejudice in their hearts.

(8) Teach your children to love everyone. Instruct them never to harbor hate, prejudice, bitterness, or revenge in their hearts against those who may dislike them.

(9) Always be a good example before your children in your love for God and for people of other races.

(10) Help your children to understand that the future of our country depends upon wholesome Christian community-living on the part of all races. Blacks and whites must live together in love and harmony or else face chaos and destruction as a nation.

Has the feeling of "black consciousness" or race pride which has drawn blacks together been of any spiritual value?

Definitely! As a Christian I am encouraged to see an increasing number of blacks who have ceased to hate themselves and now realize their own dignity and worth as human beings created in the image of God. Too long black Americans have been divided for one reason or another. Now they retain their race pride and dignity and continue by various means and methods to build racial solidarity and unity in the race. This is necessary if black people are to advance and prosper in the American society.

1975 Figures Show Whites Only 21% Of All New Immigrants

SHOCKING NEW IMMIGRATION FIGURES

The latest immigration statistics have been released covering the year 1975. Only 21% of the over 440,000 immigrants who entered the U. S. were White. Even this small percentage will fall as next of kin visas expire for relatives of those already here from White countries. On this page we reproduce the latest figures released by the government. Note that Ireland and Germany which used to be in the top five are no longer even in the top 25!

The Kennedy Immigration Act of 1965 drastically cut down on White immigration and opened the floodgates wide to "coloreds" from all over the world. The National States Rights Party is circulating petitions throughout the nation to correct this law which grossly discriminates against White immigrants. We know of Whites who have been waiting up to 5 years to come to America but cannot because non-Whites in other parts of the world are given preferential treatment.

Congressman John T. Myers (R.-Ind.) says that he cannot understand why the government refused to act on these problems. Note that Mexico is providing America with our largest number of immigrants. Most Mexicans are non-Whites. They already are a majority in Arizona and New Mexico and have elected Mexicans as governors of both states. Under present trends California will be 50% Mexican by the year 2,000 and the Mexicans will then seize political control of that state. In fact their numbers are growing by leaps and bounds throughout the Mountain states and Colorado and Utah are being over run with Mexicans.

There is a law which states that no more than 20,000 immigrants can enter the U. S. during any year EXCEPT FROM MEXICO. Ted Kennedy placed that special provision in the law in 1965 and you can see the results on the chart on this page. Next of kin visas are responsible for the over 20,000 from the Philippines, Korea, and Cuba.

Mr. Ben Holman, director of the U. S. Community Relations Service, says that we are just viewing the tip of the iceberg. He says that most of the illegal immigrants pouring across our borders are Mexicans and at the present rate they will constitute a projected 50 million people in America by the year 2,000. This means that this Mexican surge will

surpass the negro population and be by far our largest "minority group." Mr. Bolman says that "The Mexican tide is a reality that must be dealt with. It is a problem with unimagined implications for the maintenance of social order in our country."

What Mr. Holman means is that a large percentage of Mexicans are on the welfare rolls and are militant in demanding job quotas etc. Several cities that have been taken over by Mexicans have seen White municipal employees fired and replaced by Mexicans.

Rep. Myers says that pending before Congress are several bills which would correct this problem but President Ford refuses to place these measures on the priority agenda. Jimmy Carter also does not seem interested in halting this flood-tide and has proposed that "amnesty" be granted to the more than 12 million illegal aliens now in America (most of whom are Mexicans). This certainly would be unfair to the tens of thousands of White Europeans who have been on waiting lists for years seeking immigration to the States.

Myers says that at least 5 million illegal aliens are holding down jobs which could go to citizens. They send some \$3 billion out of the country annually. Illegal aliens do not pay income taxes which costs the government an estimated \$115 million in unpaid taxes. They do use welfare, food stamps, and medical services that cost us \$13 billion per year.

**Real Solution
Shocks Liberals.**

A military officer in San Diego suggested the practical suggestion that our borders

with Mexico be mined. This would solve the problem.

He was denounced as being callous and brutal. Yet, if the Mexicans were stopped then there would be no problem — this would be the case once they learned of the mined borders. Other bills would cut Mexican immigration back from an unlimited number to 20,000 like other countries. Another bill would make it a crime to knowingly employ an illegal alien. The heads of the GOP and Democratic parties refuse to act because this is just one more minority vote they are catering to. As the Mexican population rises so will the spineless office holders who say to hell with the rights of the White majority as they pander more and more to minority demands.

The time has come to urge that the above measures be put in effect along with the promotion of the National States Rights Party petition campaign to stop all non-White immigration. Why should we allow leftists in high office to turn this nation into a mostly non-White country? **Intermarriage is spreading at an alarming rate.** Not just with blacks but much more so with Asians and Mexicans. In fact a recent report showed that half of all Chinese men immigrating to America marry White girls. This means more mixed offspring and if this melting pot program sets in, it will toll the death knell for the White race.

We believe that the White people have a God given duty to preserve their own kind. For this reason White Race Survival is the chief goal of all our activities. Do you part by bringing this problem to the attention of your friends and fellow workers

PROBLEMS CAUSED BY NON-WHITE IMMIGRATION

Today there are up to 12 million illegal immigrants, mostly all non-White, in America. Recent raids on so-called massage parlors in New York City found that a majority of the prostitutes working there were negroes who come here illegally from the West Indies.

* * *

There are over one million illegal immigrants in New York City alone. Atlanta has 55,000. Federal courts have ruled that these people are eligible for welfare, food stamps, free medical care and other poverty aid so long as they remain here.

* * *

Lee Cremer of the Immigration and Naturalization Service (INS) says that illegal immigrants cost the taxpayers up to \$18 billion a year. He said that in California alone they send \$700 million back to Mexico to relatives. On jobs they claim large numbers of dependents so that they only pay a Social Security tax. Thousands of others are engaged in criminal activity such as smuggling narcotics, robbery, mugging and prostitution.

* * *

Many illegal aliens seek permanent residence by arranging fraudulent marriages. Last year 1,600 marriages were performed in Washington, D.C. alone by marriage brokers for fees ranging from \$200 to \$450. Most of the marriage partners were negroes. Some had married different immigrants many times. One had "married" 30 different aliens. There have been some indictments around the country for this crime.

* * *

All attempts to pass a law making it a crime for employers to knowingly hire illegal immigrants has failed. Such a bill has twice passed the house only to die in Sen. James Eastland's Senate sub-committee on immigration. Some liberals have sought to attach an amendment to the bill granting "amnesty" to the 12 million illegals already here. This would compound the problem and is positively unacceptable!

* * *

Bulletin! The Supreme Court has just ruled that the 4.5 million "resident aliens" now living in America cannot be denied the right to take civil service examinations and be given government jobs. This will create new problems but it is right in line with the Supreme Court policy of ALWAYS ruling for the minority and against what would be in the best interest of the rapidly dwindling White majority.

* * *

More money is urgently needed by the Immigration Service. Right now they are short of manpower and have a budget of only \$185 million. Congress has been ignoring this protection agency of the nation's borders but recently doubled the budget for the "Alcohol, Tobacco & Firearms Agency" (ATF) and gave them more agents to continue their work to disarm Americans. If gun registration is passed you will register your weapons with this agency. If gun confiscation is passed the ATF agent will come by your home to relieve you of all your guns.

MOST ASIANS pouring into America are young and single. Over 50% of Chinese men marry white girls.

Levi-Pottinger To Force Public Housing On White Christians

Jews Keep Black Housing Out Of Their Own Neighborhoods

NO INTEGRATED HOUSING FOR JEWS

In 1972, HUD announced that they were going to build a huge public housing project in Forest Hills which is an all Jewish section of New York City. The Jews were out in the streets immediately holding marches and demonstrations. Violence broke out at the construction sites when the work began. Still the Jews persisted, and eventually won an important compromise.

HUD agreed with the protesting Jewish groups that a number of units in the project would be reserved for elderly retired Jews. The rest would be confined to elderly negroes who did not have children. This is the only case we know of, where such concessions have been made to those opposing integrated housing programs. The Jews were able to block the invasion of their neighborhood and retain control over it, by keeping out violent prone younger negroes and the middle-aged hostile adults. Would the federal government ever give such an option to White Christian protestors — not yet — but they have still to see the rage of the still-sleeping White giant in America. Our day will surely come!

Photo of Jews demonstrating against negro housing in all-Jewish Forest Hills, N.Y. They stopped the blacks.

Georgians Fight Open Housing

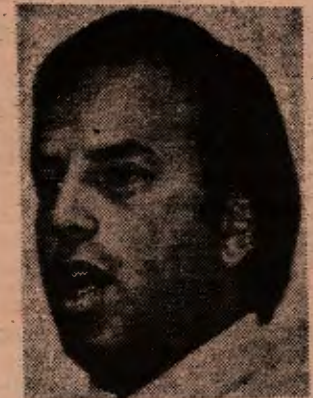

Cobb County, Georgia (Marietta area) set up a housing authority four years ago. This was done to stop the Atlanta Housing Authority from reaching across the county line to locate negro public housing in this 95% White community. The Cobb County board voted unanimously not to build public housing at all in this county. Commissioner Jimmy Jones stated that "such projects breed violence and filth and building them in Cobb would be a step in the wrong direction."

It is good to know that there are still Whitemen in public of-

vice who are not afraid to stand up for the rights of the majority. The very next day the left-wing Atlanta Constitution attacked the Cobb Commissioners' decision stating that this invites federal intervention. We say keep the blacks in downtown Atlanta and out of White neighborhoods. Let the Jew-run Justice Department come down here and file their suits. We will continue to oppose them and resist all of their attacks upon the White community, as they arise, one step at a time. Each and every day more and more White people become aware of the insidious attack upon the solidarity of our White community and the tide shall soon turn.

JEW ATTY. GEN. LEVI has ordered full enforcement of Housing order.

STANLEY POTTINGER JEWISH HEAD of Justice Dept. Civil Rights Division.

JACK GREENBERG HEAD OF NAACP Legal Defense Fund. Will file suits for mixed public housing.

POTTINGER TO ENFORCE COURT HOUSING RULING

Stanley Pottinger is the Jewish Assistant Attorney General under Edward Levi. Levi is the first Jewish Attorney General in American history. (It should also be noted that Kissinger is the first Jewish Secretary of State in U. S. history.) More Jews have been appointed to high government offices under the Ford administration than under any other previous administration.

Both Levi and Pottinger have pledged the total use of the resources of the Justice Department to enforce the Supreme Court ruling that future public housing must be constructed in White workig and middle class neighborhoods. Pottinger has just filed suits against four White housing associations to force them to loan money to negroes for the purchase of homes in the suburbs, as well as appraising property negroes wish to sell at the same rate homes sell for in White areas.

The result will be that negroes who want to move out of the ghetto will now be able to obtain enough equity out of their present homes to enable them to move to the White suburbs. This will further increase the mobility of blacks, who for the most part, want to flee the surroundings of their own kind.

Pottinger's suit against the American Institute of Real Estate Appraisers, The Society of Real Estate Appraisers, the U. S. League of Savings and Loan Associations, and the Mortgage Bankers Association of America would, if successful, force appraisers and lenders to finance property at an artificial level and can only result in higher interest and loan costs to cover future expected losses. A continuation of placing the treasury of the nation at the disposal and benefit of unproductive minority groups will surely bring on the bankruptcy of America.

NEGRO H.U.D. CHIEF FIRED

H. T. Crawford was appointed by President Ford to be Assistant Secretary of Housing and Urban Development (HUD). This is the organization promoting public housing and subsidized rentals for blacks in White neighborhoods. Crawford was supposed to help Ford gain negro votes but has been fired from his job for gross abuse of power. Crawford was found to have used his position to solicit his future employment, at a high salary, from private enterprise by giving them government contracts. It seems that Crawford does not believe that Ford will be in office after Jan. 1st, and wanted to insure a soft feathered position for himself after that date. He is now unemployed.

WHAT'S WRONG WITH OUR MILITARY?

Editor, The Thunderbolt:

I am a veteran of 17 years to have watched with horror and disgust at the way in which our once proud and strong U. S. Army has become a 4th rate chaotic, unorganized, undisciplined, sick institution.

The reality of life on Fort Bragg, especially after duty hours, staggers the imagination. Black gangs roam around intimidating unorganized, individual Whites. White officers and NCO's have lost their will to maintain law, order, and discipline. Who can blame them? All they hear from their superiors is "Race Relations", "Human Relations," etc. There is more emphasis placed on Marxist style "Human Relations" by far, than on military training.

White officers and NCO's are intimidated by the Department of the Army which prohibits discrimination. For example, every enlisted evaluation report has the required statement "enlisted man (does) (does not) contribute to the Army's Equal Opportunity Program. Race Relations training is mandatory.

The most pitiful and helpless victim's of the forced integration policy in the Army are young White WAC's. Presently, there

are over 1300 WAC's assigned to Fort Bragg alone. The young, White, naive girls go around in a dazed state of uncertainty and confusion while blacks exploit them in every way possible. They are afraid not to socialize with blacks. Only a few of the strongest willed are able to resist the pressures of both department of the army and big mouth nigger psychology. They learn quickly that it's easier to join the niggers than to resist them.

You see these timid, confused white girls riding in the backs of trucks with nigger animals, marching with nigger animals, going on maneuvers with nigger animals, being subjected to the filthiest language by nigger animals, and yes being molested by nigger animals. All this has been brought about by the Army's adoption of Equal Rights. All are treated equal, regardless of sex.

As a 2-time veteran of Vietnam, 12 years as a "Green BEret", and presently holding the rank of Master Sergeant, I'd like to see something done to stop this once and for all.

Signed,
Concerned Soldier

NOW WHITES ACCUSED OF "SYMBOLIC RACISM" FOR NOT GIVING BLACKS EVERYTHING!

SUBURBAN WHITES ARE "RACISTS"!

Duke University Professor, John McConahay, and Claremont College (Calif.) Dean, John C. Hough, Jr., presented their findings on "White Racism" at a Durham, N.C. conference on Social Science. They claim that it is not enough for Whites to prove their belief in "racial equality" by approving of special privileges for blacks such as poverty aid programs, open housing and affirmative hiring programs.

The 53 page report by the liberal professors states that when Whites flee to the suburbs and isolate negroes in the central cities, they are guilty of "symbolic racism." They say that Whites are withholding from the blacks their total personal acceptance! The report finds that most Whites believe that negroes cannot live up to the "value standard" we normally accept. This is the main barrier standing between the races today. They claim that the negroes' inability to "crack this barrier" is the chief cause of negro resentment and hostility toward Whites. The professors say this is the cause of negro crime, black

militancy and riots in the streets.

What further steps do these fuzzy-brained race mixers wish for the White people to take? What they are saying is that the negro is not satisfied with all the welfare, public housing, job privileges, etc., which we have given them. They want much, MUCH MORE! In fact there is no limitation to the negroes' demands. It is not stretching the truth when we say that the negroes not only want the Whiteman's jobs, but they want our daughters, wives, and all that we possess. The time has come for the White people to take a united stand against the ever-growing insolence of the minorities and the ultra-leftist White intellectuals who actually hate their own race. The two professors mentioned above actually seek the dissolution of the White Race itself! They want our seed destroyed through degenerate mongrelization of the races. The Thunderbolt stands for the Preservation of The White Race, and we will continue to urge the American people to join with us in this crusade which is dedicated to the Survival of the White Race.

Whites Intimidated To Promote Blacks

Jews Want Alabama Taxpayer Bailout

Downtown business investments all across America are being hit hard because firms keep moving out to the safer White suburbs. Jews own the biggest hunk of downtown real estate properties in most cities. They have also been the most generous financial supporters of the civil rights movement. Everyone knows that negroes commit OVER 90 percent of all crimes of violence in our major cities. Much of this crime is simply due to negro hatred for White people. Anti-White rhetoric by black militant

leaders and ministers along with the flood of "hate Whitey" films are all contributive factors to this problem.

In Atlanta Rich's and Davison stores are losing money but are kept open to keep other White companies from fleeing the center city. In New York Gimbles and Macy's are losing money as is Goldblatts in Chicago. This story repeats itself all across the country. All of this is tied in with the fact that Jews are the chief owners of the downtown real estate. If the stores pull out the tenants in the office buildings will soon follow and so will default for the city.

Despite all this Jews still want

the taxpayers to bail them out any time things get out of hand and they are forced into bankruptcy. The Jewish Pizitz Department store chain opened up a huge, modern, costly store in downtown Montgomery, Alabama. They stated that the purpose of this move was to keep business in the center of the city. Pizitz said White flight must be stopped! The store lost huge amounts of money every month. This month it will be padlocked because its very existence threatens the continuation of the entire chain. In order to recoup part of this loss Mr. Pizitz is seeking to sell the huge "White Elephant" to the state of Alabama as a government office building — despite the fact that the state does not need it. Alabama readers should let the members of their state legislature know how they feel about any move to use the taxpayers money to "bailout" the Pizitz family investment.

Jews Still Hate Germans

ALL GERMANS GUILTY SAYS GOLDMAN

Nahum Goldmann, president of the World Jewish Congress, stated in an interview with the German publication "Die Welt" that: "Each individual German, including those born after Hitler, has a historical responsibility for the Holocaust."

This refers to the so-called six million dead Jews myth propagandized by the Zionists. The booklet, "Did Six Million Really Die?" sold by The Thunderbolt (75¢ per copy) proves that the Jews lost fewer people than did any of the other major combatants during WWII. The Jews actually lost less than 300,000.

Goldman stated that every non-Jew in Germany is anti-Semitic but that reparations payments must go on. He was on his way to East Germany for talks for blackmail payments from that communist controlled sector of Germany. Goldman also stated that Jews living within Communist countries will be able to maintain their racial identity. He said: "In Romania there are synagogues, Jewish food stores, Jewish cafes, a Jewish theater and a Jewish newspaper."

Since Karl Marx, a Jew, founded communism and the Jew Leon Trotsky aided the half-Jew Lenin in placing it in power

over Russia, we can easily see how Marxism can be supported by the Jews living in both Israel and Russia.

WHITES MUST SHOW "ENTHUSIASM" IN ADVANCING BLACKS

The state of California has begun a new program whereby White workers, both male and female, are graded on how hard they work to boost minorities in job promotions and job hiring. In other words whites are supposed to work against the best interest of their own race. Never before has such a program been introduced in any state and Gov. Edmund Brown, Jr. is responsible for this program.

One California state employee wrote The Thunderbolt that; "all job performance evaluation for California State Employees who work in the Dept. of Health must include the employee's attitude towards the affirmative action program. The employee is rated according to his enthusiasm for the advancement of women and minorities and the extent to which actions and decisions support this objective."

The gentleman wrote us that most Whites — male and female — were highly resentful. This no doubt is an understatement. Of course, White women understand when they talk about "women and minorities," they mean non-White women. It certainly smacks of the "Big Brother" authoritarian state rule when one must be careful to exhibit "enthusiasm" in promoting minorities so that they can take your job or be promoted over you! This is an outrage but shows the extreme measures leftists will take to cram race-mixing down the throats of White workers.

Blacks Taking Over Government?

Today, minorities hold 21% of all jobs in the federal government. Due to stepped up "Affirmative Action" job hiring plans, minorities accounted for 64% of the total increase in federal employees last year. This means that of 19,982 new workers hired 12,665 were members of minority groups. Whites always do better on civil service examinations because of their inherited higher I.Q., which is 15 to 20 points above the negro. This means that only one solution can be drawn from such shocking statistics and that is

that there is gross job discrimination against White applicants.

Springfield, Mass., is a good example of how minorities gain jobs formerly held by Whites. The city wanted to hire more Puerto Ricans (a predominantly negroidal people). They therefore stated that only "select candidates" for vacant patrolmen's jobs would be allowed to take the civil service exam. Whites objected and the city got a federal court order allowing them to give "preference to Puerto Rican applicants."

Atlanta, Ga., has found its construction industry hamstrung when the negro Mayor Maynard Jackson ordered that "Affirmative Action Sub-Contracts" be given to negro owned companies. Most of the black companies asked higher fees than the White firms and many were not competent to do the work required. This has become a hot political issue in the Atlanta area.

Chicago has been ordered by a federal judge to insure that 50% of all new police hired be either negro or Hispanic. Douglas A. Anello, counsel for the National Association of Broadcasters, told its members that to be "safe" employers should always "hire the minority applicant over the White, even though the minority member's qualifications may not be as good."

White Americans should remember that this cancerous system of raising the inferior people over the superior will eventually destroy our civilization. Already our standard of living is in a steady decline. America has slipped from first to fourth place in the world's listing of the quality of life in all nations. Another point to ponder is that when jobs are given to minorities, they will never again be open to our children. They will be forever frozen as non-White jobs. When our children go to apply for work, they will one day be told; "sorry this job is open for a negro, there are no openings for Whites." That day is at hand already. This is a problem that cannot be overlooked and cries out for redress!

Jews Want Christ's Name Banned

BOB JONES HAS TROUBLE WITH JEWS

Bob Jones of "Bob Jones University" in Greenville, S. C. has been one of the most pro-Jew ministers in America. Recently he has issued statements that he is most distressed by the treatment of Christian missionaries in Israel who are connected with

his organization.

Somehow a Jew named Max Heller was elected Mayor of Greenville, S. C. He has asked that clergymen invited to open city council meetings eliminate the name of Jesus Christ from their prayers. Heller also has requested that the prayer breakfasts which are being held as part of the city bicentennial celebrations also omit the name of Jesus. Bob Jones University students picketed the first such breakfast attended by 600 people. The neatly dressed students

carried signs saying; "We must reprove what is being done here in the name of God." Others said: "We must stand up for our Lord — this is an unGodly gathering." Another: "How can Christians gather when mere mention of Christ's name is banned."

It should be noted that Bob Jones University did not accept negro students until last year when ordered by a federal court. Now they only accept married black students and thus far just one has applied.

Stoner Returns From "International Conference Against Communism"

INTERNATIONAL FRONT AGAINST COMMUNISM

Leaders of White patriotic organizations from many countries met for a conference in Diksmuide, Belgium on July 3 and 4, 1976. This annual gathering is known as the "International Conference Against Communism." All of the participating organizations are determined to revive the nations of Western Europe so that they can pursue a policy of destroying communism and of liberating Central and Eastern Europe from the Yoke of Communism.

J. B. Stoner represented the National States Rights Party at this conference where he met many old and new friends from throughout Western Europe. Jack Prins represented Canada's Western Guard Party.

The Jew-controlled government in Brussels used its police powers to try to disrupt the conference but their tactics failed.

The problem in Western Europe is that the Jews use their power over the United States government to keep them disarmed so that they are unable to defend themselves against the communist armies that are only a few hours from the English Channel. Those attending this conference want both Russian and American troops withdrawn from Europe so that Europe can be free again. The purpose of American occupation troops in West Germany is to keep Western Europe disarmed, not to protect them from the threat of communist invasion. Leaders at this conference were aware of the fact that the alliance between Jew-ruled Washington and Jew-ruled Moscow has divided Europe into two spheres, one controlled by the Moscow Jews and one controlled by the Washington Jews.

The International Front against communism is not a formal organization, but a method of patriotic organizations maintaining social contact and exchanging information in the fight against communism.

Since the Jews and their communist organizations work together in every country throughout the world, it is necessary for organizations that are against communism to cooperate with other organizations in other countries that are against communism. That is why we must have an international front against communism.

We are not listing all of the organizations and leaders that participated at the conference in Diksmuide because we do not wish for the enemy to have that information. However, the conference was hosted by the V.M.O. (Flemish Militant Order). If you can read Flemish,

J. B. STONER addresses a meeting of the "League of St. George" in London, England. That is the League flag above Mr. Stoner and our NSRP flag at the right.

you should subscribe to their publication, "Alarm."

J. B. Stoner also visited Dusseldorf, Germany, among other places, to observe the trial of Mrs. Hermine Braunsteiner Ryan who is on trial along with other patriots because she was a guard for a few months during World War II at Lublin-Majdanek. Such a trial is an insult to justice since the war has been over for 31 years. There were no executions at Lublin-Majdanek. Now, that so much time has passed, and due to the area now being ruled by communist Poland, there is no way to have a fair trial, but the Jews, with their lies, are forcing the German government to

MRS. HERMIE RYAN who is going through a two year persecution trial. She was forcibly stripped of her U. S. citizenship and deported to Germany because of the demands of Marxist Jews.

persecute and torment some of the Germans who were guards at the camp. This trial proves

that communism is still Jewish because the Jew government of Poland is furnishing the lying witnesses and the so-called "evidence" against Mrs. Ryan and the other defendants. Mrs. Ryan and her co-defendants are innocent victims of Jew revenge. Lublin-Majdanek was a work camp, not a death camp. Of course, for a Jew prisoner to be compelled to do honest work was a fate worse than death from the Jew point of view.

Attorney Stoner watched the three judge court with the jurors sitting on the bench beside the judges. At the press table there was a Khazar Jew who was writing down his report for the newspapers throughout the world. The Khazar Jew should have been on trial instead of the German patriots. The trial was so unfair that two of the defense lawyers denounced the illegal evidence, walked out of the court room, one after the other. As each lawyer walked out, he loudly slammed the door. That was their way of denouncing the illegal communist manufactured evidence and of protesting against the kangaroo court. Later, they returned to resume representing their clients in a trial that is a travesty of justice. The trial continues because of the Jew Government in Washington and its control over Western Germany which is still an occupied country, in fact if not in name.

Stoner Speaks In Britain

After leaving Belgium, J. B. Stoner went to England where he spoke on Tuesday night to a

meeting of the "League of St. George" in London. On Wednesday night he spoke to a meeting of the league in Liverpool. On Friday night Stoner spoke to a branch meeting of the National Front in London. The National Front is headed by John Tyndall and expects to elect candidates to parliament at the next election.

At both Diksmuide and Liverpool, Stoner had the honor of meeting with Michael McLaughlin, head of British Movement, and his beautiful wife also at Liverpool.

All of the patriotic White organizations in Britain agree that they must do something to stop the colored invasion which is well on the way to changing Britain from White to black and brown. Britain is being flooded with immigrants from India, Pakistan, Africa and the West Indies and their birth rate is much higher than the White birth rate in Great Britain. Britain is like America in that the black and brown population is increasing rapidly while the White population is rapidly declining. The White race is not having a population explosion. The dark races are having the population explosion while the White rate is dying out for a lack of White births. We need more White babies in England and America.

There is a big ray of hope in England because the British are waking up to the threat to the existence of their White race. Even so, they have problems much worse than in America because there is very little freedom in Britain. The Jews have used their power over the old political parties in England and over the British Government to pass laws depriving the British of their God-given right to freedom of speech and press. They have imposed the Race Relations Act in accordance with the Genocide Treaty on that country so that the White British people cannot freely discuss their racial problems and cannot freely publish the facts about the colored invaders. England was successfully invaded by William the Conqueror in 1066 but never successfully invaded again until the colored invasion began after the second world war. Since England is the mother country, we White Americans hope that she will repel the colored invasion and become a White country again.

While in Britain, Keith Thompson and the Griffin family were J. B. Stoner's hosts. He met many other good White people there, but is not at liberty to mention their names. He thinks that the White racists have a good opportunity to save England.

World Wide Nationalist News

New Civil War For Spain?

Spain's Rightist Falange Party and the "National Confederation of Veterans" of the Civil War were refused permission by King Carlos' government to hold a march through Madrid recently. The 600,000 Patriotic veterans who fought against the communist attempt to take control of Spain in the 1930's warned that the government was inviting a second civil war.

At the same time the government stood by and did nothing while the outlawed Spanish Communist Party held a rally with over 2,000 people in a Madrid park. A communist priest, Fr. Francisco Garcia Salve shouted: "There can be no democracy in Spain without us, the Communist Party." "Guerrilleros de Christo" — Guerrillas For Christ organization has not been waiting for the king to recognize the communists and have assassinated a number of leftist revolutionaries. When Franco announced his appointment of Juan Carlos as his successor 200,000 Falangists demonstrated shouting: "Caudillo (Leader) Yes! - Idiot Kings - NO!"

THIS LION has been the symbol of the Flemish movement for hundreds of years.

Only MSI Can Save Italy

The Right-Wing Italian Social Movement (MSI) has been under constant persecution by the government. Many of its leaders have been charged with the "crime" of resurrecting Mussolini's Fascist Party. Others have been assassinated! In the last election the MSI was successful in electing 35 deputies to the Italian Parliament. Even though Rome voted in a communist municipal government for the very first time, one of the city's districts gave a majority to an MSI leader who was in exile in Spain because of similar charges pending against him. He is now free to return to Italy because he will have political immunity because of his election victory. Enrico Pedenovi, a member of the MSI national executive committee was recently assassinated when he stepped from his car to purchase a newspaper in Milan. MSI activists retaliated by burning down a communist office in Rome and destroying a leftist exhibit at Rome University. A huge funeral was given for Mr. Pedenovi and MSI Leader Giorgio Almirante told the silent throng, "We do not intend a vendetta of reprisals — but we do not intend forgiveness."

A few months back Mr. Almirante was brought to America for a secret meeting with two top staff members of the U.S. National Security Council. This meeting was held in the Executive Office Building in Washington. Almirante explained the danger of a possible communist takeover.

Struggle For Freedom In France

Nouvelle Action Francaise is a rightist organization which Jews say is spreading anti-Semitic propaganda. The right wing priest, Abbe Georges de Nantes, a leader in Nouvelle Action, was taken to court for preaching that the Jews alone were responsible for the crucifixion of Christ and not the Roman soldiers. "Rivarol" is another anti-communist publication in France.

France has extremely oppressive laws which make public discussion of racial differences a crime. The left wing Cardinal Marty of Paris said that France is in danger of falling into "racism." He cited the presence of slogans on the walls of the city about "Marxist Jews" threatening French independence and freedom. The Cardinal has been brainwashed with the self-hate syndrome. He said that he sees all the signs of the "danger of racism" we must cure this disease, rebuff this sin, forbid words of hate, ban racist articles and publications."

It does not sound like the Cardinal believes in freedom of speech or press! But it does look like there is an awakening taking place in France also.

Renaissance of Corsica is a movement fighting for autonomy for the island of Corsica. Its leader, Edmond Simeoni, was recently arrested for underground activity. His group has charged that the island's wine industry has been bought out by French repatriate Jews from North Africa who flooded in after De Gaulle gave Algeria its autonomy.

"Action New Right" in Austria is circulating the German edition of "Did Six Million Really Die." (Available from The Thunderbolt, 75¢ per copy.) Jewish groups have asked that its circulation be banned. The book proves that nothing like 6 million Jews ever died during WWII. "Action New Right" also distributes among university students a booklet stating that the German leaders tried at Nuremberg were not given a fair trial because "about 90% of the court representatives were biased."

THE HUGE MSI demonstration in Rome, Italy against any Communist participation in the latest government.

England was another scene of a Jewish Board of Deputies demand that the notorious Race Relations Board suppress an ad by the "Committee For Justice in the Middle East." The ad opposed the selling of Israeli Bonds in Britain during its current desperate economic crisis. The ad simply stated: "Shouldn't Britain Come First? Why should millions of pounds of untaxed money be sent annually to Israel to support Zionist enslavement of over 1 million Palestinians?"

The Jews charged that this was "an incitement to racial hatred." In other words there should be no criticism of the Jews allowed whatsoever! Mr. William Rees-Mogg, Editor of the London Times, which ran the ad stated that in his opinion the ad was not illegal and that he would not prevent similar ads from appearing.

Germany's "Deutsche Buergerinitiative" (Citizens Initiative) leader, Manfred Roeder, was sued by the Jew Simon Wiesenthal. Roeder has called Wiesenthal a "notorious liar" and "German hater" for his insistence on prosecutions of German WWII veterans as "war criminals." Some 70 supporters of Mr. Roeder crowded the courtroom and publicly denounced Wiesenthal as a "liar" and shouted "down with international Jewry," "Germany Awake" etc.

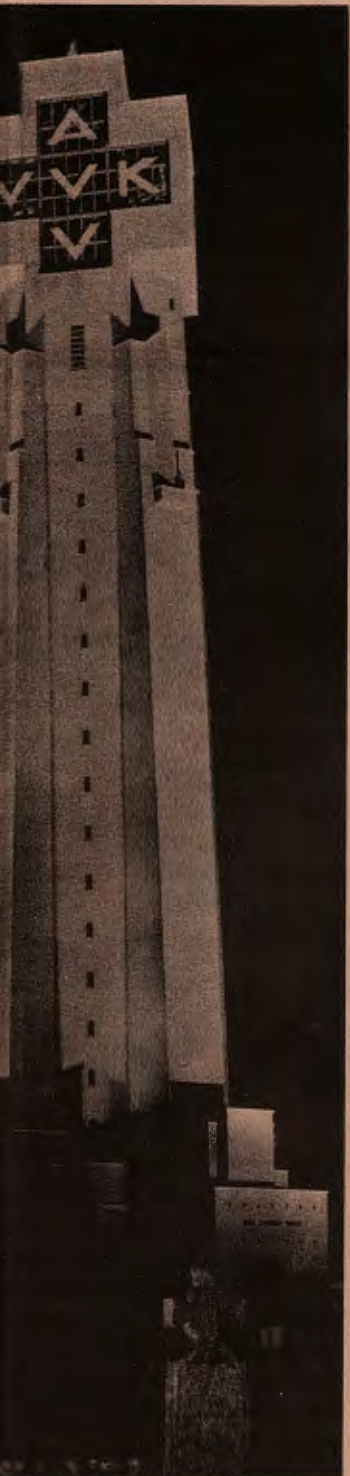

Jews also protested the appearance of a West German captain who wore his Bundeswehr (armed forces) uniform at an ex-SS officers reunion. One distinguished officer was presented with the Knights Cross, one of war time Germany's highest decorations. Jews charged that this represented a revival of Hitlerism.

Overseas Nationalist Notes:

The World Anti-Communist League's Executive Board has met in Nationalist China (Taiwan). Dr. Carlo Barbieri Filho charged that President Ford's "Pacific doctrine has normalized relations with Peking" is counter to the aspirations for the freedom-loving people of the world. He announced that his group would hold a world conference in Seoul, South Korea, Dec. 12-13.

The Jewish Chronicle has complained that a right wing "Aryan Bookshop" in Rome, Italy was "openly" selling The Protocols as well as books entitled, "The Enemy of Man" and "The Zionist Aggression." It complained that "the green Palestinian flag was seen fluttering at Rightist meetings." "Libreria Romana" is another Rightist bookshop in downtown Rome which the Jews have complained about. When questioned about this the proprietors replied that "We are not against the Jews as a race, but against their ideas, which have polluted Western society!"

Thus the world wide awakening and resistance movement against Jewish Marxism is spreading and growing on an unprecedented scale.

Science Proves Negroes Not Equal With Whites

ARE NEGROES SUB-HUMANS? By Lee Holloway

How can a person penetrate the iron curtain surrounding any discussion of the true being of the negro? I have written to many scientists, clergymen and other people on the subject. Most refuse to even acknowledge my letters. None of the replies I received dealt with essential issues honestly; rather, evasion and denial of facts were resorted to, along with falsehoods.

Evolutionary teaching is that men, all men of all races, are animals. It is found in newspapers, magazines, books, movies, and in conversation that man is the human animal. Strangely, practically no one expresses any outrage at classifying human beings as beasts related to apes unless one gets specific and says negroes are animals. Actually, if true man were an animal and could be so proven, no one ought to object or be outraged over a correct designation or classification. The same attitude ought to hold true for negroes.

PROF. ARTHUR JENSEN

The physical differences between Whites and negroes on the outside are the most visually obvious, but the mental are the most profound. Many apologists for the negro have denied or greatly minimized the differences in mental abilities. However, too much data exists to deny the differences or the extent of those differences. Dr. Audrey Shuey (*The Testing of Negro Intelligence*, 1966) examined over 380 I.Q. tests administered to many thousands of subjects over a 50 year period. Her statistical results of the whole series showed low-status Whites to be 2.6 I.Q. points above high-status blacks (those with large amounts of white blood and genes). High-status whites were over 20 points above high-status blacks. Shuey also pointed out that blacks in America have an estimated 20%

white blood mixture in them. Alfred Friendly, a liberal commentator, wrote in the *Washington Post*, July 10, 1971, that Prof. Arthur Jensen was correct in his claims that negroes were mentally inferior to whites because Jensen was supported by another liberal psychologist, Hans Eysenck, a fugitive from Hitler's Germany.

There are also physical differences in the brains. The average negro brain is about 100 grams lighter than that of the White. Also, the black brain has less convolutions and electrical surfaces, and is different in structure, particularly in the cortex. The physiological researcher, F. W. Vint, showed that the cortex's infragranular layer has a numerical value of 106 in the East African (negro) and 100 in the European, the granular layer is 98.7 in the East African and 100 in the European, and the supragranular is 92 in the East African and 100 in the European. Vint also pointed out that the infragranular layer is the area of the mind concerned with the physical basis of animal instincts, reproduction, self preservation, etc.; the granular layer deals with the perception of sensations; and the supragranular layer is concerned with the will, intellect, control, etc. The two latter layers are the physical basis mainly of mind or the higher aspects of the intellect. Thus, the negro, in the animal instincts, has 6% more physical basis than the White, but the physical basis of mind is 9.3% more in the White. Another factor is that the negro brain grows less after puberty than that of the White.

If the negro and White races were equal, there is no reason why an entire so-called race of millions of members should have brains smaller than the White man, have granular and supragranular layers of the cortex smaller, have less brain fissuration and less electrical surface, have brains which grow less after puberty, have lower I.Q.'s and have no intellectual or civilizational accomplishment.

Why are negroes as a group, so tremendously more prone to crime, particularly crimes of violence? And certainly statistics prove negroes commit far more crimes than Whites. 1956 FBI crime figures are about typical of any year. They show that, although negroes were about 12% of the total population, they accounted for the following percentages of arrest categories: 74-gambling, 68-aggravated assaults, 66-murder, 61-dope violations, 53-illegal possession of weapons, 52-robbery, 48-prostitution. We can make all kinds of excuses for negro crime, and reason everything except the truth. But the obvious truth is that the negro is not equal with the White man. He is simply a different sub-being.

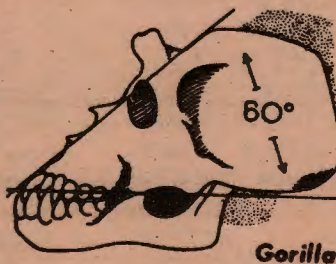

Another factor, indicative of the different origins of white humans and negroes, is the psychological abhorrence which the

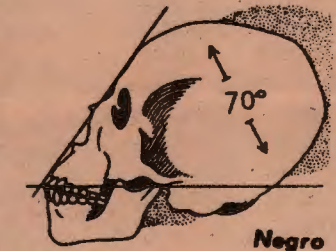

WHAT ARE SACRAL SPOTS?

90% of Negro and Mongolian babies have on their backs when they are born, dark brown spots varying in size. These are known as "Mongolian" or "sacral" spots. They disappear in three or four months. What these spots are and what causes them nobody knows. Can it be that they are atavistic, reverting to a primitive type—similar to the white spots which we see on the backsides of monkeys at the zoo?

majority of whites have against intermarriage and social equality with blacks and mixed-bloods. In literature, for example, one finds that literary critics have pointed out that so-called racial prejudice is nothing new. President John Quincy Adams, commenting on Shakespeare's "Othello" in a letter written about 1835, became quite outraged at the actions of Desdemona (as though she were a real person) for falling in love with and marrying the Moor, Othello. Adams called her affection "unnatural." Another critic said the people of Elizabethan England thought of Moors as being "subhuman."

Even today with all the propaganda and circumstances pushing integration, whites who marry blacks are still ostracized and considered psychologically unsound. Few even of the lowest white advocates of integration will go so far as to move from a white neighborhood into a black

one. We even think it is normal for blacks to go without clothes and live similar to other animals in the jungles. Several years ago, I saw some movies taken by missionaries to Africa. They were shown in one of the prissiest churches in matters of sex to be found. Yet, there were pictures of hundreds of blacks of both sexes cavorting about in the nude. If pictures of nude white people had been shown, the missionaries would have been thrown out of the church, arrested by the police, and the whole denomination embarrassed. The narrator made the ridiculous remark that those poor blacks didn't know any better than to go naked because they were "heathen." But what heathen tribes of white people habitually go about in the nude? Along with the other above information, this psychological aspect ought to show that blacks are as different from Whites as black is from white, and that blacks are not equal humans." It should also show that humans have instincts which are trying to tell them that something is wrong with treating blacks and mixed-bloods as equals.

Of course, many whites since creation have overcome their instincts and indulged in mating with blacks, which has resulted in the supposed races of the world. Those "races" have always been inferior to the pure whites who have built the great civilizations of Europe and America. But many of the pure Whites, while still refusing to personally intermarry with blacks or mixed bloods, have succumbed to the subtle and satanic propaganda of integrationism, at least on an intellectual level. Now it has become fashionable to berate and say all manner of hateful things about the white "race." Conversely, anyone saying the most innocent and true remarks of a complimentary nature about the white "race" is immediately looked upon as a bigot, etc. in many circles, particularly among church or university-type groups. The "out-in-the-open, plain-spoken, so-called "racist" is even considered mentally ill on that basis alone. But ask yourself, where did those instincts of revulsion against blacks and mixed bloods

come from if not from God? Are the white "bigots" and "racists" the true mentally ill and haters of mankind, or is it just the opposite?

What has been our heritage from the integrationists? It is that most of the supposed humans who are actually mixed-bloods, have populated the near and far East where overpopulation, under production, and disease have kept the area constantly on the verge of starvation and other great problems. They have relied heavily on white assistance to get by one disaster after another. What technological progress they have made, including that of Japan, has been due largely to foreign (white) help. In America, blacks, who are usually mixed in varying degrees, commit over ten times as many crimes of violence in proportion to numbers as whites. They also breed many illegitimate children and cost billions of dollars a year, mostly paid by whites, for welfare, education, and crime costs far out of proportion to their numbers.

Negro and human blood (of the same type) can be transfused successfully to either. But, there are at least three known differences between the bloods of Whites and blacks: (1) Dr. W. C. George (*The Biology of The Race Problem*, 1962) mentions that: "Another example of the pervasive influence and expression of race is found in the fact that individuals of the White and negro races differ in the protein components of the blood serum; (2) The well-known tendency of some blacks to get sickle-cell anemia; (3) A skin cancer curb found in the blood of blacks which protects them from melanoma, a disease which attacks some White people. (reported in the *Washington Post*, April 2, 1973.)

Additional note on blood differences: "Science Digest," Oct., 1915, reports U. of Mich. researchers have found blacks have up to 10% less hemoglobin than Whites, and it is unrelated to diet or socio-economic conditions.

Letters To The Editor

Protest Negro Prison Terror

Dear Mr. Stoner,

Thank you for acknowledging my letter. I am very happy that there is someone, whom cares enough about the situation of the Whites, to try and do something about it. I hope you can help us. Whites, whom are forced to live among these apes.

Just the other day two Whites were assaulted, up on 7th gallery here in the south house. Now they are in the hospital getting their rectums sewed up. There were 11 blacks involved in this attack.

I heard blacks talking, on the upper gallery, about how this summer was going to be like another "71." If this summer is like another "71" I certainly do not want to be here.

In October of "71," the black gangs took over the prison, and entered the cells of White prisoners and raped them. Dozens of prisoners were beaten so severely that they were taken to Statesville prison for E.K.G. tests.

I couldn't hardly believe this story when I first heard it. It seems when ever these blacks threaten Whites they connect the threat to the year of 1971. It

seems they are proud of that year.

All I can say is if you hear of prison riots this year, it won't be White prisoners rioting against the administration, but blacks causing the trouble.

The prejudice these blacks hand out is incredible. I didn't think it was possible for anyone to hate so much. When I listen to these blacks talking on the gallery it startles me. They talk about how the "White devil" should be destroyed. This place is a nightmare!

This administration seems to be afraid of the blacks like the White prisoners who were raped. I heard nothing happened to the blacks who did it.

Some of the officers said if they don't like it here, they should have stayed out of trouble. That doesn't make any sense to me, but there's a lot of things in here that don't make any sense.

Blacks are in the majority here and the supreme court has ordered us locked up in the same cages with these wild men.

G. C.

Pontiac, Illinois Prison

programs only served to aggravate the situation as all they teach is blaming the "WHITE Devils" for the oppression of the black people. We thereby heard slogans such as, "kill WHITEY" and "death to the White DEVILS" chanted by these followers of "old Alijah Muhammed."

Among the negroes, there was a fanatic of the New Republic of Africa, who is in prison for the killing of a White policeman in Jackson, Miss., who usually keeps his herd together. When tension finally led to violence the administration had to re-segregate all prisoners by race.

All camps in the penitentiary are predominately black as the ratio over the whole prison is somewhere near 4 negroes to 1 White man. Incidents at other camps have been overlooked such as the attempted and successful sodomy rapes of 17 and 18 year-old Whites by negroes at the First Offenders camp and Whites being run out by the negroes from the almost all negro camps such as Camp B and Camp 8.

We are attempting to hold down the fort but it could possibly be another "Alamo", and it is that serious. In the south gunman cage there are only 29 whites although there is always the support of the other 24 Whites who live at the camp. Since we are grossly outnumbered and are in no position to allow negroes to be placed in this cage with us after their threats, we must safeguard our position as best we can.

RACE PRIDE AND THE NATIONAL STATES RIGHTS PARTY

Editor, The Thunderbolt:

The people of our race pride themselves on their achievements. These achievements, whether small or large, enhance and develop the race.

Pride of one's race is a divine fraternal order of persons with the will to create and build a better tomorrow. The importance of race pride can't be stressed enough for race survival. There is no doubt that without race pride there is moral decay. With moral decay there is no development and that which has been built will weaken and crumble into dust.

We as a free white race must prepare our minds and bodies to the awakening of a new dawn, a new civilization, a new world. The cry for breath of life has been answered by the National States Rights Party.

Rally unto her banner and encourage others to share in this struggle for freedom.

The National States Rights Party needs us and most of all we need the National States Rights Party.

To race victory, long live the National States Rights Party.

Honor is loyalty,

STANDING UP FOR THE NSRP

Editor, The Thunderbolt:

I stand as a "White American," and am darn proud of it! I was born a racist and will die one! I live every day as an "NSRP" member. I am only 19 years old, but am mature enough to know the forces led by the negroes and Jews are trying to destroy "White America."

Our platoon guide is a Jew from New York, and also are 4 squad members are Jews also.

I have confronted them with some of my views and they sometimes look and act afraid of what I stand for. Boy, they better be afraid, for I am a "proud" member of the "White Man's Party" of America! We choose not to be common men, but are prepared to standfast for a "Pure White America." Our spirit is high, cause we know we stand for the "Right," and the way I was raised — "Right Is Right."

I am married to a pure White American girl who is carrying my child. My child will be raised as a "Loyal White American."

Cause of White Flight

SCHOOL INTEGRATION BEGAN WHITE FLIGHT FROM BIG CITIES

Editor, The Thunderbolt:

On May 17, 1954, the Supreme Court first held that segregated schools violated the Constitution and that forced integration was henceforth to be the law of the land. The basis of the Court's decision was that segregated schools made negroes feel inferior and deprived them of equal educational opportunity. As in later judicial edicts, civil rights legislation, and mass media propaganda, the effect of racial integration on the White majority was ignored.

The Court's school decision and all of the cases that have followed it, was based on the false assumption, spread by the Jews, that *the only real difference between Whites and negroes was skin color*. This lie, unsupported by any scientific evidence, has continued to be repeated over and over again by the Jewish-dominated mass media. Cowardly politicians go along, as a means of getting the bloc vote of the negroes who will always vote for the politician who promises them the most "civil rights" and welfare.

Today, the work of brilliant scientists such as Shockley, Jensen, and Eysenck has proven beyond a shadow of a doubt that negroes are mentally inferior to Whites, something that anyone

with common sense and personal observation of negroes could have told the fuzzy-headed liberals years ago.

The effects of a generation of race-mixing propaganda and forced integration have been devastating. In most cities with a substantial negro population the public schools have been destroyed. Whites have fled to the suburbs to keep their children out of jungle schools and to get away from the negroes who think they have a "civil right" to murder, rape, and rob any White person they see.

Ignorant, lazy negroes are promoted over hardworking Whites by employers afraid of Jewish civil rights lawyers and bureaucrats. Multi-billion dollar give-away programs for negroes and other non-white minorities cause galloping inflation, while national defense is neglected.

The White majority has had enough of the negroes, Puerto Ricans, Mexicans, Jews and other parasitical minorities. The integration experiment has failed.

Today, the National States Rights Party is the light that can lead White America out of its troubles and into a glorious new age. If we all pitch in, the nightmare of present-day integrated America will soon be only an unpleasant memory.

"Tax Rebellion" Questioned

Letter To The Editor:

I think that facts need to be faced in discussing the tax revolt. It has always been encouraged by officials of the U. S. Government. Recently, William Simon, Secretary of the Treasury, encouraged the tax revolt by saying that there would be a tax revolt unless the income tax laws were changed. Of course, he knows that there can be no effective tax revolt because most people have their taxes withheld in advance of April 15th and could not revolt even if they wanted to.

I have inside information on the tax revolt which is more shocking than what is published in the newspapers, when public officials are quoted, starting with the Johnson administration.

The income tax revolt is en-

be equally rich economically. West Germany is an unbelievable three times as rich as the U. K. and has the highest per-capita income in the world, while the U. K. is in danger of being passed by Italy and other countries of Southern Europe. Could the reason have anything to do with race? The U. K. has 500,000 Jews and over 4,000,000 coloreds while W. Germany has 30,000 Jews and 20,000 Mulattos.

couraged by Federal agents in the IRS and the FBI so as to destroy the patriotic movement in America. They want patriots to tax strike so that they can be eliminated from the fight. Once a patriot is prosecuted for refusing to pay his taxes, he is audited and prosecuted. Often his money and property are seized. The result is that he quits all patriotic activities regardless of whether or not he goes to jail because he does not want to go through that ordeal again. There are very few exceptions to this rule. Of course, most of them are convicted.

I know that most of the people who promote the tax strike are sincere, but they are unknowingly hurting the right wing patriotic movement. In most cases they are being used by Federal agents without realizing it. All patriots should be smart enough to stay out of the tax strike. I also have learned that the main promoter of the tax strike is himself paying his taxes!

Mr. Editor, I would like to submit an article to you that would point out all of the fallacies that are advocated by the leaders of the tax strike movement because I cannot sit idly by while they wreck the lives and fortunes of more and more patriots so that they are no longer able to do anything to save our country.

Kissinger Would Junglize All of Africa

VICTIMS of the latest purge in Nigeria. From time to time they are dropped to the concrete floor and then hoisted back up again.

Marine Atrocity Ordered By Negro

We all read about Lynn E. "Bubba" McClure the private who was beaten to death on orders from a marine Drill Instructor at Paris Island, S. C. McClure was mentally retarded and only weighed 115 pounds. He had failed the entrance exams for the Army and Air Force. He was accepted by the Marines because they had to meet a quota of recruits.

Young McClure was slow-

SGT. BRONSON ordered the beating which resulted in the death of the young recruit.

witted and the orders to beat him were given by a negro D.I., Sgt. Harold Bronson. Screaming for mercy, McClure was beaten with 12 lb. poles, until his skull was crushed and he was made into a living vegetable. Fortunately, he died some time later. A court of inquiry found Bronson not guilty! What the daily press didn't tell you was that the D.I. was black. No doubt the Marine trial board did not want to appear "racist" and that is why they acquitted Bronson.

ANGOLA MURDERS AMERICAN MERCENARY

Daniel Gearhart, 34, a Vietnam veteran, was recruited by the CIA to fight for the anti-communist FNLA forces in Angola. He left his wife Sheila back in Kensington, Md., with four children and \$30,000 on debts. He had hoped to send back big money as a Mercenary to pay off his bills.

DAN GEHART, and his wife Sheila. He died fighting communism without any help from Kissinger.

Today Gearhart is dead, executed by the communist backed government, which was installed in power by Cuban mercenaries! Three British mercenaries were also shot to death because they were on the losing side. This is the way Fidel Castro treated his political enemies and thousands of them were so doomed in Communist Cuba. Despite this outrage Henry Kissinger still argues for recognition of both communist Angola and Cuba. He has also offered foreign aid to the Red murderers in Angola! How much longer are the American people going to sit idly by and allow such treason to continue in Washington, D.C.?

KISSINGER AFRICA PLAN WILL DESTROY

Secretary of State Henry Kissinger plans on giving billions of the U. S. tax dollars to African nations. This money is supposed to raise their standard of living and win them to "our" side. Kissinger is the first Jew to ever hold such a high office and thus far all of his "Detente" plans have only resulted in new victories for communism. The fall of Angola and Mozambique to the communists present new dangers for the West resulting from Kissinger policy.

The President of the Rhodesian Parliament, John J. Wrathall, chared on June 22 that America was helping the surrounding communist countries "mount psychological warfare, economic warfare and terrorism," against Rhodesia.

He charged that most of the trouble came from Marxist Mozambique which arms, trains, and feeds the black guerrilla forces, which infiltrate across this border. Such attacks have killed 125 men, women, and children during the past year. At the same time the Rhodesian forces have succeeded in killing 1,059 guerrillas!

America has cut off all trade with White Rhodesia except for vital chrome imports which we desperately need. (Some nuts in Congress even want this stopped.) At the same time we have just given \$14 million to the communist government of Mozambique. Mr. Wrathall says that if guerrillas, supported by both American and Russia, are successful in defeating Rhodesia then "the collapse of White rule in Rhodesia would lead to Soviet domination of all of Africa."

Why is America continuing to help the communists take over Southern Africa? A study of Kissinger's background and his Marxist beliefs would quickly answer that question. Kissinger and the communists talk of "majority rule" for black Africa. Well lets take a quick look at some of the countries granted their independence over the past 16 years and see just how well "democracy" has faired in black Africa.

There are 43 black ruled nations in Africa. Twenty six are ruled by despotic generals who tolerate no opposition. Only 4 will allow any opposition party to exist. Jomo Kenyatta of Kenya recently had the head of the rival party in his country assassinated.

The Congo (Zaire) is ruled by Mobutu Seko. He is a soothsayer who tells his people he rules with the help of "black magic." He is "president for life" and wears a diamond crown. Mobutu resides in an unbelievably lush palace. The Congo is the largest country in Africa and his champagne life stands in stark contrast with the impoverished natives who for the most part are too diseased to work.

Burundi is a primitive country where tribal warfare has taken thousands of lives. This country is ruled by a 340 pound "king" called "The Mwami." His country is still in the stone age and does not even have a single newspaper. The tribes refuse to raise anything but cattle because it is a status symbol.

Nigeria is by far the richest nation in Africa and has the largest population. Over the past 15 years there have been 35 palace revolutions and attempts at them in Nigeria. None of the oil wealth of the country has seeped down to the poverty stricken people. Nigeria's head Gen. Murtala Muhammed overthrew Gen. Gowon last year. He recently shot a large number of conspirators who sought to assassinate him.

Writer Henry J. Taylor describes the leaders of black Africa this way — "Most of them have shot their way to power by the deadly process of killing off their rivals one by one, and they care as little for democracy or their enslaved people as for the blind oxen turning the primitive waterwheels."

Nigeria has sought to blame its internal problems on America. In June their secret police arrested two U. S. citizens and charged them with gun running and conspiring to start revolutions. They are Perry Guthrie, 58, of Lockheed Aircraft Co., and Harry Spriggs, 33, a pilot. The two had just returned to Lagos with a C-130 cargo jet from servicing in Marietta, Ga. The unfortunate men had a .22 rifle, .22 air rifle and a .22 target pistol in their possession and 2,000 rounds of .22 caliber ammunition. The Nigerian press call this a "large arms cache." At the moment our State Department is trying to free the poor men and we hope they do not end up facing the firing squad as did the White mercenaries sent to Angola by our CIA and then abandoned to their own fate.

Just another short note to emphasize the stone age existence of negroes in what is still "Darkest Africa" in this supposedly modern day and age. A recent news report on tribal life in Kenya mentioned that "All these people are alike in their love of blood as an article of food. They periodically bleed their cattle and drink the blood hot, or else mix it with porridge. As among most negro races the men feed alone, and the women eat after the men have done."

Another report on the Watusi Tribe in Rwanda states that a "couple are considered married after they go through a ceremony which ends with each squirting out a mouthful of water at the other."

These are the people we are told by ministers and educators are our equal brothers!

"Hate" Riots Spread

There are many people in South Africa and America who love to bury their heads in the sand like an ostrich and pretend that the negroes "love" their White superiors and will never revolt against us. For this reason many liberals in South Africa were quite startled by the Soweto township riots outside of Johannesburg.

Christopher Munnion of the "London Daily Telegraph" stated that the riots were started by 10,000 black students out of pure "racial hatred for Whites." He reported that two Whites were hacked to death well before police intervened. (Apologists for the blacks blamed police "over reaction" for the extreme violence of the negroes.)

Mr. Munnion said two black reporters witnessed the two White men killed with machettes. The Whites were employed at a hospital which treats blacks in Soweto. The reporters recorded the chilling, unqualified cry of "here is a White . . . let's kill him."

These two men were pro-negro liberals. They had dedicated their lives to helping blacks — one was medical doctor.

"The London Observer" was also taken aback and said; "This violence was directed with fury and hatred against all Whites. No White person — no matter

how liberal or pro-African — was safe." The article went on to say that this "tribal blood-kinship has united blacks in a solidarity" which poses an ever growing danger to Whites in South Africa.

Whites in America are experiencing more and more so-called "hate" killings. Senseless crimes perpetrated against us just because our skin is White. They do not ask their victim if they support the NAACP or voted for some race mixing politician like Jimmy Carter. When racial warfare breaks out the only uniform you have on is the color of your skin. If it is White, then the negro is going to kill you no matter how big a negro lover one may be!

The White people of both America and South Africa need to awaken to this fact. We must unite and aid our racial brothers in Rhodesia who are fighting to preserve the very borders of White civilization against the encroachment of jungle decadence. Now is the time to raise our voice in protest against the Kissinger Jew plan to work with communist Russia in aiding guerrillas in slaughtering our own White kinsmen. Common sense and justice itself dictate that we unite and let our views be heard by the entire nation NOW!

Great Victory In England

BRITISH PATRIOT BEATS RACE RELATIONS BOARD

England has signed the Genocide Treaty and enacted local laws which forbid any act which can be construed as mentally offending a member of any minority group. Robert Relf, 51, father of four, posted a sign in front of his home stating that his residence be "For Sale To An English Family." The Race Relations Board cited Mr. Relf and he was brought before Judge Sunderland in Birmingham County Court.

The Judge told Relf that the charges would be dismissed if he would remove the "offensive" for sale sign and apologize publicly to minority groups. Relf flatly refused stating: "This government is hell bent on turning our country over to the black man. If the Race Relations Board thinks for one moment I would go down on my hands and knees and apologize to them they have another think coming." He openly defied the board by stating; "I shall never apologize and if the sign rots or falls down I shall replace it with another."

This became a celebrated case and the Race Relations Board announced that Robert Relf could spend the rest of his life in prison if he refused to recant. Relf entered prison and immediately went on a hunger strike only accepting liquids.

Robert Relf gives a thumbs up victory sign as he entered prison. He knew he would win this fight.

Right Wing groups mounted marches and even courtroom protests demanding an end to such repression of White peoples' rights. Relf's health began to fail as the weeks of imprisonment passed and his refusal to eat began to exact its toll. Relf was near death and the Race Relations board began to worry about the growing demonstrations outside the prison walls.

Actually this case united the right wing in England behind this the persecution of this common man who had decided that he was going to take a stand for

his Race and Nation against those who would make second class citizens out of real Englishmen. At first Judge Sunderland refused to yield. Then came the medical report that Patriot Robert Relf was near death. It was then that the prison gates flung open and this modern day hero was carried away to a victory celebration. This represented the first successful defiance of the communistic Race Relations Board in England. Since that date Right Wing candidates for public office have greatly increased their percentage of the vote and may soon sit in Parliament.

MORE INTERRACIAL MOVIES COMING

Motown Pictures Productions turns out many of the anti-White "Black exploitation" films where the Whiteman is always evil and the story builds around how the negro super star eventually kills him. The Jew Rob Cohen is the "business associate" for Motown. He says that 25% of the movie going public are negroes. For this reason the "Shaft" and "Superfly" anti-White films still make profits.

But, Cohen says the big money maker last year was "Mandingo." It is a story about slavery in the South and all of it is pure fiction. It is a direct attack upon the chivalry and descency of our forefathers. In the movie the Jewish directors have White Christian plantation slave owners making love with their black female servants. At the same time the White mistress on the estate spends all of her time trying to seduce some black stud into her bedroom.

Cohen says this sordid kind of film goes over big with both the White and black public. The

truth is that the outrageously anti-White book "Mandingo" was indeed a best seller. It is nothing but interracial sex from every conceivable perverted standpoint buttressed with the anti-White propoganda about how horribly the slaves were treated. Truth is that the slaves over 100 years ago on Southern plantations had a higher standard of living than does the average negro in Africa today. During that period cases of interracial sex were very rare and historians have proven this.

Despite such historical facts, Cohen says that more "Mandingo's" are on the way. The Jews stand to make millions more while the White Race is debased. They plan on continuing to fill the hearts and minds of our youth with this suicidal guilt feeling over how awful the poor black slaves were treated — GARBAGE! These movies have a disastrous impact upon our youth and a counter action program must be developed so that we can undo the damage they are inflicting upon our young people.
