Interracial Marriage Is Busing's Goal

School Textbooks Pollute Students' Minds

FILTHY BOOKS TODAY IN ALL SCHOOLS

Most parents have no idea what is in the textbooks children are studying in school. In many instances, they are not allowed to bring these books home. Books children are required to read as "literature" are even more obscene. There has been a growing protest that exploded upon the national scene last September in Kanawha County, West Virginia. Public demonstrations against smutty books in the schools brought this problem to the attention of the people by the outraged citizens of that community.

There are about a dozen huge book publishing companies operating out of New England which publish most of the books used in the nation's schools. At least 80% are members of the Association of American Publishers. U. S. Education commissioner Terrel H. Bell recently addressed this group and told them that they should see to it that "school texts, films and instructional materials should not insult the values of most parents."

A majority of the book publishing companies are owned by Jews. The Jew, Dr. Benjamin Fine, Educational Writer for the North American Newspaper Alliance, charged that protesting parents had turned the textbook controversy into a "reign of terror" against book publishers and writers. He said this threatens to become "the greatest wave of book burning and teacher fear since the McCarthy era."

The Jewish lawyer, Irwin Karp, counsel for the "Author's League of America" said: "Book banning is alive and well . . . and is a continuing erosion at the grass roots level of essential First Amendment rights. It's not trivial, crackpot conduct. In certain areas of the country, it's very dangerous because there are no strong forces opposing it."

At the same time, the giant of the book publishing industry, the Jewish owned MacMillan Publishing Co., issued a new policy statement declaring that "today's equalitarian standards" must set the guidelines for future textbooks. Henceforth, authors and illustrators must "maintain sexual and racial balance in every item we publish."

So Foul We Can't Tell Full Story

Many of the books pouring out of the publishing industry in New York City are so obscene and just plain nasty that those who oppose them cannot go on T.V., radio, or use the press to show how bad the situation really is. The Thunderbolt cannot go into detailed quotes or reproduce illustrations from these books because we do not want to be purveyors of such vile filth ourselves.

Parents must investigate themselves and then bring these matters before PTA groups and your local board of education so that such objectionable material can be removed from your child's required study list.

"Soul on Ice" by negro Marxist Eldridge Cleaver, now awaiting trial for revolutionary activity, is actually required reading in many of the nation's school systems. It is recommended reading and available in almost all school libraries in the larger cities. "Soul on Ice" is a deliberate debasement of the White Race. It is designed to make White people feel self-guilt because negroes were once slaves and have never been able to raise themselves to the economic level of the White race.

Our children are never taught that the negro has an inherited I. Q. some 15 to 20 points lower on the average than Whites. Also, our children are not taught in the schools that the slaves in America over 100 years ago enjoyed a higher

WHY WE OPPOSE FORCED BUSING

1) Busing leads to more integration and socializing between the races.

2) "As the twig is bent so grows the tree" and White and black children who grow up together will often date each other.

3) Blacks and Whites who date, dance, and play together will intermarry.

4) Negro genes are dominant over White genes at a 4 to 1 ratio. That is why the offspring of a mixed couple always look like the black partner.

5) The Thunderbolt has proven many times over that negroes are a primitive, low I. Q., backward race. Intermarriage lowers our race to their level.

6) The White Race is the world's true minority race as we are only 1 in 10 out of the total world population. Massive interbreeding of the two races would result in our White race vanishing in a sea of color.

7) We believe that it is the first law of God and nature that we, by instinct, must work for the survival of the White Race. The only way that this can be done is to follow God's law to "stay unto our own kind." Join the NATIONAL STATES RIGHTS PARTY if you agree with this stand!

standard of living than does the average negro living in the black ruled countries of Africa today. In other words, the slaves and their descendants who now enjoy the welfare state provided them by the Whites are ingrates. Instead of being thankful for all that the White people have done for them, a majority are jealous and resentful toward Whites. This has bred a vicious hatred especially among young blacks and is partially responsible for the negro crime against Whites.

In "Soul on Ice" Eldridge Cleaver brags how he repeatedly raped White girls to "get even" with the White Race. One paragraph that is typical reads:

"I became a rapist. To refine my techniques and modus operandi, I started out by practicing on black girls in the ghetto . . . and when I considered myself smooth enough, I crossed the tracts and sought out White prey. I did this consciously, deliberately, willfully, methodically. Rape was an insurrectionary act. It delighted me that I was defying and trampling upon the White man's law, upon his system of values, and that I was defiling his women."

The Los Angeles Times has quoted Cleaver as openly advocating the violent overthrow of the U. S. Government. Referring to America he has stated that "our job is to destroy Babylon." Cleaver has declared: "I hope you'll take your guns and shoot judges and police."

This is mild compared to the rest of the book, but is this "literature"? Our children should not be debased by school teachers who require them to read it. The following is more from Eldridge Cleaver and actually typical of the immoral way of life most negroes lead. We do not want our children

WHAT IS REALLY BEHIND BUSING?

The man who first came up with the idea of forced busing to mix the races is Prof. James S. Coleman. While a sociologist at the University of Chicago 10 years ago, he dreamed up the idea of busing children and it was called "The Coleman Report." Now today he admits that his plan was actually to br-

ing about interracial marriage throughout the nation.

Prof. Coleman has openly stated "racial intermarriage should be encouraged in the schools." He stated that White flight from negro dominated cities is caused not only by busing but by negro crime in the cities. Coleman said what other pro-busing advocates feel but are afraid to admit.

Coleman said: "My point is that integration of schools and society itself is dependent upon well intentioned White liberals. Unfortunately this element is moving to the White suburbs more quickly than the working class. Racial intermarriage must come from the liberal segment of our community. Racial intermarriage would create a reasonably large group of persons (mongrels) at the very level of the home who would have a vested interest in the future success of racial integration."

What the cunning Coleman advocates is the creation of a new mongrel mulatto race in America which would work hard to make mix breeds out of all others. Such people are often the most revolutionary of all

studying such writings as the following Cleaver quotation; "All that is good and commendable now existing would continue to exist if all marriage laws were repealed tomorrow... I have an inalienable constitutional and natural right to love whom I may, to love as long or as short a period as I can, to change that love every day if I please!"

It was not long ago that we thought obscene four letter words were mainly confined to scribbling on lavatory walls or graffiti confined to ghetto areas. Now it is right in our school textbooks and approved by our boards of education.

Many of the authors are outright communists and their writings are plainly anti-White, inflammatory, obscene, promote drugs, disrespect of parents, glamorize prostitution and overall moral degeneracy.

The murderer George Jackson's book "Letters From A Soledad Brother" is published by Houghton Mifflin Company of Boston. Jackson's book states that "Whites are the arch-foes of my kind" and calls on blacks to form "a revolutionary group with guns to help the war effort." Our children are actually taught that the White Race is so "evil" that blacks are justified in any act they perpetrate against our people. Another reason for the crime explosion in America: it is coming right out of our schools!

The time has come for us to examine every book our children are required to read, and there are some 350 objectionable books according to those who have studied this problem in depth!

Another degenerate book offered to our children is "Interaction" published by the Houghton Mifflin Co. It quotes Jewish poet Allen Ginsberg, who is an open drug advocate and sex pervert. The book quotes Ginsberg as follows:

"First, there was this chick I already knew, who first turned me on to Benzadrine inhalers. A tall, red-headed chick. She had been mainly a whore, actually, with very expensive johns, who would pay her a hundred dollars a shot. And she was a very lively chick who took a lot of pot... I had a special regard for her because she really put herself out to straighten me out and here she was like a big, expensive, whore."

We do not have to ask you if this is proper study material for our children in school.

radicals because they know that they do not belong exclusively to either race. Often they are rejected by full blooded blacks just as they are not accepted by Whites. This drives them toward a vicious circle of racial agitation for the amalgamation of all races.

The late Arnold Toynbee stated that America had but two roads to follow on the race issue. One would be a nation controlled by the White Race which founded it. The other would be a multi-racial society in which either the White race would accept voluntarily intermarriage. Otherwise White people must be prepared to face a situation of continuous racial warfare.

It is a simple fact of life that when the blacks know who is the "boss" there is respect and obedience on their part — so long as the Whiteman's rule is absolute and unchallenged. In the Southern states of America there was very little crime just 25 years ago. The subservient negro acknowledged the White man as his "master." Today the situation is reversed. The negro has been given total freedom and every welfare and poverty aid program imaginable.

He now believes that he is the "bossman" over the White and is

in constant rebellion against us with a new demand replacing every one agreed to. For this reason the negro is "out of control" and a dangerous threat to a peaceful society as well as to the maintenance of White civilization itself. In Rhodesia and South Africa they face the same problem. Actually the Negro is more under control in Rhodesia than in South Africa due to the weak and compromising attitude of the Vorster (South African) government. When the Whites are resolute there is no question as to who shall rule. That is why 280,000 Whites in Rhodesia have no trouble at all controlling over 6 million blacks.

PLAN FOR THE FUTURE

We do not look for the restoration of segregation as existed in the past. We of the National States Rights Party have a program designed for the future survival of the White Race and one which will insure that this state of racial warfare will not just go on indefinitely. We know that if the negro race remains in our midst under integration or segregation there will always be degenerates and race traitors within our own race who will degrade their own souls and mate with the negro. Facts On Jews And Busing

Undeniable Proof That Jews Are Behind Busing

Now that we have disposed with the myth about any opposition to forced busing by the vast majority of Jews and their real organizations, we shall now show that Jewish groups are the main leaders pushing forced busing. First we must remember that Jews have been able to isolate their own children from the effects of forced busing. They can afford exclusive private schools and live in wealthy neighborhoods not touched by busing. Only a tiny number of poor Jews get trapped into busing and even most of them support it despite the danger to their own children.

On this page we reproduce from the "Southern Jewish Weekly" of Oct. 24, 1975, the most authoritative voice of Jewry in America. Here Dr. Frederick Lachman, Editor of the "Jewish Encyclopaedia," responds to the question: "What is the history of Negro-Jewish relations in the U.S.?"

Please study his answer closely because it reveals explicit detailed information on the history of the court fight to force integration in the public schools. Lackman replies that, "in the 1954 U. S. Supreme Court school desegregation decisions... specifically Jewish leadership played an important part in defending and helping the blacks. They were also active in the leadership of the original radical black organization, the NAACP."

Lachman goes on to tell of the multi-millionaire Jew, Julius Rosenwald, whose family once owned "Sears & Roebuck" who gave millions to negro causes.

brother's keeper and it is our duty to protect the White Race from the worst of our own kind. For that reason the NSRP has adopted a "Back To Africa Program" which would resettle all blacks in America back in their native homeland of Africa.

Foreign aid, homes, jobs and money would be used to help set them up in Africa. Actually the situation may come to pass whereby the White people of Rhodesia and South Africa are forced to leave their homeland and give up the great civilization they have developed. Then perhaps we can arrange to swap their Whites for our Blacks? There are many things which can occur in the future to solve this growing racial conflict. We have a 25,000 word program which is humane in every way that would put into effect the repatriation programs of such leaders as Abraham Lincoln and negro Marcus Garvey who both wanted all blacks in America given a new nation of their own in Africa. We believe that we have the one and only solution to the race problem. It is written by the eminent Attorney, Drew L. Smith of New Orleans who also wrote the book "Legacy of The Melting Pot." The "Back To Africa Program" is available from The Thunderbolt.

Jews Lead Fight For Minority Rights

RABBI BRIAN FOX

Jews have become prominent in civil rights movements because of the bigotry against minority groups says Rabbi B. D. Fox of Melbourne.

Jews were leaders in civil rights movements in the United States and led the fight for women's rights in Australia he said in Auckland yesterday.

Rabbi Fox, Associate Rabbi at the Temple Beth in Melbourne, is touring New Zealand as the guest of B'Nai B'Rith as part of a national programme to foster understanding of the Jewish religion.

Emphasizing the bigotry that still persists against minority groups, he said

One of the problems today was that anti-Zionism had replaced anti-Semitism.

"Those who hated Jews are now able to channel their hate — conditioned by thousands of years of tradition — into anti-nationalism," he said.

The key here is Lachman's admission (never mentioned in the daily press) that Jews were the main founders of the NAACP. They provided the leaders, brains and money behind the first pro-communist organization dedicated to mixing the races. The well known "Red Rabbi" Stephen S. Wise was one of the original founders of the NAACP. So were the two millionaire Jewish brothers Joe and Arthur Spingarn. Joel became the first president of the NAACP, serving from 1930 until his death in 1940. His job was then taken over by his brother, Arthur B. Spingarn, who served as NAACP president from 1940 until his death in 1966. Succeeding him that year was Jew Kivie Kaplan, a millionaire shoe manufacturer from Boston, who served as president from 1966 until his retirement in 1975 — JUST LAST YEAR!

Just ponder about that for a moment. For 45 years no negro ever served as president of the NAACP — only millionaire Jews held down that powerful post! This was the period during which all of the legal suits, hundreds of them were filed in federal courts by Jewish lawyers and eventually brought down legal segregation. Remember that since 1954 the Jew Jack Greenberg has always headed the NAACP Legal Defense Fund.

Our time honored tradition of separation of the races as established by our ancestors to protect our blood line against interbreeding between the races was deliberately dismantled by the Jews. Everyone knows that when Whites and blacks mate their offspring are predominantly negroidal. The genes of the blacks are dominant at a 4 to 1 ratio over that of Whites. Therefore they do have the "Black Power" to breed our descendants down to their primitive level but we do not have the power to breed them up into White people. White people are also a small minority of the overall population in the world. We are about only 1 out of 10 and by 1980 will be only 1 out of every 16 people in the world. It is our race that faces physical ex-

inction AND THAT IS WHAT THE ISSUE OF BUSING IS ALL ABOUT!

The National States Rights Party stands for the preservation of the White Race. Jewish organizations stand for busing which naturally leads to socializing between the races. The ultimate goal of all this is interbreeding of the races and the resulting DOWNBREEDING of the White Race.

Note the April 4, 1976 dispatch from the New York Times on this page where the daughter of the late Rabbi Stephen S. Wise, a founder of the NAACP, states before the largest Jewish national organization, "The American Jewish Congress that the ideas of the NAACP and the American Jewish Congress were common efforts."

This so-called common effort can only result in interracial marriage between White Christian youths and negroes. Jews go to extreme lengths to seal their offspring away from mixed marriage situations. They tell their own kind to only wed Jews. The Jews are the only religion in the world which does not solicit converts and does not want anyone not of the Jewish race.

This is not just a problem in America but a worldwide assault upon the White Race and in every case it is led by Jews! On this page also we reproduce an article out of "The Star" of Aug. 7, 1976 which is a daily newspaper in New Zealand. On page two there is an important article about the arrival of a Rabbi Fox from New Zealand. Rabbi Fox is quoted in the headline that "Jews Lead Fight For Minority Rights!" Note that the Rabbi brags that it is "Jews who were leaders in civil rights movements in the United States". He says that Jews must fight "bigotry" because it exists in Australia and New Zealand.

ALL JEWISH GROUPS SUPPORT FORCED BUSING

Jewish Group Backs Busing

LOUISVILLE, Ky. (AP) — President Ford's proposed antibusing legislation "represents a retreat in school desegregation," according to officials of the National Jewish Community Relations Advisory Council.

School desegregation "is a long struggle we've been carrying on since the Brown decision in 1954," Albert D. Chernin, the council's executive vice chairman, said here.

Chairman Theodore R. Mann said the council "is supportive of all legitimate means" of achieving school desegregation. "If a court concludes that busing is needed to achieve desegregation, the council is supportive of busing," Mann said.

George Foss, president of the Los Angeles Chapter, American Jewish Committee, said the committee reaffirmed its support of "an integrated society" and opposition to any legislative action against busing. This means, he added, the board's resolution "is not consistent" with his organization's policy.

Posner's group issued a similar statement. Its long-standing position, he said, is that "we approve of it (busing) when it is the most effective or only feasible way" to achieve desegregation.

Both Jewish groups said they firmly stand behind the court if its decision necessitates busing. The board's resolution also means the board would comply with the court's decision, Miller and Mrs. Rice have said.

Harvey Schechter, executive director of the southwest region of the Anti-Defamation League of B'nai B'rith, said that in view of this, "the resolution and big debate is academic." Posner's statement was endorsed by the league.

L. A. Jewish Groups Back Busing

BY JACK McCURDY
Times Education Writer

A number of leading Jewish organizations took exception Thursday to the Los Angeles Board of Education's antibusing resolution and reaffirmed their support for school desegregation, including the use of busing if necessary.

It was a coalition of black and Jewish community leaders which was reportedly instrumental in Miller being appointed to a vacant seat on the board last month.

Posner is executive director of the community relations committee of the Jewish Federation Council of Greater Los Angeles, an umbrella unit for many Jewish groups.

By Dr. Edward R. Fields
This newspaper has been one of the leaders in bringing to the American people the true facts as to exactly what racial group constitutes the foremost promoters behind forced busing. In every city where we have spread this message we have been opposed by a small group always connected with the John Birch Society.

In Louisville this group is headed by Bob Deprez who publishes what purports to be an anti-busing newspaper called "N.A.P.F." Its main editorial theme is that race has nothing to do with busing. Deprez also attacks any one who dares to bring up the Jewish presence behind the pro-busing forces. In Boston we are faced with a similar small clique, also following the Birch line, that the race issue is not involved in the busing problem.

Our front page article this month proves beyond the shadow of a doubt to any fair minded person that busing has nothing to do with obtaining "equal education" for blacks. We document precisely that it is designed to bring about racial intermarriage and the mongrelization of the White Race.

This article is for the purpose of rebutting the absolutely false charges by Deprez and his Boston Birch connections who claim that the Jews are not the primary force behind busing and racial integration of White Christians.

Here Is The Evidence

On this page we reproduce an Associated Press dispatch right out of Louisville, Ky., in which the Jewish community leaders themselves denounce President Ford's election ploy that he is

against busing. Please note that the statement from the "National Jewish Community Relations Advisory Council" is a group which represents all recognized Jewish organizations in Louisville and all major cities. They clearly states that they are against any "retreat" from court ordered "busing . . . to achieve desegregation" and explicitly add "the council is supportive of busing!"

To offset any harm this would cause among Christians, the "Jewish Anti-Defamation League" will do anything to counter the public awareness of the Jewish force behind busing. The "Jewish Anti-Defamation League" finds a handful of their race to 'pretend' that they are against forced busing. Usually they are Jews who have businesses in anti-busing communities and they realize that to keep their customers and prevent anti-busing protestors from becoming "Anti-Semitic," they must feign opposition to forced busing.

On this page we reproduce an article out of the March 5, 1976 issue of the Los Angeles times. It concerns the three main Jewish organizations supporting busing for that city. Note that they include the "American Jewish Committee," the "Jewish Anti-Defamation League," the "Jewish Labor Committee" and the group called the "umbrella unit"

for all smaller Jewish groups, "The Jewish Federation Council of Greater Los Angeles," all support forced busing.

Working with one splinter anti-busing group in Boston, and the Jewish ADL, Bob Deprez published a copy of a Boston anti-busing suit supposedly filed by three completely unknown Jewish organizations. Deprez and his cohorts in Boston used this ruse to tell anti-busing demonstrators, "look — see, this proves that Jews are also against busing!"

Your editors checked up on Deprez's so-called Jewish groups and they are not members of the "Presidents of Major Jewish Organizations" group or even listed with the local "Jewish Community Council" in Boston. The truth is that they were totally phony groups with Jewish sounding names but no Jew members to speak of. They were letterhead fronts that Bob Deprez and his cohorts in Boston were able to use to fool the people and thus defuse the Jewish issue from the anti-busing fight. The Jewish Anti-Defamation League cooperates because they could easily go to the press and tell them that there are no "recognized" Jewish groups opposing busing. The daily press aids and abets this situation by concealing from the general public that such fake groups are nothing more than sham letterhead fronts.

STORY WOULD STOP ALL GIRLS FROM HITCH HIKING

On this page we reproduce another "unbelievable" story. This news should have been published on the front page of every daily newspaper in America. It frightens this editor every time I see White girls hitch hiking because I know that they do not realize what great danger they are in.

I believe that if the news wire services would carry this story from "The Detroit News" you would never see another White girl on the streets hitch hiking EVER AGAIN! The daily press is suppressing such news and thus our children are not on guard. For this reason murders and rapes are needlessly taking place daily. The Daily Press is in part to blame because they have shirked their obligation to carry the news that would alert the general public to this great danger.

Kidnaped For Sex

By RICHARD WILLING
News Staff Writer

Five east side Detroit men have been charged as part of a "white slavery" ring which allegedly kidnaped two teen-aged hitchhikers, ages 14 and 15, and forced them to work as prostitutes for 10 days.

The five suspects, all residents of the Gratiot-McDougall area where the ring allegedly operated, were arraigned yesterday and last week on a variety of charges ranging from conspiracy to pander to assault to rape. All five are being held on high bonds for preliminary examinations Friday and Aug. 4.

The story, as alleged in warrants against the five and investigators' reports, goes this way:

The girls — longtime friends, one who lives in suburban Warren and the other from Winnipeg, Manitoba — were completing a cross-country hitchhiking expedition from Winnipeg to the Detroit area July 7. While walking on Gratiot, near McDougall, they were approached by a pair of young black men who told them the area was controlled by the Errol Flynn, a violent black youth gang, and that they would need "protection."

The girls were also forced to perform sex acts with each other to entertain Stockdale's guests, police say.

Police said the girls escaped Saturday, July 17, with the aid of Stockdale's girl friend when Stockdale and Leroy Rias and Barry Burns, 29, who are also charged in the case, left town for the weekend.

The men offered to give the girls, both of whom are white, a ride to a relative's home in Warren.

"They were, I guess you could say, naive," said Sgt. Ronald Stewart of the Sex Crimes Unit. "They went with them."

The naivete turned to terror when the girls reportedly were taken to a nearby house, menaced with a gun and allegedly raped and sodomized. They said they were then taken to Ray's Marquis Lounge on Gratiot where they were allegedly "sold" to two other men.

Police have identified the two young "samaritans" as Dillingham Beavers and Theodore Pickens, both 20. They are each charged with four counts of first-degree criminal sexual conduct, which carries a maximum sentence of life imprisonment, and are held on \$10,000 bond each pending preliminary examinations Friday.

Police charge that the girls were then taken by their new captors to a house at 2637 Gratiot and confined to the attic for 10 days, fed sparingly and forced to have sex with the house's occupants and with a steady flow of paying customers.

The girls were also allegedly threatened by the pistol-wielding owner of the house, identified by police as Edward Lloyd Stockdale, 31. Stockdale once allegedly beat his 22-year-old girl friend to impress them with his meanness.

Inside Judaica

Insights on questions of Jewish interest by Dr. Frederick Lachman, Executive Editor, Encyclopaedia Judaica

QUESTION: WHAT IS THE HISTORY OF NEGRO-JEWISH RELATIONS IN THE U. S.?

ANSWER: According to the authoritative Encyclopaedia Judaica, it was not until the 20th century that U. S. Jews played a substantial role in the struggle to protect the civil liberties of all U. S. citizens. In part, this was clearly to protect their own rights, but it was also a defense of the values of democracy and liberalism.

Up to the 1954 U. S. Supreme Court school desegregation decisions, white, and specifically Jewish, leadership played an important part in defending and helping the blacks. They were also active in the leadership of the originally radical black organization, the National Association for the Advancement of Colored People. Julius Rosenwald, an advocate of Booker T. Washing-

ton's philosophy of gradualism, underwrote 25 black YMCAs, was a trustee of Tuskegee Institute, and gave many millions for public schools and model housing for blacks. Jewish commitment to the anti-Washington wing of the NAACP, which fought for immediate full, legal equality, is exemplified in the work of Joel E. Spingarn and his brother, Arnold B. Spingarn, presidents respectively, of the NAACP (1930-39; 1940-66). Louis Marshall and Rabbi Stephen S. Wise were also prominent among the early leaders.

Soon after the 1954 Supreme Court decisions, the objectives of the blacks in the U. S. altered significantly and the demand for equality became more actively an effort to obtain social, economic and political equality. This new thrust, says the Judaica, became particularly significant for the Jewish community when, in the early 1960s, black students began a highly active civil rights movement. This movement gathered to it many young Jewish college students. During this period Jewish student activism spread from involvement in Southern action to the Northern Ghettos.

Most Hideous Crimes In History Censored By News Services

DAILY PRESS SUPPRESSES WORST CRIME WAVE IN HISTORY

The American public is being kept in the dark about the most fiendish crime wave in the nation's history. Negroes are committing nearly 70% of all murders nation wide and in the major cities this figure jumps to over 90%. This has dramatically risen as welfare and poverty aid programs increased. The following are news reports which were published only in the localities where these atrocities took place. The Jew-controlled news wire services head-quartered in New York City did not carry this news to the rest of the nation. For this reason, the vast majority of our people are led to believe that these are isolated incidents which only occur where they live and is not part of a growing pattern of jungle like violence spreading all across this land. The following represent just a small portion of the news reports mailed to us by our subscribers from throughout the nation.

Victim Eyes Shot Out

Chicago was the scene of the savage attack. Mr. Nicholas Comito, 58, was the last White living on W. Ohio St. in Chicago. Recently, he was mowing his lawn when two negroes asked him for his money. He explained that he was not carrying any. Negro Henry Jenkins, 17, of 5930 W. Race Ave. shot Mr. Comito in the chest. Then he stood over the prostrate man and shot out both his eyes. Police Detective Ronald Branum said this appeared to be "outright meanness." Mr. Comito lived, but will be blind the rest of his life. His wife, Mary, said they had recently talked to a real estate agent about selling their home in the Austin neighborhood which has been blockbusted and taken over by negroes. She added: "What's this country coming to when a man can't even go out and mow his lawn without getting shot?"

NEGRO RAPES AND STRANGLES THREE WHITE BOYS

Flint, Michigan, was the site of one of the most bestial homosexual murder rapes we have ever heard of. Negro Kenneth Nard, 17, was arrested and charged with strangling young Mark Mellendorf, 11, and Scott Hardy 12. The two White children had been raped by Nard and then strangled. He then tossed their bodies into Tody Lake. Nard apparently hoped to make the crime

appear to be an accidental drowning. After Nard's arrest items belonging to Jeffery Wade Walters, 15, were found linking him to a third terrifying murder. Jeffery's body was discovered two weeks earlier. His body was discovered five miles from the other two murders. He also had been raped and strangled. Nard's cousin, who lives across the street from him told reporters, *Kenneth is real nice and friendly. I've never seen him angry.* Thus, he was able to befriend and murder the three young White children. If Nard had been White, this atrocious story would have made front page headlines in every newspaper in the nation.

KILLER OF 9 ELDERLY WHITE WOMEN GETS 25 YEARS

New York City was the courtroom scene of the conviction of negro Calvin Jackson, 28, who was convicted of murdering 9 White ladies. They lived in the Park Plaza Hotel which caters to Social Security recipients. This is where eight of the murdered women lived. He ransacked their living quarters and took whatever valuables and money they had.

Jackson's lawyer was the Jew Robert Blossner who asked that he be given "life". This

would make the mass killer eligible for parole after 15 years. Blossner pleaded that *"this youth's future should not be prematurely shackled from consideration by the parole board."* The

Is it any wonder the people of Chicago's Marquette Park want to keep this criminal element from invading their law abiding White community?

Just one more case of a child walking home alone. If White people everywhere knew just how dangerous it is to leave your children playing or walking in an area inhabited or frequented by negroes, then some of these brutish murders might be prevented.

CHILD, 8, THROWN TWICE FROM BUILDING

Cleveland, Ohio is the site of another unspeakable and senseless murder. Four teen age negroes took 8 year old Karen Kollar to the roof of a three story building and threw the little girl from the roof twice attempting to kill her. Still living, the blacks stoned the defenseless child to death. If there was ever an animalistic murder, this is it.

The time has come for the American people to be warned that negroes are dangerous. The number of heartless murders being committed against Whites purely out of sheer hatred for our race is rising daily. It is our duty to make this frightful news public so that Whites can be on guard!

Rhodesia Can Defeat Communist Guerrillas

U.S. AND RUSSIA WORK TOGETHER TO DESTROY RHODESIA

The United States stood by and did nothing when Russia sent thousands of communist Cuban troops and tons of arms to seize Angola. The Soviet Union also took over Mozambique without even a protest from Ford or Kissinger. Today, Rhodesia and South Africa find themselves surrounded by Marxist guerrillas under Cuban leadership. Instead of trying to help our racial kinsmen in holding the line against the spread of communism in Africa, our "leaders" have joined with the Soviets to bring the White civilized regimes to their knees.

Today, the U. S. Government is sending \$40 million in aid to the communist forces in Mozambique. The National Council of Churches is sending millions they have falsely raised in the name of "missionary work" to actual communist guerrilla forces lying in wait to attack and kill White Rhodesian, men, women and children. The Jew Kissinger recently promised black rulers in Africa that "the U. S. will use its political and economic weapons to bring black majority rule in Southern Africa." At the same time, Jimmy Carter has echoed Kissinger and has promised negro voters that he too would do all within his power to turn Southern Africa over to Black Power radicals.

Perhaps the most radical anti-White, so-called, "religious" group in America is the "United Church of Christ." This outfit operates under the mask of religion, while seeking to subjugate White people under negroes both here and abroad. The United Church of Christ has charged that Mobil Oil Co., has been violating U. N. sanctions against trading with Rhodesia and now has that company under investigation by the U. S. Treasury Dept. The Treasury is in charge of enforcing U. N. rules banning American firms from trading with Rhodesia.

In conjunction with the joint U. S. and Russian moves to strangle Rhodesia, the U. N. has moved quickly to tighten the screws on our beleaguered White brothers and sisters in Southern Africa. The U. N. has voted further punitive measures against Rhodesia. The new international sanctions will ban insurance companies from insuring any products being shipped into or out of Rhodesia.

The new ruling will also ban any industrial or commercial firm from allowing any representative in Rhodesia from using its trade mark or registered name. No company will be allowed to set up a franchise in Rhodesia. England and America joined Russia in voting approval of this monstrous agreement. Japan and Switzerland will mainly suffer because they have been aiding Rhodesia in bypassing U. N. sanctions.

Communist Russia has taken direct control by use of force of three Black African countries. This is part of the plan to conquer all of Africa. Still the U. S. continues sending grain, financial loans, fertilizer and industrial equipment to build the communists ever more powerful! At the same time, two peaceful White countries which have never harmed anyone are being strangled under the might of the joint U. S. and U.S.S.R. axis which seeks to subjugate the entire world under the heel of communism. Readers should keep in mind the simple fact that our Federal Government is saturated with Marxists, and thereby our foreign policy is pro-communist and anti-communist. "Detente" means the building up of world communism. Jimmy Carter is surrounded with the same Marxist element and is pledged to continue detente.

Many large U. S. business firms have their executives sitting on the board of the Urban League. This is an organization dedicated to quota hiring of blacks and the promotion of blacks over Whites by private business. It is a dangerous organization which has done much to make second class citizens out of White workers by giving blacks special privileges. Big business gives them first consideration in all job placements. It should be noted that the Urban League, a private race-mixing club for millionaires who enjoy socializing with negroes, is a member of the "Community Chest" or "United Fund" in most cities. White workers are thus forced to finance their enemy. Membership in this Urban League includes such giants as General Motors, Xerox, Rockefeller's Chase Manhattan Bank, Firestone, Union Carbide, I.B.M. and Goodyear. Some 350 American firms with investments totaling \$1.5 billion in the Republic of South Africa have agreed to begin upgrading negro employees there in defiance of South Africa's "Apartheid" segregation laws.

Rhodesia Can Fight & Win

If the Federal Government would cease its economic war against the White people of Rhodesia, they could easily win their fight. Rhodesia displayed its military strength by answering attacks by guerrillas from their sanctuary in Mozambique. A combined air and land attack upon a communist guerrilla base well inside Mozambique, left 300 of the enemy dead and tons of supplies destroyed or captured. Cuban troops in Mozambique have had little success leading the bush recruited blacks in attacking White Rhodesians.

Rhodesia maintains a standing army of only 5,000 men. This country of 280,000 Whites and over 6 million blacks is not afraid to do battle with the negro forces. Rhodesia has reserves which include 25,000 "territorial reservists", armed farmers, and settlers in outlying areas, and 20,000 paramilitary police in the cities. Practically every able bodied man is ready to fight in defense of his country on a moment's notice.

Black nations have talked long and loudly about sending a combined force numbering hundreds of thousands of blacks swarming

across Rhodesia to overwhelm the Whites. Thus far, this has all been idle talk and no move has been taken because the Whites know that a strong counter-attack would scatter the blacks no matter how numerous they might be. South Africa had the blacks and Cuban communists on the run in Angola up until Kissinger and company put pressure on them to give up that vast mineral rich land to the Reds.

Leftist Sean McBride of Dublin, Ireland, who has been appointed by the U. N. to be commissioner for Southwest Africa (a former German colony) if South Africa can be forced to surrender it, predicted that the communist forces of Angola and Mozambique will destroy "the Ian Smith Government in four to six weeks." That was on Feb. 18, 1976. He added that the Chinese, Soviet training and arming of black guerrilla's in Mozambique would create an irresistible force. Well that predicted timetable has long since passed and the Whites are stronger and more confident than ever.

The communists and the blacks know that Rhodesia and South Africa can never be defeated unless Great Britain and America do the job for them. They hope that our economic sanctions will give them the victory their easily frightened negro troops cannot deliver. It has been 10 years since this former British colony of Rhodesia declared its independence and the worldwide sanctions thus far have not wrecked that country. Her economy is still strong and vibrant. Goods of all kinds are plentiful. Threatened from all sides, the following facts should be made known to all those interested in the truth.

- 1) The standard of living of Blacks in Rhodesia is ten fold higher than that of their kinsmen living under despotic Black Power governments.
- 2) There has not been one single act of urban terror or even passive resistance (such as a strike) by Rhodesian negroes in the last three years.
- 3) Far less than 1 per cent of Rhodesian blacks have gone to Mozambique to join the communist trained guerrillas.
- 4) If the Whites left Rhodesia there are two rival tribes who would war with each other to determine which would rule.
- 5) Salisbury is one of the most modern cities in the world with productive mines, industrial projects, modern communications, and highly efficient businesses which would cease to function should the Whites be forced out.
- 6) Rhodesia is a free democratic "oligarchy" which would turn into another communist slave state should the Whites be defeated. (All of the 47 black nations in Africa are brutal dictatorships.)

The Rhodesian blacks are in no way united in their attempts to rule. Writer M. T. Kaufman of the New York Times recently returned from Rhodesia and had to admit that while most blacks would like to see their race ruling Rhodesia, they fear there will be no jobs for them if the Whites leave. Kaufman quoted one leader as saying that the vast majority of the native blacks "are trying to stay neutral between the Whites and the terrorists. The family man, the negro with cattle, and standing, really wants nothing to do with the guerrillas. The terrorists are bad. They are trying to kill us and the government." The two black nationalist tribal factions in Rhodesia are headed by Joshua Nkomo on the one hand, and Ndabaning Sithole on the other. They have never been able to agree on how they would rule the country should they come to power. The result would be another blood bath as Angola experienced with the communists solving this problem for them.

The ingenuity of the White Race in its unique ability to create civilization out of the jungle has brought great benefits to the Blacks of Africa. Marxist Jews in Washington, Moscow, and Tel Aviv would like to see all this wrecked, out of their hatred for the White Christians. Left alone the Whites could defeat all of the black armies of Africa combined. They could liberate all of the communist occupied countries in Africa. Their greatest enemy is not Russia or even the U. N. but radical Marxist Jews such as Kissinger who illegally uses the powers of our government to enslave our White brothers in Southern Africa.

This struggle for freedom and civilization is much more important than even the Vietnam War which would easily have been won if it were not for the subversive "Detente" policy of Kissinger. The besieged Whites of Rhodesia and South Africa are our blood brothers and we have a duty to come to their assistance. We must not stand idly by any longer and allow alien, anti-Christian despots, such as Kissinger to misuse the powers of OUR great Republic to destroy our brothers and sisters in Southern Africa. One thing which we can do right now is to support Sen. Harry Byrd of Virginia in his fight to retain the Byrd amendment which allows the importation of chrome and nichol from Rhodesia. Last year alone, we imported over 30,000 tons of this valuable ore from Rhodesia. Kissinger wants even this last trade outlet sealed.

Prime Minister Ian Smith has declared that his people will not surrender but are ready to stand and fight for what they have built and belongs to them. He stated: "We may lose in the end, but I think it's better to lose while you're standing and fighting than crawling out on your knees. And I believe that is the philosophy of the Rhodesian people."

LET ONE AND ALL KNOW THAT WE STAND BEHIND THE STRUGGLE OF OUR RACIAL BROTHERS IN SOUTH AFRICA AGAINST COMMUNISM AND FOR FREEDOM!

THE RHODESIAN calvary scatters negro guemillas easily.

SOUTH AFRICAN AMBASSADOR INSULTED

South Africa's Ambassador, R. F. Botha, was invited to speak at the Methodist American University in Washington, D. C. Two nights earlier Iowa's radical Sen. Dick Clark had delivered a bitter anti-South African speech there.

After Mr. Botha spoke, he was followed by Donald Morton, now employed by the pro-communist, United Church of Christ. Morton insulted Mr. Botha by calling him a "so-called ambassador" and ended by calling him a "liar." During questions and answers, Morton admitted that he had been "unfrocked" by his church in South Africa for stirring up negroes against Whites and was deported from that country.

The next speaker was negro Glen Ford of the Mutual Black Network. He charged that the Ambassador represented a "pseudo-government of racist barbarians." He then walked out without replying to questions. Mr. Botha was more than able to hold his own in replying to questions despite Methodist seminary students' attempts to shout him down. With dignity Mr. Botha stated that "In South Africa we don't treat guests like I have been treated tonight."

The hostility given Mr. Botha from many students training for the Methodist ministry gives one pause for thought. Here is an example of what is wrong with the men coming out of such institutions and into our communities to preach "social science." Actually, they are not men of God but are preachers for Karl Marx!

GENOCIDE TREATY WOULD BAN CRITICISM OF MINORITIES

Latest reports from Washington indicate that the Senate will vote on the controversial "Genocide Treaty" right after the November elections. This gives Patriots about 10 more weeks to write their U. S. Senators to vote against the Genocide Treaty. "The Thunderbolt" has waged an intensive campaign against its adoption. Three Senators who formerly indicated they would vote for the Genocide Treaty have now announced their opposition to the measure due to the mass letter writing campaign from our subscribers. **IMPORTANT:** Remember that only the Senate votes on international treaties so only write letters to Senators.

What Is The Genocide Treaty

The Genocide Treaty was adopted by the United Nations immediately after WWII. The general public is told that the treaty makes it an international crime to "destroy, in whole or in part, a national, ethnical, racial or religious group." No one argues against this but buried in the body of the treaty is the trick catch-all phrase making it a crime to cause "mental harm" to members of any minority group!

Sen. Sam Ervin (retired) from North Carolina, who has strongly opposed the Genocide Treaty states: "If the convention is ratified, article II (b) of the U. S. Constitution would impose upon the United States the duty to prevent, prosecute, and punish public officials and individuals who cause 'mental harm to members' of any of the four groups named in the convention. What mental harm means in this context is totally incomprehensible and what psychological acts or omissions are made punishable in this context are left in obscurity."

It should also be noted that when the United Nations first debated the original Genocide Treaty, it included wording banning the destruction of "political" groups. Communist Russia strongly objected and the final draft deleted this wording. Therefore, the Soviet Union has signed the Genocide Treaty and today continues the practice of destruction of all dissenting political groups!

If the Genocide Treaty is adopted by the Senate, (it takes a two-thirds vote of those present and voting in the Senate Chambers) leftists will be able to twist this mental harm provision to make it apply to almost any type of criticism of minority groups. Remember that the White majority would not be protected and the attacks, insults, and debasement of the White Race will continue.

Even the Supreme Court's decision of 1954 in the "Brown

Jacob Javits Says Only 4 More Votes Needed

GENOCIDE TREATY SAID TO BE NEAR

Washington—Sen. Jacob Javits, R-N.Y., said the Senate is no more than four votes away from approval of a long-pending international genocide treaty. Javits testified before a House subcommittee hearing on the treaty. He said the turnaround of the American Bar Association on the treaty to a favorable position would have a considerable impact on the Senate.

vs. Topeka Board of Education" case which outlawed segregation of the races in the public schools declared that it did "mental harm to members (negroes) of the group." The court also stated that separation of the races "may affect their (black) hearts and minds in a way unlikely ever to be undone . . . and has a tendency to retard their educational and mental development."

Therefore, the courts in the future could even stretch the issue to proclaim those who argue scientifically for preserving the White Race cause "mental harm" to minorities!

It should be noted, that the chief promoters behind the Genocide Treaty, such as Sen. Proxmire, Javits, Clark and Scott are in the vanguard of the fight to force primitive negro rule over the White people who built the great civilization which today exists in Rhodesia and South Africa. Is this not a form of Genocide against these two great White societies? The high standard of living enjoyed by both races would surely be destroyed if the Whites were crushed. The blacks would in no way benefit from any future Marxist negro dictatorship.

Make Anti-Semitism a Crime, Zionist Head Urges UN

ATLANTIC CITY, N. J.

Rabbi Mordecai Kirshblum, elected president of the Religious Zionists of America yesterday, called on the United Nations to brand "overt anti-Semitism" an international crime.

The rabbi, spiritual leader of the Jewish Community House of Bensonhurst in Brooklyn, on

taking office, said, "anti-Semitism is capable of engendering international animosity and producing the most blatant conflicts and patterns of distrust in the councils of the free world."

The 600 delegates to the fifty-second annual convention adopted a series of resolutions before concluding their five-day meeting.

The Genocide Treaty bans measures "intended to prevent births within a group." The only group which has fallen victim to the birth control and abortion propaganda is the White Race. Our race has sharply fallen below "population zero" but this will never be called a crime under any Genocide Treaty.

Beware of Genocide Treaty Reservations

Many people have wrongly argued against the Genocide Treaty on the grounds that American citizens would be hauled before U. N. International Tribunals or the World Court. Sen. Jacob Javits and Sen. Hugh Scott have sought to nullify that argument by proposing "reservations" to the Genocide Treaty which would require that Americans be tried in U. S. Federal Courts when accused of "Genocide" and especially of inflicting "mental harm" upon negroes.

This does not solve the problem but makes it worse. It would be far better for the enemy to seek to try us in a world court because we could more easily resist and obtain popular public support of our cause. The world court could be defied and obstructed. This could not be done if Genocide is enforced by local U. S. Federal Courts. Therefore, in your letters to Senators, you should stress that we will not be pacified by any so-called "reservations." We want them to pledge publicly to us in advance that they will vote against the Genocide Treaty!

If you have written to your two Senators, then write them again or get your wife or a friend to write. One lady wrote all 100 members of the U. S. Senate and received replies from 12 of them. That is good, as usually only the two Senators from your home state will respond. Therefore write senators from states other than your own also.

It should be remembered that the man who thought up the "Genocide Treaty" in the first place, and even coined the word "Genocide," was a Jew from Poland, the late Raphael Lemkin. He personally argued before the U. N. for adoption of the Genocide Treaty. Lemkin said that it would prevent the

Jews from being persecuted in the future. The only trouble is that it will open the door wide for Jews and other minorities to persecute White Christians. They will be able to accuse anyone who objects to their Zionist schemes as causing them "mental harm." The Jews already use the smear term "anti-Semitic" anytime they are caught in the act of violating the rights of others. The March, 1969 issue of "Jewish Digest" calls Raphael Lemkin the "father" of the Genocide Treaty. It is important that we know exactly who is trying to deprive us of our freedom and liberty!

TRAFFIC JAM FOR KING HOLIDAY

Leftist agitators are already beginning to push once again for Congressional passage of a bill to make Jan. 15 a national holiday for the communist Martin Luther King. Negro State Sen. Major Owens stated that the N.Y.C. Negro Alliance would stage memorial services for King during the rush hour on 30 major New York traffic thoroughfares.

He said that this would force Whites to hear their demands. Owens said that the cities' budget crisis has caused insufficient poverty aid for blacks and that this is a "new example of repression and oppression in New York City." Owens added that the Alliance would give 100 demands to city hall just before the traffic tie-up.

Perhaps this will make Whites wake up to just how serious the threat of black revolutionists poses to the continuation of freedom and liberty in America. (Note: A hand bill exposing King's communist record is available from The Thunderbolt at \$1.00 for 20 copies.)

WEST COAST MEETING TOUR REPORT

Last month the National States Rights Party held a series of meetings in the Western part of the nation. We are pleased to report that all meetings were well attended and a good many new active people pledged their efforts toward establishing new NSRP Chapters in their own local neighborhoods. Enclosed with this issue of The Thunderbolt is a very important questionnaire which will help us to determine just who is able to help and to what extent. We hope that you will return yours if you can in any way can help us in this great work of awakening America.

San Francisco, Calif., was the scene of a very good meeting arranged by our local Organizer Ray Reimer. The hall was packed and all enjoyed the half hour film, "Triumph of White Race Unity". We discussed the population problem which especially affects California. Current statistics show that unless non-White immigration is curbed Whites will be less than 50% of the population in the year 2,000 in Calif. We want to thank Astrid who helped at the meeting and filled more anti-immigration petitions than anyone else on the West Coast. Also we thank Mrs. Reimer for the delicious cakes and other refreshments which she prepared for our guests. Attorney Stoner will be out to San Francisco very soon to address one of our regular monthly Bay area meetings.

Los Angeles, Calif., meeting was held in Anaheim at the beautiful Sheraton Hotel right next to Disney Land. There is a photo of our Pasadena organizer Mrs. Agnes Klein speaking at this gathering. We were very pleased to meet so many supporters who have stuck with the NSRP down through the years. One plan which we decided on was to have more smaller NSRP Chapters in the many communities which surround the L. A. area. This is the most spread out city in America and several wrote that they would prefer meetings closer to their homes. Therefore we will set up smaller Chapters and on our next trip we will hold as many as 5 meetings in different parts of Los Angeles. Your filling out the enclosed questionnaire will help us in making such plans.

Dallas, Texas meeting brought many fine supporters together and it was decided that the party should stress the bus-ing issue. We will go before the public with this stand. Extra copies of this issue will be distributed door to door to awaken

parents to the real threat of bus-ing in the Dallas area.

Houston, Texas meeting was indeed a solid success. Our hall was filled and it was decided that this same place would be used for regular NSRP meetings to be held on the third Thursday of every month. Jesse Johnson, Chapter Leader, made a fine introductory talk and we know that he will be a great asset as the NSRP grows in Houston. Dr. Fields wishes to thank all those who worked so hard to make this trip and all the meetings we held such a grand success.

Abortion-Birth Control Opens Up Non-White Adoptions

News Media Against White Rights

NEWS MEDIA IS THE ENEMY

Editor, The Thunderbolt:

The alien controlled news media is making the most profound and unjust charges, accusations, criticisms and condemnations ever heaped upon the White majority in all history.

The alien news media carries on a campaign against the people which consists of unlimited omissions of facts, distortions, lies and mass propaganda with the intent to create the unjust concept and the false impressions that the majority of the White people are the most evil, the most prejudiced and the most no good people in the world!

To understand the nature of this condemnation, please note that no matter how cruel or how oppressive a measure against

the people is, the alien condemnation completely rejects the people's contention that they are mistreated. Take busing. No matter how cruel and how oppressive this ruling is, they completely reject the people's opinion that it is wrong.

Once they build a case against you, then you are totally wrong. In all things! You are bad, no good, evil!

Under this condemnation and under the spirit of this condemnation comes the laws and measures and rulings that are not only against the people's will but against the people's vital interests.

They take these issues, one by one, piece meal, like busing in Charlotte one year and in Louisville the next year, and insist that we are wrong to object. But when you put all of these issues, the laws and measures

together and sum them up, you can see then, that this is not only a technique against the people, but a plan against the people. The people's will has been overcome.

Our politicians in our bourgeois political system are a part of this alien force by aiding and abetting this subversion.

We cannot have justice until we have the first and perhaps, the only pre-condition for justice which is to have an honest and healthy concept of racial self-preservation.

Mere resistance, however, is not enough. There must be a plan and an organization like the NSRP to overcome these problems and they can be overcome.

It takes a true articulation of the people's will.

The people's will is democracy and it is not based upon minority will.

BIRCH SOCIETY NEUTRALIZES ANTI-BUSING FIGHT

Editor, The Thunderbolt:

I have been aware for some time that the Birchers enroll Jews and negroes as members. I learned this back in 1967 and in 1968 while talking to a woman whom I knew was a member of the JBS. I remarked: "My goodness, do you know I heard on radio last night that there are some niggers in the John Birch Society." She replied, "Oh, yes, we have a large number of them." I replied very quickly, "My God, I wouldn't belong to anything that had niggers in it! I'm strictly for the WHITE RACE."

In kept in close touch with the anti-busing group here and I am aware that the Birchers accomplished their usual invading and, of course, the anti-busing group didn't get very far. I talked to one of the women who told me that she didn't mind her child going to go with the "colored" but she did not want her bused! I said, "How can you have one and not the other? What about your child's safety?" She didn't seem to want to answer that.

WHITES REAL VICTIMS OF DISCRIMINATION

DISCRIMINATION: Is defined as, "The making of a difference in favor of or against." That is the meaning of Discrimination, but in the Blacks' vocabulary "Discrimination" means: "Our Tool."

Their Tool has really put White people under strong oppression. We, the White majority should be yelling "Discrimination!" and, what makes it even worse is the fact we are being discriminated against by our own kind!!!! What is happening to our White Pride??? It's really hard to believe that a White can be manipulated by such an inferior race as the Blacks. It eats at me like a cancer to see this but, it's a fact that a lot of Whites support Black organizations . . . while their own kind are the ones who are REALLY being discriminated against and oppressed.

I could give an endless list of examples but, we, the readers of "The Thunderbolt" already know what's happening. This is not enough to merely know, read, and talk about what's happening . . . but to ACT!!! It is incumbent for us Whites to pull another White aside whenever he or she is deviating from their own race and try to put them straight again. If this cannot be done, denounce him or her as a cast out . . . not to be associated with.

It is now much past time to act, to wake our sleeping White Brothers and Sisters, to make them see how an inferior race is manipulating them!!!

Let's help bring White Pride back to those who have deviated. A few words could help a lot!

ABORTION LEADS TO FOREIGN NON-WHITE ADOPTIONS

Editor, The Thunderbolt:

In the Minneapolis newspaper, there is a very revealing article concerning adoption of foreign children:

"More children from foreign countries are adopted in the Upper Midwest immigration district than in any other district in the nation, according to John W. Bowser, district director of the St. Paul office of the Immigration and Naturalization Service. The district includes Minnesota, North Dakota and South Dakota . . . Mrs. Ruth Weidell, adoption supervisor of the Minnesota Dept. of Public Welfare, said that Minnesota families in 1975 adopted 432 children from foreign countries. This was fewer than in either 1974, when 522 were adopted, or 1973, when 524 were adopted, but it was an increase over the 383 foreign adoptions in 1972.

Korean children make up a significant proportion of the adoptions, the state record shows. In the last four years the adoption of Korean children has more than doubled. In 1975 Korean adoptions totaled 325, three-fourths of the total adopted. The number was even higher in 1974, when 362 Korean children were adopted. In the last few months Colombian children have been adopted in Minnesota. Public welfare statistics show the adoptions are

proceeding at the rate of 5 to 10 a month . . . Mrs. Olga Zoltai, case worker at the International Institute of Minnesota . . . said the demand for foreign-born children has increased in recent years because fewer American children are being offered for adoption. 'The unwed mother now may keep her child rather than place it for adoption' she said. 'Changing values now attach less shame to illegitimacy.' " I think abortion in our country has had something to do with fewer white children around for adoption also.

An article in our hometown paper recently told of a Korean adopted by a White family. Apparently this family went to the executive director of the Children's Home Society of Minnesota, Roger Toogood, in St. Paul and were told that they would have to wait three to five years for a Caucasian infant. Since they wanted to adopt sooner than that, they decided to adopt a foreign baby. Naturally, before the parents can adopt a foreigner they must go through some training on the culture of the country of the child's origin and give them some appreciation of the culture. This was so the parents can teach their adopted child to be proud of its heritage. Yes, we are being destroyed right under our very noses — and we are having a hand in it. How these Asiatics must laugh at our stupidity!

Time For Whites To Help Whites

HELP WHITE "REDLEGS"

IN WEST INDIES

Editor, The Thunderbolt:

With great and avid interest I have been reading accounts of your trips to the West Indies visiting with the REDLEGS. I am very impressed with your concern and dedication towards these people, Dr. Fields. You are truly doing a noble and humanitarian work for them. I love your wonderful idea of helping these REDLEGS immigrate to America! I agree they are in danger and must leave as soon as possible. I wish you every success in your work with them.

At one time, I belonged to a church which sent out over 200 missionaries to foreign lands. The church purchased a home in our city. They requested the ladies of the church to donate supplies for the home — such as bed linens, towels, dishes, etc. even furniture! The home was completely outfitted for the use of the missionaries when they returned home from foreign lands. It was the policy of the church to have their missionaries return to America every seven years, for a month, or two. They would receive medical check-ups, get their teeth fixed, and buy new clothes, and supplies before going back

to the mission field. The home has been in constant use, and never has been empty. There is a constant flow of returning missionaries, and their families, who use it for a short time, and then leave. This idea helped greatly in reducing the cost of maintaining the returning missionaries in hotels, motels, etc. Also, they need not pay the high cost of food bills in restaurants, as they could live in a home, and cook in their own kitchen.

It occurred to me, that this type of home might be a wonderful idea for The Thunderbolt to think about in relation to the immigration of the Redlegs to America. It would be very practical for the Redlegs to have a place to stay for a few days, or overnight, before traveling on to their permanent homes. It could be a way station where they could meet their sponsors, future employers, and attend to any final details of immigration, etc.

Perhaps buying a home would be too expensive to consider. However, a house, or group of cottages could be rented at small cost, from an interested patriot, for just such purpose.

"Back To Africa"

Plan Supported

Editor, The Thunderbolt

In "The Thunderbolt" you quote Mohammad Ali as proposing that we either give the negroes part of the U.S. or send them back to Africa and pay them subsistence for 25 years.

I think here is an opportunity for us to get something going on the "Back to Africa" movement. Why not support Mohammad Ali's proposal? Why not pay them welfare over there instead of over here? The negroes and whites do not want to live or work together over here or live or work together over there. So if we could arrange or trade negroes for whites, we possibly would solve two problems with one solution, and at the same time be fair to all parties.

I personally believe that Mohammad Ali's proposal is the most intelligent, practical, and fairest proposal I've heard on this subject coming from any public figure. In other words, his proposal is the "greatest." I endorse his plan 100%.

RACE IS THE ISSUE

Editor, The Thunderbolt:

Thank you for all the fine work you are doing to expose Satan's little helpers, and for being for Christ, Race and Nation. So many patriots are working for lots of side issues that are good and right but are leaving out the race question. If we could get everything straightened out and made right and lost our White race, what would we have gained?

The Lord will bless and protect you as you go on your way working to preserve our White Race!

Reds Plan Internal Destruction Of America

DOWNTOWN EAST ST. LOUIS, Ill., looks like bombed out Berlin at the end of WWII. This is Broadway in the heart of what is left of the business district.

Why Doesn't Daily Press Expose Heinous Prison Conditions

HORRORS OF INTEGRATED PRISONS

Editor, The Thunderbolt:

I was transferred from Pontiac from the Joliet Prison about three weeks ago. My home town is Rockford, Ill. Before I got here I was planning on going through their high school and get my g.e.d. I thought it was going to be alright here. The first day they shipped us here we all went to the tailor shop to get issued clothes. They gave me my clothes and I went over to some black guy who was supposed to sew on my name and number. He told me in order to make it in the prison I would have to pay him something for protection. Because I'm a "pretty White boy," he said, these guys in here would want to have sex with me! I told him that I wasn't a sissy, I could take care of myself. Some other black that was standing next to him said, "Oh a hard guy ha, you're going to get hurt." Then he tried to explain to me, that I couldn't go up against a whole gang of people. I told him I'm going to try and do my own time. He said I was a fool.

There were fifteen of us, about ten were black. They locked us up. Two black guys were getting ready to hand out the food. One of the blacks that fed me asked if I had a "ride." That's what they call it! He told me that I had to ride with a black guy. He wanted me to ride with him! After he kept on bugging I finally said O. K. I'll ride with you. I asked him how much of my commissary did he want a month. He said he didn't want any of my commissary. He said he wanted me! And if I didn't have sex with him a whole gang of guys would jump me and bust my head and take it, or should I say rape me! I couldn't believe my ears. What kind of hell have they sent me too. After he told me that sex crap I told him I wasn't going to ride with him.

A couple of the other blacks that I came in with started pressuring me then. They were saying they were going to beat

me up and cut my face all up, as soon as they got the chance. I was so mixed up I sent a letter to a prison official in Springfield. I told him of these blacks and the threats. I said I wanted to get out of this prison and transferred to another one. There is a prison called Sheridan for younger guys but it's full. I'm 19 years old. A couple weeks later I got a letter from him saying I could get a transfer if I could prove my life is in danger.

When the week was up they brought us to the captain one by one. He asked me what assignment I wanted. I told him I wanted to be under protective custody. First they sent me to a solitary cell under "dead lock." As soon as I got there a black guy asked me if I was "riding" with someone. I said no. I told him I wasn't going to ride with anyone. He said you better stay right where you're at then, because I wouldn't make it a day without trouble.

One morning I was trying to sleep and I heard a couple black guys talking outside my cell. They said, "Boy is that White boy ever sweet looking." One said, "He's going to be mine, you watch." A couple days later the same guy was offering me food and coffee and books. I took everything he offered me. Then he kept on stopping by my cell and talked to me all the time. He was always talking about sex. And I came off "dead lock" (which I hoped for), that he didn't want me to get hurt. He said if I had sex with him he would make sure no one else touched me. One time he tried grabbing at me. I just figure that kind of prison life isn't for me. One black even had the nerve to call me gorgeous everytime he saw me.

I didn't use to be prejudiced but after being around these dirty animals I have become very prejudiced!

I sure hate being locked up in voluntary solitary all the time but I'll do anything to get away from these blacks. Write back!

COMMUNISTS USING NEGROES TO DESTROY AMERICA

In his newspaper column titled "Bicentennial Blues", Roy Wilkins of the N.A.A.C.P. made this extraordinary statement:

"No one ever, since the beginning of time, has attempted to include black people as participating citizens."

By those words, Wilkins is openly admitting that his own kind have been rejected by every civilized society in the history of this world, a fact which indicates that the entire human race has always regarded the Negro as being of a different species whose intrusion into the affairs of mankind is prohibited by the Natural Law itself which commands all living creatures, "Each to his own kind!"

Today, in outright defiance of that Law, we are compelled to live an experience which all of humanity before us abhorred.

As a nation, we Americans are the first human beings in history to be FORCIBLY "integrated" with the negro species.

The consequences of that policy are obvious to all of us as we witness the unbelievable social and cultural deterioration that is now engulfing us.

Several years ago, Mayor Kevin White of Boston, while viewing the negro slums of New York City, said, "This may well be the first tangible sign of the collapse of our entire civilization!"

U.S. News and World Report Magazine of April 5, 1976 headlined a 16-page special report with these words, "Are All Big Cities Doomed?"

It is apparent that the degenerative impact of negroism on our society has already reached alarming proportions.

We are experiencing a situation which bears witness to that eternal warning: "God will NOT be mocked!"

When His Natural Law is violated, the consequences are disastrous.

As we now reap the whirlwind of a sacreligious "integration", we see our great cities receding into junglism and bankruptcy, our school systems vandalized and corrupted, our streets no longer safe anytime, and our elderly people living in fear, while the skyrocketing NEGRO crime wave overwhelms our police officers.

No other nation in history has ever forced its own civilized citizens to endure such inhuman degradation at the hands of a savage element which Nature itself has barred from the realm of humanism.

Considering all this in the light of Roy Wilkins' own words, "No one ever, . . . has attempted to include black people," the average American can sense the foreboding nature of these circumstances, and the fact that there are sinister, subversive influences governing this totally unnatural, self-destructive

social policy.

Because the historical background of this situation has been largely suppressed, the average White person has little knowledge of its earliest stages, its significance, and the source from which it materialized.

The social phenomenon called "integration" was originally formulated in 1912 by the Communist theoretician, Israel Cohen, under the title, "A Racial Program for the Twentieth Century," the exact wording of which was printed in the United States Congressional Record of June 7, 1957 — wording which spells out in detail exactly how this calculated negroidization process "will deliver America to our cause!"

When Lenin said, "America will fall into our hands like an overripe fruit", he implied that the collapse of our society would be brought about, largely, in a manner we would least suspect.

In 1928, under the direction of Joseph Pogany, an agent from Moscow, Communism's "Racial Program for the Twentieth Century" was officially launched in the United States.

As a social movement stressing "civil rights for negroes," it gained the support of various social, political, and religious factions, and thereby proceeded to saturate our national consciousness with a philosophy called "racial brotherhood", and demanding, as its ultimate goal, the total assimilation of the blacks with the White people of America, thus setting into motion the catastrophic upheaval which has shattered our entire social structure and completely distorted the very concept of civilized human society.

As a result, we are now governed by "civil rights laws," all of which are in EXACT accordance with the formula of the Communist Racial Program, and thereby serve the purpose of implementing its dehumanizing policies.

The success of that Program in America has guaranteed Communism an unchallenged psychological control over the destiny of this society.

The White people of America have been betrayed, and are now forced to remain subservient to the Communist-created negroidization process which is plunging this nation headlong toward the ominous fate summed up in Mayor Kevin White's words, "the collapse of our entire civilization."

Because the Racial Program is a basic tenet of the World Communist Movement, it is impossible for a nation to stand successfully against communism while supporting its brainchild, "integration," at the same time.

As White people today, outnumbered 7 to 1 in the world population, we are the principle, and most vulnerable, target of the Communist Racial Program which is rapidly closing in on us from all sides, under such terms

as "racial-balance" in our schools, "fair housing" in our neighborhoods, "equal opportunity" in our jobs, and "the quota system" in our institutions, all of which are part of the Program's negroidization concept, brazenly implemented, and bluntly worded as "a process which will deliver America to our cause!"

The racial philosophy of the anti-Christ, when made to appear as "Christian brotherhood," can literally destroy a nation's will to fight back, especially when political leaders and clergymen themselves succumb to that deceptive philosophy, but a civilized people, capable of distinguishing reality from illusion, can reverse that self-destructive trend, and emerge from it even stronger than before.

America's most outspoken right-wing publication, the Thunderbolt, is a newspaper which pulls no punches at all in revealing the eye-opening facts which the left-wing national news media purposely suppresses, but which America's White people desperately need to know.

Today, we Americans are being told to "integrate" with the Blacks.

Roy Wilkins himself said, "No one ever, since the beginning of time, . . .!"

Israel Sets Bad Example

NEGROES WANT SAME AID ISRAEL RECEIVES

Of the \$9 billion Congress appropriated for foreign aid this year, Israel will receive almost half. This has made some negroes angry as noted in a recent dispatch from Los Angeles. Negro Roy Innis addressed a "Congress of Racial Equality" (CORE) meeting stating:

"Blacks must emulate the tactics of American Jews who have been able to affect U.S. policy towards Israel to an extent far out of proportion to their numbers.

"If 6 million Jews can get the U.S. to support Israel and to give it almost all the military, economic and political support it requests, then 30 million blacks ought to be able to do at least as much for Africa.

"Israel gets far more foreign aid per year from America than all 46 African nations combined. Blacks must learn that we are part of a larger family. We cannot ignore the problems of our brothers abroad!"

White Christian Americans need also to realize that we too are part of a larger family. All members of the White Race are brothers and we should be concerned with the well being of our racial brothers in Rhodesia and South Africa. At the same time we must stop the israeli raid on the U.S. public treasury which is robbing us blind.

Openly Oppose Race Mixing

ANTI-RACE MIXING STICKERS WORK

Dear Fellow Patriot:

This editor personally carries a few anti-race mixing stickers in my pocket or wallet at all times. When I am riding public transportation, eating in a restaurant, or at a public hall, I usually stick one of these stickers on a wall — or the glass next to a pay phone — you see, they will stick to anything!

One evening I was seated with friends in a restaurant when two black men came in with a White woman and sat at a near by table. This so sickened me that I could not eat my food. Naturally there had to be some kind of protest against such blatant race mixing in public. Therefore I licked the back of one of my race-mixing stickers and strolled over to their table and slapped it right down in the center of the table! I walked back and sat down at my table.

The two black men and the degenerate White woman looked strangely at each other and over at me for a moment. I remained calm awaiting their next move — which was right out the front door before they could even be served!

I was then able to enjoy the balance of my dinner. I was not worried about being attacked by such scum because they normally must have you out numbered by at least 10 to one. Of course such events rarely occur but it just goes to prove how effective and handy our little "Anti-Race Mixing" stickers actually are.

Order yours today and they will make your day more pleasant as it does mine. Also you would be interested in knowing that we receive letters daily from new people who read these stickers and want our literature.

Signed

Dr. Edward R. Fields

TEAR GAS POPULAR ITEM

A new tear gas called CS GAS has been developed that is far more effective than CN GAS (mace). In fact it is replacing mace in all government depts. It is absolutely guaranteed to drop the toughest criminal in his tracks. It will spray a stream up to 12 feet and makes the attacker feel like he has had a skillet of hot grease thrown in his face. This is something that all Patriots and their families should have in their homes or auto glove compartment. Chemical Shield sells for \$5.00. (Pocket Unit) sprays up to 10 feet. Larger police unit is \$10. Sprays up to 12 feet. Or you can have both units for \$12.

Deprez Misleads Louisville Patriots

BOB DEPREZ ATTACKS SINCERE PATRIOTS

Bob Deprez heads an organization called "National Organization To Preserve Freedom" (NAPF). He publishes what is supposed to be the voice of anti-busing Patriots in Louisville. Instead of UNITING patriots he has used the "NAPF" paper to attack and smear those who have stated that preservation of the White Race is the main issue in this fight and that the Jews are the strongest group promoting busing. Deprez has gone to great lengths to try and counter such truths which are documented in this issue of The Thunderbolt.

In the May 27 issue of "NAPF" Deprez published several pages praising what he called "Some of the most powerful Jewish organizations in this country" which are supposed to be against busing. He listed those groups as the "Jewish Survival Legion," "Supreme Rabbinic Court of America" and "United Zionists Revisionists of America." These groups filed a totally ineffective anti-busing suit in federal court in Boston. They are supposed to be anti-busing Jewish organizations, some of the "most powerful" in the country, according to Deprez!

This editor decided to check these groups out since we never heard of them before. First of all they are not affiliated with the American Jewish Committee or represented on the "Presidents of Major Jewish Organizations" committee. We decided to check out the phone listings of these three "powerful" Jewish organizations and they are not even in the phone book in the metro-Boston area!

The truth is that these are fake, letter head organizations, which the Jewish Anti-Defamation League set up in conjunction with the Birch Society to mislead patriots in both Louisville and Boston. Bob Deprez and the Birch Society are trying to take the "heat" off the Jews who have been proven to be the real driving force behind forced busing and race-mixing in America.

DEPREZ A TOOL OF THE JEWS

Bob Deprez has bragged that there are two Jews on the board of NAPF. He has as his lawyer and advisor the Jew lawyer Stuart Lyon. (Not his real Jewish name of course.)

NAPF attacks anyone who brings up the race issue and says Deprez will place his stamp of approval only on organizations which leave out race. Just who is this Bob Deprez anyway?

He has only lived in Louisville for a few years. Where did he get his Spanish name? One must remember that there are a great number of Sephardic Jews in America. They are all descended from Jews from Portugal and Spain. These Jews are called "Marranos." They pretended to be Christians and moved from Spain to North and South America. They kept their Jewishness secret. Please look up the word "Marrano" in any encyclopedia and you will read the amazing background of the Spanish Marrano Jew.

We are not saying that Deprez is a Jew, but he is surrounded by Jews. He sought to fool the people with the ADL-Birch created fake Jewish "anti-busing" groups and Deprez smears anyone who mentions the word Jew in opposing busing. Deprez follows the Jewish line as officially advocated by the Jewish ADL office. Not only that but the name "Deprez" is not of "Anglo-Saxon-Germanic-Caucasian stock." This is a Spanish latin name. Of course there are many Spanish people who are predominantly White but with this name and the Marrano strain being so strong in many with that name this is a question we must all ponder considering the vicious attacks Deprez has made against all of us who are working for the survival of the White Race.

CHURCHES GIVE MORE TO NEGRO GUERRILLAS

The World Council of Churches (which includes the National Council of Churches) has just given another \$560,000 to negro guerrilla groups in Africa. This is above the \$2.1 million they have already given such groups as the "Zimbabwe Liberation Organization" which is killing White men, women and children in Rhodesia. Part of this money also went to the African Peoples' Organization fighting the South Africans in South West Africa. That is where part of your contribution goes if your church is affiliated with the National Council of Churches. That is what the ministers mean when they begin talking about engaging in "social activities."

Bob Deprez left, and his Jew lawyer and advisor Stuart Lyon.

NO NEGROES SIGN UP FOR SPACE PROGRAM

NASA in Houston stated that as of today, they still have no negro applicants for their new space shuttle program despite an "affirmative action" hiring program. It seems that negroes are not interested in going to the moon, other planets, or the space shuttle. Besides engineering scientists, men who were jet test-pilots are wanted. Here is another hitch — there are no negro test pilots in America — or in any other country of the world for that matter!

FREE!! "The Jew Comes To America"

219 page book, many illustrations. A thorough study of the immigrant Jew arriving from Russia in America. His attitude towards Christians and his behavior in pushing himself into the commercial life of our community. Actually a very rare book which will soon be out of print.
