

Communist Sneaks In As Iowa Senator

Communist Senator Elected In Iowa

Senator elect Tom Harkin was able to defeat Sen. Roger Jepsen because the daily press in Iowa deliberately covered-up Harkin's communist front connections. Human Events, a conservative Republican publication in Washington D.C. revealed the shocking details.

The House Committee on Internal Security in 1971 identified the Institute for Political Studies (IPS) as "the far left radical think tank in Washington." This communist front was founded and is headed by Jew Marcus Raskin (who is of Russian descent.) The IPS is said to influence 56 congressmen!

In 1978 Marcus and his IPS came up with a study called, "Social Reconstruction", which was the outline of a proposed plan to turn America into a Marxist state. It called for slashing \$50 billion from the Defense Budget and spending this money on massive welfare increases. Marcus denounced our present economic system as one which "colonizes" poor countries and holds their people "hostage to America's violent techniques." He charges that the U.S. "industrial military complex holds ordinary people in domination in a Plantation Colony."

Sen. Harkin is a member of the IPS and co-sponsored their conference in Washington which he described as being "a valuable resource for me in my work."

One of Sen. Harkin's chief financial supporters is Marxist millionaire Stewart Mott in whose home the communist front IPS holds meetings. Human Events has in its possession a tape recording of a conversation in Mott's home of an IPS meeting in which the following was stated:

Mr. Mott: "Welcome to the house. I suspect many of you

Senator Tom Harkin, is secret leader in Communist Institute For Political Studies (IPS).

have been here before. Tom Harkin certainly has been. He and I have conceived all sorts of good revolutionary things for the good of the Republic, and sometimes for the good of other republics."

Mr. Harkin replies: "I am here to actively thank the IPS. I appreciate all the kindness you have shown me. . . all of you have worked so diligently over the years. I need you to identify individuals, so that, God willing, Reagan loses the election. . . the day after the election we can get the people in those positions on the National Security Council. . . the State Dept. and in the Defense Dept., who share our beliefs. . . I need your help and input on this. . . to put the maximum pressure on Walter Mondale. . ."

Thus if Mondale had been elected President Sen. Harkin would have been working with communists to saturate his Democratic Administration with Marxists and fellow-travelers. Thank God this has been blocked but it is more urgent than ever before that Iowa Patriots spread the word — **THE DAILY PRESS HAS MISLED YOU — A COMMUNIST FRONTER HAS BEEN ELECTED — ON GUARD PATRIOTS!**

Who Got Jew Payoffs In Nov. Election

Charles Percy

Sen. Jesse Helms

Millions spent

Big Money The Key To Politics

Illinois Ex-Sen. Charles Percy states on live TV election night, "I was beaten by New York money!" (Editor's Note: He might as well have said, "Jew money!")

North Carolina Sen. Jesse Helms was shocked by the millions of dollars poured into the coffers of his opponent the "Mondale Liberal Gov. Jim Hunt." Washington Post Jew writer Edwin Yoder on Oct. 30 wrote: "On the Middle East Helms recently hedged and softened his customary criticism of Israel in order, apparently, to try to stop the flow of contributions from Jewish sources to the Hunt Campaign."

Why Jews Spent Millions To Defeat Sen. Percy

Leonard Linkon is a powerful Jew operating out of an office at 30 West Washington St., Chicago, Ill. 60602. He sent out thousands of letters to every Jew businessman in the nation. Linkon declared Sen. Percy had to be defeated because: "Percy claims some of his best friends are Jews but he favors the creation of a Palestinian Liberation Organization state on the West Bank and Gaza. Percy helped block the U.S. sale of additional F-16 jet fighters to Israel."

Sen. Percy also angered Jews on a radio program Oct. 5, WMAQ called "Chicago News Conference." He criticized Paul Simon for advocating moving the U.S. embassy from Tel Aviv to Jerusalem declaring, "The Jewish people are the most intelligent people I've ever known, but they are also extraordinarily emotional - and on that particular issue they are wrong, wrong, wrong!"

Later that same day, Michael Kotzin, head of the Chicago Anti-Defamation League denounced Percy's comments as "typical stereotypical thinking."

Leonard Linkon gave the following reasons why Jews should vote for Paul Simon and give money until it hurts. He said:

"Paul Simon is a friend of Israel in the truest sense of the word. He has traveled many times to Israel as a Congressman, personally meeting with Ben-Gurion, Begin, Dayan and Golda Meir. He is one of only 25 members of Congress to file a suit against the Secy. of Commerce for his complicity in the Arab Boycott. Simon is opposed to the sale of arms to the Arabs and he stands with us on domestic issues also. Simon is against school prayer, for a nuclear arms freeze, for the ERA and separation of church and state as well as for civil rights. The Illinois election is in its final, critical days. I am writing to tell you that Charles Percy is fighting for his political life. We (Jews) can defeat him. Take out your checkbook now. Give as if your future and the future of Israel depends on it - because it probably does.

Sincerely,

Leonard Linkon

(Editor's Note: What if we Christians mailed hundreds of thousands of similar letters telling people to vote for Jesse Helms and Charles Percy because they are Christians and will place our race and religion first in all their political decisions!!! We would be denounced for being "racist," "haters", and "bigots" by the liberal daily press and Jew leaders from coast to coast. Yet the powerful wealthy Jew organization gets away with this and not one single person in public life will denounce this subversive attempt to directly control every single U.S. Senator and Representative in Washington.)

Jew PACS Gave \$4 Million To Pro-Zionists

The law allows an individual to give no more than \$1,000 to a Congressional candidate. With ones wife also giving this can total \$2,000 (which is a drop in the bucket these days.) A group of people can form a "Political Action Committee" (PAC) and

give up to \$5,000. The Israeli Lobby in Washington, D.C. has revealed that Jewish communities around the nation have formed at least 54 PACs.

They zeroed in on certain candidates with all 54 PAC committees giving the maximum allowed under the

(Continued on page 2)

THE SIMPLE TRUTH!!!

Jews vote for politicians strictly on religious issues - they give huge sums of money only to pro-Jew and pro-Israel candidates.

Any political leaders who takes a pro-Christian stand for school prayer, private school tax credits, anti-abortion, etc., like Sen. Helms and Rep. Swindall Jews will vigorously oppose. Organized Jew communities will spend millions to defeat such Christian patriots!

Rep. Levitas' Defeat Sends Jewry Into Rage

Handsome, young Pat Swindall defeated Levitas on a "Christian ticket." His beautiful blonde wife Kim at left is expecting their first baby - a double congratulations!

By MORRIS J. AMITAY

WASHINGTON — As the nation's attention is focused on the presidential election on Tuesday, the American Jewish community, and particularly supporters of Israel, will also be watching a number of vital U.S. Senate and House races.

In Illinois, the latest polls show Democratic Rep. Paul Simon overtaking Percy and running even with him for the first time. Percy, the influential chairman of the Foreign Relations Committee, has been criticized by Israel supporters for, among other things, his positive statements regarding Yasir Arafat and his role in gaining approval of both the AWACS and F-15s for Saudi Arabia.

In contrast to past elections, significant numbers of Jews, blacks, liberals and labor unions which previously supported Percy are now throwing their support to Simon. The highly respected Simon has compiled an excellent record on Israel-related issues. This race should go down to the wire and will be one of the most closely watched elections by the Jewish community.

100% Reliable Friends

A large number of Israel's friends in Congress who are up for re-election are considered "safe" this year. In this category we would put such stalwarts as Sen. Howell Heflin (D-Ala.); Sen. Joseph Biden (D-Del.); Sen. Max Baucus (D-Mont.); Sen. Bill Bradley (D-N.J.) and Sen. Claiborne Pell (D-R.I.).

Normally Reliable Friends

In addition, a number of senators who are usually supportive are also in good political shape according to the latest information. They are David Pryor (D-Ark.); Sam Nunn (D-Ga.); Walter D. Huddleston (D-Ky.); Pete Domenici (R-N. Mex.); Larry Pressler (R-S.D.) and Alan Simpson (R-Wyo.).

Critics of Israel

Conversely, two of Israel's most consistent critics in the Senate are virtual shoo-ins. These are Oregon Republican Mark O. Hatfield (despite the recent scandal involving payments to his wife) and Idaho Republican Jim McClure.

On the brighter side, three House members seeking Senate seats with strong pro-Israel records, and two governors who are considered friendly have decent chances of becoming new senators in the 99th Congress. They are Reps. Al Gore, Jr. (D-Tenn.); Norm D'Amours (D-N.H.), and Tom Harkin (D-Iowa) and Govs. Jay Rockefeller (D-W. Va.) and William Winter (D-Miss.). In Texas, Republican Rep. Phil Gramm, who has an unusually poor record toward Israel, is the favorite over Democrat Lloyd Doggett.

(Note: Miss. Wm. Winter and Doggett were defeated.)

law which would come to \$270,000. Also individual Jew couples gave \$2,000 each. William Fogle is a furniture dealer in Springfield, Mass. He and some 100 other Jews formed Masspac. Fogle said they gave the maximum allowed by law to defeat candidates the Israeli Lobby identified as not "friendly enough to Israel" and gave the maximum to candidates who were "friendly to Israel."

Thus Fogle's PAC gave Gov. Jim Hunt of N.C. \$5,000 to try and defeat Sen. Jesse

Helms. They gave Rep. Paul Simon of Ill., \$5,000 to defeat Sen. Charles Percy. They also gave Jew Sen. Carl Levin to aid his re-election in Mich. Fogle said they needed to defeat both Percy and Helms because Helms is next in line to become Chairman of the powerful Senate Foreign Relations Committee. This is exactly what happened and just as Fogle admitted, "we face a terrible dilemma in seeking to defeat both men and the worst of our nightmares has come true!"

Jews Voted For Their Co-Religionists - But Blasted Christians Who Did Same!!

Organized Jewry is outraged over the defeat of five-term Jew Congressman Elliott Levitas of Ga. "The Southern Israelite" of Nov. 9 in an article by Allen Rabinowitz charged that Levitas was defeated because he is a Jew! He wrote Congressman-elect Pat Swindall was a self-professed "Born Again Christian" who smeared Levitas as a "closet liberal."

Atlanta Jew Anti-Defamation League head Stuart Lewengrub charged Pat Swindall's supporters made appeals to "religious prejudice" by urging people to "vote-Christian" and to vote for "one of us."

The same issue of Southern Israelite bemoaned the fact that Jew Kenneth Rothman lost his bid for Gov. of Mo., and Jewess Edyth Harrison lost her bid to defeat Sen. John Warner of Va. Thus it is alright for Jews to vote along racial and Jew religious lines but similar political action by Christians should be condemned!

Levitas "Sour Grapes" Concession

Sen. Carl Levin

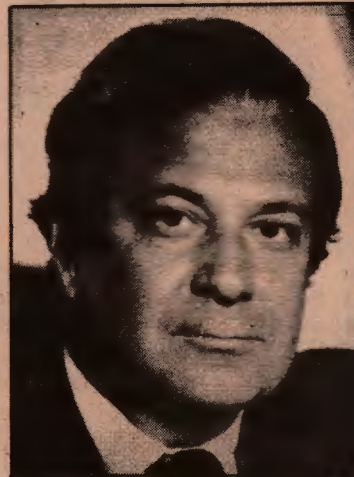

Below from "Jerusalem Post" Nov. 17. NEW SENATE PRO-ISRAEL

By WOLF BLITZER

Jerusalem Post Correspondent WASHINGTON. — The new shape of the U.S. Senate promises to be even more pro-Israel than the last, despite the possibility that conservative Republican Jesse Helms of North Carolina may become chairman of the Foreign Relations Committee.

This was the assessment of pro-Israel lobbyists on Capitol Hill in the aftermath of last week's election.

There are thus still eight Jews in the 100 member Senate, after the two Jewish senators who were up for re-election — Republican Rudy Boschwitz of Minnesota and Democrat Carl Levin of Michigan — both won easily. There are also about 30 Jews in the 435 member house — the same number as before.

and pulling his hair out to make bitter "concession" speech. He did not congratulate his opponent Swindall and even said he would not meet with him. Levitas lashed out charging Swindall had won by telling "lies" and attacked the press for not exposing the alleged "lies" during the campaign.

Instead of taking Levitas to task for attacking the news media The Atlanta Constitution the following day (Nov. 9) obligingly accepted Levitas tongue lashing and wrote:

"Levitas wasn't just outpolled. He was slimflammed, mugged, fleeced and hung out to dry in the meanest gunfight this side of Dodge City. . . He deserved a principled opponent and a fair fight. He got neither. What he got was a barrage of distortions suggesting Levitas was a low-down, double

Below from "Southern Israelite" Nov. 9. RELIGIOUS RIGHT A DANGER

An exit poll conducted by the American Jewish Congress gave some indications of how and why Jewish voters in the Metro area made their choice in the presidential campaign. Although President Reagan swept the state, the poll showed Walter Mondale capturing the Jewish vote 60 to 40 percent. Nationally, 70 percent of Jewish voters cast votes for the Democratic ticket. Of those who voted for Mondale, the poll shows that 95 percent of local Jewish voters favored the Democratic challenger because of the president's stand on church-state issues. The national figures showed that 75 percent of Jewish Mondale voters favored him for this reason.

The Levitas-Swindall race was characterized by an early start and an aggressive, often negative, campaign by the Republican newcomer. Portraying the moderate Levitas as a "closet liberal," Swindall's campaign was financially augmented by the national Republican Party which had Levitas targeted for defeat. Levitas staffers charged Swindall, a self-professed "Born Again Christian," had received much of his huge war chest from the Religious Right.

dealing, free-spending liberal." (Note: This is a perfect description of Levitas!

Threaten Rep. Pat Swindall!

Southern Israelite writer Rabinowitz wrote a lead editorial posing a warning that Pat Swindall had better be on guard because the Jew community was keeping a close watch on him. He stated: "WHAT MEANS US? Swindall's campaign literature slogan was he was 'one of us'. The 'us' in question was never properly identified. Given Swindall's strong support of the president's policies and his identification as a 'born again' Christian many took this to mean he had embraced the religious right." (Editor's Note: The Jews demand that all elected officials embrace the "Jewish Left.")

Rabinowitz continues: "If Swindall wants to be 'one of us' he needs to drop his ideological zealotry. 'Us' will be watching him carefully."

The Jews watch everyone in politics who they fear might have the courage to break FREE of Jew control. We need more upset victories that drive out of office Zionists and their stooges who place the interests of Israel over the best interests of America. Our warm congratulations to Congressman elect Pat Swindall. Please don't let these vile Jews intimidate you Pat.

Commenting on the election outcome, both national and local, Irving Kaler, member of the Democratic National Committee, said: "I know that the records of Fritz Mondale and Geraldine Ferraro, insofar as support for Israel, is unsurpassed. For this reason and others, I regret the defeat of the national Democratic ticket.

"I also feel that the defeat of Elliott Levitas is a tragic occurrence that affects our Jewish community as well as the entire community. I also place the defeat of Jim Hunt (Democratic candidate for the North Carolina Senate seat held by Jesse Helms) in this category. The vision of many people in their support of Mr. Reagan may have been confused or blinded, and this contributed to the defeat of these outstanding public servants. We will have to work real hard to redeem these setbacks."

Sherry Frank, Southeast area director of the American Jewish Committee, said:

"Elliott Levitas's defeat was felt across the country," Frank added. "He served his district with distinction; he has a strong record of support on issues of concern to the Jewish community."

Jew Money Elects And Defeats Political Candidates

Israeli Lobby Front Reveals Top Agents

Dr. E.R. Fields recently received a letter from Minnesota Attorney General Hubert H. Humphrey, III., inviting us to join the "America-Israel Friendship League." Of course Humphrey had no idea who Dr. Fields was and this was a form letter mailed out to thousands of prominent Americans in politics. It was a message of "join us if you want Jew political backing."

This also means that young Humphrey has future political ambitions far beyond his present position. He wrote, "my father was one of the founders of the League, I cannot think of an organization more worthwhile." (Editor's Note: It's amazing that young Hubert Humphrey cannot think of a single organization "more worthwhile." We can think of hundreds because this organization was set up as a front group for the AIPAC (Israeli Lobby in Washington) and should be forced to register as an agency for a foreign government. What if we formed the America-Arab Friendship League, or The American-German Friendship League! Not a bad idea but the Jews would then brand us as "subversives!"

Hubert Humphrey's letter asked for donations from a minimum of \$25 for membership up to \$5,000 for donations all of which is tax deductible! Here are the pro-Jew politicians which were listed on his letter-head as members of the "American-Israel Friendship League", (their address: 134 E. 39th St., New York, N. Y. 10016, phone 212-679-4822.)

Jew Money-Power Influences Elections

Politicians today realize that it takes money — big money — to be elected because we are today at the mercy of the television screen. Luckily Sen. Jesse Helms was able to raise more money than Gov. Hunt. In Illinois the Jews were able to pour more millions into the Paul Simon campaign and defeat their old enemy Sen. Charles Percy.

"Jews and Money" is a book by Jew Gerald Krefetz who states: "For Jews, money has stood between life and death. It is central to their existence. In a sense money has an existential reality for the Jews, for it gives them substantiality in alien (Gentile) eyes. Jews feel a marked ambivalence to money — aware of its power as a source of comfort, protection and antagonism."

Karl Marx, the founder of communism was descended from a long line of rabbis and was surrounded by Jew followers all his life. On the subject of Jew worship of money which Marx said constituted a prime cause of anti-Semitism - Marx wrote in his book entitled, "About The Jewish Question."

"The chimerical nationality of the Jew is the nationality of the merchant, of the moneyed man generally. The secular basis of Judaism is the practical need, self-interest, (for money.) What is the worldly cult of the Jew? Huckstering? What is his worldly God? Money! Jews must free themselves from money!"

"Jew Money Power" Defeated Sen. Fulbright and Rep. Findley

Sen. Fulbright - "Jew Money Beat Me"

Jewish Week of Aug. 10, carried an article by Victor Bienstock stating that former Sen. William Fulbright of Ark., now age 79, still blames Jew money injected into his state for his defeat. Bienstock makes it clear stating Fulbright opposed excessive aid to Israel, sought to eliminate the tax exempt status for the United Jewish Appeal and he tried to force the Jewish Agency to register as the agent of a foreign power.

Fulbright brought down the full wrath of the Jews upon his head when appearing on the CBS "Face The Nation" TV show the day after Egypt's late Pres. Sadat seized back control of his Suez Canal from the Jews. Fulbright declared: "The Jews have a totally disproportionate influence on Congress. Israelis control the policy in Congress. On every test, on everything the Israelis are interested in, in the U.S. Senate they have 75 to 80 voters."

Fulbright charged that it was "outside Jew money" from the Jewish Lobby which flooded in to Sen. Dale Bumpers coffers which resulted in his defeat. Fulbright has not changed his views and today has stated:

"In Lebanon, we accomplished nothing except to lose some fine Marines and we looked foolish. Begin created a terrible attitude and now the expansionist moves of settling the West Bank are going to make it that much harder. This continued expansion and refusal to give anything back is going to make it harder for Israel in the long run."

Paul Findley

Illinois Ex-Rep. Paul Findley has revealed that he was defeated by massive Jew donations to his opponent Rep. Durbin. Of Durbin's campaign fund of \$750,000 some \$685,000 came from Jews who lived outside his district. Jew Max Robkin cheered this as all the more reason why the Israeli Lobby (A IPAC) should give even more money to defeat every single remaining voice of opposition they face in the entire Congress. This is typical Jew thinking - that there should not be one single voice raised in opposition to the goals of political Zionism.

Below from "Southern Israelite" Oct. 19. There's Nobody Like Findley Left

Editor:

In a lengthy editorial in the Wall Street Journal of July 19, Paul Findley, an 11-term former congressman from Illinois, unwittingly heaps praise on the American Israel Public Affairs Committee. He credits AIPAC with being the leader in pro-Israel lobbying activity. He says, "AIPAC is seen as being able to elect its friends and defeat its enemies." No question but that AIPAC was largely responsible for Findley's termination in office.

Findley states, "In 1982 I lost by

Below from "Jewish Sentinel" Oct. 25. Simon Answers Questions Correctly

SENTINEL: Briefly, what have you done for the Jewish community in the U.S. that you feel should be better known?

SIMON: I've been a strong supporter of efforts to back Israel. That is not an election year marriage of convenience; it's been a long standing commitment on my part.

SENTINEL: What have you done for Israel that you feel should be better known?

SIMON: Well, I would point out that my first visit to Israel was in 1957. I've been to Israel many times since.

I wrote an article way back when, in a Lutheran publication, saying Lutherans ought to stand up for Israel; that we have a special responsibility because it was a country that was half Lutheran that perpetrated this horrible deed against the Jewish people, and I'm referring to Germany.

In Congress, I have been a consistent, strong supporter of Israel and I have opposed, unlike my opponent, any arms sales or grants to Arab countries

I think that what we have to do is stop winking at the Arab countries, in a sense saying, "We're not really that close to Israel." The people who dominate State and Defense Department thinking are Arabists. They're people who look at the numbers in the Middle East and say, "It is in the best interest of the United States to go where the numbers are."

'...I have opposed, unlike my opponent, any arms sales or grants to Arab(s)....'

SENTINEL: We've been talking mainly about Israel. What about the American Jewish community? Is there anything you can zero in on that you've done within the American Jewish community that you feel they should know about?

SIMON: My strong stand

Senator-elect Paul Simon is one of Israel's strongest supporters, both on the Middle East and on Church-State questions!

against anti-Semitism. And again, this goes back years. It has been a strong and clear stand, and I have never wavered from that stand.

I have worked with the American Jewish Committee, with the American Jewish Congress, with a variety of groups in the Jewish community on Jewish immigration, from the Soviet Union.

I have long felt a kinship because there is a sensitivity that I share on the part of the Jewish community, for civil rights and civil liberties. There's also been a record of compassion and understanding for the oppressed; I think in part because of the history of the Jewish people. And third, I have a willingness to stand up for Israel where some of my colleagues in the House and Senate are unwilling.

If I can just use one illustration in the civil liberties area: I recognize that opinion polls in Illinois show that 80 percent of the people favor a constitutional amendment for school prayer. I join the Jewish community in opposing school prayer — unlike my opponent.

SENTINEL: How do you feel about tuition tax credits for parents who send their children to parochial schools?

SIMON: I respect those who send their children to private schools, but I do not support tuition tax credits.

Findley is now writing a book on the Middle East which we may anticipate with full confidence will be replete with anti-Israel, pro-Palestinian rhetoric.

Those who are currently members of AIPAC are aware of the committee's outstanding efforts on behalf of a secure Israel. Findley's editorial should encourage many more to support this worthy organization.

Carlson Vote Total Jumps

Carlson Shocks Leftists Polls 40% of Vote

Congratulations to the Right-Wing Segregationist Gerald Carlson who polled 40% of the vote against entrenched, 10 term incumbent Democrat William Ford. This is an increase from the 32% Carlson received when he challenged Ford in 1980. This means Carlson is now within striking distance of making a real breakthrough with our White racist side winning an important high elective office. Once we win just one such race, and the people see that we can indeed win, then Patriots will be coming out of the woodwork running for office and winning thus reversing the tide back to our side.

Gerald Carlson had absolutely everything going against him. He was attacked by the daily press and TV. He had only a very small campaign budget compared to unlimited funds of Rep. Ford. Carlson, having won the Republican nomination for Congress, was rejected by his own party. In fact he was attacked by the Michigan GOP which sent out 10,000 letters to known Republicans in the 15th District telling them NOT to vote for Carlson.

GOP Mich. Chairman, Spencer Abraham, (Jew) was taken-aback by the large voter turnout for Carlson. The Detroit Free Press of Nov. 8 reported him as declaring:

"We repudiated his candidacy even the primary and acted to keep him, very honestly, from being part of the Republican team. We simply eliminated him from all Republican literature, phone banks and mailings. I'm not sure what it means!"

Michigan Liberals In Shock

The same issue of the Free Press reported: "Voters in the downriver 15th Congressional District cast more than 64,000 votes, 40%, to Gerald Carlson, an avowed White Supremacist running as a Republican.

Gerald Carlson says; "two years from now we will win!"

Carlson challenged powerful Democratic incumbent William Ford, who got 97,000 votes, or 60%. It was the second time Carlson had been nominated as the Republican candidate in the heavily unionized, blue-collar district. Carlson's impressive showing comes just days after Pres. Reagan visited the state and extolled voters to 'remember all of Michigan's Republican candidates on Election Day'."

Later a White House spokesman said he doubted Reagan knew about Carlson's candidacy, adding, "it was just a general statement. When he was saying support your Republican candidates, he was talking about candidates from throughout Michigan. If the state party disavowed him, then the national party wouldn't endorse him either."

Despite all this Gerald Carlson polled the highest vote of any White Supremacist candidate in over 20 years. As you all know, in the last issue of The Thunderbolt (issue No. 300) we devoted a full page to Carlson's race with his full address and phone urging our supporters to send him campaign donations. He has since written us a thank you letter saying he received more money from our "plug" than from any other source and added:

Vote Rises 32% to 40%

The voting comparison:

	Total Votes	Percentage
1980 race: William Ford (D.)	113,492	68%
Gerald Carlson (R.)	53,046	32%
1984 race: William Ford (D.)	98,111	60%
Gerald Carlson (R.)	64,918	40%

Carlson Thanks Dr. Fields For Help

Dear Dr. Fields:

I'm glad that I broke the 40% barrier - it now puts us in actual striking distance of winning next time. Your kind article in The Thunderbolt helped to bring in enough campaign contributions to make this victory possible. I want to thank you and your organization for all of your help - I'm sure I would not have broken the 40% level without your help.

Yours Truly,
Gerald Carlson

(Note: We believe that Gerald Carlson has every intention of running and winning the next go-round, just two years down the road. Good Luck and May God Bless You Gerald!)

Swastikas painted on apartments by two Jewish youths

NEW YORK (JTA) — Two Jewish teenagers were arrested and charged in connection with last month's anti-Semitic graffiti and swastikas daubing of apartments in one of the buildings in Co-Op City, the massive cooperative in the Bronx.

The boys, ages 14 and 15, attempted to collect from police a \$3,500 reward being offered by the Co-Op's management for information about the vandalism. The identities of the two boys were not released because of their youth, police said.

A police spokesman said the two had tried to collect the reward, saying they knew who had daubed the doors of some 51 apartment in Co-Op City. After an investigation, it was determined that the teenagers had lied to police and they were subsequently arrested.

The two youths, arrested in their apartments in Co-Op City, have been charged as juveniles with conspiracy, criminal mischief and falsely reporting a police incident. The youths are also suspects in other similar incidents dating back to November, 1983. Police said the youths described their action as a "prank."

make it a federal crime "to deface, damage or destroy religious property." The FBI already automatically enters any case involving a negro church (which are often used as left-wing political headquarters) as civil rights violations. Since Christian churches are rarely involved in such incidents the bill will mainly turn the FBI into private security guards for synagogues, Jew community centers, Jew private Day Schools, etc., etc.

Glickman said, "many anti-Semitic acts are directed against synagogues which are the victims of hate crimes." His bill will provide for a penalty of 15 years in a federal prison and fines of \$15,000 for anyone who would dare deface or vandalize a Jew synagogue. (In a state court such acts are usually punished by a \$100 fine or 30 days in jail!) One interesting note is that a large percentage of such incidents against synagogues are committed by young Jews — no doubt they would escape any severe penalty — as they always have in the past.

Stop "Race Laws"

Penna., Gov. Dick Thornburgh has become the 16th state to sign in law an ADL drawn bill making "ethnic intimidation a felony." Again they are not talking about White Christian ethnic groups — they mean Jews. Thus if you call a Jew — "you crooked Jew" — you have intimidated his race and religion. Thornburgh said

Syria Not Soviet Puppet

The Daily Press constantly tells us that we must give unlimited military aid to Israel to protect them from the "communist controlled Syrian government." Now we read the following report in the London Jewish Chronicle by Joseph Finklestone,

"Contrary to public belief the Syrians and Soviets are engaged in a bitter dispute over Middle East policy. Pres. Assad of Syria remarked after his recent visit to Moscow, 'we disagree on almost every sphere vital to Syria.'

"Syria feels the Russians will abandon them in an effort to appease Israel. The Syrians are incensed at the decision of the Soviets to withhold more advanced weapons from Syria. Assad is well aware that the Israelis are receiving the most advanced weapons from the U.S."

The truth of the Middle East is that not one single Arab nation has ever been controlled by Russia and they all hate communism. Communist Jews high in the Soviet government are working on ways to aid Israel with a peace "agreement" which will be to the detriment of the Arab countries as well as the Palestinian people.

Israel's Trade With Red Grows

Chicago Jewish Sentinel of April 5, reports that Israel had its largest trade year to date with communist bloc countries. Israel exported \$67 million in goods to East Europe and imported \$170 million. U.S. foreign aid helps reduce this trade difference. The Sentinel reported this trade is carried on by a New York Israeli corporation which has been designated as the "official representative for all export business" by the communist regime in Hungary. This firm in turn arranges for trade through Hungary with other Soviet puppet states. In other words to coin a Jewish term, "business is business!"

"anti-Semitism and racism and other forms of bigotry are acts of terrorism." Still, Jews and blacks who attack, rob, rape, assault White Christians on the streets will not be protected from the stiffer penalties of such measures. We are supposed to be the majority and therefore not eligible for special protections under these laws. When we become a minority in America by the year 2020 we still will not be accorded such protections — BECAUSE THE REAL DISCRIMINATED PEOPLE ARE WHITE CHRISTIANS!

A White Workers Platform

Carlson's Unique Campaign Theme

Why did Gerald Carlson do so well? How come he almost won? We think the answer lies not only in his dawn to dusk door to door footwork in personally meeting and talking with thousands of White working class registered voters BUT ALSO HIS UNIQUE PLATFORM.

Carlson argues that White ethnic groups are a minority in the country when you consider there are 30 million Blacks and 17 million Hispanics. The government has all kinds of give-away programs to help these special interest minorities. But, when you look at the White ethnic minority groups who pay all the taxes we are cut off from most government aid programs. Carlson came out FOR: Protection against unfair foreign trade which costs Americans jobs, Stop immigration,

Social Security for Americans only, Rights for White Minorities, Discontinue Federal Reserve, Less foreign aid, Right to Bear Arms.

Against forced busing, preferential treatment for colored minorities, welfare fraud, amnesty for illegal aliens, taxpayer bailout of big banks, etc. Future potential candidates should study this winning formula.

Marchers Demand Missionaries Be Stopped.

Over 1,200 Jews recently marched on Congregation Beth Yeshua (House of Jesus) in the Overbrook section of Philadelphia, in protest against what were called the group's deceitful missionary tactics.

The demonstration took place despite Beth Yeshua's attempt, on Rosh Hashana, to get a court injunction against it. A major boulevard was closed off as the orderly, peaceful marchers filled the streets. The demonstration was arranged, sponsored and financed by the Anti-Missionary Coalition of Greater Philadelphia.

The coalition was formed last May by Bill Maghen, a 20-year-old University of Pennsylvania student, to combat the conversion tactics of Beth Yeshua.

Maghen issued the following statement during the demonstration:

"We are here today to show the missionaries that we as a unified community will not stand idly by as the spiritual blood of our brothers and sisters is split. No longer will the messianics, Jews for Jesus and similar organizations steal our people unchecked.

"We are here to tell the various evangelical denominations, churches and individuals that support the messianics morally and financially, that if they wish to con-

tinue to live harmoniously with their Jewish neighbors, this support must cease.

"Most important, we are here to expose the true nature of Beth Yeshua and other missionary groups, and the hoax they perpetrate. We hope to alert every Jew in America to the threat such organizations pose to the very survival of Judaism.

"Things are not always what they seem. Forty years ago our grandparents were told that showers had been prepared to cleanse their Jewish bodies—they were gas chambers. Today, Beth Yeshua offers to cleanse your Jewish soul. In the name of God, don't be fooled again."

Jews Oppose Christ in Christmas

Supreme Court Approves Nativity Scenes

Jewish organizations throughout America have filed numerous law suits to force the banning of Christmas nativity scenes on courthouse steps, public parks, etc. They claim this is a violation of separation of church and state. All these cases were combined and taken to the Supreme Court. The court has always ruled against Christians in the past and the Jews believed this to be another "easy victory." Such did not occur. Last March the high court, on a close vote, ruled 5 to 4 that public property can be used for Nativity scenes at Christmas.

New York University Dean of Law, Jew Norman Redlich, charged that the court decision "insults Jews" and has caused "anguish" among Jews. He said city-owned property should not be allowed to display scenes depicting the birth of Jesus to the Virgin Mary, with the crib in a stable surrounded by the three wise men because this "represents an official endorsement of Christianity." WHAT IS SO TERRIBLE ABOUT THAT???

Redlich said, "Pres. Reagan may believe this is a Christian nation but the court should have rejected this unAmerican notion. Next they will want us to accept the Crucifixion of Christ at Easter instead of the Easter bunnies and eggs." Thus

we see the deep seated hatred Jews hold for everything which is Christian. They have long sought to substitute Santa Claus for Jesus Christ.

Jews love to have Christians spending all their money in Jew stores at Christmas and going deep into debt but they hold the celebration of the birth of Christ as an event which should be relegated to attic shelves as a myth. This has been accomplished in Russia with Santa Claus called "Uncle Frost" being the only recognized event of Christmas. Still the Jews celebrate their Hanukkah at the very same time as our Christmas.

They have the government erect a gigantic menorah symbol of Judaism on federal property directly across the street from the White House so that the President has to look at it every day! The time has arrived for all Christians to rise up and openly declare that America is indeed a Christian nation and not a Jew nation.

Jews now have their Jew nation in Israel which discriminates against Christians in every way possible and seeks to eradicate our religion from the Holy Land. Why should we allow them to do the very same thing to our faith right here in our own country? THIS IS A CHRISTIAN NATION - IF THE JEWS REFUSE TO ACCEPT THIS TRUTH LET THEM PACK THEIR BAGS AND MOVE TO ISRAEL!

Christians Harassed In Israel

Evangelicals Called "Cults"

The Socialist Kibbutz movement of collective farms and factories has demanded the Israeli secret police investigate Project Kibbutz an evangelical Christian group which sends young Americans to live and work free in Jewish kibbutz. There are some 15 young Christians living in 7 kibbutz collective farms. Jews charge they are talking to young Jews about Jesus Christ and therefore should be deported from Israel.

Levi Yossi charged that the Young Christians "dated" and engaged in "sexual intercourse" in the kibbutz camps. This was denied by the Christians since such relationships between Jews and Christians is banned in the Jewish camps. The Israeli government is investigating the Christians to see if they should be formally charged.

Just think of the outcry if Christians in America demanded Jews be investigated for promoting their religion and for seeking to dilute our faith which they are certainly guilty of doing.

Jews claim that America is NOT a Christian nation but you had better not say Israel is not a Jewish nation! Israel discriminates and suppresses every other religion. Why is this news censored by our daily press???

Jews Attack Christian Missionaries in Israel and In U.S.

The Daily Press never prints any news about Jewish persecution of Christian missionaries in both Israel and right here in America. Judaism is the only religion in the world which has no missionaries and strongly discourages converts. In fact rabbis have stated they actually do not recognize the high publicized "conversions" to Judaism of Hollywood stars such as negro Sammy Davis Jr., Elizabeth Taylor, etc. The reason for this is Jewish Talmudic law requires that for one to be a truly recognized Jew they must be born of a Jewish woman. The strength of World Jewry is that they are of ONE RACE, ONE RELIGION AND ONE NATIONALITY!

On this page we reproduce

an article from "The Southern Israelite," Oct. 19, 1984 which tells of 1,200 Jews demonstrating and threatening Christian Missionaries in Philadelphia. The Jews have formed the "Anti-Missionary Coalition" for the purpose of running the Christians out of "the City of Brotherly Love!" It seems that the House of Jesus, a Christian Church had sought to preach the word of Christ to Jews who would listen. Jew Bill Maghen of the "Anti-Missionary Coalition" threatened violence against the church stating, "we will not stand idly by as the spiritual blood of our brothers is spilt!" . . . he arrogantly demanded they "must cease" their activities. An entire street had to be blocked off to make room for all the Jew demonstrators screaming their hatred for Christianity.

Jews Demand No Link of Hanukkah to Christmas

Sony TV Ad Draws Jews Anger

Innocent ad of reindeer sample of Jew protest letters to Sony and Newsweek

Dear Sirs: I would like to express my opinion about the picture that appears in your magazine the week of Nov. 19, 1983. I think, as a Jew, that using the reindeer's antlers symbolizing our menorah and putting it together with a reindeer, a symbol of Christmas, is very disrespectful. It makes me angry that your magazine doesn't have more respect for different religions than to allow an advertisement such as this.

Sincerely yours,
Mario Hershowitz

Dear Sir, I read your advertisement in Newsweek today. The problem with it is that a reindeer with Christmas socks and horns like a menorah might insult Jews. Jews don't like advertisements mixing Christian holidays and Jewish holidays like it's one re-

ligion. I just wanted to let you know how I felt about this advertisement.

Sincerely,
Meira Groner

Newsweek Magazine carried an ad for Sony TV depicting a reindeer with Jew menorah candles on its horns. It was a simple ad which suggested that both Christians and Jews should purchase Sony TV sets as gifts since both religious feasts fall close to the same date. (Note: The Jew Hanukkah holiday was such an obscure date in Jew history that it was not celebrated at all until 20 years ago. They only recently sought to make it an equal with Christmas to prevent Jews from exchanging gifts in celebration of our Christmas Holiday.)

Organized Jewry, always thin-skinned and super-sensitive Jews made a big protest over this innocent cartoon. They demanded a public apology from Newsweek (which they got) and extracted a promise from Sony that they would never inflict such harm upon Jews again. (A promise they received.)

Still the Jews were not satisfied and the two letters published on this page represent the vicious hatred Jews hold for Christianity over such trivial incident! How can we live in brotherhood and peace with such people as the Jews when they are forever at war with absolutely every other religion and race?

Jews want Christians to accept "Judeo - Christian" subterfuge but Jews will not equalize their religion in a "Christian - Judeo" concept.

Ritual Murder Reappears In Radical Jew Wr

Suppressed News of History's Most Shocking Murder Cult.

By Dr. E. R. Fields

Child Abuse And Jewish Ritual Murder

America has been swept with cases of abuse, molestation and rape by people operating day care centers, kindergarten schools, etc. A recent couple arrested on such charges in Miami, Fla., were Jewish. It is a fact that at least 90% of the pornography in America is produced by Jew owned businesses located in New York and Calif. Experts have long warned that pornography is directly linked with the inciting of perverts in their attacks upon children.

The Talmud, the real bible of the Jews, specifically permits sexual perversion. Incest is permitted by The Talmud along with other such conduct. (See our two books, "The Talmud Unmasked" and "The Plot Against Christianity" on our book page.)

Dangerous Jewish Cults

Hasidic Orthodox Jews contain elements of radical Jewish cult elements. Many are violently anti-Christian. They often war among each other burning and vandalizing each others synagogues and even physically attacking rival fanatical religious leaders. This goes on in the streets of New York's teeming Jew ghettos as well as those in Israel. These are the Jews one sees on the street wearing black suits and hats with long kinky curls and typical hooked nose, thick fleshy lips, slant eyes and other typical Jew features. This is because in most cases their parents have not intermarried with Gentiles and their blood is more "racially Jewish" than Reform Jews.

Jewish Ritual Murder is a famous book by Arnold Leese, the renown British Patriot and considered the definitive work on the subject. (Available from The Thunderbolt - see our book page.) He stresses the ancient Judaism practiced human sacrifice just as did the Aztecs of Mexico and the Suttee and Thuggee religions murder cults of India. Ritual Murder of children has continued into the 18th and 19th centuries. Practices which have been suppressed by law have a way of re-emerging when the race that created such a blood cult grows in power and fanaticism such as is evidenced by Rabbi Meir Kahane who wishes to drive all the Palestinian peoples out of their homeland even if it takes killing them. In fact Rabbi Kahane's Kach party and secret terrorist JDL army have already committed such acts against innocent civilians in Palestine.

Christian Children Disappear

The Ritual Murder charge has been made against Jews for the past 800 years. In most documented cases a Christian child age 7 or under disappears. The body is later discovered. The victim usually has stab wounds in the hands, forehead and in the side - just as the wounds of the crucified Jesus Christ. The most important part is that the body has been drained of its blood!

The Universal Jewish Encyclopedia of 1941 states there are legally recorded some 200 Ritual Murders in the 18th and 19th centuries adding, "in all of the cases in history, the guilt of Jews charged has never been proven."

The truth is, that in many of these cases the evidence in the trials was well preserved and recoded for history with judge and jury convictions! We will cite some of the more famous cases. The Christian child usually is found murdered around the Jew Passover holiday and often Jews under arrest have confessed. Each time their statements have carried the same theme, that the nation of Zion cannot be saved unless the blood of a Christian is obtained through ritual sacrifice! The blood of a Christian child is required for the preparation of Matzo bread.

In 1803, the Moldavian monk, Neophite, who was the son of a rabbi converted to Christianity wrote a book, "The Secrets of My Father's Faith." It stated that certain Jewish radical Orthodox sects believed that they severed God by killing Christians. He wrote that the Jews who used the most Christian blood were considered the most holy. Neophite asserted Jews sprinkled themselves with Christian blood, the symbol of Jesus' blood, as a precaution in the event Christ turned out to be the true Messiah.

The most recent recorded cases include the murder of young boys in Bamberg, Germany in 1937 and Welhartitz Czechoslovakia in 1940. Dr. Erich Bischoff who is an expert on Jewish cabbalistic theosophy states he discovered a passage in The Talmud which, *pertains to the killing of strangers, who are like Beasts. This killing has to be done in the lawful method. Those who do not ascribe themselves to the Jewish religious law must be offered up as sacrifices to the High God!*

The famous Jew author, Bernard Lazare in his book "The Anti-Semitism" says Jews have always been famous as magicians and in sorcery (which includes Houdini and David Henning of today).

Lazare admits: *"One finds many formula of exorcism in the Talmud and the Talmudic and Cabbalistic demonology is very complicated. Now one knows the position that blood always occupies in the operations of sorcery. In Chaldean magic it has*

Blood Ritual Libel

Who hasn't heard the vicious libel of anti-Semites that Jews make their matzah with the blood of gentiles? But who would ever think that that card would be hurled at the Jews by a Jewish writer? It's hard to believe, but that's what happened in a literary magazine put out at the University of Tel Aviv, a quarterly which receives a government subsidy.

In a special issue which featured American-Israeli literary bonds (P-O, Aug. 10), the quarterly called, *Siman Kriah* (Exclamation Mark), a poet Isaac L'or had a poem in which he puts into the mouths of the Gush Amunim (the Orthodox Jews who demand Jewish retention of the West Bank) these words: "In the holiday of freedom, the festival

of Matzot, we will celebrate with holiness and with fervent tremor, and in our matzot will be the blood of Palestinian boys."

Not aware of what was in the poem, the American embassy sent out copies of the magazine. One of the recipients, Moshe Zack, editor of the newspaper Maariv, at once wrote an angry open letter to the Israeli Department of Education protesting the enormity. The University was shocked too, and ordered the magazine editors off of its premises.

Oddly enough, the faculty advisor of the magazine, Menachem Peri, a member of the Tel Aviv U. faculty, pooh-poohed the commotion the poem engendered, saying, in a Maariv rejoinder, that the words were meant symbolically not literally. (Mordecai Stigler, in the Forward.)

very great importance . . . Now, it is very probably, even certain, that Jewish magicians must have sacrificed children; hence the origin of the legend of ritual sacrifice."

We know of 122 Ritual Murder cases in the 18th century and 42 in the 19th century. Of course one must wonder about the fate of large numbers of other children who have disappeared during the Jewish Passover season. It is quite easy to dispose of the body of a small child thus in the nearly 200 known cases an actual body was found, drained of its blood, with the ritual markings which are consistent with the other cases.

Most Famous Ritual Murder Cases

There are many famous Ritual Murder cases and when you look them together they make the crucial point that one racial-religious group had to be responsible for these atrocities. The great importance of these cases is that the Ritual Murder charge against the Jews was one of the chief reasons that at one time or other in history the Jews were expelled from every nation in Europe!

Date 1144, Norwich, England: A 12 year old boy was crucified with his side pierced during the Jewish Passover. His body was found in a sack hidden in a tree. A converted Jew, named Theobald of Cambridge, confessed that the Jews took blood every year from a Christian child because they believed that only by so doing could they ever return to Palestine. Theobald said it was their custom to draw lots to decide when the blood was to be supplied. He revealed that last year the lot fell to the Jews living in the village of Narbonne but this year to Norwich. The boy was locally beatified and has ever since been known as St. William of Norwich.

Date 1255, Lincoln, England. A boy called Hugh was kidnapped by the Jews and crucified and tortured. The boy's mother found the body in a well on the premises of a Jew named Joppin. This Jew, promised immunity by the judge, confessed and 91 other Jews were arrested. Eventually 18 were found guilty of Ritual Murder and hanged.

The Jew Joppin said, "for the death of this child, nearly all the Jews in England had come together and every town had sent deputies to assist in the sacrifice." King Henry II personally ordered the judicial investigation of the case. He refused to show mercy upon Joppin, cancelled his immunity, and he was hanged. The child was beatified as "St. Hugh of Lincoln" and buried in a high church ceremony in the Lincoln Cathedral where his tomb may still be seen.

Jews Expelled From England

Date 1290 is one of the most important in history because it records the Ritual Murder of a Christian boy at Oxford. The Jew named Isaac de Pulet, was found guilty of the crime. Just one month later England's greatest King, Edward I, decided this was

St. Simon of Trent, Italy is one of history's most famous Ritual Murder cases. This mural is in the church of St. Peter in Trent. Pope Benedict XIV declared Simon a Saint, a martyr to his Christian faith. Seven Jews were convicted and executed for this foul murder. The torture instruments used in this "sacrifice" are on display in the church.

Another famous Ritual Murder of Christian boys in Regensburg, Germany. Six bodies were found in the basement of a Jew named Josfol. Also, a blood-spotted stone altar-basin as pictured above was discovered. This drawing is photographed from the very rare book, "Bavaria Sacred."

the last straw and ordered the deportation of every single Jew in the country. It just so happens that after this expulsion England entered one of its greatest periods of advancement and prosperity!

Date 1287, Berne, Switzerland. Rudolf, a boy, was murdered at Passover in the house of a rich Jew named Matler. Jews confessed that he had been crucified. Many were put to death. The boy was canonised as a martyr, and his name can be found in several martyrologies. Today a stone monument still exists in Berne commemorating the crime. It is called The Fountain of the Child-Devourers. At first it was placed in a street at the entrance to the Jewish quarter as a reminder of the monstrous crime and as a punishment for the whole of Berne Jewry. Later it was removed to the Kornhausplatz where it can be viewed by the public today.

Date 1462, Rinn, Innsbruck, Austria. A boy called Andreas Oxner was bought by the Jews and sacrificed for his blood in a forest. The body was found by his mother in a birch tree. No Jew was apprehended because, the border being near, the entire Jew community fled the country when the crime became known. Even though there was no trial Pope Benedict XIV in his Bull Catus Andreas, in Venice, 1778 declared that the child was indeed, "cruelly assassinated by the Jews in hatred of the faith of Jesus Christ."

Pope Benedict commissioned Cardinal Ganganelli to investigate the murder of young Andreas and the final report read:

"I admit the truth of another fact, which happened in the year 1462 in the village of Rinn, in the Diocese of Brixen, in the person of the Blessed Andreas, a boy barbarously murdered by the Jews in hatred of the faith of Jesus Christ."

Historians do not question the facts of this case and there still exists a wood engraving of the Ritual Murder in the Rinn church.

Fully Documented Cases

The Case of St. Simon of Trent, Italy, 1475. A three year old boy named Simon disappeared. A massive search began and the body was "found" by Jews hoping to avoid suspicion. The Jews said he had drowned in a channel. Examination of the body revealed there were strange wounds on the body. He had been crucified! Seven Jews were arrested. They confessed that the child had been ritually murdered for the purpose of obtaining Christian blood to mix with the ceremonial unleavened Matzo bread. These confessions were made separately and all agreed in essential details. The Jews were eventually executed. During their trial a converted Jew, Jean de Feltro, described how his father told him that Jews of his town, Lanzhut, had killed a child at Passover to get the blood which they partook in wine and cakes. No Jew has ever dared to deny the historical events of this case.

Since the world's largest Jewish community existed in Poland during this period they pleaded with the Pope to come to their defense. They feared the growing number of Ritual Murder charges, which began to pile up as additional children were found drained of their blood, might incite violence against Jews. Pope Clement XIV decided to investigate with the advance statement his view was to exonerate the Jews. But, his report stated:

"With my weak faculties I endeavored to demonstrate the non-existence of the crime which was imputed to the Jewish nation in Poland. I admit then as true the fact of the Blessed Simon, a boy, 3 years old, killed by the Jews in Trent in the year 1475 in hatred of the faith of Jesus Christ."

Pope Sixtus IV approved of the guilty verdict against the Jews in the Simon case in Papal Bull XII in 1478. Pope Gregory XIII recognized Simon as a Christian martyr and even visited his shrine in the Church of St. Peter, Trent, Italy. It lies there today along with relics including the sacral knife which the Jews used to torture the child.

Jews Expelled From Spain

Date 1490, Toledo, Spain. A Jew named Yuce confessed to having been present at the crucifixion of a boy called Christopher at La Guardia near Toledo. Yuce was promised immunity from punishment for himself and he described the whole crucifixion providing the names of his accomplices. On Oct. 25, 1941, a jury of seven noted Renaissance scholars who occupied the Charis at Salamanca University examined the case and were unanimous in finding Yuce guilty. A second jury of five learned men of Avila, who considered the evidence concerning Yuce's accomplices and unanimously declared them guilty. Eight Jews (some were Marranos-pretended converts to Christianity who still secretly practice Judiasm) were executed.

Historians state this case convinced King Fernando and Queen Isabel to expel all the Jews from Spain and Portugal. Contrary to what Rev. Jerry Falwell says about nations which are against the Jews "being cursed," after Spain was free of the Jews this nation blossomed into the greatest period of greatness and prosperity of all time. While the Jews had been granted their every wish in America our nation has been cursed and our national problems worsen with each passing day. How can Rev. Falwell explain that???

Most Important Case of 20th Century

Date 1911-1913, Kiev, Russia. The body of a boy, 13, was found at Kiev drained of his blood and with curious wounds. The Jew Beiliss was arrested. It was proven that the murder took place on the premises of a Jewish brick factory to which only Jews had access. This factory contained a hidden room with a secret synagogue attached. Beiliss, the owner of the factory, was tried. Half the jury were not convinced he actually committed the murder while the other half believed he didn't. Thus there was no conviction.

The important part is the following report on the murder which was unanimously agreed upon by this jury, which reported:

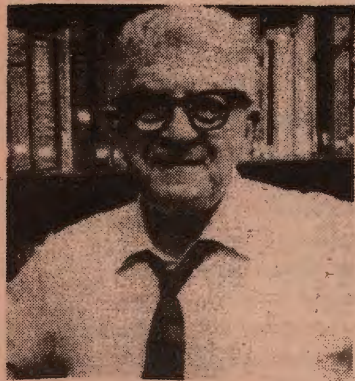

"The boy, after being gagged, was wounded with a perforating instrument in the nape of the neck, temples and neck, which wounds severed the cerebral vein, the left temporal and jugular arteries producing hemorrhage; and afterwards, when the boy (named Joutchinski) had lost about five glasses of blood his body was pierced with the same instrument, lacerating thus the lungs, the liver, the right kidney and the heart, where the last wounds were inflicted, in all 47 wounds, causing acute suffering to the victim and the loss of practically all the blood of the body, and finally death."

It is also of interest that two children, named Genia and Valentine Tcheberiak, who were important witnesses against

The Daily Press continues to publish articles claiming communism persecutes Jews and that is why we should give Israel near half of all our foreign aid. When one studies the facts showing that Jews financed the Soviet overthrow of the Christian Czars of Russia in 1918 and made up a majority of the original red rulers under Lenin this policy must be questioned.

He is the official "theoretician" of the Party and issues all statements explaining the Moscow line for Communists in America to follow. Aptheker is also the editor of the Party quarterly magazine. Note also that his managing editor is a fellow Jew, Seymour Joseph.

The Communist Party has always had a Gentile front man as chairman. For some years this has been Gus Hall with second in command being the blind negro Henry Winston who is married to a White woman. Before Hall, Eugene Dennis was chairman of the Party, and his wife was a Jewess. In many cases Red leaders who were not Jews themselves have been married to a Jewess. One of Stalin's wives was a Jewess, Brezhnev had a Jewess for a wife and Andropov was himself a Jew!

The Communist Party likes to keep Gentiles out front as window dressing but when you look behind the screens you find most second line positions filled by Jews who actually run the Party on a day to day basis.

The Economics Section of the C.P. is headed by Jew Victor Perlo. Recently his main job has been to write article after article proclaiming that Bulgaria and Russia's KGB had nothing to do with the attempted assassination of the Pope. He charges this is all an "anti-Soviet propaganda campaign to prepare the world for a nuclear first strike by the U.S."

Soviet Leaders Intermarried With Jews Russian Leaders Prefer Jewish Wives

The recurring news item relating that many of Russia's top Communist leaders are married to Jewish women was repeated by the Zionist Information News Service (ZINS) from Tel Aviv from a news article in Ha'aretz, the morning daily. The list starts with Molotov and Brezhnev, and continues with Feliks Dzeshinsky, founder of the Soviet Secret Police; Sergei Kirov, head of the Communist Party in Leningrad; Michael Kalinin, a Soviet President; Anatoly Lonatcharsky, first Soviet Minister of Culture; Marshall Clement Voroshilov, and many others. Stalin's daughter, Svetlana, married a Jew; and her brother, Yacov, married a Jewess.

The Political Action Commission of the C.P. is headed by Jew Simon Gerson. He ran the recent communist campaign of Gus Hall for Pres. and negress Angela Davis for Vice-Pres. Since the Daily World all but endorsed Mondale and Ferraro he explained why they run their own candidates. Gerson said the C.P. must put forth ideas and views that will be accepted by Americans in the future without their actually knowing they originated out of communist ranks.

Jewish Affairs is the magazine which represents the "Jewish Cultural Clubs." Its editor is the Jew, Lewis Moroze. The clubs are also referred to as the "Jewish Section of the Communist Party." Moroze recently interviewed Aaron Vergelis, editor of Russia's Yiddish Heimland magazine. Vergelis was on a speaking tour in the U.S. praising the progress Jews have made under communism in the Soviet Union.

Peggy Dennis dedicates her autobiography to her husband Eugene Dennis, one of the leading figures in the American Communist Party from the late 1930s through the 1950s. She had a long history in the Communist movement in her own right. Peggy was born into a family of left-wing Jewish immigrants, where she grew up in a self-contained and ardently radical community in Los Angeles. At the age of thirteen, she joined a Communist children's group and moved on to the

Young Communist League and the Communist Party by the time she was sixteen. With Gene Dennis she helped organize the unemployed in California in the early 30s, and worked in the Moscow headquarters of the Communist International later in the decade.

As her husband rose in the American Party's hierarchy, Peggy increasingly subordinated her own considerable political talents to the role of providing emotional support for him

Danny Spector

A new rising "Red Star" reporter for the Daily World is Danny Spector (Jew). He recently quoted the Philadelphia Jewish Times (April 12, 1984) stating: "Jews remain the most liberal group in America. Some 90% support a nuclear freeze, the ERA and abortion." These are all major programs of the C.P.

Edward Boorstein is a communist economist. He once was an advisor to Cuba's Fidel Castro. Later he was an aid to Chile's Marxist President Allende before his overthrow. Today Boorstein is in the U.S. working for the C.P. and giving plenty of advice to liberal political leaders.

The New School for Social Research is operated in New York City to train young people in the methods for spreading communist ideology - especially on the campus. Its head is Jew Sidney Gluck! He recently was chairman of a three day conference of 100 Marxist college professors who teach in the New England states.

Alva Buxenbaum

The Woman's Rights Section of the C.P. is headed by Jewess Alva Buxenbaum. She speaks on college campuses and often at the Brooklyn College (CUNY). She is also a feminist spokesman in the communist front known as the U.S. Peace Council which is headed by Jew Michael Meyerson.

Jew Ritual Murder continued from page 7.

Beiliss because they saw him pick up the boy, died suddenly shortly after his arrest. They were examined by two Jewish doctors at the hospital. They certified the girls to be suffering from dysentery, and bacilli caused by food poisoning. Their mother also was offered a bribe of 40,000 rubles by a Jew lawyer to take upon herself the guilt for the murder of the stabbed boy but she refused!

One witness in the case was Father Pranaitis, the world-famous expert on the Talmud and a translator of Hebrew. He testified that it was the Hasidic sect of Jews who were responsible for Ritual Murders. Father Pranaitis explained the case had every sign of Ritual Murder. He said The Talmudic, Zohar, a cabbalistic book of the Hasidics, described the ritual requiring 13 stab wounds in the right temple and 7 in the left, which is exactly how the head of the murdered boy had been treated!

Could It Happen Again???

The answer is "WHY NOT!" Jews are becoming radicalized, more violent, and more aggressive than ever before. Extremist Jewish sects including the Hasidics are moving into America and forming new ghettos. They openly profess a hatred for Christians and Moslems and have leaders who threaten to murder their enemies such as Rabbi Meir Kahane. Just as cannibalism has returned to parts of "Darkest Africa" where the White hand of civilization has been driven out and Thuggee is reappearing in India-why should we not believe that ritual sacrificial slayings by fanatic Jew cultists will not return to plague our society once again???

Be on guard against any Hasidic Jewish cult which may well spring up in your city. These people dress in black, live in the same neighborhood, wear religious skull caps all the time or black hats - they are easy to spot and should be closely watched - especially if any young Christian children should disappear in your city. (Note: This is suppressed news which will never-ever-appear in your daily press. It is your duty-now armed with the truth-to spread this news to other Christians so they will realize that these self-proclaimed "poor persecuted chosen people" can be vicious and dangerous enemies).

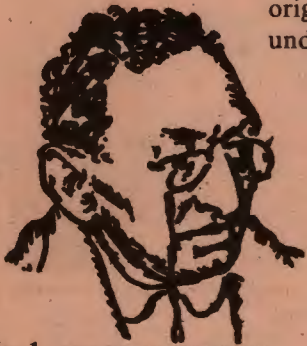

Famous Photo Reveals Jewish Face of Communism

THE FIRST "PEOPLE'S COMMISSARIAT." Taken immediately after the 1917 revolution, The Founding Soviet Leaders

Rare photo of the first "People's Commissariat." This picture was taken immediately after the Bolshevik overthrow of the Christian Czar and Russia's Provisional Government. Lenin did not attend this initial meeting but the intriguing part is that all of the seated communist leaders are Jews as well as most of those standing behind them. Seated, from left to right, Uritzky, Trotsky, Sverdlov, Zinoviev and Kaganovich.

These drawings have the original Russian language titles underneath.

Uritzky (No. 1 in the picture), his real Jew name was Moses Solomonovich. He was the head of the first communist "Constituent Assembly" now called the Congress of the Soviets. In 1918 he became the first head of the dreaded and murderous secret police called the "Cheka." Today it is known as the KGB. He was assassinated by relatives of his victims on Aug. 30, 1918.

Sverdlov (No. 3 in the picture), his real Jew name was Jacob Mikhailovich. He was the first President of the Soviet Republic and considered one of the top five leaders under Lenin. He was also Chief of Economics in Russia.

Lenin was the founder of the Soviet Revolution and today is the spiritual father of world communism. Lenin was one-fourth Jew. His mother's father (his grandfather) was the Finnish Jew Alexander Blank. Lenin's common law wife was the full-blooded Jewess Nadezhda Krupsakaya!

Their goal is the establishment of Communist Parties in every nation in the world for the violent overthrow of all existing governments to build a Communist world of the future. He held this important post until 1926.

Trotsky (No. 2 in the picture), his real Jew name was Lev Bronstein. He was long considered the "co-equal" with Lenin in ruling Russia before the rise of Stalin. Trotsky was the first Commissar of Foreign Affairs (like our Secy. of State) and later became Commissar of War with power over all of Russia's armed forces. He was known as the Father of the Red Army.

Lee Harvey Oswald's Lawyer Dallas, Texas police arrested Lee Harvey Oswald for the assassination of Pres. Kennedy and Oswald's first request was, "I want Attorney John Abt to defend me." John Abt is a Jew of Russian descent who has been the official lawyer for the U.S. Communist Party for over 30 years.

Recently at a ceremony at the Soviet Mission to the U.N. in New York, Abt was presented a high award, the Doctorial Honors of the USSR Academy of Science. After accepting the award from Igor Makarov Abt stated:

MISS STALIN LAVISHLY WED

Nuptials of Dictator's Daughter Cost a Reported \$900,000

LONDON, July 15.—(AP)—Joe Stalin's favorite daughter, Svetlana, was reported today to have been married in Moscow amid a two-weeks show of splendor and flowing vodka.

The London Sunday Express and two Italian publications reported that the black-haired daughter of the Soviet Dictator had married Mihail Kaganovich, son of Politburo member Lazar Kaganovich.

Svetlana, 27, had been married before. The three publications which reported the marriage did

always been in how it can be used to assist and defend those who are in the forefront of the ongoing struggles in this country for social justice, racial equality and peace. My life long legal struggle for the rights of the Communist Party will help sow the seeds for a socialist America of tomorrow!"

KAGANOVICH

Lazar Moissejevich Kaganovich, 48, probably the ablest man on the Politburo, is now Commissar for Oil. He developed the Donets Basin and built the Moscow subway, has specialized in heavy industry, the railways and oil. The Czar's jails caught him young. Tall, charming and intelligent, he comes of a poor Jewish family of five brothers, three of whom are now commissars. A sister Rosa first lived with Stalin, then after the suicide of his second wife is supposed to have married Stalin. The only surviving Jew among Russian big shots except Political Commissar Melchis, he likes the movies of Charlie Chaplin and Harold Lloyd. Though he needs a shave at left, he is one of the most eligible-looking members of the Politburo. He is a close Stalin man and copies Stalin's dress and mustache even more closely than the others.

The above excerpt is taken from Life magazine, July 14, 1941.

The excerpt to the right is taken from Life magazine (July 14, 1941). It identifies Lazar Kaganovich as (1) "probably the ablest man on the politburo"; (2) "Stalin's brother-in-law"; (3) "the most eligible looking member of the politburo"; (4) a Jew. Facts like these are considered "anti-Semitic," are seldom printed by the American press.

Lazar Kaganovich (No. 5 in the picture - this is his real Jew name.) He was an original Bolshevik and Stalin's closest friend. He became the second most powerful ruler in Russia under Stalin as Commissar of Heavy Industry. He held this post until Stalin's death and this is proof that Stalin could never have been "anti-Semitic" as has been propagandized by the daily press. Indeed, Kaganovich was doubly related to Stalin. Kaganovich's sister Rosa married Stalin to become his third wife. (Stalin strangled his second wife to death!) Stalin's daughter Svetlana's second husband was Kaganovich's son Mihail. Thus if Stalin had been anti-Semitic as the daily press would have us believe he would have had to have hated his wife, son-in-law and father-in-law!

Svetlana Stalin's elaborate marriage to Mihail Kaganovich was reported by the Associated Press on July 15, 1951. Facts concerning the origins of Soviet rulers are not only censored in Russia, but in the U.S. as well. Any American publication revealing that Stalin has a Jewish wife and a Jewish son-in-law would be accused of "bigotry" and "hate mongering."

Russia And Jews Keep Hess In Prison

Jews Keep Rudolf Hess In Prison

The Prisoner of Peace is how most people describe Rudolph Hess. He flew to England in 1941 to try and formulate a European peace plan which could have saved millions of lives and stopped the Soviet take over of East Europe. Hess was immediately imprisoned under direct orders from Churchill who had already decided on an "unconditional surrender" plan for the destruction of Germany.

Today Hess has been in prison for nearly 44 years and is the last inmate in Berlin's Spandau prison which is operated by the four allied powers which still occupy and dictate to Germany. Supposedly the British, French, and Americans all want to see Hess released but claim they cannot do so because the Soviets will not agree. There is another race and nation which demands that Hess remain in prison until he rots to death and that group is organized Jewry.

Last April 26, Hess's 90th birthday thousands demonstrated throughout Germany peace-

Germany Still Occupied By Allies

No formal peace treaty has ever been signed by Russia, England, France or the U.S. with Germany. Very few people today realize that Germany is not a free country and is still ruled by the occupation laws set down by the Allied conquerors. How many know that it is legal to be a member of a Nazi party in America but illegal in Germany! While the Communist Party is recognized in West Germany the Nazi Party is outlawed!

Even moderate right-wing parties are banned in occupied West Berlin. Note the shocking article reproduced on this page from the Chicago Jewish Sentinel. (No daily newspaper carried this shocking news.) The National Democratic Party is banned from running candidates for political office in West Berlin because the allied authorities have so ruled!

All patriotic Americans should note that Michael Kuehnen's "Action Front National Socialists" is banned in West Germany on the grounds they violate the "Allied ban." The reason for these anti-freedom arrests is the youths "displayed and distributed anti-Semitic material." Such material is legal in America and other countries but illegal in West Germany because that poor nation is STILL UNDER ALLIED OCCUPATION RULE!

Last April 26, Hess's 90th birthday thousands marched in cities throughout Germany demanding Freedom For Hess. Hess's son (with hand in pocket) leads march.

fully for the release of Hess. Not only did the communists denounce such efforts but so did the Jews. On this page we reproduce an editorial from the Chicago Jewish Sentinel of May 24, 1984 by Rabbi William Frankel. This vicious call for vengeance against Hess who left Germany before Russia and even America got into the war is an outrage. Hess peace treaty could have saved Western Civilization, yet the Jews remain faithful to their decree, "WE WILL NEVER FORGIVE - WE WILL NEVER FORGET!"

Rudolf Hess - age 90 - defies death as his inhuman 44 years in prison spotlights continued un-democratic allied occupation rule!

No Peace Treaty Has Ever Been Signed With Germany - WHY?

Below from "Jewish Sentinel" Sept. 20.

Allied powers in Berlin bar NPD participation in upcoming elections

BONN (JTA) — The Western Allied powers in West Berlin have issued an order barring the neo-Nazi National Democratic Party (NPD) from taking part in the March 10, 1985 elections to the city's Parliament. The NPD is banned in Berlin but has nevertheless a following estimated at several thousand people.

The Allied command order is meant to head off a possible NPD initiative to try to gain seats in the local Parliament. Elsewhere in West Germany the NPD is not barred from participation in election campaigns.

On the local level, however, it did manage to penetrate into some elected assemblies.

West Berlin is a case apart because there is no West German sovereignty there and the ultimate powers lie with the Allied powers.

More Erosion of Freedom In Germany

The Jewish Telegraph Agency of June 20 congratulated Germany's Justice Minister Hans Englehard. He proposed a new law imposing a maximum three years in prison for anyone who denies that the Germans ever killed 6 million Jews during W.W.II. The truth is that the holocaust has already been revealed to be a hoax and no more than 300,000 Jews died. This is a number far fewer than any major combatant nation in that tragic war. Still Englehard said the law would apply equally to those who question the holocaust, those who applaud the holocaust as well as those who deny it merely to "insult" Jews.

Thankfully, as of this writing, the Bundestag still has not approved this proposed special tyrannical law.

Neutrality On Jews Is Anti-Semitic!

Waterbury, Conn., Rabbi Joseph Heckelman states that people who say, "I'm not against Jews, only against Zionism, are actually anti-

Semitic. Since all Zionists are Jews, to be against Zionism is tantamount to being anti-Semitic."

The rabbi stated, "Zionism is a unique intertwining of Jewish nationalism and Judaism. There is an element of

No Pity For Hess

by Rabbi William Frankel

Mr. Reston, as well as the three western governments, may be motivated by a humanitarian concern for a man who turned 90 last week. He is lonely, "drifting with the shadows, his son imploring for his release, but Moscow says: nyet. The allies say, please consider: Is there no pity? And Moscow answers with another question: Pity for whom? For Hess or for the millions he and the other Nazis murdered during the war?" Frankly speaking: the Russian reply makes sense.

Not only does the world owe pity to the millions murdered by the Hitler-Hess regime, but also to the millions of survivors, Jews and non-Jews, who were physically and emotionally scarred by the horror unleashed by the old man of Spandau; among them numerous men and women who can not make peace with the idea that "der Stellvertreter des Fuhrers" would spend his last years in comfort and sunshine.

In a recent column, one of this nation's most prestigious journalists expressed doubt whether "the United States and the Soviet Union will be able to agree on the big issues which divide them." He suggests "that there are some symbolic things they might do to remember their common humanity...." What is the cause that Mr. Reston proposes for joint humanitarian action by the superpowers? It is the releasing of Rudolph Hess from jail.

For years, the United States, Britain and France have urged the Russians to let the deputy fuhrer go on "compassionate grounds" but the Soviet Union has said "no."

Russians Fear The Germans

Nick Eberstadt recently visited Communist East Germany. He writes that 200,000 Soviet troops are stationed here to keep the people from revolting. Red Army soldiers are kept strictly to their bases. On the other hand Soviet technicians and advisers abound but know they are unpopular. I asked two men for directions who turned out to be Russians. Hearing themselves addressed in German by a large, unfamiliar, and a rapidly advancing youth, both instinctively cringed, and turned to flee. Only after I explained I was a foreign tourist in need of help did they regain their composure sufficiently to snub me.

Jews Exempt From Draft In Germany

Jewish Telegraph Agency of Jan. 27, 1983 revealed that Jewish youths who have taken up citizenship in Germany are exempt from the draft. It is explained: "This is a long-standing official arrangement which exempts German Jews from military service." Now, with Germany experiencing the world's lowest birth rate, some believe that young Jews born in Germany should be subject to the draft. The Jewish community leaders strongly object to this idea.

utopianism in Zionism. The socialist Kibbutz farms and industry are examples". The rabbi even stated that Christians who say they are "neutral" on Jews are really "anti-Semitic." He explained that if people are not openly

supportive of Jewry then they are anti-Semitic because there is no middle ground.

MEMBERSHIP APPLICATION

I am a loyal, White Christian American citizen who believes in the Preservation of the White Race and hereby apply for membership in the National States Rights Party. Upon my word of honor, I pledge my loyalty to this political party and its great patriotic principles and I will never betray same. I support the party platform which calls for the U.S. Congress to limit immigration to White Christians only, Segregation of the Races, for America First, and the elimination of all job quotas and preferential hiring which discriminates against White workers.

RESTORE WHITE PEOPLE'S RIGHTS

I oppose the twin evils of Communism and Zionism which are both Jewish dominated movements aimed at the enslavement of the White Christian Western World. We urge the use of the U.S. Army to protect and defend America's borders from the present onslaught invasion by Third World peoples who now threaten to over-run our land and destroy our standard of living. We oppose the movement of industry out of America to backward foreign nations for cheap labor which costs U.S. workers their jobs. We favor an end to all foreign aid to Israel and stiff trade protection laws to stop any and all imports which compete with U.S. produced goods that results in the loss of any jobs for our people.

I believe that I can best serve my Race and Nation by becoming an active member of this great political party.

Israel Asks Cut In U.S. Aid To Egypt

American foreign aid to Egypt is actually aid to Israel! In order to coax the late Egyptian head Anwar Sadat to sign the Camp David peace accord with Israel, Pres. Jimmy Carter promised giant foreign aid programs amounting to nearly \$2 billion a year for Egypt. This freed Israel's Southern border allowing her armed forces to concentrate on the invasion of Lebanon which cost many thousands of innocent civilian lives.

Egypt's new Pres. Mubarak is backing away from Israel because they have welched on Begin's promise to move toward freedom for the Palestinians living in the West Bank. Now the arrogant Jew leaders are asking the U.S. foreign aid

AID TO ISRAEL INCREASING U.S. DEBT

AMERICAN FOREIGN AID IS \$12 BILLION A YEAR. THE JEWS DEMAND AN ASTOUNDING \$5 BILLION. WHY SHOULD ONE OF THE WORLD'S SMALLEST COUNTRIES RECEIVE 40% OF ALL OUR FOREIGN AID???

THIS IS AN OBSCENE ACT OF HIGHWAY ROBBERY! WRITE YOUR SENATORS AND CONGRESSMEN TO VOTE AGAINST FOREIGN AID TO ISRAEL.

SHOCKING REVELATION BELOW FROM "JERUSALEM POST" NOV. 17, 1984.

By WOLF BLITZER

Jerusalem Post Correspondent

WASHINGTON. — Israel is expected in the coming weeks to submit an economic and military aid request for nearly \$5 billion to the U.S., Israeli officials disclosed at the weekend.

This represents more than a \$1b. increase over what Prime Minister Peres indicated Israel would need during his talks in Washington last month.

In breaking down the expected record request, Israeli officials predicted that the government will seek an approximately \$700m. to \$800m. emergency supplemental aid package to the already passed 1985 fiscal year foreign aid legislation already approved.

Beyond that, Israel is likely to seek more than \$4b. in the regular 1986 fiscal year budget which Reagan must submit to the new Congress early next year. This sum will be almost evenly divided between economic and military grants, the Israeli officials said.

Thus, they noted, between the supplemental and the regular requests, Israel will be seeking nearly \$5b. from the U.S., almost double the \$2.6b. combined economic and military grant included in the regular 1985 foreign aid bill.

The matter of increased aid levels for Israel will be high on the agenda during a preliminary meeting of the recently formed U.S.-Israeli Joint Economic Commission during the week of November 18 in Washington.

The chairman of the Israeli delegation is Finance Ministry Director-General Emmanuel Sharon. His American counterpart is Under-Secretary of State for Economic Affairs Allen Wallis.

Regarding the aid levels, there has been only a general administration pledge that the U.S. will be forthcoming in considering increased economic and military aid for Israel. But the Americans have been waiting to see what austerity measures are implemented in Jerusalem before making any commitments.

to Egypt be drastically cut as a punishment for Mubarak's recent overtures to regain the good graces of his neighboring states. Thus we see yet another example of the Jewish influence over U.S. foreign policy.

Family Life No. 1

Trend Analysis Research reports that despite the high divorce rate and acceptance of single life, marriage and children rank first with a majority of men and women. Some 60% of all married couples say they are "very happy" with their marriage. Also 88% of parents say they would have children again. And 83% are "close and intimate" with their children. They receive a great deal

of satisfaction from family life. Americans are "homebodies" and like being at home with their mate, children and grandchildren. Eight out of ten say family activities are the most important events in their spare time. Companionship with their mates has a great many advantages over the "single life." People who are married are happier, healthier and live longer than singles.
