CARTER MOST DANGEROUS PRESIDENT IN HISTORY

The vast majority of the American people know nothing about Jimmy Carter's background, where he stands, or what his plans are for running the U.S. Government. Jimmy Carter is an extreme left wing socialist. Jimmy Carter believes in placing minority rights over and above majority rights. The next four years will be crucial in the history of our great nation. Every active loyal American is going to have to be alert and ready to awaken others, write congress, and join in other activities to stop extreme socialist legislation which we know that Carter will try and force down the throats of the American people. Remember that he barely won the election and has absolutely no mandate whatsoever for his destructive socialist schemes. Briefly we will go over some of the points in the Carter program which will be detrimental to the freedom and liberty of the American people.

has his way, Black Power, Chicano Power and Jewish power will hold sway over Washington political decisions.

6) "Born Again Christian" was a Carter hoax. He believes in the religious beliefs of Reinhold Niebuhr who is a member of 3 Red fronts and gave birth of to the idea that "God is Dead."

7) Jews Supported Carter when he was Governor. He appointed the first Jew judge in Fulton County (Atlanta). He also named Sol Clark, a Jew, to the state appellate court and will appoint more minority members in Washington than White Christians. He also appointed many blacks to state office as governor.

8) Carter's Kissinger is Brzezinski who believes in Detente and says if Italy goes communist we should still keep her in NATO.

9) Communist Russia supports Carter because they believe that Detente will grow even stronger under his rule. As early as May 13 the N.Y. Times says that Russia sent three top aids to his office in Washington, D.C.

Jimmy Carter could turn out to be the most dangerous man to take the presidency in the entire history of America. He is petty, spiteful, mentally limited, and a carefully controlled and projected man who will be totally dominated by his aids. On this page we give you a list of them. No man in history has had more Jewish advisors than Jimmy Carter. He has been rejected by the White people of his own church who know him best and in future weeks and months the full shattering implications of the election of Carter and his presidency will be realized by Americans. The Thunderbolt will be the first to give you the news behind the news of the Carter administration and tell you exactly what can be done to block Carter's radical socialist programs for America.

1) Immigration: Carter has called for amnesty for the 12 million illegal immigrants now residing in America. He no doubt hopes to have them as voters when he runs for reelection in 1980.

2) Homosexual Rights is another subject suppressed by the press. Carter has promised to support Bella Abzug's "gay rights" legislation which will insure that no homosexual can be dismissed from federal employment or from the military.

4) Would Declare War to protect Israel in time of emergency, according to UPI. He promises Israel all the aid it needs which means a continued burden on U.S. resources.

5) Negroes in the Cabinet have been promised by Jimmy Carter. No candidate has been more minority oriented than Jimmy Carter. If Carter

Carter look like a simple, honest farmer, and Born Again Christian. Carter is a millionaire peanut storage grain operator. It was the most clever campaign in fooling the public in history.

Prof. Lawrence Klein is Carter's chief economic advisor and a recent "ex" member of the U.S. Communist Party. His communist views have not changed.

Alan Dershowitz, the Jewish Harvard law professor, has been

asked by Carter to serve in the Justice Department. It is too early to say whether or not he will take the place of Atty. Gen. Levi.

Martin Feldstein is another Harvard professor who Carter has asked to work in the U.S. Department of Labor. His views are also extreme socialist.

SOME ELECTION VICTORIES TO CHEER ABOUT

There was some very good news coming out of the election. Many of the worst leftists in the Senate were defeated. They include:

Indiana is now free of Sen. Vance Hartke. Mayor Richard Lugar has got to be a big improvement.

New Mexico ultra-leftist Sen. Joseph Montoya, a Mexican, has been defeated despite his wealth and Senate chairmanships. Jack Schmidt has a chance to become a great Senator.

Utah's Sen. Frank Moss went down the drain and it's good riddance to an extreme leftist. Orrin Hatch will be a real swing to the Right.

Virginia's Sen. Harry F. Byrd was reelected despite powerful Jewish moves to replace him with their stooge Admiral Zumwalt.

Wyoming saw Sen. Dale McGee bite the dust in a complete repudiation of his radical voting record. Malcolm Wallop will have the opportunity to straighten out the voting stance there to better represent the peoples' views.

Arizona was right in defeating the Brooklyn Jew Sam Steiger. De Concini is a liberal but we may be able to influence him for the right.

California lost the snob radical liberal Sen. John Tunney. It's good riddance. S. I. Hayakawa, 70, will be a one term senator and we believe he will listen to our side and vote Right more often. Tunney always voted Left!

It was too bad the millionaire Jew Howard Metzenbaum was able to buy Sen. Taft's Senate seat. But we can't win them all, and he probably will be a one term Senator.

MASSACHUSETTS DEFEATS GUN BILL

The good people of Massachusetts realized that the referendum to have all hand guns confiscated was a danger to the entire nation. Their wise two to one defeat of this measure was indeed a great victory for our side.

It serves as a warning to all anti-gun politicians that they face certain defeat when they try to disarm the American people. We will have more to say on this great set back to the anti-gun forces in our next edition.

Negro Murder Rampage Goes Unchecked

HEINOUS NEGRO KILLERS SLAUGHTERING WHITES WHOLESALE

Negroes make up 13 per cent of the population but committed over half of all robberies, assaults, rapes and murders which took place in America last year. This means that they were responsible for over 500,000 attacks upon innocent law abiding persons.

Nationwide negroes were responsible for over 65 per cent of all murders. When we figure only the large major cities where their numbers are concentrated you discover that negroes commit an astounding 95 percent of all murders. These are facts which are suppressed by the daily press. This is the reason why so many White city people are lulled to sleep because they do not realize their chance of being murdered is quite high. Note the chart on this page and you will realize the shocking facts as to what the odds are that YOU will one day become a vital statistic at the local morgue.

The biggest problem is that the daily press ignores the negro murder wave which is sweeping this nation. Killings of White people in cities just a few miles from where you live are not reported in your daily papers. The Thunderbolt must itself depend upon readers sending us reports out of their neighborhood newspapers about such killings or we would never be aware of them at this office.

FAMILIES VICTIMS OF SENSELESS KILLINGS

A new phenomenon is the "senseless killing." The victim does not resist and surrenders his valuables. Then he is shot to death! Crime statistics reveal that this brutal pattern of "murders without motive" has spread throughout the nation. In almost every case the killer is a negro!

The following is a continuation of our series of studies of heinous murders which have taken such a heavy toll of innocent White people. In this report we will delve into families and heads of households who have been innocent victims of "senseless" murders.

Queens, New York was lucky to have Joey DiGioia as a productive member of his community. He operated a dry cleaning business at 2143 Prospect Ave. Mr. DiGioia was 47, his wife Loretta kept a neat home for their two children Frank 18, and Gina, 3. Joey sponsored a Little League team and was known to extend credit to any customer short of money. He was dearly loved by his friends and neighbors.

Joey DiGioia made one mistake which cost him his life. He tried to win the friendship of Hispanic blacks who were moving into the area. He hired one Tom Mitchell, 17, a senior in high school to be a delivery boy

at \$125 per week. The negro Mitchell learned that Joey usually carried about \$200 on his person and had some money in his office safe. Later Mr. DiGioia had to fire Mitchell for stealing money from the laundry.

Then one morning Joey unlocked the door of his shop at 5:30 a.m. and was then pushed in the door by two black youths. He put up a terrific fight judging from the looks of the shop. The negroes stabbed him several times with a bayonet. They pistol-whipped him so severely that the imprint of the gun was clearly visible on his face. He was still alive so the negroes fired five .25 caliber bullets into his head at point blank range.

They took his money and opened the safe — Mitchell had learned the combination. When the police arrived they discovered a pair of glasses under Joey DiGioia's body. They were traced to Tom Mitchell who was later convicted and given life in prison. His partner, negro LeRoy Carter, 27, was also indicted and the police are still seeking this killer. Another good father, an outstanding leader in the local Italian American community, had been senselessly lost.

NEGRO EMPLOYEES ARE DANGEROUS

Philadelphia, Pa., was the scene of another brutal murder committed by a negro against his former employer. Arthur Bock usually remained in his furniture store for a half hour after closing. It was 7:30 p.m. when negro Lester Evans, 22, quietly let himself into the store with a duplicate key. He found Mr. Bock in his office and beat the 53 year old store owner to death with a metal pipe. He took \$350 from his victim.

Police later revealed that Evans was at the time on probation for larceny of an automobile, robbery, and assault to kill. He was also free at the same time on bond of a charge of attempted murder in another case. The Police Commissioner stated that Evans had been given probation on three earlier robberies and stated; "As long as

TOM MITCHELL killed Mr. DiGioia, who had tried to help him.

this continues all of our efforts to curb crime will be for naught."

Ft. Lauderdale, Fla., was the scene of a ghastly slaying. Harry Smith, 61, and his wife Selma had retired to this resort community after selling their successful lounge wear factory back in Missouri. Mr. Smith made the fatal mistake of hiring negro Willie Robinson, 30, to do some plastering work on their new home. It was 3 a.m. when the negro returned through a window he had himself previous-

ly unlocked. He took \$1,000 in cash from the house and Mrs. Smith's Jewelry. Robinson then hustled the pajama clad Smiths out into their Cadillac.

Robinson drove to a canal where he beat Mr. Smith, tried to cut his tongue out, shot him 3 times, tried to strangle him with one of Mrs. Smith's stockings, and then threw his motionless body into the canal. He then strangled Mrs. Smith to death and left her body locked in the trunk of the car.

Miraculously Harry Smith survived and crawled out of the canal and out onto the highway. Rushed to the hospital and in great pain he was able to reveal the identity of the fiendish killer to the police. Thinking both his victims dead Robinson returned to their home to continue his work as usual the next day and was arrested by police. What a

tragic ending for a loving couple who had worked so hard to earn their retirement. Their lack of knowledge about negroes led to this tragedy when they hired Willie Robinson.

Savannah, Ga., has been the scene of many vicious killings. At the Green Brothers Potato Chip Distributing Co., a negro in his early 20's entered the shop and demanded all the money. When he counted only \$400 he cried out: "This is not very much money. Somebody has got to die." He then shot Carl Green, 60, and Kirk Griffin, 35, to death. The killer has not been caught.

Savannah, Ga., had another unsolved murder that should never be forgotten. That is the senseless death of Harold Campbell who owned the Crystal Cleaners at 1714 Habersham St. Two negroes entered his establishment and took \$240. One then shot an employee, Elbert R. Smith, 55. Lying on the floor bleeding Smith could hear them say; "Don't leave this one to turn us in, shoot him too." With that young Harold Campbell, 35, was shot to death.

Mr. Campbell was a native of Screven County and had lived in

Savannah for 15 years. He was formerly from Statesboro and a member of the Taliaferro Baptist Church. Surviving are his wife Julia, and two sons, Harold, 12 and Michael 6.

Chicagoans have not forgotten the case of young Alan Henricy. He was the all-American type youth who believed in the basic fundamentals which constitute the foundations of our society. Alan wanted a wife, children and a home. These are the things he was working for. He got a job at the White Castle hamburger chain while still in school. After

six years he became a supervisor. He not only was hard working but saved his money. Alan bought a home in Whiting. Then he met Nancy and a few months later they were married. His dreams and youth were wasted because after being married for only 7 months it all ended.

Two black youths, Alphonso Newman, 18, and Otis Haywood, 17, entered the 24 hour a day diner in the early morning hours. With a shotgun they demanded all the money in the cash register. Then they blasted Alan Henricy in the chest. He

died immediately — just 15 minutes before he was to go off duty. Later it was discovered that the two negro youths had murdered Chicago patrolman Paul Thomas, Jr., 43, two years earlier. At the time they murdered Alan both were free on a \$3,000 bond on charges of another armed robbery. Two more productive members of the White Race lost in the struggle of civilization to survive the creeping jungle terror of Africa.

Boston, Mass., was the site of another loss for the White Race. James C. Shields, 54, was the father of four boys. He had suffered two heart attacks and was in frail condition due to his poor health. Still he worked hard as a pest exterminator for the Thomas A. Sheehan Co. of West Roxbury for 16 years. His last assignment was at the negro Columbia Public Housing Project. There a black robber took \$2 from Mr. Shields and had him turn his pockets inside out looking for more money. Then the black killer shot him once in the chest. He staggered out into the open and died on the street. The beast who committed this dastardly murder has not been caught. Another catastrophic

loss which the White Race can never replace.

Chicago, Ill., has lost many inventive men to black death squads who could have given so much to society. David Monte

Otis Haywood

Killed Henry Henricy, without cause.

was one of them. He had worked his way through college earning a degree in civil engineering at Illinois Institute of Technology. David was to be married in a month when the grievous act took place.

David worked at the Buzz 'N' Brush Tool Rental Co., on South Halsted St., when two young blacks entered the shop. They said nothing, placed a pistol to David's head, fired one shot and

he fell dead. His only brother, Donald, 20, also worked in the store and was the only witness. The bloody killers told the stunned youth "If you don't want the same, give us the money or you'll get the same as the other dude." They grabbed \$500 from the cash register.

David's brother said: "I don't understand it, he would've given the money — why did they just have to shoot him?" Donald was placed under sedation by the family physician. His mother said: "He was just about to get married and had his whole life ahead of him. Until now he hardly had time to enjoy it between working his way through college and his studies. He worked so hard and he had a good life coming to him." His mother was weeping uncontrollably.

Police Captain Joseph Healy described it as "the most brutal and senseless murder I can recall." Charged in the vicious killing were negroes David West, 19, and Charles Dees, 21. At their arraignment Dees laughed, smirked and sneered in the courtroom. Judge John F. Hechinger was visibly disturbed and said: "Do you think the charge of murder is amusing? It's a terri-

ble comment on our community when people laugh about such things... when they are amused by murder."

The killers got life (which means about 10 to 15 years) and soon they will be free to kill innocent Whites again. How long will our nation continue to harbor this incurable criminal element — how many of our innocent people will have to be sacrificed on the altar of "racial equality" before the nation awakens to the danger of allowing the savage African negro to live within our midst.

BIG BUSINESS PULLING OUT OF BLACK AFRICA

We continue to hear about the "developing" countries of the so-called Third World. It is considered to be in poor taste to refer to them as the "backward" or "underdeveloped." Therefore the question is, "Are they emerging from their thousands of years sleep and now progressing into civilized states?"

The following news will give you a clear answer. The New York Times of Oct. 16, reported that more and more multinational corporations are switching their investments from Third World Countries to Europe, North America and Australia. They cite losses due to government interference, shortage of skilled labor, poor business conditions, high taxes, and the threat of nationalization of their industry once it is in running order.

In India business is plagued with the government's administrative controls which hinder every move.

Mexico continues to devalue the peso and tells business the raw materials belong to Mexico

and the government will not pay for the transfer of technology.

Indonesia has lost one French oil giant because their tax laws prevent investors from taking their profits out of the country for 10 years.

Belgium Congo (Zaire) has had the mining of copper suspended by French and South African countries because of high labor costs and taxation.

Other reasons not stated by the companies is the poor quality of the African worker. Businessmen never know whether a few workers will take the day off or the entire force. Extremely slow worker production and costly bribes demanded at every level of government for a myriad of permits are other reasons given.

Without Western investment, technological know how, modern science, etc., Africa will never reach a standard comparable with a truly civilized nation. It should also be noted that Africa had 35 "palace revolutions" over the past 15 years. Generals rule 19 Africa countries and brutal tribal leaders rule the rest with iron firsted dictatorships.

Teddy Roosevelt On Africa

HISTORY OF THE AFRICAN NEGRO

It is difficult, if not impossible, to find true documentary evidence of life in the jungle bush area away from commercial centers dominated by industry and business directed by White technicians. The black governments have brought some Whites in to keep the wheels of commerce going in order to maintain a source of funds for the ruling clique of despots.

An interestingly frank book was written by former President Teddy Roosevelt in 1910 entitled *Nairobi and Mt. Kenya*. It details Roosevelt's findings on a trip he made through Africa. He was a well known big game hunter. The following quotes describe the situation as it existed in 1910 and as it still exists in 1976. From Page 111 we read:

"The Masai Tribe have attracted a great deal of attention ever since the study made by the explorer Joseph Thomas and distinguished German explorer Dr. Fischer. They laid bare to us Masailand. The Masai have been the occasion of terrible havoc throughout East Africa by the attacks they made on all settled peoples. At some unknown period in their racial career a very great part of the Masai decided they would not till the fields any longer, but that they would take away the cattle of other tribes not strong enough to resist them. This is one of the reasons why so many of these beautiful plateaus of the present day are absolutely devoid of human inhabitants. It was not that the negroes objected to the climate; they simply wiped one another out. This process has occurred over and over again in many parts of Africa. Hundreds

of thousands have been brutally slaughtered. No one has ever been so cruel to the negro as the negro himself.

"When man, woman or child dies among the Masai, the corpse is not buried. It is placed on the outskirts of the settlement for the hyenas to devour at night. The cry of the hyena is not a laugh, as people make out, but a long-drawn falsetto wail ending in a whoop. It sounds exactly like what one might imagine to be the mocking cry of a ghoul; and but for the fact that we now find that the ghoul myth has a very solid human origin because there are depraved people all over Africa at this present day who have a mania for eating corpse flesh.

"All these people are alike in their love of blood as an article of food. They periodically bleed their cattle and drink the blood hot, or else mix it with porridge. As among most negro races, the men feed alone, and the women and children eat what is left later after the men have done."

— above by President Teddy Roosevelt

It must be noted that the White race, even in prehistoric days, knew to bury its dead, never were cannibals, and honored and respected the family. Today, over 50% of all negro households in America are headed by the female. The father has deserted his family leaving them to subsist on the welfare rolls. The jungle terror that permits every negro ghetto community in America is not much different than the tribal life as it exists in Africa today, in 1910, or back to the year 2,000 B.C.

THIS IS a recent photo of the Masai tribe as described by Pres. Teddy Roosevelt. They still have made no progress toward civilization.

Criminal Activity Favored By Jews

JEWISH CRIME — IT'S ECONOMIC

Since most white collar crimes do not make the news wire services the general public is unaware of the types of crimes facing the nation. It is common knowledge that negroes commit the vast majority of all crimes of violence. What is not known is that Jews are involved in most of the crimes which involve stock fraud, kickbacks, real estate swindles, illegal corporate manipulations and the bribing of politicians for government contracts. Another reason why such crimes are not identifiable to the Jewish race is that they often change their names to conceal their identity.

The Jew Eli Black was chairman of the \$2 billion dollar multi-national United Brands Co. Last year he committed suicide by leaping to his death after smashing out a huge plate glass window of his plush office on the 44th floor of a New York skyscraper. It was only after this news that the story of the bribery and mismanagement of United Brands funds came to light.

Eli Black had just been exposed for giving a \$1.25 million bribe to a Honduran politician to lower the tax from 50 cents to 25 cents on each box of bananas shipped from United Brands 27,000 acre farm in that banana republic. This revelation brought about the overthrow of the Honduran government by

more about his background that was not supposed to be read by Christians. Eli Black was ordained a rabbi at Yeshiva University from which he graduated. He was an officer on the American Jewish Committee. His United Brands' subsidiary, Inter-Harvest, the nation's largest lettuce-grower farm combine, was among the first to recognize Cesar Chavez's pro-communist Mexican workers union. To recognize this event, Black personally invited Chavez to bring his Mexican leaders to celebrate the occasion at Rosh Hashana services at Temple University in Westport, Conn.

"KENNEDY & COHEN" BANKRUPTCY

There was no one named "Kennedy" in the firm, it was just a good "ethnic mix" said the

Jew Mel Landow

Jew Mel Landow, president of the company. The huge appliance firm collapsed when it could not meet its \$200,000 per month financing payments to the First National Bank of Chicago. This represented a loss of \$21.7 million to the bank. Landow paid himself a salary of a quarter of a million a year and said: "My personal wealth will remain untouched by the bankruptcy action."

The crafty Landow was able to lease absolutely everything — the stores — fixtures — delivery trucks, etc. "Kennedy & Cohen" closings cost 690 people their jobs along with countless creditors besides the bank in Chicago.

Abraham Kugel, Jewish vice president of the defunct firm, was hit with injunctions when his men sought to remove appliances from stores for shipment to warehouses in Miami. Landow, who posed for all his firm's T.V. ads himself, said that he will soon be back in business on a national scale again; "I look upon this as only a temporary setback."

Mel Landow is still a millionaire but some of the creditors of his local operations including those who built stores to his special specifications lost everything and never will be able to recuperate. They were hard working honest Christian businessmen not shylock money changers.

JEW SWINDLERS TAKE GULLIBLE INVESTORS TWICE

Jews who commit so-called economic crimes usually are

given only a few short months in prison and often immediately return to the very same racket for which they were originally convicted. A perfect case of such outrageous swindling of the public is that of Harold Goldstein, 28. The Thunderbolt, in Jan., of 1974, exposed his phony commodity options scheme. Goldstein operated the invest-

ment firm of Goldstein, Samuelson, Inc., in Los Angeles which was the nation's largest purveyor of futures options. He accepted \$76 million with promises to return huge profits from those entrusting Goldstein's expertise on commodity option futures contracts.

Initial investors were paid back large sums as bait to lure others seeking a "sure get rich fast" deal. Goldstein later admitted that little of the money was actually used to buy commodity option contracts. S.E.C. receiver Bob Komins called it "one of the greatest frauds of the decade with losses to thousands of investors." Goldstein told a "Forbes Magazine" reporter: "Why invest their money in contracts when most lose anyway." He sought to flee the country with several million in cash but was arrested. The company only had assets of \$7 million to pay back the huge losses, much of which was squandered on other schemes by Goldstein. He was sentenced to serve 18 months in prison for stealing millions! The Thunderbolt article in Jan., 1974 closed with Goldstein's final words before entering prison in which he bragged: "If I had only 10 more days I could have gotten out of the country with \$3 million in cash. When I get out I will make back those lost millions quickly!"

There was something uncanny about his threat to the investing public. Within 12 months Harold Goldstein was granted probation and dropped from sight. Then on Jan. 1, 1975 the purchase of gold by Americans was made legal. A firm which had been selling silver, named U.S. Bullion Inc., was taken over by Harold Goldstein through his brother Daniel. Both used fictitious names. Daniel Goldstein assumed the name Niel Daniels and Harold became Paul Levine and sometimes Henry Harper.

U.S. Bullion opened offices in plush suites in Atlanta, Los Angeles, and Miami. They claimed to be "owned by the old English investment banking firm of Brentfields, Daniels & Martin Ltd.," according to ads run in daily newspapers offering gold contracts for sale. No such firm was found to exist in London.

Silver investors were urged to trade in their silver for gold contracts or buy said contracts. The gold was to be mined in the firm's mine at Gold Lake, Nevada — but no such venture existed! Goldstein and his brother took in over \$1 million in the four month period they were in operation. Goldstein and his brother were arrested and face a maximum penalty of a fine of \$10,000 and five years in prison. Harold was also charged with a separate case involving a check-kiting scheme which took a Los Angeles bank for almost \$100,000.

Unfortunately many conservative Patriots were originally lured into silver sales by U.S. Bullion and never knew the firm had changed hands. Many were then victims of the gold exchange scheme in which they lost all. No doubt, The Goldstein brothers will be out within two years and the gullible public will once again suffer. Quite often the victims are elderly people trying to make some money for their retirement. Over 10,000 investors were victims buying 6,000 worthless gold certificates in Goldstein's fraud. When they get tangled up with Jewish swindlers, they usually come out broke. The Jew will salt his money away for another day like Mel Landow. Then they can begin operation again under a new name and an even slicker line to present to the gullible public.

EDDIE GILBERT TRIES IT AGAIN

Edward Gilbert (not his real Jew name) was once called the "whiz kid" of Wall Street. It was back in 1958 when he managed to corner the market in shares of E. L. Bruce, the flooring company. Gilbert sold off assets of the company and pocketed some \$2 million. When discovered by the S.E.C., he took his money and fled to Rio de Janeiro, Brazil. There he tried to go into the construction business but failed. After suffering major financial losses he returned to face the charges against him in America. By 1967 he was in prison but was paroled after serving only one year of a four year sentence. Then he dropped from sight.

Early this year Gilbert quietly came back and with 18 co-defendants he accumulated 76 accounts with 15 brokerage firms to "stimulate the illusion of widespread ownership and interest" in Conrac, Corp., according to new charges by the SEC. They cornered 200,000 shares of the electronics firm's 1.3 million shares. By generating such ac-

tivity they "kited" the price of the stock from \$9 a share to \$30 in a year's time. When the gang sought to unload, the SEC stopped the sale of Conrac shares on the New York Stock Exchange and Gilbert was arrested again. No one involved with Conrac management was involved.

Several prominent New York City Jewish investment personalities were involved in the illegal scheme to defraud those who purchased the Conrac stock at inflated prices. They included L. I. Cserhat of Fishbein & Co., J. L. Streicher of J. Streicher & Co., and John Revson of the Revlon cosmetic company. The Goldstein and Gilbert cases prove that unless these criminal Jews are sent away for long prison sentences they will quickly strike out to rob innocent investors again. Bank robbers get at least 20 years for stealing less than these Jews who rarely serve more than one year in prison.

GOV. MANDEL ON TRIAL

Jewish Gov. Marvin Mandel of Md., is on trial for mail fraud, corruption, and a "pattern of racketeering." Basically Mandel is charged with vetoing a bill which would have granted an extension of horse racing days from 18 to 36. This caused the race track stock to drop by half. It was then purchased by two of Mandel's cronies William Rodgers and the Jew Dale Hess on a loan from the Jew Irvin Kovens, a Baltimore millionaire. Gov. Mandel then got the legislature to override his own veto, thus reinstating the original value of the stock! As a payoff Gov. Mandel was given a share of Maryland beach front property worth \$50,000. Hess also sold Mandel for a nominal \$50 a 4% share of Security Investment Co. This is a Jewish owned concern holding two Baltimore office buildings which the federal government leases as office space for \$3 million per year. (Shades of the Weinstein case.) Hess has also given Mandel \$15,000 in legal fees for which no work has been performed.

The Jews Hess and Kovens have raised more than \$1 million for past Mandel political campaigns and would be expected to do the same in the future. Such

the military. United Brands stock had fallen from \$12 a share to \$4 due to poor profits and Black had to sell his 62% controlling interest in Foster Grant Sun Glasses Co. Today the \$2 billion company is run by the Jews Norman Alexander and Norman Schafner. For years the general public has heard stories about the "ugly Americans" who manipulate the governments of Central American nations. Well, the truth is that it has long been "ugly" Jews who are responsible for the bribery and corruption, that has plagued this fruit producing area of the world.

To find out more about Eli Black we had to turn to Jewish publications which revealed

Sen. Scott Forced To Retire

POLITICAL BRIBERY — A JEWISH WAY OF LIFE WHY SEN. HUGH SCOTT DID NOT SEEK REELECTION

Sen. Hugh Scott, Republican of Pennsylvania, Senate Minority floor leader is retiring from office this year — in **disgrace**. Details of a complicated get rich scheme for his closest Jewish associates destroyed Sen. Scott's political career.

Briefly the scheme worked like this: The government wanted a huge office building for all federal employees in the Philadelphia area. The low bid on the project was the Terminal Commerce Building which called for \$34 million in rent for 20 years or \$51 million for a lease with renewal options. The most popular location bid was for the Curtis Publishing Co. building located on historic Independence Square. A third bid was by the Jew Matthew Weinstein. His plan was to build a new building instead of using one already in existence. It would also be in a highly undesirable high crime negro ghetto area at 36th and Market streets. Weinstein asked for \$52 million over a 20 year lease and \$78 million for 30 years. This was \$18 million more than the low bid and \$27 million higher with the 10 year added option.

Weinstein was awarded the contract from Robert Kunzig, the Jewish administrator of the General Services Administration in Washington. The other bidders were shocked and it took a year before the sordid details came out. It seems that Weinstein is a long time personal friend of Sen. Hugh Scott and a contributor to all his political campaigns. Weinstein formed the Gateway Co. for this specific project and his nephew Herbert Fogel handled the negotiations with Kunzig. The Jew Fogel just happens to also be Sen. Scott's campaign treasurer. Also the Jew Kunzig who represented the government in granting the generous contract to Weinstein's Gateway Co. had been Sen. Scott's administrative assistant, campaign manager, and political protege. On Sen. Scott's personal recommendation Nixon appointed him to head the powerful federal "General Services Administration" which grants federal building contracts from coast to coast.

Federal G.S.A. investigator, the Jew Arthur Sampson, approved the Gateway Co. project. Fogel, Kunzig, Sampson and Weinstein are all good personal friends and prominent members of Philadelphia's large and influential Jewish com-

munity.

More Chicanery: Here are facts that call for criminal indictments but as of today the government is busy relocating its various Philadelphia bureaus in the Weinstein building and payments are now rolling into his coffers.

Fact #1) Weinstein didn't act upon his 50 year option to lease the property for the new building until after the GSA approved his high \$78 million bid.

Fact #2) Gateway had made no move to borrow the money to build the office building until two months after the bid was approved.

Fact #3) Weinstein then conceived Rosemont Construction Co., to build the new government office building. The firm has no employees and is not listed by Dunn & Bradstreet. Weinstein thus pocketed further profits and sublet all the building contracts to real construction companies.

The building was 11 months late in being completed in violation of Weinstein's contract with the government. The government is now paying Weinstein a cool \$2.6 million in rent and Atty. Gen. Edward Levi has made no move to prosecute any of his fellow Jews in this case. At the same time the case has received a good deal of publicity in Pennsylvania and wrecked Sen. Hugh Scott's political career. Still the Jews do not mind as they can buy off other elected and appointed officials in Washington for future rip offs of the public.

This is how Jews like Weinstein can become multi-millionaires by simply fixing contracts by bribing officials and continuing their role as the eternal money changers! Weinstein's company did no work on the building nor did he have any of his personal funds involved so this is a huge windfall for him personally. Jews use a portion of such illegal profits to back political prostitutes like Sen. Hugh Scott and push their leftist Marxist political views at the very same time.

The Ben Hyman Company is a Jewish firm which is granted more federal construction contracts nationwide by Robert Kunzig than any other such firm. Needless to say Mr. Hyman is not an engineer and sublets most all of the actual work. In other words the Jew remains the eternal middle man who pockets most of the profits while White Christian workers and true engineers do the real work with next to no profit — only the Jews realize the huge financial killings.

Political Corruption

OTHER JEWISH POLITICAL BRIBERY SCANDALS

Former Vice President Spiro Agnew was forced to resign when three Baltimore Jewish businessmen plea-bargained for their freedom in political corruption and agreed to testify against Agnew claiming they had paid him off too. They are Jerome B. Wolff, real estate developer, I. H. Hammerman, mortgage banker, and Lester Matz, president of two so-called "construction firms."

Former Texas Governor John Connally and Ex-Rep. John Dowdy were wrecked politically by Jews who plea-bargained cases against them in return for testimony that the above politicians accepted bribes from them. The Jew Jacobson claimed he had bought off Connally.

Baltimore's "National Brewing Co." head, Jew Jerry Hoffberger was indicted for using corporation funds in the 1964 senatorial campaign of John Kennedy's press secretary, the Jew Pierre Salinger. He is expected to come back in the new Jimmy Carter administration.

Ralph Newman, 63, is the Jew who got Richard Nixon in trouble by evaluating his personal papers at several hundred thousand dollars for tax deduc-

tion purposes when they were donated to a library. Newman has recently been sentenced to two years in prison for income tax evasion. The millionaire Newman did the same thing for the late Gov. Otto Kerner who donated his papers to the Illinois Historical Society. The IRS later disallowed this deduction. Newman had been an advisor to every president since Harry Truman, yet, the public had never heard his name before.

Remember Jew Abe Fortas? He was the only Supreme Court Justice in history forced to resign due to scandal. He accepted regular monthly payments from the millionaire Jacksonville, Fla., Jew Lou Wolfson for "advice" on ways to keep that cunning Jew out of prison — where he eventually landed.

GUYANA BANS VIOLENT NEGRO MOVIES

The daily press never tells you that almost all black ruled nations have the death peanlty. Usually it covers not only murder, but, armed robbery, and rape. They freely admit that this is the only way they can hold down the crime rate. The black ruled Bahama Islands recently executed an American negro who had brutally murdered three White U. S. tourists. Sen. Philip Hart and the state department had plead-

ed with the Bahaminian government to spare the life of the killer.

Black countries seem to be ahead of the liberal U.S. government in recognizing that black exploitation movies such as "Shaft," "Super Fly", etc., and the black karate films have been a great influence on young black criminals. All these films glorify the black dope pusher, pimp, and street thug. The bad guys are White police officers and Whites who have treated negroes "badly." So, by the end of the film the negro heroes end up slaughtering all the Whites and often in the most fiendish manner, such as burning Whites alive, which seems to be their most popular way of getting rid of Whitey. If you want a hair raising experience just attend one of these films in your town and you will be shocked to see the young blacks stand up and cheer when black criminals slaughter Whites.

It is also of great interest that almost every single one of these films is written, produced and directed by Jews. They have more than one motive behind such films. One is the money they rake in from negro youths eager to see such carnage on the

screen and the other is that an ever rising crime rate means more and more government controls, such as disarming the people, passing emergency control laws which would suspend Whites' civil rights, etc. In other words the building of the foundation for a totalitarian Marxist dictatorship rests on disorder and anarchy in the streets. This is exactly what the negroes are giving us.

The negro government of Guyana in South America has banned all black films which depict negroes or orientals using "karate, horror, sex and violence." Black Prime Minister Forbes Burnham of Guyana personally initiated the action. Thus far, some 329 films have been placed on the banned list. Already an improvement in the behavior of negro youths has been noted. The Guyana Council of Churches and the teachers association has approved the ban. In America we never hear one single word of protest over the violent anti-White movies from our church leaders, teachers' associations, or political leaders? Do we have to wait until the minority political machine takes over and sets up a Marxist dictatorship before censors ban such films?

is the way of Jewish domination of Maryland politics out of their kept capitol in Baltimore. Such corruption is a hallowed political tradition in all our cities with major Jewish populations.

Throughout the nation the taxpayer is being ripped off by Jews who bridge our elected officials. Corruption has never been so widespread and the time has come when the American people need to realize that the greed of the money mad Jew is at the root of most of the political corruption in America.

Priest Says Jews Want Everything Their Way

Learn How to Recognize a Jewish Name

HOW TO RECOGNIZE A JEW BY NAME

Hundreds of thousands of Jews have changed their names for "business and social reasons." That is their common excuse. The truth is that many feel White Christians have an instinctive distrust of them. Most believe that in business dealings with a Jew he will most likely get the best of you. Others feel that Jews cannot be trusted to live up to their contractual agreements. In the Jew's "Kol Nidre Oath," which they all take the first of each year, all "oaths" and "sworn statements" are disavowed in advance.

For this reason it is important that we discover how to recognize a Jew by name as well as by facial features. In purchasing stock, mail order goods, or joining an organization, only the letterhead is often available to give you a clue to the identity of such persons. Below is a study which was compiled from statistical examination of names in official Jewish publications like "Who's Who in World Jewry," "Jewish Social Studies," "Commentary Magazine," "B'Nai B'rith Messenger" and from the article "Names" in the famous 1904 edition of the Jewish Encyclopedia. This work was compiled by the "White Power" publication of Arlington, Va.

The study reveals Hebrew, Sephardic and Khazar names common to Jews along with special names they like to adopt which are often used by Christians. They try and stick to this formula of adopting the Christian names other Jews use when they change their own names. Then other Jews can identify them so that they can work together to enrich one another at the expense of the Christians. When they do change their last names to a "gentile" name, they try and keep a first name that is frequently used by other Jews as an added clue for the inborn "antenna" which Jews have for detecting one another. Note the names in section 19 of this study. Also the name "Eli" Black and "Harry" Harper in the article on Jewish crime in this same issue show you how Jews use such Christian last names and the frequently Jewish used first name as a tip off to fellow Jews.

PRESS SUPPRESSES JEWISH ANTI-CHRISTIAN ACTIVITIES IN AMERICA

Christian Church groups are leaning over backward to cater to the Jews. The Holy Bible has been re-written several times in order to appease the demands of the Jews that everything that criticizes the Jews is to be deleted. Right now a new edition of the Bible is being published stating that the Jews were opposed to the crucifixion of Jesus Christ. This is a total reversal of Pontius Pilate's washing of his hands stating that he would have nothing to do with ordering the death of our Lord. The Jews were solely responsible.

The Pope has ordered that all new Catechisms must first be examined by Jewish theologians so that any text that in any way can be construed as being anti-Semitic will be rewritten by the Jews. Despite all this the "American Orthodox Rabbinate" has denounced the failure of the Vatican to "forthrightly acknowledge that the land of Israel is central in the theology of Judaism."

President of the group, Rabbi Fabian Schonfeld, asked that the Church "rethink this aspect." Not only do the Jews demand that the Vatican recognize Zionist occupation of Israel and adjacent Arab lands, they demand that the: "Vatican es-

WHY SEN. JOHN GLENN DIDN'T BECOME VICE PRESIDENT

Sen. John Glenn was the first choice of Jimmy Carter and Democratic Party stalwarts because of his "hero" astronaut background to be Jimmy Carter's running mate. Syndicated columnists Evans and Novak revealed that the Glenn nomination was vetoed by national Jewish leaders because he "dared" to run against the millionaire Jew Howard J. Metzenbaum for the U. S. Senate. The Jews openly told Carter that they would "never forgive" Glenn for this.

But the Jews do not give up easily and Metzenbaum tried again against Sen. Robert Taft, and finally bought his way in this time.

tablish diplomatic relations with Israel as its failure to do so cannot be viewed as an oversight."

This arrogant statement is an insult and a threat. To place the icing on the cake Rabbi Schonfeld stated that Christian ecumenical groups which asked the Jews to join with them in joint prayer at interreligious meetings were calling for a practice that is "unacceptable to traditional Judaism!"

When will Christians learn that Judaism is extremely hostile to Christianity? Jewish groups not only want our religion watered down to a meaningless modernistic nothing but they heap insult upon insult in order to further humiliate Christian church leaders.

PRIEST SAYS JEWS GO TOO FAR

Father Andrew Greeley who is a writer for "The Catholic Digest" has charged that "while the Vatican Council has moved with determination to remove every possible vestige of anti-Semitism from Catholic doctrine, there has been no reciprocity at all from the Jewish side."

The Priest told Rabbi Marc Tannenbaum of the American Jewish Committee that: "there is strong and powerful anti-Catholic feeling in the Jewish community." He added that such attitudes are "certainly worse among Jewish intellectuals, especially that smart, arrogant, articulate junior faculty member who turns out to be Jewish."

Father Greeley quoted a Gallup Poll showing an increase in anti-Catholic feelings among Jews during the previous decade.

"The Jewish Week," of July 10, 1976 is voice of the Jewish Agency in America (Super Zionist group which rules world Jewry including the state of Israel). They state in a lead editorial condemning Fr. Greeley that arguments for Jews to "reciprocate are utterly superfluous. Jews have not ruled and persecuted Catholics and therefore cannot be held accountable to the Catholic community."

Thus we see the insolent attitude of the Jews toward those who have leaned over-backward to appease their every demand. The time has come for all Christians to stand united for the Holy Bible as it was written as the inspired word of God. Meeting with Jews to re-write the Bible and try and meet their unending demands is both futile and degrading. The time has come for us to realize that this is an attempt to destroy Christianity. Order the book, "The Talmud Unmasked" written by a famous Catholic Priest exposing the Jews real Bible, and you will see what they really teach in the Synagogue about Christians. Only \$1 per copy. NSRP Meetings Continue Through Winter

NATIONAL STATES RIGHTS PARTY STRESSES RACIAL PURITY

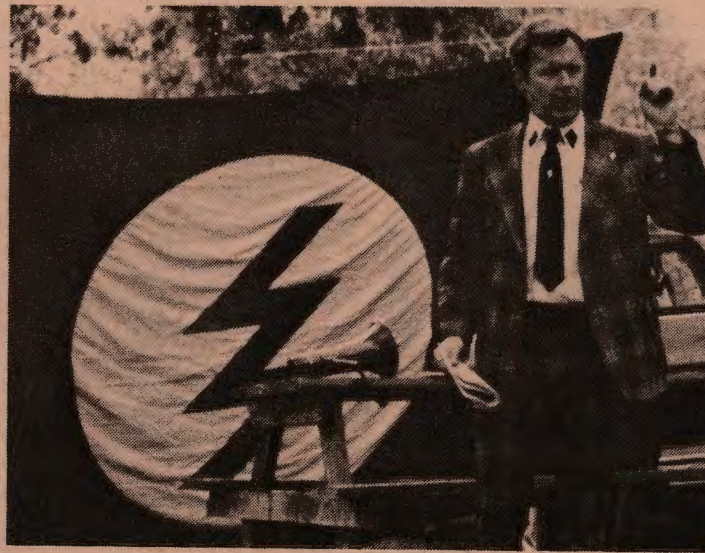

The NSRP is based on the premise that the nation cannot be preserved if the White Race is allowed to be bred down into a mulatto race of people. That is the prime message expressed in all our meetings and the word we urge our supporters to carry into the streets, factories, churches and social clubs. We must do everything within our power to awaken the racial consciousness of the American people to do all within their power toward our single goal of **PRESERVATION OF THE PURITY OF THE WHITE RACE.**

Louisville, Ky., was the scene of an NSRP outdoor rally. We had several great speakers, including Sam Draper and Randy Sipes. Dr. Fields told the people that the anti-busing fight would never be given up by the NSRP and the people will always be able to count on our support. We have a strong following in Louisville with a great many subscribers to The Thunderbolt there.

DR. ROY BROWN presented with Thunderbolt cake at Houston party meeting.

Dr. Roy Brown has been meeting with NSRP leaders in Texas and addressed an important organizational meeting in Houston recently. Dr. Brown is an organizer for the NSRP who

has traveled nationally. He was presented with the "Welcome Back" cake shown on this page. Dr. Brown told supporters of the active plans we have for Texas. Several new NSRP Chapters will soon be established under his leadership in Texas.

Brown. All in those areas should drive the extra miles necessary to meet with these inspiring leaders who have a vital message for you and your interested friends.

We will have a full report of their tour and new plans for meetings and activity which will continue right through the Winter, regardless of snow, ice, or sleet. We are looking forward to meeting with you and working with you in this great struggle for the very survival of the White Race and our children.

West Coast tour by National Chairman J. B. Stoner will be underway by the time this edition reaches most of you. It will include Seattle, San Francisco, and Los Angeles. During the Texas speaking tour Atty. Stoner will be joined by Dr.

SIR ROBERT MENZIES ... racist group patron.

Shocks Parties

Herald Correspondent Canberra

The respected elder statesman of Australia, Sir Robert Menzies, has agreed to become patron of a right-wing, allegedly racist organisation.

The former Prime Minister has accepted the invitation from the National Australian Association.

It is a strong supporter of the "White Australia" policy.

The association credo calls for immigration to Australia to be limited solely to people with white Anglo-Saxon backgrounds.

The decision by Sir Robert, aged 81, to associate himself with the extremist group has shocked members of both major political parties.

COMMUNISM IN THE COLLEGES

Parents do not realize that out and out communists are working daily upon the minds of our youth in the colleges of the nation. We have just received a list of lecturers at two St. Louis colleges. One listed Marxist Stokely Carmichael of the All-African People's Revolutionary Party. He will speak at St. Louis University. Another notice for the same date announced that the Jewish Marxist George Novak would speak at Washington University on "Dialectical Thought" which is communist theory. The seeds of radicalism are eating away at the very foundations of our Republic but most Americans still sleep on!

Colored Invasion Of England Grows

"National Front" — In Front

NATIONAL FRONT HEADING FOR POWER

One racial nationalist organization, The National Front, in England has forged to the front after a split in which weak, compromise elements left the organization. Since that time the National Front (NF) has surged into the lead and is holding anti-immigration marches and demonstrations all over England. Their total vote percentage grows with each by-election and the next general election will see them field more candidates than ever before.

For this reason there has been an anguished gnashing of teeth on the part of the enemy. The voice of Jewry in England is represented in the "Jewish Chronicle." In its' edition of July 30 the lead editorial stated that the powerful Jewish Board of Deputies would join with negro West Indian and Asian organizations for the "common cause of pursuing the struggle against racism. The tide of extremism, spearheaded by slogans of racial purity, and Britain for the British, does not stop at the colored man's door. If unstemmed, it would engulf the whole of British society, with hideous consequences. The open declaration by National Front Leader John Tyndall is that he envisages the mass deportation of Britain's colored community. The Board's defense committee is to safeguard the well being of Anglo-Jewry and to defend it effectively in alliance with others against racism and anti-semitism . . . The major truth is that the campaign now being waged by the extremist Right has the Jew in sight as a victim equally with the colored. We are heartened by the resolutions dealing with racism submitted at the annual conference of the (socialist) Labor Party."

The Jewish group was referring to the Blackpool annual conference which called for a ban of the National Front and other White groups. The pro-

HYBRID JEW hopes to use Race Relations Commission to silence patriots.

communist element of the Labor Party at this meeting actually called for the scrapping of all immigration laws and allow "workers of all countries the freedom to move from one country to another without restriction." This is the so-called "open-door" approach which would leave England swamped with non-Whites. In no time at all this would destroy the British people and British nation once and for all. The Reds should be reminded that no one is allowed to emigrate out from behind the Iron Curtain (except for the privileged Jewish class) and they should try living in Russia if they believe that Marxism is the ideal system to exist under.

In England it is against the Race Relations law to deliberately "incite" racial discrimination. The Jews and communists have moved to strengthen this law and make it a crime to advocate anything they define as advocating racial hatred. This could even ban such slogans as "Britain For The British!" We are pleased to report that the British House of Lords has defeated this measure by a vote of 127 to 65. Lord Hailsham called it "unenforceable, unintelligible, and potentially oppressive." He cited the imprisonment of Robert Relf for placing a sign in

COLORED IMMIGRATION THREATENS SURVIVAL OF WHITE EUROPE

Just a few years ago Great Britain was one of the most powerful nations on earth. It was said that the sun never set on the British Empire and her armed forces were feared by every adversary. Almost overnight this great nation now stands on the brink of both moral and financial collapse. The Empire is gone, the military only a shadow of its former might, and the nation bankrupt.

While England has turned back many an invading army from its shores, it has today been penetrated by the most deadly attack in her history. Millions of non-Whites have swarmed into the country like locusts. England has a welfare state patterned after that of Sweden where all the Whites wish to work. England has now been invaded by colored races who seek the benefits of living off the welfare state while not paying taxes to support the dole. Worst of all their numbers are growing as the red infiltrated Socialist government flounders about without any positive solution to offer. The so-called Conservative Party is just as bad and they have begun organizing political clubs for Asians in the hope that they will vote for their "me-too" political candidates.

ENGLAND'S POPULATION PROBLEM

It is a numbers game, the consequences of which have been stealthily concealed from the English people. Here are the figures which tell the story at a glance.

1) From almost no non-Whites just 25 years ago their numbers have leaped to over 3 million living in England today.

2) This figure breaks down to 1,800,000 negroes from Africa and the West Indies. Also 1,250,000 Pakistani and Asians from India along with 100,000 Chinese from Singapore and Hong Kong

front of his home stating "For Sale to an English family only" as being counter-productive. The House of Commons can still over ride the House of Lords.

In line with building the Race Relations Board into a "Big Brother" secret police agency the socialist government has appointed the Jew David Lane to be the head of the new, more powerful Race Relations Commission. He will use his new powers to "eliminate discrimination, promote equal opportunity and good relations between racial groups."

Many believe that time is running out for both Labor and Conservative parties as the people seek a new, dynamic, fearless party. One which will lead England out of the bureaucratic rot that now threatens to mongrelize the British people with the non-White immigrants and make them serve like slaves under a Marxist totalitarian state.

have moved to England.

3) Some 200,000 Asians have come from African countries which are expelling all Whites and Asians. See the map on this page which shows 42,000 more Asians in former English colonies who hold British passports who will soon move to England. They do not wish to return to their wretched homelands of India, Pakistan, and Bangladesh.

4) Asians in England pay almost no income tax because

ENOCH POWELL, M. P.
issues plan to pay coloreds to leave England.

they claim relatives back home as dependents. Thus they constitute a total burden on the cradle to the grave social services provided by those who pay their taxes.

5) Wives, children, mothers, fathers so-called "distressed relatives" are allowed in over and above immigration quotas and vouchers. There are at least 300,000 Asian dependents in India, Pakistan and Bangladesh waiting to enter England.

6) Other loopholes allow fiances to enter to marry an Asian, then their relatives become eligible. While immigration is supposed to have been legally lowered to 20,000 per year, the truth is that over 100,000 non-White immigrants are flooding into England each year, not counting illegal immigrants.

7) Over the past 3 years 75,000 colored students have been admitted to England and few will ever return to their homelands. Blacks from Rhodesia can enter at will, but not Whites who have been banned from that besieged kindred land of England.

8) Even negroidal Portuguese refugees are allowed to enter from Goan, and negroes from Ehtiopia, neither which were ever part of the British Empire.

9) Even more serious is the outflow of Whites which Member of Parliament Enoch Powell recently estimated at 500,000 over the past three years alone. These are mostly young Whites under the age 45, many with technological and professional qualifications.

Ronald Bell, also an M.P., states that the White birth rate has sharply fallen. The White people in England have dipped beneath "population zero" which

means they are no longer reproducing their own kind. The coloreds are breeding rapidly, and are counted in the total 1973 figure which shows 544,899 births to 500,124 deaths. This means an even greater drop in the White birth rate. That \$ rate of decrease in '75 and '76 grew with the overall country losing numbers despite the continuing influx of non-Whites!

**"THERE WILL ALWAYS
BE AN ENGLAND" —
BUT WILL THERE
ALWAYS BE THE
ENGLISH?**

That is the question that now faces the motherland of America which gave us our system of legal justice and a large part of our White population. As Mr. Bell so eloquently put it: "When we speak of a nation, we speak of a people bound together as the inheritors of a shared history. If the rate of mixing becomes too great than the sense of unique identity is lost, and what was a nation becomes a mere aggregation of people. And when that has once happened, the loss is beyond recall. The process of altering Britain's future is proceeding swiftly, silently, and if much longer continued, irrevocably!"

Mr. Enoch Powell has declared that if the present trend continues, by the year 2,000, half of London will be colored. Immigration control is the key to maintaining the racial composition of any great people. There is a great tidal wave of opposition growing in England which may well wash the cowardly politicians out of government. This is represented by the growing percentage of the vote being accorded the National Front Party in England. This patriotic Party hopes to field up to 300 candidates for political office in the next election.

A growing number of recognized political leaders like Powell and Bell are joining in the cry for an end to this alien floodtide. We will keep our readers informed as to the future developments of the struggle of our English brothers to defeat the colored onslaught.

WOMEN'S LIB LUTHERN CHURCH

Many leftists have infiltrated the various Lutheran Churches and the result has made itself felt especially in the "American Lutheran Church." In order to succumb to the radical Women's Lib rhetoric, this church has abolished the use of all terminology which refers to men or women. Thus clergy will be used and never the term "clergymen." The world laymen will be changed to layperson. Even widow will be dropped in favor of "spouse." Despite the unisex move of this church we hope their 2.4 million members will protest. Regardless, no matter how hard they may try to change things, the differences between the sexes will remain — thank God.

NEW FLOOD awaiting entrance to England.

Non-Whites Swarm Into Europe

COLOREDS FROM Asia, Africa and West Indies pollute blood stream of Europe.

RACIAL PROBLEMS IN ENGLAND

Negro Crime Is Up in England just as it is in the U.S. and the cause is the same — **NEGROES!** Rape and mugging are rampant in England and most of the culprits are coloreds. Recently the press reported a case in which an outraged judge complained about the lenient sentences the law compels him to mete out for rape. A 21 year old White girl was kidnapped by four negroes from Morocco. She was taken to an apartment by the four blacks and repeatedly raped for three hours. The Judge was only able to give them light sentences which is all English law allows for minors. Mohammed Roundi, 18, of Earl's Court, Hassan Ghailan, 18, of Hammersmith, Mustapha Amn-sor, 18, of West Brompton all got 6 months in a juvenile home. The judge was forced to free the 13 year old because the law states that no male under the age of 14 can commit rape. (Negroes are new to England.)

Judge Edward Sutcliffe stated: "Imagine her terror... terror that turned to despair when the rape continued on and on... they stood in line with their trousers down awaiting their next turn. Many members of the public who learn of these sentences will think they made a mockery out of what their young woman victim suffered." The black youths laughed openly at the verdict in court.

Tuberculosis could one day become epidemic in England. Immigration officials have reported that 207 colored immigrants last year were admitted despite the fact that they had T.B. New Asian diseases of numerous variations have been reported from immigrant neighborhoods.

Mr. Enoch Powell, M.P. says that the recent wave of muggings is a "racial problem." He says "We have replaced what was previously a homogeneous community (of Whites) with a

FOREIGN WORKERS FLOOD EUROPE

Europe has provided the well-spring which has racially nourished all of the rest of the White world. America, Canada, New Zealand, Australia, South Africa and Rhodesia would not even exist as civilized nations if it were not for the continuous flow of White people from Europe into these countries. Even the limited amount of civilization which exists in South America, Darkest Africa and Southern Asia was brought there by White colonials from Europe.

Arnold Toynbee, the greatest historian of recent years, stated that, "as of today the White race is responsible for the creation of 15 civilizations, the oriental races for 4, and as of today the negro has not as yet contributed to the development of a single civilization."

Today we still look to the seed of Europe to continue to send us fresh immigration. Now that very cradle of civilization itself is threatened with destruction. On this page we have detailed how our mother country England is being inundated with colored immigrants. On a smaller scale the same thing is taking place throughout the rest of Europe.

Always remember that the genes of the colored races are dominant over that of the White race at a 4 to 1 ratio. If we allow our people to interbreed with these low I.Q. races, our race will become mere mongrels and civilization will collapse as it did in Egypt, India, South America and everywhere interbreeding between White and colored races has taken place. Below we will make a nation by nation survey of the race problem as it now faces all of Europe:

1) **West Germany** has a population of 62 million. There are 4 million foreigners in West Germany, 2.5 million are workers. Some 600,000 of them are Asiatic Turks. Many have brought their wives with them or married German girls. Thus 23,000 Turkish children were born in West Germany last year alone. This makes a total of 235,000 Turkish children and all together Turks sometimes crowd 6 to 8 families into one apartment, and a "little Ankara" has sprung up in West Berlin. It features Turkish movie houses, shops and restaurants.

The West German birth rate is now below population zero, meaning less than 2½ children per family. Thus today every sixth baby born is the child of a foreigner. Thousands have married German girls and enjoy all the rights of German citizens. There are also 35,000 illegitimate mulattoes who were born from liaison with negro U. S. troops and French North African occupation forces.

2) **France** has the next largest flood of foreign workers numbering over 2.3 million. More are non-White in France than Germany because most come from North Africa and 300,000 come from Portugal. There are 500,000 negroes who have moved to France from former colonies and are now citizens. Observers write us that you see more blacks on the streets of Paris with White girls under arm than you do in any other major city in Europe. There are also some 390,000 Vietnamese who have streamed in ever since the French left In-

dochina.

3) **Holland** has a population of 8.6 million and 260,000 foreign workers. This includes some 130,000 Asians and negroes from Surinam and Dutch Antilles which are now independent. Some 400,000 Asians from Dutch Indonesia also have moved there. There are also in the foreign worker core 25,000 Turks, and 15,000 Moroccans. Some 40% of the Dutch people are blonde but this will soon disappear in a sea of color if this huge minority is not cut out of the womb of the Netherlands.

4) **Sweden** has 600,000 foreign workers out of their small population of 8 million. Many have flocked there for the social services offered by the government. There have been protest demonstrations against Turks and North Africans taking jobs from White Swedes and also for consorting with White women. Over 10,000 negro and Asian babies have been adopted by Swedish couples.

5) **Italy** has some 10,000 negroes from Somali who refuse to return home. Also 20,000 mulatto children are left over from the occupation by U. S. negro troops.

6) **Belgium** has 350,000 North Africans and Turks who are foreign workers. They are ostracized by most Whites and especially by the nationalist Flemish.

COUNTRIES WITH LESSER PROBLEMS

7) **Denmark** has 5,000 mulattoes left by negro U. S. troops.

Switzerland has 800 Tibetans.

Austria and Norway have few foreign workers.

As unemployment spread in West Germany some 200,000 foreign workers have been sent back home. Unfortunately there have been several thousand marriages between aliens and German girls to save them from being forced to leave Germany. France, Belgium, Denmark and Luxembourg have halted official recruiting of foreign labor because of high unemployment. Norway recently imposed a one year ban on all immigration. Holland, the most crowded country in Europe, has passed a new law which requires companies to obtain official permission to import aliens.

There is an awakening in Europe to the fact that the White race can be melted away in a sea of color if vast numbers of non-Whites are allowed to remain within their nations. Without a doubt, England, France, Holland and West Germany (in that order) face the most severe crisis of all. There must be a resurgence of Patriotic White Racism if Europe is to survive as the bastion of the White Race. If the above four nations fall into the pit of mongrelization, they will carry the rest of Europe down with them.

The Thunderbolt has many readers in every country in Western Europe. We hope all of our overseas brothers will place their shoulders to the wheel and leave no stone unturned in alerting their fellow countrymen to the danger the coloreds in their midst pose to the very survival of the White Race.

REVEALED: Gov. Reubin Askew's Jewish Connection

FLORIDA'S GOV. ASKEW IS PART JEWISH

Gov. Reubin Askew of Florida has been elected governor twice with the powerful negro bloc vote and the Miami area Jewish vote. The record shows that just about every conceivable award for promoting race mixing has

community no longer homogeneous and self-identified. (The Non-Whites.)"

Chinese Behind Dope Trade says Judge James Ross, Q.C. at the Birmingham Crown Court, England. Six members of the latest Chinese drug trafficking ring have been arrested. It was a \$4 million operation. The heroin came in by plane from Hong Kong. Kwok Chung was leader of the gang and 25 pounds (worth \$4 million) was discovered in a drain pipe at his home. The balance of the shipment, 75 pounds more, had successfully been distributed on the continent where more lives will be imperiled. These are the fruits of non-White immigration.

been bestowed upon Reubin Askew.

The Jewish run front for Pansy, pinko liberal, Jew boot lickers is the "National Council of Christians & Jews." They recently gave Askew their "National Human Relations Award" for his progressive leadership in fostering better human relations, and brotherhood. Earlier the Jewish businessmen's fraternal order, "B'nai B'rith, awarded him with the "John F. Kennedy Profiles in Courage Award" for promoting equal opportunity "for blacks in Florida state government.

The Jewish Theological Seminary of New York has presented Askew with their Herbert H. Lehman Ethics Medal for his efforts in behalf of racial integration.

Interest in Askew's racial background has been heightened since he appointed the first negro ever to the Florida Supreme Court, Joseph

Gov. Reubin Askew

Hatchett. He then lined up the negro and Jewish bloc votes to elect Hatchett to a full term. Askew has also appointed negro Charles Scriven of the Bethel Baptist Institutional Church in Jacksonville, Fla., to the state parole board. Scriven is now president of that board and has the power to speed up the release of negro criminals as well as prevent the release of Whites who deserve parole.

For this reason it is very in-

teresting to note that Gov. Reubin Askew's father's name was Leo Goldberg Askew, Jr. Askew's first name, Reubin, is also commonly used by Jews and the family admits to being at least part Jewish. The Jewish community knew what they were doing when they went all out to promote Askew for the governorship. They knew that he was Jewish and so-called part Jews and "secret Jews" are often fanatically loyal to Zionist causes.

This is the same way the Jews elected the full blooded Jew Richard Stone to the U. S. Senate. They kept it a secret from the public that he was a Jew and the Florida daily press cooperated. Now that the truth is leaking out, both should be defeated the next time they run for office but in the meantime they continue to do further damage to the cause of the freedom for the White Race. Askew has done much to harm our folk by appointing and promoting unqualified negroes to many Florida bureaus over White employees.

What if most Jews aren't really Semites at all?

Arthur Koestler's startling new book presents research that today's Jews, except for the Sephardim, descended not from the Semitic people of the Middle East, but from the Khazars, an almost-forgotten tribe in Eastern Europe at the time of Charlemagne.

Suddenly, if this theory is confirmed, the term "anti-Semitism" becomes completely meaningless, based, as Mr. Koestler writes, "on a misapprehension shared by both the killers and their victims."

"Mr. Koestler's excellent book ... is as readable as it is thought-provoking. Nothing could be more stimulating than the skill, elegance and erudition with which he marshals his facts and develops his theories ... He plunges in with great courage and an astonishing measure of success."—FITZROY MACLEAN, *New York Times Book Review*

"You do not have to be Jewish to be interested ... Are today's Western Jews really ethnic, Semitic, Biblical Jews, or are most of them descendants of converted Khazars? ... This compact, interesting book ... examines tragic-ironic implications in [this question] for modern history ... It should fascinate."—EDMUND FULLER, *Wall Street Journal*

"Koestler marshals the evidence in a clear and convincing way. He tells a good story, pulling together materials from medieval Muslim and Jewish travelers, scholarly controversy and the mysterious lore of the Khazars."—RAYMOND SOKOLOV, *Newsweek*

"The story he tells is fascinating, a glimpse not only into a neglected part of Jewish history but of European history as well ... And the same poignant curiosity that drove Hasdai to write to King Joseph of the Khazars compels us to read of them and their lives."—ROBERT KIRSCH, *Los Angeles Times*

"This will cause a stir ... Leave it to Arthur Koestler to exhume surprises from the dry bones of ancient history."—John Barkham *Reviews*

ARTHUR KOESTLER THE THIRTEENTH TRIBE

RANDOM
HOUSE

by Arthur Koestler

One of the world's leading Jewish authors reveals the details of the Khazar background of the Jews. Gives exhaustive history of the Khazars and their "conversion" to Judaism in the year 800 AD. This amazing admission proves that the Khazar tribe originated in Russia and their ancestors NEVER lived in Palestine — meaning that they have no legitimate claim to the land they have illegally occupied in Palestine.

This is a new book, published in Hard Cover by Random House, and today the most controversial book in America.

EXPOSING THE HATERS

By DAVID BORAC

Jews and "Khazars"

For many years the Haters on the right have attempted to "prove" that the present-day Jews are not really descendants of the Children of Israel or the Hebrews who once lived in the Land of Israel. One of the most blatant pursuers of this line was, ironically, a Jew, the sick and self-hating Benjamin Freedman.

Few Jews in America were more pathetic in their self-anti-semitism than this wealthy manufacturer who beat himself and his people daily in public. In a wild, rambling book called "Facts are Facts," Freedman attempted to show that the present day Jews are really "Khazars." This myth is based on the historical fact that in the Middle Ages, a nation known as the Khazars (Kuzarim-Heb.) dwelt in southern Russia around what is today the Crimea. Their king, searching for a faith to replace his paganism, studied and rejected both Christianity and Islam, and chose instead, Judaism.

But the historical existence of such a people was enough to lead the haters to leap for joy as they proclaimed that the Jews of today are not the real Jews, but rather Asians descended from the Khazars.

The implication of such a campaign are, of course, immense. For if the Haters can convince sufficient people the basis for Zionist and Jewish demands for a Jewish State of Israel is undermined. How can the Jews, say the Haters, claim the right to "take the land from the Arabs" because it was once theirs, when the present-day Jews are not really the descendants of the Jews who once lived there? Obviously, the Haters understand this and never cease harping on it.

the subject threatens to become a major controversy because of a new book on the subject written — again, ironically — by a Jew. The book is called "The Thirteenth Tribe," and the author is the brilliant but troubled Arthur Koestler.

— claims that the vast majority of Jews in the world, today, are not Jews but Khazars. He resurrects the old legends and then says that there are two kinds of "Jews" living in the world today. A small group, numbering perhaps half-a-million, are the Sephardi Jews,

descendants of the Jews of Spain. The rest — all the rest — are descendants of the Khazars who fled, according to Koestler, to Hungary, Poland, Lithuania, Latvia and indeed all of Eastern Europe.

Koestler's book is on its way to becoming a big if not best seller and as an indication of the interest in it, the London Sunday Telegraph of April 4th had a big review of it under the heading: "Forefathers of Israel?" The reviewer, Nigel Dennis, writes: "Where did they (the non-Sephardi Jews) come from? Not from the Holy Land, not from the world of Abraham, Isaac and Jacob. All but a handful came from the land of the Khazars. Racially speaking, they are not Semites at all, but Turks."

"So Mr. Koestler argues... If his argument is true it means that the whole 'sacred tradition' of Jewry is built on a mistake and that the idea of a 'Chosen People' is pure illusion."

Needless to say, the Haters have leaped on this with joy. The July, 1976 issue of the *Thunderbolt*, organ of the National States Rights Party, carries the entire review of the Koestler book and devotes a full page to a story headlined: "Jewish-Khazars Never Lived in Palestine." The Haters write:

"The fact remains that the Jews who have now invaded Palestine and driven out both Christian and Moslem Arabs have absolutely no claim on this land whatsoever. Their descendants never inhabited the area and they are not related in any way to the Hebrew of the Old Testament."

"This entire question is the political bombshell of the century! The reason being that it destroys all claims of the present day Jew-Khazars to any historic right to occupy Palestine... The time has come to awaken the American people to the truth about the Khazars."

The irony of an Arthur Koestler, a man whose Jewishness is less than meaningless, helping to give the Haters weapons by which they will try to destroy all of us and Koestler, is tragic. Do not be surprised if the Arabs make good use of this pseudo-scientific perpetuation of the long-held anti-Semitic myth.

BELLA ABZUG ON "CAPTIVE NATIONS WEEK"

Rep. Bella Abzug was forced for the first time to issue a statement on the annual observance of "Captive Nations Week" in New York. It was because she was seeking the Democratic nomination to the Senate and other candidates has condemned Soviet domination over Eastern Europe along with the mass murder of over 50 million people since Communism took over Russia.

Mrs. Abzug is a Marxist Jewess and her statement most

likely helped her lose the primary to Patrick Moynihan. She said: "We must not forget the suffering which took place in Germany in the 1930s nor the slaughter caused by our support of the totalitarian regime in Vietnam of recent years."

This cost Mrs. Abzug New York's Ethnic vote.

She attacked only anti-communist governments and said not one word about the enslavement of the millions of people behind the Iron Curtain

Never Forget This Case!

SCOTTSBORO RAPE VICTIM IS DEAD

NBC-TV brought up yet another in its series of anti-White self-hate programs. It was the story of the "Scottsboro Boys" who were convicted of raping two White girls in Alabama in 1931. The Jewish-directed show stated that the negroes were innocent and the White girls had "confessed" later that they "lied" about the "poor innocent negro boys" who were really innocent. Then the TV show stated that the White girls portrayed in the film were now dead.

Then came the news that Mrs. Ruby Hanes Schut, one of the victims of the gang rape, was still alive in Union Gap, Washington. She flatly denied the TV program's vile charges. Mrs. Schut then hired the well known lawyer, and former Mayor of Birmingham, Art Hanes, Sr. They filed a million dollar libel suit against NBC-TV. Unfortunately Mrs. Schut died just last month without having her day in court to clear up the lies against her.

The press and TV still con-

tinue to talk about the poor "framed negro youths." They were rightfully convicted as the vicious rapists that they were. It was likewise that her memory was further to be dishonored by the pardon granted the last of the surviving Scottsboro boys by the Alabama Board of Pardon and Paroles.

Another film which is fiction, but the story taken from the Scottsboro boys case is, "To Kill A Mocking Bird." It stars the Jewish actor Gregory Peck and is frequently brought back for local TV viewing. In this film, "vicious and hate filled White people" try and frame an innocent negro of rape. He is aided and found innocent by the investigative work of a liberal lawyer — Gregory Peck! There is no end of this brainwashing on TV which is supposed to disarm Whites by installing within us a guilt complex. Then we are supposed to stand aside and allow the blacks to trample under our rights as we are relegated to second class citizenship here in our own country.

today. This is a typical Jewish attitude toward the Eastern European People whom the Jews generally feel are anti-Semitic and want them under the control of the Marxist state. Remember that Karl Marx was a Jew and descended from a long line of rabbis. His philosophy is a regimented socialist state.

Dear Patriotic Reader:

This is the new Thunderbolt. It has more in depth documentation, more pictures, and the dynamic truth suppressed by the daily press. Our new paper should be more attractive to the general public. This is one of the very few publications in America which dares to go openly into both the Jewish question and negro race problem.

We deeply believe that these are life and death issues concerning the very survival of the White Race. There can be little doubt that the next two years will be crucial for our cause. With Jimmy Carter totally controlled by the minority political machine we are going to have to give our all to the cause of awakening America to his activities as president.

From our Headquarters in Marietta, Ga., our publication reaches into every state and every White Western nation in the world. The Thunderbolt carries an impact far beyond what most of us imagine. We have great influence where ever we have active supporters out distributing this newspaper to friends and right wing leaning patriots. AFTER GUN CONTROL — KNIFE CONTROL?

Social trends in other countries are often a prelude to what will affect us. Since the founding of the Boy Scouts in Britain in 1908 they have carried hunting knives. Today they have been banned by the government and the half million scouts in that country have been ordered to turn their hunting knives over to the police. It has been determined by the Socialist government that knives are "offensive weapons."

At the same time we must note that muggings by England's rapidly growing "coloured" population are often aimed at school aged children. No doubt that the powers that be do not want even kids to be able to defend themselves from attack by non-Whites. Protection of minorities is being carried to a suicidal extreme for our RACE.
