Jews Demand Carter Fire Gen. Brown

Below reproduced from Nov. 5 issue of "Southern Jewish Weekly".

Unity Needed To Oust Brown

General George S. Brown, the arrogant, loud-mouth chairman of the Joint Chiefs of Staff, did it again. Israel has "to be considered a burden," he declared in an interview during the course of which he was asked whether from a purely military point of view the Jewish State was more of an asset or a burden to the United States.

The heavy barrage of criticism that greeted this remark when it was leaked to the press forced him to dance away from this verbal bomb. But he remained unscathed. There was no public rebuke or reprimand from the White House.

The fact was that Brown had made his point, just as he did in 1974 when he told a Duke University audience that Jews control the banks and the media in this country. At that time Ford publicly rebuked him but rejected demands that Brown not be reappointed last year to another two-year term as chairman of the Joint Chiefs of Staff.

Brown, and those of his ilk, will not be ousted unless there is a unified stand by the Jewish community. And this is really the nub of the problem. There was no unity in the aftermath of his latest statement. True, the mimeograph machines in the offices of major Jewish organization ground out protests, but they were stale and flat.

Other Jewish organizations ran the gamut from issuing protests, expressing dismay and/or shock, calling for a public reprimand, urging his immediate dismissal or blandly noting that diplomatic public assessments are not a function of the military.

There is a lesson to be learned: when the erstwhile and unlamented Agriculture Secretary Earl Butz made his defamatory remark about Blacks, a united and concerned pressure forced him to resign. The same united and concerted effort must be developed in the Jewish community to oust Brown. If his statements are indeed inimical to the U.S. and to Israel and to the Jewish people of America—and indeed they are—then let's have some straight, strong and unified demands for his ouster. Pussyfooting won't do.

Too Many Jews In Senate

JEW'S NOW SIX

PERCENT OF U.S. SENATE

Few people realize it but the Jews now have six of their tribe in the U.S. Senate. All are strongly pro-Zionist. Already entrenched in office are Sen. Abraham Ribicoff, Jacob Javits and Barry Goldwater. Elected two years ago because few Florida people knew was a Jew is Sen. Richard Stone. The same trick was pulled by Edward Zorinsky who was recently elected from Nebraska where his Jewishness was kept quiet. Millionaire Jew Howard Metzenbaum used much of his own personal wealth to buy his Senate seat.

Since Jews insist on job quotas

Sen. Edward Zorinsky

Sen. Howard Metzenbaum

and affirmative action in placing Jews in executive positions in Christian owned industries, we think they have overstepped their Senate percentage. Jews make up only 3% of the population in America, so, would it not be fair for at least half of these millionaire Jews to step down and make room for White Christians?

FIRING WOULD BE EXAMPLE TO OTHERS

Jewish Anti-Defamation League officials and heads of the American Jewish Congress have asked Pres.-Elect Jimmy Carter to fire Gen. George S. Brown after he takes office.

Vice President Walter Mondale while campaign in California made the most vicious attack of any political figure against the outspoken general, stating: "Gen. Brown's comments about Jewish Americans make him unfit for that office. People like that shouldn't be sewage commissioners, let alone hold high offices in the federal government."

Just exactly what did Gen. Brown say? A direct question from Jewish writer, Ranan Lurie, asked: "From a purely military point of view would you say that Israel and its forces are more a burden or a blessing to the U.S.?"

Gen. Brown replied: "Well, I think it's just got to be considered a burden. I couldn't see strategic value to the United States in military terms."

Telling the truth is just not the thing to do in America. When former Agriculture Commissioner Earl Butz said in a private conversation with Watergate pimp John Dean and singer Pat Boone that negroes are more interested in sex, wearing loose shoes, and a warm place to go to the bathroom, than they are in politics — he was forced to resign from office.

America is not a free country when officials are attacked and humiliated when they speak out and tell the truth. The fact is that the Jews had it in for Gen. Brown for his earlier statement in 1974. Brown charged the Jewish lobby in America can get anything it wants out of Congress because Jews control most of the news-media and banks in America. He was forced to apologize for this, but told the Senate committee that he would not back down from his statement that Jews exerted undue influence over Washington.

ISRAEL AID HARMS U.S. SECURITY

Washington military correspondent for the "Philadelphia Inquirer" William Barnes wrote that "Had the Soviet Union chosen to attack Western Europe in Nov. 1973, the Red Army would have cut through the American forces stationed there like a hot knife through soft butter."

"The reason: NATO's operation inventory of such essential

sophisticated weapons as Maverick 'smart bombs' and TOW anti-tank missiles had been stripped bare to replace Israeli losses suffered during the Yom Kippur War."

The Kissinger-ordered air lift to Israel shocked U. S. military commanders, from those in the field on the West European front, to the top brass in the Pentagon. Syndicated columnists Rowland Evans and Robert Novak exposed exactly what the Jews were able to extract from America's military arsenal. They found that during the October 1973 war Israel was given \$2.2 billion during the special airlift. Their report found that:

"All told, some 600 American tanks, both M60's and M48's were airlifted from U. S. depots in West Germany to Israel and a full year later still had not been replaced. With production at a mere 30 tanks per month the 'shortfall' is still felt because our army in Germany was 2,000 tanks short when the airlift began. The depletion caused by the airlift ate up nearly two years of capacity production."

Even more damaging is the fact that we rushed Israel one-half of our entire supply of the highly sophisticated TOW anti-tank missiles. Some 100 computer guided missile launchers were also rushed to Israel. High military officials told Evans & Novak that the anti-tank missile drain caused "training problems" because our soldiers had nothing left to practice with. One year later the U. S. Air Force was still short of our advanced F4 fighter aircraft because so many were given to Israel. They now make up the

mainstay of the Israeli air force.

Because of the depletion of our tank arsenal, aid pledged to anti-communist countries such as Morocco, consisted of vintage W.W.II tanks in place of promised modern equipment. Evans and Novak stated that the Jewish lobby is so powerful that there can be no open debate in Congress on this continued looting of our military hardware. It should be remembered that Israel received most of these arms as a "grant," meaning they do not have to pay.

Why not give the Jews World War II junk and save the up to date material for our loyal allies who are eager to pay for it? Of course, the Jews would consider any such proposal to be "anti-Semitic". No one should dare to deny the self-chosen people anything they so desire.

Independent editorial writer John Crown of the "Atlanta Journal" in his Oct. 8, 1976 article stated that it was "disturbing for the two major presidential candidates for president, in a foreign policy defense debate, to repeatedly voice ringing assurances of support for Israel and minimize key areas such as Greece, Britain and our Pacific posture."

"With all due respect, I don't see Israel as a valued ally. Rather, Israel is a responsibility which we have taken on for several reasons — which should be obvious. She contributes in no way to our defense posture in the Mediterranean. She provides no air or naval or troop bases for us. And it should be clear that what she really does is make our role in the Middle East more complex . . . To classify Israel as 'our gallant ally' is to do nothing more than play games with words."

JEW'S WANT BROWN OUT FOR CARTER SUPPORT

The Jews believe that since it was their voting bloc in key states which made Carter president in one of our closest elections, Gen. Brown should be sacrificed in order to satisfy the inherent Jew need for vengeance. "The Jewish Post" states that "the view expressed in Jewish circles here (in Washington) is that Gen. George Brown will be dropped as Chairman of the Joint Chiefs of Staff as soon as the time is propitious." The Post credits the Jewish ADL and American Jewish Committee for this information.

Wildest statement of all came (Continued on Page 2)

from Ohio's new Jewish Senator, Howard Metzbaum. The multi-millionaire charged that "Gen. Brown's statements are very typical of the kinds of statements that emanated from the Nazis. It is my view that he should step down from his position as Chief of Staff and possibly step down from any command whatsoever."

Thus, the Jews are after blood, and will countenance no one who even dares to rise to question their evil power. Democratic National Chairman, Jew Robert Strauss, revealed the kind of extremist views he will impose on Carter. Strauss said:

"What Gen. Brown said reminded the average Jew like

me of that previous viciously anti-Semitic statement by Brown, and I wondered why I had stopped hating the S.O.B. It was a classic anti-Semitic statement."

So telling the truth about the Jews, that they are a severe military burden and drain on our military and the taxpayers, is practically a crime. The Thunderbolt will continue to do all within our power to awaken the American people. You can help by ordering extra copies for distribution to your friends and neighbors. Let's back up men like Gen. Brown and Vice Pres. Agnew in the growing national concern over Jew dominance over our country.

ROY WILKINS says worst is yet to come.

WILL RUSSIA ENSLAVE U.S.

Alexander Solzhenitsyn, the famous exiled Russian writer, continues to issue his warnings to the West. Recently his following statement was reported in the French newspaper "Le Monde."

"When we study the course of the last 30 years, we see it as a long sinuous descent — an unbroken descent toward enfeeblement and decadence. The powerful Western states, having emerged victorious from two previous world wars, in the course of these 30 years of peace have lost their real and potential allies, ruined their credibility in the eyes of the world, and abandoned to an implacable enemy whole territories and populations . . . The victorious nations have transformed themselves into the vanquished, having totally ceded more countries and peoples than have ever been ceded in any surrender in any war in human history."

Defends Gen. Brown

EX VICE PRES. AGNEW BACKS GEN. BROWN

The daily press didn't carry the report but speaking in Amman, Jordan Spiro Agnew told the "Jordan Times" (an English language paper) that: "American Zionists make it very uncomfortable for a person to criticize Israel. They do not accept criticism of Israel as a foreign nation, and they accuse the person making the criticism of racial and religious bigotry."

The former Vice President urged Jimmy Carter not to enact anti-boycott laws against pro-Arab countries. He said that such actions would be an affront to the Arabs and not be in the best interest of the United States. He charged that Gen. George Brown was right in his statements and repeated himself that: "Israel is definitely a liability to the U.S."

NAACP Head Sees New Riots

ROY WILKINS THREATENS AMERICA

In one of the last interviews given by Roy Wilkins before he retired as Executive Director of the NAACP, he issued a surprisingly violent threat to America which was only reported in "U.S. News and World Report."

Wilkins says that, contrary to popular thinking that racial confrontation has abated, this is just the calm before the storm. He charged that the situation for blacks has "retrogressed in the areas of housing, jobs and education."

Wilkins further states that it is "young blacks who have lost their patience with Whites." Riots and confrontations with police in the streets are once again possible. Wilkins said that elements of "Racism" have appeared even in New York City where "bombings and arson and other forms of violence are used to drive out black families that dare to move in White neighborhoods."

Wilkins said that zoning ordinances preventing public housing in White neighborhoods is a particularly sore point. He added that "the blackman's patience is beginning to grow thin and the question is should the black people be expected to peaceably endure such discrimination? There are plenty of negroes who believe in raising hell and they will not accept the White man's tricks."

Roy Wilkins further warned

that already negroes have seized political control of big cities like Detroit, Atlanta, Los Angeles, Newark and Gary. He ended his statement warning that marches, protests and mass rallies to the point of "violent reaction" are possible. His most interesting statement was that "today educated young blacks are more radical than the non-educated blacks."

This means that Marxist professors are turning out black revolutionaries indoctrinated with a violent hatred for the White Race. What the race mixers are advocating is total and abject surrender of all of the Whiteman's rights including mongrelization of our race just to appease "impatient" young blacks.

The only question now lies in just how much longer the White majority is going to continue to tolerate this dissatisfied minority in our midst. We have given in to their every demand and still they want, more, more and still more from the White people. Since it is now evident from Roy Wilkins' alarming interview that the racial crisis is worse than ever before, we must seriously consider alternative plans which do not provide any further capitulation to black demands. A far more militant stand must be adopted which involves the "Back To Africa" program of the National States Rights Party. When all else has failed the public will see the wisdom of removing the problem itself from our midst.

Carter Owes Jews For Election?

JEWES CLAIM THEY ELECTED CARTER

The Jewish Telegraph Agency states that nation-wide Jimmy Carter received 75% of the Jewish vote. In Miami Beach he carried up to 80% of the Jew vote, in Philadelphia 75%, in New Jersey 70%. The Jews say that without their vote Carter would have lost New York State and the election. They say the heavy Jewish vote was all that saved Jimmy Carter from being defeated. The 41 electoral votes in that state otherwise would have given the election

to Ford. In fact Pres. Ford did indeed carry all of New York State except for New York City. That is the area where the Jews make up such a heavy percentage of the population. Over 80% of the Jews vote while only 53% of White Christians vote. It is obvious from the editorial from the Jewish Press reproduced on this page that they expect Carter to be beholden to them for his victory and they will have many demands for him to carry out. Note that they already want him to "tell the Arabs off" and "continue to strengthen tiny Israel."

Below reproduced from "Jewish Press, Nov. 12, 1976.

The JEWISH VOTE and the Election

If the past election proved anything, it proved to political pundits that — indeed, there is a JEWISH VOTE. And the three million Jews, 70 percent of whom voted for Carter in New York City last week, gave Mr. Carter the election. New York City gave Mr. Carter a 663,000 plurality which in turn handed him the states 41 electoral votes to him — and that made the difference!

Regardless of what anyone says — it was NEW YORK CITY that gave Mr. Carter the election. True, he got some additional help from the eastern and southern states — but, had New York's 41 electoral votes gone to President Ford, with his 241 electoral votes — those 41 votes would have made Ford the new President!

The fact that Mr. Ford told New York State to "fend for itself" when we pleaded for financial help was another factor that did not endear him to the voters of this city.

What won the election for Mr. Carter? Fairly early in the campaign, before Mr. Carter understood New York State voters, he implied Israel should give back all the occupied lands. He soon revised his thinking: Israel should remain in the occupied territory. This thinking put Carter in the winner's circle.

And Now For Mr. Carter...

We never thought a "Born Again Christian," whose initials were J.C., could ever muster the forces of the Jewish voters in this city — but apparently Mr. Carter was convincing enough. The Jews in this city have placed their trust in him, praying that he will not forsake Israel and will continue to strengthen this tiny democracy in the Middle East.

We have had our noses tweaked just once too often by the Arab nations and we hope and pray Mr. Carter tells them where to get off.

Below is reproduction of typical Anti-Gen. Brown ad that Jews are running in New York newspapers.

GENERAL BROWN MUST GO!

Yes, President Carter,
We Ask You to Fire Gen. Brown

His open contempt and hostility toward our nation's closest allies is damaging to our foreign relations and security, and sabotages our Middle East objectives by disdaining our friendship with Israel. If we have prudently supplied Israel with arms, we have done so in our own best interests, recognizing that it is Israel's youth—not our own sons—who have paid with their lives, defending the front lines of democratic civilization in a vast sea of tyranny and oppression.

This is not the first time that General Brown has indicated lack of understanding of our democratic society and cherished American principals. His previous reckless attacks against American Jews have revealed a deep commitment to anti-Semitic prejudice which makes him incapable of rendering critical judgements or of carrying out objectively policies concerning either Israel or Jewish American citizens. Perhaps this explains why he finds fault with our arms program for Israel while remaining silent when we provide massive stocks of war weapons to unstable, unreliable Arab nations ruled by feudal kings and one-party dictatorships.

Despite previous reprimands, General Brown remains unrepentant. His retention in his present crucial office poses a dangerous risk for American security!

Civil War & Violence Wrack Black Africa

A Picture Worth 10,000 Words

CHEERING, laughing, happy negro students surround the body of the man they have just brutally stoned to death.

THE PHOTO TELLS THE SHOCKING STORY

It has long been said that a photograph is worth a thousand words. That is the story with the photo on this page. The all black enclave of Soweto, South Africa, has one of the highest murder rates of any ghetto in the world. In this photo we see the shouts of joy from children who have just stoned a fellow negro to death. He was suspected of

stealing a watch. The man, Isaac Schibambo, 21, was surrounded by the school children and stoned to death.

A witness to the horror said: "It was gruesome, just gruesome. We screamed, and appealed to the children to leave him alone for the police to arrest. But our pleas fell on deaf ears."

There have been two other similar deaths by stoning recent-

ly. When Col. Jan Visser, Soweto police chief, sought to determine who instigated the mob action the children cried out, "We all did, We killed him." Since some 200 were involved there was no further legal action. Such is the application of jungle law in darkest Africa. In our next issue we will study the violence of negro gangs in America and how organized street violence is now becoming an accepted way of life in this country also.

"Darkest Africa" Still In Stone Age

A STUDY OF AFRICANS NOT REACHED BY THE WHITEMAN

Black Africa is still by far the most backward continent in the world. Every city, highway, bridge, factory, building, etc., that does exist in Africa was built by White people. The blacks have been observers and not participants in the progress in Africa. Therefore it behooves us to study what typical negro life would be like if there had never been any White influence whatsoever in Africa.

First of all we know from recent experience that the negroes do not believe in democracy as it exists in the West. Almost all African countries today are ruled by despotic generals or tribal leaders who crush and even kill their political opposition.

Be that as it may, how would the negroes be today if they had never even laid eyes on the first Whiteman? Let's study negro Bushmen who live in the vast trackless Kalahari Desert between Botswana and Angola. This isolated tribe has not changed its way of living over the 50,000 years anthropologists believe they have existed. They have no written alphabet or language. Bushmen com-

municate by making noises by clicking their tongues and teeth. They live in caves, under rock overhangs, and thatch huts. They have no idea why babies are born and there is no marriage ceremony as they drift from one woman to another in the tribe. Women nurse their babies as long as three years.

This primitive tribe in Africa is a hunter and food gatherer. They do no farming, do not claim ownership to any land and graze no livestock. They are constantly on the move in their nomadic existence. Most are less than 5 feet tall. The 80,000 Bushmen are armed with crude, puny, short

range arrows and spears. They have no inventions, not even the wheel, and build fires by rubbing sticks together. They are naked except for a G-String.

Tom Lambert who wrote a study of the Bushmen for the Los Angeles Times found that they live on rabbits, rats, nuts, fruits, roots, insects, locusts, melons and occasional turtles. They have learned to make some beads to barter to White hunters who sometimes enter their area. When other shelter is not available, they will dig a hole with their bare hands and cover it with leaves and sticks. Their only eating utensils are broken ostrich egg shells to drink water with and carry food.

Thus we see prehistoric life existing a few hundred miles from the great White civilization of Rhodesia. If the Whiteman had never touched Africa all the rest of that vast continent would not have progressed above the startling primitive existence of the Bushmen. Those who preach the false theory of "racial equality" should study life as it exists in Black Africa today. You will quickly see that they are incapable of even maintaining a civilization after it has been handed to them on a silver platter.

BLACK AFRICA WRECKED BY CIVIL WAR

We continue to hear about the black terrorists who are backed by Russia and Cuba who are attacking and killing White people in Rhodesia. From reading the daily press and watching TV one would think that the rest of black Africa was in peace. Leftist say that if White people in South Africa would only move away and turn their civilization over to the blacks, all would be quiet once again.

The truth is that there are numerous civil wars going on in different parts of Africa at all times. Hundreds of thousands of blacks have been slaughtered by their fellow blacks. Below we list the wars now going on:

Ethiopia has been engaged in civil war with its own people and also with a bloody two year war with Eritreans who wish to break away and carve a separate nation out of their tribal area along the coast of Ethiopia. Tens of thousands have died and thousands more have fled into neighboring Kenya seeking refuge. Few prisoners are taken by either side in this death struggle.

Khartoum, capitol of the Sudan, has just put down an Algerian backed revolution and at least 5 thousand of the rebels were put to death. There has been almost one revolt each year in this volatile nomadic land.

Angola is now ruled by Cuban communists who will be there from now on. They are not returning to Cuba as falsely reported by Kissinger in a vain attempt to help Ford. Hundreds of thousands of African tribesmen who opposed the present communist rulers fled into the Congo and Southwest Africa.

Rwanda is where the Tutsi slaughtered over 100,000 of the Hutu tribesmen and the terror continues. Many Hutu fled to Tanzania.

Neighboring Burundi is where the Hutu tribe is headquartered and they slew thousands of the Tutsi.

Guinea is now ruled by a

brutal dictatorship and thousands of rival tribesmen have been killed. Some 500,000 people have fled this country and are now displaced persons in neighboring Senegal.

Uganda has been under the rule of Gen. Idi Amin since Jan. 25, 1971. Secy. Gen. Kurt Waldheim of the U.N. estimates that up to 250,000 negroes have been killed under Amin's brutal regime.

When Jew Kissinger and Jimmy Carter demand that the Whites of Rhodesia and South Africa turn their countries over to these primitive savages, they are disregarding the record of Black History in Africa. They want all of the 3.5 million Whites living in both these countries to pack up and move out. Blacks moving in will quickly put an end to the great thriving civilization which Whites created there.

Negroes cannot rule themselves and live in peace with one another so how could they humanely rule over White people? Just as the Portugese were forced to flee Angola and Mozambique, thus Black rule will force a similar flight from South Africa. It must be remembered that in Black countries where the Whites have not been expelled, they are not allowed to vote, hold public office, serve on juries, or own a business or farm.

In other words they are not granted citizenship because of the White color of their skin. The only good thing is that it does establish a precedent for us in America to strip the negroes of their citizenship, because they are not White, and eventually deport them back to the jungles of Africa where they belong. Perhaps we can eventually arrange a swap of all the Whites in South Africa for all the blacks in America. Then we would be back on the right track in building a great civilization again, instead of wasting all our energy, resources, and time trying to artificially hold the blacks above the poverty level.

Will Portugal Pollute Europe?

MONGREL CESSPOOL IN PORTUGAL

Portugal lost its great civilization centuries ago. They did not believe in racial purity and allowed their colonists to interbreed with native populations around the world. Many brought their non-White offspring back to Portugal. Also the many black servants they brought back melted into the overall population and Portugal is mostly a non-White nation today.

On top of the mongrelization which has already inundated Portugal, they have lost their African colonies and allowed 1 million people of mixed blood or outright negroes to "return" to Portugal. There is a great deal of unemployment in Portugal due

to revolutionary communist and socialist groups which has been a grave setback to the free enterprise system in Portugal.

Many of the mongrel non-White workers in Portugal have spread out all over the face of northern Europe. They pose a threat to the purity of White Europeans. Even in the East, the Portugese pose a danger to Australia. Portugal gave up its hold on Timor to Indonesia. There are some 40,000 Timorese who are either part Portugese or full blooded asians. Most of this number would like to immigrate to Australia. This is a new threat our kinsmen in the great land "down under" must guard against.

Reader Warns Against Touring In Russia

Negro Demands

BLACK POWER GROUP WANTS ALA., GA., LA., MISS., & S. C.

Richard Henry, now known as Imari Obadele I, says that his "Republic of New Africa" organization wants to carve a black nation out of five Southern States. Copying a plan identical with one initiated by the U. S. Communist Party in the 1930s, the negroes would take Alabama, Georgia, Louisiana, Mississippi and South Carolina as a new black ruled nation.

Henry made the statement in Los Angeles before the "L. A. Press Club." He is formerly from Jackson, Miss. Henry is free on an appeal bond after being sentenced to a 12 year prison term over a police raid on two of his offices in Jackson. Henry and his supporters shot it out with the police. One law enforcement officer was killed and several others wounded.

Henry said he believed the Supreme Court would find him innocent. He says that the "Republic of New Africa" will come to power when enough negroes learn that they are not Americans but are Africans. He said that his new government will allow Whites to remain in the five Southern states but they will not be allowed to be citizens. In other words, it will be just like the situation in the black ruled nations of Africa today. Whites cannot vote, run for office, serve in the government, army, police, and in most cases, cannot own land.

If negroes can thus rule their own African states in this manner and want to do this to the Whiteman in America — then why can't we Whites have a country of our own in which only Whites are citizens of the nation? That is exactly what the National States Rights Party proposes.

I VISITED RUSSIA!

Dear Dr. Fields:

Recently I went to Soviet Union on a 6 month's invitation viza to visit our poor relatives. Upon my arrival in Leningrad port, customs officials took away all of my money (\$400.00), which I declared on the slip they provide by imposing a very high duty on my every day personal things, like the worn dresses, which cost me in U. S. \$4.50 to \$6.50, they put \$75. each. Shoes worn, that cost me new \$3.50, they put \$16. a pair. I had no valuables, except my wedding ring.

When I started to cry, and asked them how can I get to my place of destination without money, they returned me a few dollars.

I stayed with my relatives in Moscow. It used to be a 5 room apartment in Imperial Russia, and now, it contains 5 apartments, every room is an apartment. One bathroom and one kitchen for all of the apartments (5).

As I walked in the city, I saw 4 row lines for food, one or two blocks long. In Imperial Russia in Moscow alone used to be 1600 churches. Now only one Orthodox church, and one Baptist (while there are 4 synagogues in Moscow alone, though numerically the Jews are a minority. The rest of the beautiful churches are converted to a carpenter's shop, movie developing centers, apartment houses, or club houses. Some are just deteriorating.

The reds prefer tourists, because they herd them like cattle to designated places. Once in a while they grant vizas on invitation, like they did to me, because I never lived in Russia, and wasn't a displaced person. Never the less, they hate visitors like I was, because I could go where I wanted and see things I shouldn't, however, they need all the American money they can get.

Every day Radio Moscow blasted propaganda against America. In one of their newspapers, a picture drawn by an artist, displays a bread line in the U.S.A. One day, as I had attended dinner at relative's home, some visitors were there also, the radio blasted, "False freedom in USA: a Negro came to N.Y. City from the South and Police chased after him, and forced him to go back South." I told everyone that it is a lie. In U.S. anyone can go anywhere they please. My Government doesn't even know I went to Russia!

Thou I overheard one of the guests ask my relative: "Aren't you afraid to have an American in your home?" Relative reassured him that it was alright.

In the Soviet Union citizens must get a permit to go to another city. The people asked me if we are free in U.S. to go to another city. I told them: "Not only to another city, but from state to state, and any part of the world." I could see that not all believed me, being well brainwashed for half of the century.

I stopped to look at a beautiful young lady sweeping the street in Moscow. She asked me: "Why are you looking at me?" I told her: "In America young ladies don't sweep the street, we have trucks to do that." she added: "After college graduation, in order to get a permit to live in Moscow and get a job, I have to work for two years sweeping the street." I asked a very elderly lady shoveling heavy snow on the street: "Why do you do this? this is a job for a man." She replied: "what can I do? I must eat!"

As I got on a street car, the conductor chased away one person to give me his seat. I felt bad about it, and preferred to

MINISTERS HURT CHURCH GROWTH

One of the major complaints against ministers is that they have gotten away from the Bible and are more concerned with minority causes. In New York City Episcopal Bishop Paul Moore, Jr., said that he would place special emphasis on "Social Causes."

He began with a denunciation of corporations and White families who have moved out of New York City. Moore said that the Federal Government should take over all of the state's welfare and health-care costs. He also said that "selfish unions have joined with corporations in an immoral betrayal of the city."

Moore said that he has been active in civil rights causes in the ghettos of Jersey City, and Indianapolis. He is also working

for "home rule" for Washington, D. C. which would give blacks there an extra voting Congressman.

With fuzzy-minded ministers like Bishop Moore blaming White people for all the problems actually caused by negroes, is it any wonder that church attendance continues to drop!

ISRAEL OVER AMERICA

Editor, The Thunderbolt:

The U. S. land area is 3,624,000 square miles. Israel is roughly 8,000 square miles. Dividing the smaller into the larger number, the quotient is 453. Yes, the U. S. is 453 times larger in land area than Israel, but politically they are equals. Amazing!

Signed,

stand, but she made me sit, and started asking me questions. You must be from America? I said how did she guess? "Well", she replied, "the fine manner in which you behave and talk, tells you are." Then she asked me: "Tell me why your government detained one of our correspondents and refused to let him go and return to Soviet Union, and because of that he committed suicide." I asked her where did she hear this? She said, "It was in our papers." I told her: "The facts are usually contrary to this kind of story."

Propaganda against our beloved country continues for 24 hours a day, and this is called 'detente'. When I went to get a permit to visit my 76 year old brother in another city, they refused me the permit. When I wanted to know why, the official with a long crooked nose, shouted at me: "Shut up! I am the one who talks around here!"

Most people were afraid to talk to me. I could see the fear in their eyes, as I saw them on streets, subways, street cars. Before I left my home, my doctor gave me 100% bill of health. But up there I felt ill. It depressed me, made me sick in my heart and soul.

Before my return flight at the customs ticket office airport I arrived first, but was purposely held up to be the last. When all the passengers were gone, then all of the customs officials jumped me. They took my two suitcases, split everything all over the tables and the floor, grabbed my hand bag out of my hands, and shook out the contents. They took away our families' three generations relics: plain metallic cross and an old family New Testament, also a package of dry mushrooms given to me by my old brother, as a present. They called me a contrabandist. They told me this all is a government property, they get big money for that, especially mushrooms, the product bringing high revenue to soviet government! Then they took me to the interrogator. When I told them that I missed my flight, how can I get to the United States now? They answered: "It is none of our business. Let your God help you (they have only one soviet flight a week). I prayed silently all the time. Then, one young lady came up to me and said: "Your flight has been held up, because of technical difficulties." I told them: "No, it has been held up especially for me by my God (for 4½ hours)." As soon as I boarded, the plane took off.

Now I am trying to get back my money and our family's property mentioned above through our State Dept. (But it is like getting it out of the wolf's teeth.)

Christian people asked me not to write to them, because they will be persecuted, like loss of a job, etc.

The soviets refused to sell me a ticket to fly on a Pan American flight. I think I was the only American on their soviet "Aeroflot." It was filled with soviet people. When we landed in New York airport, our customs official asked a soviet passenger, who walked before me, for a customs slip (which we filled on the plane before landing). He answered: "I don't have any, they were short of them." It was a lie, I saw myself when the stewardess was passing the slips, she still had a big pack in her hand. So our customs agent believed him and let him through without even checking his baggage. It's not like in Soviet Union, where they nearly shook my soul out of me. When I arrived at my hotel, I kneeled down, and kissed the floor on American soil, and thanked the Lord for delivering me out of that Satanic power.

J.D.L. WILL KEEP THEIR GUNS

There has been much talk about gun controls. Jewish groups are unanimous in their demands that tighter gun laws be enacted by state and federal legislative bodies. The statement below is from the Jewish otherwise.

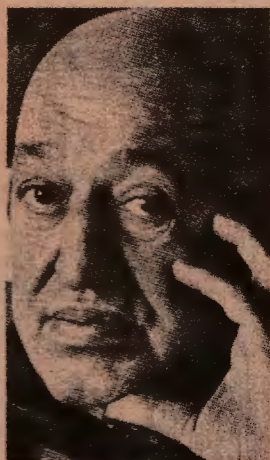

(Below reproduced from "Jewish Press".)

1-EVERY JEW A .22 — Every Jew should — MUST — buy a firearm (legally, of course). The American Constitution states that "the right of the people to keep and bear arms shall not be infringed." That means that there is nothing wrong with buying a gun. If the Second Amendment (adopted in 1791) allows for this, and if other people buy guns, then so should Jews. A gun in the home means

Defense League and it is clear that they advocate that every Jew be armed. Every White Christian should keep in mind that the negroes, Jews and other minorities will never surrender their weapons. It would certainly be foolish for us to do otherwise.

that criminals get found dead, not elderly Jews. A gun in the home means a Jewish community with the image of other communities, where there is no crime problem. And let not the Reform Rabbinate explain to us that "Weapons are not Jewish." Let us recall that the Second Temple was built under great physical danger and that Nehemiah commanded every Jew to bear a weapon.

Typical Jewish Racial Types

CLEMENT GREENBERG, New York Art critic. Note eyes, nose, lips. Overall fleshy appearance.

PAUL ROSE, British Socialist M.P. & Zionist Leader. Fleshy lips, slanted asiatic eyes.

IRVING SHAPIRO Chairman of Dupont Industries. Heavy lidded eyes and mouth reveal his identity.

JOELLE FISHMAN, U.S. Communist Party Leader in Conn. Slanted eyes chief Khazar feature.

DAVID KAPLAN, author features Jewish hooknose, lips, crafty eyes and kinky hair.

HOW TO SPOT A JEW BY FACIAL FEATURES

Often the Jews will claim that they are a "religion" and not a "race." But, when you study Jewish publications they often refer to their people as a race. Of course the Jews are not a pure race and have intermarried with many different nationality groups. At the same time Jewish political and religious leaders have done all within their power to hold down intermarriage for thousands of years. This means they are a group with the same religion, culture and Marxist style political views who have intermarried with their own kind for many centuries. This is the way in which racial groups are formed in the first place — close intermarriage of the same racial group over long spans in time. Some 95% of all Jews in America are "Khazars" which are an Asiatic strain of people from Southern Russia.

Russian-Khazar Jews are identifiable by facial features. On this page are several photographs of typical Jewish types. Of course there are Jews who have a great deal of Nordic blood (genes) from interbreeding and cannot be so detected, but the vast majority of the Jews whom you commonly come in contact with on the street are identifiable.

1) Most Jews have a large nose which usually points downward or is rounded off at the end. The nostrils are sometimes wide or "flared."

2) The Jews have unusually thick and fleshy lips. They tend to curve up in the center and downward at the end giving them a "scowling" appearance much of the time.

3) The eyes of the Jew are a very important feature. They are dark, small, heavy lidded, and often slanted which is directly inherited from their Khazar asiatic strain. This gives them a crafty and sinister look.

5) The Jew's hair is almost dark or black. Often is kinky and woolly. Hair straightener is often used to plaster down their hair giving them a "greasy" look.

6) Jews have large ears, round heads with a "flat back" to them. They are often short of stature and have dark olive skin coloration. Jews characterically talk fast, gesture with their hands and shoulders, and even with their eyes and face. They have a curious forced smile on their faces when talking during business negotiations when there is nothing humorous in the conversation. This is supposed to disarm their adversary.

"Jewish Diseases" Prove They Are Race And Not Just A Religion

NEW DISEASE DISCOVERED IN JEWISH RACE

There are seven genetic diseases which are found only in Jews. All are inherited and are

incurable. They are Dysautonomia, Dystonia, Gauchers, Broom's Syndrome, Neimann-Pick and Tay Sachs diseases. The last is the most common and all attack the cen-

tral nervous system which induces degeneration of the nervous system, loss of muscular function, and early death. The newly discovered disease which exists only among Jews is called Musolipidosis IV. It involves a cloudy cornea of the eyes with eventual psychomotor retardation and early death. The children are profoundly retarded. There is no way to detect this new disease.

Dr. George Krohn, president of the National Foundation for Jewish Genetic Diseases, states that cases have been discovered among Polish-Russian Jews (all Khazars), not only in Israel but in New York, Chicago, and Los Angeles.

The most widespread of the Jewish diseases is Tay-Sachs and it is possible to discover which Jews carry the disease trait. If both parties are carriers, then it is advised that they do not marry or if they do that they never have children.

This all brings us down to the question once again as to whether or not the Jews are a specific race of people. It is now well established that the vast majority of the people who call

themselves Jews today (95% of them) are descended from the Khazars of Southern Russia who converted to Judaism in the year 800 AD. If deadly diseases such as the above exist in only one group in the entire world, then it is self-evident, that this element must constitute an identifiable race of people. Yes, the Jews are a tightly knit race who are fighting tenaciously to hold their race together by clamping the lid down on intermarriage between Jews and non-Jews.

NEGRO CRIME IN BALTIMORE

Editor, The Thunderbolt:

Baltimore is #1 crime city in the country, you can not walk day or night on the street that you are not robbed or beat up.

The law is gone forever, where it went to nobody knows. The courts do not help the White people, only the black man. I do not know what is happening to the good old U.S.A.

When you go on a vacation you do not know whether you will come home to a good house or a wrecked one.

Make Puerto Rico A Nation — Not The 51st State

INDEPENDENCE FOR PUERTO RICO

The Democratic Party wants to make Puerto Rico 51st state. The negroidal island would provide us with two more non-White Democratic senators. Few people realize that Puerto Rico is a negro nation. Its breeding grounds have spilled over half its population onto our shores. Here they join with other negroes in the crime wave that is currently sweeping America. Puerto Rico has the power to eventually turn our country into a non-White nation as they breed, breed and breed.

Puerto Rico has a population of almost 3 million. Some 21% of them are unemployed and the per capita annual income is only \$1,980 per year compared with \$5,834 in America. Puerto Ricans do not pay any U. S. income tax yet they have all the benefits of social services such as welfare, public housing, and other poverty aid programs. Over half the island's population is on food stamps and this is more than any state in our union.

U. S. industries are encouraged to build plants in Puerto Rico with special tax breaks and lower wages because they are not obligated to pay them the U. S. minimum wage rate. This causes the loss of thousands of jobs which would otherwise go to Americans if these factories were located here in the states.

Both the Republican and Democratic Parties are against independence for Puerto Rico. They want to keep this growing non-White blight for future political enslavement of the rapidly diminishing White majority in America. The National States Rights Party strongly supports the right of Puerto

Rican Nationalists to form their own independent government so long as the free flow of Puerto Ricans from that over populated island to America is halted.

Puerto Ricans have an average of 7 children per family and this is more than double our rate. It is for racial reasons that we wish to cut our nation free from that island. Statehood would bring us two more negroidal Puerto Rican senators and enable the minority machine to milk the tax payer with even more welfare type giveaways. Remember it is the lazy, indolent, non-White whom the Jimmy Carter type politicians chase after with their "share the wealth" programs — which in reality means to take from the White working class and give to the non-productive negro, mongrel, low I.Q., parasitic element. YES — WE DEMAND FREEDOM AND INDEPENDENCE FOR PUERTO RICO!

AUSCHWITZ NOT A DEATH CAMP

Judge Wilhelm Staeglich, 58, is an official in the right wing National Democratic Party (NPD) in West Germany. Not long ago he wrote an article stating that he visited the Auschwitz prison camp in 1944 and found no signs of mass deaths. He reported it was actually a well run orderly camp. For telling the truth he was forced to resign two years prematurely from his judgeship by the Socialist government in Bonn.

Any one wanting a documented report proving that the Germans never killed any 6 million Jews during World War II should order our booklet, "Did Six Million Really Die," for 75 cents a copy or 3 for \$1.

Admits Modern Art A Hoax

THE DEBASEMENT OF ART

The leftists today teach our children in school that the "contemporary surrealism" of weird cubes and splashed paint on canvas is supposed to allow the viewer's "imagination to soar." Beautiful portraits by the world's truly great artists have been scorned. Picasso once painted great works of art. He then discovered that you could turn out 100 paintings by smearing paint on canvas and drawing cube lines. Collectors pay hundreds of thousands for Picasso's so-called "works of art." Just before Picasso's death he granted an interview with the French magazine "La Croix." Here is what he had to say:

"Most people today can no longer expect to receive consolation and exaltation from art. The

refined, the rich, the professional do-nothings, the distillers of quintessence, desire only the peculiar, the sensational, the eccentric, the scandalous.

"And I, since the advent of Cubism, have fed these fellows what they wanted and satisfied these critics with all the ridiculous ideas that passed through my head. The less they understood me the more they admired me! Through amusing myself with all these farces I became celebrated and rich. I do not have the effrontery to consider myself an artist, not in the grand old meaning of the word. Titian, Rembrandt and Goya were the great painters. I am only a public clown, a mountebank."

A "mountebank" is a pretender, a charlatan, an impostor.

EXCLUSIVE: Secret Communist Laws In

HAS COMMUNIST RUSSIA THROWN OFF JEWISH INFLUENCE?

Every few years the daily press and even misguided Patriots come to the conclusion that the Soviet Union has overthrown Jewish influence. It is well known that the founder of communism was the Jew Karl Marx. He was a descendant of a long line of rabbis and it is recognized that many of Marx's theories came right out of the Jewish Talmud (their bible.)

The recent book, "Wall Street and the Bolshevik Revolution," states that State Department Decimal File 861.00/5339 discloses that the communist revolution in Russia in Feb. 1916 was financed by the Jewish banking firms of "Jacob Schiff, Kuhn, Loeb & Co., Warburg Banks, Otton H. Kahn, Mortimer L. Schiff, Guggenheim banking family, and Isaac Seligman."

The "New York Times" of March 24, 1917 reported that Jewish banker Jacob Schiff put up \$20 million or more for Leon Trotsky's movement which was able to overthrow the Czar in a bloody revolution. The Jew Trotsky became the first commander of the Red Army and the Jew Jacob Sverdlov became the first communist president of Russia.

THE STALIN ERA

Some historians and students of communism believe that Jewish domination over the original Bolshevik movement was ended when Stalin seized power upon the death of Lenin. It is true that many millions were murdered by Stalin and that some Jewish rivals of Stalin went to their deaths along with the others. But the facts show that only a tiny number of Jews were meted the same fate that was suffered by millions of Christians.

Throughout Stalin Regime Jew Was In Power

LAZAR KAGANOVICH
Was Ruthless Purger

By WILLIAM L. RYAN
Associated Press Writer

Kaganovich had been Stalin's most ruthless purger, once known as "the Iron Commissar" of the Ukraine. Khrushchev prospered as Kaganovich's protegee in the Stalin days, learning much from the crusty, Jewish-born revolutionary who was one of the toughest and ablest of Soviet administrators. After 1957 Kaganovich wound up as a building materials executive in the Urals. He turned 70 in 1963, became a pensioner and began writing memoirs

The ruthless dictator Joseph Stalin had as his closest aide and second most powerful man in Russia the Jew Lazar M. Kaganovich. On this page we reproduce Associated Press Moscow expert William L. Ryan who tells us that Kaganovich was Stalin's most "ruthless purger" in the Ukraine. There millions of Christian Ukrainians were slaughtered by the Jewish butcher Kaganovich with Stalin's approval. Kaganovich's brutal reign continued through the entire Stalin period of rule. Kaganovich, the closest man to Stalin, a Jew, was never purged!

Joe Stalin was so close to Kaganovich that he married Kaganovich's Jewish sister for a time. The intermarriage continued when Stalin's daughter Svetlana, now living in America, married Kaganovich's son.

Stalin's son Jacob also married a Moscow Jewess.

Others who were never purged by Stalin who were married to Jewish women included Molotov, Stalin's foreign minister, and Kliment Voroshilov, who was the "President" of Russia throughout the Stalin era. If Stalin actually hated Jews, he surely would have purged these men, especially Jew Lazar Kaganovich, the fiendishly anti-Christian butcher!

Intrigue is nothing new among the Jews and Stalin indeed did get rid of those who disagreed with him. Intrigue is rife within the so-called state of Israel where corruption and backstabbing soon will bring down the current socialist government in Jew-ruled Palestine.

IS RUSSIA ANTI-JEWISH TODAY?

A startling report in the Sept. 26, 1976 issue of "Jewish Week" states that Veniamin Dymshits, 66, the Jewish deputy prime minister in charge of heavy industry in Russia has now been promoted to the "full time assignment on the Council of Ministers and might be Alexei Kosygin's successor as Prime Minister."

This would make the Jew Dymshits third in line for Brezhnev's position as head of the Soviet Union! Kosygin has been in ill health for a long time and Dymshits' name may be in the news any day now as the second most powerful man in Russia. It will not be mentioned that he is a Jew but this is an extremely significant promotion. If Russia had turned against the Jews, you could be certain that the Jew Dymshits would have been purged. Instead he is promoted to the most powerful position existing next to Kosygin and Brezhnev.

MOSCOW, Nov. 24 (AP)—A rising economic brain, a Jew, was named to head the powerful economic council, designed to give a push to Russian industry and construction.

Deputy - Premier Veniamin Dymshits, 52, who rocketed into prominence within the past year, takes over the council to become the effective czar of Soviet industry.

THE SECRET RULERS OF RUSSIA

On this page we reproduce a revealing article from the Los Angeles Times which was never properly analyzed by the daily press. Released on March 31, 1976, it tells the story of Jewess Lidia Voronina who married a Zionist, Anatoli Reznick. He was allowed to immigrate to Israel but not Lidia. To her surprise she discovered that her mother Vera M. Vasilyeva is a very powerful secret Jewish Communist leader in Russia. The mother told her of the existence of secret laws which exist in Russia that are unknown to the general public. She was able to prevent her daughter from leaving Russia. If Russia had indeed turned against the Jews, then Mrs. Vasilyeva would not hold such a powerful position and would not be able to use "secret Laws" to keep her daughter in Russia.

It is estimated that there are over 5.5 million Jews living in the Soviet Union today and the "American Jewish Committee Yearbook" states that over half a million reside in the city of Moscow alone. That is why it is often called the New York City of Russia. Jews make up the largest racial bloc by ratio within the Soviet Communist Party. Note documentation reproduced on this page. This entire situation could never exist if the Jews were being "persecuted" in Russia. The truth is the fact that Jews hold privileged status positions behind the Iron Curtain AS THEY ALWAYS HAVE!

It is true that there are Zionist Jews who want to leave Russia. It is estimated that, at the most, only 300,000 Jews wish to leave the Soviet Union for Israel. This is less than 5% of the total Jewish population there. This means that most Jews who have failed to advance within the confines of the Soviet bureaucracy and have financially failed wish to emigrate. For this reason Jews from the rural poverty area of Khazar Georgia are the main ones immigrating.

Immigration itself is further proof of the favored status which Jews hold in Russia. No other racial or nationality group is allowed to immigrate in or out of the Soviet Union as the Jews are. The Jews are the only group allowed to hold

NEIL I. KOBLITZ, assistant professor of a young Soviet emigre who started to study

By MARK J. PENN

A year of hopeful planning ended Wednesday with the arrival at Harvard of Mikhail Katz, an 18-year-old Jewish immigrant from the Soviet Union.

"You could say I am glad to be here," Katz said Wednesday through a translator. He will begin his studies at Harvard immediately as a special student.

Met Koblitz in Moscow

Katz said he has wanted to leave the Soviet Union to study here since he met Neil I. Koblitz, now an assistant professor of Mathematics, who was in Russia last year as a post-doctoral fellow at the University of Moscow.

"He and his family were interested in how he could study at an American university," Koblitz, who was largely responsible for Katz's admission, said Wednesday.

Katz was then attending one of Russia's most selective boarding schools in Moscow, which trains students who are especially talented in mathematics and science.

18 Hours a Week

Katz said he spent 18 hours a week there on mathematics and physics, with additional classes in more traditional subjects like history and English. He has the Soviet equivalent of an advanced high school degree.

Katz sent in an application to Harvard sometime last year, he said. He declined to discuss how he got the forms out of the country, but he acknowledged that they did not go through official channels.

Last July, Katz asked the Soviet Union for permission to emigrate to Israel with

his mother, who "worked in a publishing firm until the day before we left," the somewhat frail and nervous student said Wednesday.

L. Fred Jewett '57, dean of admissions, yesterday said that the admission of Katz as a special student—which was made with the possibility left open that he could continue his studies in the fall—was "unprecedented on the undergraduate level while I've been at Harvard."

Harvard has provided Katz, who left the Soviet Union with only two suitcases of belongings, with full financial aid. "He and his family obviously don't have any means of support." A Jewish philanthropic organization is helping out Katz's mother.

Between the time he asked to leave the country and was granted a visa, Katz said he faced no pressure from the Soviet government.

Shlomo Z. Sternberg, chairman of the Mathematics Department, met Katz yesterday

and said he came away confident that Katz's English would present no difficulty.

"I think the University did the right thing in extending hospitality to him," Sternberg added.

Katz said he had never left the country until last December, though he had been separated from his mother while attending the Moscow boarding school. He was raised in Kishenev southeast Russia.

He said he missed his family and friends still in the Soviet Union.

protest demonstrations in Russia and Israeli representatives are allowed to visit those wishing to leave. Such privileges are not accorded the Baltic people, Ukrainians, Volga Germans or any of the other enslaved Captive Nations peoples who wish to leave Russia. ONLY THE JEWS HAVE BEEN GRANTED THIS PRIVILEGE and the vast majority of them do not wish to go to Israel!

ONLY JEWS ENJOY FREE MOBILITY IN RUSSIA

On this page we reproduce a very enlightening article from "The Harvard Crimson." It reveals the extent to which certain Jews under Russia's "secret laws" can come and go as they please. This report explains how a Jewish Mathematics Professor, Neil Noblitz, was allowed to leave Harvard for post-doctoral work at the University of Moscow. There he made friends with another Jewish college student named Mikhail Katz. Young Katz is apparently a member of one of the privileged Jewish families of Russia. This article tells how he attended a special communist boarding school for gifted students.

Koblitz was impressed with Katz. He felt Katz could improve his education by going to Harvard for advanced studies. Note particularly the underlined reproduction which discloses that special exit visas were used to allow Katz to leave the country which "did not go through official channels."

Only the Jews of Russia can make such arrangements because they remain the "Chosen People" of the communist revolution ever since the day the mostly Jewish band of Bolsheviks overthrew the Russian Czar. There have been purges and double dealing but it has remained mostly internal squabbling among the Jewish clique which has continually ruled Russia.

The story of the Jewish girl Lidia Voronina who is prevented from leaving Russia by her mother who is a powerful communist who can use secret laws to keep her daughter in Russia is right in line with Katz who on the other hand can use the same "Secret Laws" to leave Russia bypassing normal channels. Needless to say none of these special privileges are available to the mass of Christians imprisoned behind the Iron Curtain. Only the Jews can come and go when Jewish Communists rulers give their special stamp of approval.

The truth of the matter is that Soviet Communism is controlled by Jews today, just as it was under Stalin and Kaganovich, as well as under Lenin and Trotsky. Every period offering different rulers of Russia has had Jews in the very top echelons of power such as Dymshits who sits right next to the premiership of the Soviet Union today.

These are all facts which cannot be denied and those who have been misled into thinking that the Jews are losing their power in Russia are victims of Jewish propaganda which has been promoted by the daily press in America. The facts are that the two spheres which make up the axis today controlling the world are the powerful Zionist Jews in Israel and America on the one hand and the powerful Communist Jews like Dymshits in Russia on the other hand. Communism and Zionism are not opponents but are working together for eventual World Government as we shall document in further issues of The Thunderbolt.

Few Dare Oppose New Israeli Bond Ripoff

WANT ANTI-ISRAELI BOND SENATOR PURGED

Quietly, with little fanfare, Jewish pressure groups have persuaded one state legislature after another to change state banking laws to allow banks to buy Israeli bonds. Since Israel has the highest rate of inflation of any industrialized nation in the world (40% annually) it is unstable and could not survive without gigantic financial grants from America.

Israel is the only foreign country in the world allowed to sell these low yield bonds in America. Whenever the Jews are able to have such laws passed, their community groups immediately go to work to pressure

said state banks into buying huge chunks of the unreliable Israeli bonds. Bankers have stated that Jewish leaders have come to them and have threatened boycotts by all the Jews in town if the bank does not buy large amounts of said bonds.

Recently in New Jersey the legislature passed such a bill and only one state Senator had the guts and patriotism to buck the Jews. State Sen. Mrs. Alene S. Ammond of Cherry Hill, N.J. was the only one to cast a vote against the Israeli bond ripoff bill. Now Jewish groups are zeroing in on her Senate seat which comes up for election in 1978. It is important that Patriots stand by such

Jewish Red Leader Uses Secret Law To Hold Daughter In Russia

By ROBERT C. TOTH

The Los Angeles Times

MOSCOW — Lidia Voronina is an exceptional case. Soviet officials told her so.

"Yours is an exceptional case for which the law has no provisions," one said in refusing her permission — without citing a legal reason — to emigrate and join her husband in Israel. "Only if your mother approves can you go," she quoted the official as saying.

Her mother is a senior and influential official in the Soviet Justice Ministry. Even the daughter does not know her precise title. A dedicated, lifelong Communist, "she is the personification of 'Soviet Power,'" Lidia said, "and will never agree to let me go because that would be to deny her entire life."

The case shows that a high Soviet bureaucrat can use extralegal methods 20 years after Stalin's death.

And it is unusual in other regards as well, for in the heart of argument the mother insisted there are secret laws here — in this case to keep Lidia from ever joining her husband in Israel — despite repeated official Soviet claims that all Soviet laws are now published.

In one of their rare meetings, Lidia said, "I mentioned that my telephone had been disconnected after I spoke with my husband, and my mother laughed and said she was the author of that secret law which permits phones to be cut off.

"She also said that because of her post, she knows there is other secret legislation that allows me to be kept in this country forever and that her connections are good enough to have me imprisoned if she wishes," Lidia added.

The mother does seem influential with the police. They have raided Lidia's

apartment several times, saying the mother claimed it was a brothel. After one such raid, they asked Lidia to reason with her mother.

"They said they had to respond to her calls because of my mother's position, but were fed up with it," Lidia said.

Attempts to phone the mother, Vera M. Vasiljeva, for comment were unsuccessful at home and office.

Lidia is a tall, attractive, green-eyed woman of 28, with a ready smile and short blond hair. She holds a master's degree in philosophy from Moscow University.

Graduated in 1971, she went on vacation to the Sea of Azov where she met a local boy named Anatoli Reznick, then a mathematics student. He transferred to a Moscow institute, and in 1974 they married.

The same year the couple applied to emigrate. At Lidia's urgings he went alone, believing she would soon be permitted to join him.

Reznick's parents, also dedicated Communists, were fired from their jobs and expelled from the party. They protested that it was Lidia who had persuaded their son to emigrate, that they had publicly denounced him for applying. Called to a party office, Lidia said: "Of course, I, a Russian woman, persuaded him to go to Israel."

Her reply was facetious, but it was enough to get the

Reznicks readmitted to the party. The father was rehired

Lidia went to her mother and told her of the Reznicks' experience, warning that she too might be vulnerable although she had not approved Lidia's emigration application.

"I'm a Communist, not a kike," retorted the mother, and then disclosed the existence of secret laws and claimed powerful connections, according to Lidia.

Movie Portrays US Germans As "War Criminals"

ACTOR Lawrence Olivier plays role of "German War Criminal" hiding in America. He carries a switch blade up his sleeve to kill his hunters with.

VICIOUS ANTI-GERMAN MOVIE LAUNCHES WAR CRIMINAL HUNT

"Marathon Man" is a suspense thriller with both overt and subliminal political connotations. It is the story of a so-called war criminal hiding in South America. His elderly brother living in New York is burned alive after a confrontation with a Jew. Germans are called all kinds of vile names by the Jews in this film. They even curse the Germans in Yiddish.

In a distant twist the victim of the Germans is Dustin Hoffman who is actually a Jew. In the film he plays the son of a Jewish professor named Levy who committed suicide due to Sen. McCarthy's investigation into a communist infiltration of the government. Of course no such suicide ever took place but today's youth who see this vicious and biased film do not have that information.

The German war criminal is played by Lawrence Olivier. He is a vicious killer who unmer-

cifully tortures Dustin Hoffman. The plot makes no sense at all but Olivier clearly portrays Germans as the world's most fiendish killers. Olivier goes to New York to obtain war loot hidden there by his deceased brother. Much of it was supposed to have been obtained by Sir Olivier from the gold teeth of Jewish corpses in a German concentration camp. But the entire film is about the search for the vicious German war criminal. Olivier carries a long knife hidden up his sleeve and at the flick of his wrist it shoots out. In one bloody closeup scene he slashes a Jew's throat from ear to ear when he is recognized in the Jewish Diamond district of New York City.

What the movie leaves you with is the idea that German war criminals are at loose in America today and that our government must seek them out and bring them to justice. Of course it all reviews the old myth of the dead six million Jews once again. It is no coin-

cidence that Hoffman's father, a suicide due to the McCarthy probe of the 1950s, is named Levy. Today our Jewish Atty. Gen. Edward Levi is leading the purge to hunt down and deport back to communist countries innocent anti-communist refugees in this country. This heinous and brutal film is launching a new psychological campaign to win the American people over to the witchhunt to arrest and deport innocent people to their deaths in communist countries. It is interesting that Jews lead the fight in America for abolition of capital punishment. Remember that in Israel the death penalty has been abolished except for German "war criminals." For that reason Adolph Eichmann was the only person ever hanged in Israel.

Needless to say "Marathon Man" is pure fiction written by Jew William Goldman and directed by the Jew John Schlesinger and produced by Jewish owned Paramount studios.

Jews Still After McCarthy

ANOTHER ANTI-JOE McCARTHY FILM

"The Front" is supposed to be about the 1953 "persecution" of Jewish movie producers and writers during the Sen. McCarthy investigation into communist infiltration of Hollywood. Today the Jews are getting even in besmirching the good name of Sen. Joe McCarthy who did more than any other man to awaken America to the internal threat of communism after World War II.

"The Front" stars the Jew comedian Woody Allen along with two more Jews, Zero Mostel and Herschel Bernardi. It is an all

out attack on McCarthy and portrays him as falsifying evidence against leftists. The film was written by the Jew Walter Bernstein and produced by Charles Joffe. It boils down to being an all Jewish attempt to rewrite the McCarthy investigations into communism in the movie industry. This is the beginning of a new national attempt to rewrite history and make pro-communists out of our youth. The time has come for Patriots to speak out and tell our young people the truth about the great things accomplished by Sen. Joe McCarthy and we will detail his work here in future issues of The Thunderbolt.

NEWS NOTES Jews Protest Winter Olympics

Heinz Galinski, head of the Jewish community in West Berlin has issued a protest to Lord Kilannin, head of the Olympic Committee. He objected to the fact that the names of the Jews killed during the 1972 Munich Olympics were not honored at the recent Innsbruck games. He forgot to mention that they were killed after Golda Meir gave orders to the German police that the Arabs not be allowed to fly their hostages to Lybia under any circumstances. Thus, the Jews were responsible for the deaths of their own.

What About Christians Who Died During WWII?

MILLIONS OF CHRISTIANS KILLED AFTER WWII

Editor, The Thunderbolt:

We are Thunderbolt brand Americans and subscribers.

Through the years we have read about the six million Jews who were supposedly put to death in Germany.

We have also read from various sources, but too infrequently, about the innocent Christians that were displaced, sent to labor camps, into exile, and died in those places. We have never found a compiled factual figure for this side of the story.

For example — we have relatives who were rounded up in the Zagreb and Nove Sove villages area of Yugoslavia. They were all taken from their homes,

divided into work groups and sent to camps where most of them died in the 3½ years of their imprisonment from starvation!

My husband's brother and mother were victims. They were Germans, and of the 2 who escaped and are now here we cannot put together why or how this was necessary. There were tens of thousands of Christians imprisoned to die in all of those Balkan countries. Can you direct me to any printed material that gives the Christian side of those displacements and political genocide of those thousands who are never mentioned.

Cordially,
Mrs. H. F.

Do They Create Own Enemies?

STUDY SHOWS ANTI-SEMITISM INCREASES WITH PERCENTAGE OF JEWS

Dr. Charles Glock, a Jew, made a survey of 4,500 students in the 10th and 12th grades in schools in different states. He found that the more Jews there are in a school the higher the percentage of Christian children holding anti-Jewish feelings.

Glock says that in schools with 50% or more Jews, such as in Beverly Hills, and Miami areas, 65% of the Christian students held anti-Semitic views. In another school with few Jews, 30% were anti-Jewish. In both schools there was a hard core of about 15% who were extremely anti-Jewish.

(NOTE: This means that National States Rights Party organizers should concentrate on recruiting high school students. Once they get into college, professional communist professors do a thorough 4 year brainwashing job on them. Jews

make up a very high percentage of college instructors averaging 30% of the faculty in Ivy League colleges.)

Dr. Glock also found that when negroes made up a significant percentage of a student body, the Whites had a low opinion of them. In schools where there are no Jews or blacks at all the students had the highest opinion of these same minorities.

Interesting enough, schools in which there were a high percentage of Presbyterians, Baptists, Catholics, etc., there were no feelings of bias because their common racial and cultural heritage bound them together.

Students reported that their reasons for disliking Jews were that they were, as a group, conceited, clannish, loud mouthed, obnoxious, aggressive and preoccupied with talk about money.

Thus our youth are smarter than many give them credit for. They instinctively sense that the Jews are united and place the interests of the Jewish community first.

Freedom Demanded

GERMANS WANT OUT OF EAST GERMANY

Despite the Berlin Wall, East Germans continue to find ways of circumventing this barrier. Elderly people are allowed to leave so that the communists will not have to pay them old age pensions. Also prisoners can be bought out of prison by relatives and government agencies and thus relieve the East of active enemies. Through one means or another 10,000 Germans were able to flee the East German communist state last year alone. A new shocking figure states that some 200,000 Germans want out and are working to find a way to freedom in the West. This is quite disturbing to the communists who rule over a depopulated land of only 17 million Germans. Unfortunately the Germans and other Eastern peoples do not have an immigration quota system as has been granted only to Russian Jews.

HOLLAND MUST PAY JEWS REPARATIONS

The Dutch government has presented a bill to Parliament by Under Secretary for Social Affairs William Meyer to pay Jews reparations for any persecution suffered during the German occupation. Jews living in Israel and America will be eligible for payments including the government of Israel representing those deceased. Many of these faked claims have already been paid by German taxpayers but there is no limit to the Jews' ability to discover new ways to extract money from gullible governments.

ANTI-SEMITISM RISING IN GERMANY

As more and more Jews move to Germany, (over 40,000 already) there is a rising tide of "anti-Semitism" according to Heinz Galinski, leader of the Jewish community in West Berlin. He warns that the rising rate of unemployment and inflation are pre-conditions of "radicalism" which is aimed at the Jews. Galinski said that West German universities are the "breeding grounds" for anti-Semitic students.

"War Criminal" Hunt Plot To Instill Guilt Complex In Christians

JEWISH WITCHHUNT AFTER "WAR CRIMINALS" IN U.S.

It has been more than 31 years since the end of World War II. Now, suddenly, after all these years, Jewish organizations are screaming that there are some 300 so-called "war criminals" hiding in America. In order to inflame people and launch a hysterical witchhunt, Hollywood and T. V. are now being saturated with stories of people supposedly secretly residing in America who in some way have persecuted Jews during World War II.

Hermine Braunsteiner Ryan, married to an American, was the first victim of this new Jewish persecution campaign against elderly people whose only real crime was to have opposed communism. Attorney J. B. Stoner has personally sat in on the poor deported Mrs. Ryan's trial in West Germany and personally attests to the outrageous circus being perpetrated. They want to make people believe that the real enemy of the free world today is aged veterans of the fight Germany lost against communism instead of communism itself.

Attorney General Edward Levi, a Jew, was the first to begin the mass harassing investigations of American citizens who once were refugees from the advance of communism over Eastern Europe. Levi states that there are 91 deportable people in America. His Kasher Justice Department is now harassing them. Already, hearings to strip these individuals of their American citizenship are underway. Just

think of this outrage for a moment — JEWS STRIPPING AMERICANS OF THEIR CITIZENSHIP SO THAT THEY CAN BE DEPORTED BACK TO COMMUNIST COUNTRIES TO CERTAIN TORTURE AND DEATH!

Former Latvian Army Officer, Edgars Laipenieks, now resides in California. He is 63 and a former U.S. Olympic sports coach. He is charged with aiding the German Army round up communist Jews when that country was under attack by Russia. For a time he aided the CIA investigate communist infiltration of refugee groups. Mr. Laipenieks has a letter on CIA stationary stating that he is "not deportable under the law" and thanking him for his services. Still Levi's Jewish Justice Department investigators are threatening this poor man.

Ex Latvian police officer, Boleslavs Maikovskis, 72, is a retired carpenter in Mineola, L.I., N.Y. He is charged with helping round up communists during the war.

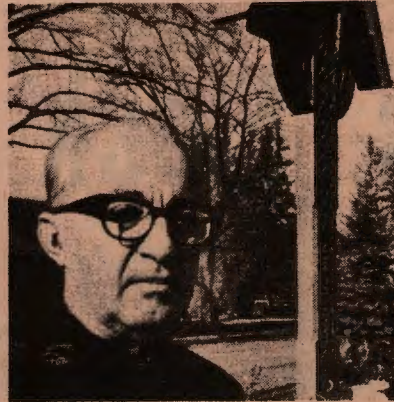

Lithuanian Bronius Kaminska, 73, of Hartford, Conn. is charged with aiding in the execution of communist traitors.

Latvian Legion soldier Karlis Detlavs, 65, of Baltimore, a retired factor worker, is charged with similar acts. Mr. Detlavs is suffering from cancer and recently had his left foot amputated. Still the Jews will not let him rest after the many tribulations he has faced.

In the Maikovskis case Judge Lyns rebuked prosecutor Bill Strasser for "inaccurate and in-

appropriate" phrasing of his complaint. The Judge said the government had had 35 years to work on the case and still does not have the details straight.

OTHERS BEING

TORMENTED

Latvian policeman Vilis Hazners, now living in upstate N.Y., served for many years as president of the "Committee For A Free Latvia." The Jews now charge him with being a "war criminal." Rumanian Orthodox Bishop, Valerian D. Trifa, of Grass Lake, Mich., is charged with being a leader in the pre-war Iron Guard anti-communist organization. This was a well known patriotic group which helped save Rumania from being taken over by the communists during the 1930s. There are eight Orthodox denominations in America. The secretary of the overall Orthodox group, Rev. Serge Troubetzky has said that

Rev. Trifa, as pastor and administrator ruling 46 parishes with some 10,000 members, "has earned the devotion of his flock and the respect and trust of his fellow bishops."

The Jews have sought his ouster from his own church and this has been rejected. Also noisy Jews have sought to force Rev. Trifa out of the National Council of Churches and they may knuckle under to the pressure despite the fact that Jews do not believe in Jesus Christ and openly reject Christianity. They continue to try and give orders to Christian denominations and are often successful.

The Jew Tuvia Friedman, a professional tormentor and director of the absurd "Nazi War Crimes Center" in Haifa, Israel, is now in America pushing these outrageous trials. The State Department has long balked at

such trials until the Jew Kissinger took over. Atty. Gen. Levi was only too happy to use the powers of his office to grind down these elderly and innocent Patriots. The Jews are even now demanding that Congress enact new legislation giving them more powers to harass refugees from behind the Iron Curtain. All of these people are wanted by the communists and some have already been sentenced to death in absentia. The Jews are working with the communists in building up cases based on "evidence" fabricated by Jews in Israel and Russia. All of this is an outrage which should arouse every Patriotic American. The time has come for us to unite once and for all. The Jews have gone too far this time. We must help defend these people and show America why the Jews are now screaming that "war criminals" are the danger we face. What the Jews want us to do is to keep crying over the phony "6 million Jews" who never did die in W.W.II, but came to America during and after the war where they are now rich and dominant over our political life.

The Jews claim that ALL Christians everywhere share part of the "guilt" over the eternally "poor persecuted Jews." We are all supposed to be so imbued with self-guilt and self-hate that we will bow before the Jews and let them run rampant over our rights and rob this nation blind for the bandit state of Israel. Like Gen. Brown, and Vice Pres. Agnew, we are supposed to all be silenced and stand in awe before the "almighty Jew." The question is whether we are going to let the Jews get away with this?

If you agree with us that this is the case, then subscribe to The Thunderbolt. Begin distributing the truth to your friends and neighbors. Get them to subscribe. Attend our meetings in your area and help our various projects that seek to free America from the grip of the Jew parasites.

Oppenheimer's Work To Betray South Africa

COMMUNISTS & JEW CAPITALISTS WORK TOGETHER

It was a strange item buried away on page 54 of the Oct. 25, 1976 issue of "Newsweek." Angola had been taken over by Soviet armed Cuban communist forces. A Red puppet government was installed and the people enslaved with the loss of all freedoms. Yet the Newsweek magazine article states: "South Africa has begun a process of reconciliation with Angola through the auspices of the Anglo American Corp. of South Africa, Ltd., a giant mineral conglomerate that recently resumed diamond-mining operations in Angola."

Take the name "South Africa" out of it because the "Anglo American Gold Mines and DeBeers Diamond Mines Co.," are owned by the Jew Harry Oppenheimer. The South African government has no control over his dealings with communist powers. In communist controlled Angola there lie some of the world's most valuable deposits of raw diamonds. They were mined by DeBeers under Portuguese rule and "The Thunder-

bolt" long ago predicted that the mining of this vast source of wealth would continue by the Jew Oppenheimer and his family regardless of who won the Civil War in Angola. WE WERE RIGHT.

It should also be noted that Oppenheimer, one of the richest men in the world, supports a "determined policy programmed to eliminate racial discrimination in South Africa . . . The South African way of life was rapidly coming to an end as the face of Africa changed."

It is easy to see how Oppenheimer can speak out for black rule over South Africa because he knows that under Black Power rule Jewish money

power will continue to control the vast mineral wealth of the countries involved. The Jews easily work with communists and there is no official so high that they cannot buy them off. South Africa long ago should have nationalized the gold and diamond mines in the lands they control so that the wealth of these natural resources could go to the people instead of into the private bank vaults of the Jews.

It should also be noted that the head of the Marxist Progressive Party which has lobbied so long for racial integration in South Africa is the Jewess Mrs. Helen Susman. Almost all of the leaders of the

NSRP MEETINGS FROM COAST TO COAST

On November 2, millions went to the polls to try to make a choice among the race mixing, pro-Jew candidates for President of the United States. They really had no choice. Millions of others stayed away from the polls to protest, but a more effective protest would have been to go to the polls and only vote for offices other than president.

The Jew-controlled two party system violates the rights of the people by depriving them of a real voice in the government. That is why we are working to build the National States Rights Party into a major political party, sooner or later.

Now that the elections are over, the National States Rights Party is holding more meetings from one end of the country to the other. Many chapters are holding their regular meetings right on through the holidays as we prepare for more activities in the forthcoming year of 1977.

NSRP National Chairman J. B. Stoner spoke at NSRP meetings on the West Coast beginning on Saturday, November 13th in Seattle. Afterwards, Stoner spoke at a regular meeting of the NSRP in the San Francisco Bay area. He and Northern California NSRP leader, Ray Reimer, were the main speakers there. In addition to visiting various NSRP leaders in California, Stoner spoke at San Diego where the local chapter leader is Robert Rhody. Before leaving Southern California, Stoner spoke to the NSRP at Anaheim where Miss Judy Playter is Chapter leader. He was introduced by NSRP Organizer, Mrs. Agnes Klein, who also made a rousing speech.

Upon returning through Texas, Stoner was joined by NSRP organizer Roy Brown. They spoke at NSRP meetings in Dallas, Temple and Houston. They spoke on the necessity of building up the NSRP strong enough so that it could and would someday become America's number one political party. They urged members to build present NSRP chapters stronger and to organize more chapters everywhere.

Stoner, throughout his tour, urged NSRP members and supporters to build the National States Rights party into a White Racist political power structure that would someday rule America and solve her problems so that we will have an America for Whites only. As he said, we have nothing to lose but our Jews, negroes and mongrels. In most speeches, he urged his listeners to write to their United States Senators and

ROY BROWN, dynamic NSRP speaker, during his Texas tour with Mr. Stoner.

MR. STONER with John Rhody in NSRP T-Shirt at San Diego meeting.

Congressmen as the New Congress comes into session in January of 1977 and to urge them to change our immigration laws and to strengthen them so as to stop the flood of non-White immigration into America before America is changed from having a White majority to having a colored majority.

Stoner called upon his audiences to show their love for our White race by helping the NSRP to grow stronger. He gave the definition of a White racist. A White racist is a person who loves the White race and who is doing something to preserve it. We are White racists and proud of it. We advocate White power so that our race can survive and win the ultimate victory. If you know Stoner, you know that he is the leading advocate of White Racism.

As usual, Stoner took an open Anti-Jewish stand in all of his speeches as did Roy Brown and the other speakers. He makes it clear that without the Jews, there would be no communism. That without the Jews, black power would crumble. Therefore, our objective must be to free America from the Jews.

DR. FIELDS AT FORT LAUDERDALE

On Wednesday evening, on Thanksgiving Eve, Dr. Edward R. Fields, National Secretary of the NSRP and Thunderbolt Editor, spoke at a dinner meeting of the Fort Lauderdale, Florida Chapter of the National States Rights Party. The meeting was presided over by Chapter Leader Lyle Ennis. The meeting opened with Wanda leading the audience in singing "God Bless America." She has a voice to compare with any opera star.

The Fort Lauderdale Chapter has proven that more people will attend meetings when they can buy and eat a dinner, even when the dinners are expensive. Since NSRP members and supporters are "happy warriors," they like to enjoy themselves even when they attend serious White racist meetings. Every NSRP chapter should have dinner meetings in private dining rooms of restaurants.

Dr. Fields discussed the population problem and how the White population is decreasing and the non-Whites are increasing. He made it clear that only the colored races are having a population explosion. White people should have more children so that the White race can survive and win.

New Attack On Private Schools

NAACP SUES PRIVATE SCHOOLS

Jack Greenberg, Jewish head of the NAACP Legal Fund, has announced the filing of a suit to cut off the tax exemption allow-

ed private schools. Greenberg contends that the schools have adopted the IRS required policy of "non-discrimination" but most have few or no negro students. Greenberg alleges that this violates the "constitutional rights of black children to associate with Whites" in many communities.

The case has been filed in a Washington, D.C. federal court but specifically names private academies in Memphis, Montgomery, Ala., Farmville, Va., Cairo, Ill., Beaufort, Seabrook, Bowman and Holly, S.C., Natchitoches, Tallulah and Monroe, La., and Roxbury, Mass. Greenberg says such tax exemptions amount to millions of dollars and that many of the White schools would collapse if their tax exempt status were revoked.

JEW ARRESTED

PAINTING SWASTIKAS

Not long ago the nation's press carried headlines about arson at the Beth-El Synagogue in Astoria, N.Y. Police reported that they were looking for so-called "Nazis" because swastikas were discovered smeared on the walls inside the building. Today the case has been solved with the arrest of Jew Philip Shapiro, 16, of 31-63 33rd Road, Astoria. He has confessed to setting the fire and painting the swastikas. It seems he had an argument with Rabbi Harold Furst. While the initial news reports made the wire services, the end result was only reported in the New York City area. Thanks to local readers we were mailed clippings on the interesting outcome of this case.
